THESE MINUTES ARE DEDICATED IN APPRECIATION TO

THOMAS V. McCALL

It is with the deepest sense of appreciation that more than ten thousand Baptists of the Santa Fe Association dedicate this record of our work. With joy we recall the following about him:

1. He still is a student of truth and has been ever since he graduated from the University of Richmond, University of Virginia and the Southern Baptist Theological Seminary.
2. He still is a strong influence in our denomination, and in years gone by he held many denominational positions with honor and distinction. Chief among these would be the President of the Florida Baptist Convention and Vice-President of the Southern Baptist Convention.
3. He still is a pastor. Churches in Virginia, Kentucky, South Carolina and Florida have enjoyed him as such. From May 15, 1952 through December 31, 1948, he was pastor of the First Baptist Church of Gainesville, Florida, of which he is Pastor Emeritus. Since then he has been the Interim Pastor of 25 other churches all over the South.
4. He still is an inspiring friend of our Master. As such he is a constant source of inspiration for the rest of us who think of him as "Exhibit A" of what a Christian can become.

For all that you are, we thank you, Dr. Thomas V. McCaul.

TOTAL BUDGET----- \$ 1550.00

Our Budget Committee made a careful consideration of our Associational work in the Santa Fe River Association and we would like to recommend that a committee be appointed by the Moderator to make a more thorough study, during the year, of our associational needs.

We believe it would be well to establish a systematic method of support, possibly on a percentage basis of the church's income.

We believe that the departments of our association should share on a percentage basis, the financial support from the Association.

Submitted by: J. R. Smith, Chairman, F. D. Gant, Ray Stedham, M. D. Lampp, Henry Williams, The Budget Committee.

REPORT OF STEWARDSHIP AND THE COOPERATIVE PROGRAM

THE COOPERATIVE PROGRAM HAS SERVED SOUTHERN BAPTISTS AND THE WORLD FOR THIRTY-FIVE YEARS. The Convention meeting in Memphis, Tennessee, on May 13, 1925, created the Cooperative Program of Southern Baptists. Since that time it has been helping us to share Christ with the whole world through missionary, educational, and benevolent work.

Again this year the messengers to the Convention adopted the following resolution: "It is our conviction that the Cooperative Program of Southern Baptists is the fundamental, effective, and indispensable channel of providing for the needs of all our work; and that we urge all Baptists to join in giving the Cooperative Program their loyal and undivided support."

Since the inception of the Cooperative Program in 1925, Southern Baptists have given a total of approximately \$483,354,000 through this primary channel. The total Cooperative Program receipts reported by all our states in the year of 1959 amounted to approximately \$47 million was given to SBC causes, such as home and foreign missions, our six seminaries, etc., and nearly \$30,000,000 was given for state causes in all the states.

THE FORWARD PROGRAM AND ITS THREE APPLICATIONS. Now in its fourth year of use, this program continues to render wide service to churches in planning, promoting, and pledging their annual budgets.

Recognizing that many churches need elementary help in budget planning and pledging before attempting the entire Forward Program, steps are underway to provide various applications for varying needs. This emphasis, known as Application A, B, and C of the Forward Program will be available in 1961.

RECOMMENDATIONS

We recommend:

1. That every church in the association include the Cooperative Program in its budget on a percentage basis.
2. That each church give careful study to the advantages of the 2 Plus Plan, and vote to increase the percentage of total budget given to world missions through the Cooperative Program by at least 2% each year.
3. That in planning its budget each church undertake to set the percentage of its budget to be given through the Cooperative Program before the other items in the budget are determined, thus implementing the conviction that missions is first rather than last in the responsibility of a Baptist church.
4. That primary attention be given in our association in 1961 to lead our smaller churches to study and utilize one of the three applications of the Forward Program.

FLORIDA BAPTIST WITNESS REPORT

MESSAGE GIVEN BY EDITOR

Excerpts from an Address by W. G. Stracener
to the Santa Fe River Baptist Association
October 11, 1960

Baptists should want to know about the great moral and political issues in which they are involved.

Baptists should know that we are now in a time of grave national crisis. The current political campaign brings into focus the fact that some of our blood-bought freedoms are in danger, that our cherished religious liberty and the separation of church and state are marked for future change.

What we are saying is neither personal nor partisan. We are not opposing any individual's right of the choice of a religion or his right to run for office. We are opposing the religio-political system with which one

candidate is identified.

Baptists should know that the traditional American concept that the presidency should seek the man is now being done away with a smooth attempt over a period of several years to buy the way into the White House with ill-gotten liquor profits just one generation divided and removed.

We know that no religious test is imposed for candidacy or office-holding in our nation, and rightly so. But there is nothing in the Constitution which says the individual voter should not consider every qualification of a candidate including his religious background, attitude and actions.

For a person to shut his eyes and ears and contend that a man's religion will have no effect on his action in office is to accuse that man of having no religion. We would remind you that in spite of all the claptrap about one candidate being just a "nominal" Roman Catholic he has in recent years received several of the highest honors which can be conferred upon a Roman Catholic layman by his church.

Baptists should know that the Roman hierarchy has always been and still is opposed to true religious liberty for any save its own faith. The hierarchy believes that schismatics and heretics (to them that's us) should not have the liberty to propagate their faith. Official declarations and text books clearly teach that the condition of religious liberty as we know it is only to be tolerated until the Romanists can bring sufficient influence to bear to change it.

Baptists should know that the Roman hierarchy believes the church should control education and even where they can't control it that parochial schools should at least receive support from tax funds. The pressure is always on for this.

