ARTICLES OF FAITH

I. The Scriptures

We believe that the Holy Bible was written by men divinely inspired, and is a perfect treasure of heavenly instruction; that it has God for its author, salvation for its end, and truth, without any mixture of error, for its matter; that it reveals the principles by which God will judge us; and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds and religious opinions should be tried.

II. God

There is one and only one living and true God, an intelligent, spiritual, and personal Being, the Creator, Preserver, and Ruler of the universe, infinite in holiness and all other perfections, to whom we owe the highest love, reverence, and obedience. He is revealed to us as Father, Son, and Holy Spirit, each with distinct personal attributes, but without division of nature, essence, or being.

III. The Fall of Man

Man was created by the special act of God, as recorded in Genesis. "So God created man in his own image, in the image of God created he him; male and female created he them" (Gen. 1:27). "And the Lord God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul" (Gen. 2:7).

He was created in a state of holiness under the law of his Maker, but, through the temptation of Satan, he transgressed the command of God and fell from his original holiness and righteousness; whereby his posterity inherit a nature corrupt and in bondage to sin, are under condemnation, and as soon as they are capable of moral action, become actual transgressors.

IV. The Way of Salvation

The salvation of sinners is wholly of grace, through the mediatorial office of the Son of God, who by the Holy Spirit was born of the Virgin Mary and took upon him our nature, yet without sin; honored the divine law by his personal obedience and made atonement for our sins by his death. Being risen from the dead, he is now enthroned in Heaven, and, united in his person the tenderest sympathies with divine perfections, he is in every way qualified to be a compassionate and all-sufficient Saviour.

V. Justification

Justification is God's gracious and full acquittal upon principles of righteousness of all sinners who believe in Christ. This blessing is bestowed, not in consideration of any works of righteousness which we have done, but through the redemption that is in and through Jesus Christ. It brings us into a state of most blessed peace and favor with God, and secures every other needed blessing.

VI. The Freeness of Salvation

The blessings of Salvation are made free to all by the gospel. It is the duty of all to accept them by penitent and obedient faith. Nothing prevents the salvation

of the greatest sinner except his own voluntary refusal to accept Jesus Christ as teacher, Saviour, and Lord.

VII. Regeneration

Regeneration or the new birth is a change of heart wrought by the Holy Spirit, whereby we become partakers of the divine nature and a holy disposition is given, leading to the love and practice of righteousness. It is a work of God's free grace conditioned upon faith in Christ and made manifest by the fruit which we bring forth to the glory of God.

VIII. Repentance and Faith

We believe repentance and faith are sacred duties, and also inseparable graces, wrought in our souls by the regenerating Spirit of God; hereby being deeply convinced of our guilt, danger, and helplessness, and of the way of salvation by Christ, we turn to God with unfeigned contrition, confession, and supplication for mercy; at the same time heartily receiving the Lord Jesus Christ as our Prophet, Priest, and King, and relying on him alone as the only and all-sufficient Saviour.

IX. God's Purpose of Grace

Election is the gracious purpose of God, according to which he regenerates, sanctifies and saves sinners. It is perfectly consistent with the free agency of man, and comprehends all the means in connection with the end. It is a most glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility. It encourages the use of means in the highest degree.

X. Sanctification

Sanctification is the process by which the regenerate gradually attain to moral and spiritual perfection through the presence and power of the Holy Spirit dwelling in their hearts. It continues throughout the earthly life, and is accomplished by the use of all the ordinary means of grace, and particularly by the Word of God.

XI. Preservation

All real believers endure to the end. Their continuance in well-doing is the mark which distinguishes them from mere professors. A special Providence cared for them, and they are kept by the power of God through faith unto salvation.

XII. A Gospel Church

A church of Christ is a congregation of baptized believers, associated by covenant in the faith and fellowship of the gospel; observing the ordinances of Christ, governed by his laws, and exercising the gifts, rights, and privileges invested in them by his word, and seeking to extend the gospel to the ends of the earth. Its Scriptural officers are bishops, or elders, and deacons.

XIII. Baptism and the Lord's Supper

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. The act is a symbol of our faith in a crucified,

buried and risen Saviour. It is a prerequisite to the privileges of a church relation and to the Lord's Supper, in which the members of the church, by the use of bread and wine, commemorate the dying love of Christ.

XIV. The Lord's Day

The first day of the week is the Lord's day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should be employed in exercises of worship and spiritual devotion, both public and private, and by refraining from worldly amusements, and resting from secular employments, works of necessity and mercy only excepted.

XV. The Righteous and the Wicked

There is a radical and essential difference between the righteous and wicked. Those only who are justified through the name of the Lord Jesus Christ and sanctified by the Holy Spirit are truly righteous in his sight. Those who continue in impenitence and unbelief are in his sight wicked and are under condemnation. This distinction between the righteous and the wicked holds in and after death, and will be made manifest at the judgment when final and everlasting awards are made to all men.

XVI. The Resurrection

The Scriptures clearly teach that Jesus rose from the dead. His grave was emptied of its contents. He appeared to the disciples after his resurrection in many convincing manifestations. He now exists in his glorified body at God's right hand. There will be a resurrection of the righteous and the wicked. The bodies of the righteous will conform to the glorious spiritual body of Jesus.

XVII. The Return of the Lord

The New Testament teaches in many places the visible and personal return of Jesus to this earth. "This same Jesus which is taken up from you into heaven, shall so come in like manner as ye have seen him go into heaven." The time of his coming is not revealed. "Of that day and hour knoweth no one, no, not the angels in heaven, but my Father only" (Matt. 24:36). It is the duty of all believers to live in readiness for his coming and by diligence in good works to make manifest to all men the reality and power of their hope in Christ.

XVIII. Religious Liberty

God alone is Lord of the conscience, and he has left it free from the doctrines and commandments of men which are contrary to his Word or not contained in it. Church and state should be separate. The state owes to the church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

XIX. Peace and War

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the spirit and teachings of Christ they should do all in their power to put an end to war.

