In Dedication

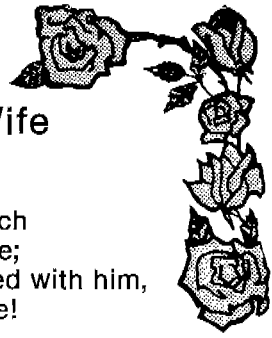

Rev. & Mrs. Thad Entzminger

Rev. and Mrs. Thad Entzminger came to serve as Pastor and wife in Middle Florida Association in 1965. They have served the Greenville Baptist Church and this Association with great dedication.

"Brother Thad" has proven to be a "Prophet and Sage," and has earned the love and respect of all people in this area. A man of intellect, high morals, great faith, and noble spirit, he has become a model for other pastors to emulate. Likewise, his helpmate and wife of many years, Bernice, provides a "Standard of Excellence," an example worthy of observation by those who would seek to visualize the true meaning of Proverbs 31:10-31.

To express our love and appreciation to the Entzmingers, the Association voted unanimously in its Eighty-seventh Annual Session to dedicate this year's Annual to them.

Eddie Humes, Moderator

The Preacher's Wife

There is one person in your church
Who knows your preacher's life;
She's wept and smiled and prayed with him,
And that's your preacher's wife!

She knows your prophet's weakest point,
And knows his greatest power;
She's heard him speak in trumpet tone,
In his great triumph hour.

She's heard him groaning in his soul,
When bitter raged the strife,
As hand in his, she knelt with him --
For she's the preacher's wife!

The crowd has seen him in his strength,
When glistened his drawn sword
As underneath God's banner folds
He faced the devil's horde.

But she knows deep within her heart
That scarce an hour before
She helped him pray the glory down
Behind a closed door.

You tell your tales of prophets brave
Who walked across the world
And changed the course of history
By burning words they hurled.

And I will tell how back of them
Some woman lived their lives;
Who wept with them, and smiled with them --
They were the preacher's wives.

This poem is lovingly dedicated by her husband, our pastor, and the entire congregation of Greenville Baptist Church to Bernice Entzminger on the occasion of her eightieth birthday.

Executive Committee

The Executive Committee is composed of the pastor and one elected member from each church, the Associational officers, Director of Missions, all department heads and chairpersons of standing committees. The Executive Committee meets on even months to conduct business of the Association between the sessions and promote work in the Association.

Our appreciation is extended to Rev. Joe McClung and the Mt. Olive Church for the use of their facilities.

The following actions represent some of the work of the Association through the Executive Committee.

- December 3, 1985:
- Lamar Anderson and Joe McClung were elected to the Middle Florida Assembly Directors.
 - By request from Treasurer G.C. Letchworth, the budget amount for rent and electricity was combined with rent \$150 monthly including electricity.
 - Adopted a motion to support the Billy Graham North Florida Crusade November 2-9, 1986
- February 4, 1986
- Jack Cousins, chairman of the Billy Graham Tallahassee Crusade (Nov. 2-9), spoke encouraging a Call-To-Prayer in preparation for the crusade.
 - A committee consisting of Gene Stokes, Joe McClung and Doug Casey, was appointed to secure insurance rates/conversion expenses on the bus donated for Disaster Relief.
- June 3, 1986
- Noted that Associational Music Program received the "Standard of Excellence" from the State Convention.
 - Clarence Parker, chairman of Evangelism, reported 21 churches participated in the Simultaneous Revivals; 20 professions of faith, 31 rededications and 15 transfers of letter.
 - The Constitution and Bylaws Committee was reactivated with Gene Stokes, chairman.
 - Approved vacation time for secretary.
 - John Daughtry and Ed Sapp were appointed to the Liaison Committee to N.F.J.C. Campus Ministry.

August 5, 1986

- Accepted with regrets, the resignation of Treasurer G.C. Letchworth.
- Elected Geraldine Stokes Treasurer.
- Noted that Music Director Linda Demott has been invited to lead the music in one session of the Florida Baptist Convention meeting in Pensacola this year.
- The Constitution and Bylaws Committee Report was given by Doug Casey recommending changes to come before the Association at the annual meeting in October.
- Dozier Sapp was elected to the Missions Committee.
- Gave Associational approval for financial aid for Bryan David Shepherd (Faith) to attend B.B.I.
- Approved participation in the 1988 World Mission Conference.

