### COMMUNICATION.

#### *The Monticello Baptist Church, to the Florida Baptist Association, Greeting:*

DEAR BRETHREN:—We, the Monticello Baptist Church, feel impelled by a solemn sense of duty to enter this our formal complaint before your body against certain action of the Ebenezer Church of Jefferson County, Fla., to-wit:

First, The said Ebenezer Church has disregarded the comity which exists among Baptist churches, and has broken fellowship with the said Monticello church and all orderly Baptist churches.

Second, The said Ebenezer Church, having broken fellowship as aforesaid, continues to disregard the obligation of church comity and inter-church fellowship.

Third, The said Ebenezer church has violated "Gospel order" as it is understood and practiced among Baptist churches.

The foregoing charges are more specially set forth in the following statement of facts, to-wit: 1st, On the 10th day of December, 1890, the Baptist church at Monticello, Jefferson county, state of Florida, in a regular and orderly way, and by a unanimous vote, excluded from her fellowship, after previous citation to trial, for certain acts of immoral conduct, a certain member, the said member being at the time a minister of the Gospel.

In a short time thereafter, without the consent of said Monticello church and without consulting the church in any way, the Ebenezer church received the said excluded member into her fellowship, whereby church comity was violated and inter-church fellowship broken.

Second, On another certain day thereafter, the said Ebenezer church, without the consent of the said Monticello church, by letter or otherwise, received another certain member into her fellowship, the said member being at the time a member of the said Monticello church, in good and regular standing; thus subverting church order, destroying the fellowship theretofore existing between the said churches. And it appears further:

That the said Ebenezer church in receiving the said excluded member as aforesaid, did not undertake to refute the charges upon which he had been excluded, but assumed and acted upon the theory of church polity, that a minister of the Gospel can be properly excluded only upon the advice of a council of ministers, which theory is subversive of the order of one of the fundamental principles of Baptist churches, since it is clearly taught in the New Testament that in church standing and order every member is of equal rank with every other.

Therefore, the said Monticello church in the spirit of the Gospel represents and sets forth that the aforesaid acts of the said Ebenezer church are destructive of the harmony and fellowship of our churches, opposed to the precedents of the Association, and against the peace and dignity of the same.

Done in conference this 23d day of September, A. D. 1891.

S. L. MOORE, Church Clerk.

S. M. PROVENCE, Moderator.

On motion, the communication from Monticello Baptist church was received.

The Committee on preaching reported Elder J. C. Porter to preach at 11 a. m.

Divine service at 11 a. m. by Elder J. C. Porter, from John, 14th chapter, and 2d verse.

### AFTERNOON SESSION.

Met pursuant to adjournment. Sang the hymn, "Jesus keep me near the cross," &c. Elder J. E. Campbell led in prayer.

On account of certain acts of the Monticello brethren, we consider the church in disorder, and request an investigation and action at the hands of the Association.

Done by order of Ebenezer Baptist church, this the 5th day of September, A. D. 1891.

H. A. HAWK, Church Clerk.

Report of Committee on Missions was read, and discussed by Elder N. A. Bailey and other brethren, which was adopted.

### REPORT ON MISSIONS.

The Committee on Missions beg leave to submit the following report:

—The Lord has a people on earth whom He has redeemed by His blood.— This people He leaves on earth to serve Him. The general direction which He gives to them in regard to that service is "Go ye into all the world and preach the Gospel to every creature." Churches organize Associations, Associations organize Conventions, and in these Southern States, Churches, Associations and Conventions have organized The Southern Baptist Convention, in order that the Lord's commandment may be better obeyed.

The Southern Baptist Convention has assigned its missionary work to two Boards. One located at Richmond, Va.—has charge of the foreign missions. One in Atlanta, Ga.—has charge of home missions, to assist these Boards, and better to look after home destitution, The State Convention has organized the State Mission Boards, and our Association has its Executive Committee for the same purpose within the bounds of this Association.

We commend all the work of each of the Boards. We specially commend the Centennial Memorial of the revival of modern missions, which all Baptist churches in all the world are asked to take part in next year, and in pursuance of the request of the S. B. C. we recommend the appointment of a committee in this Association to work up our share in that memorial service.

We recommend the special effort to raise \$500.00 in Florida by the 1st of December, 1891, to help pay for the Baptist Chapel in Cuba. The work of our Executive Committee should be approved; we are especially pleased with the giving of assistance to the work at Tallahassee, and we recommend that that work be continued, and enlarged if possible. And we earnestly request the State Board and Home Board to assist us in maintaining the preaching of the pure Gospel in the most important city in Middle Florida.

We do, in conclusion, most earnestly urge upon the notice of our brethren, the wide spread destitution throughout our bounds, and appeal most warmly to our Pastors and churches to put forth a larger liberality in behalf of the cause of our Master in our own midst and in the region beyond. Respectfully submitted, J. L. D. HILLYER, Chairman.

A collection was taken up for the Havana Baptist church, amounting to \$14.00.

Report of Committee on Temperance was read and adopted.

#### REPORT ON TEMPERANCE.

Your Committee on Temperance find that intemperance is a source of much trouble in the world, and we as servants of the Master declare against intemperance and advocate the doctrine that church members should abstain from all intoxicating drinks as a beverage, and we further ask that the churches of this Association advocate this doctrine among their members and use every effort to point out the danger of this body and soul destroying evil. Respectfully submitted.

T. J. FAULKNER, Chairman.

Report of Committee on Periodicals was read and discussed by Elder S. M. Provence and others, which was adopted.

