*Clifton Mansion:  
Site of Roots of Florida Baptist Convention*

*Artist Seeber Fowler produced the original sketch of Clifton Mansion, the home of Richard Johnson Mays, the first President of the Florida Baptist State Convention. In October, 1854 the organization papers of the Convention were drawn up in Clifton Mansion, located near Madison. Mays' plantation home burned in 1933. Fowler worked from an old photograph and information from Edwin B. Browning, Sr. and a few others who had seen the Mansion.*

*A copy of this sketch may be obtained by sending a check for \$5.00 to: Seeber Fowler, Route 3, Box 1176, Fort McCoy, Florida 32637.*

## IN DEDICATION TO

**Rev. Verner Wheeler**

September 9, 1928 - February 22, 1982

- C For the CHRIST CENTERED life he lived.  
H For the HYMNS he loved to hear the choir sing.  
R For the RISEN ONE he knew and proclaimed so well.  
I For the INTEREST he showed in his fellowman.  
S For the SAINT of God which he was.  
T For the TIME he spent proclaiming the gospel and visiting the sick.

Put all of the letters together and they give you the ONE that Rev. Wheeler loved and served so well.

Rev. Wheeler came to our Association in 1972. He served Lamont Baptist Church from December, 1974 until the Lord called him home. Our church was only a half-time church when he came but during his ministry, it became full-time. The church grew spiritually as well as physically. A pastorium was built and is debt free. Many improvements were made to the church building and to the church program. He served his church and community with love and compassion.

It is with love and a deep sense of loss that we pay tribute to Rev. Verner Wheeler - a dedicated pastor.

The FLORIDA BAPTIST WITNESS is also offered free to newly constituted churches. The offer is for one year on the basis that the church agrees to include the WITNESS in the budget the following year for each family. This plan is made possible through the joint efforts of the FLORIDA BAPTIST WITNESS and the FLORIDA BAPTIST CONVENTION. Actually, a new congregation has the opportunity to enjoy the FLORIDA BAPTIST WITNESS for two years for the price of one.

The church page is available. Churches can print bulletin material on the front and back of the WITNESS and even utilize a third page, if necessary. This way church members receive local church information and WITNESS news in one publication. With inflation escalating the cost of postage, printing, paper and personnel, many churches are finding the church page the economical way to go. Churches utilizing the WITNESS for local news can get the paper for a special price of \$3.50 per subscription per year.

Details for all of our promotional plans and services can be obtained by calling (904) 396-2351 or writing the FLORIDA BAPTIST WITNESS at 1230 Hendricks Ave., Jacksonville, FL 32207.

## STEWARDSHIP

In order for BOLD MISSION THRUST to succeed, many more people must adopt this commitment. Two questions must be asked and answered:

1. Do we have the will and commitment to persist in achieving what we have noted as BOLD MISSION Goals.
2. Can we learn to live with our commitments.

We have, in our Association, set new goals and have also dreams of a stronger Association, for God. With a full-time Director of Missions and striving for a more committed Association; we need to increase our time spent in prayer and witness and also our giving to all phases of missions.

Respectfully submitted,  
Rev. Lamar Anderson

## SIXTEENTH ANNUAL ELBERT C. TYNER YOUTH CAMP

FANTASTIC is the only word that can describe our camp this year. Not one person was sick or injured, but we did have two who were homesick. Our movies this year were "Sammy", "Home Safe", "Face In The Mirror" and "Nite Song". Ten decisions for Christ were made and several young people rededicated their lives to Jesus.

We broke about even on finances this year and have \$811.60 to begin with next year. It looks right now that we will keep the fee at \$25.00, praying that inflation will not necessitate our having to increase it. This keeps the camp within reach of families who have several children who wish to come. I will endeavor to raise additional funds before next year from individuals who want to be a part of helping youth come to and grow in Jesus Christ in a youth Camp environment.

The camp proceeded without incident this year, despite high water and the threat of rain everyday. During the times it rained, we were able to show rented movies on our VIDEOCASSETTE Recorder this year.