The true remedy for the war spirit is the pure gospel of our Lord. The supreme need of the world is the acceptance of his teachings in all the affairs of men and nations, and the practical application of his law of love.

We urge Christian people throughout the world to pray for the reign of the Prince of Peace, and to oppose everything likely to provoke war.

XX. Education

Christianity is the religion of enlightenment and intelligence. In Jesus Christ are hidden all the treasures of wisdom and knowledge. All sound learning is therefore a part of our Christian heritage. The new birth opens all human faculties and creates a thirst for knowledge. An adequate system of schools is necessary to a complete spiritual program for Christ's people. The cause of education in the Kingdom of Christ is coordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches.

XXI. Social Service

Every Christian is under obligation to seek to make the will of Christ regnant in his own life and in human society; to oppose in the spirit of Christ every form of greed, selfishness, and vice; to provide for the orphaned, the aged, the helpless, and the sick; to seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth and brotherly love; to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and his truth. All means and methods used in social service for the amelioration of society and the establishment of righteousness among men must finally depend on the regeneration of the individual by the saving grace of God in Christ Jesus.

XXII. Co-Operation

Christ's people should, as occasion requires, organize such associations and conventions as may best secure co-operation for the great object of the Kingdom of God. Such organizations have no authority over each other or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Individual members of New Testament churches should co-operate with each other, and the churches themselves should co-operate with each other in carrying forward the missionary, educational, and benevolent program for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary co-operation for common ends by various groups of Christ's people. It is permissible and desirable as between the various Christian denominations, when the end to be attained is itself justified, and when such co-operation involves no violation of conscience or compromise of loyalty to Christ and his Word as revealed in the New Testament.

XXIII. Evangelism and Missions

It is the duty of every Christian man and woman, and the duty of every church

of Christ to seek to extend the gospel to the ends of the earth. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life. It is also expressly and repeatedly commanded in the teachings of Christ. It is the duty of every child of God to seek constantly to win the lost to Christ by personal effort and by all other methods sanctioned by the gospel of Christ.

XXIV. Stewardship

God is the source of all blessings, temporal and spiritual; all that we have and are we owe to him. We have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in our possessions. We are therefore under obligation to serve him with our time, talents and material possessions; and should recognize all these as entrusted to us for the glory of God and helping others. Christians should cheerfully, regularly, systematically, proportionately, and liberally contribute of their means to advancing the Redeemer's cause on earth.

XXV. The Kingdom

The Kingdom of God is the reign of God in the heart and life of the individual in every human relationship, and in every form and institution of organized human society. The chief means for promoting the Kingdom of God on earth are preaching the gospel of Christ and teaching the principles of righteousness contained therein. The Kingdom of God will be complete when every thought and will of man shall be brought into captivity to the will of Christ. And it is the duty of all Christ's people to pray and labor continually that his Kingdom may come and his will be done on earth as it is done in heaven.

REPORT OF COMMITTEE ON RESOLUTIONS

We, the Middle Florida Missionary Baptist Association in this 1964 Annual Session, wish to express to Macedonia and Pleasant Grove Lay Churches our thanks for their invitation and entertainment of this Session. May God Bless you all.

Bailey Wynne, Chairman

REPORT OF EXECUTIVE COMMITTEE

Your Executive Committee met six times during this associational year and all meetings were held at Midway Church.

At the January Meeting the Association Missions Committee was instructed to investigate the starting of a Mission in Madison and at the March meeting the above Committee recommended that the Mission be started with Macedonia Church as the sponsor. At the May meeting the Associational Clerk was instructed to write Rep. Emanuel Celler, Chairman of House Judiciary Committee, Washington, D. C., that the Association opposed any change in the First Amendment to our Constitution.

W. T. Coody, Associational Treasurer, asked that he be allowed to donate his salary of \$100.00 to Madison Mission as he was not going to use it himself. Request granted. In the Sept. Meeting, Treasurer Coody submitted Budget for next year and the Committee voted to recommend it to the Association with the proviso that \$60.00 be included in the Budget to pay Moderator and Clerk's expense to the Annual Meeting. Also authorized the Treasurer to pay extra amount by Secretary's Office, and that suggested date of Oct. 14 and 15, 1965 for Annual Meeting in 1965, be recommended to Association.

We are sorry to say that attendance at these meetings was not what it should be by the Committeemen and the Pastors. Heads of Departments was better but there is room for improvement.

This is God's Business and He demands our presence.

The Meeting for next year will be Thursday after the first Sunday in every other month at Midway Baptist Church.

Reports from the Heads of the Departments were given at most of these meetings, but here too, there is need for better attendance.

Respectfully submitted,
Carl W. Burnett, Sr., Clerk

REPORT OF MIDDLE FLORIDA BAPTIST ASSEMBLY

Branford, Florida

This year we feel we made a great step forward in providing building space for future use. Through the goodness of Bro. Ezra Smith, Gainesville, Florida, we were able to construct two beautiful dormitory block type buildings, with terrazo flooring. These buildings are 16' x 68' making four complete units.

Those using the Assembly Grounds this year have been Beulah Assoc. for G. A. Retreat; Lake Shore Baptist, Jacksonville, Young People Retreat; Philadelphia Baptist Church, Live Oak, Young People's Retreat and G.A. Retreat; Santa Fe River Assoc. R.A. Retreat; R.A. Camp, 9, 10, 11; R.A. Camp 12 & up. Suwannee Assoc. G.A. Retreat.

According to our Treasurer, Rev. Jack Shaw, Madison, our churches and Associations have given \$1324.58 this year for new buildings and equipment. Why not put some amount in your church budget for an investment in boys and girls for Christ?