Baptists should know that for most of this century the hierarchy has had on a quiet but very thorough campaign to capture as many school board memberships and as many judgeships as possible. There are numerous instances in this nation where public school properties have been turned over to Catholic school use and many public schools in which Catholic nuns teach in their religious habits, teach the Catholic catechism and endorse their pay checks over to their church without drawing anything directly from those checks. The tempo of the campaign which has made these things possible would be greatly accelerated by the election of a Catholic to the presidency, even without his having to turn a hand.

Baptist people should know that not all American Catholics believe this way. Many of them believe much as we do about religious liberty and separation of church and state, but they must still be subservient to the hierarchy and that at the risk of their own souls for disobedience, and the hierarchy has not changed its direction one whit.

Baptist people should know that the appointive opportunities accorded a United States president for federal judgeships, diplomatic posts, etc., could grant tremendous advantages to Rome and all within the framework of law without any changes or any incorrect pressure whatever.

Baptist people should know that Roman Church law grants a high public official the right to take his oath of office with mental reservations (without even having to speak them) -- a kind of "crossed fingers, it doesn't count" sort of oath. We are not charging that any present candidate would do this. We are reminding you that his church allows him to do it.

Baptists should know that every faithful Catholic is in the final analysis still under the authority of the head of a foreign state, in whose presence he must also kneel in obeisance. Baptists might well consider whether they want their president kneeling before any man on earth.

Baptists should know that honored leaders, like Chancellor Adenauer of Germany and President De Gaulle of France (both Catholics as well as respected world statesmen) do work cooperatively with the Catholic Church in the use of public tax funds for the benefit of Catholic schools.

Baptists should know that the promise of the candidate who is a Roman Catholic that if a conflict should arise between the requirements of his conscience and the welfare of the United States he would resign before either harming the country or violating his conscience is in reality but an admission that a situation might conceivably arise in which the Pope's authority could unseat a Catholic president of the United States.

Baptists should know that if a Catholic president should find himself in their town he could not attend their church except in some situation requiring his presence in an official capacity, and then he would not be allowed to read the Scriptures or in any way be an active participant in the worship. If any situation arose in which he had a question about the propriety of attending any other church than his own he would have to ask some member of the hierarchy whether he would be allowed to attend.

I don't know how you are going to vote and I'm not trying to tell you how to vote, but for me and my house we have decided that the risk is just too great to vote for any Roman Catholic president, regardless of how much we might like the man personally.

ANNUAL REPORT FOR 1960 OF UNITED CHRISTIAN ACTION, INC.

In this day of wholesale compromise, too often even by church members, Florida's frightening moral slump is clearly evident. Not so clear to many is the admonition from scripture, Revelation 3:16, "So then because thou art lukewarm, and neither cold nor hot, I will spew thee out of my mouth". Could this possibly refer to some Baptists? Certainly Baptists have a history and heritage of courage and judgment in the face of social evils and corrupting pressures. Yet we must honestly face the facts of mass compromise among our membership today. The "unbelievable" complacency on the part of some pastors and many lay leaders to the stranglehold being secured by the greedy promoters of legalized sin is a perfect imitation of many past civilizations which have disintegrated through drunkenness, idleness and immorality.

Count the youthful murderers, rapists, thieves, liars, common drunks and prostitutes from among Florida teenagers today . . . then ask why? . . . then find the answer in the weak example, moral cowardice, self-centered search for ease and "pleasure" by FAR TOO MANY ADULTS in places of leadership . . . in some churches, many clubs, business and social organizations, industry and government, and professional groups. Attend convention gatherings of doctors, teachers, lawyers, public officials, Chambers of Commerce, Elks, VFW, American Legion, office parties . . . on and on the list grows . . . and look with utter amazement at the widescale and open approval and participation in drinking and drunkenness on the part of the "mighty".

God will not be patient with Florida forever. The liquor, gambling, indecent literature traffic in Florida can exist only as long as churches who ought to know better and do better remain complacent and indifferent. What about YOUR church? What about YOU?

FORTUNATELY AND THRILLINGLY, more and more good pastors and people in Florida are standing forth to fill the gap in needed leadership and concern. It is no exaggeration to point with pride to the pastors and lay workers whose courage, dedication, fearlessness and wisdom give promise of a new day of straightforward, aggressive UNITED CHRISTIAN ACTION against the SINTIDE in our midst.

SUNDAY SCHOOL REPORT

In the Bible we read, "Gather the people together, men, and women, and children, and the stranger that is within thy gates, that they may hear, and that they may learn and fear the Lord your God, and observe to do all the words of this law." (Deuteronomy 31: 12)

Our Sunday schools have proven to be great Bible teaching, evangelistic, enlistment, and financial agencies of our churches. Through continued guidance in a worthy program they will continue to help our churches in these areas.

Records made available through our State Sunday School Secretary, C. F. Barry, reveals that our churches in our association participated as follows:

Total Church Study Course Awards through 8/31/60 - 1071; in Category 17 through 8/31/60 - 140; Churches Earning Awards in Church Study Course - 19; in Category 17 - 9. Standard Sunday Schools - 6; Standard Classes and Departments - 3; Total - 3. Vacation Bible Schools - 13; Mission V. B. S. - 2. Number of Sunday Schools - 30; Number Mission Sunday Schools - 3; Total S. S. Enrolment - 7917; 1959 Enrolment 8266.

(For above item refer to church letters.)

We have had regular monthly meetings of our Associational Sunday School Organization with an excellent representation of our churches. In addition to these meetings we have had the following as a part of our associational program: (List such things as your V. B. S. Clinic, group or central training schools, etc.) Mr. Joseph N. Hill has served as our Associational Superintendent and has been supported by an excellent corps of associates and departmental officers.