One of the main reasons the camp went so well was because of the great volunteer help we had in every area. The following personnel served on the staff this year. Rev. John Dorman helped as Assistant Director, Canteen Director and Teacher of Group 2. Other teachers were Rev. Lamar Anderson, Rev. B.P. Koelle, Rev. Howard Money and Mrs. Linda Demott.

Serving as staff workers were: Mr. William Green, head life guard, Mr. Jimmy Burnett, boys counselor and athletic director, Mrs. Sarah McCoy, RN and kitchen, Mr. Doil Burnett, sanitation engineer and kitchen.

The Boys Dormitory Counselors were: Edwin Kinsey, Ream Stokley, Bobby Watson, Graig Burnett, Curtis Smith, James Griffin (Bugler for wake up).

The Girls Dormitory Counselors were: Mrs. Jean Willis, Edith Watson, Fran Thompson, Dana Lynn Nipper, Mildred Wesson, Lori Demott and Brenda Miller, who also served as assistant life guard.

We had a great kitchen crew: Miss Sally Wilson and Mr. Harry McCray served as head chefs. Their assistants were Mr. & Mrs. Albert Gentry, Mr. & Mrs. V.A. Genton, Mrs. Dot Buckhalt.

The camp next year will be July 25-29, 1983.

Respectfully submitted,  
Dr. Mark E. McCoy

## **SUNDAY SCHOOL REPORT**

The church year of 1981-82 is now history. Our Sunday Schools are busy reporting their gains and losses. Our leaders are evaluating the work of the past twelve months and formulating plans for the new year.

Your Associational Sunday School Department has been involved in trying to present some real, tangible helps for your local church and it's Sunday School. All year we have presented state awards to the churches that have reported new Sunday School Classes and Departments. The January Bible Study in Jeremiah was promoted jointly with the Church Training Department. In February, there was a Workshop for all age-group teachers. It was well attended and many good comments were expressed about the quality of the help that was offered. Then in March, the Associational Vacation Bible School Team under the leadership of Dr. Mark McCoy, traveled to Blue Springs to prepare themselves to present the V.B.S. material to our local workers. The Associational V.B.S. Clinic was well attended and we expect our V.B.S. reports to show the results of a good job well done. In August, at the Associational Church Council Workshop, there were 14 churches represented in the Sunday School session. A helpful discussion on the problems we face along with some suggestions towards a solution for those problems was the highlight of that meeting. Your Associational Sunday School has been busy during the past year trying to help YOU accomplish YOUR goals for YOUR church.

We now face our greatest challenge, to enroll 85,000 new people in our Sunday Schools, all across Florida, by 1985. This will be our part of the over-all goal of enrolling 8.5 MILLION by 1985 all across our convention.

We can accomplish this worthy goal only if WE MAKE IT HAPPEN.

Respectfully submitted,  
John Dorman

## **EVANGELISM**

In the year 1981-82, the Baptists of Middle Florida baptized 142 people in twenty-eight churches. Five churches baptized over ten, four churches baptized six to ten, eleven churches baptized five or less, and eight churches reported NO SOULS LED TO JESUS.

When you consider the total membership of Middle Florida Baptist, this is a ratio of 1 to 27; meaning that it took 27 people to lead one person to Christ.

Some goals reached this year were felt in encouraging churches to prepare for revival in the local church and increasing Sunday School Units through the Sunday School Growth Spiral. The pamphlets; MAKE NO SMALL PLANS, and PREPARATION FOR REVIVAL IN THE LOCAL CHURCH were used. Some churches are further considering the possibility of Lay Evangelism Schools in the local church and jointly in the Association..

Let us continue to prepare ourselves and reach out for the lost that Jesus died to redeem.

## **BROTHERHOOD**

The Brotherhood of Middle Florida Baptist Association conducted four meetings during the year. We have seen the addition of one new group from New Macedonia.

Mayo Baptist and Brewer Lake Baptist Church for the second year, sent men and women to Honduras for volunteer work. Some of these people stayed for two weeks for the construction of a church to help bring the gospel to these people. There was work at Pickett Lake again this year. We saw the addition of a day-care shelter by the men of Brewer Lake.

We still have opportunities for our men and boys to become involved in volunteer activities. There are plans being made now for another trip to Honduras for new construction as well as activities in Wyoming for a statewide revival involving pastors and laymen helping bring the Word of God to those in need.

