Prior to such rejection, the Moderator shall appoint a credentials committee to inquire into the state and intentions of the church. This committee shall make recommendations to the Association, in a regular or called meeting regarding the church.

Section 4. Any church desiring affiliation with this body shall petition the Association, in writing on a form approved by the Executive Committee no later than forty-five days prior to the October meeting.

FLORIDA BAPTIST WITNESS

The circulation of the WITNESS continues to climb upward with many of our churches sending the State Paper to their church families. Churches are encouraged to place the FLORIDA BAPTIST WITNESS in the budget along with other church literature including every family on the subscription list.

Subscription prices for the WITNESS are very reasonable. Individual subscription price is \$4.75. Club groups (five or more) can obtain the WITNESS for \$3.75 per year. Churches on the budget plan sending the paper to every resident family can get the paper for \$3.50 per subscription per year.

THE FLORIDA BAPTIST WITNESS is also offered free to newly-constituted churches. The offer is for one year on the basis that the church agrees to include the WITNESS in the budget the following year for each family. This plan is made possible through the joint efforts of the FLORIDA BAPTIST WITNESS and the Mission Division of the Florida Baptist Convention. A new congregation has the opportunity to enjoy the WITNESS for two years for the price of one.

Information on any promotional plans and services can be obtained by calling (904) 396-2351 or writing the FLORIDA BAPTIST WITNESS at 1230 Hendricks Avenue, Jacksonville, Florida 32207.

The WITNESS is ready to serve when a church is ready to be served.

FLORIDA BAPTIST FOUNDATION

The Florida Baptist Foundation, an agency of the Florida Baptist State Convention, serves Florida Baptist by assisting individuals and their attorneys in preparing wills favoring Florida Baptist causes, and in establishing trusts where the earnings go to Baptist causes.

The executive secretary-treasurer of the Foundation, George R. Borders, is available to the associations, churches, groups of Baptists and individual Baptists to disseminate information and give assistance in this field.

Recent major accomplishments include:

1. Received and invested \$77,630.48 in new permanent money for Baptist causes during the period from October 1, 1980, to August 1, 1981. Established five new trusts during this

- period. Handled all existing trusts in accordance with the agreements or terms of wills.

SUNDAY SCHOOL REPORT

SUNDAY SCHOOL is the cutting edge of our outreach and it must be well organized, well maintained and well staffed to do it's best work. It is the role of the Associational Sunday School Department to ASSIST you in that work. The following events were sponsored and carried out by your Associational Sunday School in the past church year:

In October, there was a pastor's and directors fellowship supper held at Midway, the program included a fine meal, prepared by the host church and a materials presentation by Frank Delrose from the State Office.

In January, the Bible Study in the book of Philippians was well attended across our association with at least three hundred sixty-three persons receiving study course credit in that area alone. (We had eight hundred twenty seven total credits in all areas, which shows a healthy attitude towards preparation and Bible study).

In March, our Vacation Bible School Team, led by Dr. Mark McCoy, and made up of nine other volunteers traveled to Lake Yale to attend the State V.B.S. Clinic and prepared themselves to conduct a training clinic here in our own association in April.

From the reports that have come in, we can expect an excellent year in Middle Florida in V.B.S. work. Several of our churches have reported growth in the number of teaching units of their Sunday Schools and have received recognition from the Association and the

State Office.

We are thankful to God for the growth and the advances that are being made through our Sunday Schools. Stay in tune with SUNDAY SCHOOL and stay in touch with GROWTH.

ANNUITY BOARD REPORT

According to Dr. Darold H. Morgan, President of the Southern Baptist Convention's Annuity Board, "Nineteen hundred eighty has been a year of unprecedented growth and startling change".

A total of \$21,059,479 in retirement benefits were paid while the premiums income totaled \$87,939,590.

Our Director of the Florida Annuity Program, Richard M. Barber says that the "Churches of the Florida Baptist Convention are continuing to raise the level of retirement benefits provided their Church staff personnel". 477 churches in Florida upgraded their benefits in 1981.

The Annuity Office stands ready to assist any church, pastor or other staff member. Plans for 1981-82 have been completed. There will be 27 Associational meetings and one retirement planning conference.

Brethren, it is more important than ever that we plan for the future. The high cost of inflation has proven that no one plan of retirement is sufficient within itself. It is going to take your participation in the Annuity Program of our denomination and your participation in the Social Security — and then some.

FLORIDA BAPTIST RETIREMENT CENTER

This year the Florida Baptist Retirement Center celebrates twenty years of service. Its original intention was to provide adequate Christian care in a homelike atmosphere for the aging residents, with such care resulting in a happy experience during their last years. We feel that this mission is being accomplished.

