### REPORT ON EVANGELISM-1949

Evangelism is the one word which probably more fully expresses our task as individuals, churches and as a denomiation than any other word we could use. This IS our business. It is the task assigned to us, each and all, by the Great Commission. This task is too big for the pastors alone, or the Sunday School alone, or a department of the Florida Baptist Convention. We must all join hands here if we are to worthily accomplish this work.

In order to do the job at hand, we must get the feel of it, catch the spirit of it. Our goal for Florida in 1949-50 is That each Church set as its goal every lost person in the radius of its membership. Please go back to your church and ask them to vote in church conference to accept this goal.

In order to help the pastors and workers catch the spirit of this thing, a 'STATE-WIDE EVANGELISTIC CONFERENCE has been planned for January 10-12, 1950, at the First Baptist Church, Jacksonville. The out-of-state speakers thus far enlisted are Dr. R. G. Lee, Dr. J. B. Lawrence, Dr. Roland Q. Leavell, and Dr. S. F. Dowis. Programs will be mailed to the pastors as soon as they are ready. It would be a wonderful gesture if the churches would provide in their budgets for their pastor's expenses to this conference.

We would like to suggest that you vote in this meeting of your association to participate on an associational-wide basis in the SIMULTANEOUS CRUSADE, East of the Mississippi River beginning on Easter Sunday, 1951. The effective carrying out of this tremendous program will require at least one full year for organization and preparation. Let us demonstrate to all that "Christ is the Answer."

### TRAINING UNION REPORT

The Training Union of the Middle Florida Baptist Association continues to grow. Last year we had 17 churches with Training Unions. These churches had a grand total of 71 unions. This year we have 21 churches that have Training Unions with a total of 97 unions. Last year we had an enrollment of 1,088, and this year we have an enrollment of 1,456. The average attendance last year was 663, and the average attendance this year was 689.

This shows a good increase in our Training Unions for the year. However, our Training Unions are not having enough study courses. A Training Union grows as it knows. Therefore, it is important that we "study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

The outlook for the coming year is much brighter than it has ever been in our Association. Let each one of us pledge to do our best to make it an outstanding year in the Training Union.

Respectfully submitted, REV. DEWEY MANN Committee.

### REPORT ON SUNDAY SCHOOL WORK

Since our Sunday Schools are our only Bible teaching Organization we should not be satisfied with less than our best efforts to reach the most people with the Word of God. Our slogan this year is "Every Member of Every Family in Sunday School." If we reach a reasonable number of those who are not enrolled in Sunday School already we would increase our enrollment by at least twenty-five per cent. That would also increase the number of baptisms in our Churches.

We now have 37 Churches in our Association. Of that number there is one that does not have Sunday Schools. There is an enrollment of 3409 in the 37 Churches that do have Sunday Schools. Equal to about 63% of membership.

But the most crying need in our Sunday School work today is for all of our Teachers and Officers to realize the need for preparation for them to do their best. This preparation can only be had through our Teachers' Taining Courses. We had 12 Churches which had one or more Teacher Training Courses taught in their Church during this year 1949. Of this number of Churches there were issued 236 training certificates.

Also we notice that the number of Vacation Bible Schools fell off this year. This should be one phase of our Sunday School life that each Church should seek to increase. Every child in every community deserves this extra Bible teachings. Let's strive to have a Vacation Bible School in every Church in 1950.

Respectfully submitted, R. E. MERRELL.

### HOME MISSIONS

The annual report of the Home Mission Board to the Southern Baptist Convention meeting in Oklahoma City, May, 1949, revealed a successful year in Evangelism. The Bible and religious literature was distributed by missionaries.

New Missions have been opened-New Churches built and old ones revived-City and rural missions have been carried on with success.

We are grateful to our Missionaries on the home front.

### State Missions

State Missions is the home front for worldwide Missions. No structure can be stronger than the foundation upon which it rests, A weak State Missions program will mean a weak World Missions program.

State Missions institutions are vital factors in the life of the whole denomiation, and while the Churches are giving an ever increasing amount of mission money, our schools are busy turning out preachers, missionaries, lawyers, Doctors, nurses and Christian Statesmen to take the place of those who have fallen in the ranks. (Isaiah 54:2).

To State Missions, let us pledge our support.

### Foreign Missions

UNTO THE ENDS OF THE WORLD is our command. Southern Baptists have mission work in thirty geographical areas.

The need for Foreign Missions is greater than ever.

With Communism trying to dominate the world it becomes our duty as Christians to wake up and carry out our Master's Program.

