ARTICLES OF FAITH

I. The Scriptures

We believe that the Holy Bible was written by men divinely inspired, and is a perfect treasure of heavenly instruction; that it has God for its author, salvation for its end, and truth, without any mixture of error, for its matter; that it reveals the principles by which God will judge us; and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds and religious opinions should be tried.

II, God

There is one and only one living and true God, an intelligent, spiritual, and personal Being, the Creator, Preserver, and Ruler of the universe, infinite in holiness and all other perfections, to whom we owe the highest love, reverence, and obedience. He is revealed to us as Father, Son, and Holy Spirit, each with distinct personal attributes, but without division of nature, essence, or being.

III, The Fall of Man

Man was created by the special act of God, as recorded in Genesis. "So God created man in his own image, in the image of God created he him; male and female created he them" (Gen. 1:27). "And the Lord God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul" (Gen. 2:7).

He was created in a state of holiness under the law of his Maker, but, through the temptation of Satan, he transgressed the command of God and fell from his original holiness and righteousness: whereby his posterity inherit a nature corrupt and in bondage to sin, are under condemnation, and as soon as they are capable of moral action, become actual transgressors.

IV. The Way of Salvation

The salvation of sinners is wholly of grace, through the mediatorial office of the Son of God, who by the Holy Spirit was born of the Virgin Mary and took upon him our nature, yet without sin; honored the divine law by his personal obedience and made atonement for our sins by his death. Being risen from the dead, he is now enthroned in Heaven, and, united in his person the tenderest sympathies with divine perfections, he is in every way qualified to be a compassionate and allsufficient Saviour.

V. Justification

Justification is God's gracious and full acquittal upon principles of righteousness of all sinners who believe in Christ. This blessing is bestowed, not in consideration of any works of righteousness which we have done, but through the redemption that is in and through Jesus Christ. It brings us into a state of most blessed peace and favor with God, and secures every other needed blessing.

VI. The Freeness of Salvation

The blessings of Salvation are made free to all by the gospel. It is the duty of all to accept them by penitent and obedient faith. Nothing prevents the salvation

of the greatest sinner except his own voluntary refusal to accept Jesus Christ as teacher, Saviour, and Lord.

VII. Regeneration

Regeneration or the new birth is a change of heart wrought by the Holy Spirit, whereby we become partakers of the divine nature and a holy disposition is given, leading to the love and practice of righteousness. It is a work of God's free grace conditioned upon faith in Christ and made manifest by the fruit which we bring forth to the glory of God.

VIII. Repentance and Faith

We believe repentance and faith are sacred duties, and also inseparable graces, wrought in our souls by the regenerating Spirit of God; hereby being deeply convinced of our guilt, danger, and helplessness, and of the way of salvation by Christ, we turn to God with unfeigned contrition, confession, and supplication for mercy; at the same time heartily receiving the Lord Jesus Christ as our Prophet, Priest, and King, and relying on him alone as the only and all-sufficient Saviour,

IX, God's Purpose of Grace

Election is the gracious purpose of God, according to which he regenerates, sanctifies and saves sinners. It is perfectly consistent with the free agency of man, and comprehends all the means in connection with the end. It is a most glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility. It encourages the use of means in the highest degree.

X. Sanctification

Sanctification is the process by which the regenerate gradually attain to moral and spiritual perfection through the presence and power of the Holy Spirit dwelling in their hearts. It continues throughout the earthly life, and is accomplished by the use of all the ordinary means of grace, and particularly by the Word of God,

XI, Preservation

All real believers endure to the end. Their continuance in well-doing is the mark which distinguishes them from mere professors. A special Providence cared for them, and they are kept by the power of God through faith unto salvation.

XII. A Gospel Church

A church of Christ is a congregation of baptized believers, associated by covenant in the faith and fellowship of the gospel; observing the ordinances of Christ, governed by his laws, and exercising the gifts, rights, and privileges invested in them by his word, and seeking to extend the gospel to the ends of the earth. Its Scriptural officers are bishops, or elders, and deacons.

XIII, Baptism and the Lord's Supper

Christian baptIsm is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. The act is a symbol of our faith in a crucified.

ń

buried and risen Saviour. It is a prerequisite to the privileges of a church relation and to the Lord's Supper, in which the members of the church, by the use of bread and wine, commemorate the dying love of Christ.

Ę.

XIV. The Lord's Day

The first day of the week is the Lord's day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should be employed in exercises of worship and spiritual devotion, both public and private, and by refraining from worldly amusements, and resting from secular employments, works of necessity and mercy only excepted.

XV. The Righteous and the Wicked

There is a radical and essential difference between the righteous and wicked. Those only who are justified through the name of the Lord Jesus Christ and sanctified by the Holy Spirit are truly righteous in his sight. Those who continue in impenitence and unbelief are in his sight wicked and are under condemnation. This distinction between the righteous and the wicked holds in and after death, and will be made manifest at the judgment when final and everlasting awards are made to all men.

XVI. The Resurrection

The Scriptures clearly teach that Jesus rose from the dead. HIs grave was emptied of its contents. He appeared to the disciples after his resurrection in many convincing manifestations. He now exists in his glorified body at God's right hand. There will be a resurrection of the righteous and the wicked. The bodies of the righteous will conform to the glorious spititual body of Jesus.

XVII. The Return of the Lord

The New Testament teaches in many places the visible and personal return of Jesus to this earth. "This same Jesus which is taken up from you into heaven, shall so come in like manner as ye have seen him go into heaven." The time of his coming is not revealed. "Of that day and hour knoweth no one, no, not the angels in heaven, but my Father only" (Matt. 24:36). It is the duty of all believers to live in readiness for his coming and by diligence in good works to make manifest to all men the reality and power of their hope in Christ.