There is a growing interest in the ministry of the Retirement Center. At present, there is such a list of applicants that a two-to

three year waiting period is not unusual.

The Center facilities, on 23 acres of beautiful Indian River property, include 14 duplex apartments, 5 efficiency apartments, 23 single bedroom units and a 24 bed skilled nursing home. The Center has a maximum capacity of 85 residents. It is dedicated to the physical, mental and spiritual well-being of each resident.

Applicants must be residents of the State of Florida and members in good standing with a Baptist church cooperating with the Florida Baptist Convention for at least 12 months prior to application. The minimum age is 62.

Persons seeking residency must be interviewed by the resident manager, William H. Lord, Sr. Applicants must complete required form and send in a non-refundable application fee of \$25 along with a letter of recommendation from their pastor.

The ministry of the Florida Baptist Retirement Center is made possible by the support of Cooperative Program gifts and the prayers of the people of this state.

Anyone who would like more information regarding the Center or an appointment to visit the Center may do so by contacting the Center at P.O. Box 460, Vero Beach, Florida 32960.

FLORIDA BAPTIST CHILDREN'S HOME REPORT

Brother Walter Delamarter continues to do an excellent job as our Children's Home State Executive Director.

Our Lakeland campus has had much improvement during the past year. Richard Phillips serving as our area administrator reports that the "Emergency" shelter that was converted to a "Secure" shelter in 1979 has surely paid off having ministered to over 175 children during this year.

The number of churches contributing to the Children's Home on Mother's Day in 1981 exceeds the previous year by far. The Middle Florida Association last year reported only eighteen (18) churches contributing on Mother's Day 1981. We have four (4) more giving making a total of 22.

Our Miami Branch Children's Home at 7748 S.W. 95th Terrace, under the capable administration of James D. Soles is progressing nicely. He and his dedicated staff are doing a great work there with our children. Let us just praise the Lord for all these dedicated

servants of the Lord.

Now let me tell you about our Tallahassee Campus which continues to grow and be more productive each year. The most recent addition has been the enlargement of the office building. Office space has been added for the additional staff that has been gradually added and a new conference room is now available for board meetings, etc.

At the September Board meeting plans were confirmed to start construction on the third residence. Construction has started as of October 1st. This will enable the campus to serve ten more children, making a total of thirty-two (32) children on the Tallahassee Campus.

Jerry Edwards, Area Administrator, and Bunette Peeler, child care worker lead a workshop in Orlando this summer for the Florida Group Child Care Association on the Religious Needs of Children. This was a state-wide meeting and well attended by child care workers all over the State.

One of the residents who had lived in the Children's Home for eight years completed a nurse-tech training course and went out on her own at the age of eighteen (18). She is employed in a local hospital and plans to attend school for further training this fall.

The campus continues to grow in size and quality trained workers. The campus ministry continues to reach out and serve children and families in our area. The Tallahassee Campus has served a total of 50 families during the year 1980-81. We are continuing to cultivate our growth and development in North/Northwest Florida, and have opened an area office in Ft. Walton Beach. Our ministry is meeting the needs of many children and encouraging family unity in which we believe.

WOMAN'S MISSIONARY UNION REPORT

Woman's Missionary Union emphasis for 1980-81 was Life-Changing Commitments. The 1980-81 W.M.U. watchword, "Commit thy way unto the Lord, trust also in Him, and He shall bring it to pass" (Psalm 37:5), and the 1980-81 hymn, "Take My Life and Let It Be", went hand-in hand. New commitments and changed lifestyles were evident in members of Florida Woman's Missionary Union.

The denominational emphasis, BOLD MISSION THRUST, provided these goals: Bold Growing, Bold Going, Bold Giving. As Woman's Missionary Union strengthened its ongoing tasks of mission study, mission support, mission action and direct evangelism, W.M.U. members were involved in BOLD MISSION THRUST.

Five W.M.U. Leaders' Conferences were held-providing training for Associational and Church W.M.U. leadership.

The 87th Annual Session of Florida Woman's Missionary Union was held on April 21-22, 1981, at First Baptist Church, Gainesville, with 1,050 registered.

Ten weeks of Girls in Action and Acteen Camps were held at Lake Yale Baptist Assembly and West Florida Baptist Assembly.

Florida Woman's Missionary Union launched an Enlargement Plan as part of the National W.M.U. Enlargement Plan. Last year Florida W.M.U. increased by 4% and it is the goal of W.M.U. to have missions education in EVERY church and mission by 1983. Five women have been selected to serve as Florida Starteam members. These Starteam members will assist associational leaders in a personal visit to each church reporting no mission education. Middle Florida Association Starteam member is Mrs. Roger C. Smith, from Tallahassee, Florida.

