In Dedication

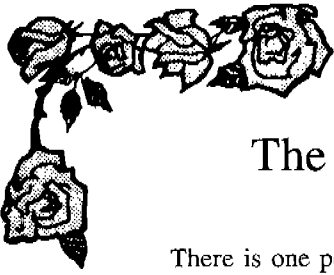

Rev. & Mrs. Dozier Sapp

They have known, and continue to learn, "take up thy cross daily and follow me", "I can do all things through Christ who strengthens me." God's love finding and flowing through them has made them lovers of the Lord, of His Word, of His church, of His family and of His world.

The world and worldly Christians wonder, debate and crave various gifts and graces as their greatest accomplishment of life but "now abideth faith, hope and love, these three, but the greatest of all is love. Make love your aim in life. Faith as we know it today will not be needed in heaven...hope will be fulfilled...but love will always be the crown jewel in that "land fairer than day." They walk on until they shall hear "well done thou good and faithful servants, enter thou into the joy of thy Lord."

Middle Florida Baptist Association honors itself as we unanimously recognize God's grace in them and dedicate our annual of 1988 to them.

Rev. Thad Entzminger, Pastor
Greenville Baptist Church

The Preacher's Wife

There is one person in your church
Who knows your preacher's life;
She's wept and smiled and prayed with him,
And that's your preacher's wife!

She knows your prophet's weakest point,
And knows his greatest power;
She's heard him speak in trumpet tone,
In his great triumph hour.

She's heard him groaning in his soul,
When bitter raged the strife,
As hand in his, she knelt with him--
For she's the preacher's wife!

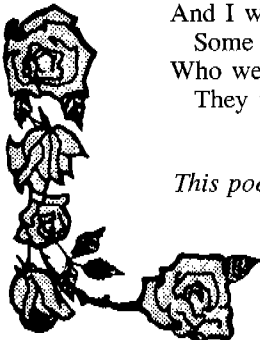

The crowd has seen him in his strength,
When glistened his drawn sword
As underneath God's banner folds
He faced the devil's horde.

But she knows deep within her heart
That scarce an hour before
She helped him pray the glory down
Behind a closed door.

You tell your tales of prophets brave
Who walked across the world
And changed the course of history
By burning words they hurled.

And I will tell how back of them
Some woman lived their lives;
Who wept with them, and smiled with them--
They were the preacher's wives.

This poem is lovingly dedicated to Mrs. Mary Sapp

Executive Committee

The Executive Committee is composed of the Moderator, Vice-Moderator, Clerk/Treasurer, the heads of the department of work in the Association and one member from each church and the pastors of the churches of the Association. The Executive Committee meets on even months to conduct business of the Association between the sessions and promote work in the Association.

Our appreciation is extended the membership of the Mt. Olive Church for the use of their facilities.

The following action represents some of the work of the Association through the Executive Committee.

December 1, 1987 -The Evangelism Conference, January 11-12, 1988, was promoted.

-Thirteen churches to be involved in the World Mission Conference February 14-21, 1988.

February 2, 1988 -The date of March 25 - April 1, 1990, was set for the Simultaneous Revivals. The theme is "There is Hope, America."

-The World Mission Conference scheduled for February 14-21 was promoted.

June 7, 1988 -The Association adopted a policy to refrain from copying Copyright materials.

-Nineteen churches participated in the World Mission Conference, February 14-21, 1988.

August 4, 1988 -Approval given for Florida Baptist Convention to assist Robert Burnett financially to attend Baptist Bible Institute.
-The Church Council Workshop August 16 was promoted.

The Association Year 1987-88 has been a good year. An average of 15 churches had representation in the meetings with an average of 11 pastors attending. If your church has not elected your representative to the committee, please do so, and notify the Association Office. There have been many events that brought strength and growth to our Association; those are reported by various departments.

Let's all rejoice in the good things God is doing in the Middle Florida Association.

Geraldine Stokes, Clerk

Family Life

Associational Family Life Programs in Florida were begun in 1983. Florida was the second state in the SBC to make such provisions.

State, Association and church Family Life Programs all include three areas with officers for each serving on the Church Council: Senior Adults, Single Adults, and Family Enrichment. These relate to the Southern Baptist Family Ministry Department at the Sunday School Board, which has sections for each of these areas.