XVIII, Religious Liberty

God alone is Lord of the conscience, and he has left it free from the doctrines and commandments of men which are contrary to his Word or not contained in it. Church and state should be separate. The state owes to the church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

XIX, Peace and War

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the spirit and teachings of Christ they should do all in their power to put an end to war.

The true remedy for the war spirit is the pure gospel of our Lord. The supreme need of the world is the acceptance of his teachings in all the affairs of men and nations, and the practical application of his law of love.

We urge Christian people throughout the world to pray for the reign of the Prince of Peace, and to oppose everything likely to provoke war.

XX. Education

Christianity is the religion of enlightenment and intelligence. In Jesus Christ are hidden all the treasures of wisdom and knowledge. All sound learning is therefore a part of our Christian heritage. The new birth opens all human faculties and creates a thirst for knowledge. An adequate system of schools is necessary to a complete spiritual program for Christ's people. The cause of education in the Kingdom of Christ is coordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches.

XXI. Social Service

Every Christian is under obligation to seek to make the will of Christ regnant In his own life and in human society; to oppose in the spirit of Christ every form of greed, selfishness, and vice; to provide for the orphaned, the aged, the helpless, and the slck; to seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth and brotherly love; to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and his truth. All means and methods used in social service for the amelioration of society and the establishment of righteousness among men must finally depend on the regeneration of the individual by the saving grace of God in Christ Jesus.

XXII, Co-Operation

Christ's people should, as occasion requires, organize such associations and conventions as may best secure co-operation for the great object of the Kingdom of God. Such organizations have no authority over each other or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Individual members of New Testament churches should co-operate with each other, and the churches themselves should co-operate with each other in carrying forward the missionary, educational, and benevolent program for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary co-operation for common ends by various groups of Christ's people. It is permissable and desirable as between the various Christian denominations, when the end to be attained is itself justified, and when such co-operation involves no violation of conscience or compromise of loyalty to Christ and his Word as revealed in the New Testament.

XXIII, Evangelism and Missions

of Christ to seek to extend the gospel to the ends of the earth. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life. It is also expressly and repeatedly commanded in the teachings of Christ. It is the duty of every child of God to seek constantly to win the lost to Christ by personal effort and by all other methods sanctioned by the gospel of Christ.

XXIV, Stewardship

God is the source of all blessings, temporal and spiritual; all that we have and are we owe to him. We have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in our possessions. We are therefore under obligation to serve him with our time, talents and material possessions; and should recognize all these as entrusted to us for the glory of God and helping others. Christians should cheerfully, regularly, systematically, proportionately, and liberally contribute of their means to advancing the Redeemer's cause on earth.

XXV. The Kingdom

The Kingdom of God is the reign of God in the heart and life of the individual in every human relationship, and in every form and institution of organized human society. The chief means for promoting the Kingdom of Gon on earth are preaching the gospel of Christ and teaching the principles of righteousness contained therein. The Kingdom of God will be complete when every thought and will of man shall be brought into captivity to the will of Chirst. And it is the duty of all Christ's people to pray and labor continually that his Kingdom may come and his will be done on earth as it is done in heaven.

OUR BELOVED DEAD

As we assemble again in our annual session, we are mindful that many sorrows have entered many homes of our brothers and sisters in Christ.

It is fitting that we should be reminded that the present is not permanent but that we are traveling on to that New Jerusalem whose maker and Builder is God. Our hope rests not upon this earth, but in that Holy City which is eternal and to which we are advancing, It is our belief and faith in God's promises that comforts our hearts; for it has been said,

There comes a time for all of us When we must say goodbye--But faith and hope and love and trust Can never, never die. Although the curtain falls at last, Is that cause to grieve? The future's fairer than the past If only we believe, And trust in God's eternal care So when the Master calls Let's say that life is still more fair Although the curtain falls.

With love we pause to pay tribute to their memory. We recall the comforting words of Jesus when He said, "I am the resurrection and the life; he that believeth in me, though he were dead, yet shall he live, and whosoever liveth and believeth in me shall never die."

SEMI-ANNUAL MEETING - MIDDLE FLORIDA ASSOCIATION

MAY 8, 1967, 7:30 P.M. - LEE BAPTIST CHURCH

The Semi-Annual meeting of the Middle Florida Association was called to order by Moderator, Edwin B. Browning, Sr. after a song led by Rev. Harold Harliee accompanied by Mrs. Bessie Lee Worthington.

The Rev. LT. Carter gave the devotional. The theme of the church as the body of Christ was dramatically illustrated and concluded with prayer.

The Moderator then called for a motion electing the messengers present as the working body for the transactions which followed. The printed program was passed on as a guide for the meeting.

The Minutes of the January 16th meeting were next read by the clerk, Mr. Carl Burnett and adopted by a motion and a second. The next order of business was a report of the Nominating Committee. The Associational Officers were elected by the body with the exception of a Training Union Director. The Committee was instructed to continue their search for a Director.

Following this report the Associational Music Director submitted a list of Assoc. Music Officers which was adopted and elected.

Then Mrs. R.B. Bryan submitted a slate of Assoc. WMU Officers and Chairman to serve with her. These were elected by the body:

At this point the Moderator paused to recognize the New Pastors in the Association: Rev. Charles Johnson, pastor of Midway Church and Rev. Rex Brookins, pastor of Pinetta Baptist Church.