Middle Florida Association has eight (8) churches reporting no W.M.U. organization.

Middle Florida Association W.M.U. held four rallies and participated in the joint Brotherhood-W.M.U. meeting in July.

YOUTH RALLY REPORT

“The Love of God is greater far
Than tongue or pen can ever tell
It goes beyond the highest star
And reaches to the lowest hell.”

(F. M. Lehman)

My pen nor my tongue can tell of the love that God has bestowed upon me while serving as Youth Rally President this past year. This love was demonstrated by the many individuals who prayed with me through many hours of arduous tasks and were there to reap the fruits of our labour. There would have been no way for our Rally to stand if it was not for Vice-President, Mike Waller; Secretary/Treasurer, Cindy Ragans; Music Director, Edward Sapp; and Pianist Andy Daughtry. These fine Christian individuals were the backbone of our rally and the support that I needed.

The Rally has been the most active organization in our Association with meetings every third Saturday of the month and an average attendance of 158 for the year.

Even though the average attendance is the highest in the history of the Youth Rally, only eight to ten churches participated. But, the more devastating fact is that only four pastors attend our monthly meetings. It is a disgrace that only eight of our twenty-eight churches participate and a shame that our pastors don't come. If the youth are to become the church of tomorrow then we need to train them today. From one preacher to another, “I BESEECH you therefore, brethren, by the mercies of God,” to bring your youth to our rallies for a spiritual blessing. They need it in this day and time.

To report on a more pleasant subject, the rally surprised many people this past August. We sponsored a tent revival during the week of August 17-22. Never before have I seen scores of people making decisions for Christ. Our attendance consisted of all ages from many denominations across the Middle Florida area.

My prayer is that the Youth Rally will continue to grow and bring up a group of soldiers that will shine God's light in the churches, homes and school campuses across Middle Florida.

Please pray for the up-coming year as President, Jody Read; Vice-President, Mike Waller; Secretary/Treasurer, Sheri Stokes; Music Director, Brenda Miller; Pianist, Andy Daughtry; and Pastor Advisor, Rev. Bobby McCray with alternate Rev. Dozier Sapp, take the reins

of leadership.

"The grace of the Lord Jesus Christ, and the love of God, and the communion of the Holy Ghost, be with you all. Amen."

COLLEGES AND SEMINARIES

WAKE FOREST, N.C. - Southeastern Baptist Theological Seminary has just completed its 30th year with an enrollment of more than 1,400 students studying under a competent faculty of more than 55 men and women in 6 degree programs.

During commencement exercises in May, diplomas were granted to 285, bringing to 4,407 the number of alumni since the first graduation in 1954.

Development activities during the current year have focused on Southeastern's "Equipping for Bold Mission" campaign. Gifts and pledges have now passed the \$3,000,000 mark with the goal of \$3,500,000 expected to be met by the December 31, 1981 deadline.

Southern Baptist Convention support and control of Southeastern Seminary is maintained through the Cooperative Program and a 30-member Board of Trustees.

During the 1980-81 year, the Cooperative Program will provide \$2,510,000 or 70.88% of the operating budget. The strong financial support of the Convention makes it possible for the fees for students to remain at \$200. A surcharge is levied for non-Southern Baptist students.

FORT WORTH, TEXAS - Southwestern Baptist Theological Seminary, largest of six such institutions owned and operated by the convention, continues to provide major contributions to Bold Mission Thrust through leadership training for local churches and world-wide missionary efforts of Southern Baptists.

During the 1980-81 academic year, a record 4,412 students were enrolled in ministry training. This was the 14th consecutive record annual enrollment and represented almost a 2 per cent increase over the previous year. The total included 3,587 men and a record 770 women. Of these, 1,011 were mission volunteers and 1,324 were first-time students.

The seminary's budget was a record \$8,6 million. More than one-half of the budget was provided by the SBC Cooperative Program. Endowment topped \$15 million, and assets totaled more than \$47

million at the close of the fiscal year.

LOUISVILLE, KENTUCKY — God has blessed Southern Seminary and given it a place of responsibility and strategic importance as it prepares ministers for Bold Mission Thrust.

Established in 1859 in Greenville, South Carolina and moved to Louisville in 1877, Southern Seminary today is engaged in missions and evangelism in a dramatic way.

Located just four miles from the Bold Mission Thrust target region of the Great Lakes states, Southern Seminary spearheads week-end witnessing and preaching ministries to one of America's largest and most challenging mission fields. Students serve in hundreds of new-church situations in Indiana, Ohio, Michigan and Illinois.