The Associational Year 1985-86 has been a good year. An average of sixteen (16) churches had representation in the meetings with an average of thirteen (13) pastors attending. If your church has not elected your representative to the committee, please do so. There have been many events that brought strength and growth to our Association; those are reported by various departments. Let's all rejoice in the good things God is doing in Middle Florida Association.

Stewardship

Your Stewardship Chairman has attended two Stewardship Leadership Workshops this past year. One at Baptist Bible Institute and one at Blue Springs Baptist Assembly. Brother Carlton Owens attended the Blue Springs meeting with me sitting in on the Annuity meeting pertaining to the new Annuity Program to go into effect in 1988.

The Middle Florida Baptist Association also had one meeting this past year in regard to the new Annuity Program for 1988. This meeting was led by Mr. Richard Barber, our State Annuity Program Director. This meeting was held at the St. Johns Baptist Church and was attended well with about 45 pastors and laypersons.

It was my personal privilege to be invited to two of our churches to speak on stewardship. If I can be of service to your church, please feel free to call on me.

There are two requests I would like to make to our churches to do in the upcoming year:

- 1) By faith, increase your missions giving through both the Association and the Cooperative Program.
- 2) The Church Stewardship/Finance Committee place before the church for vote to participate in the new Annuity Program effective January 1988. This approval by the church must be done and reported to the State Annuity Office this year for this reason. The state participates in

this new program in that it contributes up to \$420.00 a year, and they must know if your church aims to participate so the State Finance/Budget Committee can include all the monies needed to finance their part. The state budget for 1988 is completed early in 1987; therefore, the state office needs this information early.

Convention-wide our income has increased in dollars; however, our percentage of giving to missions has decreased by about 2%. The work is greater than ever at home and around the world.

R. Frank Jarvis, Chairman

Sunday School

With the close of another year our Sunday School growth efforts have continued to take on greater dimension. We are now in Challenge 10/90. Ten million enrolled in Bible Study by September 30, 1990. We must set our sights on this goal and work toward it.

Goals and numbers are not interesting to many people but these represent people that Christ Jesus loves and died for. Our efforts in Middle Florida Association must be increased. Over the past three years we have actually lost in Sunday School enrollment and attendance even though the population has increased. We have decreased by 245 in enrollment and 117 in average attendance. At the end of the 1985 church year, we had 27 churches with 5,411 members and 3,682 resident members. Of this total, 2,546 were enrolled in Sunday School with 1,413 average attendance. We have much work to do.

As we attempt to gain in attendance over the coming years, more assistance will be available through your Association Office. The A.S.S.I.S.Team (Associational Sunday School Improvement Support Team) is being organized and trained to assist individual churches in their Sunday School effort.

The Sunday School is our greatest asset in reaching and teaching people who need to know Jesus. A strong effort will be coming shortly in the area of Outreach Bible Study. This is designed for study out in the community to the unsaved.

This past year has been marked primarily by the effort to establish and train the A.S.S.I.S.Team and the annual V.B.S. Clinic to train V.B.S. workers.

Let's PRAY and SUPPORT a strong effort in 1987 for Sunday School growth.

Florida Baptist Children's Homes

"Child Care: Love In Action" is the 1986 theme of the Florida Baptist Children's Homes. It embraces the basic Christian principle upon which the homes have served children and their families for 82 years: "Suffer (allow) the little children to come unto me . . . for of such is the kingdom of God." Mark 10:14.

The breakdown of family life is a chronic problem in our society. The children's homes is an extension of the local Baptist church in seeking ways to minister and restore hope for constructive family life.