The Assoc. Training Union Director was then recognized. Br. A.C. Gentry, the Director, reported that records showed on 18 churches participating in Training Courses during this year to date. And urged the churches to increase this number and report this progress.

The Associational S.S. Supt. was asked to report by the chair. He stated that he had no new officers to present at this meeting, but commented on the Sunday School Convention he had recently attended in Miami, and gave a progress report of the Associational S.S. and for the his Association

of the Associational S.S. work for the bia Annium.

Mr. Finley Day was recognized then by the Chair to give a report of the Assoc. Brotherhood work in the absence of Mr. J.V. Cason, the President. The slate of officers were submitted and elected.

The Training Union was then recognized again for comment on the Better Speakers' Tournament,

The Moderator asked for further discussion concerning the reports. After no discussion, the Moderator presented the newly elected officers to the body.

Mr, William Coody was then recognized for a financial report. After this report, Rev. Harold Harllee made a request for a sum of \$50,00 to compensate the speakers for the Pastors' Retreat scheduled for May 18th. It was moved that this amount be released from the 1967 Budget. This motion was seconded and carried. Rev. Harllee also asked the group for reception on June 8 for the New Field Secretary, Rev. B.D. Locke. This was agreed upon. He also announced the Baptist Hospital Offering on Mother's Day.

Rev. Alva Horton was also recognized for a plea to each church to support the associational work financially. He suggested that pastors check with Bro. Bill Coody as to progress made to date.

Mrs. R.B. Bryan was then recognized for an announcement concerning the Annual WMU Prayer Retreat on May 16, First Baptist Church, Madison.

The meeting was concluded in order after the Moderator recognized the Messengers from each church. Rev. Harold Harllee led in a song accompanied by Mrs. Bessie Lee Worthington and Rev. Bill Terrell led the concluding prayer.

The host church then served the group refreshments which were enjoyed and all joined in an hour of fellowship.

There were 15 pastors present: 56 messengers, and Seven Visitors, 17 churches were represented.

REPORT OF THE FIELD SECRETARY

To the Association for June - September 30, 1967

In coming to District No. 3 we came under a feeling of Divine direction. Already this has been verified with a sense of joy and contentment in our work here in your midst. I do not purpose to change everything but to work with you in fulfilling our mission. Our mission can best be described in three words; Stewardship, Missions and Evangelism.

To accomplish this task--- the Association must be fully organized and functioning at their maximum. The association exists for the purpose of aiding the churches in fulfilling their task. This will be the medium through which I will work.

Here are some things I would like for us to do:

A. The association and each church fully participating in the Crusade of the Americas with each department organization assuming its share of responsibility in the success of the crusade, 1. The Sunday School in a Pastor-Led Enlargement Campaign, 2. The Training Union Instructing and inspiring for personal witnessing, 3. The W.M.U. and Brotherhood teaching and praying for missions Action. 4. The Music Department singing and inspiring for commitment and service.

B. Schools of Missions

C. Each church with a Budget which includes regular gifts to World Missions through the Cooperative Program, and The Associational Budget.

D. Each church observing Prayer for The Cooperative Program Month in October and Cooperative Program in the Sunday School Sunday.

E. Each church observing Season of Prayer for Home, Foreign, State and Associational Missions.

F. Each church holding a Vacation Bible School and where possible a Mission Bible School.

Some dates to remember: 1. Church Related Vocations Conference-December 1-2, 1968, Jacksonville, Florida. 2. January Bible Study Week-January 1-5, 1968. 3. Soul-winning Commitment Day-January 14, 1968. 4. Evangelistic Conference-January 16-18, Orlando. 5. Mid-year Bible Conference, March 18-22, 1968. Lake Yale.

EXECUTIVE COMMITTEE REPORT

Your Committee held four meetings this Associational year. All at Lee First Baptist Church. Attendance was not as good as it should have been, neither by the Pastors or the elected Committeemen. Attendance by heads of Departments was much better and at these meetings they all gave very good reports of their Departments.

At January meeting, Churches and individuals were asked to contribute to Rev. D.O. Alderman Memorial Fund and the Associational Treasurer was authorized to pay \$50.00 on S.S. Superintendent Bailey's expense to Miami S.S. Convention.

The May meeting was held simultaneously with Semi-Annual Session of the Association, A full account of which is in Book of Reports,

In the July Meeting Moderator and Clerk were authorized to sign credentials for Paul Etzminger as a Minister.

In the October Meeting the Treasurer was authorized to add \$160.00 to the amount set up in the Budget for the Music Dept. Motion carried to have Assoc .wide S.S. Meeting again this year.

The Moderator appointed the following committee to investigate the advisability of the Assoc. supplementing the travel expense of Dist. Missionary B.D.Locke. Committee Rev. Elbert Tyner, Rev. Alva Horton and Rev. Harold Harllee.

We would urge a better attendance of Pastors and Laymen for this new year.

Carl W. Burnett, Sr.

REPORT OF THE FLORIDA BAPTIST

RETIREMENT CENTERS

Greetings from forty-three residents of the Florida Baptist Retirement Centers. All accommodations are taken and a waiting list has formed, therefore more building should be done as soon as feasible. Another wing of single rooms has been authorized by the Convention. When the necessary money is available, without obligating the Convention, these additional rooms and facilities should be provided for those who are awaiting residency with us.

Two years ago the Convention authorized the Retirement Center to build and operate a nursing home as an extended facility and service. This is about to become a reality. Last February the Board of Trustees received bids and awarded a contract to Wm, Hensick and Sons to construct the building for \$118,000.00 and awarded the contract for building roads, parking lots, and other outside work for \$25,000.00. Furnishings and equipment will amount to \$30,000.00. A mortgage loan not to exceed \$150,000.00 was arranged for, to be amortized from Cooperative Program Funds.