AN EXPRESSION OF APPRECIATION

Reverend John Maguire is completing his twentieth year of service as Executive Secretary - Treasurer to the State Board of Missions this year. It is the unanimous feeling of the Middle Florida Baptist Association that Dr. Maguire is a worthy member of that line of gallant leaders which began in Madison in 1880 with W. N. Chadoin, tenderly known as "Uncle Chad," and includes L.G. Geiger, S.B. Rogers, C. M. Brittain, and Charles Bolton. Surely, Florida Baptists have been honored of God in the choice of its leader all through the years.

The Middle Florida Baptist Association includes within its territory the shrines of Baptist History that glorify our heritage. It was within the walls of Clifton Mansion that the State Convention was organized in 1854. It was under the leadership of The First Baptist Church of Madison that the State Board of Missions had its inception in December of 1880, turning seeming defeat into a glorious advance. It was then that Uncle Chad appeared on the scene to remain until 1901.

This area is largely responsible for launching our Baptist Institutions and nourishing them to strength all during the early years. Our people have ever remained loyal, and free from "Land-markism." We recognize the sacred principle of congregational government by our churches but, at the same time, cherish the doctrines and practices of unity and voluntary cooperation.

Dr. Maguire has led Florida Baptists nobly and humbly along the paths of service to the Master. He has stood for progress but has not felt that advance consisted of placing on the scrap-heap the scriptural benchmarks of our common faith.

For all that he has meant to the cause of Christ, for his wise counsel and sound leadership, for his unflinching hand extended to young preachers, for his indomitable courage, for his personal witness and his great life of service. The Middle Florida Baptist Association hereby expresses its appreciation to Dr. Maguire and attests its love for him. At the same time we pledge to support him in his continued labors for Christ in our great denomination.

Unanimously adopted by the Middle Florida Baptist Association in Annual Session, October 16, 1964.

STATE MISSIONS

The task of Board of Mission of our state is to provide all types of Southern Baptist Ministries to an ever increasing population. We need to strengthen our present witness as well as add new Missions, New Churches and new activities.

The strength of our work is dependent upon the response of the churches in cooperative giving. The hearts of men may be touched by God, but they will never be able to go unless we supply the means for going. All Missions wait on our giving.

The major project of the State Mission Board at this time is the Lake Yale assembly. The G. A. Camp is under construction and the R. A. Camp will be next. The Board voted in May, 1964 to proceed with the Assembly program at Lake Yale. When completed the retreat will take care of about 1,000 people.

The state convention voted to start a Junior College Program, and the Education Committee plan to bring a definite report to the State Convention meeting in Tampa in November.

As the state of Florida grows there will be other matters of importance to claim our attention. One thing we should never forget is the matter of winning the lost to Christ. No program is important and no institution is necessary when it stands in the way of Evangelism. We must never lose sight of "The Great Commission" Jesus gave us in Matt. 28:19-20, when he said, "Go ye therefore and teach all nations, baptizing them in the name of the Father, and of the Son and of the Holy Ghost, teaching them to observe all things whatsoever I have commanded you, and lo, I am with you alway, even unto the end of the world."

Walter E. Bailey

HOME MISSIONS

At the Southern Baptist Convention in Atlantic City, J.J. Courts Redford, Execu-

tive Secretary of the Home Mission Board, said, "This is Home Missions most urgent hour," the entire world looks to America for Christian Leadership but America cannot give what she does not continue to have."

The Board now has 2,299 Missionaries serving in every state, Cuba, Panama and Puerto Rico. Southern Baptist gave more than 6 1/2 million dollars to support Home Missions. This amounted to about 62 cents for each Southern Baptist.

Of interest to all of us is the work in Cuba and Panama. There has been interruption by the political situation. Most of the churches in Cuba however continue to function. Two missionaries were forced to leave during the year, others remain at work. In Panama the work was interrupted temporarily but all workers are back on the field.

Most of us have been interested in the 30,000 movement. We are happy to report that 5,884 churches and 16,016 missions had already been started Jan. 1st. of this year. Less than 10,000 short of the goal with this year to go. The movement will continue under the church extension program of the Home Mission Board. If we do fall short of the goal, and it is evident we will, just think of the great work that has been done and the many churches and missions that we perhaps would never have had if we had not had such a challenge. "To God be the glory great things He hath done."

Respectfully submitted,
Walter E. Bailey

FOREIGN MISSIONS

Dr. Baker J. Cauthen, Executive Secretary of the Foreign Mission Board said, "Southern Baptists must measure our mission undertaking by our potential - not by what we or others have done. When we put what we are doing alongside the reality of human need and the reality of open doors in the world, we recognize that we have hardly begun. We must measure what we are doing by the crisis of our day. This is the day of testing."

At the end of May 1964 we had 1,819 active foreign missionaries, serving in 54 countries. The work is carried on through a varying number of institutions on each mission field, churches, schools, hospitals, publication plants, and Good Will Centers. The goal of each is Evangelism whatever their institutional duties, all missionaries participate in work of the churches in their stations.

Total contributions of Southern Baptist for Foreign Missions during 1964 amounted to \$21,431,202.10. This includes the Lottie Moon Christmas offering which totaled \$10,949,857.35.

There are 134 people working at the Board's Home office in Richmond, Va. The Board's Magazine "The Commission" reported an average circulation of 90,728 last year.

Respectfully submitted,
Walter E. Bailey

REPORT OF EVANGELISM , 1964

The twenty-six churches of our association reported 106 baptisms for 1963 associational year. We accepted a goal of 212 baptisms for this year. We may not reach this goal but may we try with greater zeal next year.

John 4:35 "Say not ye, there are yet four months, and then cometh harvest? Behold; I say unto you, lift up your eyes, and look on the fields; for they are white already to harvest."

We want to encourage each church to plan two revivals for next year. Our Sunday School remains one of the best fields of Evangelism.

REPORT OF ASSOCIATIONAL MISSIONS

The need for a mission in Madison City was brought to the Associational Missions Committee. After much study and prayer this matter was presented to the Executive Committee of our Association and they instructed us to look for a church that would mother this work. The Macedonia Church of which Rev. Ernest L. Gurr is pastor accepted this wonderful opportunity. They have done a good work in this field. This work is known as the Faith Baptist Mission with Bro. Howard Money, pastor. May each church help by giving money and praying that this mission can soon be a great soul-winning church here in our Association.

