efficient choir :

WELCOME TO ALL.

1. We welcome you, friends of our Master and Lord,
To share in the joys which our feasts will afford;
To fill us with love for the work of our King,
And help us to him greater tribute to bring.

CHORUS:

Then a welcome to all, happy welcome to all!
Thrice welcome, happy welcome, happy welcome to all!

2. We bid you a welcome to homes and to hearts
Aglow with the friendship which Jesus imparts;
With us to rejoice in the bountiful love
And blessings so rich from the Father above.

CHORUS.

3 We greet you, dear brethren in Christ, with a prayer
That love, joy, and peace may abide with us here;
That wisdom and prudence may guide us aright
In all that pertains to the Kingdom of Light.

CHORUS.

4 At last, when our meetings and partings are o'er,
May all find a welcome on heaven's bright shore,
When honor and praise to our God we will sing
Through Jesus, our Savior, Redeemer, and King.

REPORT OF COMMITTEE ON MISSIONS.

Whereas, the Lord Jesus, in his last words before his ascension, committed the world to his followers with the command that they go and disciple all nations, therefore your committee recommend that our pastors and members of our churches study the divine commission and the lives of those who have gone forth to obey it, that this coming associational year be marked as one of education to us all on the subject of Missions. Lack of information means lack of interest in our great missionary work. With an intelligent knowledge of what God is doing on the great missionary fields at home and abroad, our hearts will become burdened for the salvation of souls, and we shall labor, and pray, and give of our means for this end. Pray specially for the missionaries. Let their names be familiar to us, and let us talk of them as our friends. Learn about their fields of labor. Then we shall come into greater sympathy with the mind of our Master and submit to his divine commands.

Respectfully submitted.

STEPHEN CROCKETT.
I. R. CLEMENTS.

The report on Ministerial Education was submitted and referred back to the committee, that they might mention the Southern Baptist Theological Seminary. S. M. Provence, J. T. Farnell, and J. C. Porter spoke to the report and it was voted that the report lie over till the night service.

Under the head of unfinished business the Committee on Division of Association submitted the following

REPORT OF COMMITTEE ON DIVISION OF ASSOCIATION.

T. J. FAULKNER.
STEPHEN CROCKETT.

It was moved and seconded that the question of division of Association be laid upon the table. The motion was lost. Motion made and seconded that the question be indefinitely postponed, to which an amendment was made that the question of dividing the Association be discussed. The same was carried after a general discussion, participated in by S. M. Provence, T. J. Faulkner, A. M. Manning, and J. C. Porter. Motion prevailed that the Association do not take any action on the question of division till the next Association.

The report of the Executive Committee was read and approved.

REPORT OF EXECUTIVE COMMITTEE.

Your Executive Committee for the past year beg leave to report that they have employed Bro. E. Trice for part of his time to work south of Tallahassee, for which we have paid him \$24, and have supplemented Bro. A. M. Manning's salary at Olive Branch church to the amount of \$30. We also have selected Bro. Joseph Connell as a student to the Stetson University, and have aided him to the amount of \$47.50, the amount sent up by the churches for this purpose.

Respectfully,

T. J. FAULKNER.

The report of the Committee on Periodicals was read by F. M. Wells. Pending its adoption F. M. Wells, T. J. Faulkner, and J. C. Porter spoke to the report.

REPORT OF COMMITTEE ON PERIODICALS.

We can not overestimate the importance of circulating sound Baptist literature among our people. The enemies of the Cross are flooding the country with pernicious books, tracts and papers, teaching for doctrines the commandments of men, and the only way to counteract this evil and

damaging influence is to fill the homes of our people with pure and wholesome Baptist books and periodicals.

Your committee take pleasure in recommending the "Florida Baptist Witness," our own state organ, published every week at Ocala, Fla., to our church members. It contains all the information about our state mission work, and keeps us in touch with our brethren and sisters in all parts of the vineyard. It is an able defender of the Baptist faith and practice, and should be a welcome visitor in every Baptist family in the bounds of our Association. We notice that many of our wide-awake, working church members take and read the "Baptist Witness."

For missionary information about the work of our Home and Foreign Boards, we recommend the "Home Field" and "Foreign Mission Journal."

The Sunday schools will find the periodicals of the Nashville Board and those published by the American Baptist Publication Society valuable aids in their work of studying and teaching the Scriptures.

F. M. WELLS, Chairman.

The Committee on Nominations was announced, consisting of the following brethren: F. M. Wells, J. E. Vann, and H. C. Billingsley.

Adjourned with prayer by F. M. Wells.

The following report on Ministerial Education was then adopted:

REPORT OF COMMITTEE ON MINISTERIAL EDUCATION.

