#### ASSOCIATIONAL TRAINING UNION REPORT

The pressures and needs of today's world demand that our churches be more than candles. We must become light-houses that are bright enough to transform our community as well as individuals. Our leaders and members must be well trained in their areas of service but they must also have a broad base of understanding of the Bible, theology, the church, principles of leadership, evangelism and many other areas.

Training Union seeks to meet these needs. We must lead our people to go beyond the basic quarterly program and go "the second mile" in program planning and presentation. Your Association Training Union will help you and your members to do this.

Mr. Herbert Jukes will be your new Associational Director. He will need your prayers, attendance and support.

The meetings for the coming year will be given out shortly as well as the attendance goals for "M" Night.

The church must never lose sight of its purpose or it ceases to be a church and becomes a social club. During the coming year, adults may study the following areas:

Visitation and enlistment; Worship; Nature of New Testament Church; Evangelism; Biblical bases for separation of church and state; Christian History; Harmonious family living; Growth toward spiritual maturity; Meeting the needs of young adults; Biblical bases for missions; Great theolog-

ians; Baptist History; Learning to witness; Training in parenthood.

These programs offer a variety to meet the needs of ANY church when they are developed in a quality manner.

Call your associational officers and give them a chance to help you!

#### Supplemental Associational Training Union Report

#### WOMAN'S MISSIONARY UNION

The end of the year provides a time of summing up, or reviewing, the events and achievements of that year. Such a review often brings regret for things not done. Looking today at things to come may serve as a reminder of goals to be set, activities to be planned, directions to be determined. Good planning now can help avoid regrets later.

First, let us look at the Hymn and Watchword for the coming year. The Hymn is, "O Worship the King," and the Watchword is taken from Psalms 57:9. "I will praise thee, O Lord, among the people: I will sing unto thee among the nations."

Worship is the particular emphasis for this year, as set by the S.B.C., as we study the nature and functions of a New Testament Church. It is natural that Worship comes first. We worship when we realize who God is, become aware of his holiness and majesty and respond in loving obedience to his leadership. We will look down to self and out to others. In both society and circle meetings positive emphasis will be given to worship. To help develop an appreciation for all people and become aware of the needs of the world, our programs each month will cover a wide area, from Cuba to Alaska, from Korea to West Africa, home and foreign missions and the Baptist of every land. B.W.A. in Miami June 25-30, 1965.

While making this a year of worship let us also make it a year of prayer. The call to prayer each day for our Missionaries, intercessory prayer for the lost, and for our church, weeks of special prayer for Home and Foreign Missions, family prayer and prayer retreats, Spiritual Life Development by Mrs. McMurray will add depth to any one's prayer life.

Money is necessary to sustain Missions, but the gift of self, time, and talents is also very important to the kingdom of God. The Cooperative Program will be specially emphasized, for it is through this program that all may have a part in worldwide missions. The special offerings for Home and Foreign and State Missions are love offerings. We will set goals above what we did last year. What did you give? What will you give this year?

Each year two new mission study books are released. The foreign mission book is "Frontiers of Advance" by Dr. Copeland. The home mission book is "Winds of Change" by

Gerald Palmer. A stewardship book "My Money and God" by Robert Hastings is suggested for the summer months. A new study in Royal Service will be "The Missionary Message of the Bible" by Guffin, which may be studied individually or in classes.

Christian witnessing is the answer to world needs. This is a good time to rethink Community Missions. We need to take a new look at the community where we live, our own association, to visit the stranger in our midst, the lost and needy. Community Missions is Christian Witnessing. The international students among us have brought the world to our doors. This is a new year of opportunity, a new chance is before us.

#### BROTHERHOOD REPORT

The officers of the Associational Brotherhood wish to thank each and everyone for their prayerful support in the past year's work. Your support enabled us to have a very profitable year in Brotherhood Work. We have conducted three Laymen-Led-Revivals in which there were three professions of faith and four additions by letter. We have conducted one Royal Ambassador Camp that was a tremendous success. The officers of this Associational Brotherhood have spoken about 155 times. We have attended several encampments and Brotherhood meetings. All meetings for each quarter were held on time and the response in attendance was good. Our expenses for the past year were: Honorariums, \$70.00; Postage, cards, and posters, \$40.00; Literature and supplies, \$15; Royal Ambassador Speaker for Clinic held at North Central Baptist Church, \$10.00. These make a total of \$135.00 for expenses. We ask for your continued support for the new officers in the coming year. Thanks again for your support and prayers.