Alva Horton, Chm.

CHRISTIAN EDUCATION

Christian Education means "Education with a plus" which is a good statement. It is concerned with the physical, mental, and social development of the young, but is vitally concerned with their spiritual development.

Southern Baptists now operate 73 schools; 6 seminaries and a joint operation with National Baptists of another seminary, 37 senior colleges, 17 junior colleges, 7 academies, and 5 Bible schools. Only 3 of the colleges old enough to be accredited lack full recognition.

That the ratio of total Baptist students to those enrolled in Baptist Colleges is widening is not necessarily discouraging. Baptists can never hope to educate all the Baptist students in Baptist schools at the present rate of support for the schools. The fact remains that the great majority of the leaders in the denomination will continue to be supplied by Baptist schools and seminaries. The colleges are giving careful attention to their recruitment program since they are generally unable to take all qualified applicants.

FLORIDA BAPTIST EDUCATIONAL INSTITUTIONS

1. Stetson University, the oldest university in Florida, is located at DeLand. During the 1963-64 term, there were 1,820 students enrolled (including Stetson Law School at St. Petersburg). 526 of these were Baptists. 129 students were committed to some church-related vocation; 43 were ministerial students, 15 missions volunteers, 42 are studying to be ministers of education and 28 to be ministers of music.

2. Baptist Bible Institute at Graceville offers special training for students in church-related vocations for students who do not qualify for college training. The total enrolment for the 1963-64 session was 232. These came from 18 states, and one foreign country. 169 of these are students for the Ministry, 39 students preparing to be ministers of Education, and 11 to be Ministers of Music.

3. At the meeting in Jacksonville, the convention voted first approval on the establishing of a junior college. The Education Commission was instructed to seek offers of land and money, and to report to the 1964 convention. There must be a second vote of approval by the convention before this becomes official.

4. Florida Baptists are now engaged in a great campaign for funds for Christian Education. The Ford Foundation has awarded Stetson a \$1,500,000 grant provided we match it 2 for 1--that is if we raise \$3,000,000 they will give us \$1,500,000 for Stetson. At last year's convention, Florida Baptists voted to attempt to raise \$1,500,000 for Stetson and \$500,000 for Baptist Bible Institute. The trustees of Stetson will raise \$1,500,000 which will give us the \$3,000,000 for Stetson to match the Ford Grant. All Florida Baptist Churches are urged to give \$2 per resident member each year for three years.

Baptist believe in Christian Education. We know that we must have the very

best leadership for our churches, institutions and denomination in the years to come. Let us strengthen our institutions, guide our Baptist young people to attend our Baptist schools, and undergird the administrations, faculties and student bodies with the spirit of love and constant prayer.

Respectfully submitted,
Jack A. Shaw

REPORT ON CHRISTIAN LITERATURE

The religious scene today seems to be fraught with at least two difficulties: First; The average citizen seems in danger of being drowned in a sea of propaganda. Second; This same citizen is in danger of submitting himself blindly to the traditions of his father. These two difficulties impinging upon the Christian today make for a disturbing climate.

With the abundance of printed materials, the propaganda element is one which oft times leads to misinformation and causes the individual to become involved on a path tangent to the main stream of his faith. This nullifies the strength of his witness and renders useless the convictions which he holds. At the same time the wealth of printed material gives an abundance of information which might otherwise strengthen one's convictions and make his witness irresistible.

The insistence upon the validity of the faith of our fathers is a reasonable one if we do not succumb to the temptation of accepting this faith blindly. When this is done we have no faith at all. Regardless of the strength and validity of the convictions of a former generation, the strength of convictions of each generation must be hammered out upon the anvil of experience with earnest and prayerful consideration.

We who call ourselves Baptist are fortunate indeed. The presses of our convention are laboring constantly to put at our disposal literature worthy of our reading. We are fortunate if we use this literature as a springboard to greater understanding. When this material is simply read, when it is read without prayerful consideration and without the process of intellectual digestion, we are doing no more than succumbing to the temptation of accepting blindly the faith and convictions of others. The Lord gave us a mind and a heart. These must be brought to bear upon the process of working out carefully the foundation of our faith. The admonition of Paul is as valid today as it was two thousand years ago "... Work out your own salvation with fear and trembling." (Phil. 2:12).

James C. Moore, Jr.

REPORT ON UNITED CHRISTIAN ACTION, INCORPORATED

United Christian Action, Incorporated, is a voluntary agency working mightily to bring moral and spiritual security to the Florida Landscape. It challenges those erosive and shocking conditions that cast a blight upon our future and endanger our survival. We are using the question and answer approach in delineating the work and program of this blessed cooperative effort among Florida Churches.

WHAT IS UNITED CHRISTIAN ACTION, INC.?

A state-wide inter-church service organization, since 1945 serving the churches of 12 evangelical denominations in Florida, directed by a Board of Directors and Advisory Councils composed of 250 pastors and lay leaders, for the purpose of providing service and information, assist sponsoring churches in offering Christian solutions to the critically urgent problems being produced by alcoholic beverages, gambling, and indecency in Florida.

WHAT IS THE PROGRAM OF THIS AGENCY?

The program is three fold - EDUCATION, LEGISLATION AND REHABILITATION. Through carefully researched and documented leaflets, books, films and a monthly 8 page publication ALERT, we provide information and training to all interested teachers, students, pastors, and laymen without charge. In addition to the legislative goals already suggested, we seek to secure protection for churches, schools and communities. Understanding and help for those already addicted round out our program.