Church actions to help strengthen families include: Family Commitment Day; Senior Adult Day; Single Adult Day; Studying the Baptist doctrinal book, *Biblical Foundations of the Family*; organizing senior and single adult weekday ministries; conducting marriage enrichment or parenting retreat or conference; and utilizing the Family Life Periodicals - *Home Life*, *Living With Teenagers*, *Living With Children*, *Living With Preschoolers*, *Christian Single*, and *Mature Living* are all available on the Church Literature order blank.

Annual events such as Christian Home Emphasis is recommended as a time to focus on many of these activities. It is in the denominational calendar for observance from Mother's Day to Father's Day each year.

Other help available for families include "Covenant Marriage" and "Parenting by Grace." Both of these models are in the LIFE system (*Lay Institute for Equipping*) and will be promoted jointly by Church Training and Family Life departments of our state.

Your Association stands by to help. Our families are our future.

Gene Speight, Director

E.C. Tyner Youth Camp

We had another banner year at the E.C. Tyner Youth Camp. Fifteen young people made professions of faith and many others made rededications of their lives. We had a real revival service on Wednesday night with decisions being made both at the campfire and back in the cabins. The youth counselors did a good deal of helping campers understand what Christ wanted for them in their lives during devotional time each night in the cabins.

We had one injury this year on the last day of camp when a boy jumped into shallow water and hurt his ankle. However, he recovered and the camp insurance paid the bills.

The movies *Heaven's Heroes*, *Nite Song*, *A Stranger In My Forest* and *Survival* were outstanding Evangelical films, they were enjoyed by all. The weather permitted us to have

a campfire almost every night. These were very inspirational because it gave the youth an opportunity to give personal testimonies and share their concern for other campers who needed Christ as their personal Savior.

The camp staff was composed of the following outstanding people: Tom Kelley, Lamar Anderson, Dennett Cruce, T.J. Santerfeit, Dennis Draper, Linda Demott, Tricia Teasley, Missy Wentz, Joyce Lynn Hart, Keith Merritt, Jason Kinsey, Bill Davis and Matt Buchanan.

Our camp chefs were: Lounette Hall, Harry McRae, Doil Burnett, V.A. Genton, Edna Genton, Sarah McCoy. We want to thank these good folks for their fine leadership qualities and the chefs for the many good tasting meals we ate from day to day. We also want to thank Mr. and Mrs. Thomas of Brewer Lake for a wonderful meal Tuesday night.

The camp next year will be July 17-21, 1989. The camp fee will remain at \$25.00 because we made ends meet again this year and a few dollars ahead. The current balance of the camp account is \$1,765.10. Last year we drew \$72.87 interest on the account.

Church Training

Church Training continues to play a major role in growing disciples and developing believers. The associational Church Training program has the responsibility of helping each church to organize, improve and enlarge its program of discipleship development through Church Training.

This is the sixth year of one of Church Training's most exciting themes - Developing Believers. The 1988-89 church training theme is "A Call to Baptist Basics." Through this study Church Training members will acknowledge God's sovereignty and be led to demonstrate responsible stewardship of time, possessions, abilities and the gospel.

Some other things our Middle Florida associational Church Training has done and will do to help the churches with their training opportunities are:

1) 1987 Associational "M" Night attendance was 83 (Statewide attendance 11,483). "M" Night 1988 will be held November 22 at Brewer Lake Baptist Church.

2) No Associational Bible Drill or Speakers' Tournament was held. You are challenged to make this a matter of top priority in your church for 1989. Our young people need to be adequately prepared for the work of the ministry. The Association Bible Drill and Speakers' Tournament is a means to that end.

3) In the first six months of the 1987-88 church year a total of 1,740 churches in Florida requested 51,082 awards in the Church Study Course System. Figures for the associations will not be available until the end of September. Again this year three special awards will be presented from the state Church Training Department at "M" Night. These awards will go to the churches with (1) the largest total number of study course awards, (2) the largest number of awards in Church Training Leadership, and (3) the largest percentage of total awards compared to resident membership. By the way, Florida placed first in the Southern Baptist Convention in total doctrinal awards received during 1986-87.

Of the 28 churches in the Middle Florida Association, 23 reported Church Training this year. Last year 20 reported Church Training, giving us an increased number of Church Training programs of three.

Music

Our theme for 1988-89 is "Musicians on Mission . . . That All May Hear" and our objective is to support the goals of Bold Mission Thrust in reaching people, developing believers and strengthening missions.