CURRENT MINISTRIES

During 1986 the Florida Baptist Children's Homes will minister to 440 children, 246 families, and an estimated 135 additional families through family counseling, referrals and other services. These ministries are being provided through:

- * Residential Care in Lakeland, Miami and Tallahassee
- * Foster Homes across the state
- * Madray Group Home near Okeechobee
- * Emergency Shelter Care in Lakeland
- * Maternity Care for unwed, pregnant girls and women
- * Adoptions
- * Family counseling and referrals
- * Continuing education and after care services

SPIRITUAL DEVELOPMENT

Children in care receive continuing counseling and role modeling by Christian child care and social workers. They attend local Southern Baptist churches and are encouraged to participate in all phases of church ministry. During the year 18 children made Christian commitments in their churches.

FINANCIAL SUPPORT

The Florida Baptist Children's Homes is an agency of the Florida Baptist State Convention. The *Cooperative Program* and the *Mother's Day Offering* represent a major portion of the Children's Homes operating budget: 40%. It is expected that the Mother's Day Offering goal of \$400,000 will be reached by the end of this year and will be the largest in the homes' history.

Other Income is provided by individuals, businesses, foundations, memorials, wills and earnings from endowment funds. (Endowment funds are monies given to the homes for investing to produce annual income which in turn provides day-to-day care for children.)

Free Counseling and printed materials are offered individuals in planning their estate or writing their will. These are excellent avenues for continuing one's stewardship through final distribution.

Iris Thomas

Woman's Missionary Union

In 1985-86 the Woman's Missionary Union emphasis was "Multiply the Vision" using Colossians 1:6 NIV, "All over the world this gospel is producing fruit and growing, just as it has been doing among you since the day you heard it and understood God's grace in its truth."

Our Association has had three rallies which were well attended and much enthusiasm shown.

Our state workers sponsored an Enlistment Campaign at St. Johns in May. We also, in cooperation with our four adjoining associations, sponsored a workshop at Pickett Lake to train our leaders.

Four of our directors attended the annual training at Lake Yale.

Twelve attended a Prayer Retreat at Blue Springs Baptist Assembly.

We have had two Prayer Retreats at Pickett Lake, which were very inspirational.

Four of our ladies attended our annual meeting in Orlando, also four of our workers attended the Southern Baptist Convention in Atlanta.

As we close this associational year, truly we can say: "We are laborers with God." (I Corinthians 3:9)

Marintha Howard

United Christian Action

The work of United Christian Action is in the area of alcohol, narcotics, pornography and gambling. We have had input in churches, associations, state camps and assemblies in each of these areas. Literature has been distributed all over Florida and is available to those who will use it. Excellent 16 MM films are available for churches, adult and youth groups or camps and retreats.

A large part of our attention and effort this year has been in the area of gambling. Both casino gambling and the lottery are on the November 4 ballot, and United Christian Action is cooperative with "S.T.A.L.L. 5" Straight Talk About Legalized Lotteries to combat this menace. A large number of people in Florida need to be informed of the evils of the lottery so that they can vote intelligently.

Those churches which have United Christian Action in their budgets are helping combat moral evil every day of every week. We are grateful to individual contributors who see the need and want to help.

We are grateful to God for the opportunity for service, and to you for your support.

D.J. Abernathy, Executive Director

Church Training

Church Training continues to play a major role in growing disciples and developing believers. The Associational Church Training Program has the responsibility of helping each church to organize, improve and enlarge its program of discipleship development through Church Training.

This is the fourth year of one of Church Training's most exciting themes-DEVELOPING BELIEVERS. The 1986-87 Church Training theme is "Sovereignty and Stewardship." Through this study Church Training members will acknowledge God's sovereignty and be led to demonstrate responsible stewardship of time, possessions, abilities and the gospel.

Some other things our Middle Florida Associational Church Training has done and will do to help the churches with their training opportunities are:

1. 1985 Associational "M" Night attendance, 154 (statewide attendance, 10,560. "M" Night 1986 will be held on November 17, 1986.
2. This year's Associational Youth Rallies will be held each third Saturday evening of the month.
3. The 1987 Associational Children's Bible Drill, Youth Bible Drill and Speaker's Tournament will be held on March 16, 1987.
4. In the first nine months of the 1985-86 church year, a total of 1,664 churches in Florida requested 59,675 awards in the Church Study Course system. Figures for the associations will not be available until the end of September. Again this year three special awards will be presented from the state Church Training Department at "M" Night. These awards will go to the churches with (1) the largest total number of study course awards, (2) the largest number of awards in Church Training Leadership, and (3) the largest percentage of total awards compared to resident church membership. By the way, Florida placed second in total awards received during 1984-85.

