Brotherhood

The Associational meetings for the brotherhood have been very inspirational and exciting this past year. The first meeting was held at Riverside in January. Barrett Keene, a former National FFA officer from Plant City, Florida gave a very touching message that reached the young and old alike. There was approximately 125 in attendance.

The second meeting was held in April at Faith. Eddie Blackman was the speaker, and the emphasis was on, "Why get boys involved in mission activities?" There were 57 in attendance.

The joint meeting was held in July at Elizabeth. At that meeting some very touch-

ing reports were given by some of our own about hurricane recovery and other miscellaneous mission trips. Their experiences touched everyone's heart that was in attendance.

In summary, all of the host churches did a superb job with the meals and the other "host" responsibilities. Bro. Rusty Bryan did an excellent job with the music and a good time in the Lord was had by all. Hopefully the meetings with their programs will encourage more work to be done in our local churches.

*Respectfully Submitted,
Ricky Lyons*

Evangelism

Everyone can and I'm it! Pastor Bobby Welch has issued this challenge to us as to become personal soul-winners for Jesus Christ. If we are to reach our world for Jesus Christ it will not be by church events alone. It will be when we, "the church" of Jesus Christ take the responsibility of the salvation of our friends and families personally. Organized programs alone will not reach this generation. We must engage those God has placed in our lives into the process of loving them to Jesus Christ.

Sharing Christ can only happen when people are teachable. Share Christ with a meal during times of loss, share Christ with those suffering through personal and family difficulties. Share Christ during natural disasters. Do you see the pattern? Share Christ always and when necessary even use words!

For heaven's sake don't pull up short, SHARE CHRIST!

We have a great Convention staff that will come to your church and help equip you for effective evangelism. Call David Burton our Evangelism director, Don McCutcheon evangelism strategist, Jeff Hessinger for personal evangelism training.

Call Rick Shepherd to equip you in prayer and spiritual awakening.

But first call on Jesus and ask Him to give you His heart for those all around you right now. For without Him they are lost forever.

God give us your heart for our friends and families.

Steve McHargue

Pastoral Ministries

Everyone who has accepted God's truth as their own has, "Peace like a river" in their hearts, except those times when the stress of ministry takes away our peace. Let's face it sometimes it can be taxing to give all that time and energy to the ministry. One of the privileges of serving in Pastoral Ministry is that I am able to be around great guys, and notice their hurts and pains.

My goal this year in Pastoral Ministry is to help pastors and staff to keep on keeping

Annuity Board Representative

For years Baptists have been used to calling the agency responsible for pastor/staff financial protection The Annuity Board. The name refers to only one aspect of the board's responsibilities, however. In order to give a broader definition to that responsibility the Southern Baptist Convention has approved a name change for the agency. The new name is GuideStone Financial Resources of the Southern Baptist Convention.

A significant milestone was reached at the close of 2004 as assets reached an all-time high of \$8.3 billion. In addition, the investment programs made available to GuideStone participants performed well for 2004, as well as since their inception in August 2001.

In a concentrated effort to offer more flexibility in plan options, deductibles and competitive rates, new health plans were made available to participants. The plans, along with the addition of a second network provider, have been well received and have had an impact on stabilizing rates. In addition to more participants using in-network providers to take advantage of medical discounts, the wellness emphasis that began three years ago also contributed to lower claims costs. Over 40% of participants received a decrease in the medical plan rates for January 1, 2005.

The Endowment ministry continued its work to make Southern Baptists aware of the tragic plight of retired ministers and

on for the Lord. The way this department is doing this is by holding great and meaningful meetings and great fellowship. One of the highlight events was going to Dowling Park and having a catered meal and workshops for all the ministerial staff and their partners. I would like to thank all the churches for providing a way for their pastors to attend this outing.

Preston Gainey

their widows who were unable to plan adequately for retirement. Individuals and churches responded with open hearts and open hands as they helped to underwrite the financial assistance given to those who are in desperate need. This ministry comes under the "relief" aspect of the old "Relief and Annuity Board."

