REPORT ON PERIODICALS

In this day we should be informed. The Bible is the Book of all books. We should never fail to read, also heed its teachings.

The Baptist Witness or state paper is second in reading literature.

Temperance

We still have a foe to conquer, alcoholic drink. God help us to save our men, women and children from its destruction.

Education

Ignorance is a sin. Wisdom is a blessing to any people. We appreciate our Christian schools of today.

May we be more concerned about our Father's business in these days of darkness.

W. M. S. REPORT, OCT. 6, 1943

W. M. U. Witnessing in Today's World

"Ye are my witnesses," saith the Lord, "and my servant whom I have chosen"; "that ye may know and believe me, and understand that I am he: before me there was no God formed, neither shall there be after me." "I, even I, am the Lord: and beside me there is no savior." (Isa. 43:10, 11). These words were spoken by God thru His prophet Isaiah to His Chosen people many years ago. The command to witness has gone down the ages and will continue to, as long as there is a tongue to speak and an ear to hear the wonderful story of God's love.

We, in Today's World, are commanded to **Witness** as servants being led by the Holy Spirit, to serve in many hard and difficult places. The World of Today is suffering, bleeding, sin cursed, war torn and away from God. We, as servants of the King, who is able to conquer all Evil, have been called to administer to the needs of humanity, physical as well as spiritual. Many need the material bread for their starving bodies and the Bread of Life for their starving souls.

Many links form the chain that reaches from our local societies around the world. The first link begins with Community Missions in the local society, there are spiritual and material needs at our door. We have made donations to our Children's Home for repair work on buildings. Societies have made special gifts to the boys and girls, making their lives happier. We have also made the lives of children of our foreign missionaries happy by our gifts thru the Margaret Fund. These children attending school in the homeland, while their parents many miles away, are witnessing for Christ.

We have sent hospital supplies to suffering China thru the White Cross. We have made a few gifts to our W. M. U. Training School helping others to be more efficient witnesses in the Lord's work.

The W. M. U. has done a noble part thru the H. T. C. and the Centennial Fund, to make the Denomination Debt free in 1943. There has been an increase in subscriptions to the mission magazines and

consequently gifts to missions have increased. Another link added to the chain is the proposed plan for the church building to the erected in Mendoza, Argentina, S. A., in memory of Florida's first foreign missionary, Franklin Fowler, who witnessed well for His Master. More than \$15,000, the goal, has been donated. In addition to the donations from local W. M. S., the Association at their annual meeting voted to send a special gift of \$15.00 to the Mendoza Church Fund.

We held our regular meetings during the year. May there not be any broken links in the chain around the world. Help us to be faithful Witnesses and may all our work be done for the winning of souls and the glory of God.

Respectfully submitted,

MRS. BELLE H. STANLEY, Sec.-Treas.
MRS. M. D. JACKSON, Pres.
MRS. T. H. MEEKS, Vice-Pres.

REPORT ON CHILDREN'S HOME

The Mission effort in our churches depends in a large measure upon the amount of financial support we give to Kingdom causes. Much is said in the Old and New Testaments about supporting the Work with our substance. A direct obligation is placed on us as well as an opportunity, to relieve suffering and want among the poor. Hearing the Word brings comfort and peace to our souls but this is not enough, for we must follow the impulse which

the best way of furnishing a substantial support to the gospel, for we are reminded by James that we are to be doers of the Word and not hearers only.

Supporting our children's Home is an important part of our denominational work. The opportunity for helping our children and bringing hope and vision to them anew reaches into every Baptist home and church in this state. Many of our Sunday schools give their wholehearted support to this cause. This is evidenced by the fact that twenty five per cent of our schools giving each month, provide forty one per cent of the operating income. Other schools give on occasions and for special causes which is helpful. These schools, however, are losing the splendid opportunity of helping children and the blessing that comes to those who are mindful of the poor.

The second largest part of the income at the Home is from the Co-Operative Program. Nine per cent of program receipts is allotted to the Home. This part of these funds amounts to twenty five per cent of the total income. This is a sizeable amount and still it shows us that it is impossible for Florida Baptists to care for their children through this means alone, and clearly shows the necessity of making special offerings for the care of our children.

The third largest source of income is from the churches. Eighteen per cent of the total receipts comes from those churches who make offerings on special days or for a definite purpose; and from the churches that have adopted the Unified Budget plan of financing their work. The gifts from this source are usually liberal as only eight per cent of our churches make offerings requesting that the church and not the Sunday School be credited with the gift.

Individuals have always had a keen interest in our work and from this source comes thirteen per cent of the total gifts to the Home. Some have set up trusts and others make regular offerings to the support of children. Some of the finest gifts we have received for our work have come from persons who were not Baptists.