Evangelism

In the past year, 1985-86, Middle Florida Association Baptists had one of their most successful years in reaching people for Christ.

In April, 21 churches participated in the Simultaneous Revivals, with 10 of the churches reporting a total of 20 professions of faith, with ELIZABETH leading the way with six. In the total spirit of revival, there were 31 rededications, 15 transfers and three by other means. Some of our churches have been in a spirit of revival all or most of the year.

Some of the churches reporting are: PLEASANT GROVE (L) - 18 baptisms; BETHEL CREEK - 15; ELIZABETH - 14; NEW HOPEFUL - 11; MACEDONIA - 11; BREWER LAKE - 10; and MADISON FIRST - 10.

Florida Baptists as a whole baptized 27,401 persons. This has been a good year of growth in evangelism.

All churches are reminded of the Evangelism Conference in Orlando January 12-14, 1987, and are encouraged to send their pastor to the conference.

Clarence Parker, Chairman

Music

This has been the year to give special support to the "Good News America" simultaneous revivals. We are grateful to hear that music was a valuable tool in bringing revival in Middle Florida as well as throughout the state. This would not have happened if many of you had not committed yourselves to providing music that glorifies God.

In Middle Florida this year, we had 26 churches reporting a Music enrollment of 840. We had 180 attend our Youth and Adult Choir Festival at Lee First on February 8, representing seven churches. This

was headed by Clyde and Jennifer Cruce who have since moved to the Taylor Association where I know they will continue being an asset. We had 57 attend our first Music Festival Fun Day for Children on March 1 at Madison First. We had one church, Elizabeth, send six to the M & M Clinic at Blue Springs in February. This clinic is a great blessing and so close to home. Our Revival Music Clinic at Mt. Olive was attended by 12 representing seven churches with Lester McCullough of the State Music Department leading. On September 4, we had Dennis and Nan Allen lead a Choir Workshop at Pleasant Grove, Taylor, which was attended by 53, representing 11 churches. Elizabeth had one youth attend Harmony Bay Music Camp at Blue Springs and three children and one adult attend the Young Musicians Camp, Blue Springs. Our area director, Bill Davis, met with our Association Music Officers on September 12, with six members present. We appreciate this great support from each of you. Please continue to pray for music leaders in your churches.

Youth Rally

The monthly youth rallies during the 1985-86 church year have been a tremendous blessing to all involved. At the beginning of the year, our team of officers consisting of: President - Gena Stokes; Vice President - Yvette Grucza; Secretary/Treasurer - Teresa Bishop; Song Leader - John McClung; Pianist - Ernie Terry; Pastor Advisors, Rev. Byron Ellington and Rev. Joe McClung met and decided to set high goals for the year. In the past the Youth Rally had never gotten involved in the community, and we felt that this was definitely an area of concern. Therefore, during the months of November and December, we collected items appropriate for nursing home residents. These were then used to stuff stockings which were distributed to the residents during our December Rally held at Madison Nursing Home. Each church also prepared and sang a Christmas Carol. Several boxes of items were also presented to Pine Lake Nursing Home and the Happy Rest Home.

In March we completed another goal by holding a one-day retreat at Cherry

Lake Baptist Church. Classes were available on crafts, puppetry and hand-bells. Afterward, fun and games were enjoyed by all. We hope to make these two projects annual events.

In May we donated \$200.00 to the motel facilities at Pickett Lake. Again in August we donated \$200.00 to the Canteen Fund at Pickett Lake.

Our last goal was to implement an awards program. At the September Rally, the host churches for the year which consisted of Brewer Lake, Cherry Lake, Elizabeth, Faith, Lee First, New Hopeful, Pine Grove, Pleasant Grove (L) and Pleasant Grove (T) were presented with Certificates of Appreciation. The yearly attendance award went to the Brewer Lake Church, while the yearly percentage award was earned by the Pleasant Grove (T) Church. The Faith Church was presented with a Perfect Attendance award.