Secretary C. F. Barry reports continued improvement of all phases of the Sunday School program throughout the state. Although all reports are not in, he estimates the following: Approximately 1400 Sunday schools; an enrolment gain of about 20,000 bringing our total enrolment to 408,000; Church Study Course Awards, 100,000; Sunday School Category 17 Awards 21,000; Vacation Bible Schools 1,050; Standard Sunday Schools 125; Standard Classes and Departments 1,550; Total Standard units 1,700. Associations Alachua, Seminole, and Shiloh attained recognition as Standard Associations.

Secretary Barry expresses his appreciation to us for our continued cooperation in all his state-wide programs of work. He hopes that our association will continue to support and participate fully through all the churches in every one of his programs.

RECOMMENDATIONS:

1. That our churches consider an enrolment increase of 15%; a Vacation Bible School in every church and mission; the observance of Bible Study Week in January and Preparation Week in September; a Standard Sunday School in every church.
2. That our Sunday Schools cooperate with all the Special Days as promoted by the Florida Baptist Convention.

TRAINING UNION REPORT FOR 1960

To the Santa Fe River Association:

After some thought I have decided to present this report almost clear of statistics, but choose instead to make a few statements concerning our work for the past year and to give some consideration to the future. We held our Quarterly Mass Meetings with regularity, beginning with a very successful "M" Night and continuing through September, being blessed with capable inspirational speakers in every instance. Our Youth Night was well planned (many concerned worked hard at it) and we had an Adult Conference which we are in a position to believe is an innovation in our Youth work. The Adult Conference, not minimizing the leadership of youth in any

way, had as its goal a better understanding of parents, leaders, and others toward young people and youth work. Two young people were in the District Speakers Tournament and one Intermediate participated in the Bible Sword Drill Tournament.

A total of 1071 study course awards is fine, but we can still do better inasmuch as we have only one church not reporting a Training Union. We have much in store for us in 1961 with the election of Mr. John Andes as the Associational Training Union Director and I am proud of the opportunity to serve as his associate. In whatever degree we are both equipped physically, mentally, and most of all, spiritually, I feel very much more can be accomplished in the name of our Lord and Saviour.

Many thanks to faithful officers and leaders.

Respectfully submitted, Raymond L. Layne, TU Director

SOUTHERN BAPTIST RADIO-TELEVISION COMMISSION

Dr. E. F. Debusk, Chairman

Worldwide radio and television are now realities. In the light of present day tensions and world conditions, mission work by way of radio and television may be the only means of witnessing to large areas of our world which are now, or soon may be, closed to our present mission methods.

The Radio and Television Commission is a missionary service organization for the Southern Baptist Convention. It preaches the Good News of Christ almost daily somewhere, reaching individuals who might otherwise never hear the message of Life. God is blessing Southern Baptists' efforts to use radio and television as evangelistic tools. But we have barely started in our job. The history of Christianity is irrevocably tied to the history and the instruments of communication. This must remain true as we Southern Baptists seek to communicate the gospel to the world.

There are three main facets to the work of your Radio-Television Commission: 1. preaching the gospel on radio and television; 2. building an audience for the programs; 3. providing counsel and filling requests which come in response to the programs.

The Commission now produces five weekly radio programs, with a children's program and a counseling program in the planning stages. Distributed weekly are "The Baptist Hour", "Master Control", "La Hora Bautista", "International Sunday School Lesson", and "The Chapel Upstairs". (See station list for local stations, times.)

Preparation of "The Answer" series for television continues to be a highly successful method of reaching the unchurched and frequently uninterested viewer. At the same time, "Televangelism" as a project through which to relate church visitation and evangelism to the television program continues to be used effectively -- this year by more than 6000 churches and participated in by over 75,000 individuals.

A new series of 13 films for use in 1961 is currently being produced, which will bring to 52 the films available to television stations. Other types of programs are currently being planned to serve and represent Southern Baptists on television.

Requests for prayer come daily in the mail and are taken up by the staff at a morning devotional period. Spiritual and moral counsel are given to hundreds by mail, as each writer is urged to contact his local pastor.

Southern Baptist pastors can now obtain The Beam, monthly magazine of the Commission, upon request without cost, and a budget plan of \$.50 a year is available to churches which have 25 or more subscribers.

You are urged to hear and view the programs which are on radio and television in your area. And above all, pray for us as we attempt to use wisely these divine opportunities to spread the good news.

EVANGELISM REPORT

Elton Trueblood: "Reformation opened Bible to common man." A new reformation will open ministry to common man.

James Smart, in THE TEACHING MINISTRY OF THE CHURCH, says: "Jesus did not invite men to be good characters and supporters of religious institutions, but rather to embark with him on a mission for the redemption of the world."

Glenn Dorris, minister of the Central Presbyterian Church in Anderson, S. C., in October, 1960 PULPIT DIGEST declares: "Most church members believe that Jesus invites them to be good, pay their debts, stay out of jail, be loyal to their family, and make a fair pledge to the church. But Jesus invites us on a dangerous, exciting adventure to redeem the world. He accepts his disciples on no other terms. Every Christian is called into this ministry to redeem the world."

Good has bestowed dignity upon every human individual. He created him in the image of God. And continually seeks to recreate fallen man in the image of Christ. The task of evangelism is to reconcile man with God, so a community of genuine brotherhood can be established. This is done as man is led to wholeness through the healing of his broken relationships, and led to respond to God with total love of his total self, and led to love his neighbor as himself.

In no sense are we ever trying to turn a soul into a number, or a person into a statistic. We are seeking rather to help a person find God, find himself, and serve his fellow man.

Our role is that of an earthen ware jar. The precious treasure of the Gospel is communicated through frail, mortal humans. God loves lost people through us. It is fruitless to tell a person God loves him, if our own hostility is blocking the flow of that love.