The Brotherhood continues to be an integral part of the Bold Mission Thrust, to see that the World has heard the gospel by the year 2000. We must continue to support missions locally and abroad if we are to see this happen.

Curtis H. Goodwin, Jr. (Shunny)

## **CHURCH TRAINING**

Our Associational Church Training program has a significant part in BOLD MISSION THRUST. We have the responsibility of helping each church to organize, improve and enlarge its program of discipleship development through Church Training. Our theme this year is "Bold Growth in Discipleship", and "Equipping for Family and Ministry". Curriculum materials for the Fall Quarter will emphasize Dynamic Doctrines, while January-September will feature a "Believe and Behave" emphasis, combining doctrine and Christian ethics.

Some of the things Middle Florida Baptist Associational Church Training has done and will do to help the churches with their training

opportunities are:

1. 1982 Associational "M" Night attendance was 163. (State-wide Attendance was 14,413).
2. Associational Youth Rallies were held every 3rd Saturday night. The average attendance was 161. This practice will continue in 1983.
3. Youth Week was observed March 14-21, 1982 in a few of our churches. The 1983 Youth Week will be observed March 13-20.
4. Associational Church Training Clinic was held during the Associational Council Workshop on August 30, 1982 at Madison First. Ten churches were represented.
5. Associational Children's Bible Drill, Youth Bible Drill and Speakers' Tournament was held on March 5, 1982 with these participating: Children's Bible Drill, Don Bishop (Faith); Youth Bible Drill, Bobbie Jo Davis (Faith) and Gena Stokes (Beulah); Youth Speakers' Tournament, Margaret Moore (Lee) and Michaela Vick (Faith). A total of three churches were represented. Two of these young people progressed to the Regional and State Drills and Tournament. Michaela Vick and Gena Stokes. The 1983 Associational Drills and Tournament will be held on March 11, at 7:30 P.M.

Michaela Vick (Faith) and Gena Stokes (Beulah)  
Represented Middle Florida in State Bible Drill  
and Speakers' Tournament - April 3, 1982

6. In the first 9 months of 1981-82, a total of 1,100 churches in Florida requested 44,943 awards in the Church Study Course. Florida led all states in Church Study Course awards. During this same period, many churches in our association earned a number of awards. Again this year, three special awards will be presented from the state Church Training Department at "M" Night. These will go to the churches with (1) largest total number of awards, (2) largest number of awards in Church Training Leadership, and (3) the largest percentage of total awards compared to the total church membership. Our association was awarded a plaque for the highest percentage of Study Course Credits (23%) based on the size of the churches.
7. "M" Night, 1982, will be held on November 22, at Greenville Baptist Church at 7:30 P.M.
8. A Regional Church Training Convention, including Children's and Youth Bible Drills and Youth Speakers' Tournament will be conducted in our area by our State Church Training Department at Lake City on March 25, 1983, afternoon and evening.

Church Training is a vital part of our Lord's work. Lives are changed through Church Training. Continue to pray for and support Church Training in YOUR church.

Phyllis Sevor

## YOUTH RALLY

I wish I could tell of all the moving moments that have happened at the Youth Rallies this year. I have enjoyed being the Youth Rally President and feel that I have received a blessing from the people who helped and prayed for me. The Rally would never have gotten off the ground if it had not been for the other officers of the Rally. These officers were Vice-President, Mike Waller; Secretary/Treasurer, Sheri Stokes; Music Director, Brenda Miller; Pianist, Andy Daughtry; Pastor Advisor, Rev. Bobby McCray; and Alternate Pastor Advisor, Rev. Dozier Sapp.

A total of nineteen churches out of twenty-eight in our association participated in the Youth Rally. There was an average of one hundred, sixty-one members present at the Rallies. Our largest attendance was two hundred and twenty-nine people. Unfortunately only six to seven pastors came to the meetings. In the future, I hope that the membership will increase as well as our pastor participation.

The Rally met every third Saturday in the month. At the rallies, we would have our business meeting and the host church would then present a program. This year we have given the church youth the opportunity to decide what kind of program to put on. We felt that this would help the youth to be more of a part of the rallies.