Our average attendance decreased slightly to 127; however, the spirit in our meetings was GREAT! An average of six pastors attended the rallies. I would like to encourage those churches who did not participate in the rallies this year to do so in the 1986-87 church year. I am confident that in doing so, you will receive numerous blessings.

Brotherhood

We extend to our host churches a heartfelt THANK-YOU (Pleasant Grove (L), Pine Grove, Brewer Lake and St. Johns), you made us feel welcome and the suppers were outstanding.

Our programs for the year featured the Biblical Basis of Missions (Dr. Don Spires), the R.A. Program (Archie Davis and Associational R.A. Leaders), the Mission Challenge (Rev. Ray Etherton) and Women of the Bible (Mrs. Cordie Rutherford.).

Our attendance at these meetings has been down from previous years. If you have suggestions or ideas as to how we could improve the Brotherhood on an associational level, please let us know.

If your church needs help with your men's or boy's units, we'll be glad to assist you or find answers to your needs.

Men, let's put our shoulders to the task before us and faint not.

E.C. Tyner Youth Camp

The year 1986 stands as a banner year for the E.C. Tyner Youth Camp. Fifteen young people made commitments for Christ and were going back to their churches to join and follow the Lord in New Testament baptism. Three young people were led to recommit their lives anew to Jesus and prayed to follow in His steps day by day.

We began the year with \$717.00 in the bank and will end up this year with \$1,013.00 after all the bills have been paid. We had a financial gain this year because of four important areas. 1) Tom Kelley was able to get all the soft drinks this year donated free. 2) I received several anonymous donations just

before camp began. 3) Beryle Scarboro of B & B IGA in Greenville not only sold some items at cost but also gave us 10 percent back (\$130.00) for camp next year. 4) The Brewer Lake Church, THANKS to the leadership of Iris Thomas, not only came and prepared our Tuesday night meal but furnished frozen vegetables for other meals as well.

Of course you cannot provide for 120 campers without having an outstanding staff to help you. For these irreplaceable people I praise God: Rev. Lamar Anderson, Joe McClung, Dusty Cooper, Layton Daughtry, Gene Speight, Mrs. Linda Demott, Mrs. Jane McClung, all served as teachers this year. Our workers who served as staff members were: Tom Kelley, canteen director, Mr. Doil Burnett was our sanitation engineer, Mrs. Sarah A. McCoy, our nurse; Rev. Craig Hartzog was our head lifeguard, with Miss Jacqueline Stokley, Mr. Ream Stokley and Mark Putnal were his assistants. Rev. Dennett Cruce was our camp pastor, Jimmy Burnett, athletic director and Chuck Hayes and Emy Hutto were his assistants.

I need to thank the adults and young people who served as counselors and assistants. Mrs. Malorie Draper, Mrs. Jo Wesson, Mrs. Lounette Hall, Mrs. Allene Speight, Miss Yvette Grucza, Miss Aley McClung, Theresa Bryant, Jacqueline Stokley, Emy Hutto, Shelley Scarboro, James Griffin, Thomas Speight, John McClung, and Greg Burnett.

I know Mrs. Mary Jarvis, our head chef, wants to thank Mr. Harry McRae, Doil Burnett, V.A. Genton and Edna Genton.

We had almost 140 campers and staff this year. We thank the Lord for the many blessings that we saw take place in the lives of our young people.

Next year the camp will be July 20-24, 1987. Plans are already being made for a great year, so we hope to see every church send some of their young people. Pray for us. May God bless everyone of you.

Dr. Mark E. McCoy, Director

Annuity Board

The Annuity Board launched the new Expanded Church Annuity Plan in Florida in April 1986. Dr. Dan Stringer, Executive Director-Treasurer of the Convention, launched the program by sending a letter and a packet of materials explaining the new program to each church. Since that time, there has been additional publicity about the Expanded Program in the *Florida Baptist Witness* and 41 associational conferences have been conducted by the Annuity Program Director. Churches are urged to approve placing their entire church staff in the new Expanded Church Annuity Plan this year. The new program officially begins January 1, 1988.

