In Dedication

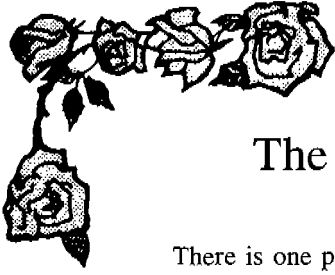

Rev. and Mrs. L. Chatman Hicks

“The Cross is Not Greater Than His Grace” has been a major tenant in their lives. Their ministry spans over 42 years as pastor, preacher and has contributed to the expansion of God’s work in several associations and numerous individual churches.

God has blessed them with three children, each of whom is serving the Lord in various capacities in their local churches.

A special blessing they are able to give is the sharing of God’s handiwork through flowers and floral arrangements. Many churches, his office and home have been blessed by the presence of beautiful flowers which they grew and arranged.

They have shouldered their cross and we are blessed thereby. God bless you richly and may God’s grace continually abound, as we recognize you and dedicate this 1989 Annual to you.

The Preacher's Wife

There is one person in your church
Who knows your preacher's life;
She's wept and smiled and prayed with him,
And that's your preacher's wife!

She knows your prophet's weakest point,
And knows his greatest power;
She's heard him speak in trumpet tone,
In his great triumph hour.

She's heard him groaning in his soul,
When bitter raged the strife,
As hand in his, she knelt with him--
For she's the preacher's wife!

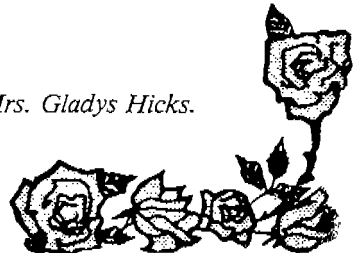

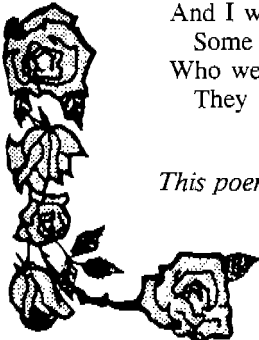

The crowd has seen him in his strength,
When glistened his drawn sword
As underneath God's banner folds
He faced the devil's horde.

But she knows deep within her heart
That scarce an hour before
She helped him pray the glory down
Behind a closed door.

You tell your tales of prophets brave
Who walked across the world
And changed the course of history
By burning words they hurled.

And I will tell how back of them
Some woman lived their lives;
Who wept with them, and smiled with them--
They were the preacher's wives.

This poem is lovingly dedicated to Mrs. Gladys Hicks.

Executive Committee

The Executive Committee is composed of the Moderator, Vice-Moderator, Clerk/Treasurer, the heads of the department of work in the Association and one member from each church and the pastors of the churches in the Association. The Executive Committee meets on even months to conduct business of the Association between the sessions and promote work in the Association.

Our appreciation is extended the membership of the Mt. Olive Baptist Church for the use of their facilities.

The following action represents some of the work of the Association through the Executive Committee.

- December 6, 1988 Increased the Miscellaneous budgeted item by \$350 to cover the Christmas bonuses.
A Properties Committee appointed by the Moderator to dispose of the 1966 bus.
- February 7, 1989 The Sunday School Challenge 10/90 Growth Campaign April 1-6, 1989, was promoted.
- June 6, 1989 Approved the recommendation from the Council to look into the feasibility of securing land and work toward building an Associational Office.
- August 1, 1989 Approved request from Fellowship Church to apply for a loan from the Florida Baptist Convention.
Approval given for the Secretary to attend Secretary's Conference at Lake Yale August 7-9, 1989.
Adjusted budgeted amount for the secretary in the amount of \$300.

The Association Year 1988-89 has been a good year. An average of 17 churches had representation in the meetings with an average of 13 pastors attending. If your church has not elected your representative to the committee, please do so, and notify the Association Office. There have been many events that brought strength and growth to our Association; those are reported by various departments.

Let's all rejoice in the good things God is doing in the Middle Florida Association.

Geraldine Stokes, Clerk

E.C. Tyner Youth Camp

1989 was a good year at Pickett Lake. Nineteen young people made salvation decisions for Christ. They were: Tyron Folsom, Matt Hayes, Melissa Hayes, Jason Twohig and Thomas Horton of Brewer Lake; Michael Harris of Faith; Cedric Perry and Joshua Perry of Riverside; Neil McCray of Mayo; Caleb Craven of Redlands; Houston Brock, Billy Brock and Todd Bullard of Elizabeth; Chris Bass of Thomasville; Channah Stewart and Casey Stevens of Midway; Scott McLeod and Wendy Garrard of Pleasant Grove (T); Dana Barclay of New Macedonia. There were 30 young people who came forward for rededication. We praise God for these decisions.