We had good cooperation in the association for our Youth Music Festival held at the Youth Rally January 16, 1988, with 48 youth sharing their talents from seven churches - Beulah, Elizabeth, Faith, Lee First, Midway, Pleasant Grove (L) and Pleasant Grove (T). On February 6, at Macedonia, we had 112 adults share their message in song from the following churches: Brewer Lake, Elizabeth, Lee First, Mayo, Pine Grove, Pinetta, Macedonia and Mt. Olive. With visitors added at both festivals we had combined attendance of 259. Our children's fun day was cancelled because of conflict, but we will plan another one in our new calendar year.

Our association was blessed with Jimmy McCaleb of Mississippi coming and sharing Church Music RFD on July 14 at Hopewell. He had 76 present representing 16 churches in Middle Florida and three Taylor Association churches. Thanks to all our faithful Music Committee, especially Geraldine Stokes and Brother Owens.

Several folks from Middle Florida attended the M & M Clinic at Blue Springs in February. In September I served as a volunteer Musician on Mission for the Jacksonville area as I taught a five-hour study course on Music Reading at Ortega Baptist Church. It was a great experience for me.

Dates to Remember for the Coming Year

January 21, 1989	7:30 p.m.	Youth Music Festival as part of the Youth Rally
February 4, 1989	7:00 p.m.	Adult Music Festival - First Madison
March 4, 1989	5-7 p.m.	Children's Fun Day - St. Johns, Greenville
July 17-21		Youth Musical - Pickett Lake Camp
September 9, 1989		Music Clinic - Pleasant Grove (T)

Please make plans now to support these coming events. We were sorry to lose two of our faithful Music Committee - Doug and Bonnie Casey. We know that God will bless their work.

Linda Demott

Woman's Missionary Union

In 1987-88 the Woman's Missionary Union emphasis was "A Century to Celebrate - A Future to Fulfill" using Hebrews 13:7-8 RSV, "Remember your leaders, those who spoke to you the word of God; consider the outcome of their life, and imitate their faith. Jesus Christ is the same yesterday and today and forever." The objectives for the centennial year have been challenging. Some of the ways in which the churches have accomplished these objectives are:

Nine of our ladies attended the January Prayer Retreat at Blue Springs.

Each W.M.U. has observed the Foreign and Home Mission Week of Prayer. Also almost each one observed the John Maguire State Mission Week. Some reported having increased their goals.

Almost all of our officers received training at Lake Yale.

Nineteen of our ladies attended our Annual Meeting at Lakeland April 12-14. This was enjoyed by all - meeting missionaries and our State workers. We all enjoyed the luncheon given by the Children's Home. Some of us had never had the opportunity of visiting the Home. It was a wonderful time, everyone dressed for the Centennial and reminiscing of our past and praying for our future.

We have enjoyed two Prayer Retreats at Pickett Lake. Sharing and praying together are wonderful times.

Four of our churches have entertained us graciously with our rallies as we have observed our centennial year.

Five from our association attended the Centennial Celebration May 14-16 at Richmond, Virginia.

This centennial year has challenged members of Florida Woman's Missionary Union to respond to a century of missions education and to move with excitement into the future to fulfill the message of Jesus Christ.

Truly we are "laborers together with God."

Youth Rally

During the 1987-88 church year, the youth of our association have received blessings through attending Youth Rallies. Our officers for the year consisted of: President - Gena Stokes/Don Bishop, Vice-President - Johnny Buchanan, Secretary/Treasurer - Kim Davis, Song Leader - Donna Ezell and Pianist - Joycelyn Hart.

Our main project for the year was the collection of stocking stuffers for the Nursing Home residents. Our December rally was held at Madison Nursing Home, where the stockings were distributed. During the rally, Christmas carols were sung by various groups. The response to this was tremendous and we received a great blessing from it.

We would like to extend a SPECIAL THANKS to our host churches who made the rallies a success.

Our average attendance was 112. This was down from last year. I believe that attendance could be much higher if ALL pastors and youth leaders made an effort to get the youth involved. Not only will each one be blessed, but your church will be drawn closer together and to the Lord.

Kim Davis, Secretary
Don Bishop, President

Florida Baptist Children's Homes

This is an era of rapid growth for the ministry of the Florida Baptist Children's Homes. Traditional programs of services are in place and filling great need: residential care on the Lakeland, Tallahassee, and Miami campuses; the Madray Group Home near Okeechobee; foster homes and emergency shelter; Northwest Florida social work office, adoptions; counseling and referrals; continuing education.

Since 1986, the Homes has provided care for unwed, pregnant girls and women. Counseling and identification of needed resources is a major part of this service. Some are provided shelter in specialized foster homes. There has been a steady increase in this service and in adoptive services.