The W. M. U.'s contribute three per cent of our total income through the sponsorship of children. They purchase the clothing for a particular child and are given credit for their purchases. Sponsoring does not make a difference among our children. Everyone is treated alike and each child has the same quality of clothing and similar amounts.

The W. M. U. organizations also give coupons which are redeemed for cash. The income from this source is used in repairing the kitchen equipment and buying such things as we need to replace. Our Christian women never lose an opportunity to keep the needs of the Home before our people. We are grateful for their help and support.

The finances of the Home are in fine condition, but this does not relieve anyone of his duty and obligation to support the cause of the Master. If thirty three per cent of our churches and Sunday schools give fifty nine per cent of the operating funds, we could almost double the amount of work we are doing by doubling the number of Sunday schools who give regularly to the work. This is a goal worthy of our best efforts. If we are to reap the full benefit of God's promises to us, we must help those who are in need. Jesus in His teachings on the last judgment told of a number of things

that the redeemed had done for the people about them and then He added, "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me". Christian helpfulness my brethren, is embedded in the Heart of Christianity, and if we are to be like Him we must render service to His children.

REPORT ON HOME AND FOREIGN MISSIONS, THE CO-OPERATIVE PROGRAM AND THE HUNDRED THOUSAND CLUB

Missionaries of our Home and Foreign Mission Boards are going forward in the work of Christ in the face of many difficulties brought on by the war.

We rejoice that the burden of debt has been lifted from our mission boards, and that it will be lifted from all of our work by the beginning of 1944. Thanks to the efforts of Southern Baptists and the blessings of God upon us the Hundred Thousand Club has just about achieved its great purpose.

Now that we are practically debt free the Cooperative Program should become more and more important as a means of supporting our whole work. May we as churches do most of our giving for missions and benevolences through the Cooperative Program.

C. A. MARTIN, Chairman
CLAUDE HALL
O. A. HENDERSON

COMMITTEE ON BROTHERHOOD AND MINISTERIAL SUPPORT

We wish to recommend that each church in our association organize a brotherhood if it does not already have one.

The Brotherhood will help in enlisting the men in all of our work.

We especially urge the men of our churches to see that our pastors are supported better financially.

A. R. RICKERSON, Chairman
J. R. COLLINS
J. F. McCALL

RELIEF AND ANNUITY BOARD

This is the pension department of the Southern Baptist Convention; but operates differently from the pension department of the United States Government. It is the department of our work which cares for the servants of the denomination; not just preachers and missionaries but others who have given a large part of their lives to the work.

This department was organized in 1918. The Southern Baptist Convention was organized in 1845. Some of our State Conventions had organized a similar department before that of the convention. Maryland Baptists had set up a plan to take care of their retired preachers as early as 1839. Some of the boards of the

Southern Baptist Convention had a plan to take care for its workers before the organization of the general plan of the convention.

The plan as we now have it has passed through several stages of development. No two states or boards had the same plan. There was no uniformity. So many different systems did not work well. When a preacher would move from one state to another or when someone would change work from one board to another the question arose as to the transfer of his relief. Now we have one general system under the Southern Baptist Convention.

We will not here give all the details of the system. Any Pastor or Church can get the information from Baptist State Headquarters.

The General plan is that the pastor shall pay into the fund a small amount of his salary and the church shall add a like amount. This is set aside for the retirement fund.

Other institutions, governmental and industrial, take care of their old servants. Why should not the Church of Christ.

Respectfully submitted,

W. D. KEIS

REPORT ON DECEASED MINISTERS

We your committee regret to report the death of Rev. W. Y. Hunt since the last meeting of our association. Bro. Hunt was pastor of the Central Baptist Church at Aucilla. We bow in humble submission to the will of our Lord in taking Bro. Hunt from our midst.

Respectfully submitted,

REPORT ON SUNDAY SCHOOLS

The Sunday school task of Baptists of the Middle Florida Baptist Association is fraught with challenging possibilities. Middle Florida Baptists are potentially immensely rich. This potential wealth consists in the unenlisted churches, the evangelistic possibilities, the enlightenment and enlistment task, and the hundreds of unreached people. We feel that progress has been made in the Sunday school task, but the progress made is just a mere beginning of what can and should be done.