It is ridiculous to tell a person God forgives, if our attitude of Judgement and condemnation overshadows the forgiving Spirit or quenches The Spirit.

1. From the statistical side, the following is indicative of what has been done in the Santa Fe River Association:

| Churches | Baptisms | Letters | Total Gains | Losses | Net Gains | Revivals |
|----------|----------|---------|-------------|--------|-----------|----------|
| 28 | 394 | 875 | 1269 | 850 | 420 | 33 |

2. A high light of the year is the evangelistic conference in Jacksonville.

3. Santa Fe River Simultaneous Revivals are scheduled April 2-16, 1961. This is the date set in the calendar of activities by the executive committee.

WOMAN'S MISSIONARY UNION REPORT

The Watchword for the year in Woman's Missionary Union has been Zachariah 4: 6 "Not by might, nor by power, but by my spirit, saith the Lord of Hosts". So that while we can report gains in almost every area, we give God the glory for allowing us to be "Laborers together with God" in our Associational work.

There are now 26 active Woman's Missionary Societies in Santa Fe River Association with a membership of 935 women. There are 66 Youth Organizations: 7 YWA, 34 GA, and 25 Sunbeams with a total Membership of 902. The total reached for missions, directly through Woman's Missionary Union is 1853.

Meetings Held Quarterly were as follows:

January 22 at Melrose with Miss Josephine Jones State Executive WMU Secretary as the Main speaker. It was a bitter cold day, but 90 attended the meeting.

April 21 at Alachua was a Youth centered meeting, preceeding the

camping season. Miss Elizabeth Provence spoke on fostering our youth organizations. She is a Past Master at this sort of thing and really gave the women much food for thought. There were 108 present.

July 12 at North Central in Gainesville, Mrs. Edward Leader was the speaker. She told about her work with the Indians in Florida. There were 110 present.

October 27 at Waldo at which time Mrs. J.G. Hughes told about her trip to the mission field of South America and the Baptist World Alliance. A Mission Study Institute was conducted by Mrs. S.S. Stevens of Micanopy.

A. Y. W. A. Council was organized this year and meets bi-annually. The G. A. Council meets quarterly and the Sunbeam Shallie met the second time.

The Annual State Woman's Missionary Union Conference was held in conjunction with the World Missions Conference at Daytona, April 5-7. The Associational W.M.U. sent eight officers to this meeting. The Leader's Conference for Florida W.M.U. was held at Stetson University, September 6-8. Five Associational Officers attended this conference and many local officers did also, taking advantage of excellent training in methods.

Youth Work: There were 48 Auxiliaries participating in the Seasons of Prayer for Foreign, Home and State Missions. Five hundred and forty-four gave through the Cooperative Program in their local churches. There are 167 tithers, and 84 approved mission study books were taught in the Auxiliaries.

Mission Study in the W.M.S. is recorded in 58 classes taught and 459 women reading mission books. Thirty two women took Leadership Courses. Leadership Training was the special emphasis for this year of Jubilee Advance.

Community Missions in W.M.S. is being pushed in the area of soul-winning and visitation. Twenty two societies have planned activity in that field.

Prayer during the Seasons of Prayer for Foreign, home and State Missions was observed by 23 societies and the mid-week prayer service in local churches was stressed. The Calendar of Prayer for missionaries in the ROYAL SERVICE is a day by day devotion and will mean much to the Kingdom.

Stewardship records report that 903 women gave through the Co-operative Program in their churches. There are 479 tithers. The Foreign Mission Offering was \$4,873.89. The Home Mission Offering was \$2,487.73, and the State Mission Offering was \$1,083.03. A gift of \$25.00 was made toward State Camps for needed repair work by the Associational W.M.U. and \$50.00 was given Miss Elizabeth Provence as a gift of appreciation for her work while she was our Youth Director in the state. At the Summer Meeting \$100.00 was given Mrs. Edward Leader for use among the Indians where she works.

Publications have increased with each organization, for which we rejoice, because an informed W.M.U. can, and will, do better work. There are 676 women subscribing to ROYAL SERVICE. THE WINDOW goes to 66 Y.W.A.'s. G.A.'s receive 180 TELL magazines and there are 51 Sunbeam Activities going to leaders in our association. It is also most urgent that more of our people take our State Baptist paper, The Witness. It is full of information that every Florida Baptist needs.

The Bible gives God's plan for winning the world to His Kingdom. The study of Missions will reveal what God's children are doing about His plan. "For God so loved the world, that he gave his only begotten son, that whosoever believeth in him should not perish, but have everlasting life." This is the gospel that every man needs and that we must proclaim to all the world. Ours is the job to win and train our Youth sending them forth to spread the good news. We must accelerate our program, because the world is growing faster than we are winning them to Christ.

At our Conference of Leaders we were challenged to be "Faithful for the Love of Christ constraineth us." II Corinthians 5:14.

Respectfully submitted, Mrs. J.G. Hughes, President

ANNUAL REPORT OF PAUL McCOLLERS, FIELD SECRETARY, FLORIDA BAPTIST CONVENTION

Missions are founded in the heart of God. From the call of Abraham to the present we see manifestation of the missionary spirit. Paul said, II Corinthians 5: 19--"God was in Christ, reconciling the world unto himself not reckoning their transgressions unto them, and having committed unto us the message of the reconciliation." This mission program was revealed through Christ: Matthew 28: 18-20. If we are true to our Lord we will have to propagate, tell, give out this message from our respective congregations. If we do our best here many will accept our message and join the WORLD MISSION CRUSADE BY GIVING AND LIVING WORLD MISSIONS, Jesus said, "Everyone to whom much is given, of him will much be required; and of him to whom men commit much they will demand the more." David Livingstone wrote on his 59th birthday, "My Jesus, My King, My Life, My All; I again dedicate my whole self to Thee. Accept me, and grant, Oh gracious Father, that ere this year is gone I may finish my task. In Jesus' name I ask it. Amen."