The building will be ready by November. Furniture and equipment are ordered. Opening date has not been set, but we hope to be in operation by mid-January, 1968.

According to the audit as of June 30, 1967 the value of total assets is \$519,000.00. When the nursing home is complete the property will be worth about \$700,000.00, with an indebtedness of not more than \$150,000.00. Thus the work goes forward.

There are only 18 homes for the aging owned and operated by Southern Baptists. These are in 12 states with 1456 total number of residents. There are approximately one million Southern Baptists who are 65 and older. Therefore only about one out of 700 aged Southern Baptists is being cared for in a Southern Baptist home for the aging. Even if we increased our facilities ten times we could care for only about one percent.

Florida Baptists have begun a good work and have expanded to try to meet the need, but obviously the need is growing at such a rapid rate it will require intensified interest and an expanding program to just hold our own percentage wise.

We wish to express to Dr. Griffin Henderson and Mr. Allison Banks, who are retiring from our Board of Trustees, our deepest appreciation for six years of dedicated service. Mrs. John Simms has resigned because of illness in the home. We regret to lose the valuable service of these three trustees.

1. We recommend that the Florida Baptist Retirement Center be authorized to build another duplex cottage when necessary, without obligating the Convention financially.

J. Thad Entzminger

REPORT ON BAPTIST BOOK STORE

NEW BAPTIST FILM CENTER OPENS NOVEMBER 1

Emphasis in the Jacksonville Baptist Book Store continues to be on service and ministry. And, we have a new service angle which we think you will like.

Effective November 1, 1967 a Baptist Film Center will be established in the Jacksonville Baptist Book Store, to provide maximum efficiency in obtaining 16mm rental films.

This new Film Center will mean an increased availability of prints, more efficient film handling, speedier film repair. But most importantly, it will provide faster service, with guaranteed availability of the film you want--when you want it--if reserved sufficiently in advance and barring unavoidable mail delay.

The Film Center will also carry audio-visual equipment, filmstrips and other merchandise.

Remember the Baptist Film Center telephone number, 359-1939, or stop by 1230 Hendricks Avenue, when you need a 16mm film and we will show you just how much better film service can really be.

PEOPLE CONTINUE TO BUY GOOD BOOKS, EVEN IN AN AGE OF COLOR T.V. AND INSTANT COMMUNICATIONS.

The impact of a good book defies measurement. Unchallenged, however, is the testimony of people who loudly praise the power of good books.

Today there are 190,000 titles in print, with an additional 28,000 titles being printed this year. Text and reference books, chiefly encyclopedias, account for 50% of book sales. Second is religious publications. The Bible, the world's best seller, steadily sells 30 million copies a year.*

Good books are not always dramatic in effect. They often are the day-to-day unnoticeables that emit their messages unspectacularly amid other media now clamoring for man's attention.

The Jacksonville Baptist Book Store is happy to be a part of the ministry of religious films and good books. The Book Store continues to serve churches and individuals with Bibles, New Testaments, audio-visual supplies and equipment, church supplies and all types of good books.

Thank you for allowing us to serve you during this year. Please let us serve you often.

Our motto is "Serve with a Christian Distinction from Coast to Coast" and we really mean to live up to it.

REPORT ON SEMINARIES

Southern Baptists have six theological seminaries. Their location and enrollments are as follows:

Southern, Louisville, Ky Southwestern, Fort Worth, Texas	1191
New Orleans, New Orleans, Louisiana	
Golden Gate, Mill Valley, California Southeastern, Wake Forest, N.C.	
Midwestern, Kansas City, Missouri	229
Total	5021

Southern Seminary has experienced an increase in enrollment for five consecutive years, an unmatched trend among denominational seminaries in the United States. The curriculum continues to undergo extensive study, and during 1966-67 a new course in Biblical studies was begun for first-year students, taught by three professors at the same time, one a specialist in New Testament, one in Old Testament, and the third in Biblical Archaeology. Thus, the student is given a wellrounded introduction to the Bible in his first year.

Most of our seminaries will no longer offer the Bachelor of Divinity degree, but will replace it with the Master of Divinity as the basic theological degree.

Southwestern Seminary has the largest enrollment of all the schools. Original plans call for much expansion. Some of these needs are being met year by year, while other needs are constantly present. The services of a large percent of the student body are being utilized by the churches of the area.

New Orleans Seminary was founded in 1917, when the city of New Orleans had six Southern Baptist Churches, as compared today to 84 churches and missions, many of which were started by seminary students. More than 4,800 alumni now serve churches in 47 states and 50 nations.

Golden Gate and Midwestern Seminaries are the two youngest schools among our theological seminaries. Both are showing remarkable signs of progress. Fifteen per cent of the student body at Golden Gate comes from foreign countries. Twothirds of the population of the community in which Golden Gate is located, claims no God nor church relationship.

Southeastern Seminary has approved plans for the construction of a student center building and an infirmary. The faculty is rethinking the curriculum for the education of students who will be deeply involved in Christian ministries across the nation and in other lands.

Southern Baptists should be very proud of their six theological seminaries.

CHRISTIAN EDUCATION

Christian education among Baptists is at the crossroads financial wise. The needs are perhaps more urgent than ever before. Much of the present dilemma in which we find ourselves has been brought on by the separation of church and state question regarding the acceptance of Federal aid for church related colleges and Universities. Since men much wiser than this writer have failed to resolve the question, I shall not belabor the point other than to say that there is a constant debate going on between the pros and cons.

