Stewardship

"Give: Live God's Word" (Matthew 25:40) is the stewardship theme for 1991. The best example of a giving ministry is Christ's ministry on earth. He gave love, forgiveness, healing and eternal life. To "live God's Word" is to follow Christ's example in giving as well as living the Christian life.

An imperative for our association of churches, and all associations of churches of our state is **Give: Live God's Word**. This theme is a basic teaching of Christianity. Because Christ found joy in endless giving, we too will find this same joy in giving when we live God's Word.

"Stewardship" means correctly managing that which God has placed in your trust. Strong stewardship must have strong commitment. Strong stewardship means stop being stingy. It means giving with joy. Some gave till it hurt, therefore you slacked off. Give beyond the hurt and the joy will be so great you will never slack off. I personally rejoice that God gave, that Christ gave. How can you or I do less?

During the past year with the help of Dr. Clarence Hackett, our State Stewardship Director, we have had one Pastor's Stewardship Meeting and there were 23 pastors and staff members from 12 of our churches in attendance.

Your Stewardship Director has also assisted two of our churches with their Stewardship work. If I may be of help to any of our churches, please invite me. I will be happy to do what I can.

April 28, 1992, is the date for our next Pastor's Stewardship Meeting in our Association. I hope our pastors and churches will enlist one of your key members to represent you and lead you to grow in your giving.

R. Frank Jarvis
Association Stewardship Director

Middle Florida Baptist Assembly

The year 1991 has been an excellent year at Middle Florida Baptist Assembly. There has been a tremendous increase in the use of YOUR Assembly. The statistics for January 1, 1991 through September 1, 1991 are as follows: 46 Groups; 1,799 Campers; 3,533 Camper-Days; \$9,243.00 in fees; 50 Professions of Faith; and 124 Rededications. These figures are very encouraging, especially when you consider that there are still 16 weeks left in 1991!!!!

Your Board of Directors has been busy making improvements to your Assembly. A new telephone has been installed in the Dining Hall for the use of our campers. Plans have been developed to an Athletic Center on the 10 acres of land donated by Mr. and Mrs. Delmer Sapp. Also, a long awaited dream has been fulfilled, the county road that divides the Assembly Grounds has been officially closed to public traffic.

Keep watching for new improvements to your Assembly, that will enable us to serve you better. Please continue to pray for us as we strive to serve God in His mission at Middle Florida Baptist Assembly.

In Christ's Service,
Tim Kinsey, Manager, M.F.B.A.

Annuity

Dr. Paul Powell, president of the Annuity Board, has concluded his first year as president by describing the Board as "strong." The following highlights confirm this assessment.

The Annuity Board presently has more than 64,671 men and women with active retirement accounts. The number of retirees receiving annuity payments now exceeds 21,000 with \$52.1 million paid in retirement benefits in the first six months of 1991. The Church Annuity Plan membership has reached an all-time high of 34,306, and it increases every-day. In addition to this, there have been 9,357 churches and church staff personnel who have increased their contributions to their retirement accounts.

Assets now held in trust by the Annuity Board grew by more than one million dollars a day, increasing to \$3.19 million through June 1991.

In Florida, 1,038 churches have voted to place their pastor and/or church staff in the Church Annuity Plan. Enrollment of churches continues toward a goal of at least 70 percent of Florida Baptist Churches participating. If your church is not participating, one of the finest things you could do would be to lead your church to do so.

We were able to bring Dr. Richard Barber, who is our State Director of the Annuity Department to our association for a meeting with our pastors and staff. This meeting was well attended.

It has been my personal joy to assist two of our churches to move to the expanded Annuity Plan this past year. If your church is not now participating in this plan I want to encourage you to do so.

At the present time we have 14 of our churches in the Expanded Plan, we would like to see all our churches participating. If I can be of help to any pastor and/or church please do not hesitate to call me. I will be happy to assist you.

R. Frank Jarvis
Annuity Advisor

Florida Baptist Family Ministries

Since 1904, Florida Baptist Ministries has grown from an orphanage to a statewide network of ministry to children, unwed mothers and their babies, adoptions, developmentally disabled adults, counsel to families of those in care, preventive counseling to individuals and families, and to senior adults. During 1991, 14 different services were provided from seven locations plus a network of licensed private families providing in-home foster care.