At each Rally an offering was taken and at the end of the year, we gave three hundred dollars to the Florida Baptist Children's Home and to Middle Florida Assembly at Pickett Lake. We felt that the Lord wanted us to help these needy causes in such a way. I pray that the Youth Rallies will grow and be able to have more opportunities to help in the association.

Please pray for the upcoming officers next year and stand beside them to help in whatever way you can. The officers for next year are: President, Ray Morse; Vice-President, Wanda Thacker; Secretary/Treasurer, Sheri Stokes; Music Director, Brenda Miller; Pianist, Chrissy Grantham; Pastor Advisor, Rev. B.P. Koelle; and Alternate Pastor Advisor, Dozier Sapp.

I urge everyone again to start coming to the Youth Rallies and begin a Youth Program in your church because the youth of today are the adults of tomorrow.

Respectfully yours,  
Jody F. Read, President

## FOREIGN HOME & STATE MISSIONS

**FOREIGN MISSIONS:** The Foreign Mission Board's annual report to the Southern Baptist Convention highlights some encouraging signs as well as some sobering realities. The Good news: Our total missionary staff grew to 3,136, an increase of 355, to work beside national colleagues in 95 countries; overseas Baptist Churches for the second time broke the 100,000 barrier in number of baptisms, reaching 127,337 last year and financial support for foreign missions reached a total of \$95,480,007 including a Lottie Moon Christmas offering of \$44,713,596.

The sobering picture comes when we view the multitudes beyond the reach of anything we are now doing to share the Gospel. To change this picture and accomplish the goal, of BOLD MISSION THRUST, Southern Baptists must PRAY MORE, GIVE MORE AND DO MORE.

**HOME MISSIONS:** Although not without its problems, last year was a banner year in Southern Baptist Convention HOME MISSIONS because churches responded to the pressing needs of our land.

At years end, the Home Mission Board had 3,074 missionary personnel on the field, 130 of these are serving in Florida. More than 30,000 men and women had volunteered to serve as temporary or part time missionaries through the Mission Service Corps and Special Mission Ministries. Over 400 new churches had been started.

Though barely keeping up with inflation, both Cooperative Program contributions to Home Missions and the Annie Armstrong Easter Offering reached new highs, totaling \$16,441,512 from the Cooperative Program and \$18,539,913 from the Annie Armstrong Offering.

The missions task of local churches was a major focus of the Missions Section Home Missions Board last year. This year, establishing and training Church Missions Committees will be a priority.

**STATE MISSIONS:** Florida Baptists have a goal of establishing 400 new congregations by 1985. With only two years remaining, more than 200 new churches and missions must be established if the goal of ministering to the people of Florida — of spreading the Good News of Jesus Christ — is to be met.

Planting new congregations cost money and it is a task which generally cannot be totally undertaken by a single church or a single association. It is a task in which ALL Florida Baptists must participate.

This year, Florida Baptists are concentrating on spreading the

Florida SUNSHINE. In a state which calls itself the SUNSHINE State, many people live in darkness. Our State may have the light of Old Sol, but Florida Baptists have the True Light, the Florida SUNSHINE.

J.T. Miller

## FLORIDA BAPTIST CHILDREN'S HOME REPORT

The Heart of the Florida Baptist Children's Home cannot best be revealed in annual statistics. One needs to get invloved and to hear the responses of some of those who have lived the experience. The first Campus Alumni Reunion was held on the Tallahassee Campus in July 1982. It was a happy time for all, there were about 18 former residents and staff members who came back for the occasion. Special Sunday morning worship services were held for all; with area administrator Jerry Edwards officiating. It was a most fitting way to end the reunion with a prayer of Thanksgiving and Song, "To God Be The Glory". "Children are a Heritage of the Lord", as the Word says in Psalms 127:3a. There were 385 children cared for through the multiple services of the Florida Baptist Children's Home in 1981-82, of which 58 were cared for on the Tallahassee Campus: they placed 3 children in foster homes; 7 were adopted into three homes; and 16 were in after-care services; the other 32 were cared for in the residence on campus, making up the total of 58.