The fact that candidates for the ministry declined by 235 for the year, should cause us grave concern,

Some are advocating that Baptists should go out of the education business. This would be a simple solution, but one that would hardly solve our problems. Southern Baptists now operate 39 senior colleges, 15 junior colleges, seven academies, four Bible schools, six seminaries and the American Baptist Seminary, which is supported jointly with the National Baptist Convention, U.S.A. Inc. Should we surrender these fine schools and permit the Catholic, Jewish, and other protestant schools to do all the Christian educating?

In Florida, Baptists are carrying on a program of Christian education through Baptist Bible Institute, and Stetson University. The Baptists of our state should do more than give these institutions a kind thought, or offer a prayer now and then. If we would support these institutions as we should, the problem of Federal Aid would be largely resolved. We held all scheduled meetings at the appointed time and place except the one for September, which was changed.

Our "M' night which was held at Madison First was well attended. The speaker was Rev. Ernest Carswell of Baxley, Ga. 154 people attended, including 10 Directors and 12 Pastors.

I want to take this opportunity to thank the members of the Cherry Lake First Baptist Training Union for their production of "What Went Wrong" for the "M" night program, Dec. 5, 1966. "M" night will be held at Macedonia Church this year, on December 4.

We had several churches to participate in the Sword Drill and Speakers' Tournament. Miss Elaine Walker, Madison, First, won the local and Regional Speakers' Tournament and went on to State at DeLand. Miss Ginger Adams, Pine Grove won First place in the Sword Drill in our Association.

Mr. Clinton Harris of Faith Church has accepted the Nomination as Training Union Director for the coming year.

REPORT OF WOMAN'S MISSIONARY UNION

Basic Objectives for Woman's Missionary Union are: 1. World Awareness; 2. Spiritual Life Development; 3. Christian Witnessing; 4. Sharing Possessions; 5. Educating Youth in Missions; 6. Enlistment for Missions; 7. Leadership Training; 8. Reporting Advancement.

All of these objectives have been stressed at each of our four quarterly meetings or Rallies as the Officers have given their reports.

Two extra meetings were held during the year, a planning meeting in October, and a Prayer Retreat in May.

At the April Rally five societies agreed to assume the responsibility of trying to organize a WMU in Churches having none. These were Cherry Lake, Hopewell, Mayo, Midway, Pinetta, taking two. This means four of our ten unorganized Churches do not have sponsors. The new officers are:

BAPTIST STUDENT UNION AT N.F.J.C.

I'd like to tell you a little about BSU--what it has done and what it is planning to do. Last year we took part in various activities such as a get-acquainted party at the beginning of the year, attendance at the Leadership Conference and State Convention in Lake Yale, a car wash to raise money for summer missions, and the financing of a very necessary and beautiful bulletin board for the campus.

This year we have just as many plans, if not more. We started planning during the summer when the BSU sent me to Student Week at Ridgecrest. There is no more wonderful way to help students realize what should be and can be done for Christ on college campuses than spending this week at Ridgecrest.

Our school year began with a letter of welcome, followed by a get-acquainted song fest where Don Thompson, Minister of Music at First Baptist Church in Madison, led us in a worship service in song. Our first meetings dealt with getting organized and electing officers, and then on Sept. 29-Oct. 1, our new officers and members attended the Leadership Conference at Lake Yale.

We learned a great deal in Lake Yale to add to what I had already learned in Ridgecrest this summer about the need there is for dedicated Baptist students to be working for the cause of Christ, if there is just someone willing enough to teach them. That's why we feel BSU is so necessary. Yet we realize that we can't do it all alone, and that it takes people like each of you to back us up; to share with us a part of what you have, to lend us your prayers and support. We don't want you to ever feel that your efforts are in vain, for we appreciate everything that you have done in making our BSU a working body for Christ.

Thank you and God bless each of you in a very special way.

REPORT OF THE RADIO AND TELEVISION COMMISSION

Opportunities for taking the gospel of Christ to the far corners of the earth by radio and television in the first half of 1967, increased with the move into the International Communications Center in the summer of 1965 and continues today. Twenty-six years of moderate growth have set the agency and its potential for spreading the gospel on the threshold of widening opportunity.

The Commission's ministry reaches large and small cities of America and the world. It's programming of 4600 stations during the year, reaches individuals who sit before a radio or tv set for five hours a day. Southern Baptists have thus spoken some portion of the gospel of Christ to more than 100 million of them.

Program Report

Twenty-three radio programs and two filmed series for television are currently being produced and distributed to 2273 broadcast outlets. The complete list of programs and the number of stations broadcasting each follows:

REPORT ON EVANGELISM

This past year the churches of our association baptized 90 persons. This represents a ratio of one baptism for every 50 members. We are grateful to God for every person who has been brought to confess Jesus Christ as Lord. We call upon our churches to give themselves to the work that brought Christ from heaven to earth, evangelism. Evangelism is the heart of our churches' existence. Evangelism must be a twopronged thrust. We must publicly proclaim that Gospel, that is the power of God unto salvation, and we must personally win others to Christ.

Our churches face a tremendous evangelistic challenge in The Crusade of the A mericas. This is more than just a two week period of revivals. It is an emphasis on evangelism that should occupy our churches for nearly two years. Our churches have been challenged by one of our mission fields, Brazil, to give ourselves to the work of evangelism and world missions for 1968-69. Some of the challenges in the Crusade of the Americas are: NATION-WIDE EMPHASIS ON PRAYER: Two Days of Prayer-January 14, 1968 and January 12, 1969; PACT: A Program of "prayer partners" with individuals, groups, and churches on the "Other Americas" initiated in July-August 1960; Watch Night Prayer Service December 31, 1968.