We had great camp fire services with many moving moments. The talent exhibited by these young people was just overwhelming. Linda Demott said, "the future of our churches looks bright if these young people stay true."

The movies *Happiness Is*, *Harley*, *Life Flight* and *Gold Through the Fire* were outstanding evangelical films, God used every one of them for His Glory.

The camp staff was composed of the following outstanding people: Tom Kelley, Hilbert Lawrence, Dennett Cruce, T.J. Santerfeit, Dennis Draper, Linda Demott, Doil Burnett, Sarah McCoy, George Smith, William Wentz, Jamie Kinsey, Jason Kinsey, Lamar Anderson, Keith Merritt and Rick Koelle.

Our counselors and their assistants were: Lori Ward, Shannon McKinney, Tricia Teasley, Leighanne Walters, Roxanne Hatcher, Joycelyn Hart, Malorie Draper, Gena Ray Shiver, Matt Buchanan, Joey Shelley, and James Griffin.

Our chefs this year were: Mary Jarvis (Head Chef), Mr. and Mrs. Thomas, Mr. and Mrs. Genton, Harry McRae and Doil Burnett.

We thank all these good people for all the fine work they did this year. Next year the camp will be July 16-20, 1990. The camp fee will remain at \$25.00 because we came out even this year. The current balance of our camp account is about \$1,600.00. We earned about \$70.00 in interest this last year.

Because of the world standard of girls' bathing suits, we are going to have to establish a bathing suit code of our own. Next year girls must have a full covering suit; there will be no French cut suits allowed or two piece suits, or bikini suits or open suits. So the girls who plan to attend next year better shop early.

Woman's Missionary Union

In 1988-89 the Woman's Missionary Union emphasis was a "A Future to Fulfill -Launching Century 2." The scripture was Isaiah 48:6 NASB, "You have heard; look at all this. And you, will you not declare it? I proclaim to you new things from this time, Even hidden things which you have not known."

Throughout this year, Middle Florida WMU has planned meetings, activities, events and materials centered on the emphasis and provided quality missions education to the churches.

We have participated in all the state activities and received training in missions.

Two Prayer Retreats were held at Pickett Lake which were very inspirational.

We have had missionaries and state workers to speak to us, one of which was our state director, Vanita Baldwin.

We had a workshop at Pickett Lake last September to train leaders.

We are looking toward the future when each church in our Association will have some form of missions for, "We are laborers together for God." (I Corinthians 3:9)

Family Life

Associational Family Life Programs in Florida were begun in 1983. Florida was the second state in the Southern Baptist Convention to make such provisions. State, Association and Church Family Life Programs all include three areas with officers for each serving on the Church Council; Senior Adults, Single Adults and Family Enrichment. These relate to the Southern Baptist Family Ministry Department at the Sunday School Board, which has sections for each of these areas.

Church actions to help strengthen families include: Family Commitment Day; Senior Adult Day; Single Adult Day; Studying the Baptist doctrinal book, *Biblical Foundations of the Family*; organizing senior and single adult weekday ministries; conducting marriage enrichment or parenting retreat or conference and utilizing the Family Life Periodicals - *Home Life*, *Living with Teenagers*, *Living with Children*, *Living with Preschoolers*, *Christian Single* and *Mature Living* are all available on the Church Literature order blank.

Annual events such as Christian Home Emphasis is recommended as a time to focus on many of these activities. It is in the denominational calendar for observance from Mother's Day to Father's Day each year.

Other help available for families include *Covenant Marriage* and *Parenting by Grace*. Both of these models are in the LIFE system (Lay Institute for Equipping) and will be promoted jointly by the Discipleship Program and Family Life departments of our state.

This year we had a successful Marriage Enrichment Sampler at Pinetta Baptist Church. All participants were enlightened in how they could make a good marriage better. Hopefully there will be more conferences for all age groups forthcoming.

Gene Speight, Director

Evangelism

In the past year Florida Baptist churches baptized 28,123 people. This report represents an eight percent increase over 1987.

It is very significant that all the churches that had a higher baptism rate had some kind of on-going program of personal evangelism training. There are many different programs of training on visitation, one of which will fit the needs of your church.

During this year Clyde Billingsley, director of Evangelism for our state convention, resigned. Other significant personnel also resigned to take positions in other states; Jack Parrot moved to the New York Baptist Convention and Eliu Camacho moved to the California Baptist Convention. We pray God will bless these men as they work in their new areas.

We are now focusing our attention to the preparation of the up-coming 1990 Simultaneous Revivals, "Here's Hope. Jesus Cares for You." Churches are being enlisted to participate in the revivals.