During Southern Seminary's 122-year history of training men and women for Christian ministry, more than 15,000 graduates have scattered throughout the world—laboring in the Lord's vineyard as pastors, ministers of education, ministers of music, teachers, chaplains, counselors and missionaries. The seminary presently prepares God-called individuals for more than two dozen ministerial roles in the service of Christ and His church.

BROTHERHOOD

The Brotherhood of the Middle Florida Baptist Association conducted four meetings during the year with an average attendance of 72 men. We currently have 14 churches with an active Brotherhood.

Brewer Lake Baptist Church sent 7 men to Honduras for one week to help in construction of a church building. While there, they witnessed and helped bring Christ to the local people. The men from First Baptist of Lee had men go to Pickett Lake and help construct a conference building and repair the administration building which had burned. We had reports from churches in our association that had mission ministries in rest homes, and for the aged or handicapped of their church.

Volunteerism is presently both a challenge and a problem. The two mission boards have the opportunities but do not have an organization for the churches. The Brotherhood Commission has volunteered to be the coordinating agency, using State

Brotherhood Office and church organizations.

The State Brotherhood has welcomed Howard and Jean Girard as Mission Service Corps Volunteers to promote and coordinate volunteer mission work. The State Brotherhood has conducted leadership conferences, at Lake Yale Baptist Assembly, with 487 adult leaders present. Conducted Royal Ambassador Counselors Campcraft Clinics. Royal Ambassador Congress, and seven weeks of State Royal Ambassador Camps with 767 Christian decisions made.

The objective of the Brotherhood is "Helping churches involve men and boys in mission." Everything that your church Brotherhood does should be weighed on the scale of this statement. Brotherhood is to reach the world for Christ through missions.

EVANGELISM

In the year 1979-80 the Baptist of Middle Florida baptized 155 people in 28 churches. Five churches baptized over ten, six baptized 5 to 10, thirteen baptized less than five and three churches reported NO SOULS LED TO JESUS. When you consider the total membership of Middle Florida this is a ratio of 1 to 24; meaning it took 24 people to lead one person to Christ. The fields are white to harvest but somehow the spiritual crops lay dying in the fields. If each adult (about 1/2 the population of Middle Florida Baptists) could lead just one (1) person to Christ this year it would mean 1,825 souls for Jesus, will you take the challenge?

Some goals reached this year were: a Lay Evangelism School for the Middle Florida Baptist Association to teach laymen to share their witness for Jesus and, a youth led Associational Tent Revival seeing many souls won to Jesus and others motivated to a higher plane. The year ahead presents many challenges and great appointments for Jesus! Let's take advantage of them for His Glory!

1. 1980 Associational "M" Night Attendance was 186. (State-wide was 16,025).

3. Associational Children's Bible Drill, Youth Bible Drill and Speakers' Tournament was held March 20, 1981 with these participating: Youth Bible Drill - 2; Youth Speakers' Tournament - 1; Churches represented - 2. 1982 Associational Drills and Tournaments will be held on March 5, 1982 at 7:30 P.M.

During this same period, 19 churches in our association earned 827 awards. Again this year, three special awards will be presented from the State Church Training Department at "M" Night. These will go to the churches with (1) the largest total number of awards, (2) the largest number of awards in Church Training Leadership, and (3) the largest percentage of total awards compared to total church membership.
6. "M" Night, 1981, will be held November 17, 1981 at Pleasant Grove (Taylor), 7:30 P.M.
7. A Regional Church Training Convention, including Children's and Youth Bible Drills and Youth Speakers' Tournament, will be conducted in our area by our State Church Training Department at Trenton on March 26, 1982, afternoon and evening.

As we strive to be more like Christ in our lives, let us remember: CHURCH - THE SUNDAY NIGHT PLACE FOR DEVELOPING DISCIPLES.

BAPTIST CAMPUS MINISTRY

The 1980-81 Baptist Campus Ministry at North Florida Junior College was one of the most active ever. The BCM not only ministered to the needs of students on campus, but also ministered to churches in the area. The churches were gracious enough to give us time to tell what the Lord was doing with and through us at N.F.J.C. Churches that we ministered to were: Corinth, New Hope, Faith, Rocky Sink, Cherry Lake, St. Johns, Mt. Olive, First Baptist in Perry, First Baptist in Madison, and Midway. The Lord really used us in a ministry to the people of this area.