NATION-WIDE SEARCH FOR PROSPECTS: July-August 1968

NATION-WIDE VISITATION WITNESSING: September-November 1968 NATION-WIDE CRUSADE OF THE AMERICAS REVIVALS: March 16-30; April 6-20; April 27-May 11, 1969

NATION-WIDE EMPHASIS ON NEW MEMBERS ORIENTATION: Following the Crusade of the Americas Revivals. Study on book "Daring Discipleship" and launch new member orientation.

The date for the Crusade of the Americas revival is March 16-30-69. All of our churches are urged to cooperate. We ought to take the following preliminary steps now.

1. Vote to participate

.

1

- 2. Secure our evangelistic help
- 3. Begin praying for a revival in North,
 - South, and Central America

Adequate guidance material for cooperation with and in preparation for the Crusade of the Americas is provided for us in the 1967-68 Evangelism Plan Book already -available to us and in the 1968-69 Evangelism Plan Book which will be available in July of 1968.

REPORT OF THE FLORIDA BAPTIST

CHILDREN'S HOMES

In order to be of service to as many children as possible, your Children's Home has three major areas of service, they are:

- 1. The primary area in group care is the Institution.
- 2. Mother's Aid by which a parent is helped financially in order to keep his or her children in their homes.
- 3. Foster home care for the children who need more attention than the Institution can offer.

There were 172 children in residence last year. The capacity of the Lakeland Home is 102 and the Miami Branch 36 for a total of 138. They were able to care for 34

beyond capacity which was accomplished by returning children to their families. They assisted 14 families on Mother's Aid and 44 children. Eleven foster homes

c ared for 13 for a grand total of 229 during the year 1966-67.

The principal source of referrals for the children in the Home was relatives for

a total of 101. Pastors referred 85, Public Agencies 56 and others 19 for a grand total of 261.

¢

The Casework Department, consisting of five Caseworkers, held 1230 interviews with children and 751 with parents.

The most important part of the program is work with the family. It is through this media that the child is helped to adjust to the Institution and his relatives come to understand some of the problems which caused the placement of the children and to realize the family situation.

Children whose parents are unable to take them from the Home are allowed to grow up in the Institution. They are given comparable training and education that others in the community enjoy. They attend the public schools of the city and participate in the activities of the First and Southside Baptist churches in Lakeland, and Wayside Church in Miami, Many of the children make a confession of faith and unite with the churches they attend.

We would like to call to your attention the special offering for our Children's Home which always comes on the Sunday before Thanksgiving in November. You will receive suitable material for the promotion of this offering from the Lakeland office. Display it and announce it in your church, please.

CHRISTIAN LITERATURE AND THE FLORIDA

BAPTIST WITNESS

Unsaved people may claim the right to remain in ignorance but obedient Christians cannot. They are under the Lord's injunction to grow in both grace and knowledge. Hence, we believe our most important literature should always be the Bible.

We also need to know about what the Lord is doing now through the witnessing, working and winning subjects in Hiskingdom. To gain this knowledge we need to take full advantage of all our splendid Baptist literature.

Southern Baptists continue expanding the printing and distribution of all their publications as the needs demand. For example, last year saw the Sunday School Board print and fill orders for 108,022,822 copies of its periodicals and special study items.

Publications of all the other agencies and auxiliaries of the Southern Baptist Convention are developed to meet the needs in the specialized areas. Such publications include the COMMISSION, HOME MISSIONS, ROYAL SERVICE, BROTHERHOOD JOURNAL, THE BEAM, etc.

The 28 Baptist state papers reported to the Convention in Miami Beach this year that a combined circulation totaling 1,562,596 was reached in 1966.

Our own state paper, the FLORIDA BAPTIST WITNESS, as of August 1, 1967 has a circulation of 67,804 for a net gain of 257 for the year. Eight hundred ninety-four churches are now using one or the other of the group subscription plans (749 with budget lists and 145 with clubs) to send the WITNESS each week to at least a part if not all of their families in the membership.

A 16-page weekly news magazine for only 21/2 cents per copy is still the biggest information, inspiration and enlistment bargain we know anything about. That is all the Florida Baptist Witness costs the churches which take advantage of the budget subscription plan. And even that low cost may be paid on the convenient monthly plan.

In cases where for some reason a church cannot meet the minimum requirement

for the budget rate (a number of subscribers equal to at least 10% of its reported membership) it may order 10 or more papers at the chub rate of \$1.50 per year each and still pay on the monthly plan if desired.

Every church which now sends the WITNESS into only part of its homes is urged to complete its subscription list by including every resident family, and every church which does not now include the WITNESS in its budget is urged to promptly and prayerfully consider doing so.

MUSIC MINISTRY

"I don't know one note from another" is one of the most commonly heard quotes regarding participation in church music. However, it is most gratifying to see evidence of more interest in many churches in their music program. Apparently, most everyone agrees that the primary weakness in most churches is lack of musical leadership.

Since the objective of the Church Music Department, on both the State and A ssociational levels, is to assist churches in establishing, conducting, enlarging and improving their music programs, Middle Florida Association is tentatively planning three clinics next year. The first one will be to train leaders - song leaders or choir directors and accompanists; the second will be to help train our adult or church choirs; in the third clinic, we will work with Youth choirs, perhaps from Primaries through Intermediates. It is hoped the State Office will be able to help direct and teach these clinics. The earnest desire of the Associational Music Department is to promote the training of people in our churches to read, sing, play and teach music for the glory of God. If this can be accomplished, we will be helping to advance our overall Baptist Program, "A CHURCH FULFILLING ITS MISSION THROUGH MINISTRY."