It may be of interest to see how Florida Baptists are responding to the services offered by the GuideStone:

Number of active churches in the Church Annuity Plan: 1,520
Percentage of churches active in the Church Annuity Plan: 72%
Number of persons receiving retirement benefits: 1,715
Number helped by the Adopt An Annuitant and Relief ministries: 129

The mission statement of GuideStone is "Serving Those Who Serve the Lord..." with the integrity of our hearts and the skillfulness of our hands" (Psalm 78:72).

Stewardship/Cooperative Program Department

PRESENTING THE CHALLENGE AND COMMITMENT TO BIBLICAL STEWARDSHIP in your church can produce changed lives, changed priorities, and a deeper commitment to Christ and His work by church members. Stewardship is a transformation of one's heart, not a financial transaction of the pocketbook or checkbook.

THE GIVING LIFE is the newest annual stewardship promotion plan on sacrificial giving. The Giving Life was provided for Florida Baptist churches this year, and gives prominence to spiritual growth issues. This program encourages Christians to grow in their involvement in, and support of, kingdom causes (Romans 12:1-2).

NEW MATERIALS prepared and provided by the Stewardship Department were presented to pastors, church staff and laypersons this year at the seminars which our association sponsors.

BUILDING FOR THE FUTURE: To date, the Stewardship Department has made available eleven trained consultants who have led 208 BUILDING FOR THE FUTURE (BTF) campaigns in Florida Baptist churches in the last 12 months, 10 churches have completed BTF programs, totaling \$4,529,737: Expect spiritual renewal to occur in members' lives and thousands of dollars in interest payments to be saved when your church uses BTF. This fine programs, which maximizes the resources of your own congregation, can be used in any size church in Florida.

YOUR CHURCH AND ITS MINISTRY OF STEWARDSHIP: Developing a ministry of stewardship in the church requires planning and an understanding of the available resources. Last year seven stewardship specialists worked with the director and associate director to conduct 46 Pastor Stewardship Meetings with approximately 850 pastors, staff members, and stewardship leaders from 476 churches in attendance; and 13 Lay Stewardship

Conferences with approximately 373 in attendance from 135 churches. In addition, approximately 60 churches received personal training and assistance through our department's church consultations. Middle Florida sponsored clinics and seminars in our own association, and will do so in the year to come.

THANK YOU FOR YOUR SUPPORT as we continue to proclaim the message and meaning of biblical stewardship. Florida Baptist churches face monumental challenges in the years ahead. Please let us know how we can assist you in your vital ministry of developing faithful stewards.

PETITIONARY LETTERS COMMITTEE

The First Baptist Church of Greenville voted in its Spring 2005 business session to petition our Association for affiliation. This action was forwarded to our Moderator, who appointed a five member Petitionary Letters Committee. The names of this committee appear at the end of this report.

The committee was charged with reviewing reports, documents and other materials submitted and to report back to the Association at the October Annual Meeting.

On August 22 at 7:00 PM, the committee met to do its work at the Association Office. It was decided that a meeting with the church would be of great value to both the committee and the church so a meeting was arranged for September 12 at 7:00 PM. The meeting was well attended with good participation by both parties. The church were gracious hosts and provided wonderful refreshments.

After careful study and review of materials, sharing of personal first-hand knowledge of the church and its wishes to fellowship and minister with us, it was a unanimous decision to recommend to you that the First Baptist Church of Greenville be received under the watch care of the Middle Florida Baptist Association. They will have all the rights and privileges of membership except voting. Should this recommendation be approved by the Association, it will be necessary for the First Baptist Church of Greenville to take another vote on their desire to be affiliated with our Association in nine months (July 2006). Should this vote by the church be affirmative, the Middle Florida Baptist Association would take a final vote on the question of admission at our Annual Meeting one year after the watch care ap-

Director of Missions

This year has afforded us the opportunity to look back at our past and forward to our future.

Looking back on the 150th anniversary of the founding of the Florida Baptist Convention, the celebration was held at Clifton/Concord site on November 20, 2004, and was jointly sponsored by our Association and the Florida Baptist Historical Society.