HOW IS THE AGENCY SUPPORTED? United Christian Action is supported entirely from the gifts of concerned churches and individuals. Florida Baptists have consistently provided strong support and encouragement to the program. Every local church which shares in the annual STATE MISSIONS OFFERING is helping provide life-line support to this cause, for UCA will receive 16% of the offering, plus 5% of the total given over the goal. In 1963, this amounted to \$9,468.06. In addition nearly 200 local churches provide additional support through budgeted or special gifts on a monthly or annual basis. From these individual churches in 1963, a total of \$18,698.14 was received. To further demonstrative Baptists soldiery in this area of concern, the State Mission Board made a special emergency appropriation to pay most of the cost of defending UCA against a law suit by gambling interests seeking to intimidate the churches into silence. Thanks to courageous churchmen of many denominations, we defeated the gamblers in an election and in the courts.

WHAT ARE THE IMMEDIATE ACTION GOALS? CHRISTIAN ACTION - FOR EVERY CHRISTIAN, EVERY CHURCH!

1. TELL THOSE IN AUTHORITY, local-state-national, that you want action NOW! Both Administrative and Legislative, to accomplish at least the following:

- A. Remove all beer, wine and whiskey sales from grocery stores, drug stores, filling stations and other family retail shopping outlets.
- B. Eliminate the flood of TV, Radio, Billboard, Newspaper and other advertising and promotion of all alcoholic, gambling and obscenity products or outlets.
- C. Take positive action to eliminate gambling from the American environment.
- D. Eliminate the flood of pornographic indecency being thrust upon youth.

2. LET THE PEOPLE KNOW where you stand, and where your church stands on these critical moral issues.

3. USE THE TOOLS AVAILABLE to weed-out evil in our state. Your voting power, purchasing power, examples are important.

CONCLUSION: Mr. Jack Eppes is Executive Secretary of the agency, 1705 Gary Road, Lakeland, Fla. Dr. Edgar R. Cooper is president. Let us pray for this agency and hold up the kind of Christian citizenship which will make its work and influence increasingly effective.

Respectfully submitted,
E. B. Browning, Chm.

BAPTIST STUDENT UNION AT NFJC

The Baptist Student Union on the campus of N.F.J.C. is a religious club composed of the Baptist students on campus. We hold meetings twice each month with different types of programs.

This club is the strongest religious club on campus. It tries to give the Baptist students a chance to get together and have fellowship. Last year we attended the state convention and received a great blessing from the many wonderful speakers and fellow Baptist students throughout the state.

Each summer the B.S.U. on the campus through the state sponsor summer student missionaries to work in the United States as well as in foreign countries. This last summer a past president of our B.S.U. served as one of these summer missionaries. The funds for these missionaries are raised by the work of the students throughout the state.

We the Baptist Student Union appreciate your interest and support very much in our organization. If there is any way that we might help you with a youth program please call on us, and we will try to present an enlightening program.

Respectfully submitted,
Bradley Smith

YOUTH RALLY REPORT

Since the Youth Rally has been organized a few short years ago it has grown to become the strongest meeting in the Association, attendance wise. We meet each month at the various churches that see fit to invite us. The attendance most of the time is well over a hundred.

The programs are varied greatly with singing, movies, plays, skits, speakers and sermons. At these meetings, the youth get to know one another and learn to work with members from other churches.

As a result of this meeting I feel like many young people are led closer to God. We have had professions of faith, and rededications in many of our meetings. If the youth in your church aren't active in this organization, I urge them to try the next meeting and see if they don't enjoy the programs as well as the fellowship afterwards.

Bradley Smith

REPORT ON THE FLORIDA BAPTIST CHILDREN'S HOME

The break up of homes and the desertion of children has become altogether too common in our society. The sense of responsibility, if indeed many of our people have been taught any, has fled, and hundreds of children are deserted by one or both parents with little or no remorse for what they have done. The number of applications to our Children's Home during the spring and summer, indicate a turn for the worse in family relationships.

The Children's Home has four caseworkers, each of whom has graduated from an accredited school of social work. It is their business to counsel with children and parents, and in every case where good family life can be maintained, to keep them together. Their success is shown by the fact that 94 applications were withdrawn

and 55 children were returned to their families or near relatives. 75 children were admitted to the homes in Lakeland and Miami for a total of 188 in residential care and 64 assisted through the Mother's Aid Program. 1,094 counseling sessions were held with children and 682 with relatives.

It is the right of every child to have his own home. It is the responsibility of every parent to care for his child to the best of his ability. In fact, when children are admitted to the Home, parents are asked to pay toward support of their children if at all possible. When parents are unable to care for their children, it becomes the privilege of an institution such as ours, to help. Many excellent men and women have spent some time or have been reared in our Children's Home. Those who are so unfortunate as to need help because of the break up of their own home, should be given assistance if possible.

If the members of our churches would give 2 cents a week for child care, we could double the number we are now helping, and who knows but that some of those children might be ours.

We trust you will place the poster for the Thanksgiving Offering in a prominent place in your church so that those who wish to help in the care of our children, may be prepared when the offering is taken.

Mrs. John R. Collins

RADIO AND TELEVISION

"Growth" is the key word in any conversation concerning Southern Baptists' Radio and Television Commission. Annual expansion in all areas of endeavor is now accepted as a characteristic of this agency.

Thus, breaking ground for a new and functional headquarters building in Fort Worth in June proved a highlight of 1964 for the Commission and for all Southern Bap. The structure will be dedicated during the 1965 Convention to be held in Dallas, with completion expected the following Oct.

The commerial value of air time given Southern Baptists by U. S. Stations is expected to reach close to an estimated \$4 million this year. This does not include 121 overseas stations which broadcast the denomination's programs.

High point of the network year was the presentation by the National Broadcasting Co. of "Walk Beside Me," color films on the life and ministry of the Apostle Paul. Close to 100 stations carried the program to a potential audience of millions.

Televangelism, the project which combines church visitation, television viewing and personal witnessing will be continued for the seventh year as a beneficial use of TV.

New radio programs planned for production during 1964 include: "Threshold" a program of youth counseling; "Nightlight," 11/2 minute inspirational spots to be used between midnight and 6:00 a.m., and "Youth Speaks To You," a quarter hour program by high school students to high school students, five days a week.