Foreign Missions' advance depends upon devotion to Christ and His Kingdom program. The Holy Spirit will provide the necessary resources in men and money, if Southern Baptists are determined to do the Will of God.

Let us as Baptists wake up and give our best to THE ONE WHO LOVED US AND GAVE HIMSELF FOR US: JESUS.

Committee,

G. P. HENDRY.

### COOPERATIVE PROGRAM

The Cooperative Program is our plan by which we finance, foster and carry on the mission work of Southern Baptists. The · Cooperative Program is our Missions Budget. There is not one item in this program that any loyal Baptist would object to if he thoroughly understood it.

We must lovingly, patiently, consecratedly present our Cooperative Program that our people may understand and be constrained to give. "It is better to fertilize and cultivate a tree than it is to beat the branches." We must TELL THE PEOPLE!

50c of the dollar stays in Florida for State Mission work. 16% of this 50c is sent to the Baptist Children's Home at Lakeland. 14% is sent to John B. Stetson University. 2% of the 50c is used for Ministerial Education, helping young men in Stetson University prepare for the ministry. The other 68% of this 50c is used for State Mission work which includes Sunday School work, Training Union work, Baptist Student Union, Cooperative Missions (which includes City Missions, Rural Missions, Evangelism, and Stewardship) Music, and Brotherhood work, and some 20 other items of Missions, Education and Benevolence here in our own beautiful Florida.

The other 50c of this dollar is sent to the Executive Committee of the Southern Baptist Convention in Nashville, Tennessee, for missions around the world. This is the way they divide the other 50c:

### BROTHERHOOD REPORT

The Baptist Brotherhood is the fastest growing organization in Baptist life. This statement is based on statistics gathered and published by Porter Routh, statistician of the Southern Baptist Convention. On a convention-wide basis, in the past two years the number of Brotherhoods has more than doubled and the number of men enrolled is up about 125%.

In Florida, the work has kept pace. In the last twelve months there have been nearly one hundred new Brotherhoods set up, and the total enrolment as shown by the churches this fall is expected to be increased by about 50% in this one year alone. This year has also seen the coming of Mr. George E. Linney as associate in the state Music-Brotherhood Department. C. A. Holcomb, secretary of this department states that Mr. Linney is winning his way into the hearts of the men in a noble manner. Since Mr. Linney is proving to be so fine in Brotherhood work, he is now spending very little time on music, but practically all on Brotherhood. Mr. Holcomb spends most of his time on music, but, of course, gives general supervision to all activities of the department. Both of these men will work some of the time in both fields of work, but each will have his specialty.

In our own association, we have at the present time eight Brotherhood organizations with approximately 186 men enrolled. This is a gain of three organizations, and a gain of 48 in enrolment. REV. BEN PERRY.

### TEMPERANCE

According to the Business Men's Foundation there are more than a hundred illegal distillers for every legal one. We are aware of the fact the deceitfulness of the wets when they urged the repeal of the 18th amendment. We do not only have open saloons on nearly every block, and all up and down our highways to sell their poison to our people, the greatest cause of crime, and divorce in our land today. We can hardly find a magazine or newspaper that does not display as much as whole pages in advertising this poisonous narcotic to our young people and to everyone they may induce to buy, and then we allow the advertising over our radio programs hourly. We can find but few programs that do not advertise liquor, beer, or wine. Now dear Baptist people don't you honestly believe that we have enough Christian people that are called Baptists that if we will get out and do something about it, that we can by the help of God put JOHN BARLEY CORN OUT.

We notice the following quotation from the UNITED FLOR-IDA DRYS. Inc.: "The increase in the amount being spent by the American people for alcoholic beverages, the amount for 1948 being \$9,640,000,000, an amount equal to nine dollars for every minute since Jesus was born in Bethlehem. Converted into silver dollars, and laid flat on the ground, edge to edge, this amount would make a line 228,000 miles in length, or more than nine times around the globe." Dear Christian People let us become alarmed at these things, and rise up together in one united front against this deadly ENEMY-STRONG DRINK.

Respectfully submitted, CLAUDE T. HALL.

### REPORT ON FLORIDA CHILDREN'S HOME. LAKELAND, FLORIDA,

We are happy to report to you that Florida Baptists now have one of the most modern homes for our children to be found in the Nation. We have just cause to be proud that we are providing the best in care and training for those children who look to Florida Baptists. I visited the Home in Lakeland last spring and found the whole building program moving along in a splendid way as well as progress was being made in developing the farms and groves. We have a very fine piece of property in Lakeland and you are to be commended for the provisions thus made. We do not want to feel that the task is yet completed for we will continue to need expansion to take care of the growing number of children that apply for the care of the home each year. As long as the divorce and desertion rates increase, our services will have to be expanded. When parents do not have a Christian conscience to cause them to face their responsibility, we in turn, will have to become supporters and defenders of their dependents.