There have been three hymn sings held in our Association this past year and our Annual Music Festival was held at Hopewell, January 29th, with 6 churches participating. From these 6 churches there were 11 entrants with 145 individuals participating. Three hymn players participated and one Instrumental Ensemble. The festival in 1968 will be at Cherry Lake on January 28th. It is sincerely hoped that out of the 27 churches reporting music ministries, there will be more participating in our festival and hymn sings next year.

Six Associational Music Officers have been elected to serve and help plan the Associational work next year. With their devotion and capabilities, our Association c an go forward in a much greater way in assisting our churches with their music. The Association needs you! You need good music in your church! By working together, we c an have better music! Paul said, "I will sing with the understanding" and, to teach and admonish one another in psalms, hymns, and spiritual songs.

REPORT ON THE UNITED CHRISTIAN ACTION, INC.

The United Christian Action, Inc., supported as a joint effort by churches of many denominations, has Jack Eppes as its vital secretary. His address is 1705, Gary Road, Lakeland, Florida 33801. He urges you to write or call him if you have need for his services, or information on the program.

Mr. Eppes, this year, is stressing the sober, clean life, as "a more excellent way," as Paul says in Corinthians. He holds this up as the hope of our state and civilization.

He warns, over and over again, against the dangers of "the polluters--distributors of narcotics and vile literature," He refers to gambling as a terrible polluter, also,

His words to pastors and Christian leaders are warm and challenging. He says, "They give heart and force to the fight for sobriety and cleanliness."

We urge that we (1) continue to support this work, (2) that we set worthy examples and speak out, and (3) get brother Eppes in our association for a Brotherhood message on this important program,

REPORT OF THE FLORIDA BAPTIST FOUNDATION

Gus Johnson, Executive Secretary-Treasurer

The Florida Baptist Foundation has had another good year of service. Again, every agency and institution supported by the Convention has been named in wills prepared by the Foundation, and again this total amount goes over a million dollars.

The Foundation works in two fields. We seek to acquaint our Baptist people with the advantages of wills, trusts, and direct gifts. We also invest the funds coming to us with regard to safety and return on investment,

The audit of September 30, 1966, shows \$700,173.88 held by the Foundation in various funds. The Foundation owns none of this money, but holds it in trust for the various institutions favored in wills or by gifts. All of this money must be handled as specified in the will or agreement.

The trust department of one of Florida's largest banks is custodian of a large part of our investments, and makes recommendations concerning investments to our Investment Committee of the Trustees. The Investment Committee reviews the recommendations in the light of other information and makes the final decision on investment The Trustees of the Foundation are elected by the Convention. At present we have fourteen outstanding business men, and one pastor. The Trustees meet annually to receive reports from committees, and determine general policies, or can be called at any time as necessary. The Executive Committee, which is the Investment Committee, serves in operational matters, and meets as necessary. All Trustees serve without compensation, and pay their own expenses in connection with all meetings. Three Trustees serve on an Audit Committee, and all books are audited annually by the Convention's auditor.

The Executive Secretary-Treasurer is available to meet with anyone who wishes to leave anything by will to any Baptist cause, or to discuss life-income agreements, or gift annuity agreements.

REPORT ON COOPERATIVE PROGRAM

AND STEWARDSHIP

As the world grows in population and as our state increases, the demand for our witness becomes greater and greater. The only way we have of supporting the enlarged witness is through increased giving. This year the churches all over Florida are being asked to increase their Cooperative Program giving by a minimum of 1% of the total church income.

The Forward Program of Christian Stewardship, A Family Witnessing to its Faith--Through Stewardship, the Growth in Christian Stewardship and a Tithers Enrolment Week programs are now available to churches in our associations. The Forward Program and Family Witnessing programs are for all churches. The Growth in Christian Stewardship program has been designed especially for churches up to 300 in membership. The Tithers Enrolment Week program is for our smallest churches. We urge every church in our state to use one of these four programs in developing Christian stewards and enlisting tithers.

We make these recommendations:

1. That the Cooperative Program goal for our association be a 1% increase for the year ahead.

2. That every church increase its Cooperative Program giving by 1% of its total income.

3. That every church observe Cooperative Program Month in October, 1967, and Cooperative Program Day in April, 1968.

4. That every church use the new Study Course book Principles of Stewardship Development as soon as possible.

5. That all churches teach Our Cooperative Program to Adults and Young People soon,

BAPTIST HOSPITAL REPORT

There is no place that offers a better opportunity to put meaningfulness in the Christian life and living, in its simplicity, and forcefulness, than the Christian Hospital Ministry. The basic Christian principles may be given life, and made to live, in a Christian hospital atmosphere. The attitude must be that there are no unimportant people in the world.

During the year the two hospitals operated by the Southern Baptist Board served 38,972 patients; 6,288 babies were born; with a total patient days of service rendered of 276,959.

and the caretaker's home has been enlarged and modernized. It is hoped that this facility will be used in a more definite way by our Baptist people. A new nursing facility is being built at the Florida Baptist Retirement Center in Vero Beach and will soon be in use. This is a forward step toward a more effective ministry for the aged

During the coming year, a mid-year Bible Conference is planned at Lake Yale. The date is March 18-22, 1968. This is an attempt to bring top Bible instructors to Florida to offer refresher course opportunities for pastors who are interested. On-campus enrollment will be limited to 500 for the first year.

The years ahead provide many opportunities for Florida Baptist. Let's pray that God will give us wisdom as we seek to meet them.