Service statistics of the year were as follows:

	1979-80	1980-81	1981-82
Residential	163	166	136
Foster	36	30	31
Emergency	158	132	145
After-Care	50	83	63
Adoption	13	6	10

Here are a few of the highlights of the year:

1. The Carlton Residence for 10 additional children on the Tallahassee Campus was dedicated on September 26, 1982 at 2:30 P.M. with Dr. Edgar Cooper bringing the dedicatory address. This building with a projected cost of \$200,000.00 was completed at a cost of approximately \$145,000.00.
2. On September 27th at 10:00 A.M. the final Board meeting of the

year was held in the Board Room on the Tallahassee Campus. Highlighting this event was a re-dedication ceremony for Residence Number 1, which was named in honor of Audrey Wood of Madison, Florida, Faith Baptist Church.

Mrs. Audrey Drew Wood stands beside the picture of her parents, Drew and Cornelia Hughey, which hangs in the Audrey Drew Wood Residence.

3. The Homes continued their major thrust of helping needy children toward permanent family living by arranging for the adoption of 10 children during the year.
4. More than \$100,000.00 in capital funds are being raised for major renovations on the Miami Campus. This includes new roofs, new furniture, and a complete new plumbing system.
5. The Mother's Day Offering was slightly more than \$235,000.00 as compared to last year's total of \$221,000.00.
6. More individuals and groups have engaged in Volunteer endeavors than at any time in the history of the home. Individuals, church and civic groups are encouraged to become involved in Mission Action projects; and I personally challenge EVERY Pastor in our Middle Florida Baptist Association to remember

our Children's Home when making up your church budget for the new year.

7. On January 1, 1982, Richard Phillips, former Area Administrator on the Lakeland Campus was appointed assistant to the executive director in charge of promotion and development.
8. On June 1, 1982, Jack Bennett ACSW was appointed Area Administrator on the Lakeland Campus.
9. Two missionaries, the John Brackin family and the Robert Roberts' family occupied the Missionary Residence on the Lakeland Campus during the year.
10. For the eighth consecutive year the Children's Homes have operated on the positive side of the ledger. We praise the Lord for dedicated men and women on our Children's Home Staff that are leading us in this all important ministry.

Respectfully submitted,  
Audrey Wood

## MUSIC

Church Music enrollment in Florida churches has continued to increase this last year. We are grateful to God for our Florida leadership.

In Middle Florida we had 370 participants and observers in our Music Festival at Madison representing 11 churches. We appreciate your fine participation and pray that it will increase.

On April 17, we held an Associational Choir Workshop at Pleasant Grove (T) under Paul Bobbitt's leadership. Paul is Director of the Florida Baptist Music Department and blessed each of our hearts. We had 50 folks attending, representing 10 of our churches. Greenville had the highest number of choir members attending and were awarded free music.

Attending PraisFest '82 and the World Mission Conference in Tampa were 2 of our churches - Mayo and Elizabeth. Your Music Camp at Lake Yale was attended by 3 youth from Beulah, Greenville and Elizabeth. Young Musicians Camp at Lake Yale was attended by 3 from Elizabeth and the M & M Clinic at Lake Yale was attended by 5 representing Lee First, Cherry Lake and Pleasant Grove (T). On September 21, I attended a Choir Leaders Workshop in Tallahassee led by Fred Kelley from Nashville. It was a very informative time of fellowship with music leaders, new ideas and music.

Folks, it's like this. . . . . we can do anything in Middle Florida through reaching people through music that we really set our sights on. Saying "we don't know how" is an excuse that just WILL NOT hold water. Our Convention is offering us help on every corner — even OUR Association is offering help. All we have to do is go get it. God's power working in us can overcome all obstacles if we will yield ourselves to Him.

We are thrilled to have Clara White of Pleasant Grove (T) head our Middle Florida Music this year. Please join me in giving her the same warm, wonderful response you have given me in the past.

Remember these dates coming up next year: February 5, Music Festival at Madison First, Children at 5:30 P.M. - Youth at 6:30 P.M. and Adults at 7:30 P.M. April 8-9 PraisFest '83 at Stetson. April 23 - Associational Choir Workshop. Sight Singing from 2 P.M. to 9 P.M. July 11-16 - Youth Music Camp at Lake Yale. July 18-23 Young Musicians Camp at Lake Yale. July 21-23 - Summer M & M Clinic at Lake Yale.