In May of this year, we opened the Taylor Group Home for developmentally disabled adults in Winter Haven to care for eight mildly retarded women. Other such homes will be opened as resources are available.

Our trustees have approved a proposal from the Florida Baptist State Board of Missions that the Children's Homes accept ownership and management of the Florida Baptist Retirement Center effective January 1, 1989. Approval is expected when the Convention meets in November.

A name change to "Florida Baptist Family Ministries" is being considered, along with an expanded Mission Statement. With these changes, the Children's Homes becomes Florida Baptists' total family ministries institution.

Yet, in the midst of all the changes, our basic reasons for existence don't change - to serve God, Florida Baptists and families. The number of decisions for Christ each year is one tangible indication of that commitment.

By year-end, we will serve 475 children, plus their families. The budget for these services amounts to \$3,438,408. We are grateful to individual Baptists and churches for providing these funds for needy, dependent children.

Richard Phillips, Executive Director

Brotherhood

The Brotherhood enjoyed a great year of fellowship and service to our Lord. Brewer Lake hosted the November meeting with an informative program about our volunteer work in Honduras. In January Dr. Robert Crankshaw, who is a marriage and family counselor with the Advent Christian Village, gave an inspirational talk to the men about marriage. The host church in January was Mayo Baptist. On April 19 of this year a terrible tornado hit Madison causing a tremendous amount of damage. It just so happened that that week

was our scheduled quarterly meeting in Madison at Faith Baptist. We had pre-scheduled a meeting about disaster relief with the Jacksonville office. The tornado generated a great time of discussion, testimony and planning. Our final meeting for the year was held at Madison First Baptist. The ladies joined us and enjoyed a wonderful meal and talk by our own Dennis Draper.

Some of our men were involved in volunteer construction work in Honduras and in the Florida Keyes. This gave our men a taste of Foreign and Home Missions.

All in all this has been a great year. Thank you for your involvement in our Lord's work.

Ricky Hurst, Director

Director of Missions

I am grateful for the opportunity of serving as your Director of Missions. The friendship, love and prayers of you all are greatly appreciated. I continue to have some health problems and ask that you keep me in your prayers.

I am not satisfied with what I have been able to do in this Association this year. However, I have been in 24 of the 28 churches for at least one service. I also attended the Florida Baptist Convention, the Director of Missions training program at Lake Yale, Small Church Conference at Blue Springs and calendar planning meeting the Florida Baptist Convention staff held at Lake Yale.

There is a need for me to spend more of my time in the Taylor Association. As soon as I can work it out, I would like to change my days in the Taylor Association to Monday and Tuesday. This will cut down some on the amount of travel. I will spend Monday nights in Perry, and if I am there on Sunday, I will also spend Sunday nights there. As soon as the details can be worked out, we will let you know.

The World Mission Conference was a highlight of the year. Many of our churches were blessed by the opportunity of hearing our outstanding missionaries.

The new year will provide many exciting opportunities for all of us. The Sunday School Growth Campaign April 1-9, 1989, offers every church some help in reaching people for Christ through Sunday School. I hope that you will plan to be involved in this important growth opportunity.

Thank you again for the opportunity of serving as your Director of Missions. If I can be of help to you or your church, please let me know.

Carlton Owens

Middle Florida Baptist Assembly

The Middle Florida Baptist Assembly, located on beautiful Pickett Lake, is owned jointly by seven associations (Beulah, Lafayette, Santa Fe River, Harmony, Middle Florida, Suwannee and Taylor).

As we round out the camping year of 1988, we can't help but notice one fact, "As our churches go, so goes our camp;" in supplying apathy that's eating away Southern Baptist work. Baptisms are nil in many of our churches, this is not due to lack of lost people to win, it's a lack of "winners". Many of our larger camps have failed to participate at all this year - cutting our conversions drastically, also fees.

NOW, THE GOOD NEWS! The camp has shown quite a turn-out, considering participation, from 32 groups the harvest has been good! 44 saved - 135 decisions - 1,426

campers - 2,741 camper days, \$7,936.50 fees. Most of our campers who have seen the new arrangement in the dining hall really like it, plus cement floor, new floor tile, new paneling and more room and all the other goodies.

Mr. Walter S. McKinney serves as Camp Manager. The assembly provides an excellent setting for church youth groups, retreats and camps for all ages.

You may call the assembly at 935-0608 and reserve the facilities for your church.

Evangelism

In the past year Florida Baptists baptized 25,743 people. This is a decrease of 1,721 under last year. During 1987 there were 26 churches in our state baptized 100 or more. The baptism ratio for our association is 1:64 compared to the state average ratio of 1:42.