This year, we have begun with renewed enthusiasm. Already we have attended and sang in revival services in the area. Our group is larger, and growing stronger in the Lord. We have also been blessed already this year by the Florida BCM Intermission Team. This Team, consisting of four college students is traveling the state helping start new BCM's and encourage existing ones like ours. Two of the Team's members, Kim Newman and Patti Judah are from our own Association. This Team performed for us and gave ideas to strengthen our fellowship.

Our new sponsor, Gwen Faulkner of Perry, has shown a tremendous willingness to work for the Lord. She is making us very proud. We need your prayers and support as we live for Christ on the N.F.J.C. campus.

STEWARDSHIP

The Christian steward is to live the responsible life. He begins with acknowledging that God is Lord and owner of all. He then acts on the assurance that his God is gracious to provide and to guide. The Christian steward approaches life from a Christ-centered view.

During the year 1980-81, Middle Florida churches gave \$75,386 through the Cooperative Program, and \$10,545 for Associational Missions. Twenty-seven of our twenty-eight churches gave something through the Cooperative Program, which was 9.4 percent of the total receipts. Twenty-two churches gave to Associational Missions. A total of \$139,068 was given to all mission efforts in Middle Florida Association.

BOLD MISSION THRUST began as a dream for Southern Baptist 1976-77—a bold dream of greater mission support and church growth. Middle Florida has experienced both as all departments reported an increase in membership last year. Let's continue our commitment to BOLD MISSION THRUST and take specific actions as individuals and churches.

Each church in Middle Florida Association is encouraged to:

1. Give something through the Cooperative Program.
2. Increase the percentage of its total budget income given through the Cooperative Program.
3. Increase the percentage of total budget income for the support of associational missions.

LET EVERY CHURCH in the Middle Florida Association demonstrate its genuine concern for and commitment to world missions through BOLD LIVING and BOLD GIVING.

ELBERT C. TYNER YOUTH CAMP REPORT

More than 90 campers enjoyed the E.C. Tyner Youth Camp this year. We had 22 staff workers which included a summer missionary in music.

The Camp was not without its problems. We had three of our preachers who canceled out at the last minute because of unforeseen problems. We want to thank Brother Howard Money who stepped in at the last minute to help us. Also, the teenagers this year were just outstanding. They conducted themselves like mature adults and were able to handle very unusual circumstances. One of these was that we were hit by a stomach virus the first night of camp. The virus spread from one child to another. Thank the Lord, it only lasted about 24 hours, but we had about 10 campers down with it at all times. Even our nurse had it one night.

One camper was so excited about the camp that she just talked and talked about it with her family on Friday night at the supper table. Her older sister after hearing about the virus going from camper to camper, finally took all she could, and said, "I'm sick of hearing "Camp Puke-a-monya". That's a very good description of how things were this year. We pray that it will never happen that way again.

Next year The Camp is scheduled the last week of July 26-30 and we hope that you will place these days on your church calendar. We will endeavor to hold the fee again to \$25. With the way inflation still grows, I don't know how much longer we can continue to hold it to \$25.

The Camp Staff consisted of: Dr. Mark E. McCoy, Director, Rev. John Dorman - Assistant Director & Canteen Director, Mr. Doil Burnett - Sanitation Engineer, Rev. Howard Money - Teacher Group 1 (9) (21), Rev. John Dorman - Teacher Group 2 (10-11) (30), Mr. Terry Bennett - Teacher Group 3 (12) (15), Miss Becky Mathis - Teacher Group 5 (Mixed), Mrs. Sarah McCoy - Nurse, Rev. Lamar Anderson - Camp Pastor & Athletic Director, Mr. Ray Wesson - Life Guard & Boys Dorm. Counselor, Mr. William Green - Life Guard and

Boys Dorm. Counselor, Mr. Andy Daughtry - Pianist, Miss Sheri Stokes - Assistant Pianist, Miss Becky Mathis - Music Director and Girls Dorm. Counselor, Miss Kim Newman - Assistant Music Director and Girls Dorm. Counselor, Mr. Ream Stokley - Assistant Boys Dorm. Counselor, Miss Linda Loughary - Girls Dorm. Counselor.

CHEFS for the week were: Miss Sally Wilson, Head Chef; Mr. Albert Gentry, Assistant; Mrs. Gertrude Gentry, Assistant; Mrs. Sarah McCoy, Assistant; Mr. Doil Burnett, Assistant; and Mrs. Sharon Fletcher, Assistant.

AMERICAN BIBLE SOCIETY

The American Bible Society, founded 165 years ago in 1816, continues to pursue the only purpose for which it was established: the translation, production and distribution of God's Word without doctrinal note or comment, and without profit.