Looking forward the Association acquired 1.1 additional acres making a total of 1.98 acres at the office site.

Moseley Hall Church voted to disband on December 19, 2004 and gave their assets to the Association. We now have a sales contract on the property.

There have been two official church plants during the year: New Beginnings in Mayo and Greater Community Baptist Church in Madison.

First Baptist Church of Greenville has petitioned for membership in the Association and is being recommended to be received under watch care.

Currently we still have five churches seeking Pastoral Leadership. The following

proval had been granted. Upon a favorable vote the First Baptist Church of Greenville will be granted full fellowship with Middle Florida Baptist Association with all rights and privileges of other member churches.

The committee wishes to express appreciation to the First Baptist Church of Greenville for their desire to be a part of us and for supplying materials needed for study.

As chairman, I would like to thank the entire committee for their diligence, contributions and cooperation in accomplishing this important task.

new pastors and staff are welcomed to our Association: Garland Jones, Sirmans; Philip Holbrook, Elizabeth; Timothy Shumaker, Greenville Baptist; and Brad Clark, Minister of Youth at First Baptist Church, Madison.

This year saw revivals in a brand new fashion among eighteen (18) churches as they clustered in "triads", swapped staff and rotated meeting places. This was well received and has served as a stimulus for other cooperative ventures.

Our gifts to the Association, State Missions, and Cooperative Program also increased.

The Counseling Ministry has continued to be well used by the community at large, as well as by many of our congregations. Due to the untimely death of Dr. Don Dunlap this ministry was in transition, but thanks to answered prayer and the desire of Dr. Debbie Dunlap to pick up the practice it is now in full operation again. Pray that we will continue to be sensitive to the opportunities and challenges God brings our way.

Sunday School

During the past year our Sunday School focus has been on utilizing the structure of Sunday School for outreach. By its very definition, Sunday school is evangelistic. Using each age related unit or class; we reach out to our prospects, minister and disciple them as they assimilate into our outreach programs. In this way, the Sunday school is an ever growing and changing organization of loving, caring Christians. Evolving, growing, learning, and reaching each new unit develops into mature Christians that seek to do God's will.

Our assist team has encouraged the development of new units as we have offered instruction in various churches. There have been over 6,800 new units reported by

Florida Baptists this past year. Many new churches are using the off site "small group" model for their Bible Study strategy to encourage the unchurched adults to participate.

The annual Sunday School Training program in our association is in the center of a continuum of training. It begins with instructors being trained by leaders, usually in Blue Springs or Lake Yale. These instructors train other teachers, who teach others and so it goes, the building of the Lord's Kingdom. Pray for these Sunday school programs as we develop, teach, and reach.

Deborah Scott, Director

State Board of Missions

As your State Board of Missions representative I respectfully submit this report. As in the past, the Florida Baptist Convention continues to aggressively seek to reach the lost for Christ here in Florida and through the efforts of the Southern Baptist Convention.

This year I served on the Convention Properties Committee. In general this committee is charged with evaluating the current as well as the future needs of the convention with regards to real property. The committee makes recommendations to the State Board of Missions in the areas of new construction, repairs, sales and purchases of property, and prepares budget requests as needed. Two properties of particular note for this report are the Conference Centers at Lake Yale and Blue Springs. I am very pleased to report that both of these Centers

have shown a remarkable turn around financially over the past two years. The future of these facilities is indeed bright.

As I end my final term on the State Board I want to leave with two comments. First, it has been a pleasure and an education for me to serve for the past six years. I want to thank the Association for this opportunity. Second, I continue to urge each church to take advantage of the services offered by the Convention. There is a vast wealth of talented and gifted personnel within the Convention staff. These staff members are supported by your Cooperative Program gifts and are available and eager to work with your church.

If I can ever be of service to you or your church, please do not hesitate to call.