MAJOR STEPS - 1991

- * Accreditation received from the Council on Accreditation of Services for Families and Children, Inc. (A voluntary, extensive review and recognition of services of the highest quality in the nation.)
- * Completion of the Mildred W. Carlton Learning Center on the Lakeland Children's Home campus. Made possible by major gifts from the Carlton Family and from a Cooperative Program Capital Improvements Grant from the Florida Baptist Convention.
- * Complete renovation and preservation of the Emergency Shelter for teenage girls in Lakeland. Bought in the early 50s as a home for Superintendent T.M. Johns, this historic building was completely renovated with a Cooperative Program Capital Improvements Grant from the Florida Baptist Convention.
- * Construction is underway to expand the Florida Baptist Retirement Center in Vero Beach. Thirty villa units will be completed in late 1991 and early 1992. All units are reserved by applicants waiting to move in. Also, a 15-room assisted living unit is being added. Approximately 75 additional senior adults can be served.
- * Construction is expected to begin in the fall on a group home in Ft. Myers for dependent children plus an area social work office. The home is a partnership program with Royal Palm Association providing the facility and furnishings and services provided by Family Ministries.
- * The first full year of the Maternity Group Home. Opened in the fall of 1990, the Home can serve six girls at a time.
- * A Maternity Care Specialist was added to coordinate Christian alternative to abortion for unwed mothers. This position was developed earlier than what was projected in long range plans for the 90s as a result of work by the Sanctity of Human Life Committee and funding by the Florida Baptist Convention.
- * The Giving Hope Campaign to secure private commitments over three years to help expand services has exceeded its base goal of \$2,000,000. The Campaign will be completed in early 1992.

YOUR COOPERATIVE PROGRAM DOLLAR AT WORK

Florida Baptist churches have been a primary source of support for the Florida Baptist Children's Homes since 1904 and for the Florida Baptist Retirement Center since 1959. This year Cooperative Program gifts will provide \$1,231,341. In addition, Cooperative Program Capital Improvement Grants have helped complete the Mildren W. Carlton Learning Center on the Lakeland campus (\$45,000 expended in the fall of 1990), the renovation of the Lakeland Emergency Shelter (\$50,000), and start-up funds for adding a Maternity Care Specialist (\$50,000).

Add to these Cooperative Program funds the special Mother's Day Offering and designated church gifts, and Florida Baptist church gifts will total more than \$2 million toward a budget of \$6.5 million this year.

Your Cooperative Program dollars are changing lives and giving hope.

Director of Missions

This has been a year of pastoral leadership change in our churches. Thirteen of 29 churches have changed pastors this year. In the 14 years that I have been your Director of Missions, we have never had so many changes. Our records indicate that only five of our present pastors were in their church before 1989.

This year I have been in 27 of the 29 churches in Middle Florida, and preached or spoke at some event in 22 of them. In the Taylor Association, I visited in 15 of the 16, and either preached or spoke at some other event in 12 of them.

I am grateful for the invitation to share in the churches. I preached 60 times this year, shared in one minister, and two deacon ordinations, and one ground-breaking service. I counseled with pastors and other individuals and worked with pastor search committees and others when asked.

The Florida Baptist Convention continues to be helpful in many ways to our churches and association.

We are especially grateful for their commitment to provide \$5,147.00 in Cooperative Program funds to assist the Mission District. We have been using surplus funds in the Mission District budget for the last two years. However, those funds are depleted and with rapidly increasing cost of medical insurance, we would have serious problems without their assistance.

Thank you for allowing me to serve as your Director of Missions. Call me if I can be helpful.

The Petitionary Letters Committee Report

August 22, 1990, Middle Florida Baptist Association received a petition for affiliation from Concord Missionary Baptist Church. The Petitionary Letters Committee made a thorough investigation and determined that Concord Baptist Church met the qualifications for affiliation in accordance with the Constitution and Bylaws of Middle Florida Baptist Association. After much study, consultation and prayer, the committee recommended that Concord Baptist Church be received under the watchcare of the Middle Florida Baptist Association. At the 91st annual session in October of 1990, the Middle Florida Baptist Association voted to receive Concord Baptist Church under a watchcare status for a period of one year.