Dr. Herschel H. Hobbs, has continued to grow in popularity as the radio preacher of "The Baptist Hour," His messages have established this broadcast anew as the flagship of Southern Baptist Programming.

In addition to preaching the Good News of Jesus Christ in so many varied ways, the Commission also continues to fulfill other vital functions of audience building, counseling by mail, and technical assistance to pastors and to the missionaries.

SUNDAY SCHOOL REPORT

During the year we have had four conference meetings. The meetings have been

good but the attendance has been poor. Average attendance 34. The first conference was the best with 65 present and 9 churches represented. The last was the poorest with 16 present and 2 churches represented.

We observed "Action Night" with 15 churches represented with a total attendance of 56. We had 13 pastors and 6 superintendents. We also have had "Action Night" for presenting this year's program. We only had 26 present with 4 churches represented. There were 3 pastors and 1 superintendent present. As a result of the poor attendance, most of you do not know what our emphases are for the New Year. We will attempt to briefly sum up the activities and major emphases for you.

The most important thing is the "Adult Thrust Program." I trust that every pastor and S.S. Supt. already know about this program. Throughout the Southern Baptist Convention the aim is to reach 10,000,000 new members in our Sunday Schools. Florida's goal is 255,512. The goal for Middle Florida is 1,564 which means a 10% increase for year or 261 per year. Broken down to the church level the average increase per church is 6 per year. This sounds reasonable and at the same time it will take a lot of work. Some churches cannot reach that many while others can go far beyond that. Every church should secure the Adult Thrust Program Guide and get to work. It is a real challenge. We also plan to promote a central training school. We feel that this type school is badly needed. Let's go all out for it. The Calendar of Activities will carry a list of the meetings for the year and you will be reminded before each meeting through the Associational Bulletin that comes each month. Our goals are:

Training Awards in Category 17	100
Churches with awards in Category 17	12
Churches observing Bible Study Week	15
Action Night Attendance	100
Churches represented on Action Night	15
Increase in enrollment of.....	10%
Vacation Bible School Clinic attendance	50
Churches represented at Clinic	12
Standard Sunday Schools	5
Also to have a Standard Assoc. by March '65.

BAPTIST HOSPITAL REPORT

The Christian impulse to befriend and help the sick and the troubled has flowered in church-related hospitals, of which Southern Baptists now have 51. In a definition of purpose endorsed by Baptist Hospitals it is stated that "A Baptist hospital functions as an instrument of God's grace in the enriching and prolonging of human life within the scope of Divine Providence.

Within the year covered by this report more than a half-million individuals have been cared for in Baptist Hospitals. Many of these could pay only a portion of the cost of their care. These have been ministered to "in Jesus' Name" and in the name of Southern Baptists with competence, skill and dignity. The cost of their care has been borne only fractionally by support from the denomination; the remainder has had to be provided from other sources, chiefly operating income.

The Southern Baptist Convention elects the 40 member Board of Directors of Southern Baptist Hospitals, the Convention Agency. This is the number specified by the charter under which the agency operates, Eighteen of the 40 men are elected as local Administrative Board members from the New Orleans and Jacksonville areas. Between annual meetings, an Executive Committee elected by the full board of directors meets quarterly to handle corporate business and make policy decisions.

It is foreseeable that over the next several years both Convention Hospitals will be under the added strain of creating new facilities, expanding old services, and yet maintaining a consistently high quality of patient care under sometimes adverse circumstances. Especially during this period of growth and development, hospital personnel along with the responsible Board of Directors solicit the continued and earnest prayers of Southern Baptists everywhere. With God's help, and the prayerful intercession of Southern Baptists, lives that are being prolonged shall be more helpfully enriched through the experiences of illness and suffering, interpreted in the light of the Gospel.

Alva Horton

REPORT OF THE FLORIDA BAPTIST FOUNDATION

GUS JOHNSON, EXECUTIVE SECRETARY - TREASURER

The Florida Baptist Foundation, an agency of the Florida Baptist Convention, concerned with the support of all causes supported by the Convention, has had another good year of service. Again, every agency and institution supported by the Convention has been named in wills prepared by the Foundation, and again this total amount goes over a million dollars.

The Foundation is concerned with assisting in the preparation of wills favoring Baptist causes, setting up trusts, and establishing endowments. We work in two fields. First, we seek to acquaint our Baptist people with the advantages of wills, trusts, and direct gifts. Second, we invest the funds coming to us with regard to safety and return on investment.

The Audit of September 30, 1963, shows \$863,825.68 held by the Foundation in various funds. The Foundation owns none of this money, but holds it in trust for the various institutions favored in wills or by gifts. All of this money must be handled as specified in the will or agreement.

The trust department of one of Florida's largest banks is custodian of a large part of our investments, and makes recommendations concerning investments to our Investment Committee of the Trustees. The Investment Committee reviews the recommendations in the light of other information and makes the final decision on investments.

The Trustees of the Foundation are elected by the Convention. At present we have thirteen outstanding business men, and two pastors. The Trustees meet annually to receive reports from committees, and determine general policies, or can be called at any time as necessary. The Executive Committee, which is the Investment Committee, serves in operational matters, and meets quite regularly. The Trustees serve without compensation, and pay their own expenses in connection with all meetings.

At present the Foundation has been assigned the job of raising \$1,500,000 for

Stetson University, and \$500,000 for Baptist Bible Institute. The Stetson money will be matched by Ford Foundation, and again by the Trustees of Stetson making a total of \$4,500,000 for Stetson. Good progress has been shown.

It is suggested that each church share its responsibility in this effort by placing the Christian Education Campaign in its budget to the amount of \$2.00 per resident member per year for three years. We can reach the total goal in this manner. Many churches have already responded, and it is hoped that every church will have a part.

Serving with the Executive Secretary of the Foundation are Dr. James A. Sawyer, Pastor, First Baptist Church, Cocoa, Chairman of the Church Committee, and Cecil B. Carrol, Jacksonville, Chairman of the Laymen's Committee. Regional chairmen have been selected by these chairmen.

