The chairman of the Committee on Temperance read the report of the committee as follows:

Report on Temperance.

The pernicious effects of alcoholic liquors are too self-evident and familiar to require discussion here. Your committee is unable to ascertain whether or not their use is perceptibly decreasing. We should wield every possible influence looking toward their abolition, going at it with the faith, enthusiasm and determination evinced by Nehemiah in rebuilding the walls of Jerusalem. But temperance, in its broadest sense, would exclude opium, tobacco and other narcotics and also prohibit over-exertion, both physical and mental. While we would not distract attention from the stress generally placed upon abstinence from intoxicants, still we think it is time we were considering the importance of refraining from all excesses, thereby making our bodies fit dwelling places for the Holy Spirit and fulfilling the Biblical injunction which calls upon us to "Be temperate in all things."

Respectfully submitted.

J. BAXTER CAMPBELL,
J. C. J. SHEPARD,
M. M. DeLAUGHTER,

Report on Sunday Schools.

Dear Brethren: We, your Committee on Sunday Schools, find that there are few churches reporting Sunday Schools, but also find some very live Sunday Schools that are doing a grand work for the Master in the training of the young in the way the Master leads and we earnestly pray that the time will soon come when all our churches will find that they can not achieve that success in the Master's cause that they should without a good, live Sunday School. Respectfully submitted.

Afternoon Session.

The report on Woman's Work was presented.

Report on Woman's Work.

The sphere of labor known as Woman's Work consists of societies and bands organized in the churches and controlled by them. This work was begun twelve years ago and last year their contributions for foreign missions amounted to \$31,756.65 and a much larger amount for home missions. Few of the societies are large and many are quite small, yet by steady, systematic work they have been instrumental in sending the Gospel to the lost. The meeting together of the women and children for mission study is productive of spiritual good in our churches, proving the passage of Scripture which says: "Give and it shall be given unto you." We therefore commend Woman's Work to the churches of our Association. Believing that all our earnest efforts of organized labor for God will meet with his approval, we ask the churches to encourage the sisters in this work by helping them as far as they can.

S. M. PROVENCE,

HUNTER VANN,

ALBERT REAMS,

C. T. SHEPARD,

Committee.

After being spoken to by S. M. Provence, the report was adopted.

The chairman read the report of the Committee on Ministerial Education.

Report on Ministerial Education.

As civilization advances, the need of educated preachers becomes of greater importance. It is a question which should re-

ceive the prayerful attention of all our churches because it directly affects the homes of all. With the wisdom of Plato the truths of God would not be explained if the one who made the explanation were not of God, but how much greater are the explanatory powers of a teacher of Christ who has received instruction in God's truths from some grand, noble, Christian man like Dr. Jno. F. Forbes!

We thank God for such philanthropic spirits as John B. Stetson, the founder of Stetson University, who are willing to give of their gains that others may know more of God; for such Christian teachers as Dr. J. F. Forbes, who are desirous of preparing men that they may be better prepared to break the Bread of Life to starving souls; and for the Southern Baptist Theological Seminary, of Louisville, Ky.

Our Association has a worthy young man in Stetson University preparing for the work of the ministry and we would urge all the churches to stand by him with their prayers and their means. Respectfully submitted.

W. B. DAVIS, Jr.,
J. B. HARDEE,
H. H. DEAN,

The report was discussed by W. B. Davis, Jr., J. G. Connell, Stephen Crockett and S. M. Provence, and adopted.

The report of the Committee on the State of the Churches was read and adopted.

Report on State of the Churches.

Your committee finds that the churches report thirty-four baptisms during the year. Many churches report no accessions. Many report no contributions for the general work of our people. Such churches, we are constrained to believe, are neglecting a plain duty, and should be admonished by the Association to inquire into their own spiritual condition.

Your committee deems it appropriate to report to the State Board our appreciation of the work done in Tallahassee by their missionary, Brother S. M. Provence. We now have in the capital

city a beautiful and commodious house of worship, a credit to our denomination, and the prospect for our brethren there is more hopeful than ever. The Tallahassee church offers the Association the privilege of paying for a memorial in the new building to Elder W. W. Childers, long a missionary of this body. We recommend that the offer be accepted.