Most important to note is the fact that 90 percent of the churches with high baptism rates have all had some type of witness training program. This fact should encourage our churches to see that they begin a witness training program of some type. The Evangelism Department offers several different kinds of training programs of which one could benefit your church.

Statewide efforts are moving along well in preparation for the 1990 "Here's Hope Jesus Cares for You", Simultaneous Revivals. It is our goal to have 100 percent of our churches

ches participating in these revivals. The dates set for the revivals in our state are March 18 - April 1, 1990.

It is my personal belief that Evangelism should be at the heart of every church. If I can personally help this evangelism effort in your church, please feel free to call me for assistance.

The Faith Baptist Church has invited us to meet with them on April 11, 1989, 6:30 p.m. for the Semiannual meeting.

The Riverside Baptist Church has invited us to meet with them on October 9, 1989, and St. Johns Baptist Church on October 10, 1989. Sessions begin at 3:00 p.m.

The following pastors have agreed to preach to the Association. The Doctrinal Sermon will be delivered by Rev. R.C. Canon, pastor of the Riverside Baptist Church. The Missionary Message will be delivered by Rev. Dozier Sapp, pastor of the Beulah Baptist Church. Alternate speakers are: Doctrinal - Gene Stokes, pastor of Pleasant Grove (T) Baptist Church; and Missionary - Leonard Cone, Interim-pastor of Madison First.

Middle Florida/Taylor Mission District Report

The Middle Florida/Taylor Mission District functioned smoothly and well during 1987-88. Support from the Associations came in fully and on time. The District budget was funded.

Our District Missionary, Rev. Carlton Owens, continues to be quietly helpful to pastors. He provides a listening ear and a compassionate heart. Pastors of local churches do not have a pastor except as the Director of Missions provides prayer support and a trusted friendship on which pastors can lean. Rev. Owens does that well.

Brother Carlton continues to be helpful to churches that are having problems or need guidance in making decisions such as calling a pastor.

Middle Florida Association has experienced a good year in stewardship and mission giving. This seems to be an outgrowth of a good World Missions Conference they had recently.

Brother Owens continues to give two days each week in Taylor Association and three days per week in Middle Florida except that on Fridays he goes where he is needed most. If there is need for him to return to Taylor on Friday he does so.

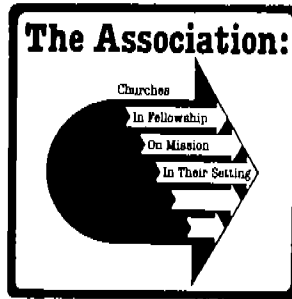

During this next year his two days a week in Taylor Association will be Monday and Tuesday with return trips on other days as need arises.

Florida Baptist Convention has graciously picked just over \$1,500.00 per year in fringe benefit payment for our Director of Missions in the past. Because of a provision or rule in the 1986 Tax Revision Act, the Convention can no longer do that. Beginning January

1, 1990, the Mission District will be responsible for the total support of the program of Associational or District Missions.

Let us all work hard and prayerfully at our tasks during 1988-89. We CAN fund the program of Associational Missions. Let's do it.

The Petitionary Letters Committee Report

October 10, 1988

In February of 1987, Middle Florida Baptist Association received a petition for affiliation from Fellowship Baptist Church. The Petitionary Letters Committee made a full investigation and determined that Fellowship Baptist Church was qualified for affiliation in accord with the Constitution and Bylaws of the Association. After much prayer, study, meditation and consultation, the Committee recommended that Fellowship Baptist Church be received under the watchcare of the Middle Florida Baptist Association. At the Eighty-eighth Annual Session, on October 12, 1987, the Middle Florida Baptist Association voted to receive Fellowship Baptist Church under a watchcare status for a period of one year.

According to Article Five, Item Two of the Constitution and Bylaws, a church after watchcare relationship of nine months must vote and record, re-affirming their desire to be a member of Middle Florida Baptist Association. On August 10, 1988, Fellowship Baptist Church at their regularly scheduled business meeting, voted unanimously their desire to come into the Middle Florida Baptist Association. The Fellowship Baptist Church has been very cooperative during this one year watchcare period. They served as host for the Youth Rally on August 13, 1988, they gave 10 percent of their tithes and offerings to the Cooperative Program and made a substantial contribution to the operating expenses of the Middle Florida Association. They also were very active in all Associational activities.