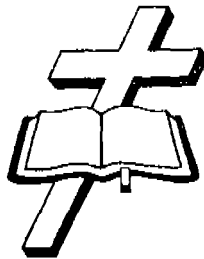

According to Article Five item two of the Constitution and Bylaws, a church after watchcare relationship of nine months must vote and record, reaffirming their desire to be a member of Middle Florida Baptist Association. On July 21, 1991, Concord Baptist Church met in a special conference, the purpose of this meeting was to ratify their prior decision requesting membership in Middle Florida Baptist Association. A motion was made by Wayne Hudson and seconded by Philip Roberts, to further petition Concord Baptist Church for full fellowship in the Association. The motion carried by a unanimous decision.

The Concord Baptist Church has been very cooperative during this one year watchcare period. They gave a generous amount of their tithes and offerings to the Cooperative Program and made a substantial contribution to the operating expenses of the Middle Florida Baptist Association. They were also very active in all associational activities.

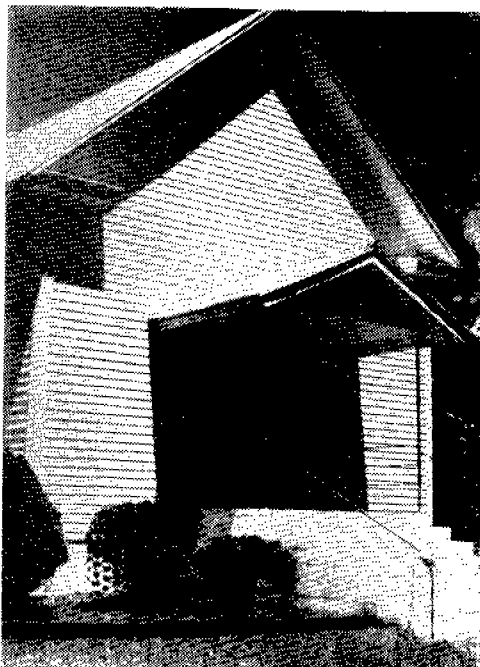

In their petition to the Association for full voting member status, Concord Baptist Church expressed their grateful appreciation to Middle Florida Baptist Association for their support during the watchcare period. Concord Baptist Church expressed their thanks to the association for our prayerful consideration of this matter. They also expressed their gratitude for the privilege of working with the churches of Middle Florida Baptist Association in winning lost souls to Christ and supporting mission work at home and abroad.

THE PETITIONARY LETTER COMMITTEE:

Harold L. Smith, Chairman, Rev. Roy Saint,
Rev. Phil Heard, Rev. Gene Speight, Rev. Dennis Draper

Discipleship Training

Discipleship Training is crucial to the churches in growing disciples and developing believers. The associational discipleship training program has the responsibility of helping each church to organize, improve and enlarge its program of discipleship development.

This year's theme is **DiscipleALL . . . Discipleship Training for all members**. Curriculum and special interest studies will focus on helping members to realize the importance of their own discipleship and leadership development.

Some other things our Middle Florida Associational Discipleship Training has done and will do to help the churches with their training opportunities are:

1. The 1990 Associational "M" Night attendance was 277 (Statewide attendance 8,354). Our goal for this year is 350. "M" Night 1991 will be held **November 26 at First Baptist Church, Madison**.
2. Associational Discipleship Training Leadership School - Training: A New Look Seminar was held January 22 at Midway Church. Attendance was 48 with 12 churches represented.
3. A doctrinal study (The Doctrine of Lordship) Clinic was held at the Associational Office March 26. Attendance of six with three churches represented.
4. Associational Children's Bible Drill held March 18 with three participants. Fellowship was the only church represented. Alicia Dixon represented Middle Florida Association at the state drill April 6 in Graceville. The 1992 associational drills and tournaments will be held March 16 at the Associational Office.
5. In the first six months of the 1990-91 church year a total of 1,877 churches in Florida requested 53,107 awards in the Church Study Course system. Figures for the Associations will not be available until the end of September. Again this year three special awards will be presented from the state Discipleship Training Department at "M" Night. These awards will go to the churches with (1) the largest total number of study course awards, (2) the largest number of awards in Discipleship Training Leadership, and (3) the largest percentage of total awards compared to resident membership. By the way, this association also helped Florida gain #1 recognition in Baptist Doctrine Study and Discipleship Training Leadership awards all over the Southern Baptist Convention.
6. A Discipleship Training Leadership School will be held February 24 and 25. Its emphasis is on training leaders to be able to lead age group (ongoing program) and/or special interest (short-term) discipleship training.
7. Of the 28 churches in the Middle Florida Association, 23 reported discipleship training this year. Last year 23 reported discipleship training.