In a majority of our churches there are no Sunday schools, a fact greatly to be deplored.

The reports from the several churches indicate a healthful spiritual condition. These are contributing to the objects of our denomination, and the divine blessing rests upon them. The prevailing sickness has no doubt in large measure decreased the contributions and the representation by delegates this year.

Your committee suggests a more earnest co-operation among the churches and renewed efforts to enlist the interest of our people in missions and education.

S. M. PROVENCE,
J. W. GRUBBS,
Committee.

The report of committee on nominations was submitted and accepted:

Dear Brethren: We your committee on nominations, feeling the responsibility that would rest on us in selecting suitable men to serve as an executive committee for this Association, beg to refer that matter to the Association.

We nominate Brother S. M. Provence to preach the introductory sermon at the next Association, with Brother W. J. Sullivan as alternate.

J. C. SCRUGGS,
J. M. CLARK,
W. SHACKLEFORD,
Committee.

The report of Committee on Foreign Missions was received and adopted after being discussed by S. M. Provence.

Foreign Missions. I

During the past year the work on some of our foreign fields has been seriously interrupted. Many of our stations in China have been temporarily abandoned. While we thank God that none of the missionaries of the Southern Baptist Convention have perished in the troublous times in China, we also thank Him that He has enabled our martyred brethren to stand firm unto the end. The sneer of unbelievers that the Chinese converts are "rice Christians" (i. e., Christians for the sake of rice), and that the missionaries are adventurers, has been forever put to silence by the death-throes of Chinese martyrs and the undaunted spirit of the missionaries, who have suffered the loss of all things for the sake of the Gospel. As soon as the political difficulties are adjusted our missionaries will return to their fields and many more will be needed. Our work will be established on a firmer basis than ever.

A great field has been opened in South America and our work is very hopeful there. In Italy, Japan and Mexico are many signs of promise. The missionaries of the Gospel have risen to be a recognized factor in the world's progress. They have commanded the universal respect of men. Everywhere they are full of courage.

Let our churches increase their contributions to this work. It is this which gives the reason for our being.

S. M. PROVENCE,
L. R. WALSH,
S. G. KINSEY,
Committee.

The Committee on Preaching reported L. A. Roberts to preach tonight and F. M. Wells at 11 a. m. Thursday.

Report of Committee on Deceased Ministers and Deacons was read and adopted.

Report on Deceased Ministers and Deacons.

Dear Brethren: It has pleased the good Lord since we last met to take from us our beloved brother, Rev. J. B. Langston, who had endeared himself to many of the brethren in his labors of love. We recommend that a blank leaf be left in the minutes to his memory. It has pleased the Lord to leave to us the rest of the brethren.

L. A. ROBERTS,
Chairman.

IN MEMORIAM.

REV. J. B. LANGSTON.

Asleep in Jesus—blessed sleep!

From which none ever wake to weep.

The report of the Committee on Periodicals was received and adopted, after having been spoken to by S. M. Scruggs.

Report on Periodicals.

Dear Brethren: Your Committee on Periodicals would recommend that each home should have a weekly visit from some good Baptist paper. We not only recommend but urge upon the brethren that they pay earnest heed to this matter that our homes may be better informed as to our work and needs. We would recommend the Florida Baptist Witness as "strong in the faith" and well informed as to our work and needs.

For Sunday Schools we would recommend the Baptist literature published by the Sunday School Board of the Southern Baptist Convention and American Baptist Publication Society.

Respectfully submitted.

C. W. HAMRICK,
Chairman.

The names of Stephen Crockett, S. M. Provence, C. L. Leggett, F. M. Wells, L. A. Roberts, J. C. Scruggs, C. T. Shepard and W. W. Campbell were placed in nomination for an Executive Committee. Campbell was re-elected treasurer.

Association adjourned with prayer by L. A. Roberts.

Wednesday night L. A. Roberts preached. Text, John 4:19-20. A collection of \$5.26 was taken up to assist in building a meeting house for the church at Moseley Hall.

THURSDAY—Morning Session.

Association met pursuant to adjournment. F. M. Wells read the 19th Psalm. J. A. Gandy led in prayer.

