On motion, Elder H. M. Friar was added to the committee.

Called for reports of committees.

Report of Committee on State of the Churches was read and discussed by Elder N. A. Bailey, which was adopted.

## REPORT ON STATE OF THE CHURCHES.

We find, from best information at hand, some improvement in a few of our churches composing this body, in such work as better salary to pastors, more interested in Sunday-schools, better co-operation with State work, and some advance in associational interest in general, but, sad to report, some of our churches fur- nishing no evidence of improvement in any of the work pertain- ing to the building up of our Master's kingdom upon the earth.

But, brethren, more deplorable still, quite a number of our churches have made no report for years to this body from causes which likely grieve them as much as ourselves, therefore we commend such to your sympathy and earnest prayers, and re- quest that one or more copies of the minutes of this associational meeting be furnished them through our present Clerk. We ad-

vise that all our churches take a forward movement in co-operating with our State Board.

All of which we respectfully submit.

J. E. G. CAMPBELL,  
W. F. COWEN,  
G. E. BLAIR,  
Committee.

Report of Committee on Temperance read, and discussed by Elder J. G. Connel, then adopted.

#### REPORT ON TEMPERANCE.

Your Committee on Temperance respectfully submit: That, as Christians, we should earnestly condemn intemperance in every form, and in our daily walk should set the noble example that we are temperate in all things, and should study the teachings laid down in God's holy book, and endeavor earnestly and prayerfully to conform to the same.

Respectfully submitted;

A. DELAUGHTER, Chairman.

Report of Committee on Periodicals was read and discussed by Elders J. C. Porter, N. A. Bailey and S. M. Provence, which was then adopted, as follows:

#### REPORT ON PERIODICALS.

Reading is a great means of grace and should be carefully considered. If our people read good books and periodicals, they will form good characters and glorify God; but if vile, pernicious literature is spread before them, they may read it, to their eternal ruin. In view of the importance of this subject, we would earnestly recommend to our churches and Sunday schools the *Kind Word Series*, and also the *Lesson Helps* of the American Baptist Publication Society. We would urge all our people to take our State paper, *The Baptist Witness*, and read it. It is our denominational organ, and no one can be a wide-awake, aggressive Baptist without perusing its pages weekly. We would recommend the *Home Field*, *Foreign Mission Journal*, *The Baptist Basket* and *Christian Index* as valuable aids in our religious work. But above all we would insist upon our people reading and studying the Bible.

F. M. WELLS, Chairman.

On motion, adjourned till to-morrow 9 o'clock A. M. Benediction by Elder A. M. Manning.

### THIRD DAY.

#### MORNING SESSION—9 A. M., NOVEMBER 1.

Met pursuant to adjournment.

The Moderator read part of the 9th chapter, 1st Cor. Elder F. M. Wells led in prayer.

Called for report of committees.

Report of Committee on Sabbath-schools was read and discussed by Elders Porter, Bailey and Wells. Elder A. M. Manning offered an amendment to the report on Sabbath-schools, which, on motion, was adopted with the report.

#### REPORT ON SABBATH-SCHOOLS

"And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men who shall be able to teach others also." Teaching Gospel truths by short, pointed methods has been authorized by the Lord since the leading of his ancient Israel from under Egyptian bondage, and as their national bondage typified spiritual bondage, how much greater the need of such teaching—not to the child only but to the parent also, who need this for their own strength against sin, and for aggressive warfare against error in general; and, too, that they may be prepared to teach by precept and example their children, as none other with equal qualifications can.

While we have fuller reports of number and work done by Sabbath-schools in teaching the Gospel, yet strive to progress should be our motto, until no isolated part of our large territory should need opportunity for religious training. We advise our brethren in this work to press upon those by whom they are surrounded to aid in getting lesson papers or question books, libraries and even suitable newspapers for encouraging this noble work.

WHEREAS, The Sunday-school work has assumed such proportions as to claim our special attention, therefore

*Resolved*, That this Association recommend its Executive Committee to organize a Sunday-school Convention at once, which shall meet four times a year to discuss the best methods of carrying on this important department of our church work.

J. D. TOLAR,  
JOSEPH DORSY,  
H. A. HAWK,  
Committee.

Report of Committee on Nominations was read and adopted.

#### REPORT ON NOMINATIONS.

Your Committee on Nominations would make the following report: For Executive Committee—Revs. H. M. Friar, A. M.

Manning and F. M. Wells, and Brethren W. W. Campbell and W. S. Jordan Bro. Jordan to be re-elected as Treasurer, and Rev. J. E. G. Campbell to preach the introductory sermon at our next annual meeting.

All of which is respectfully submitted.