Pastoral Ministries

Pastoral Ministries is one of the key programs of the church. It is supported by the Pastoral Ministries Department of the Florida Baptist Convention.

Pastoral Ministries Leaders are: pastor, church staff, church support, personnel, deacons, church council members, and vocational volunteers. These are key persons to an effective pastoral ministries program in a local church.

Therefore the Pastoral Ministries Department does not do pastoral ministry, instead it provides training, consultation and resources to assist pastors, staff and key leaders in improving their skills in the area of their responsibility. Pastoral Ministry can only take place in the local churches of our association.

In this past year we had one State Pastoral Ministries Department event scheduled, but, had to postpone due to a change in the association to a later date. The conference was "Introducing The Southern Baptist Growth Plan."

If you would like a Pastoral Ministries event in your church please contact me. These events can be in Deacon Ministry, Visionary Leadership for Church Growth, Conference on Called to Care, Conference on Preaching That Heals, and The Southern Baptist Church Growth Plan.

Serving as your Pastoral Ministries Director, if I can assist you or your church in any way please do not hesitate to contact me.

Serving together,
Roy Lee Saint

Sunday School Report

BREAKTHROUGH... TEACH THE BIBLE TO WIN 1991-1992

This was the second year in the BREAKTHROUGH emphasis. The theme for this year in Sunday school work is **BREAKTHROUGH: Teach the Bible to Win**. In Florida we are using the scripture theme, "Let the word of Christ dwell in you richly as you teach and admonish one another with all wisdom, and as you sing psalms, hymns and spiritual songs with gratitude in your heart to God" (Colossians 3:16 NIV).

Our state enrollment goal for the year is to increase our enrollment by 15,000... an achievable goal. Suggested church goals for the 1991-92 year are:

Increase in Sunday School Enrollment	9.2%
Increase in Sunday School Average Attendance	9.2%
Increase in Evangelistic Prospects	9.2%
Increase in Sunday School Leadership Awards	9.2%

We urge you to set goals in your church in each of these areas listed, using the 9.2 percent increase as a basis.

ACCOMPLISHMENTS DURING 1990-91

Your Sunday School leadership planned or participated in three very successful training events during the past year. On May 30, a Pastor/Sunday School Director's Dialogue was held at the Brewer Lake Church with 45 participating and 13 churches represented. It was lead by Cecil Roenfeldt of the State Sunday School Department. As a part of the association's Key Leader Workshop at Madison First on August 27, 12 Sunday School leaders from 11 churches participated. The highlight of the year was the best ever Associational Training School, held at Fellowship Church on September 9-10. A total of 110 people participated in the two night event, focusing on the organizational and curriculum changes for 1991-92. Over 100 training awards were earned by those participating.

PLANS FOR 1991-92

We have enlisted a fine team of associational Sunday School officers for the year to **ASSIST** our churches. They are:

- Phil Heard Associational Sunday School Director
- Gene Speight Adult Director
- Bryan Hutchins Youth Director
- Phyllis Sevor Children's Director, Preschool Director,
Outreach Director
- Roy Saint Vacation Bible School Director

These people constitute our "ASSISTEAM." We regret the recent loss of Dennis and Malorie Draper who are moving from our association. They leave two vacancies which have not been filled at this time. It is the desire of each of us that we may **assist** your church in some way in the coming year.

Plans already scheduled for 1991-92 include a Bible Teaching Improvement Conference set for January 28, an Outreach/Evangelism Conference planned for March 10, and another Associational Training School on September 14-15. Additional plans and activities will be announced during the year.