We must survey the field, enlist the people, teach them. Every church must have a teaching program, a financial program and a mission program. Every church should have the opportunity to give to WORLD MISSIONS THROUGH THE COOPERATIVE PROGRAM AT LEAST FOUR TIMES A YEAR.

Paul McCullers, Field Secretary

MUSIC REPORT

During the year of 1961 our churches face a great challenge in the emphasis for the year: "Forward Through Stewardship and Enlistment". In order that every church might be reached, large or small, our associational organization - because of their proximity to the churches in their area - because of their knowledge of the churches in their area - stand as the key to whether or not all of these churches will have the benefits of participation in the year of "Forward Through Stewardship and Enlistment". These smaller churches have definite needs in all phases of the work. Our Associational music organizations have capable music leaders and stand ready to face the challenge of helping every church in every association.

Throughout our state in 1959 and 1960, there were some 350 churches in music training out of 1263 churches in our state. This year we hope that our association will have every church participating in some form of music training. As an associational music organization, we are going to strive to reach every church in our association.

This past year on an associational level, the associational music organizations again made great progress. Forty-two out of forty-six associations held Associational Festivals. Two hundred and nine churches participated in the Festivals with 492 choral groups, totaling 9051 choir members - 180 hymn players, 49 song leaders - 10 instrumental ensembles, with a total of 51 participants. Our Associational Festival was held at Keystone Heights Baptist Church, January 24, 1960. We are planning to have a festival during January, 1961. There is a potential in our state of 322 associational music officers in the associational music organizations. This past year Florida reported 283 of these officers with a percentage of 87.9 which is second highest in the Southern Baptist Convention for associational organizations. Again, we say thanks to you pastors, music directors, and others for your cooperation in this endeavor. Our associational music organization is complete with nominations for every office.

On a state level the Church Music Department continues to promote a program which should best serve the needs of the majority of our churches. Ten State Music Festivals were held during 1960. There was a total of 272 choral groups with 5,458 members - 122 hymn players - 36 song leaders - 8 instrumental ensembles with 40 participants. One hundred and twelve churches participated. This gave us a grand total of 5,656 individuals participating in the State Festivals. There will be ten Festivals again this year.

We plan to encourage our churches to participate in the nearest Festival.

Two music camps were held at the West Florida Baptist Assembly Grounds in Panama City. Harmony Bay, as these camps are called for music, has a limited capacity of 120 select Intermediates and Young People for each camp. During 1961 these camps will be held August 7-13 for the first camp and August 14-20 for the second camp. Each church in our association may send five Intermediates and Young People to each camp. The Church Music Department will endeavor to help any church any time during the year by helping to locate capable workers for a music training school and, in addition, offer financial help if needed by the church. Churches desiring a music training school during the year should request a Worker Appropriation form from the State Music Department.

On a convention-wide level the Ridgecrest and Glorieta Music Leadership Assemblies again were a great success. The registration at Ridgecrest was just under 3,000 with something over 500 being from Florida. Your State Secretary, Mr. W. G. Stroup and your Associate Secretary, Mr. W. H. Mikell represented our State Music Department at Ridgecrest. "The Creation" by Haydn was sung this year by the oratory choir at Ridgecrest. A recording was made and should be off the press about now.

Let every church in our association strive for a larger and more efficient music department this next year.

REPORT OF RESOLUTIONS COMMITTEE

BE IT RESOLVED:

1. That we thank the Parkview Baptist Church and the Eliam Baptist Church for their gracious hospitality in playing host to this the 104th annual meeting of the Santa Fe River Baptist Association.
2. That we express our sincere appreciation for the faithful service rendered our association by our Moderator, Brother Shepherd Bryan and our Vice-Moderator, Brother Earl Haney.
3. That we express our appreciation to the officers, leaders, and workers of the Santa Fe River Association, and to all who have united in an effort to make this year a successful one in the Lord's work.
4. That we dedicate this set of associational minutes to the beloved Dr. Thomas V. McCaul, Pastor Emeritus of the First Baptist Church, Gainesville, Florida.

Respectfully submitted, R. M. Barber, M. D. Lampp, O. J. Green

The Resolutions Committee then presented to the Association for its approval a resolution from the Eliam Baptist Church, Melrose, Florida, condemning the use of tax money to purchase intoxicating beverages for use by any and all government employees, etc. A copy of the resolution, revised to some extent with the approval of the Pastor of the Church, is hereto affixed.

A RESOLUTION CONDEMNING THE SPENDING OF TAX-PAYERS MONIES TO BUY INTOXICATING BEVERAGES FOR STATE DEPARTMENT, DIPLOMATIC SERVANTS, MEMBERS OF CONGRESS, ARMED SERVICES, & ALL OTHER BRANCHES OF OUR FEDERAL & STATE GOVERNMENTS.