Some important dates for you to remember are as follows:

November 2, 1989	Pastors Briefing and Committee Training for 1990 Simultaneous Revivals
January 8-9, 1990	Evangelism Conference, Orlando
February 27, 1990	Revival Follow-up Training
March 25-April 1, 1990	Simultaneous Revivals

Stewardship

"Win them All-Give" (II Peter 3:9), that's the Stewardship Theme for this year. If the gospel of Christ is to be proclaimed to the lost around the world, God's people must practice stewardship of all their God-given resources.

God put into our trust the material possessions that we have. In doing so the responsibility is ours to give cheerfully and freely. Stewardship means management and we need to give heed to the way we manage the resources God has placed into our trust. How do you manage that trust?

Good stewardship is good cooperation with God and other good managers and is the only way we will be able carry out "Bold Mission Thrust" by the year 2000. The latest report is we are running a good bit behind in our missionary appointment primarily for one reason; a shortage of funds.

Let me encourage all our churches to implement and promote stewardship development, and promote planned growth in giving efforts. Your Stewardship Director for our Association will be happy to help and work with any church or Stewardship Director to implement the promotions. Please do not hesitate to call upon me if I can be of help.

If we don't do something in stewardship education now, we probably will find ourselves facing a crisis in our missionary work around the world in the near future. Call on us; we will be glad to help in any way we can.

Frank Jarvis, Chairman-Elect

Annuity

Dr. Paul Powell, pastor of Green Acres Baptist Church, Tyler, Texas, has accepted election as president of the Annuity Board of the Southern Baptist Convention. Dr. Powell will join the Annuity Board Staff as president-elect on October 16 and become president on March 1, 1990, succeeding Dr. Darold H. Morgan, who is retiring after 18 years in the post.

The trustees of the Board recently authorized a permanent 10 percent increase in the retirement benefits for those who participate in old plan A. At the same time the trustees voted a 50 percent increase in the death and disability benefit on the Church Annuity Plan. This benefit is provided by the Florida Baptist Convention in behalf of participants in the new expanded Church Annuity Plan.

The new Church Annuity Plan is off and running strong. Over 900 Florida Baptist Churches have enrolled their Ministers and Church Staff in this new plan that began January 1, 1988. Churches who want their ministers and staff to receive a State Convention contribution must file a church approved cooperative agreement. Forms to do this may be obtained from the Annuity Office of the Florida Baptist Convention, or contact your Association Annuity Advisor.

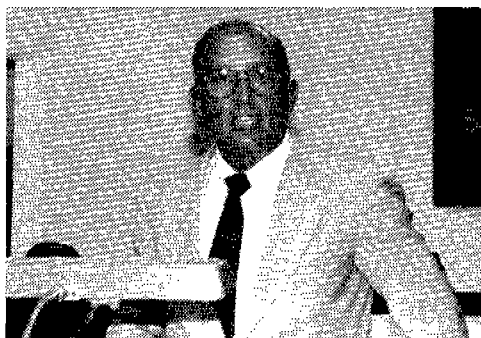

Assets held in trust by the Annuity Board in behalf of plan members reached a new high of \$2,599,022,590 in 1988. This represents a gain of \$325,370,534 in the first six months of 1989. Earned income on these assets was \$184,000,000 in this same period of time.

Other good news is that the retirement funds are earning very well so far this year.

Fixed Fund	8.75%
Balanced Fund	10.25%
Short Term Fund	4.32%
Variable Unit Value	7.89%

Let's all remember to pray for our new president, Dr. Paul W. Powell.

Frank Jarvis
Annuity Advisor-Elect

Florida Baptist Family Ministries

A NEW NAME

At age 85, Florida Baptists' ministry to needy, dependent children and their families has been wed to the 30-year-old ministry to senior adults. Thus the new name as of January 1989: Florida Baptist Family Ministries.

The name is an umbrella identification for Florida Baptist Children's Homes and the Florida Baptist Retirement Center. Each institution continues to minister under its existing name with the State Office in Lakeland and the 21 trustees using the umbrella name.

1989: TRANSITION AND GROWTH

"Transition" best describes this year. But by careful planning and preparation by trustees, staff and Convention leaders, transition has been coupled with steady growth. By year-end, services will include:

- Care for 500 children (plus ministry to their families) on campuses in Lakeland, Tallahassee and Miami; a network of foster homes; adoptions; maternity care; emergency shelter care; and the Alice Madray Memorial Group Home.
- Care for eight to ten developmentally disabled women in the Taylor Group Home.
- Care for 90 senior adults and ministry to their families through the Florida Baptist Retirement Center, Vero Beach.
- Full involvement of children, senior adults and staff in local church ministries.
- Religious commitments by 40 to 50 children in care.