Some of the statistical highlights of 1985 indicate the Annuity Board enjoyed a year of exceptional growth and achievement. Assets held in trust by the Board grew to \$1,689,798,415. A total of 15,127 retirees were paid \$43,747,325. A record 9,434 Southern Baptist pastors and church staff personnel enrolled in the Church Insurance Program during two months of open enrollment in 1985, and \$551,132 was received for the Board from the Cooperative Program to be paid as relief to retired pastors or their widows. Florida has 1,036 churches and associations participating in the programs of the An-

nunity Board with 1,832 employees enrolled.

In the Middle Florida Association we have 12 pastors participating in the programs of the Annuity Board. According to the current Church Letters to the Association, only two churches have voted to approve the Expanded Church Annuity Plan. This plan does not officially begin until January 1, 1988. However, churches and associations need to adopt it now so that the Florida Baptist Convention can budget for it.

Florida Baptist Witness

"A nation that expects to be ignorant and free,
expects what never was and never will be."

- Thomas Jefferson

In Baptist life, the concept of freedom is woven through all we believe and do. From the priesthood of the believer to congregational government freedom rings loud and clear. For example, the Bible is placed in the hands of all believers not just the clergy. The congregation of believers, not ecclesiastical bodies, determines what the local church will do and how it will support it.

Having a Bible in hand or being a member of a local church will not guarantee freedom. Knowing the Word through Bible study, prayer and participation in the life of a church are safeguards to freedom. Ignorance of the Word and what is taking place in the life of the church and denomination can lead to slavery. As Baptists we must never let others decide what we as individuals believe and know.

A major assignment of the *Florida Baptist Witness* is to provide information. The need for more Baptists to have more information is as great today as in any period of our history.

How can pastors and church members learn more about how their work is being carried out by Florida and Southern Baptist agencies and institutions?

The best and most effective way, obviously, is firsthand knowledge--visiting a meeting personally or serving as a board member or participating in a missions project. Not everyone can serve as a board member, missionary or volunteer, nor attend most meetings. Everyone can, however, be informed about Southern Baptist life by regularly reading his state Baptist newspaper.

The importance of the ministry of the *Florida Baptist Witness* is increasing. More and more pastors and congregations are becoming concerned about the work of Florida and Southern Baptists. Circulation is a record 95,300.

Four subscription plans are available. For an individual subscription, the rate is \$7.50 annually, payable in advance. A club plan (minimum of 10 subscribers) is available for \$6.50 annually, payable in advance. The budget plan, which calls for sending the paper to all resident families is \$5.50 annually or 11 cents per week. Churches are billed monthly for this service. The church page plan, in which the church uses the front and back pages for its own news, is \$4.25 annually per subscriber, plus a weekly printing charge, with

monthly billing.

The *Witness* also is offered to newly constituted churches for one year on the basis that the church agrees to include the *Witness* in the budget the following year for each family.

The *Witness* also will provide a church with a bundle of papers, at no cost for four weeks, to introduce the paper to its membership or to help increase an already existing list of subscribers.

For more information about promotional plans or subscriptions call 1-800-342-8584 or write the *Florida Baptist Witness*, P.O. Box 10289, Jacksonville, Florida 32247-0289.

Middle Florida Assembly

The Middle Florida Baptist Assembly located on beautiful Pickett Lake is owned jointly by seven associations (Beulah, Lafayette, Santa Fe River, Harmony, Middle Florida, Suwannee and Taylor).

The camp has a sleeping capacity of about 180. There were 2,269 persons using the facilities this year with \$11,196.50 collected in fees. During the year, there were 126 decisions for Christ made, 82 of those were for salvation. A total of 47 groups used the facilities.

A work group of 11, under the leadership of Brother Joe McClung, cleaned part of the lake shore and cut several dead trees. Brother Buchanan and I are working on six more adult rooms by roughing in the plumbing. Funds for a concession stand and nurse quarters have been provided by our churches, individuals and the youth association.

Mr. Walter McKinney serves as Camp Manager. The assembly provides an excellent setting for church youth groups, retreats and camps for all ages. Your church will benefit greatly by learning together, praying together and growing in the Lord together.