WHEREAS:

America was founded as a Christian nation, and is, today, looked upon as the outstanding nation of the world, in religion, culture, and education, and,

WHEREAS:

Intoxicating beverages, according to the latest statistics, are responsible for more crime, automobile accidents and delinquency of parents and children, than any other thing that affects our nation, and,

WHEREAS:

Some time ago there appeared in the newspapers an article in which it was stated that there was a bill before Congress to appropriate \$6,500,000 to purchase intoxicating beverages, we believe this to be contrary to the wishes of our people. We further noticed in the newspapers, that our Latin American neighbors are often referring to our "Scotch-and-Soda diplomacy", which is a reflection on our government, our people, and our Christianity, and,

WHEREAS:

We believe that it is unfair to collect taxes and spend any portion of these taxes for intoxicating beverages that lower our standing in the eyes of our neighbors around the world,

THEREFORE BE IT RESOLVED:

That the Eliam Baptist Church, Melrose, Florida, requests the Santa Fe River Baptist Association in its annual session, October 10-11, 1960, to petition the Florida Baptist Convention in its annual session, November 15-17, 1960, to prepare and pass a suitable resolution to be sent to the President of The United States of America, and to our Senators and Representatives in Congress, condemning the purchase from tax monies any and all intoxicating beverages for consumption by any employee or our government, elective or appointive, and all branches of our armed services.

Respectfully submitted, Eliam Baptist Church

RELIEF AND ANNUITY BOARD

BENEFITS PAID -

Over \$31½ million has been paid out by the Relief and Annuity Board during its 42 years of operation. Benefits paid through the various retirement plans alone totaled more than \$24½ million, while the remainder was paid to beneficiaries on the relief rolls. In 1959, benefits amounting to \$2,267,455.85 was paid to more than 5300 retired or disabled ministers and denominational workers or widows.

NEW MEMBERS-

A 10 per cent increase in new members in all the retirement plans, 3,026, was recorded for 1959 over the previous year. At the end of the year, 20,741 ministers and denominational workers were participating in the plans, with more than 12,000 churches and agencies cooperating. The Southern Baptist Protection Plan, the Annuity Board's basic plan for ministers, enrol-

led 1,627 new members last year, the largest increase for a single plan.
CHURCHES URGED TO PAY 10 PER CENT -

Last year marked the beginning of a concentrated effort by the Annuity Board which encouraged churches to assume the full cost of the Protection Plan for their pastors. The cost is 10 per cent of the pastor's salary up to a maximum of \$4,000. Annuity Board records indicate that approximately 20 per cent of the churches now enlisted in the program are paying they 10 per cent dues.

As a part of the concentrated promotion effort, every state convention has pledged its support to the Annuity Board in trying to reach its goal of a minimum of 75 per cent of Southern Baptist churches and pastors enlisted in the protection program by January 1, 1961. A few states have already reached the 75 per cent and are pushing ahead toward 100 per cent participation.

The Annuity Board's program is set up so that each state has its individual retirement plans, and the administration of these is handled apart from other states. The strength or weakness of a state's retirement program depends wholly on the participation by churches and pastor's in that state.
CHURCHES IN PROTECTION PLAN - ACCORDING TO SIZE -

There are 23,085 churches in the Southern Baptist Convention reporting memberships under 300. Out of this group, the Annuity Board reports only 5,110 participating in their program. The majority of churches in the Board's retirement plan, 6,008, come from the remaining 8,821 churches. The smaller churches reporting the least number participating are the ones needing the protection most. A salary survey shows pastors of these churches make on the average, only \$2,480 a year.

AMERICAN BIBLE SOCIETY

The Bible is "The Book for Everyone". This is more than a slogan. It is the deep conviction of the American Bible Society and of all who recognize their stewardship the Word of God.

If the people of the world are to know Jesus Christ the one hope of men and nations, they must have the Bible.

Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

But, in most countries, people cannot afford even the cost of printing the Scriptures.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave - and keep on speaking to a person's heart.

The American Bible Society is an active partner of Southern Baptists. It serves every form of Southern Baptist mission work at home and abroad. It helps missionaries to translate the Bible. It publishes without note or comment and distributes without profit, usually below cost. During 1959 the American Bible Society -

- donated more than a million Scripture volumes for distribution by the Chaplains to our Armed Forces and to patients in Veterans' Hospitals, providing a vital link between the home churches and the men and women in service.

- approached its 125th anniversary of supplying Scriptures for the Blind, far below cost, in Braille and other raised-letter systems and on Talking Book records.

- rejoiced that some part of the Bible has been published in 1151 languages; the full Bible in 219, a Testament in 271 more and a Gospel or other complete book in 661 more.

- continued to supply Scriptures in such strategic areas as West Germany and other lands along the Iron Curtain, Africa, Latin America, Japan, Korea and India - and to many Chinese now living in other countries outside the communist-controlled China mainland.

- distributed a total of more than 17½ million Scripture volumes. This was an increase over the 15 million volumes averaged in recent years, but still short of urgent needs.

Last year all the Bible Societies of the world together distributed over 27 million volumes of Scriptures. But, that is less than the number of people who learn to read each year.

Southern Baptists Support the Work

Because the Bible Society serves mission work - and Southern Baptist missionaries depend on the Society for Scriptures they need for their people - Southern Baptist churches believe in the missionary importance of giving to the American Bible Society.

One year, 1958, Southern Baptist churches led all denominations in gifts to the American Bible Society. But in 1959 Southern Baptist gifts of \$144,200 stood second. Methodists led with gifts of \$156,244. Gifts from all churches in the U. S. A. totaled \$955,135.

The help of every Southern Baptist church is needed each year. Has your church given to your American Bible Society this year? Here are suggestions, based on what many churches are now doing:

Every church can give at least these amounts each year:

| | |
|------------------------------|------------------------|
| Country and village churches | \$10 to \$25 |
| Churches in small cities | \$25 to \$100 |
| Larger churches | \$100 to \$200 |
| Great City churches | \$200 to \$500 or more |

Please send gifts to your Baptist state office marked "for the American Bible Society".

BAPTIST BIBLE INSTITUTE REPORT

By James E. Southerland, President

Current Southern Baptist Convention seminaries' policy on limiting enrolment of non-college graduates has created dangers. God-called men need a loyal, dedicated atmosphere where they can prepare for their ministry.