Henry O. Williams  
Brotherhood President

#### EVANGELISM REPORT

- II. February: 1. Participate in associational Sunday School witnessing campaign. 2. Plan deacon's pre-revival visitation.
- III. March or April: 1. Participate in simultaneous revival. March 7-21 and April 4-18.
- IV. May: 1. Observe Christian Home Week.
- V. June: 1. Vacation Bible School.
- VI. July or August: 1. Area-wide or central revivals. 2. Youth-led and laymen-led revivals. 3. Tent revivals.
- VII. September: 1. Conduct annual religious census or survey. 2. Plan next year's evangelism program with church council.
- VIII. October or November: 1. Conduct single church revival. 2. Promote Sunday School enrollment emphasis.
- IX. December: 1. Make preparation for observing Soul-Winning Commitment Day. 2. Conduct New Year's Eve prayer service.

Evangelism Chairman

#### THE COOPERATIVE PROGRAM REPORT

Missions depend on the reaction of the individual Christian to the responsibility he has been given in the Bible. God made some pronouncements in the Old Testament, and Jesus built on these in the New Testament. One of the fundamental pronouncements of the Old Testament had to do with possessions. The tithe, or one tenth of all a man had made it very clear that everyone is expected to tithe.

For a good many years now, we have been using the slogan, "Every Baptist a Tither," but this is somewhat general. Even though every Baptist tithing is our goal, we are not moving too rapidly toward its accomplishment. In Florida, according to best reports, we have 16.3 per cent of our Baptist church members tithing. This adds up to 89,538 people. This is a very small number when we think of the 543,676 church members in our state.

At the May 8 meeting of the State Board of Missions, a goal was approved to seek to add 50,000 new tithers to this number during the period April 1, 1965 to March 31, 1966. This will be in cooperation with Southern Baptist efforts to add 2,000,000 new tithers during this same period. This represents a 10 per cent increase in tithers for Florida Baptists.

The increasing demands of a waiting world make our attention to these matters urgent. There are lost people everywhere and they must be ministered to. The response of churches in the Santa Fe River Association to this tith-

ing campaign is important. We are suggesting a goal of 10 per cent based on the church membership listed in the 1963 Florida Baptist Annual. This would be 118 for the association.

We urge you . . .

"BEGIN TO TITHE IN '65." The cooperative program depends on your stewardship.

#### UNITED CHRISTIAN ACTION

With hundreds of thousands of new residents, huge military space programs, industrial and agricultural expansion and seemingly unlimited economic prosperity, the Sunshine State seems destined to reach even greater heights of "fame" and "wealth" in the future.

But what about her soul! While our churches grow in number and size, there is also a sin-sickness of epidemic proportions which destroys more, and younger, victims each day.

#### CONSIDER THESE FACTS:

1. The state issued two thousand new alcoholic drink licenses in the past two years, increasing the total to 18,600 legalized liquor outlets, selling annually 80 million gallons of beer-wine-whiskey, for over \$500 million dollars. When all the "contributions" to human misery, economic loss and depravity are totaled up, the liquor costs Floridians twenty times as much as it produces in tax income.
2. There are 166 dog tracks, 6 horse tracks, and 6 Jai Alai Frontons, which takes in \$400 million dollars a year.
3. The pornographic literature and other forms of obscenity "filth" that once dismayed and sickened the public conscience is now accepted and ignored while the moral decline continues to increase.
4. While many public officials and community leaders parrot the propaganda line put out by liquor-gambling-obscenity promoters that by legalizing evil it can be better "controlled," every dependable study shows that Florida has a tremendous amount of illegal liquor-gambling-vice; crime, suicide, illegitimacy, delinquency rate often double the national rate; an overwhelming tide of emotionally disturbed persons and welfare cases; a greatly under-financed school system; many public services of below average quality and quantity. All of this in spite of the professed belief by many that a "tax income" from liquor and gambling would make Florida a utopia. Instead, it is fast becoming another Sodom and Gomorrah.

#### WHAT CAN WE DO:

1. Tell those in authority, local-state-national, that you want action now, both administrative and legislative.

2. Let the people know where you stand, and where your church stands on these critical moral issues.
3. Find out how you may help support and work with the United Christian Action, Inc.

United Christian Action is a state wide inter-church service organization, since 1945 serving the churches of 12 evangelical denominations in Florida. And is supported entirely from the gifts of concerned churches and individuals. Every local church which shares in the annual STATE MISSIONS OFFERING is helping provide life-line support to this cause.