Family Life Report

On Saturday, February 5 a presentation was made on "The Seven Pillars of the Kingdom Family" at the Association office. A two session seminar was held on March 18-19 for adults. One session was on "Parenting" and another was on "Communicating with

your Spouse" This was led by Dr. Donald Dunlap of the Counseling Center. This was on Friday evening 6-9 pm and Saturday 9 am -1 pm.

I attended the Association Leadership conference in Blue Springs on May 4. I

shared in the Key Leaders Workshop on August 23. We had a workshop on Sept. 26 about "Serving Crime Victims with Disabilities". This was identifying risk factors to abuse/neglect for people with disabilities and understanding disabilities with tips for interacting.

Are you seeking God's leadership on family ministry goals or action plans for your church? How well is your church demonstrating a real concern for families in

your church? Have you had a family needs survey conducted in your church within the last two years?

We look forward to another year of being of service to you. If I may be of help to you in your church feel free to call me at 386-658-2398.

Yours in serving Christ through Family Life,

Sherwood E. Sawyer

Children's Camp 2005

Jesus' love was flowing at Pickett Lake the week of July 11-14, 2005, as we turned the camp facility into Lava Lava Island. And yes, we had plenty of water surrounding us! 119 children and over 60 adults enjoyed a week full of Bible Study, recreation, tracks, worship, singing, and even building and shooting off our own homemade volcanoes.

We had to adjust our Sunday and Monday schedules a little because of Hurricane Dennis, but we didn't let that stop us from continuing on with our week of camp. God blessed us tremendously with a safe and wonderful week. We had a terrific staff and a great bunch of campers. There were several salvations and rededications during the week.

The camp committee would like to thank the camp and cooking staff, the teachers, the track leaders, the cabin counselors, the junior counselors and all others who gave of their time and energy to make this camp a success. We are also very thankful for the churches that cooked meals or donated money to purchase food and snacks for our week of camp. A special thanks to Brother Gene and Mrs. Geraldine for their work all year!

Our Association is truly blessed to have the Middle Florida Baptist Assembly Grounds to use and enjoy. I encourage you to go to our children's camp or other events and enjoy it for yourself.

Disaster Relief Report

This has been a very active year for response to disaster situations. People from our churches have risen in response to the needs of others and worked 3 hurricanes and 1 training workshop.

Four men responded to Milton after Dennis came ashore. They were housed at First Baptist Church of Milton and did cleanup for 3 days.

Two trips were made in September to Hattiesburg, Mississippi in response to Katrina. A total of 32 people ministered during these trips. Both men and women served, and a tractor was taken on each of these trips.

Our October trip was in response to Rita and the mission was to Lake Charles, LA. Ten men responded and took along a tractor. The main work was putting on tarps and cleanup.

Six of our people responded to help on the feeding unit for the day of training at Green Cove Springs, Florida.

Many lives have been impacted by these ministries. If you feel God is leading you to serve in a capacity like this please let us know so we can get you "plugged in".

Thanks to those of you who responded by giving to support this ministry and to help those who were the victims of the storms.

A VERY SPECIAL THANKS to each clerk, pastor or person responsible for completing the Annual Church Profile to the Association! The ACP process continues to challenge clerks to use the Internet. Our Convention used a new software, FL eBC (Florida Electronic Baptist Convention). Fifteen clerks successfully used the FL eBC, which simplified my work. I appreciate the opportunity to serve along beside you...May God bless each of you as you continue to serve our Lord through your local church.

Geraldine Stokes, Associational Clerk

Woman's Missionary Union 2004-2005

Due to the hurricanes that devastated the state early in the fall, the leadership conference at Blue Springs was cancelled. However, the Middle Florida Association did have its conferences and the WMU leadership team provided a leadership conference that had fifteen in attendance.

BWA Day of Prayer ...Our first rally was held on Tuesday, November 9, 2004 at Pinetta First Baptist. The leadership team was in charge of the program that centered on the Baptist World Day of Prayer. A highlight of the meeting was the dedication of the nearly 500 Operation Christmas Child shoeboxes collected from the churches in the association. We had an attendance of eighty plus.