Quality is the watchword. Accreditation of the Children's Homes by the National Council on Accreditation is anticipated by year-end. This emphasis on quality within our Christian commitment is incorporated in our statement of Mission:

"...to provide social services and programs within a Christian context of evangelism, missions and education to individuals, families, and congregations within the State of Florida, which shall be of high quality and include such services and programs as approved by the Board of Trustees. This Corporation makes available its services without discrimination based upon race, color, religion, national origin, or sex. This Corporation may perform such other purposes as shall be allowed under the laws of the State of Florida and of the United States."

VISION 2000

In June, the trustees adopted Vision 2000, a long-range plan that sets direction for these ministries to the end of the century. During the next decade, Florida Baptist Family Ministries will move from serving 525 individuals yearly to 3,600 by:

- Improving/expanding existing services to children, their families, and senior adults.
- Providing care in 90 private foster homes. Opening 15 community-based group homes. Providing 15 family counseling centers. Providing adoptions for 60 special-needs children annually. Adding two additional group homes for the developmentally disabled. Expanding services to senior adults.
- Expanding informational systems and development/public relations emphasis.

The Children's Homes and Retirement Center are blessed to have the prayer and financial support of Florida Baptists. An operating budget of \$5,590,000 is realized from Cooperative Program support, the Mother's Day Offering and individual contributions.

Music

Congratulations to Central, Madison First and Riverside for experiencing the highest percentage increase in Music Enrollment in Middle Florida as of April 13, 1989. Our prayer is that we will grow in every church as we share our "Hope in Christ" through music.

Our festivals were well attended this year. Bill Webb did a great job with our Adult Choir Festival with 141 attending - eight churches represented; Don Bishop and our youth had 50 participate in sharing; and our Children's Festival led by Chris Smith, Carmen Norris and Tonya Bishop had 55 present with four churches represented.

Several of our churches attended music leadership training at Ridgecrest, Lake Yale and Blue Springs and received a great blessing.

We had a great response teaching music at Pickett Lake Youth Camp and Young Musicians Camp at Blue Springs this summer. I am grateful for the opportunity to serve in this way.

Our Choir Workshop organized by Pat Rowell at Pleasant Grove (T) and led by our new associate music director of Florida, Charles Davis and his wife Gloria, was attended by 29 with 11 churches represented. Thanks for your good response.

Many wonderful opportunities are planned for this year. They are listed below:

January 4 - 7-9 p.m. (Madison First)	Children's Workshop led by Dr. Betty Bedsole of Southern Baptist Seminary, Louisville, KY
February 3 - 7 p.m.	Adult Choir Festival (Faith)
February 17 - 7:30 p.m.	Youth Festival at Rally (Elizabeth)
March 3 - 5-7 p.m.	Children's Fun Day (Pinetta)
July 16-20	Youth Musical at Pickett Lake Youth Camp
September 22	Music Leadership, Macedonia

Yours in Christian Love,
Linda Demott

Director of Missions

It hardly seems possible that another year has passed and that at the end of November, I will complete my 12th year as your Director of Missions.

I have been in 25 of our churches during this year and in 14 of the 16 churches in the Taylor Association. The Sunday School Growth Campaign has proven to be a real blessing in most of the churches involved and I believe that the reports from these churches will show real growth.

I am grateful for the opportunity of serving as your Director of Missions and for your prayers, support and encouragement.

If I can be of help to you or your church, please call on me.

Carlton Owens

Middle Florida Assembly

As we glance back over the years to our first tenure here at the Assembly Grounds "tis" hard to realize how drastically things here have changed. First off, we notice the buildings, some (two dormitories with kitchen and dining hall included) were still wood buildings, two dormitories were concrete and three buildings weren't even here, mainly conference rooms, Adult Center and Camp Manager's Cottage, not to mention all the additions to the dining area. Then we look out at the picnic sheds, new floating dock, Outside Worship Center, two large bar-b-que pits plus one small pit. Now, every building large and small is completely air-conditioned. One extra 5 H.P. water pump has been installed. The new office building which was destroyed by fire was completed,

refinished inside and out. All buildings now are bricked following through to make all coincide.

Don't get the idea that all things are finished and it's time to sit back and relax. This is time to take hold and be an integral part of this growing farm of "Soul Saving for Jesus' Sake."

Now take close note, THE STATISTICS OF THE VERY REWARDING GREATEST YEAR OF "HARVEST" MIDDLE FLORIDA BAPTIST ASSEMBLY HAS EVER KNOWN. There were 52 groups for a total of 2,475 campers, 5,186 camper days, \$14,153.25 fees, 144 conversions - 169 rededications - 21 full-time service. This report leaves one much to think about for the future.

