REPORT ON THE FLORIDA  
BAPTIST CHILDREN'S HOME

For the past fifty years the Florida Baptist Children's Home has extended a helping hand to hundreds of boys and girls who have needed its assistance and could profit by institutional care. During the past year help was given to 201 children: 168 in the Home and 33 on Mother's Aid. So far as we are able to determine this is the largest number assisted in a given year since the opening of its doors in 1904.

Since bring our last report a cottage for pre-school boys and girls has been opened making a total of seven cottages for children. Other achievements for the year include the improvement of 40 acres pasture land which will assure a bigger and better dairy herd. The grove will bear enough fruit next year to provide all the oranges and grapefruit needed. There is a total of 182 acres in the Lakeland property.

Christian men and women with the ability to provide guidance, skillful leadership, and make "a home within a home" are employed as houseparents. The accomplishments of our children indicate the fine training and care they receive. The children are making satisfactory progress in the schools. Many have received commendation for perfect attendance, citizenship, and excellent scholarship. They attend First, Southside, and Central Avenue Baptist Churches in Lakeland. They have their membership in these churches and take an active part in the various organizations. One of our boys served as pastor last spring during Youth Week and one of the girls is serving as student organist at First Church this year. The first Homecoming in the history of the institution was held last July. The different vocations and professions of those attending the meeting and their success in their chosen fields of work and Christian service proved the value of our assistance to them as children.

We, your Committee, ask each church to have a part in the special offering for the Home, November 22. Last year the Cooperative Program provided only 51 percent of the expenses of the Home. The remainder came from wills, personal gifts and special offerings. As we return to our churches let us stress the importance of the Thanksgiving offering. We can express our appreciation and thanks to God for our happy homes by providing a home for these children:

Write to the Home in Lakeland for envelopes, posters, and bulletin inserts and use them in preparing your church for the offering. Let us "Give as God has prospered us", that many boys and girls who are seeking a home may find it.

Respectfully submitted,

REPORT ON BAPTIST LITERATURE  
AND  
THE FLORIDA BAPTIST WITNESS

The past year has seen an awakened consciousness throughout our nation to the tremendous dangers in the wrong kind of literature, the wrong use of the printed page. More bills than ever before have been introduced into state legislatures with a view to controlling the rising tide of obscene literature. As grateful as we are for the success which has been achieved in some quarters, we must all recognize that this is still very much the negative approach to the problem. We must not only try to stop the flow of the wrong kind

of reading material, -- we must supply the readers with something Christian to take its place.

In their publication efforts Southern Baptist are trying to do this for their people. For example, last year the Sunday School Board printed and distributed more than 50 million copies of its periodicals plus 3,459,076 books, plus more than 200 million tracts.

The publications of various agencies and auxiliaries of the Southern Baptist Convention have a total circulation of 770,099 copies per issue.

Baptist State Papers reported to the Convention this year for the first time a total circulation in excess of one million, 1,044,819 to be exact.

Our own state paper, the Florida Baptist Witness has shown a net increase of 3,494 during the past year to bring the present total circulation (as of August 1, 1953) to 33,244. The Witness Commission has set a goal of 36,000 by the time the Southern Baptist Convention meets in St. Louis next June, and urgently requests the co-operation of every church in reaching it.

One of the finest investments that can be made is to send the Baptist Witness to every family in the church membership through the simple Church Budget Plan, to be paid in easy monthly installments.

Our association is requested to elect an Associational Witness Representative who will help to enlist the churches in a wider and more effective use of the paper and to whom the editor may look for counsel in the important work of increasing the circulation in this association.

Respectfully submitted,  
A. D. Martin

#### REPORT ON COOPERATIVE PROGRAM

The Co-operative Program simply means the combined efforts of the Southern Baptist to make adequate provision for the support of our work in an intelligent and systematic way. This plan enables the individual to have a part in the whole program as outlined by our Lord.