#### REPORT ON PERIODICALS.

Your Committee on Periodicals beg leave to report that we have taken under the consideration the subject of periodicals and believe that reading is a great means of grace, and should be carefully considered. If our people read good books and periodicals they will form good characters and glorify God; but if vile, pernicious literature is spread before them, they may read it to their eternal ruin. In view of the importance of this subject we would earnestly recommend to our churches and Sunday schools the Kind Word Series, and also the Lesson Helps of the American Baptist Publication Society; The Baptist Witness—read it, and the Pastors of the

several churches are requested to make it special matter of interest to work The Baptist Witness in their churches in the month of January of each year. It is our denominational organ, and no one can be wide-awake, aggressive Baptist without perusing its pages weekly. We would recommend the Home Field, the Foreign Mission Journal, The Baptist Basket and Christian Index as valuable aids in our religious work; and still recommend our people to confine themselves to the Bible as their Leader at home and in their Sunday Schools. Respectfully submitted.

J. P. ROBERTS, Chairman.

The Committee on Preaching reported Elder J. T. Farnell to preach at 11 o'clock, a. m.

On motion that all speeches be limited to five minutes.

Divine service at 11 a. m., by Elder J. T. Farnell from 107th Psalm and 8th verse.

Report of Committee on Finance received and adopted.

#### FINANCE REPORT.

We, your Committee on Finance, beg leave to submit the following report, to-wit:

Minute Fund	\$33.20
Associational Fund	43.30
Associational Missions	25.60
State Missions	21.10
Home "	14.75
Foreign "	17.60
Total	\$155.55

Respectfully submitted, J. B. HARDEE, Chairman.

Report of Committee on State of Churches was read and adopted.

#### REPORT ON STATE OF CHURCHES.

Your Committee on State of Churches recommend the discontinuance of this item of business.

Respectfully submitted, F. M. WELLS, Chairman.

Report of Committee on Nominations was read and adopted.

#### REPORT ON NOMINATIONS.

Your Committee on Nominations would make the following report:— For Executive Committee, Elder H. M. Friar, Brothers H. A. Hawk, H. B. Gibson, L. H. Patterson and W. W. Campbell, and Bro. W. W. Campbell to be elected Treasurer; Elder J. L. D. Hillyer to preach the next introductory sermon, Elder F. M. Wells, alternate.

Respectfully submitted, A. M. MANNING, Chairman.

The report of Committee on Ministerial Education was read, discussed by Elder N. A. Bailey and others, which was adopted.

#### REPORT ON MINISTERIAL EDUCATION.

The Committee on Ministerial Education respectfully submit the following report on that subject: A careful examination of the letters from the different churches composing this Association shows that no amounts have been reported as raised during the past year for this purpose, except from a single church. It may be that this item has been overlooked in making up the statistics for the year. Your committee trusts that it has been and that the great duty of assisting young men, who are ready to consecrate themselves to the great work of the ministry, to properly fit themselves for usefulness has not been entirely neglected. The large increase in the school privileges of our people, the establishment of higher grades of

for more laborers to be sent into the harvest, and silence if possible, forever, the complaints of some of our people against a certain class of our workers. Our sisters are beginning to hear for themselves the command, "Go work in my vineyard," and are moving in the matter of Christian efforts in their legitimate sphere of labor, which causes rejoicing among those who are interested in the prosperity of Zion; and as there are wonderful results following their labor we would urge upon our brethren to encourage them in their work, and insist if possible, every disciple of whatever name or sect into the regular army of the Lord. Ladies' Missionary Societies are recognized as an element of power for the spread of the Gospel, and we would urge upon our churches and Pastors to try to organize one in every church and encourage them in all legitimate work for the Master.

All information for organizing Ladies' Missionary Societies will be furnished on application to Sister L. Telford, DeLand, Fla.

Respectfully submitted.

F. M. WELLS, Chairman.

Report of Executive Committee was read and adopted.

#### REPORT OF EXECUTIVE COMMITTEE.

DEAR BRETHREN—Your Committee has but little to report worthy of this great body that we have represented for the year just closed. Still it was the best we could do under the circumstances; we employed Elder J. G. Connell for a part of his time at the expense of \$50.00. And for the last three months we have been assisting the little church at Tallahassee to the amount of about \$12.00, inclusive. All of which is respectfully submitted.

H. M. FRIAR, Chairman.

On motion, that any member of this Association attending any sister Association be authorized to represent this Association as a correspondent.

On motion, that the next session of this Association convene with the Concordia Baptist church, 16 miles north of Tallahassee, Fla., on Tuesday before the first Sunday in October, A. D. 1892.

The following resolutions was offered and adopted:

RESOLVED, That the thanks of this body be and are hereby tendered to the Brethren and Sisters of Aucilla church, and the citizens of this community for their kindness and hospitality extended to us during our session.

RESOLVED, That the thanks of this body be tendered to the Railroad for favors granted to delegates and visitors attending the Association in furnishing reduced rates of transportation.

On motion, That the Clerk be allowed \$15.00 Clerk fee and for stationery.

Resolution: RESOLVED, That the thanks of this body be tendered to our Moderator, Elder H. M. Friar, for the impartial and courteous manner in which he has discharged the duties of presiding officer. Also to our Brother, Clerk H. B. Gibson, for the zeal and intelligence with which he has discharged the duties of his office.

On motion adjourned; and during the singing of the hymn, "Jesus lover of my soul," the parting hand was extended. After which Elder J. L. D. Hillyer led in prayer. Elder N. A. Bailey pronounced the Benediction.