In our Lord's Service,
Rev. Walter S. McKinney

Brotherhood

The first Associational Brotherhood Meeting of the year will be held at Elizabeth Baptist Church on November 16. Dr. Mark McCoy will be in charge of the program.

The second meeting will be held January 16.

The third meeting will be held April 19. The Associational RA Director, Milton Warren, will be in charge of the program. We need churches to host the last three meetings, including the Joint Meeting of the WMU and Brotherhood on July 19.

I would like for all churches with Brotherhood to join together to provide free labor in building the Fellowship Baptist Church. All men available that can work on November 3 and 4, please meet at 8:00 a.m. at the site where Fellowship Church is being erected.

If there is a church or churches that would like to take on a mission project of helping in the upkeep and beautification of one of the cottages at the Tallahassee Baptist Children's Home, please contact me at 294-2123 or 294-1578.

Time - Place - Preacher Committee

The Middle Florida Baptist Association has been invited to share the hospitality of the following churches for the 1990 associational meetings.

The First Baptist Church, Madison, has invited us to meet with them on April 10, 1990, 6:30 p.m. for the Semiannual meeting.

The Brewer Lake Baptist Church has invited us to meet with them on October 15, 1990, and Greenville Baptist Church on October 16, 1990. Sessions begin at 3:30 p.m.

The following pastors have agreed to preach to the Association. The Doctrinal Sermon will be delivered by William Solomon, pastor of Central Baptist Church. The Missionary Message will be delivered by Thad Entzminger, pastor of Greenville Baptist Church. Alternate speakers are: Doctrinal - Dennis Draper, pastor of Lee First; and Missionary - Mark McCoy, pastor of Elizabeth. Inspirational speakers are Larry Harris, pastor of Pinetta Baptist Church and Carlton Owens, director of missions; with alternates being Roy Saint and Mark McCoy.

Youth Rally

The 1988-89 Middle Florida Baptist Youth Rallies were successful. The highest attendance was in August with 200 people present. The overall average attendance for the year was 132.

Youth Rallies are great opportunities for the youth of our Association to worship and fellowship together. The average attendance was very good for the year since only about half of the churches participate. I challenge your church to make a commitment to getting your youth to the Youth Rallies every third Saturday of each month.

Don Bishop, President

Church Training

Church Training continues to play a major role in growing disciples and developing believers. The associational church training program has the responsibility of helping each church to organize, improve and enlarge its program of discipleship development through Church Training.

This is the first year of "A Call to Baptist Basics." Through this study church training members will acknowledge God's sovereignty and be led to demonstrate responsible stewardship of time, possessions, abilities and the gospel.

1988 Associational "M" Night attendance was 40 (statewide attendance was 8,647). "M" Night 1989 will be held November 28 at Madison First Baptist Church.

In the first six months of the 1988-89 church year a total of 1,783 churches in Florida requested 39,287 awards in the Church Study Course system. Figures for the associations will not be available until the end of September. Again this year three special awards will be presented from the state Church Training Department at "M" Night. These awards will go to the churches with (1) the largest total number of study course awards, (2) the largest number of awards in Church Training Leadership, and (3) the largest percentage of total awards compared to resident membership. By the way, Florida placed second in the Southern Baptist Convention in total doctrinal awards received during 1987-88.

Of the 28 churches in the Middle Florida Baptist Association, 23 reported Church Training this year. Last year 23 churches reported church training.

Dennis Draper

It's worth your time!

Sunday School

The Sunday School emphasis of Challenge 10/90 will draw to a close this year with a theme of Share Hope: Reach 10. The national theme verse is, "Therefore, since we have such a hope, we are very bold." II Corinthians 3:12 (NIV). Florida Baptists have selected the verse, "Christ in you, the hope of Glory" Colossians 1:27, as our theme.

Reach 10 means that individuals, classes, Sunday Schools and associations are encouraged to set goals built upon "10's"... that is, each person enrolling 10 in Sunday School or leading 10 persons to Christ. It may mean 10 new classes started, a quarterly increase of 10 in Sunday School, 10 people visiting and witnessing or 10 new prospects discovered.

Twenty Sunday School directors from as many churches were given that challenge at the Key Leader Workshop, held at Faith Church on August 15. As Sunday School enrollments are reported through the annual church letters, goals will be formulated on the associational level with a general guideline of achieving a 10 percent increase in enrollment for 1989-90.

• A major event of the past year was a very successful Growth Campaign, held April 2-9 with George E. Dunn serving as Campaign Coordinator. Significant results were reported by the eight churches participating.