## **WOMAN'S MISSIONARY UNION**

Woman's Missionary Union emphasis for 1981-82 was Life-Changing Commitments. Throughout the year, meetings, activities and materials centered on the various aspects of Christian lifestyle and suggested ways of helping WMU members to make life-changing commitments.

The denominational emphasis, Bold Mission Thrust, provided these goals: Bold Growing, Bold Going, Bold Giving. As Woman's Missionary Union strengthened its ongoing tasks of mission study, mission support, mission action and direct evangelism, WMU members, leaders and officers were involved in Bold Mission Thrust.

Five WMU Leaders' Conferences were held at Lake Yale Baptist Assembly, Fort Lauderdale and Blue Springs Assembly. These conferences provided training for associational and church Woman's Missionary Union leadership.

The 88th Annual Session of Florida Woman's Missionary Union was held on April 29-30, 1982, at the First Baptist Church of Tampa, with 985 registered.

Ten weeks of Girls in Action and Acteens Camps were held at Lake Yale Baptist Assembly and West Florida Baptist Assembly.

Florida Woman's Missionary Union launched an Enlargement Plan as a part of the National WMU Enlargement Plan. A goal to visit 415 churches and missions without a WMU by September, 1983, was implemented with five called as STARTEAM visiting 200 churches. A total of 180 new WMU's were organized.

The 1981-82 WMU watchword, "Also I heard the voice of the Lord saying, Whom shall I send, and who will go for us? Then said I, Here am I; send me" (Isaiah 6:8) and the 1981-82 hymn, "Send Me, O Lord, Send Me," challenged members throughout the year. New commitments and changed lifestyles were evident in members of Florida Woman's Missionary Union.

## ANNUITY BOARD REPORT

"Despite the economic problems in the nation, 1981 was a year of solid growth and expanding achievements with record number in assets, benefits paid and member accounts," said Darold H. Morgan, president of the Annuity Board of Southern Baptist Convention.

Key statistical highlights in 1981 included:

1. A 10 percent 13th Check was sent to annuitants who retired before 1980. Those annuitants who retired in 1980-81 received their 13th Check bonus in their monthly checks.
2. A total of \$24,298.521 was paid in retirement benefits.
3. Total assets administered by the board as of December 31, 1981 were \$896,535,999 compared with \$806,518,757 in December 31, 1980.
4. Relief funds from the Cooperative Program totalled \$357,200.
5. Premium income reached \$72,854,632. — Of this amount, \$45,443.258 was designated for the Fixed Fund and \$10,294,788 for Plan A.

Significant changes have taken place in the Southern Baptist Retirement Program since 1978.

One of the most important changes is the bringing together into a composite document the various retirement plans developed by the Board. This document, now called the Southern Baptist Protection Program Church Annuity Plan, has been adopted by the Florida Baptist Convention. The particular value of this new document is that it gives detailed information regarding the provisions of all retirement plans offered by the Annuity Board and combines them

into one plan.

Total assets held in trust by the Annuity Board in all retirement accounts grew to a record \$896,535,999, in 1981. At the same time, the Board paid retirees \$24,298,521 in retirement benefits and a thirteenth check to those retiring prior to 1980.

A Short Term Fund and a Voluntary Annuity Plan were added to the investment funds available through the Board. The Short Term Fund has been designed to take advantage of short-term investments with anticipated high interest earnings. The Voluntary Annuity Plan is an Individual Retirement Account.

The medical and life insurance program administered by the Board and underwritten by the Aetna Insurance Company have been redesigned. Participants in the programs were paid \$22,177,886 in claims in 1981. Premium costs for medical insurance will undoubtedly increase as medical care continues to rise.

The staff of the Annuity Board and the Florida Annuity Office are totally committed to "serving those who serve the Lord".

Let me encourage all of our churches to put your pastor in the Annuity Program because you want your Pastor on the field full time and very few of them are being paid a living salary. When our pastors retire they need more money to live on than what Social Security will pay them. Please give this close consideration.