The Co-operative Program is a means and a splendid means, but it is not an end in itself. We do not give to the program or for the program itself, but we give through the program and according to the program for the support of the Kingdom causes.

Both State and Southside denominational causes are included in the Co-operative Program. The aim and desire is to provide funds sufficient to care for all our causes and to contribute to each according to its relative need.

This past year our state office received from the churches of the state for the Co-operative Program \$1,263,058.36. Of this amount our Association gave \$28922.00.

Respectfully submitted,  
A. E. Young

#### REPORT ON STATE MISSIONS

The first act of the Florida Baptist State Convention in 1854 was to raise funds for state missions and to appoint two missionaries. These missionaries went over Florida, preaching the gospel and establishing churches. Today Florida is a great Baptist stronghold, much of which is due to the work of those early missionaries and certainly those who have followed in their train, covering the state for nearly 100 years.

Florida continues to be a mission field for Baptists.

Florida Baptists have today the most extensive and comprehensive state mission program in their history. The work of state missions has come to cover a wide scope of activities. It not only does the work of missions in Florida but is also the chief agency for promotion of all missions as fostered by Florida Baptists and the Southern Baptist Convention. It is the agency through which Baptists promote all phases of kingdom work, including evangelism, teaching, training, and enlistment.

The work of State Missions is carried on in Florida under six different heads or departments. These six departments are: Cooperative Missions; Sunday School; Training Union; Brotherhood; Music; Camps and Assemblies; and the Student work, and working closely along the side of these departments is the W. M. U. All of these departments and agencies are actively engaged in promoting every phase of mission work done by our Convention.

The work of state missions is showing results. During the past few years, we can point with pride to the establishment of at least 200 new churches. Thus you see that when you are having a part in State Missions, you are having a part in everything that Florida and Southern Baptists do.

Respectfully submitted,  
Tom Capell

Interest in the work of the Sunday School has increased throughout the association during the year just past, as is indicated by increased number of schools, increased enrollment in the existing schools and increased attendance at the regular Sunday School Conference conducted by the association. Seventeen schools showed an increased enrollment, seven reported a decrease, one remained the same and one new school was reported. There is a net increase in enrollment of 723.

 There is an increase of 1 Y. P. Dept., six schools having none  
 All schools have Adults.

Seventeen churches present at the Planning Meeting September 15, announced goals of a increased enrollment of 1123, which was an increase over the tentative goal of 1000 suggested there. **REPORT ON CHRISTIAN EDUCATION**

Since the founding of Stetson University seventy years ago, Florida Baptist have carried on a program of Christian education in the school which is of vital importance to our denomination, and we are indebted to our Christian institutions which have supplied trained, consecrated leadership through the years.

Enlarging and improving the physical properties of the institution and increasing the endowments have been matters of major emphasis for some time past, and definite progress has been made in these efforts during the past year.

During the past convention year Florida Baptist provided \$145,247.85 for current operations at Stetson University. The university also received \$78,077.54 for capital improvements.

Nevertheless, the trustees of Stetson University reported that their operational expenses of 1952-53 exceeded all receipts, including the convention contributions, by \$133,170.79.

President Edmunds reports that because of the increased generosity of old and new friends of the University, the operational deficit for 1952-53 was almost eliminated. He predicts a balanced budget in 1953-54. However, Florida Baptist will not be able to match the job being done in most of the other Southern Baptist States.

Three-fourths of the Baptist students attending Stetson have moved their letter to a Deland church and are engaged in the activities of the church. They conducted thirteen youth revivals during the year in which thirty-three professions of faith were made. Two youth revival teams worked throughout the summer. The ministerial association furnished both candidates for the presidency of the Student Government. The Stetson Baptist Students contributed \$325.00 (over and above their church contributions, to world-wide mission projects during the year.