You may call the assembly at 935-0608 and reserve the facilities for your church.

Rev. Lamar Anderson

Family Life

"The picture of the family circle, the father, mother and children sitting together reading the Bible, is a scene of inspiring beauty. There the Word of God is at work — molding character, lighting the path of good, inspiring deeds of service. Religion has a vital meaning, touching every aspect of life. God is there in the home, working through purposeful lives to create His kingdom."

But how many families fit this pattern? It is the purpose of God that all families have this opportunity - to have a little heaven on earth. But they need help. The Association can help. From the responsible leaders downward, we all need help in reaching such a goal in our family relationships. Several

things can be done:

1. We must admit that we all need help at times.
2. Recognize that others need help.
3. Be willing to expose ourselves to some training that may be offered.
4. Take on responsibilities of helping others.
5. Begin in your local church to do something for families.

I am new at this job as Family Life Director in our Association. I have much to learn. This year will be a learning year for me as well as for those who would agree to work with me within the Association.

In the near future I will be calling on some of you to help me work in this most important program. Right now I need within the Association:

- a. A senior adult director
- b. A single director
- c. Family enrichment director

This task will call for commitment and much learning on our part. But, I believe it will be worth it in the long run.

I have some material for local church use. Please pick up yours before you leave.

Geraldine Stokes, Associational Clerk

State Board of Missions

This year the board held its first meeting in January at Blue Springs Assembly. During this time we had the opportunity to visit Baptist Bible Institute, at Graceville. This gave board members from the South Florida area an opportunity to visit B.B.I. who otherwise would probably never have this opportunity. The meeting in May 1987 will be at the Children's Home in Lakeland, Florida.

You will be happy to know that the Florida Baptist Convention has not had the need of a "Peace Committee" as the S.B.C. has had for some time. We are very fortunate that our leaders have maintained our mission purpose in one accord. This is not to say that we always agree, but so far we have been democratic and Baptist.

As you know, I serve as vice chairman of the Budget and Allocations Committee as well as chairman of the Audit Committee.

The budget that will be presented to the Convention in November in Pensacola is the largest in history, 21.7 million. The committee has spent many hours discussing, shifting, etc., in an effort to present a balanced budget. Cooperative Program giving is down this year. Cooperative Program giving has not increased enough to provide the projected growth needed for Southern Baptist causes and F.B.C. programs, agencies and institutions' desired growth.

You will recall that at last year's convention, we voted to give 50.1 percent to S.B.C. causes, leaving F.B.C. with 49.9 percent. This year we are recommending that we give 50 percent to S.B.C. causes. This will help some in being able to present a balanced budget. Our budget process needs review.

The Budget Committee and Administrative Committee recommended a joint ad hoc committee be appointed to study the budgeting process and particularly that portion relating to percentages to our agencies and institutions. This is a six-member committee (three from B & A and three from Adm.) of which I am one of its members.

The committee solicits your prayer support. We have met once, and will be meeting several times throughout next year. We want our Convention to be financially sound and we want to be fair to our programs as well as our agencies and institutions.

S.T.A.L.L. 5. I'm sure you have heard of it. We are also on this committee

and I urge your church to get organized and participate in this program to help defeat lotteries and casinos. Your pastor has received the information and we must now work to defeat this issue.

We are so fortunate in Florida to have a dedicated state staff. Dr. Stringer has put together a staff that is committed to reaching Florida for Christ. They cannot do it alone, keep them in your prayers.

It has been a pleasure to represent you on our State Board of Missions. Thank you for this opportunity of service.

Director of Missions

I am grateful for the opportunity of serving as your Director of Missions. It is an opportunity that I can assure you that I do not take lightly. It has made it possible for me to be in 24 of the 27 churches in this Association, and 13 of the 16 in the Taylor Association. I have enjoyed fellowship with your people, prayed for your pastor, your church and its leaders, counseled with pastor search committees, pastors and other leaders, preached in your churches, taught January Bible Study, and led in one revival and in the process have traveled more than 30,000 miles. It is great to be able to serve and be involved in the Lord's work in His churches.