Respectfully submitted,  
Rev. I.T. Carter

## **FLORIDA BAPTIST RETIREMENT CENTER**

The interest and need of the ministry of the Retirement Center parallels the growth of the retirement age group coming to Florida at the rate of over 8,000 per week.

The Center facilities, located on 23 acres of beautiful Indian River property, include 14 duplex apartments, 5 efficiency apartments, 23 single bedroom units and 24-bed skilled nursing home. There is a small lake, a picnic pavilion, and 10 acres of citrus trees. The center has maximum capacity of 85 residents. It is dedicated to the physical, mental and spiritual well-being of each resident.

Applicants must be residents of the State of Florida and members in good standing with a Baptist church cooperating with the Florida Baptist Convention for at least 12 months prior to application. Exceptions may be made in case the applicant is an employee of a Southern Baptist Convention agency, board or commission. The

minimum age is 62.

The ministry of the Florida Baptist Retirement Center is made possible by the support of Cooperative Program gifts and the prayers of the people of this state. We are most appreciative of this support.

Respectfully submitted,  
Rev. I.T. Carter

### **MIDDLE FLORIDA BAPTIST ASSEMBLY**

From the year 1957 to the present time, we have grown from \$400.00 in property to more than \$500,000.00. This figure is from our insurance company and other interested persons.

We are in the process of up-grading the entire camp site. Recently, we installed a new 4" well which gives us two wells to supply our camp. To date, we have five brick buildings. Plans have been completed to begin work on the old wooden dorm immediately - finishing it with brick walls and air conditioning. That will leave two dorms to be air conditioned, which we trust can be accomplished by the end of this year.

Our caretaker says that all campers want the air conditioned dorm. WE NEED YOUR HELP! The cost to do this job is \$5,000.00, per dorm. Make your contribution NOW.

A Barbeque Pit is under construction for the Pastors & Deacons Retreat in October.

Our children may never be privileged to go to Ridgecrest or to Lake Yale, but Pickett Lake is in reach of all of them. Why not send in your gift or contribution and watch our own Pickett Lake Camp grow? Some churches can send more funds than others, but \$25.00 per month from each church would mean so much to our camp's growth.

Respectfully submitted,  
Rev. I.T. Carter

### **UNITED CHRISTIAN ACTION REPORT**

The support from the State Mission Offering of the Florida Baptist Convention, and the contributions from individual Baptist Churches across the State of Florida has been better than in any preceeding year. United Christian Action is grateful for the financial support we are given. Without this undergirding we could never

carry on the work we must do.

A forward stride was taken in the legislature of Florida, where your UCA Director is a registered lobbyist. A bill was finally passed in the House and in the Senate, and became law upon the signature of Governor Bob Graham, which deals realistically with drunken drivers. We are tremendously concerned with the carnage on the highways of Florida, due to alcohol and other drugs.

Better than laws to punish the guilty drinker, however, are efforts on our part to instruct, inform and warn the youth and adults of Florida of the result of the use of alcohol and other drugs. The old adage "an ounce of prevention is worth a pound of cure" is still a good one. If we can warn one young person of the results he can expect from using alcohol or narcotics, and keep him out of trouble it will have been worth all of our efforts.

No busy pastor has the time to keep abreast of all that is developing in the field of Pornography, Alcohol, Narcotics, Gambling and other evils. This is why UCA is so vital to your ministry. The Director of UCA stands ready to come at your invitation to teach, preach, lead seminars or informal discussions and to distribute up to date documented literature for your people to read and to share with others. The UCA film library is available to you and you may request a catalogue from which to order films whenever you desire.

The heart of the gospel is the winning of souls to Jesus. Surely no one would refute that statement. There is another area of ministry for which we are responsible, however. Jesus said in Matthew 28:20;

"Teaching them to observe all  
things whatsoever I have  
commanded you. . . . ."

This is the task of United Christian Action. If you will help us we will seek to teach the people all the things our Saviour has commanded. Thank you for your financial and your prayerful support.

Respectfully submitted,  
Bernard Wilson

### BAPTIST CAMPUS MINISTRY

The 1981-82 year was very good for the BCM at North Florida Junior College. The group participated in community functions and grew in the faith of Christ and in fellowship.