Report of Committee on Finance was read and adopted. See tables in back of minutes. A motion prevailed that the items of "associational purposes" and "associational missions" be merged into one, to be called "associational purposes." The report of

the Executive Committee was rendered and after H. C. Billingsley, Stephen Crockett and L. A. Roberts participated in its discussion, the same was received.

Report of Executive Committee.

Dear Brethren: Your committee has done but little missionary work this year. However, we have done what we could under existing circumstances. About April 1st we employed Brother S. F. Blount at a salary of five dollars per month to labor at one point in Leon county. And about the 1st of May we employed Brother Joseph Connell to labor at Thomas City and Brother W. J. Sullivan to labor near Ashville, Jefferson county. We employed Brothers Sullivan and Connell at a salary of ten dollars each per month. For the amount of labor performed and the future outlook of these mission fields, we would refer you to their reports to this body. Respectfully submitted.

W. W. CAMPBELL,
Acting Chairman.

W. J. Sullivan reported that as a missionary of the Association he had traveled fifty miles, preached four sermons and made six visits, in a working period of three months.

S. M. Provence made a verbal report as chairman of the Committee on the New Century Movement, suggesting that our people give more urgent heed to the needs of those who are without the Gospel. By vote of the Association, this committee was continued.

The Secretary reported ten churches as having been granted letters of dismission to unite with the Middle Florida Association.

Stephen Crockett spoke concerning the Florida Baptist Ministers' Assurance Association and J. D. Bohannon was received as a beneficiary member.

S. M. Provence sold a quilt, made by Mrs. R. S. Shackelford, which realized \$4.16. The amount was given for the aged ministers.

The following pledges were made to assist Joseph Connell, ministerial student:

S. M. Provence offered a resolution of thanks of this Association to the Aucilla Church and community for the generous hospitality extended.

By vote of the Association the Clerk was instructed to appeal through the minutes to every church, at some time during the year, to take up a collection for Joseph Connell.

Motion prevailed that funds sent up for ministerial education be sent to Joseph Connell and W. N. Chaudoin notified of the same.

Motion prevailed that the next meeting of the Association be held with the Flat Creek Church.

Motion prevailed that the Treasurer pay the Secretary the usual amount for his services.

The parting hand was given while singing, "Blest Be the Tie That Binds." S. M. Provence made the closing prayer.

P. S.—In a meeting held by the Executive Committee at the close of the Association, the Treasurer of the Association was instructed to pay S. M. Provence the sum of seventeen dollars for a memorial window in the Tallahassee Church.

Special Appeal.

It is earnestly urged that each church in the Association bear in mind our ministerial student at Stetson University by paying the pledges they have made at an early date, and those who made no pledges to see that they are not left out by refusing to assist in this blessed work.

Each church is especially requested to take up a collection for this purpose.

SECRETARY.

FLORIDA BAPTIST ASSOCIATION.

WOMAN'S MEETING.

This important meeting was held at the school house near the Aucilla Church on Wednesday, the second day of the Association. The Vice President of the eastern half of the Association, Mrs. Stephen Crockett, led the meeting. After singing, "Come, Thou Fount of Every Blessing," Mrs. I. R. Clements, of Hamburg, offered prayer. Mrs. J. B. Hardee, of Madison, was appointed Secretary. Roll call and reading of reports followed next. Another song.

Reading of Miss Buhlmaier's letter by Miss Clark, of Monticello. Letters from other missionaries were read by Miss Sanders, of Moseley Hall, Miss Campbell, of Harmony, and Miss Alma Shackleford, of Sundown. As requested by Brother Chaudoin, a collection was taken for the endowment debt. Literature was distributed and persons appointed to take subscriptions for the Baptist Witness, Foreign Mission Journal, Home Field and Kind Words.

Some excellent reports were read from the mission bands.

Mrs. Crockett asked to be excused from the responsibility of the Vice Presidency, but was re-elected. There being fewer churches now in the Association, one Vice President was considered sufficient. Mrs. Crockett was elected a messenger to the State Convention and also the Southern Baptist Convention, with the privilege of choosing an alternate in case of her absence.

Meeting then adjourned.

MRS. J. B. HARDEE,
Secretary.