We do recommend that you take the opportunity to visit the Home when you are in Lakeland that you may have just pride in your accomplishments and the same time your vision will be broader as to the needs and the scope of service rendered.

We note that in 1948 the Churches of this Association gave the sum of \$3,338.00 to the support of the Home, but it is alarming to note that seven of the Churches in our Association failed to give anything.

Let us keep the Children's Home in our prayer list that we may remember it all the better in our giving.

> Respectfully submitted GUY M. McCLAIN.

### AMERICAN BIBLE SOCIETY REPORT

In every missionary advance, the Bible goes forward first!—This principle has been demonstrated throughout the whole course of Christian missions. It is a basic factor in all planning for an Advance Program for worldwide missions.

If the people of the world are to know Christ-the one hope of men and nations—they must have the Bible. It is the one primary source of knowledge of Him.

Today—when millions of people around the world are turning to the Bible as never before and when there is a severe shortage of missionaries in many fields—Bible distribution is more than ever a "must." The Bible is the missionary's chief tool. The Bible itself is a missionary. It can go where the human missionary cannot go, stay when he must leave, and keep on working in a man's heart.

### Providing the Bible for worldwide mission work is an essential missionary task.

Every man must have the Bible in his own native tongue if the Word of God is to speak to his heart. Someone must translate it into his language, publish it and send it to him, wherever he may live.

In most countries of the world, the income of the people is so low that they cannot afford even the bare cost of the printed Scriptures. Someone must help those who can pay only a part of the cost and the many who cannot pay at all.

The American Bible Society, a missionary non-profit organization, supported by gifts, serves as that "Someone." It aids in Bible translation, publishes the Scriptures without note or comment, and distributes them without profit and usually below cost, for use in mission work around the world.

Working in cooperation with the churches and the denominational mission boards, the Society serves every form of Southern Baptist work, at home and abroad.

### During 1948 the American Bible Society-

- -distributed at home and abroad nearly 10 million volumes of Scriptures:
- -in its World Emergency program, reached a total of nearly 20 million volumes of Scriptures in 8½ years distributed to service men, prisoners of war, displaced persons and civilian populations in Europe and Asia.
- -provided needed printing machinery, paper and binding materials for producing large quantities of Scriptures in Germany and Japan on a self-help basis.

### 1949 oppotunities call for an Advance Program of Scripture distribution

In today's "uneasy peace" the heart of all mankind is gripped by fear that we will not be able to control the destructive forces set loose by our own inventive genius. Men are realizing that the Bible presents the only real answer to the needs of men and nations, and are earnestly seeking the Word of God.

But it is a race against time. Today's hungry-hearted eagerness for the Word of God may not last indefinitely; opposing forces are at work.

In 1948, Southern Baptist churches gave \$106,739 to the American Bible Society: total gifts to the Society from churches of all denominations amounted to \$922,192. Increased gifts will be required to provide for urgent needs for missionary advance throughout the world. Please send gifts to your Baptist State Headquarters office, marked "for the American Bible Society."

CARL W. BURNETT.

### RELIEF AND ANNUITY BOARD REPORT

The achievements of the Relief and Annuity Board during the past year have been such as to make us rejoice, and to take courage for greater undertakings.

The number of new certificates issued in all the plans of the Board denotes progress. It is gratifying to note that the Ministers' Retirement Plan received its full share of these new certificates.

The Widows Supplemental Annuity Plan is now in force in all of the States of the Southern Baptist Convention with one exception. It is to be hoped that there may be no exceptions by the time we meet again.

There is room for improvement and need for greater promotion. There are still quite a number of pastors and denominational workers who have not the protection which the Board has to offer. A little sacrifice now may mean great security later.

The Committee recommends that all pasters and denominational workers investigate the advantages which active participation in one of the plans has to offer.

Respectfully submitted. S. V. COFTELD, Chairman.

# REPORT OF EXECUTIVE COMMITTEE

Southern Baptists have seen another mile stone come into view. With its coming, great strides of progress have been accomplished. We have records thus far of 299 conversions, and there's more to come. (We regret three churches report no baptisms.)

We are happy to report the erection of so many new church buildings, namely: Bethel Creek, Brewer Lake, Mt. Olive, New Home (Madison) New Home (Taylor) Riverside, and St. Johns.