Under the program of Charity Free Service, there were 1,606 patients admitted to the hospitals; 449 babies born, and 8,967 out-patient visits made. Out-patient clinics are maintained in all major hospital services. The cost of this program was \$392,333.

Southern Baptist Hospital, New Orleans and Baptist Memorial Hospital. Jacksonville are operating at a high level of occupancy. The Jacksonville hospital is experiencing disappointments in their effort to co-operate in the Medicare Program.

The following statistics is of all Baptist Hospitals and is given in round figures; There are serving on the Medical and Dental Staffs more than 10,500 physicians and dentists, more than 13,000 beds in use serving more than 600,000 patients annually, 1800 student nurses in schools owned and/ or sponsored by Baptist Hospitals, 500 doctors in training, 700 students-radiological, technological, medical, other specialties, 125 students in pastoral care education and counselling service and 1 in hospital administration. There are more than 32,500 employees in Baptist hospitals. There are more than 200 job classifications in hospital service. One out of every 40 persons employed in the United States are employed in hospital services (all hospitals).

He that would be great must be servant of all. His reward may come in terms of public recognition and/or financial success, but more often it is much less conspicuous. It is the personal satisfaction one feels when he belongs to a very special fraternity of special people who are determined to leave the world a little better than they found it.

This fraternity is a rare one. Based on outward appearance, the most of us go through life-receiving, not giving; so busy looking after personal affairs we don't have the time or inclination to discover what, if anything, we can do for others. The great men of every age and nation are those who have the urge to "add something" and who do something about it. They are great inside before they are great outside.

REPORT OF THE ANNUITY BOARD

Response to the new program of family and retirement protection during the first quarter of 1967 indicates enthusiastic acceptance by ministers and denominational employees.

The new Program, called the Southern Baptist Protection Program, provides additional benefits for disability, new benefits for children, education of children and dependent parent. These extra benefits are in Plan "A".

The new Protection Program incorporates the three plans into one certificate, which formerly required separate certificates for each plan. The three plans are: Southern Baptist Protection Plan, which is now Plan "A"; Age Security Plan, now called Plan "B"; and Variable Benefit Plan, now Plan "C."

10 Per Cent Total Salary Encouraged

The cost of living continues to climb. A retirement program based on \$4,000 salary is no longer adequate to meet the needs of a minister when he retires. There seems to be no hope of a leveling off of the inflationary trends. Because of this, the new Protection Program was started so churches could help their pastors increase their retirement protection. Now a church may participate on the total salary of its Pastor or other employees. Ten per cent dues on total salary are recommended as minimum.

Members in Annuity Board Plans

As of December 31, 1966, some 1,492 persons had joined Plan "A" of the Program. A total of 18,328 churches were providing the Protection Program for their ministers and staff members. Almost 12,600 of these churches were paying both member and church dues.

Benefits Paid Out

In 1966, more than \$4,256,244 was paid in age retirement, disability or widow benefits to persons who had participated in the Protection Program. For information about any of the plans in the Protection Program, contact Rev. Phil Maxwell, 1105 Sarasota Drive, Tallahassee, Florida 32301.

MISSION REPORT 1966

FOREIGN MISSIONS: As of May 1, 1967, Southern Baptist have 2,253 persons working in 65 countries around the world. At the year's end, this staff worked with 4,707 churches, 6,542 mission points, and 3,904 national pastors, These reported 51,680 baptisms, 528,958 church members, and 604,487 enrolled in Sunday School. Evangelistic campaigns were held in 10 Latin-American countries and in Ghana and Japan. Radio and television efforts were strengthened in all areas and particularly in the Orient, There are 1,181 schools related to our Missions in 41 countries with 185,050 students enrolled and a staff of 6,256 national and 387 missionary teachers. Our 24 publication centers produced over 21 million pieces; tracts, books, periodicals, Bibles, Hymn Books. Medical mission institutions include 20 hospitals and 56 clinics, with a total of 1,391 beds, staffed by 102 national and 62 missionary physicians, and 312 national and 60 missionary nurses. Our benevolent work included funds for the victims of earthquakes, typhoons, floods, and famines. Total contributions of Southern Baptist for foreign missions amounted to \$27,047,200. Of this total, \$13,760,146.80 was contributed through the Lottie Moon Christmas Offering.

HOME MISSIONS: During 1966, the Home Mission Board had a total of 2,735 workers, reporting 56,834 professions of faith and 31,259 additions to churches for a total of 88,093. There were 560 new missions started and 233 new churches constituted. We had 849 Military Chaplains on active duty reporting 15,000 professions of faith. Areas of activity include; Work in resort communities, industrial situations, juvenile delinquency, and high-rise apartments. Funds for disaster relief will reach \$235,000 during 1967. Financial assistance went to 270 churches for loans totaling more than \$4.5 million. Evangelism efforts are planned in several cities and the Northeast Crusade will continue through 1970. Rural-Urban efforts are underway in Indiana, Ohio and Michigan to establish new churches in small cities. Pressing needs remain unmet in Missionary appointments; 70 Spanish, 8 Italian, 18 Slavic, 14 Indian, 25 US*2, 25 other language groups, 9 couples and 11 single women for Baptists centers and weekday ministries and 1 couple for Migrant missions.

STATE MISSIONS: As it appears now, Cooperative Program income will reach a new high. We are making forward moves as a result of this advantage, and we should make every effort possible to continue the advance. Improvements are being made at Lake Yale and the Assembly is in almost constant use. Up-grading continues at our West Florida Assembly Grounds. New beds have been installed throughout