If the Foundation can be of service in any of the ways listed above, feel free to call on us.

Respectfully submitted,
Ted Rodda

REPORT OF THE ANNUITY BOARD

Every pastor, church and denominational employee is eligible for the new term Life Benefit Plan being offered by the Annuity Board, regardless of whether they are a member of one of the Board's retirement plans. The Board is currently in a campaign to enlist the 3,000 members needed to put the Life Benefit Plan into effect, and hopes to have it in operation by October 1, of this year.

COST IS LOW--The New Plan provides low cost life protection to members while in active service, during disability or in actual age retirement. Cost is only 1% of the Annual salary basis, with minimum basis of participation set at \$4,000 and maximum at \$12,000. Minimum payments will be \$3.34 a month and maximum payments, \$10.00. Car expense, housing and utility allowance, etc, may be added to the cash salary to allow the member to pay on a larger amount. All participation is on even thousands, and the cost remains the same every year unless the member's salary increases and he wants to increase payments accordingly.

BENEFITS ARE LARGE--The widow or beneficiary of a member 45 or under will receive 2 1/4 times his salary basis of participation in the event of his death. Thus the widow of a man 44 years of age who was paying on a \$12,000 salary basis would receive \$30,000. If death was accidental her benefit would be twice this, or \$60,000. After the member passes 45, benefits are scaled downward by 1/10 of a percent each year as he gets older. At age 65, the member who joined during the first year of eligibility and paid at least 10 years continuously prior to retirement will have a paid up benefit of \$1,000, or an amount equal to total contributions, if less than \$1,000. In case of total and presumably permanent disability, the members payments are waived, but his coverage continues.

MEMBERSHIP IN RETIREMENT PLANS

As of May 1, 1964, there were 16,251, or 50% of the total churches in the Southern Baptist Convention participating in the Annuity Board Plan with their employees. Total membership in the Board's Retirement Plans is approximately 25,000.

BENEFITS PAID

More than \$43 1/2 million has been paid in relief and annuity benefits by the Annuity Board since its beginning in 1918. Last year these benefits were more than \$3 1/4 million, and were paid to ministers and denominational workers or their families who were members of a retirement plan, and to those on the relief rolls.

REPORT OF TRAINING UNION

We have had most of our scheduled meetings this past year. We have followed the plan recommended by the State-- having the Executive Committee meeting the first month, the Officers and Leaders Conferences the second month and the Mass meeting the third month in the quarter.

"M" Night was a big success. There were approximately 343 people present at the Macedonia Baptist Church for this service. The Rev. Tom Collins of Jacksonville was the speaker. There were 18 pastors and 13 Directors present. The Hope-well Church won the banner for having the largest number present- their count was 55.

Another step forward was the One Night Associational Clinic for Church Officers and Committees. This meeting was held at the Cherry Lake Baptist Church December 9.

Many of our meetings have been very poorly attended. On some occasions our Conference Leaders have not had anyone present for the Conference. Very few of our pastors have attended any of our meetings. For this reason we are thinking strongly of having group meetings this year-- dividing our Association into 3 groups and having these group meetings on the same night.

Plans are under way for the One Night Associational Clinic for Church Officers and Committees- the Date is October 27 and the place is the Macedonia Baptist Church. Plans are also being made for the "M" Night service which will be held at the First Church in Madison.

REPORT OF BROTHERHOOD 1963-64

There are 27 churches in our Association, thirteen with a Brotherhood organization. There are 2,996 church members in the Association with 235 Brotherhood members.

During the year '63-'64 the Associational Brotherhood had 4 meetings with an average attendance of 74.

Jan. 2, 1964 the meeting was held at Macedonia. The program was a skit and group discussion with 55 in attendance.

On April 2, 1964 the meeting was held at Madison First Baptist with Mr. Thomas H. Frier the speaker with 87 men attending.

On July 2, 1964 the meeting was held at Brewer Lake. The program was a panel discussion led by a group of Young People from Madison Church. There were 65 who attended.

On Oct. 1, 1964 the meeting was held with Pine Grove Church with 81 attending. A talk was given by the President on "Community Problems."

At the end of our year we can now look back and see what we have done for the last year. You will note from our report we have had good attendance at our meetings, and you will further note that while we have half of our church with Brotherhood, the other half without. It will be our goal for next year to establish some new Brotherhoods in our association.

The Officers have enjoyed working with the members of the Baptist Association for this year and we are looking forward to greater things next year.

FLORIDA BAPTIST RETIREMENT CENTER REPORT

The trustees of the Florida Baptist Retirement Center have met only twice during the year. Those meetings were significant in dealing with policies and planning for expansion of facilities and services. Much thought has been given to the necessity of providing nursing care for our elderly people. This field of service is still being explored.

During the year we have built another duplex cottage. Each apartment has two bedrooms, bath, living room, kitchen-dinette, carport, and utility room. This new unit was constructed for \$18,000.00. We have now four duplex cottages, four three-room efficiency apartments, two two-room suites, and twenty-one single rooms.

At the close of this convention year, we have the same number of residents as reported last year. We have lost, by death and because of need of nursing care, as many as we have admitted. Therefore, we have room for about eight more residents. Our hope is that more of our retirees will avail themselves of the facilities and serv-

ices provided by Florida Baptists. Also, we hope that it will not be long before we can give them assurance that we can care for them until the Lord calls them "home."

We are living in an age of age. Eighteen million in the United States are now 65 years of age and above. In an article, "The Role of the Church in Relation to the Aging Population," Ada Barnett Stough says, "The rapid increase in the number of older people in this country has caught society unprepared to cope with the situation. The church should be deeply concerned with the problems of the aging because more older persons are affiliated with religious bodies than with any other kind of organization." We concur in the above statement and challenge our churches and convention to a deeper concern for the social problems caused by the rapid increase in the older population. "Hearken unto thy Father that begot thee, and despise not thy mother when she is old." Prov. 23:22.