The program of United Christian Action is three fold: Education, legislation and rehabilitation. Through carefully researched and documented leaflets, books, films and a monthly 8 page publication "ALERT," they provide information and training to all interested teachers, students, pastors and laymen without charge.

#### ANNUITY BOARD REPORT

On May 1, 1964, there were 16,251 churches of our Southern Convention with their pastors participating in the Annuity Program. This is 50 per cent of all the churches. There were at the same time 118 educational institutions, hospitals, children homes, houses for the aged and other south wide agencies out of the 174 such institutions and agencies participating. This made a total membership of approximately 25,000. Since the beginning of the Board's work, there has been \$43,500,000 paid in Relief and Annuity benefits. There were \$3,250,000 paid in such benefits last year.

The Board is now offering a new, "Life Benefit Plan", to our convention. Every church, Pastor, or denominational worker is eligible to participate, regardless of whether they are participating in the retirement plan. The Board hopes to have the necessary 3,000 to put the program into operation by October 1, 1965. The cost is low. Only 1 per cent of salary with a salary of \$4,000 to \$12,000, making a minimum monthly rate of \$3.34 to a maximum monthly rate of \$10.00 for the \$12,000 salary. Car expenses, housing and utility allowance may be added to salary, to increase the salary base. The benefits for the participants are high. For example the widow of a man 45 or under will receive two and one-half time the salary basis. If death is accidental the benefits double. On a \$12,000 annual salary the benefits would be in case of natural death \$30,000, in accidental death \$60,000. The benefits are scaled down one-tenth of 1 per cent each year as one gets older. If a person joins the first year of eligibility and pays into the plan for 10 years continually, after 65 he will have a paid up benefit of \$1,000 or the

amount equal to the amount paid in, if less than \$1,000. In case of total and presumably permanent disability the payment is waived but his coverage continues. If further information is desired, contact: Rev. Phil Maxwell, 1105 Sarasota Drive, Tallahassee, Florida.

#### FLORIDA BAPTIST FOUNDATION

The Florida Baptist Foundation is an agency of the Florida Baptist State Convention, set up to give financial support to all causes fostered by and/or supported by the Convention. This is accomplished in two fields. First, the Foundation handles trust funds and endowment funds for all Florida Baptist agencies or institutions. Second, the promotional program seeks to aid these various agencies and institutions by soliciting cash gifts, assisting in writing wills favoring these causes, or establishing trust or endowments in their favor.

The Foundation Secretary is Gus Johnson, Florida Baptist Building, Jacksonville, Florida.

#### RADIO REPORT

Recent natural events have intensified our appreciation of the mass communication media known as radio. Two hurricanes swept Florida within a month. Radio served the people with a day and night 'watch,' keeping all who would listen informed of all aspects of the crisis.

There has never been a more appropriate time than now to send forth the Gospel. There is no more appropriate media for reaching into 'listening distance' of every man, woman, and child than Radio. We cannot assume that all have heard The Good News. We must tell it and keep on telling it "Till none can say of the children of men, 'nobody ever has told me before.'"

Thanks be to God for giving us this beautiful opportunity to 'tell it again' in the homes, and the shops, and in cars and trucks, in public places and lonely rooms, for shut-ins and for shut-outs, to the sick, and to the disheartened, to the tempted and the defeated, the soul-saving, life-transforming, destiny-changing Gospel.

I sincerely recommend earnest, and enthusiastic support of this missionary project. The Baptist Hour is broadcast locally on Sunday morning, and one Baptist Church broadcasts a daily, five-minute Gospel sermon in this Association.

FINANCE COMMITTEE RECOMMENDATIONS

1. We recommend that each cooperating church of the Santa Fe River Baptist Association be requested to include in their annual budget 1% of their budget receipts for the associational budget and support of associational missions.
2. We recommend that all departments receiving an offering at an associational meeting be requested to channel such funds through the Treasurer of our association in order that complete records of receipts and disbursements may be made to the association.
3. Concerning honorariums and travel expense, we recommend that speakers from outside the association be given \$15.00 honorarium, plus 10 cents per mile. No honorarium or travel expense to be given to those within the association.
4. We recommend that the balance of items budgeted for "establishment of missions" at the end of year be placed in savings as trust for future missions use as may be approved by executive committee, or the association.
5. We recommend that funds received above the adopted budget be divided 25% to association general budget and 75% to establishment of local missions.