We solicit the hearty response and active participation of all Florida Baptist to achieve a new level of personal interest in the Baptist youth of our state. During the past year approximately 4,183 high school graduating seniors were members of Baptist Churches. Two-thirds of them expressed a desire to go to college. Yet, only 539 enrolled at Stetson. These boys and girls are the men

and women of tomorrow. Let us turn to them with greater interest, deeper understanding, more helpful council, and unselfish devotion.

We are grateful to know that we have students from this Association attending Southern, Southwestern, New Orleans, and Southeastern Seminaries. Six students from Alachua County attended Stetson in 1952-53. Baptist students out number all other at the University.

Let us be careful when choosing our grade school teachers and when college years come, don't just leave them to whatever school may come, but continue that same painstaking care and prayer throughout the college career.

Respectfully submitted,

Charlie T. Smith

### REPORT ON HOME AND FOREIGN MISSIONS

The Home and Foreign Mission Boards of the Southern Baptist Convention are inseparable twins in the work of spreading the Gospel around the world. While much pride and joy has been manifested in the work of foreign missions as the fulfillment of Jesus' command to go into all the world, the work of foreign missions is made more effective and secure by a strong home front offered by the work of Home Missions. Both have made great progress in the year 1952.

The Home Mission Board has been represented by 1,274 missionaries this year, a gain of 104 in personnel. 362 of these were student summer workers employed for ten weeks only.

In addition to these, our Southern Baptist Convention has been represented by 425 chaplains in the armed services, reporting 11,284 professions of faith. 6,626 conversions were reported in crusades led by the personnel of the Home Mission Board's evangelistic staff, to add to the 30,565 conversions reported by the Missionaries. Many others have been won to Christ through the Radio ministry.

One of the most far-reaching and effective phases of work was the Department of Evangelism headed by Dr. C. E. Matthews. During "Transfer Church Membership" week, sponsored by this department, 481,879 united with our Southern Baptist Churches. All departments of work in the Convention cooperated in this gigantic move.

Other accomplishments by the Home Mission Board include work among the Negroes, which is being accelerated considerably. Work in the BSU among Negro Colleges was promoted through Dr. S. E. Grinstead, South-wide Secretary. The work of evangelism was increased by the selection of an evangelist to serve on the staff of the Department of Evangelism; a worker for home counseling and juvenile delinquency; a church ministry to the members of the armed forces; and the employment of missionaries to the Russians in California and in the H-Bomb center in South Carolina.

FOREIGN MISSION WORK has shown definite advancement. Southern Baptist have 911 foreign missionaries distributed in 32 countries as follows:

Argentina 44, Brazil 180, Chile 32, China (Hong Kong and Macao,) 48, Colombia 30, Costa Rica 4, Ecuador 6, Formosa 26, Gold Coast 6, Guatemala 10, Hawaii 47, Honduras 4, Indonesia 16, Israel 13, Italy 10, Japan 98, Jordan 5, Korea 13, Lebanon 6, Malaya 9, Mexico 30, Nigeria 159, Paraguay 16, Peru 4, Phillippines 25, Southern Rhodesia 12, Spain 6, Switzerland (Seminary) 9,

Thailand 15, Uruguay 12, Venezuela 8, Spanish publishing House 8.

About 29 percent of these missionaries are ordained ministers, of whom about a third serve as pastors of churches. 10 percent are members of the medical profession, including doctors, dentists, nurses, and technicians, who work in eight hospitals, seven clinics, and eleven dispensaries maintained by Southern Baptists and other institutions.

All missionaries are active in churches on the field of their labors, teaching Sunday School classes, leading youth work, W. M. U. work, and other church activities. They join with 195,067 National Baptists, including 1,276 National pastors in serving the almost 2000 churches on the mission fields. More than 200,000 are reached through their Sunday Schools, 96,099 through their Training Unions and missionary groups, and 47,292 women through their missionary societies. 18,154 converts were reported baptized in their churches in 1952. To maintain these missionaries, Southern Baptists gave in the year 1952, \$7,785,699.64, through the Cooperative Program, Lottie Moon offering and other designated gifts.