Another sign of progress is our rural churches going full time. Truly this is a point we want to magnify. Isaiah 54:2 reads Enlarge the place of the tent, and let them stretch forth the curtains of thine habitations: spare not, lengthen thy cords, and strengthen thy stables. (Isaiah 54:2).

Among this number are Brewer Lake, Hopewell, Macedonia, Midway, Friendship, and Athena.

We should remember that the "Word" teaches us: To lay by in store on the first day of the week according as the Lord prospered us.

> Respectfully. C A WERR

# OUR BELOVED DEAD

### IN MEMORIAM

These are precious moments that we devote to the memory of our beloved Brother, Dr. J. L. White, who has joined the march of the Immortals and is among that Great Cloud of Witnesses whose names are written in Heaven,

Truly a mighty one has fallen, whose friendship, fellowship, and guidance we miss so keenly in the Kingdom Work, However, the imprint of his fine Christian Spirit and Faithful Service will ever remain on the hearts and lives of the people he loved and served.

We rejoice that his Life's Pilgrimage was so guided that even a small part of his long and beautiful Christian life was spent in our midst and that our lives were made richer thereby.

Thus having made the path easier for us who remain behind, may we strive to uphold the Banner of the Cross which he laid down when he heard his Heavenly Master say, "Come, Thou Hast Been Faithful, Enter Into The Joys of Thy Lord."

Be it resolved: That a page in the minutes of the Middle Florida Association be dedicated to the memory of Dr. J. L. White and that copies be sent to members of his family.

Respectfully submitted.

W. L. RANEW.

### REPORT ON CHRISTIAN EDUCATION AND PERIODICALS

### 1—Christian Education

A trained Christian ministry is an imperative for Florida Eaptists. Fortunately every young preacher is offered all possible encouragement to equip himself "as a workman that needeth not to be ashamed". In our own state we have Stelson University, and the Baptist Bible Institute at Lakeland. Both of these extend the willing hand of help to every young minister who wishes to prepare himself. The matter of adequate preparation for young preachers is so important that the churches and the Association would do well to create revolving ministerial student loan funds. In this manner the precious seed would be sown which would spring up into an abundant harvest,

The obligation for a trained Christian leadership does not stop at the pulpit. We need to raise the level of Christian education among all our people. This means that each church must have an educational program, including adequate facilities, which will grip and mould our people. The crux of this problem is a trained leadership. This need can be met through good training conferences for all our groups and the dissemination of good literature. The matter of church libraries needs to be given renewed consideration throughout the limits of our Association. The support of our educational organizations, including the Sunday School, Baptist Training Union, Woman's Missionary Union, the Brotherhood, and all musical groups, constitutes a mighty force for the furtherance of Christian education. We can do no less than support these and kindred organizations with the full force of our talents and prayers.

As Baptists we cannot afford to neglect Christian education within the homes. Our ablest authorities on child growth and development tell us that the first five years of a child's life go a long way in determining his habits, attitudes, and idealism. It is a tragedy for a child to grow up in a home environment in which Christian teachings are neglected. It is a grievous error for parents to feel that they can hand over the religious instruction of their children during these formative years to any agency outside the family circle. We cannot delegate the religious instruction which is the obligation of the home to church schools, religious organizations, or to Bible teaching as permitted within our public schools. The obligation to deal with the impressionable minds and hearts of our children rests within the pattern of God's creative design squarely upon the parents. Neglect of this solemn obligation is fraught with fearful consequence.

The denominational schools of America are having serious difficulties in effective operation. These difficulties arise out of the fact that publicly supported institutions of learning can offer lower rates to students. The other companion fact is that, all too frequently, our Baptist institutions of learning are inadequately supported, both with money and students. Again this is a costly error and one that must be corrected. It is well for all

Paptist people to remember that, due to a constitutional limitation, public schools cannot teach Christian education. There are many people who think that neglect of the denominational school has made a contribution in America to godlessness. Surely we shall want to remember that the denominational college in America is a necessary bulwark against irreligious tendencies and dangerous doctrine of government.

### 2-Periodicals

The Florida Baptist Witness has had an illustrious history of effective service. Dr. E. D. Solomon, retiring editor, will go down in the annals of Baptist life in Florida as one of its most sagacious and dynamic leaders. The circulation and power of The Witness have increased greatly under his management. Dr. Solomon is being succeeded by Dr. W. G. Stracener, who brings to his task richest talents of understanding and aggressiveness. We feel that The Witness should go into every Baptist home as a part of the church budget. It should have the same footing as Sunday School literature. This will be an effective means of bringing information and inspiration to our people. We heartily recommend this procedure.

> Respectfully submitted, EDWIN B. BROWNING, Chairman.