An outstanding record was achieved in Vacation Bible Schools, with several churches having their best ever. Sixteen churches reported, with a total VBS enrollment of 1,651, 50 professions of faith, and 4 Backyard Bible Clubs.

Four Outreach Bible Study groups have been reported in the association.

Individual assistance to churches by the associational Sunday School ASSISTeam will continue to be available to churches during the coming year. Members of the ASSISTeam for the coming year are as follows:

- Phil Heard Associational Sunday School Director
- Gene Speight Adult Director
- (vacant) Youth Director
- Phyllis Sevor Children's Director
- Malorie Draper Preschool Director
- Dennis Draper Outreach Director
- Mark McCoy Vacation Bible School Director

Please call on us as individuals or as a team if assistance is needed in planning and carrying out Sunday School work in your church.

The role of the Sunday School in the 1990 "Here's Hope Revivals" is to assist in Scripture Distribution Actions. Most of the pastors who have been contacted have indicated that they are planning individual church distribution efforts; therefore, no association-wide emphasis is being planned. However, we will be happy to provide churches with information or assistance on an individual basis upon request.

Ours is a key task as we enter the 1990's and the last decade of Bold Mission Thrust. The Sunday School must be in the forefront as the outreach arm of the church. Be alert to training opportunities which will be offered through our association in this regard.

State Board of Missions Report

First of all I would like to express my sincere appreciation to Middle Florida Baptist Association for granting me the privilege of representing you on the State Board of Missions. The work of Baptists in the State of Florida is very extensive. The experience I received in my first year on the State Board has enabled me to serve more effectively in my second year. I have attended all meetings of the State Board, all committee meetings, work group meetings, and the special session of the Florida Baptist Convention held in Orlando in September.

My assignment this year has been on the program committee. Some of the things the State Board of Missions worked on this year were: Alterations and update of our Constitution and Bylaws; exception to policy for churches desiring loans, who are not meeting the requirements for associational and cooperative program giving; approval of many changes to the organizational structure of Florida Baptists in order to meet the current needs more effectively; approval of Jerry Passmore as Director of the Evangelism Division of the Florida Baptist Convention; and work on the Budget for the coming year.

Jerry Passmore's election as Director of the Evangelism Division was the first high-level administrator hired since John Sullivan became Executive Director of the Florida Baptist Convention in February. I feel this was an excellent choice and that he will provide the leadership required for success. Since becoming the pastor of Olive Baptist Church in Pensacola, Florida in 1972, the church has become one of the top churches of Florida Baptists in baptisms. The church has baptized 2,400 people under his leadership. He has established a strong evangelism training program and a commitment to financial support of denominational causes through the Cooperative Program.

H.R.S. has agreed to exempt most church activities from Florida Statutes 402 and 409 that require background screening to determine "good moral character" which must be met by people serving in close contact positions with children under 17 years old. H.R.S. staff member said waivers from the screening process could be issued for Sunday

School, Vacation Bible School, Church Training, Children's Missions Education Programs, Church Music Programs, Backyard Bible Clubs, Youth Recreation Programs, and Mothers day out and Parents night out. However, three programs: Day Camps, Overnight Retreats and Youth Mission Tours will fall under the screening regulation. It would be advisable to contact the local H.R.S. Office in your area to insure your church is in compliance with these new laws.

I would like to say a word about the budget for 1990. The State Board of Missions is recommending a budget of 23.4 million dollars which is a four percent increase over the 1989 budget. The proposed budget designates 49.25 percent of its receipts to the Southern Baptist Convention Cooperative Program to fund Worldwide and National Mission causes. The remaining 50.75 percent will be used in the State to support Florida Baptist Ministries, institutions and agencies. It is the desire of the State Board of Missions to return to the 50/50 division of Cooperative Program Funds as soon as possible (hopefully in four years) if God blesses and cooperative program funds increase. I strongly request that any of you that serve as messengers to the State Convention support this proposed budget.

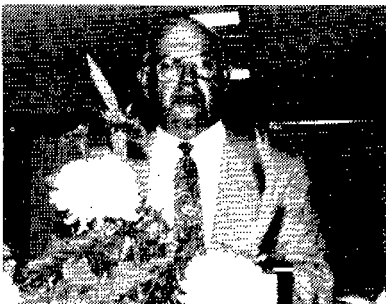

I would strongly encourage the churches of our association to select messengers to the State Convention who are willing to attend and take part in the decisions that are made there. Each church is entitled to three messengers and one additional messenger for every 100 members in excess of 100, up to a maximum of 10 for any one church. Decisions are made there that effect us all, so I feel it is extremely important that we participate in the process.