The reports from the churches are encouraging, baptisms were up 52 over last year and every area showed growth except Sunday School and Church Training.

Please remember to pray for us and to call on us if we can be of service to you or your church.

Resolutions

Resolution Number 1: ANTI-LOTTERY AND CASINO RESOLUTION

WHEREAS, the citizens of Florida are being urged by gambling interests to vote "yes" on a state operated lottery on November 4; and,

WHEREAS, the member churches of the Middle Florida Baptist Association and Florida Baptist Convention are alarmed about the devastating consequences of the gambling industry upon the moral and economic life of our state and its family units; and

WHEREAS, the gambling industry continues its well-financed efforts to expand gambling under the guise of improving Florida's educational system; and

WHEREAS, through a lottery the State of Florida would be required to promote "gambling" upon its citizens as a "good" way to raise money; and,

WHEREAS, lotteries exploit those who can least afford to be misled into believing that they can gain unearned wealth; and,

WHEREAS, state operated lotteries have been repeatedly shown to be notoriously inefficient, difficult to administer, and prone to corruption; and

WHEREAS, the twin problems of corrupt gambling and crime will increase with state operated lotteries and further intrusion by organized crime will be encouraged;

BE IT THEREFORE RESOLVED, that the MIDDLE FLORIDA BAPTIST ASSOCIATION, representing the member churches of the Association, ex-

press our opposition to legalization of a state operated lottery and request the members of our congregations and citizens of our community to vote "NO" on the lottery on November 4, 1986.

WE further urge concerned citizens to use their influence to get others to join them at the polls for a "NO" vote.

Resolution Number 2: APPRECIATION TO THE BREWER LAKE AND GREENVILLE BAPTIST CHURCHES

WHEREAS, the Middle Florida Baptist Association has met in its 87th Annual Session; and

WHEREAS, the messengers received gracious hospitality and delicious food and enjoyed the finest fellowship in the host churches,

THEREFORE BE IT RESOLVED, that the Middle Florida Baptist Association expresses appreciation to the members of the Brewer Lake Baptist Church and the Greenville Baptist Church for their hospitality and reception.

Resolution Number 3: APPRECIATION FOR ASSOCIATIONAL OFFICERS

WHEREAS, the Middle Florida Baptist Association has been blessed with capable and dedicated leadership this past year, and

WHEREAS, the officers of the association have been faithful in carrying out their respective duties in a manner that has been conducive to unity and harmony;

THEREFORE, BE IT RESOLVED that the messengers of the 87th Annual Session express appreciation for them and their contribution to the work of the Middle Florida Baptist Association.

Resolution Number 4: APPRECIATION FOR DIRECTOR OF MISSIONS, CARLTON OWENS

WHEREAS, Carlton Owens, completing his ninth year of service as Director of Missions for the Middle Florida Baptist Association; and,

WHEREAS, Carlton Owens has given effective, positive leadership to this Association and has labored diligently in this office for the furtherance of the Kingdom's causes.

THEREFORE, BE IT RESOLVED, that we express sincere and deep appreciation for him and his commitment to the work of this Association; and,

BE IT FURTHER RESOLVED that we pledge to him our continued love, financial aid and prayerful support for his ministry.

Resolution Number 5: APPRECIATION FOR DR. E.J. DANIELS

Upon receiving from Mrs. Elizabeth Daniels the report of the doctors concerning Dr. E.J. Daniels' condition, our hearts are deeply saddened. All who have known Elizabeth and Elam Daniels through the years have been challenged to more unselfish devotion to our Lord and the task He has given us by their exemplary lives. Because of the past performance of these two, their present need and not uncertain future because of The Lord Who Loves and owns them, we of MIDDLE FLORIDA BAPTIST ASSOCIATION in our 87th Annual Meeting do, therefore resolve;

WHEREAS, our beloved fellow servant has come into critical and trying times, we pledge to hold them up in our prayers and are ready to assist in any way our Lord will permit.

We love you for your work's sake and look with you to the Lord
for His answer. We join you both in
"NOT MY WILL BUT THINE BE DONE."

Thad Entzminger, Chairman
Dennett Cruce, Gracie Webb