BAPTIST CHILDREN'S HOME

The breakup of homes and the desertion of children has become all together too common in our society. The sense of responsibility, if indeed many of our people have been taught any, has fled, and hundreds of children are deserted by one or both parents with little or no remorse for what they have done. The number of applications to our Children's Home during the spring and summer, indicate a turn for the worse in family relationships.

The Children's Home has four case workers, each of whom has graduated from an accredited school of social work. It is their business to counsel with children and parents, and in every case where good family life can be maintained, to keep them together. Their success is shown by the fact that 94 applications were with-drawn and 55 children were returned to their families or near relatives. 75 children were admitted to the Home in Lakeland and Miami for a total of 183 in residential care and 64 assisted through Mother's aid program. 1,094 counseling sessions were held with children and 684 with relative.

It is the right of every child to have his own home. It is the responsibility of every parent to care for his child to the best of his ability. In fact, when children are admitted to the Home, parents are asked to pay toward support of their children if it is at all possible. When parents are un-

able to care for their children, it becomes the privilege of an institution such as ours to help. Many excellent men and women have spent some time or have been reared in our Children's Home. Those who are so unfortunate as to need help because of the breakup of their own home, should be given assistance if possible.

If the members of our churches would give 2 cents a week for child care, we could double the number we are now helping, and who knows but that some of those children might be ours.

We trust you will place the poster for the Thanksgiving offering in a prominent place in your church so that those who wish to help in the care of our children, may be prepared when the offering is taken.

#### CHRISTIAN EDUCATION REPORT

It has been well said that Christian Education means "Education with a plus." This means that the content and process are presented and interpreted in the light of the Christian Religion. Not only of the young, but is vitally concerned with their spiritual development. Huge sums of money invested in our institutions of higher learning can be justified only in light of the contribution they make to this development and in the service they render the Kingdom of God and Baptists.

Southern Baptists now operate 73 schools; 6 seminaries and a joint operation with National Baptists of another seminary, 37 senior colleges, 17 junior colleges, 7 academies, and 5 Bible schools. Only 3 of the colleges old enough to be accredited lack full recognition.

Qualified teachers for the schools continue to be a major problem. The sciences, English, and economics are areas critically short of Ph.D's while there is a great oversupply of teachers of religion.

Enrollment and Support — Enrollments of students have reached a record high for 1963-64 of 83,589 students compared to 80,987 in 1962-63.

Graduates from 73 schools from September, 1962, to August, 1963, totaled 11,083 compared to 10,922 the preceding year.

State conventions and the Southern Baptist Convention increased gifts to the schools from \$15,514,770 to \$16,863,416, according to the reports from the schools. Gifts from the conventions for operations amounted to \$11,027,128 and for capital projects \$5,836,288.

In addition, the schools received \$15,888,961 in other gifts, grants and donations. The total assets of Southern Baptist

educational institutions are now \$416,207,080 of which \$102,091,461 is for endowment.

#### AMERICAN BIBLE SOCIETY REPORT

"And how shall they believe in him of whom they have not heard?"

The American Bible Society is convinced that the Bible is the Book of our time and of all time. Its message is relevant now and in the unfolding space age. The Society has consistently carried on a dynamic program of translation, production, distribution and encouragement of use since the Society's appearance on the American scene in 1816.

In the light of today's need the Bible Societies have re-examined the challenges and have unfurled their banner with its theme, "God's Word for a New Age," and have proclaimed that their goals at home and overseas are:

A Bible in every Christian home. A New Testament in the hands of every Christian. A Gospel for everyone who can read.

Facing the Bible Societies are these facts: over 1,000 languages still have nothing of the Bible; each year world population increases by an additional 70 million. Yet the church increases annually by only 20 million souls.

In 1963 the Society developed the idea of "teams of consultants"—linguists, theologians, and anthropologists—to help more than 3,000 translators in 130 countries who are working on translations and revisions in more than 500 languages.

The Society's work is made possible solely by voluntary gift from churches and individuals. The single purpose of the American Bible Society is to help in the sowing and sharing of God's Word throughout the world.

Southern Baptist have long led in this vital world wide ministry. This has been possible because individual Baptist churches have placed the American Bible Society in their budgets. If the world is to "hear" then the responsibility is ours. May this challenge be accepted readily and prayerfully by each of our churches today.

Respectfully submitted,

Rev. David H. Lowe, Micanopy

ANNUAL REPORT — Field Secretary — Missions Dist. Six

Missions District is comprised of four associations; Black Creek, New River, Saint Johns River and Santa Fe River, covering approximately eight counties. We have 118 churches and 50 missions reported. To know the area population would startle you.