Many advances were made for the Bible cause during 1980. Millions of people learned about our Lord Jesus Christ through the pages of Scripture. ABS would like to express its sincere thanks to the churches and agencies of the Southern Baptist Convention for their share in these successful programs of Scripture evangelism. The denomination's support for each of the past four years has averaged about two cents per member, or a total of \$293,000.

During 1980 the Bible Society of Brazil produced for the first time the Illustrated New Testament in Today's Portuguese. In addition, work is continuing on the complete Bible in this version. This translation is expected to attain the same popularity in Brazil as the Spanish Version Popular Bible received throughout Latin America.

In Nigeria, new translations have been completed to meet the growing needs of Nigerian Christians who are becoming increasingly eager to have the Scriptures in their own languages. For the first time ever the translation in the languages of Angas and Yala were completed. Those who speak these languages will now have a chance to experience a new life in Christ as revealed through His message of love and forgiveness.

To help aid the ABS in its worldwide effort to serve the church and its global ministries, and to strengthen the indispensable partnership between the churches and the ABS, an Advisory Council was

held last year. Representing the Southern Baptist Convention were Dr. Harold C. Bennett, Executive Secretary-Treasurer, Executive Committee of the Southern Baptist Convention and Dr. Porter Routh, his predecessor, both members of the ABS Board of Managers.

At the Advisory Council meeting, of special significance is the adoption of the resolution encouraging "...greater financial support from churches and the total Christian community, especially when viewed in light of U.S. and world inflation. . ." and urging "...the churches to set a goal of at least ten per cent annual growth in financial support to the work of the American Bible Society."

We should increase our gifts in order to assist ABS for the worldwide Bible cause and goals in the future.

HISTORY COMMITTEE REPORT

This report is in loving memory of Edwin B. Browning, Sr. We will certainly miss his leadership and guidance in preserving the rich Baptist History in this area.

The Florida Baptist Historical Society has published in the annual report a year of busy activities.

1. Installed Historical Display Materials in the new building at Lake Yale.
2. Provided research assistance to local churches.
3. Met with several organizations to promote work of the Society.
4. In cooperation with Charles Peterson wrote an article for Florida Baptist Witness about the sketch by Seber Fowler of Clifton Mansion where the Convention was organized in 1854.
5. Indexed the 1980 Florida Baptist Convention Annual.
6. Began an extensive project of photographing and preparing slides of historic documents for use in illustrating Florida Baptist History.

In conclusion, we hope that each church in Middle Florida Association has appointed a Historian and/or a History Committee and has a safe place to store items that could be used in the future in writing the church's history.

If your church is interested in preserving the church records and

recording the history, there are several pamphlets available.

MIDDLE FLORIDA BAPTIST ASSEMBLY

I am extremely delighted to make this fine report of the progress made on our Assembly Grounds during this year. Our first detail was to rework the sewer system in the two block dorms. We completed that job, and the camp manager said that it is working nicely.

Next in line was completion of the Conference Building. Thus far, we have the building complete with all electrical, heating and air conditioning, and plumbing and fixtures installed. The sewer system, including a 1,000-gallon tank was installed, also. As of September 16, 1981 the only work to be completed includes the paint job and installation of the floor covering. (The contractor has already been with the material for the floor.)

Our Administration Building was burned by lightning during the summer. The insurance company sent an adjuster to estimate the damage incurred. Her estimate was \$24,050.00 to repair the structure, the amount of the check which the insurance company sent us. I am proud to announce that the building has been renovated, and is now ready for use. We installed new wiring and electrical fixtures, new plumbing and fixtures, new air-conditioning, a very beautiful floor covering, and brick veneered the building. We did all of this with some special labor from Lee First Baptist Church, and others, and had a balance left from our insurance. We plan to move equipment into the offices next week.

There is much more work to be done here. We need to do some work on the two wooden dorms. That takes money. One man has offered to donate at least 25% of material and labor if we will go to work and prove that we mean business.

COME ON, BAPTISTS. LET'S GET THE JOB DONE.

Your President,
I. T. Carter

UNITED CHRISTIAN ACTION

United Christian Action continues to reach out across Florida in opposition to pornography, alcohol, narcotics and gambling, prostitution, loan-sharking, child abuse, broken homes and dozens more gross sins, while at the same time attempting to bring about changed lives of those involved or tempted.

We are alarmed to learn that more junior high school boys and girls are alcoholics than ever before in the history of our country, and more high school young people are becoming alcoholics than ever before in history, too. The use of other drugs has not abated. We are made to think that young people have transferred their affections to alcohol from quaaludes, cocaine, barbiturates and marijuana, but such is not the case. Instead they are now combining the two, making their use even more deadly.