On the campus, BCM members participated in Thanksgiving and Christmas dinners sponsored by all campus clubs and sponsored a

Christmas Day Service at which Rev. Tim McNeill, a local minister inspired everyone. We ministered to several area churches such as Macedonia, Lee First, Corinth and others. In the area of missions, our relatively small group sent \$520.00 to the State BCM for missions.

Plans for the up-coming year are to again spread Christ on our campus through fellowship and service and to minister to churches in the community.

The new President is Gina Braswell and the new Vice-President is Bruce Swift. Our advisor is Gwen Faulkner.

Respectfully submitted,  
Edward Sapp

### **DIRECTOR OF MISSIONS REPORT**

After serving as your part-time Director of Missions for 4½ years, I became the full-time Director of the Middle Florida/Taylor Baptist Associations June 1, 1982.

What have I been doing? I have been in 39 of the 41 churches and in one of the two missions in varying capacities: preaching, revivals, homecomings, visiting, ordinations, funerals, moderating at business meetings and various other things. I also attended the Florida Baptist Convention, the Directors of Missions meeting, Associational Council Workshop, Smaller Church Conference and Church Growth Institute in the State and Foreign Mission Week at Ridgecrest.

This has been another year of change in our Association. Six churches have had a change in pastoral leadership this year and two churches are without pastors at the present time.

We have had an increase in the support of the Association and I am grateful. However, we are still in need of an Associational Office and I would like to encourage you to join me in prayer that the Lord will open the door for this to become a reality.

Respectfully submitted,  
Carlton Owens

## OUR DEPARTED LOVED ONES

"Face to face with Christ, my Savior,  
Face to face - what will it be?  
When with rapture I behold Him,  
Jesus Christ who died for me!"

When in Heaven we view the sunshine of Christ's face, all earth's shadows will fall behind us. Revelation 22:4, "And they shall see His face".

As we remember these loved ones, let us become aware of the comforting spirit of Christ.

## **HISTORICAL SKETCH OF ELIZABETH BAPTIST CHURCH**

This year the Elizabeth Baptist Church completed a \$237,000 renovation and building program. The church, which celebrated its 151st Anniversary this year, has taken on a completely new look. The entire roof line was rearranged and the auditorium was expanded to accomodate nine more new pews. For the first time in its long history, the church can now baptize during the regular services on Sunday. Before February, 1982, the church baptized in the Aucilla River, Silver Lake, Razor Lake, Monticello First and Olive Baptist Church. The church wishes to express its appreciation to their sister churches for the use of their baptistry in the many years that have past. A brand new grand piano now graces the interior to accompany the congregational singing and special music. Except for the fellowship hall and kitchen, the church has been completely carpeted.

A brand new nursery facility, which includes separate rooms for bed babies and toddlers with a restroom in between, has added greatly to the effectiveness of the educational system in the church.

A stain glass window with an amber cross graces the background of the baptistry. The church's electrical and lighting system was completely renovated with new materials and lights.

A handicap ramp and restrooms fitted for those who need the help of a wheelchair enhanced the effectiveness of ministering to those in need.

A new fellowship hall with four new Sunday School rooms, that are educationally equipped, has added to the outreach of the Sunday School and Church Training. (Refer to 1972-73 Annual for complete History.)

Dr. Mark McCoy, Pastor

## **HISTORICAL SKETCH OF FIRST BAPTIST CHURCH, MADISON**

In keeping with the belief that future generations depend on the present one to preserve its fine traditions and landmarks, the First Baptist Church of Madison held two important events.

On Sunday, March 21, 1982, the Madison County Historical Society dedicated the Historical Marker in memory of Edwin B. Browning, Sr. Appropriate remarks about the old sanctuary and Mr. Browning were made by visiting dignataries and members of

the church. The old church bell was rung and the marker was dedicated in a very impressive ceremony directed by Mrs. W.C. Copeland, Jr.

An observation made at the marker dedication led to the second event, the restoration and cleaning of the stained glass windows. Under the careful direction of Mrs. Copeland, the windows were restored and the interior cleaned with donations from families of past members. The final results were viewed in ceremonies on Sunday afternoon and evening on September 25, 1982.