Southern Baptist maintain 460 schools, including 17 theological seminaries, and 6 women's training schools, in their far-flung mission fields. 48 percent of the missionaries are engaged in this work, which includes a total enrollment of 61,705. Five orphanages report 136 and 9 Good Will centers report 398 children and 116 adults.

The chief aim of both Home and Foreign Mission work is the winning of lost people to the Lord Jesus Christ, and the encouragement of christian growth. Our missionaries are Christian Witnesses who are carrying out the command of our Lord to preach the Gospel to all creatures.

P. R. Wimberly

### W. M. U. REPORT

There are 19 Women's Missionary Societies in our Association with a membership of 733. All Executive Board and Regular meetings (including annual meeting) were held in conjunction quarterly. An Associational school of instruction was conducted. Conferences were held at the regular meetings. All points on the standard have been reached except two, that of the required percentage of Associational Officers and Societies in attendance at the quarterly meetings and all societies reporting each quarter.

Nine associational officers and a good number of members were in attendance at the state meeting in Jacksonville. Three associational officers attended a state leaders conference in Daytona September 22-24.

Community Missions: Sixteen societies report they were engaged in directed community missions. The following 4 projects were adopted for special emphasis during the year: Soul-winning visitation; improving interracial relationships; christian living in the home and alcohol education. The following are some of the accomplishments made through these projects: Soul-winning visitation - 16 societies made community mission surveys, seeking to determine the needs of their communities; (At the beginning of the year a goal of 60 percent of societies in the association making Community Mission surveys was set. We are happy to report we reached this goal). Many visits to the unsaved were made; prayer meetings were held; a mission Vacation Bible School was held; 61 Bibles were given to the Hospital; A cash gift given to a Ministerial student; services

were held in institutions; work with shut-ins. Christian living in the home was emphasized with special effort made toward promoting family worship.

A good work was done through the Young People's organization. There are 4 young women's auxiliaries; 15 girl's auxiliaries; 5 Royal Ambassador chapters; and twelve Sunbeam Bands. The Annual Youth Rally was held in July at the High Springs Baptist Church with Miss Mary Gould, Missionary from Bangkok, Thailand, as speaker. A new associational office was created, that of Associational R. A. Counselor to work with the Associational Young People's leader in promoting R. A. work among our boys.

41 Mission study classes were conducted with many reporting having read Mission Books.

The project for the Children's Home in Lakeland, this year, is coupons. Each Association that sent 10,000 which is the equivalent of \$60.00 would receive a certificate of recognition from the home. This Association reported having sent 19,165 coupons and received the award. 10 boxes were reported having been sent. The reported evaluation on the boxes was \$124.92.

Miss Janie Lee Tyson, president of Business Women's Circles reports: 1 new BWC organized, 2 Federation Banquets held, a State Federation meeting at the Park of the Palms near Keystone Heights. This was described as an outstanding meeting. There are 7 BWC's in the association.

Realizing our past deficiencies and their deteriorating effect on our work, we are determined by the Grace of God, they will be stepping stones to greater efficiency in the coming year. Our 60th Anniversary scripture could very appropriately be used at this point. "And let the beauty of the Lord, Our God, be upon us; and establish thou the work of our hands upon us; Yea, the work of our hands establish thou it." Psalm 90:17

Respectfully submitted,

Mrs. F. D. Gant

Ass'n. President

#### AMERICAN BIBLE SOCIETY REPORT

If the people of the world are to know Christ, they must have the Bible. The Bible is the Missionary's tool. The Bible itself is a missionary. It can go where the human missionary cannot go and stay when the missionary must leave.

Every man must have the word of God in his own native language if God is to speak to his heart. In most countries of the world the income is so low that people cannot afford even the bare cost of printed scriptures.

The American Bible Society aids in Bible translation, publishes the scripture without note or comment, and distributes them without profit and usually below cost, for mission work around the world.

The American Bible Society is an active partner of Southern Baptists, in their worldwide mission program. The Society serves every form of missions at home and abroad.