Phil Heard, Director

Youth Rally

The 1990-91 Middle Florida Baptist Youth Rallies were a great success. The highest attendance was in March with 265 present. The overall average attendance for the year was 139.

Youth Rallies are great opportunities for the youth of our association to worship and fellowship together. Each church is encouraged to participate each third Saturday of the month.

The December Rally was held at Pine Lake Nursing Home in Greenville. Each resident received a gift from the youth.

Kevin Andrews, President

Family Life

The 1990s will bring many changes in the family structure. George Barna ("The Frog in the Kettle") reports by the year 2000 "SERIAL MONOGAMY" will be the norm where couples will marry at least three times; one in every four children will sometime have a single parent; youth will find "family" in gangs, and it will be a time in which the traditional comfort and security zone provided by the family will no longer be present for most. A Gallop Poll (*Newsweek*, February, 1990) of 3,000 families listed "help for the family" as their greatest felt need. The church can be in the middle of this struggle providing God's unchanging message to marriages and family life.

Meet the needs of these families and you will find your church developing a new **IDENTITY** in your community. As we reach out to hurting families in our congregation and community we tell the world that our church cares. Your Family Life Team stands ready to assist your church in developing ministries to reach these three vital target groups - **FAMILIES, SINGLES AND SENIORS**. At the bottom of this page are some of the events scheduled within our association to help in this endeavor. Please feel free to contact your family life team if you need assistance.

This was a good year for Family Life in our association. We had a wonderful time at Madison First, with our Senior Adult Celebration in February. Many pastors reported having a strong emphasis on the family during our Christian Home emphasis in the Spring. Our Singles Celebration at Fellowship was an exciting time of sharing about "Singles in Service." Our two equipping events were well received - "How to Grow Your Church Through Family Ministry" at Fellowship and "Covenant Marriage" at Pine Grove. We look forward to an even more fruitful year in 92 in Family Ministry in your church and our Association.

Morgan Bailey, Family Life Director

Woman's Missionary Union

During 1990-91, Woman's Missionary Union's emphasis, **Empowered!** and **Ephesians 3:20-21**, "**To him who by means of his power working in us is able to do so much more than we can ever ask for, or even think of: to God be the glory in the church and in Christ Jesus for all time, forever and ever! Amen.**", served as a plan of work and guide.

Through the year, W.M.U. members planned and participated in activities which deepened their faith and enhanced their vision. These activities enabled W.M.U. members and other church members to: 1. have a renewed dependence on the Holy Spirit as our source of motivation and power for missions, 2. have a deeper understanding of commitment to missions, 3. identify entry points for personal involvement, 4. accept risks in order to make an impact in a world of diverse needs.

Middle Florida Associational W.M.U. planned meetings and activities centered on the emphasis. Four rallies gave members an opportunity to learn from each other and work closely. Two Prayer Retreats were held at Pickett Lake. Both were well attended and enlightened the participants to the "Empowering of the Holy Spirit."

All Associational Officers attended the Leadership Training at Lake Yale in November.

Sixteen attended the Baptist Woman's Mission Retreat at Blue Springs in January and several churches were represented at the Baptist Women's Training at Blue Springs in September.

Middle Florida was well represented at the 97th Annual Session in Jacksonville April 9-10. Special retirement recognition was given to the State Director Miss Vanita Baldwin.

Acteens and Girls in Action attended Mission Fairs, Cometogethers, G.A. Whirls and Camps.

To God we give the glory for all the accomplishments.

Music Report

Across Florida last year, music enrollment continued to grow by 3.78 percent which was the highest percentage growth among larger states. Seven of our Florida music leaders conducted music training in Montana reports Paul Bobbitt, our state director and Charles "Blimp" Davis, his associate.

In Middle Florida we had great participation in our planned activities thanks to all of you. They were as follows:

JANUARY 17: Music Leaders Meeting attended by 18 adults, two children representing 10 churches.

FEBRUARY 2: Adult Choir Festival - Pinetta: 102 participants, 39 audience representing seven churches.

FEBRUARY 16: Youth Music Festival at Youth Rally - New Home: 60 participants representing eight churches, 108 audience.