Baptist Bible Institute at Graceville, Florida, provided by the Florida Baptist State Convention, meets this need. Properly recommended applicants may enroll, without having to have even so much as a high school diploma.

Curriculum. To graduate, a student must complete a three-year course (100 semester hours) that parallels work done on the Bachelor of Divinity degree, without languages

Enrolment. Enrolment is highest in the school's history. Total enrolment last year (1959-60) was 138, with 35 first-year students. September enrolment was 159, with 76 first-year students.

Faculty. The faculty ranks with that of any Southern Baptist seminary or college in earned degrees. A new man coming into the theological or religious education faculty must have his earned doctorate, or be working toward it.

Mr. J. Lynn Bartlow, A. B., M. A., M. S. M., now heads the music department on a full-time basis.

Relationship to the Southern Baptist Convention. Although a Florida Baptist Institution, Baptist Bible Institute is a vital and loyal part of Southern Baptist Life.

Finances. The Cooperative Program provided \$58,825 through the Florida Baptist State Convention budget. The Budget and Allocations Committee is recommending \$72,627.65 for operations next year.

The 1960-61 Institute budget is set at \$137,908, an increase with rising costs and an increased student body in mind. This means that more churches must put the school in the local budgets (this is officially agreed upon in the State Convention). We must raise \$25,000 in this way, up from \$18,000 last year. Endowment, now quite small, must be substantially increased.

Current and Future Needs. More students mean more problems. We have too few apartments, and too few classrooms. We can fill a woman's building, if we had one, and also fill 25 new apartments. A music building and an educational building are needed now.

Place in World Missions. Our successes, the growing student body, an effective teaching program, and the work of our graduates and alumni, have brought favorable attention from Southern Baptist leaders. The Southern Baptist Convention Program Committee recently considered the matter of Bible schools for the Convention, and were favorably impressed.

We now exchange credits with more colleges, evidence of the growing respect for our work. We face an even brighter future.

Pray for us. Put us in your budgets. Use us when you can. We-- the entire Institute family -- feel ourselves to be fellow-workers with God and with you.

REPORT OF THE FLORIDA BAPTIST FOUNDATION

One of the easiest ways to prepare a meal is to open a can. One of the easiest ways to present a report is to give it just like you received it from the particular department upon which you are reporting. You may have heard those who say in BTU or WMU this part is so good I'm afraid I'll leave something out so I'll just read it as it is. I would like to depart from the customary and assume that you are as ignorant about the Foundation as I am.

First, what is the Florida Baptist Foundation? It is an agency of the Florida Baptist Convention chartered on April 1, 1947 for the purpose of serving any person who wishes to contribute to any Baptist Institution or agency by gift, bequest, annuity or otherwise.

Secondly, where is the Foundation headquarters? Our Florida Baptist Foundation headquarters are located in Plant City, Florida with Dr. G. A. Lechliter as Executive Secretary.

Thirdly, what is the purpose of the Foundation? Its purpose is to procure building and endowment funds and to administer trust funds, including endowment and building funds, for the convention and for any institutions and agencies owned and operated by the convention or approved or endorsed by it. It is a service agency to help people do what they want with their material possessions. The Foundation is also chartered to handle trust funds for all institutions and agencies of the Southern Baptist Convention.

Fourthly, how does it operate? Funds entrusted to the Foundation are disbursed in strict accordance with the wishes of the donors. You simply make out your contribution, bequest, or will to "the Florida Baptist Foundation", a Corporation and designate the causes to benefit from the gift. Or one may contribute endowment or, or other long term trust funds, to the Foundation and authorize the Trustees of the Foundation to use the income from the principal according to their own best judgment. These contributions may be made in money, stocks, bonds, securities of any type, or real estate. They may be made as Living Trusts, Gift Annuities, and bequests

in wills.

We can all be of help to the Foundation by giving information concerning friends in your group or church or association who may have custody of some of God's money they want to use for such purposes. The secretary and officers of the Foundation are at the command of the churches and will gladly arrange for such meetings or materials as may be of help in this broad field of stewardship.

Respectfully submitted, V. Miles Patterson

STATE MISSION REPORT, 1960

State missions have advanced through the year and it is time for our important annual associational meeting.

We would not like to present a dream of idleness to our people about the fact of our State at work.

We find that work has slowed down in places, because of people moving from the country in to villages and towns. This brings a great problem in some fields.

Then on the other hand, there are places that are outgrowing the very possibilities of our work so there is no wonder the Lord said; "The fields are white unto harvest and the laborers are few."

There has been a large increase of churches, but there is still room to increase in our state missions.

There is another fact that we need to think of our new converts. We need to train them and utilize them or they will become liabilities rather than assets to God's Kingdom's Work.

There is another thought of our work we need to encourage our people to set aside a special part of our budget for state missions through the Cooperative Program for our needs have increased to where our needs are at least two per cent, in every local Baptist Church, of our state.

The last fact that I should point out is that our future is as bright as the promise of our Lord, as we serve a God that is big enough for our needs regardless what the need might be.

Respectively submitted, Sardis Baptist Church,
M. D. Lampp, Pastor

HOME MISSION REPORT

2,000 Missionaries Reported

Southern Baptists support a missionary force of more than 2,000 on home mission fields according to Courts Redford, Atlanta, executive secretary of the Home Mission Board. In addition there were 470 student summer missionaries. These missionaries reported 44,649 professions of faith in 1959.

Cooperation Brings Gain

Redford attributed the gain of 344 in personnel over the previous year to 16 cooperative agreements between state conventions and the Home Mission Board. The agreements combine financial and personnel resources for a unified, evangelistic, and missionary program within the states.