Persuading legislators concerning good and bad bills which affect the lives of the citizens of our state has never been more important. We must systematically encourage our legislators to vote for morally sound legislation and compliment them when they do.

The support given to United Christian Action by the State Missions Offering of the Florida Baptist Convention is the source of our existence. United Christian Action urges local churches to supplement their State Missions Offering by placing UCA in the local church budget.

MUSIC REPORT

Church Music in Florida is still growing under the capable leadership of Paul Bobbitt and his associate Jim Morrell. While we thank God for the increase, we have to remind ourselves of the tremendous flocks of people coming to Florida every day and the challenge we have.

In Middle Florida, we had 100% of our churches reporting their

music enrollment even if it was only 1 (the pianist) thanks to the efforts of our dedicated clerk and music committee. Our attendance at our Music Festival was 300 with 8 churches represented. We had 14 youth attend Lake Yale Youth Music Camp representing Elizabeth, Beulah, Cherry Lake, Lee First and we adopted two youth from First Monticello. All the youth came back more excited about telling the story of Jesus through song. At the Lake Yale M & M Clinic for leaders, we had Pleasant Grove (Taylor), Mayo and Elizabeth represented with a total of five people attending.

At PraisFest '81 at Stetson last April, we had our largest group from Middle Florida attending with approximately 42 youth from Madison First, Central, Elizabeth, and First Monticello. What a great blessing to join voices with over 2000 other Youth in Florida singing gorgeous songs under Buryl Red's direction.

Another plus for our association was having a summer music missionary at our Middle Florida Youth Camp.

What about this year 1981-82? I truly believe Middle Florida has caught the fire of evangelism and Bold Mission Spirit. In the summer, our music council met and made plans for this year. We have an outstanding committee of committed men and women who stand ready to help any of our churches. We were grateful to have 14 present at our Associational Church Leadership Workshop at Faith with ten (10) churches represented. The talent and commitment I saw in this group after being multiplied by God promises much fruit this year!!

Important dates this year are February 6, Saturday — Associational Music Festival at Madison First, Children at 6 P.M. — Youth and Adult Choirs at 7 P.M. Saturday, April 17 — Associational Choir Workshop with Paul Bobbitt, Music Director of Florida Baptist Convention leading, Pleasant Grove (Taylor) from 2 P.M. - 9 P.M. (\$5 registration pays for packet of music and supper). April 30 — PraisFest '82 for Youth Choirs, Curtis Hixon Hall, Tampa — Celebration of World Missions. We are praying for a lot of people from Middle Florida Association to experience these blessings.

Remember to check the calendar for the Music Camp dates at Lake Yale and send your youth. Your church will receive a blessing!!

Linda Demott

DIRECTOR OF MISSIONS REPORT

I am grateful for the opportunity of serving as your Director of Missions. I appreciate the way I have been received in the churches and am always happy for an opportunity to be helpful.

This has been a year of change in many of our churches. Nine churches have had a change in pastoral leadership this year. The high inflation rate continues to put pressure on our church budgets, and if we are not careful, we will be doing less and less at a time when we should be doing more.

I have visited in all the churches this year except two and also attended the Florida Baptist Convention meeting in Panama City, the Associational Leadership Planning meeting and the Directors of Missions meeting at Lake Yale.

The Lord has opened the door and I have moved to Madison County. I will continue working with the State of Georgia in Valdosta. However, I will be living in the Association and can be available and be more involved in the Association especially during the week for night meetings. This will also cut down on the amount of travel necessary in working with churches.

These are some goals that I believe the Association should work toward.

1. Establish an Associational Office where we can keep records, equipment and materials. This would strengthen our work and enable us to be more helpful to the churches.
2. Explore the possibility of developing a joint program with a neighboring association so that we can share a full time Director of Missions and build a stronger program.
3. Increase the support of the Association by the churches. This needs to be done by more involvement in the Association and by increased financial support of the Association. I believe a strong Associational program will help undergird our total Southern Baptist Mission program. There has been an increase in Associational Mission support every year that I have been involved. Some of our churches have raised their gifts to 3% of their budgets but we need all of our churches.

RADIO AND TELEVISION REPORT

The Southern Baptist Radio and Television Commission — the denomination's broadcast arm — is moving "with all deliberate speed" to seize a telecommunications opportunity that will mean a giant leap forward in Bold Mission Thrust communication.

The opportunity — low-power television — is a result of the Federal Communications Commissions' decision to enter into a year of rulemaking on low-power television stations and to accept applications for those stations to be granted during this process.

