WOMAN'S MISSIONARY UNION ANNUAL REPORT

1956 - 1957

It has been a pleasure and privilege for me to serve as your President for the past five years. Untold blessings have been mine. Many changes have been made in the work and our Association has been prompt to make the necessary adjustments and has moved steadily forward in most phases of the work. The Societies have been most cooperative and have reaped the results of earnest, prayerful effort.

We began the year with 23 Societies - two disbanded during the first quarter leaving 21 active. To date there are 23 Societies including two recently new ones, Archer Road Chapel and Forest Park Chapel. We welcome them into our Association. The membership to date (excluding the new Societies) is 980. We had 100% reporting quarterly to the Association through all the Societies for the year. All regular and Executive Board Meetings were held in conjunction quarterly at the following places: Hawthorne; Pinegrove, Gainesville; Parkview, Gainesville; and Melrose.

The following is a compilation of the year's work as reported: YOUTH WORK: There are 41 Auxiliaries including 15 Sunbeam Bands, 23 Junior and Intermediate G. A. 's, 2 Y. W. A. 's, with a total membership of 605 of which 28 are new members. The R. A. report is excluded for the first time since the Brotherhood has accepted sponsorship and will include them in their report. Two new offices were added to the Young People's roster, Y. W. A. Director and Sunbeam Leader, making a full quota of Youth Workers in our Association. The Annual Youth Rally was held in July at Parkview Chapel with well over 200 young people and W. M. S. members present. The speaker for this meeting was Miss Pearl Todd, missionary to China and Japan. A Coronation and Recognition Service was held at the Southside Baptist Church with 13 Maidens, 17 Ladies-in-Waiting, 3 Princesses recognized, 7 Queens were crowned, one Queen received the Scepter, and one was recognized as Queen Regent. Two G. A. Council Meetings were held with approximately 90 in attendance. Eighteen Auxiliaries observed the Seasons and Week of Prayer, with 16 observing all three. They contributed through Lottie Moon Offering \$75.96, Annie Armstrong Offering \$39.31, and State Missions Offering \$53.41, 196 gave through the Cooperative Program through their Churches, 60 are tithers, 26 participated in Community Missions under direction of their leaders, 38 Mission Study Classes were conducted with 91 G. A. 's reading additional approved Mission Books. The W. M. U. promotes an Annual Church Night of Stewardship with the Youth Organizations participating.

**PUBLICATIONS:** Subscriptions of W. M. U. members to "Royal Service" 409; Y. W. A. members to "Window of Y. W. A." 16; G. A. 's to "Tell" 106; Sunbeams to "Sunbeam Activities" 45.

**MISSION STUDY:** Two Associational Mission Study Institutes were conducted by the Association Chairman, one in January on the Home Mission Series, and one in October on the Foreign Mission Series. Forty-four Missions Study classes were conducted locally on Home and Foreign Missions and classes of study in Stewardship and Prayer, with 324 W. M. S. members reading additional approved mission books.

**PRAYER REPORT:** Eleven Societies definitely promoted use of the Calendar of Prayer, 16 observed all three Seasons and Week of Prayer, with only two observing two weeks, 10 Societies have maintained Intecossory Prayer Leagues throughout the year.

**COMMUNITY MISSIONS:** Seventeen Societies promoted Community Missions Activities with 650 members actively participating in such projects as Community Surveys, Soul-Winning activities, Cottage Prayer Meetings and Visitation before Revivals, participation in the Alcohol Education Program, working in Vacation Bible Schools, giving cash and supplies to Institutions, and helping in local situations.

STEWARDSHIP: 770 members in 18 Societies contributed regularly through the Cooperative Program through their Churches. 430 are tithers. Cash gifts include: Foreign Missions (Lottie Moon Fund) \$3,341.21, Home Missions (Annie Armstrong Fund) \$1,392.92, State Missions \$832.64, other gifts promoted by State Office \$407.10. The budget was necessarily increased \$90.00 in order to take care of the training of all the eligible Associational Leadership. This includes 10 Associational Officers to the State Leaders Conference at Daytona Beach and the State W. M. U. Meeting annually. Nine of the officers attended the Leader's Conference in September, including the new President. The budget to date is \$360.00, which adequately takes care of the needs of the Association. Additional help is given toward training the youth workers through their leadership schools and in promoting the youth work. The Association gave generously to various mission causes through the Quarterly Meetings receipts during the year.

In accord with our new Watchword---"Behold, I have set before thee an open door---" (Revelation 3:8), we would be constantly aware of the tasks and needs before us and avail ourselves of every opportunity given us through Woman's Missionary Union to explore to the fullest those things which will help us succeed in carrying out the great command "Go ye---."

Respectfully submitted,  
Mrs. F. D. Gant  
Associational President

#### MUSIC REPORT

1957

The Associational Music Program of the year took many strides forward under the capable leadership of a former director, James Sims. He held the many meetings that were helpful to the music life of our churches. His plans called for a really strong program of help for the churches. He did not see the fulfillment of these plans due to the Lord calling him home in May.

The last Hymn Sing was held one week after his death in memory of his faithful work with us. Those that had worked along with him in the association used this means to give testimony to his accomplishments for the Lord in our Association.

We make the following memorial as an association to his memory:

Since the Lord has seen wise to remove from our midst our faithful brother James Sims be it recalled that he was one of God's choice and faithful servants. As Director of the Music of our Association he worked exceptionally hard in trying to help each of the Churches to have an improved music program. The cause of Christ was advanced considerably by his untiring efforts and full consecration. May his testimony be an inspiration to cause us to move forward, for our Christ, in a more determine way than ever before.