I would like to address the abortion issue for a moment. We spent most of our time at the September State Mission Board Meeting and also the Special Session of the Florida Baptist Convention discussing the difficult issue. There is a diversity of opinions on this issue even among Florida Baptists, however we were able to agree on a recommendation on the Sanctity of Human Life. I would like to include this recommendation as part of my report.

The legislature will be in session Tuesday, October 10, making decisions on this issue, please pray that God's desires will be done in this regard.

If you have questions or concerns about any of the Baptist work or programs in Florida or if I can be of assistance to you please feel free to contact me or the State Board of Missions. I will help you if possible or find someone who can. The State Board of Missions and the Florida Baptist Convention are there to help you, if you have a need please feel free to contact them for assistance.

Thank you again for permitting me to serve you on the State Board of Missions. It has been a pleasure for me as I have thoroughly enjoyed my work. I hope in some small way I have been able to contribute to its accomplishments.

Sincerely,
Harold L. Smith

Recommendation on the Sanctity of Human Life

FLORIDA BAPTIST STATE CONVENTION

Bill Billingsley, President

Al Townsend, 1st Vice President

Carolyn Anderson, 2nd Vice President

The Florida Baptist State Convention consists of 2,057 Congregations with one (1) million members.

We are a diverse people in almost every way: theologically, socially, ethnically, geographically, politically, and economically.

We are an independent people. We are a nonhierarchical Convention. Soul freedom and liberty of conscience are among our most cherished beliefs. As a result, no individual or group can ever presume to speak for all Southern Baptists in Florida.

At the same time, Florida Baptists are greatly troubled by the casual attitudes about abortion reflected in the current state of abortion law. Florida Baptists have consistently and forcefully expressed opposition to abortion on demand.

While these prior statements and actions are not binding on the conscience or practice of any Southern Baptist member or church in Florida, they do express who we are as a people.

We have had our differences about some of the circumstances in which abortion might be justified. Disagreements about the morality or immorality of abortions in such cases as rape or incest have been real.

Nevertheless, Florida Baptists are far more united in our agreement that legal change is needed than we are divided about some of the difficult circumstances about which disagreement exists. Those areas of disagreement represent a minute percentage of the 1.5 million abortions performed annually nationwide.

We believe human life to be sacred and that it begins at conception. Among the many threats to the preservation and development of human life, abortion has become a major threat. The right of human life must be protected by the State. Thus, we call upon Florida Baptists to support legislation that will achieve the dramatic saving and nurturing of human life.

In order to implement our commitment to the sanctity of human life, We direct: That the Committee on Nominations recommend to the Florida Baptist Convention, November 13-15, 1989, an Adhoc Committee of 15 persons that will plan, with the administrative staff of the Florida Baptist Convention, Florida Baptist Family Ministries, strategies that will follow through on this moral concern, i.e.; educational materials on Christian sexuality, crisis pregnancy centers, additional homes for unwed mothers, adoption, foster care, and other related ministries.

A Tribute To:

Mr. Clayton C. Dees

August 18, 1898 - September 19, 1989

Clayton C. Dees and twin sister, Katie, were born to Summer and Ada Snipes Deees, August 18, 1898.

A man of God, a school teacher as a career; always gave God credit for any and all accomplishments he may have made. He felt and testified that he was called into the teaching profession where he spent 50 years.

In 1928 he married Euphia Whiddon Dees of Lake Bird. The couple moved to Day where they lived their entire life.

He became a Christian October 1917 after the Lord had been dealing with him during a revival meeting. He was saved while plowing a mule, kneeling down in the field and praying for God to save his soul. God saved him; he was baptized in October 1917, into the Brewer Lake Baptist Church where his parents were charter members. He was a member of Brewer Lake for 72 years and worked in every capacity of church work. He was Sunday School Director for many years, served as Deacon and chairman, clerk, teacher, building committee, and did much manual labor to help with the building projects.

The Dees were parents of three children, who were all saved in October. Euphia was saved in September 1941; Clyatte, the son, saved in October 1941; Peggy was saved October 14, 1944; and Mary Martha was saved October 14, 1949.

Clayton was from the old school with true values. He loved God, his wife, his family, his work, his church, his friends, his home and his country.

Bethel Creek Baptist Church

History of Bethel Creek Baptist Church

Lafayette County, Florida

On a hill beside a creek on Highway 53 in Lafayette County, Florida stood a small log church where the people who lived in the surrounding area came together to worship God. The area was sparsely settled and the membership was small, but Gid Singletary remembers his father being one of the ministers who preached there. Although it is not remembered the name of the church, it is known that the church burned. A cemetery was started behind the church and some of the tombstones date back to 1868. Some graves may be older than that as many graves have no tombstones.