F. M. WELLS, Chairman.

The report on Ministerial Education was read and discussed by Elders S. M. Provence and N. A. Bailey, and then adopted.

#### REPORT ON MINISTERIAL EDUCATION.

That men called of God to the office of the Christian ministry should prepare themselves for that work by the best intellectual training within their reach, is beyond question.

There are diversities of gifts, but the same spirit, and while men of every order of mental endowment are set apart to the work of preaching, the humblest and highest alike have need of such training and development as will put them into possession of their own powers. There has been in recent years a wider spread revival of interest in the proper education of ministers of the Gospel. It has come to be conceded on all hands that he who would engage in this highest of all callings should study to show himself a workman that needeth not be ashamed. To this end he should be taught how to study. He should be put into possession of the facts and principles which constitute the means and furnish the *stimulus* to intellectual growth.

We are glad to report that in our State provision is made in part, at least, to meet this requirement. The John B. Stetson University, at DeLand, already has three young men studying for the ministry, and two others are expected soon. This school has no theological department, but it proposes to give an adequate literary preparation, so that young men may enter the theological seminary with advantage, or may, when a theological course is impossible, receive valuable preparation for their work.

The Southern Baptist Theological Seminary, at Louisville, is peculiarly adapted to the genius of our churches. Men of all degrees of preparation meet in the same classes and are mutually helpful.

We heartily commend these schools, and we lay upon the hearts of our brethren the duty of providing for those who need help to obtain a liberal education.

S. M. PROVENCE,  
A. LACY,  
W. D. LEE,  
Committee.

Report of Committee on Finance received and adopted.

#### FINANCE REPORT.

We, your Committee on Finance, beg leave to submit the following report, to-wit:

For Minute Fund	\$28.05
" Associational Fund	35.95
" Associational Missions	57.20
" State Missions	21.35
" Foreign Missions	9.75
" Home Missions	6.30

Total \$158.60

All of which is respectfully submitted.

JOHN W. DAY, Chairman.

Report of Executive Committee received and adopted.

Your Executive Committee would respectfully submit the following report: That at last Association they continued the appointment of Bro. E. Trice as missionary for one-fourth his time, in the same field of labor as last year, and would refer you to his report. We also employed Bro. J. G. Connel for four months, each missionary at a salary of ten dollars per month for one-fourth of their time. Bro. Connel's salary was paid by the State Board, except what was received on the field.

A. M. MANNING, Chairman.

#### REPORT OF MISSIONARY E. TRICE.

To the Florida Baptist Association:

DEAR BRETHREN—I am truly sorry that circumstances are such I cannot be with you at this session. I can say to you I have performed my duties as missionary to the best of my ability; have been blessed to get our church edifice at Carabelle near enough finished to worship in. I cannot express my joy when first we met in our new house to worship.

We have collected and used on the house about five hundred dollars; it will take about three hundred more to finish the house.

The brethren and sisters would have paid more on my salary if it had not been they were obliged to contribute all they could to build the house. These dear people need the assistance of the Association one more year, and I think when they finish their house they will become self-sustaining, and also help others. The following is my annual report as missionary of the Florida Baptist Association, for the year commencing October 1st, 1889, ending September 30th, 1890:

Weeks of labor rendered, 26; churches supplied, 1; sermons delivered, 62; addresses, 5; prayer and other meetings attended,

25; Sunday-schools organized, 1; miles traveled, 1396; received into fellowship of the church, 17; by baptism, 7; restoration and letter, 10; church houses near enough complete to use, 1; tracts distributed, 500; collected for Foreign Missions, \$20.50; for State Missions, \$20.00.

My people have paid on my salary . . . . . \$16 25  
Received from J. P. Roberts, Clerk Union Meeting. . . . . 9 00  
Received from W. S. Jordan, Treasurer Florida Association . . . . . 94 75

Total . . . . . \$120 00

E. TRICE, Missionary F. B. A.

The following report of Elder J. G. Connel, Missionary for the Florida Baptist Association, during the last four months, ending November 1st, 1891, was received and adopted:

Sermons delivered, 23; prayer meetings attended, 4; religious addresses, 5; miles traveled, 230; received by baptism, 4; by restoration, 2; collected on the field, \$7.50, one dollar of which was from Elizabeth Church, and the balance from Philadelphia Church. Received from Rev. W. N. Chaudoin, \$35.00.

J. G. CONNEL, Missionary.

On motion, it was agreed that the amounts sent up by the churches for State, Home and Foreign Missions be turned over to Bro. N. A. Bailey.

The Association then adjourned to 1:30 o'clock P. M. Benediction by Elder A. M. Manning.