In its petition to the Association for "full voting member" status, Fellowship Baptist Church expressed grateful appreciation to the Association for its support during the one-year watchcare status. Fellowship Baptist Church expressed its thanks in advance to the Association for our prayerful consideration of this matter. They also state that they were grateful for this opportunity to cooperate with the churches of the Association in winning our area to Christ and supporting mission work at home and abroad.

State Board of Missions Report

First of all I would like to express my sincere appreciation to Middle Florida Baptist Association for granting me the privilege of representing you on the State Board of Missions. This year has been a learning experience for me. The work of Baptists in the State of Florida is much more comprehensive and extensive than I ever imagined. They expect you to attend all meetings unless you have a compelling reason for not doing so and they also expect you to be involved in the work; failure in either of these areas is grounds for removal.

I was assigned to the Program Committee. Some of the things we have worked on this year were alterations and corrections to the State Constitution and Bylaws, ministers emergency assistance, Florida Baptist Convention "Bold Mission Thrust Goals", 1990-1995, approval of a new Evangelism Division (instead of a department as it was previously) and work on the budget for the coming year.

In a surprise move May 20, 1988, Dan C. Stringer, Executive Director-Treasurer of the Florida Baptist Convention announced he will retire December 31, 1988. Dr. Stringer has been a very effective leader. Among his accomplishments has been to create the language missions department, create the work assistance office to help churches purchase land and build facilities, formed state-to-state mission partnerships with Baptist Conventions in Pennsylvania, South Jersey, Montana and North and South Dakota, purchased and developed Blue Springs Baptist Assembly, established pastoral ministries and public relations departments, led the Florida Baptist Convention to second place among State Conventions in total baptisms, fourth in total mission gifts and sixth in all other categories. Dr. Stringer is a great man of God and will be greatly missed.

A committee of nine people was appointed to recommend a person for this leadership position. David Causey, pastor of the First Baptist Church of Brooksville, was selected as Chairman of this committee. This committee has requested that each of us pray for them as they work on this important assignment. On September 8, 1988, at the State Board of Missions meeting a Roast and Toast for Dan and Harriet Stringer was held. This was a very enjoyable occasion for every one that attended. I have a tape of that entire evening,

if any individual or church desires to hear that program contact the Middle Florida Baptist Associational Office.

One thing that disturbed me was the lack of participation in our State Convention by the people of Middle Florida Baptist Association. The only person that I saw from our Association was Brother Carlton Owens. According to our State Constitution and Bylaws each church is entitled to three messengers and one additional messenger to every hundred members in excess of one hundred. I would strongly encourage each church in our Association to select members who are willing to attend our State Convention and take part in the decisions that are made there, that have an impact on each one of us.

Another item of concern for our churches is new Laws, Florida Statute 402 and 409.175 which requires background screening to determine "good moral character" which must be met by people serving in close contact positions with children under 17 years old. I am providing the Associational office with a copy of the State Board of Missions Report on this matter. If you desire a copy you can secure one by contacting them. It would also be advisable to contact the local H.R.S. office in your area to insure your church is in compliance with these new Laws.

They only gave me five minutes to give this report; it is impossible to cover a year's work in five minutes. I haven't mentioned any of our institutions and many departments of our State Board of Missions, however, if you have a concern in any of these areas or if I can be of any assistance to you, please feel free to contact me or the State Board of Missions. I will help you if possible or find someone who can. The State Board of Missions and the Florida Baptist Convention is there to help you, if you have a need please feel free to contact them for assistance.

I have thoroughly enjoyed my work on the State Board of Missions; my life has been enriched by this experience and I hope in some small way I have made a contribution to its endeavors.

Sunday School

The Uniform Church Letter for 1986 reports an average attendance for that year only 44 percent of our Sunday School enrollment attended Sunday School. We are encouraging each Sunday School this year to try to improve our attendance by visitation and our growth campaign.

The national Sunday School theme for 1988-89 is "Gather the People," taken from Deuteronomy 31:12. The Association ASSISTeam is available to help promote and work with you in building up your Sunday School enrollment and attendance.

Scripture distributions and the 1990 revivals are designed to grow Sunday Schools. This effort is only successful if we all work together.

To meet goals set by our state office and hopefully your church, we must start new Sunday Schools and develop a prospect file for our churches. This prospect file can, if worked properly, give us the needed growth.

There are some Challenge 10/90 Growth Campaign dates that are important:

November 29, 1988	Preparation Meeting I
January 31, 1989	Preparation Meeting II
March 14, 1989	Preparation Meeting III

Please plan to attend and encourage your church to participate.