Budget Support

The Annie Armstrong Offering and the Cooperative Program provided \$4,151,389.58 for home mission work during 1959. Our association gave \$ through the Cooperative Program.

Seven Programs Emphasized

A major emphasis of home mission work, which is active in all states, has been seven programs outlined by Redford as: evangelism, church loans, chaplaincy, pioneer and associational missions, city missions, National Baptists, and language group missions.

FOREIGN MISSIONS

"Southern Baptists must measure our mission undertaking by our potential - not by what we or others have done. When we put what we are doing alongside the reality of human need and the reality of open doors in the world, we recognize that we have hardly begun. We must measure what we are doing by the crisis of our day. This is the day of destiny."

Baker J. Cauthen

Executive Secretary, Foreign Mission Board, SBC

Missionary Personnel: Many Places of Need

Appointments totaling 144 during 1959 and 31 from January to May, 1960, bring the number of foreign missionaries in active service to 1,407. The appointment goal for all of 1960 is 150. The Board expects to have 2,000 missionaries under appointment by the close of Baptist Jubilee Advance in 1964.

At the end of 1959, there were 675 urgent requests for new missionaries. Among the most pressing needs are those for people in field evangelism and church development, theological education, nursing, student work, and religious education. "Although God has blessed remarkably in new missionaries appointed, we have hardly scratched the surface of critical need in the countries where our missionaries serve - not to mention the vast unentered ones."

---Elmer S. West, Jr.

REPORT ON THE FLORIDA BAPTIST CHILDREN'S HOME YEAR ENDING JUNE 30, 1960

This report is for a nine months period. It was necessary to change the date of the fiscal year to accommodate the auditors who check the books of our Home and other agencies of the Convention. Heretofore, it has been almost impossible for them to finish their work and have the reports in time for the meeting of our State Convention each November. The fiscal year will close on June 30 hereafter and the audit and reports will be for a period of 12 months.

Applications for admission to the Home have been unusually heavy during the past year. This was due in part to the growth of the state and also to the inability of some state agencies to help in the care of children who were not eligible for state assistance. These turned to the Children's Home for aid, which was given in every possible case. If the children could not be admitted, they were referred to other agencies which seemed best equipped to meet their needs. Every application was given careful attention.

A third cottage was opened at the South Florida Branch of the Florida Baptist Children's Home in December 1959. We now have three attractive buildings on the Miami campus and approximately seven and one-half acres of land.

Assistance was given to 384 children from 160 families for the period beginning October 1, 1959 and ending June 30, 1960. One hundred and eighty-three were in the Children's Homes at Miami and Lakeland, 2 were in foster homes care, 26 on Mother's Aid, and 12 were assisted in the homes of relatives for a total of 223 under supervision. One hundred and sixty-one applicants were given help through counseling and referral to other agencies.

We wish to point out the need for your participation in the special Thanksgiving offering for the Home. It shares in the cooperative program but it does not get enough from this source to meet expenses. Each church throughout the state will receive a poster which we urge you to place on your bulletin board. You will also receive a postal asking you to fill in the number of envelopes you will need for the offering. These will be sent to you upon request, without charge. It is important that each church have a

special part in our work with dependent children. We earnestly desire your cooperation in the Thanksgiving offering for our Home.

Respectfully submitted, Eliam Baptist Church, B. Ray Stedham

BROTHERHOOD REPORT

Brothers and sisters in Christ, We, of the Associational Brotherhood, are happy to report that the Associational work is progressing very satisfactorily and that we have organized three new brotherhoods this year in our association. Your Brotherhood President has attended Deland assembly and Ridgecrest this year. Also our Brotherhood Secretary attended the assembly and Ridgecrest.

We are well pleased with the progress of our brotherhood work and with the help and guidance of the Lord, hope to accomplish greater things for Him in the year 1960-61. We are ready at any time to lend assistance to any Brotherhood in any manner or phase of the work needed. We have already completed plans for our Brotherhood Clinic to be held in Melrose Church, October 17, 1960. Also the Associational Brotherhood meeting will be held in Alachua Church, November 21, 1960 with Brother Griffin Henderson of Avondale Baptist Church bringing the Message. Pray for us in this work that we may accomplish those things pleasing in the sight of the Lord.

REPORT ON CHRISTIAN EDUCATION

If "Education is Power", Christian Education is Christian Power. Jesus knew this when He said, "Ye shall know the truth and the truth shall make you free." (John 8: 32) Baptists have always been champions of Christian Education.

Today Southern Baptists operate 71 schools, colleges, and seminaries. In the school year 1959-60, enrolment of regular students reached 61,194, an increase of 108 over the previous school year. In addition, there were 8,221 special and extension students, making a total of 69,415.

A total of 10,006 students graduated from these 71 schools in the 1958-59 school year.

Two of our Southern Baptist schools are in Florida - Stetson University, at DeLand, and Baptist Bible Institute, at Graceville. Both of them are Florida Baptist institutions and Florida Baptist opportunities.

Stetson is the oldest university in Florida. She has just passed her 75th year of Christian Education. Baptists of Florida rejoice in every effort made by President J. Ollie Edmunds to make our university a stronger Baptist Christian university, with a dedicated Christian faculty. Last year Stetson had a fall enrolment of 1,627. These young people came from 37 states and 15 foreign countries. Over a third of these were Baptists, and 78 were listed as ministerial students, 25 as church music majors, and two as religious education majors.

Now that Stetson is in her 75th Anniversary Development Program, we urge Florida Baptists, individuals, and churches, to contribute liberally toward the six million dollar goal for much needed building and faculty salary increases.