Increased gifts from Southern Baptist will help to provide enough Bibles now and will inspire others to give more. Send the gifts from your churches to Dr. John Maguire, 208 Florida Baptist Building, Jacksonville, Florida, marked "American Bible Society".

Respectfully submitted,

M. J. Ramey

#### REPORT OF RADIO COMMITTEE

The work of the Radio Committee has been made easy this year by the increased interest of the churches and of neighboring churches to our association. We have continued to broadcast the Baptist Hour of the Southern Baptist Radio Commission throughout the entire year over station WRUF.

The hour of broadcast has received careful consideration and it is recommended that we continue to use the 9:00 A. M. hour on Sunday morning. While this is a time when many of our own church members are preparing for and traveling to their own services in their churches, it is the time when those who are not going to church are the most effectively reached. When we consider our radio ministry as an evangelistic ministry we remember that it is the one who is not being reached by our local church service that we hope to reach by our broadcast. We must gauge our time to reach him rather than to cultivate our own spiritual lives. No better time is available for this purpose than the one we now have.

We recommend that the committee be instructed to broaden the scope of its ministry by advertising the Broadcast in the newspapers, using the sum in the budget for that purpose, and other funds that may be secured for radio work.

We further recommend that the clerk be instructed to write the church at Williston and the church at Cross City, Harmony Ass'n., and other outside contributors recognizing their assistance in this work and thanking them for their interest and for their contributions.

Respectfully submitted,

Robert T. Hughes, Chairman

#### REPORT OF ASSOCIATIONAL TRAINING UNION

We have a total number of 19 Training Unions including a new one at Southside Church in Gainesville which gave no enrollment. The other 18 have a total enrollment of 1840 persons.

We had three mass meetings beginning with "M" night in the North Central Church in Gainesville with attendance, 216, in Lake Butler church with 124 present and the Island Grove church with 57 in attendance. The Associational Speakers' and Intermediate Bible Sword Drill Tournaments were held in the Lake Butler meeting, with the winners going as entrees in the District Tournaments in the Main Street Church in Jacksonville. The young man in the speaking contest also won for our district and won a trip to Ridgecrest in the Deland Assembly. He was entered in the Southwide Speakers Tournament during the third Training Union Week as Florida's entry.

Respectfully submitted,

Ass'n. Training Union Director

### RESOLUTION

WHEREAS, it has been recognized by the Alachua Baptist Church that our newstands and bookstores are filled with material conducive to the deterioration of the morals and mental hygiene of our people; and

WHEREAS, it is not to the benefit of the education of our people; and

WHEREAS, this influence is felt first in the homes of our people;

THEREFORE, BE IT RESOLVED, that the Santa Fe River Baptist Association, assembled this 8th and 9th days of October, 1953, go on record as deploring the advertising or printing of this material which is destined to exert a most unfortunate influence upon our young people and we urge that ways be found to prohibit from circulation this material in our state;

BE IT FURTHER RESOLVED that we call this matter again to the urgent attention of our Florida Baptist Convention and urge them to do everything in their power to combat this increasing danger to Christian Home Life.

Respectfully submitted,

Alachua Baptist Church

Approved by Santa Fee River  
Baptist Ass'n. Oct. 9, 1953.

### REPORT ON MEMORIALS

According to the letters from the churches we find that there have been thirty-three who have passed on to their eternal reward from the membership of the churches of the Santa Fe River Baptist Association.

All of them have been and will continue to be missed. Some of the places made vacant by their going will be difficult, if not impossible, to fill. Our hearts go out in deepest sympathy to sorrowing loved ones. Of the departed we say: "Blessed are the dead who die in the Lord". Precious in the sight of the Lord is the death of the Saints. To die is the Christian's gain while his loved ones may suffer a loss by his going. God welcomes his children home and has prepared a place for them and in due time will richly reward them for all their labors.

Respectfully submitted,

A. D. Martin