February Rally Recap... We had 56 members, 4 pastors, and 2 guests at Brewer Lake on February 8, 2005, to hear June Mason tell about her work in South Africa. We had an offering of \$168.50 and several bags of food were collected and taken to the Second Harvest for distribution. The nominating committee submitted the same slate of ladies for the 2005-2006 Leadership Team minus Mission Friends consultant and Acteens consultant. These were elected unanimously.

The Prayer Retreat at Pickett Lake was held on April 8-9, 2005. Linda Miniard from

the Florida WMU was the retreat leader. The theme for the retreat was "FAITH for the JOURNEY." We had 40 in attendance with 11 of our churches represented.

Dr. Bob Loy from the Jacksonville Port Ministries was our guest speaker for our May 3rd rally. The meeting was held at Elizabeth. During the meeting we spotlighted Elizabeth's Mission Friends, Girls in Action and Children in Action groups. Dr. Loy presented an informative, entertaining and challenging program concerning his work with the Jacksonville Port Ministries.

Joint WMU/Brotherhood Meeting... Perhaps we saved the best to last. Because of the situation with the hurricane, those from the state who were to present this program could not come. Bro. Gene Stokes called on several of Middle Florida's Volunteers in Missions to share how God had used them during the past year on various mission trips. All that were in attendance were blessed and challenged.

Thank you for allowing me to serve as the associational WMU director and remember to contact me at home 973-6555 or through the office if I can help you.

Florida Baptist Historical Society

The Florida Baptist Historical Society has had an existence since 1894. The Florida Baptist Convention has seen a need down through the years for the collection, storage, publishing and interpretation of important events in the life of our convention. The FBHS is committed to service to Florida Baptist churches.

Some things have happened this year of note. We have assisted at least ten churches in the writing of their church history by providing them pertinent resource information.

We have collected over 1,400 biographical sketches of pastors who have served in Florida. We have published a monthly newsletter entitled Then and Now. We have published a fall journal that chronicles the history of our Florida Baptist State convention agencies. We have purchased more historical resources that are available to us on microfilm only.

Within the next six months we plan to be on line with our new website that can be accessed through FloridaBaptistHistory.org. We are also making a committed effort to

collect copies of associational minutes from all of our associations.

Our newest research collection is an attempt to get as many Convention Press books as possible that have been published by the Southern Baptist Convention. These are the old paperback study course books that go back as far as 1919. Some are hard-back but most are cardboard back and are

packed with Baptist history and research information. We are asking our churches and associations to assist us in forming this important collection.

The future of our history is bright as we work together to collect, preserve and publish data that will serve our people and honor our Lord.

Dr. Jerry Windsor

2005 has been another Great Year for Our Lord's Work at Middle Florida Baptist assembly. There were 118 Professions of Faith and 255 Rededications made from October 1, 2004 to September 30, 2005. These decisions were made by some of the 1727 Campers in the 24 Groups who have visited the Assembly this year. Our Lord is still at work in the lives of this year's campers and He will continue to transform the spirit of all who come to the Assembly. Praise God that He is faithful to touch our lives daily!

Many improvements were made at YOUR CAMP this past year! New sinks and vanities were installed in the bathrooms of Cabins C & D. Vinyl tile was laid in the bathrooms of Cabins A,B,C & D, as well as in the shower rooms of Cabins E,F,G & H. All of our top bunk beds were fitted with safety rails. The small Kitchen in the Dining Hall was remodeled with new cabinets. Alderman Chapel received new air conditioners. The air conditioners in the Conference Rooms behind the Chapel were upgraded. Plans are still being made to increase our shower and bathroom facilities. Look for further improvements at the Assembly coming in the next year.

Praise God, so far this year's hurricanes have passed us by! Pickett Lake has remained

at or above a normal level for the past year. God has provided us with such a beautiful facility at Pickett Lake, where we can come together for worship, retreat and renewal. All in all, I would have to say that 2005 has been a very good year so far and that our future is looking brighter every day. Our future is always bright when we focus our hearts and minds on Jesus!!! Come and see what God can do in your life when you visit Your Camp at Middle Florida Baptist Assembly!