Respectfully submitted,  
A. B. Allen

#### TRAINING UNION REPORT

1957

There are 26 Training Unions in churches of which there are 3 missions, in this Association and with a total membership of 2,704.

We have had four Mass Meetings with the following attendance record, "M" Night in the Gainesville First Church, 353; Our March Rally in the Gainesville Eastside Church, 86; A July Meeting in the Parkview Mission, 111.

and a September Meeting in Alachua, 137. (The average attendance throughout the year about 176.) There were very inspiring and able speakers in all of our meetings, and there were excellent singing as well. Our March Rally in the Eastside Church was particularly important because there we had the elimination contests for both the Young People's Speaking and Intermediate Bible Sword Drill. We were represented by two young men in the District Tournaments held in the Lakeshore Church in Jacksonville, (The speaker was unopposed in the Eastside Rally we held.)

We almost reached our goal of 600 requests for Study Course awards during the year as our latest total reported by our State Office is 591.

Respectfully submitted,  
Raymond L. Layne

#### RELIEF AND ANNUITY BOARD REPORT

The Relief and Annuity Board of the Southern Baptist Convention releases this information:

First: This completes thirty-nine years of service.

Second: Of the 27,688 pastors in 1957 almost 16,000 of them were members of the various retirement plans of the Board.

Third: Last year 3,174 retired ministers and denominational workers received a total of \$1,626,211.59 and also 1,474 other aged preachers and their widows were on relief rolls and received a total of \$320,443.24.

Fourth: The problem of the Board is concerned with is the large number of ministers who have no protection and they have to rely upon designated monies from the Cooperative Program and special offerings to take care of these aged ministers and their wives.

Fifth: None of the money held by the Board from the paying members of the various plans is used for relief, as constantly there is becoming a larger and larger number to go into retirement. The number who go into retirement each year exceed the number who pass to their heavenly rewards by quite a large number.

Respectfully submitted,  
Ted M. Jones

#### REPORT OF FIELD SECRETARY

Dear Friends of this Association: It was my pleasure to begin a very pleasant work with you on January 1, 1954, and it so continues to this good day of the 1957 annual meeting of this Body.

At the beginning some 45 months ago, we had a total of 75 churches in this, the Sixth Missions District of the Florida Baptist State Convention. We had two missions.

Today, we have 80 churches and 6 missions, despite the fact that two churches have disbanded, due to conditions beyond their control, and one church found it necessary to revert to the status of a mission for the present time.

We have experienced a rather heavy turnover in the field of leadership, and particularly in pastoral leadership, which has had a rather telling result upon the stability of our church programs. All phases of the work have been affected in these changes. Especially has this been true in evangelism and in training in stewardship.

In each church there has been "The faithful few" who "Stayed by the stuff" regardless of difficulties which were met in the attempt to "Carry on" the work of that particular church. It seems that God, may have chosen to carry the load by the faithful hands of a few, rather than to use the teeming masses "Who can't spare the time for such things."

During the almost four years that we have worked together, your Field Secretary has traveled a total 78,380 miles and preached 590 times. This is equivalent to driving an average of 435 miles and preaching 13 times each week around the calendar, and yet you see how little has been accomplished by all the forces of our combined churches and missions.

ALSO during the time above mentioned, almost a half-million people have come to live in Florida with us. About 150,000 each year; about 3,000 each week; or about 425 people per day.

IF all these incoming people were Baptists, and if they formed new churches, THEN it would require about 300 new churches per year, with an average of 500 members each, to care for these new Floridians. HOWEVER, they are not ALL Baptists, and those of them who ARE Baptists are finding their way into many of the Baptist Churches which are already here when they arrive.

THIS puts our churches to the test. More than ever, we need great Christian Members in our Baptist Churches to "Show the New-comers the way." REACH the new-comers during their first six-weeks here, or risk never reaching them. We need strong-church-programs of activity, challenging the new comers. Greater than Florida has ever witnessed is the opportunity for great preaching. Certainly God, has His Man for "Such a time as this" who can fill the place of a strong Christian Pastor and lead the people when they are provided in such great numbers. We need to teach Christians how to observe the Christian Sabbath, both, the ones in the church pew on the Sabbath and those who are elsewhere, giving THEIR witness. New Comers need to be taught that Florida is not a State where the laws of the Christian Sabbath have been abolished. Baptist Christians who have already been here for quite some time may be a bit late in giving their Christian Witness in the sort of way that would be most pleasing to God. Should Pastors be afraid to call our attention to these facts? One of the sorry sights in Florida, is to see the people at work on the Christian Sabbath; building houses, plowing their fields, cutting the grass in the yard, fishing, - almost in the front doors of some of the churches. AND this is without regard to what anybody thinks or says.

WHAT CAN WE DO: - If each Association will elect five of their very best and most practical Christian leaders, to serve on an "Associational Missions Committee," and let them serve on a rotating basis over a five year period, THEN, we can begin to lay plans in a very definite way toward more "Preaching Places" and more Sunday Schools. MORE MISSIONS in EVERY ASSOCIATION is the greatest answer we have to offer at this moment. Through these committees, with well planned meetings and a carefully planned Mission Program for their local association, our contribution toward the great goal of "30,000 more preaching places by 1964" will render a great a Christian Witness, that can be measured only by Eternity.

Respectfully submitted,  
Marvin V. Stedham  
Field Secretary
