Sumner, Wayne served as pastor of Dellwood Baptist Church and Mt. Elon Baptist Church, Sopchoppy, 1991-1993.

Church has its own water system which serves the Church and Pastorium. Restrooms are conveniently placed for everyone.

Leading away from the recreational hall on the south side is a long picnic table. This table is roofed over as well as the loggia walkway connecting the church and the recreational building.

The Church, the Pastorium, the Recreational building, the grounds around them as well as the Cemetery across the road are well maintained and looked after. It is a quiet place, a peaceful place which has brought comfort to all of us, who live here and who love it.

Mt. Elon Baptist Church as been recognized for many outstanding accomplishments. In 1960, the State Mission Secretary notified the Church that for three consecutive years Mt. Elon Church gave more per capita through the cooperative Program for Missions than any other church. Mt. Elon has always been a very missions minded church since her beginning. She was the first church in the state of Florida to send out of her fellowship a voluntary missionary (that was Reverend Bostick). And since 1984, our Church has faithfully supported our own John and Arianna Glennon in Papa New Guinea through Wycliffe.