#### AFTERNOON SESSION—1:30 P. M.

Met pursuant to adjournment. Prayer by Elder S. M. Province.

Report of Committee on Missions was read and discussed by Elder N. A. Bailey, and then adopted, as follows:

#### REPORT ON MISSIONS.

The subject of missions is far-reaching in importance and wide-spreading in its influence. Our motto should be, "The world for Christ." We are glad to report progress in all our various mission fields, and as the work enlarges, it calls for enlarged contributions from our churches. Our own beloved State is an important mission field, which claims our special attention. We would urge all our pastors to bring this matter prominently before their people and induce them to give systematically to our State Mission work. We would earnestly commend the Executive Committee and its work in our Association to the hearts and

sympathies of all our churches, and would ask for special contributions for this important work. We suggest that this committee, in connection with our State Board, appoint a missionary to labor in our bounds, and that the churches do all they can to help support him.

A. M. MANNING,  
J. E. G. CAMPBELL,  
J. W. DAY,  
Committee.

The report of Committee on Deceased Ministers and Deacons was read and adopted, as follows:

#### REPORT ON DECEASED MINISTERS AND DEACONS.

DEAR BRETHREN—Your committee comes with the sad intelligence that our Father has laid his hand heavily upon us the present year and brought sorrow to our hearts, in calling from labor to refreshments several of our co-laborers in his work, leaving us to mourn our loss, with increased duties and obligations resting on us who are left to the work.

We have lost from our ranks our dear brother, Rev. J. W. Faulkner, who for several years gave himself to the work of the ministry, encouraging the weak and directing all to the Lamb of God who taketh away the sins of the world.

Brother Faulkner was an honored citizen, an affectionate father, a devoted husband, and an earnest minister of Jesus Christ. Truly, "he rests from his labors and his works do follow him."

We have to report the death of Deacons Wm. H. Scruggs, E. Vann, T. P. Quiett and W. B. Tedder, who have been called to their reward, and we would suggest that a blank leaf be left in our minutes to their memory.

All of which is respectfully submitted.

F. M. WELLS, Chairman.

WM. S. JORDAN, Treasurer.

The report of the Committee on Woman's Work was read and discussed by Rev. F. M. Wells, and then adopted, as follows:

#### REPORT ON WOMAN'S WORK.

Your committee on this work can do no more than refer to the work of our sisters already done with approval and thanks-giving, and bid them God-speed in the future. While we rejoice in the work of existing societies, we feel more encouragement is due them from us than has been given. Some brethren raise objections to their plans; while few assist.

We would say to our sisters, "Be ye steadfast, unmovable, always abounding in the work of the Lord, for inasmuch as ye know that your labor is not in vain in the Lord."

We would most heartily commend our Sister L. B. Telford, of DeLand, Fla., who is the corresponding Secretary of Woman's Mission Work in our State, and urge all our sisters to correspond with her as to the work. We also recommend the *Baptist Basket*, Louisville, Ky. Respectfully submitted,

J. E. G. CAMPBELL,  
A. LACY,  
W. T. NEWBERRY,  
Committee.

The following named brethren volunteered as correspondents to the Mercer Association, Ga., viz: Elders S. M. Provence, A. M. Manning, H. M. Friar and Bro. George W. Turner.

On motion, the time of meeting of this Association was changed to Tuesday before the first Sabbath in October.

By invitation the next session of this Association will convene with the Aucilla Church, Jefferson County, Fla., commencing on Tuesday before the first Lord's day in October, 1891.

The Moderator offered the following resolution which was adopted:

*Resolved*, That the thanks of this Association are due and are tendered this church and community for their hospitality and courtesies extended us during our session.

On motion, the Clerk was allowed \$15 for his services.

On motion, it was agreed that the public collection taken up on to-morrow be equally divided between State and Associational Missions.

The Committee on Preaching reported Elder N. A. Bailey to preach to-morrow at 11 o'clock A. M.

There being some trouble existing in the Monticello Church, a minority of its members feeling aggrieved over the course in which the church was pursuing, Rev. F. M. Wells stated to the Association that he had conferred with the pastor of said church in reference to their troubles; and the pastor stated to him that the matter should be settled by mutual council.

The minutes were then read and adopted.

The Association then adjourned to meet as before mentioned. During the singing of a hymn of praise the parting hand was extended.

Elder N. A. Bailey led in prayer.

H. M. FRIAR, Moderator.

W. W. CAMPBELL, Clerk.

#### SABBATH.

Elder N. A. Bailey preached at 11 o'clock A. M. to a large congregation with great earnestness, from 16th verse of 72nd Psalm, at the close of which a collection was taken up for missions, amounting to \$16.60.