MUSIC MINISTRY

The objective of Church Music Department of the Florida Baptist Convention is to assist churches and associations in establishing, conducting, enlarging, and improving the Music program of the churches. This program includes assisting the church in performing its functions of worship, education, and ministry; leading persons to take part in hymn singing; training persons to lead, sing, and play music; teaching music and providing information regarding the work of the church and the denomination.

The year 1965 is the year that we are going to promote WORSHIP. The associational music ministry is the key to the promotion of this work. We hope that every association will work to promote the training of people in the churches to read, sing, play and teach music for the glory of God.

Many things are planned in which each church may participate such as music festivals, hymn sings, schools of training, music work shops, carol sings and general promotion of better music.

There were some 400 churches in music training out of approximately 1500 churches in the state, during 1963-64. These are the churches who have recognized their musical needs and have endeavored to inform themselves. The Associational organization and the church Music Department of the Florida Baptist Convention stand ready to assist every church with its music training needs.

This past year the associational music ministry organization showed 42 out of 47 associations held Associational Festivals. 260 churches participated in the festivals with 617 choral groups, totaling 12, 865 choir members--159 hymn players--36 song leaders--6 instrumental ensembles with a total of 39 participants. Our Associational Festival was held at Madison First in January 1964. We are planning to have a festival during January 1965.

There will be 11 State Music Festivals in 1965. The 1964 report of the State Festivals are as follows: There were 283 choral groups with 6,376 members--86 hymn players--14 song leaders--2 instrumental ensembles with 12 participants. A grand total of individuals participating in the State Festivals was 6,488. There were 152 churches participating and 385 certificates of award issued. The festival for 1965 will be held on a State level March 5-6, 1965, First Baptist Church, Madison, Florida.

We plan to encourage our churches to participate in the nearest festival. In order to participate in the State Festival it will be necessary for every church to participate first in an Associational Festival.

The Associational music organization and the State Music Department wish to thank each church and its music leaders for a very fine year and wish for you an-

other good year for "more and better music by more and better musicians, singing with grace in their hearts to the Lord."

AMERICAN BIBLE SOCIETY REPORT

"God's Word for a New Age" is the theme of a program of missionary advance in which the American Bible Society is seeking to provide greatly increased quantities of Scriptures urgently needed for mission work around the world.

If the People of the world are to know Jesus Christ the one hope of men and nations, they must have the Bible.

Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

But, in most countries, people cannot afford even the cost of printing the scriptures.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay after he must leave-- and keep on speaking to a person's heart.

The American Bible Society is an active partner of Southern Baptists. It serves mission work at home and abroad. It helps missionaries to translate the Bible, publishes without note or comment and distributes without profit, usually below cost. For the Blind, it supplies Scriptures in Braille and other raised-letter systems and Talking Book records.

The long-range goals for the years ahead are: A Bible for every Christian Home; At least a New Testament for every Christian; At least a Scripture Portion for all who can read; and an opportunity for every Christian to distribute Scriptures in personal witness.

During 1963 the American Bible Society---

Rejoiced that some part of the Bible has been published in 1216 languages; the full Bible in 231, a Testament in 290 more, a Gospel or other complete book in 694 more-- but counted over 1000 more languages in which no book of the Bible has yet been published.

Gave almost a million Scripture volumes for distribution by Chaplains to our Armed Forces and Veteran's Hospitals, as a vital link between the home churches and men in service.

Distributed a record total of over 34 million Scripture volumes in 444 languages, in more than 120 countries-- with almost half the total going to other countries-- and dedicated itself to the task of doubling its annual distribution to meet urgent world-wide needs.

Southern Baptists Support The Work

Because the Bible Society serves mission work-- and Southern Baptist missionaries depend on the Society for Scriptures they need for their people-- Southern Baptists believe in the missionary importance of giving to the American Society.

In 1963 Southern Baptist churches gave \$167,498 to the American Bible Society. Methodist gifts were \$172,771. Gifts from all churches in the U. S. A. totaled \$1,120,277.

The help of every Southern Baptist church is needed and Southern Baptist Churches can lead-- if every church will give. Has your church given this year? Here are suggestions, based on what many churches are now doing:

Every church can give at least these amounts each year:

Smaller churches	\$10 to \$60
Larger churches	\$60 to \$300
Great city churches	\$300 to \$600 or more.

Please send gifts to your Baptist state office marked "for the American Bible Society."

Simon A. Kinsey, Sr.

STEWARDSHIP AND COOPERATIVE PROGRAM REPORT

Missions depend on the reaction of the individual Christian to the responsibility he has been given in the Bible. God made some pronouncements in the Old Testament, and Jesus built on these in the New Testament. One of the fundamental pronouncements of the Old Testament had to do with possessions. The tithe, or one tenth of all a man had, was required of him. It is the same today. God has made it very clear that everyone is expected to tithe.

For many years now, we have been using the slogan, "Every Baptist A Tither," but this is somewhat general. Even though every Baptist tithing is our goal, we are not moving too rapidly toward its accomplishment. In Florida according to best reports, we have 16.3% of our Baptist church members tithing. This adds up to 89,538 people. This is a very small number when we think of the 543,676 church members in our state.

At the May 8 meeting of the State Board of Missions, a goal was approved to seek to add 50,000 new tithers to this number during the period April 1, 1965 to March 31, 1966. This will be in cooperation with Southern Baptist efforts to add 2,000,000 new tithers during this same period. This represents a 10% increase in tithers for Florida Baptists.

The increasing demands of a waiting world make our attention to these matters urgent. There are lost people everywhere and they must be ministered to. The response of churches in the Middle Florida Association to this tithing campaign is important. We are suggesting a goal of 10% based on the church membership listed in the 1963 Florida Baptist Annual. This would be 451 for the association.

We urge you

"BEGIN TO TITHE IN '65." The Cooperative Program depends on your stewardship.

Respectfully submitted,
William W. Tyre