On the same site as the log church that burned, a group of people met under the trees for their worship services. This continued on for a few months until God spoke to Rev. M.J. Fowler and told him to build a house for His people. Rev. Fowler contacted some of the men in the surrounding community and those who could made contributions of money or materials and Rev. Fowler laid all the blocks for the church. That is how Bethel Creek Baptist Church was born. Many people helped with the building of the church as palmettos had to be dug, and some trees were cut, windows hung, roof put on, etc., but Rev. Fowler laid all the blocks and became the first pastor.

In early 1949 the church was organized and on August 14, 1949, the church was dedicated and the people celebrated with an all-day service with dinner on the grounds. It was a time of rejoicing as God's people once again had a house in which to worship!

When the church was organized in 1949 it had 18 charter members. The enrollment has fluctuated during these 40 years. As there were times when there was no pastor. The current membership is 90.

Additions have been made to the original building. The additions consist of three Sunday School rooms, two restrooms and a Social Hall/educational room. Many improvements have been made to the cemetery. It was surveyed, enlarged, all trees removed and fenced on all four sides. Area lights have been installed on the church grounds and the church has been air-conditioned and carpeted. Signs have been erected.

The Lord continues to bless Bethel Creek Baptist Church as many people have been saved through its ministry.

A Brief History of Cherry Lake Baptist Church

Cherry Lake Baptist Church, like all other churches, has a very unique history.

Cherry Lake was an old community with many families living here on old family farms. The old Cherry Lake Community all of a sudden was changed into a very different situation. Cherry Lake Farms was a "NEW" community placed in the middle of an old community. The new community was made up of "city folk" who had been on the bread lines, out of work or working for W.P.A. These people found themselves in these circumstances because of the "Great Depression" of 1929-1939. Mrs. Eleanor Roosevelt had a brainstorm idea of a community that could be self-supporting, made up of people who needed and wanted to work and were in need of homes.

Cherry Lake Farms was a self-supporting community. It had its own printed money, furniture factory, water, telephone, telegraph and electrical services. The community had its own store, as well as cattle ranches and chicken farms. This store carried anything from fertilizer to arts and crafts, to a barber shop. Already discouraged, many of the people who came were faced with hard work and challenge and decided to leave. Many of the "hardy" hard workers stayed after the exodus of the discouraged.

Those who stayed saw a need to worship. This need to worship had caused some to go to town and other places to gather for worship with other believers. There was a vision for a Baptist work in the new community. A group of dedicated people formed a cottage prayer meeting. Some encouragement came from a group of Christians in Madison. This encouragement caused at least nine adults and two teenagers to meet one Sunday afternoon in the "Camp Men's Hall" to organize a Missionary Baptist Church. Reverend W.T. Rycroft called this meeting to order as the temporary Moderator. The meeting was then turned over to Judge J.F. McCall who gave some instructions to the group on how to organize a church.

The group adopted the *Articles of Faith* and the *Covenant*. Those present were: Reverend W.T. Rycroft, Mamie Rycroft, Reverend John R. Collins, Gracia Collins, Johnnie Grace Collins, Miriam Collins, Mr. and Mrs. Frank Eville, Mr. and Mrs. H.E. Lamuns and Simmie Smith.

Reverend John R. Collins, who had been ordained at Moseley Hall Baptist Church a few months before, was elected as pastor. Worship services were held on the third and fourth Sundays. Prayer meetings were held on Tuesday evenings, and were regular worship services - new members were received into the church.

Mr. F.B. Eville and Mr. H.E. Lamuns were elected as the first deacons. Mrs. Frank Eville was the first church clerk. The Pastor's salary was set at \$10.00 per month.

Sunday School, Woman's Missionary Society and a Baptist Young Peoples Union (B.Y.P.U.) added strength to the church. The first organized visitation committee was formed in June of 1937 consisting of three women.

In 1937 more deacons were added to the church by ordination. Also a Board of Trustees was appointed. Mr. W.L. Stokes was elected church clerk in 1937.

During the first revival, Reverend Roebuck preached and there were 37 new members added.

In 1951 the church needed a spiritual rebuilding and was also without a pastor. Reverend John R. Colling was called back as pastor and the Florida Baptist Convention supplemented his salary for a while.

The church was housed, first in the "Camp Men's Hall", then the school supply building, then the Hinton House and then growth had set up a need for a new place to

worship and grow. Just as the Hinton House was purchased for \$1,500.00 and paid off in installments, the new church building would be started in a type of installment plan.

Later as the church grew, a pastorium was built so the pastor could live on the field. An educational building and fellowship hall was completed in 1976.