If the Sunday schools in the Middle Florida Baptist Association are to make the maximum contribution to Baptist work there must be improvement in the largest possible number of the Sunday Schools. The Sunday school is the teaching activity of the Church, using the Bible as its textbook, and one of the tasks of the Sunday School is to teach the whole Bible to every available individual. Jesus commissioned his followers to make disciples of all nations. This is to be done by teaching and preaching His Word. God's Kingdom will come on earth in proportion to the promulgation of His Word. A Church's greatest opportunity for teaching the Bible to the multitudes may be found in its Sunday School. Through its Sunday School a church may reach every available individual in its territory.

We should keep Evangelism as the Primary Purpose of all Sunday School Work. The Primary purpose of all the Bible study in the Sunday School is Evangelism. The big idea in the whole Bible is the redemption of lost man through the shed blood of Jesus.

The theme of the Bible is Jesus Christ, and the purpose is salvation. Jesus was definite in stating the purpose for which He came, "For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life" (John 3:16) also, "For the Son of Man is come to seek and to save that which was lost" (Luke 19:10). Christ's mission in the world was and is a mission of salvation. A church through its Sunday school can reach the lost in large numbers and have them week after week in small graded groups with the Bible as the sole textbook.

The Sunday School should enlist and train a multitude of Sunday School officers and teachers. One of the significant things about Sunday School work is that it makes it possible for churches to enlist and put to work an army of Christian men and women as officers and teachers. We have a good number of men and women in the churches who need to be enlisted in definite service for Christ. They need to be enlisted for their own spiritual growth and development. Through a well-organized Sunday school a pastor may put to work the majority of the Church members at worthwhile tasks. The Primary problem of building a Sunday school and of getting the right kind of work done is one of securing an adequate number of the right kind of officers and teachers. We must have trained workers for effective work. These workers get their training through training courses.

This year from January 1st to September 1st 100 teacher training awards were given to officers and teachers of the Sunday schools in this Association. Our goal for the year is 150. Fifteen churches participated in these training courses. There were twenty-two churches that did not participate. Only two Churches in the Association held Vacation Bible Schools. Our goal for the year is eight. We have or did have six churches without Sunday schools. Some progress has been made in this respect, two have just recently been organized.

By referring to our Associational minutes for the year 1942, we find that the churches in this Association had a total membership of 4,572 while the total enrollment of the Sunday Schools was 2,024.

The enrollment of the Sunday Schools should have at least equaled the Church membership for we all know that every Church member should be a member of the Sunday school. In making this statement we do not mean to limit the enrollment of the Sunday schools to Church members alone, because to be Evangelistic we must seek the lost.

Therefore, in view of the figures given it can be readily seen that we must intensify our efforts for now more than ever we are faced with challenging possibilities.

REPORT ON EVANGELISM

The supreme business of Christianity is to win the lost to Christ. This is what churches are for. It was Christ's one supreme mission according to his own words. "I am come that they might have life, and that they might have it more abundantly" (John 10:10). It is only through Christ indwelling the hearts and lives of people the world over that we will witness and enjoy peace among nations and people. Witnessing for our Saviour is one task that every Christian should undertake. One of the greatest joys that we can experience is to help propagate the news of the Saving Power of our Saviour.

In referring to our 1942 Associational Minutes, it is a source of real joy to note that thirty-three of our churches conducted revival services sometime during the year, and that there were added to our number by baptism 232, by letter and otherwise 194. This is a distinct improvement over the year before, even so, it took 37 churches having a total membership of 4,338, twelve months to win an average of six souls to the Lord. Therefore, it can readily be seen that we must intensify personal evangelism efforts.

There was a time when the lost people came in great numbers to the annual revival meetings. Has that day passed? People are busy today, and we are in the midst of one of the greatest struggles for man-kind that the world has ever seen. Yet, not many lost people are coming of their own accord to any kind of church meeting. They must be brought. The New Testament church is a soul-winning, soul-seeking, and soul-saving church. The best evidence of a New Testament church is its success in winning the lost.

If a church is void of the spirit of evangelism, it has lost the breath of eternal life and needs to heed the admonition of the Scriptures: "Awake thou that sleepest."

REPORT ON B. T. U.

The Baptist Training Union is truly a training camp for Christian soldiers of all ages who want to equip themselves for the battle of Christ. It offers a successful plan for training in church membership. The Baptist Training Union presents a great opportunity to instruct and enlist Baptists of all ages in missionary activities, and they are trained in Bible reading, prayer, doctrines, and public speaking. It affords wonderful opportunities for those who belong to a Baptist Training Union.

We deplore the fact that no more of our people take an interest in such training, and only nine of our 37 churches in our Association have any kind of B. T. U. work. Your committee would particularly call the attention of the other churches having no training program to the value of such work and help them to realize that the Kingdom of God will make great strides wherever this all important church organization is developed.

We earnestly pray for progress in this work in the ensuing year.