MARCH 9: Children's Music Fun Day - Elizabeth and Central: 61 participants representing four churches, 39 audience led by Tonya Roberts, Ritta Bailey, and Lucy Harris.

APRIL 14: PraiSing introducing New Hymnal - Pine Grove: attended by 100 with many churches participating and Steve Kegley of First Monticello leading.

Camps were well attended this year with a full camp at Pickett Lake and 46 in our music group led by Matt Buchanan, Cheryl Harris and myself. What a blessing that choir was to me!

Music camps at Blue Springs were attended by seven Youth at Harmony Bay representing four churches and 10 Young Musicians representing four churches. Margie Peacock from Fellowship and I served on staff there and received a great blessing. We had one leader from Elizabeth attend the Presto Music Leadership at Blue Springs.

This year's plans include the following dates:

JANUARY 14: Fellowship at 7 p.m., Children's Choir Workshop led by Dr. Betty Bedsole, one of the finest children's leaders we have. Margie Peacock and Judy Saint will head this up.

FEBRUARY 8: Adult Choir Festival at First Madison 7 p.m., led by Bryan Hutchins and Gary Abbott.

FEBRUARY 15: Youth Music at Youth Rally: Lori Webb and Ed McHargue leading.

MARCH 7: Children's Fun Day: Mt. Olive - Committee: Ritta Bailey, Cindy Abbott, Margaret Ragans, Tonya Roberts.

JULY: Support all camps and possibly a youth retreat or camp.

SEPTEMBER 26: Back to Basics Music School at Greenville 9 a.m.-2 p.m. led by Bryan Hutchins and Linda Demott.

We plan to have an Associational Youth Musical which will be launched with a retreat on February 28-29 at Blue Springs Assembly and be performed in the summer.

We will appreciate your continued prayers and support as we expand music as a tool for reaching people in Middle Florida this next year.

Respectfully submitted,
Linda Demott

Brotherhood Report

The Brotherhood held four quarterly meetings during the 1990-1991 church year. In November "Pete" Peterson brought an inspirational message on "Interfaith Witnessing." This meeting was hosted by the Greenville Baptist Church (80/\$118). In January New Home Baptist Church hosted the meeting. Dr. Nathan Boles, Pastor, First Baptist Church Monticello, brought the serious message "Jesus Must have been a Sports Fan" (85/\$123). The April meeting at Elizabeth was a special time for RAs to shine. Brother Milton Warren and his Royal Ambassador troop presented the program (49/\$95). Our final meeting of the year was at Lee First Baptist. The joint W.M.U./Brotherhood meeting was addressed by Chaplain Andrews of the Madison Correctional Institute (123/\$169).

Major emphasis goals for this past year were disaster relief, construction volunteers and promoting mission work. Member churches have provided leadership in all areas this year but much work is yet to be done.

May God bless Larry Townsend as he leads our Brotherhood this next year.

Sincerely,
Roy W. Scott, Director

State Board of Missions

It has been a privilege for me to serve you on the State Board of Missions. I have served a three-year term on the Board. I was appointed to a second three-year term which began November 1990. I have enjoyed these four years on the State Board of Missions very much and am sincerely grateful to you for the confidence you placed in me by allowing

me to serve in this capacity. The experiences I gained in my first term on the State Board has enabled me to serve more effectively in my second term. I have attended all meetings of the State Board, except for one where I was incapacitated because of an operation, all committee meetings, work group meetings and have completed all special assignments given to me by the State Board of Missions.

My assignment this year has been on the Program Committee. I would like to share with you some of the things the State Board worked on this year. The Board approved nine changes to the Constitution and Bylaws of the State Convention. These outline the responsibilities of the Convention employees and provides clarity and continuity to the Bylaws.

The Board employed four persons to bring new approaches to Ministry. Barbara Sue Curnutt of Dallas, Texas was hired as the new director of the Woman's Missionary Union, Missions Division. Her duties will be to plan, conduct, supervise and evaluate the programs of Missions Education and the Woman's Missionary Union Department. Cecil Seagle was selected to be the new director of the Brotherhood Department. Among his duties will be to plan, conduct, supervise and evaluate the Brotherhood Department programs in the State of Florida. He will also assist on the associational and church level, providing counsel in developing new approaches to mission education and ministry. Loy W. Reed was elected to the position of Director of the Student Ministries Department of the Education Division of the Florida Baptist Convention. Renaud Balzora was selected as Associate Director of the Language Missions Department of the Missions Division. In selecting these individuals the State Board of Missions was looking for people who were creative, could motivate and inspire people in Missions Education and Missions Involvement.