So much has been said as to the importance of this subject that your committee feels that it can say nothing new. That it is absolutely necessary for a man to prepare for the office of the gospel ministry, the Bible is perfectly clear on. That no one can preach without at least some education the Bible declares. The minister has to deal with the Book of books; therefore, of all professional men he should be most educated. The minister is a teacher of kings, queens, presidents, judges, lawyers and doctors; hence he should make himself competent to his God-given work. The minister is commanded to give himself unto study; he is therefore sacredly called to educate himself. Time advances and we should advance too. The plan of God seems to be to reveal himself to a people as they understand him. The people understand God as they study him in nature and in his word. The people of today have higher ideas of God than the people of yesterday. Hence the necessity of an advanced ministry. We who feel sacredly called to preach the gospel should feel sacredly called to educate ourselves for so glorious and loving a service. We feel thankful to our God that we are enabled to hail with soul-thrilling joy the John B. Stetson University at DeLand, Fla., under the presidential care of Dr. J. F. Forbes and his able and affable corps of teachers.

This noble institution is doing great good for God and the uplifting of the people. We pledge to this Baptist college our prayers, our sympathy, and our support.

We would not forget the Southern Baptist Theological Seminary, located at Louisville, Ky. We feel that we should urge our young preachers to spend as much time as they possibly can at both of these colleges. Oh that ministers would endeavor to become in every sense of the term "burning and shining lights."

We thank God for the increased desire in ministerial ranks for a pure Christian education, that they may be ready for every good work. This they cannot do without an education. Praying that the great Shepherd and Bishop of our souls will aid our brethren in their endeavors to acquire an education, and trusting that this will be an impetus to that holy inspiration,

Respectfully submitted.

H. B. GIBSON, Chairman.
H. C. GOLDEN.
B. F. KELLY.
GEORGE W. BASS.

REPORT OF COMMITTEE ON WOMAN'S WORK.

Your committee beg leave to report that Woman's Work is a part of this great mission work, and has done great service in our own state and in foreign fields. We recommend that all our churches assist in this work by organizing missionary societies and bands.

OF

Deacon JOHN T. CATES,

OF

PLEASANT GROVE CHURCH,

LAFAYETTE COUNTY.

"Yes, we all live to God!

Father, thy chastening rod

So help us, thine afflicted ones, to bear,

That, in the spirit land,

Meeting at thy right hand,

"T will be our heaven to find that he is there."

[N. B.—Since the Association adjourned the Clerk has received a letter containing a post-office order for \$2.45 from the Monticello church per S. Pasco, which amount has been forwarded to the Treasurer to be applied to State Mission work, church building.]

The following resolution was introduced by A. M. Manning and adopted:

"Therefore be it resolved, That each church in the Association be requested to cheerfully give to missions monthly at the rate of one cent per week for each member (1 Cor. 16:2), thereby having each member represented as a Missionary Baptist."

E. H. Rennolds, Sr., who represents the State Convention in the capacity of Historical Secretary, made an address concerning his work, emphasizing the necessity of gathering and preserving the facts of our denominational history.

The following report of the Committee on Sunday Schools was read and adopted after a few remarks by F. M. Wells:

REPORT OF COMMITTEE ON SUNDAY SCHOOLS.

DEAR BRETHREN: We, your Committee on Sunday Schools, regret to find so little interest manifested in Sunday school work, as we consider the Sunday school one of the most important steps in laying the foundation of religious training in the young mind. However, we find that one of the causes of this apparent indifference is the situation of the place of worship, being so far for the children to get to. Again, we find that in many sections of our country false doctrine is being taught according to Baptist views, and for that reason we recommend that nothing but distinctive Baptist literature be used in our Sabbath schools. We find that very few of our churches report Sabbath schools, eighteen being the total reported in the Florida Association. Respectfully submitted.

J. W. H. McCLELLAN, Chairman,
W. W. CAMPBELL,
H. C. BILLINGSLEY,
J. W. HAMMERLY.

Motion made and adopted that any brother who can attend any other Association represent this Association as correspondent.

Motion prevailed that S. M. Provence turn over the original articles of history he has to E. H. Rennolds, Sr.

Motion adopted that the Clerk receive fifteen dollars for his services and be reimbursed for expenses of stationery.

On motion, which was adopted, that the next meeting of the Association be held with the Providence church, Gadsden county, the following brethren joined in the discussion: J. A. Gandy, J. T. Farnell, S. Crockett.

The following resolution of thanks was introduced by J. D. Bohannon and unanimously adopted:

"We, the Association, desire to return our sincere thanks to Perry church and community for their kind and unbounded hospitality whilst in their midst.

"A resolution of thanks is hereby tendered the officials of the F. C. and P. railway for courtesies of reduced rates accorded to delegates and visitors to this Association."

Motion made and seconded that the Association adjourn to meet next year with Providence church, Gadsden county. The same prevailed.

The parting hand was extended while singing, "Jesus, Lover of My Soul."

J. D. Bohannon led in the closing prayer.

"God be with you till we meet again."

A. M. MANNING, Moderator.