"This opened up a whole new possibility for a television delivery system to the nation," said Dr. Jimmy R. Allen, Commission president.

Allen said some steps had to be taken immediately to secure the opportunity for the future. "This process is being worked out with care as well as commitment," he said. "We are convinced the day will come when Baptist will have access to virtually every home in America." This access would enable Baptist to share the gospel, represent the denomination, provide entertainment and pre-evangelism communication, and help strengthen family units.

Additionally, consultations with the Foreign and Home Mission Boards about media strategies have produced new efforts to use Spanish-language television across both this country and other Spanish speaking places in the world.

The Southern Baptist Video Network also has created new opportunities to help state conventions and other agencies communicate their message by providing adequate video productions for their use.

The radio ministry continues to expand, Allen reported. The Commission's seven major radio programs are aired 5,186 times weekly on 3,502 stations.

As the Radio and Television Commission's outreach grows, the number of letters from listeners seeking spiritual help also increases, he noted. Mail response to Baptist-produced programming during the past year includes an increase in the number of counseling letters and the number of decisions registered.

Last year 11,007 counseling letters were received. More than 1,000 persons who heard and responded in some way to Commission programs said they had either accepted Christ as Saviour or had re-dedicated their lives to His cause.

FOREIGN, HOME & STATE MISSIONS

Eighty-four (84) persons (69 career missionaries and 15 missionary associates) were added to the missionary staff July 21 in the largest appointment service in Foreign Mission Board history. This addition brings our missionary force to 3093.

The new missionaries include pastors, church musicians, business managers, farmers, teachers, nurses and a fertilizer salesman. They came from 34 states and ranged in age from mid-20's to late 50's.

The 1980 Lottie Moon Christmas Offering of \$44,700,339 equaled 99.3 percent of the goal. This total was \$4.1 million above the 1979 contributions, although it was \$300,000 below the 1980 goal.

According to R. Keith Parks, President of the Foreign Mission Board, Southern Baptist must take specific actions if we are to accomplish the goal of BOLD MISSION THRUST. Dr. Parks supports the appointment of at least one missionary couple a year per association and an additional ten minutes of prayer for churches, associations, missions, and the convention. He also challenged missions giving to increase at twice the inflation rate.

HOME MISSIONS: As Christians our commission is to tell the world about Jesus Christ. Every disciple has a missionary responsibility where he or she lives. But some are called for special places of service. Southern Baptist have a plan called "Mission Service Corps" which is to enlist 5,000 adult mission volunteers who provide their own living expenses and who serve full time for one or two years. Volunteers are needed to accomplish the Southern Baptist BOLD MISSION THRUST goal of telling everyone in the nation about Jesus Christ.

Southern Baptist exceeded the \$17.25 million goal for the Annie Armstrong Easter Offering for Home Missions in July, the second earliest the goal has been reached in the past decade. Total contributions reached \$17,274,088 on July 27. If giving continues for the remaining months, the total offerings by the end of 1981 may exceed \$18.5 million, predicted Leonard Irwin, Home Mission Board vice-president for planning.

STATE MISSIONS: In a recent census data release, Florida was predicted to become the fourth largest state by 1990, accounting for one-half the population growth in the South in the next ten years.

The major priority of the Special State Missions Offering is

sponsoring new churches and missions. This Offering also supports United Christian Action, Palm Beach Atlantic College and the Baptist Home for Children in Jacksonville.

The theme, "Building Florida's Tomorrow" can only be accomplished by the use of tools — prayer and money.

Let's BOLDLY PRAY AND BOLDLY GIVE as we prepare for the growth of our state of Florida.

A TRIBUTE TO

E. B. Browning, Sr.

July 20, 1904

January 12, 1981

As David said of Abner at the time of Abner's death, so I can say of E. B. Browning, Sr., ". . . Know ye not that there is a prince and a great man which has passed on."

Few men could equal "Brother Booze" (as he was affectionately known) as a "speaker" on any subject or on any level. Although History was his forte, he could easily and effectively express, expound, and exhort in areas of Religion, Politics, or temperance.

As a co-laborer in the Kingdom, he was a "Prince" and a "great man". He served faithfully as a Deacon for half a century. For ten years he served as Moderator of this Association. . . and another ten years as Vice-Moderator. He served as Historian for both his church (Madison First Baptist) and this Association for several years. He gave counsel and guidance to other Associational officers and leaders for a period spanning more than fifty years. And, as a "Lay-Preacher" it was said of him, "he could shell the corn!"

It is with deep sense of loss that we now pay tribute to E.B. Browning, Sr. — a dedicated Christian and outstanding Layman.