I would like to discuss the budget for a moment. The State Board of Missions is recommending a budget of \$23,932,434.00 for 1992. This is a slight decrease .37 percent from our 1991 Cooperative Program budget and is based on a shortfall of gifts received by the State Convention through July 31. Final approval of the budget will be made by the messengers to our State Convention in November. The State Board of Missions is recommending that 50.82 percent of the funds be retained for Florida Baptist Programs of Missions, evangelism and other ministries. The remainder of 49.18 percent would be sent to the Southern Baptist Convention. We are also recommending that 3.18 percent of the funds sent to the Southern Baptist Convention be designated to support the Pastor Annuity Program. We felt this was important to strengthen the Annuity fund as many of our pastors who are retiring find it difficult to make ends meet on the annuity they receive. I would strongly encourage the messengers who are selected from our churches to support this budget, it is sound and a great deal of planning and prayer went into its preparation.

The State Board of Missions recognizing the need for additional support for the local associations, strongly encourage churches to give at least three percent of their undesignated church receipts to the association. The state average of gifts from local churches to the Cooperative Program is 9.1 percent. We encourage you to at least meet this level of commitment. The State Board also approved a change in the distribution of funds received for world hunger. In the past 10 percent of the monies received was used for hunger in our state and 90 percent was sent to the Southern Baptist Convention for use by the Home Mission Board and the Foreign Mission Board. Because of the increasing need in Florida the Board made a decision to retain 25 percent of these funds for local use.

Purchase has been completed for the Deerfield Beach property which is to be used for a South Florida Urban Training Center. A committee has been appointed to develop plans for its use and recommend ways to fund the center's operation.

The Baptist Building, which is the headquarters of the Florida Baptist Convention in Jacksonville, has just been completely renovated at a cost of just over one million dollars. It was in a sad state before the work began but now it is in excellent condition. Should you be in Jacksonville go by and visit this fine facility.

The State Board of Missions is recommending to the Florida Baptist Convention that we enter into a formal partnership with Montana, North Dakota and South Dakota. The need is great because of the lack of churches to minister to the people. The ministry is difficult because of the great distances and sparse population. The State Board of Missions is recommending that each church enter into a partnership with a church in one of these three states. If your church would be interested in doing this please contact the Missions Division of the Florida Baptist Convention and they will assist you in forming this partnership. Every church could at least be involved in a prayer partnership and the involvement could extend as far as your ability would allow toward meeting needs of the church you are in partnership with.

If I can be of assistance to you in anyway please let me know and I will be delighted to help you. The State Board of Missions and the Florida Baptist Convention are there to help you, as a church or individual, if you have a need please contact them for assistance.

Thank you again for allowing me to serve on the State Board of Missions. My life has been enriched by this experience and I hope in some small way I have been able to make a positive contribution to its achievements.

Harold L. Smith

Evangelism

Good News!

Florida Baptist Churches and missions baptized 31,297 people in 1990, compared to 27,552 in 1989. The reason: churches doing the standard, basic things, unusually well. One of the most significant accomplishments was the lower number of churches that did not baptize anyone the year before.

The final reports are not in on the Middle Florida Baptist Association, but we pray that we too have been busy doing the Father's work.

The Evangelism Division of the Florida Baptist Convention promoted a number of events to assist pastors, staff and churches in evangelism. Included were some of the following:

- The Florida Evangelism Conference
- Soul-Winning Commitment Day
- Youth Evangelism Conference
- Four National Continuing Witness Training (CWT) Seminars
- Lay Evangelism Schools
- Associational Evangelism Rallies.

Dr. Passmore and his staff will do all possible to help each and every church in any way possible.

I would encourage each of our churches to make themselves aware of all the opportunities for evangelism and use as many as possible. If I or anyone on the Evangelism Committee can be of service to your church, please feel free to call.