Days spent on the field 339. Miles traveled 26,193. Churches visited 159. Mission visits 29. Sermons and addresses 126.

Prayer meeting conducted 25. Assisted in ordinations 5. Revival meetings conducted 5. Soul winning visits 136. Other religious visits 183. Bibles and Scriptures given 6. Newsletters mailed 2,964. Personal conferences 434. Group and Committee conferences 84, for a total of 518 conferences.

Results: Additions by baptism 21, by letter 14, for a total of 35 additions. Decisions for special service 15. Rededications for Scriptural Stewardship living 56. Tither cards signed 44. Seven new missions started during past year.

Spent 11 days in hospital for major surgery and 10 days at home convalescing. Attended Florida Baptist State Convention, and Conference on Evangelism, also School of the Prophets at Panama City.

The State Mission Board requests that each association elect one member from its Mission Committee, (not more than two), to serve on the District Missions Committee. This would replace our present District Missions Committee of 20 members, thus making the meetings much more easily attended by this smaller number of members.

It is a high privilege to have the Santa Fe River Association back in this Missions District again, and I am sure that we all extend them a hearty welcome.

The past year closed with Santa Fe River Association reporting only two churches not supporting our Cooperative Program Mission Gifts; Black Creek reported four churches, New River reported four churches and Saint Johns River reported eight churches not giving.

Why not correct this mistake early, say, by January 1, 1965? It would be very easy. Each church could just send in an amount; any amount. Thank you.

With grateful appreciation for the wonderful cooperation of all the good people in this Missions District, and praying for a better year to follow, I am

Cordially yours,

Marvin V. Stedham, Field Sec.

**PETITIONARY LETTER**

August 31, 1964

Santa Fe River Baptist Association  
 Gainesville, Florida  
 Brethren:

The Westside Baptist Church of Gainesville, Florida wishes to make application for membership in this association. The church was sponsored as a mission of the First Baptist Church of Gainesville. Under the guidance of this church and upon approval of a council of pastors from churches of this association was constituted a church on January 26, 1964 with a charter membership of 278.

Our church is cooperative in spirit, missionary in purpose, and in agreement with the work of this association, the Florida Baptist Convention, and the Southern Baptist Convent-

ion. We are already supporting missions through the cooperative program.

The present membership is 315.

By order of Westside Baptist Church.

Date 16 September 1964

Signed:

Bernice M. Harrison, Church Clerk  
 Roy L. Lassiter, Jr., Moderator  
 A. Daniel Murray, Pastor

**GOODWILL CENTER COMMITTEE REPORT**

The committee set aside by the Executive Committee, Santa Fe River Baptist Association to explore the approximate cost of starting and maintaining a Goodwill and Child-care Center in Gainesville for Negroes met Wednesday morning, July 1964, in the Chapel of the First Baptist Church, Gainesville. (Meeting time 10:30-12:15).

The following are our educated estimates of the approximate cost for starting and maintaining the suggested Center.  
 I. Building and Capital:

1. The suggested site, both building and property, is available with out cost (except possibly the \$3,000 indebtedness of the Trustees).

The Home Mission Board can operate with only a lease and will not need a deed to the land.

2. To put the building in operational condition (including furnishings) will cost approximately \$30,000 to \$50,000 (this is our estimate after the City Inspector looked at the present building). There is a question of zoning but the committee feels this can be arranged without complications.

II. Operational:

1. Cost to operate per month:

a. One (1) Director, \$350.00 (includes house allowance).

b. Extra Help--we feel the income from the child-care would approximately take care of this.

c. Maintenance and General Operation--minimum would be \$150.00 Approximately \$200.00 to \$300.00.

III. Associational Committee:

It is our opinion that a Committee from the Association will be needed to work with the Director of the Center to correlate activities and communications between the Association and the Center.

1. The Home Mission Board will set up the Program and be the general director of the Center.

2. The Home Mission Board will participate in the Capital Outlay. (Possibly as much as 50%, but we must remember that \$14,000 has been their high outlay before.)

3. On operational Expenses the Home Mission Board will pay the monthly salary of the Director. We will be responsible for the remainder.

Chairman recommended we do the following:

1. A commitment of our willingness to attempt the project.

2. A committee be authorized (in cooperation with Executive Committee) to:

(1) Work with Home Mission Board and present Trustees of property involved to work out satisfactory arrangements.

(2) Make plans for raising the capital funds needed.

(3) Make recommendations as needed concerning development of the program at the center, committees needed, and suggestions to finance committee as to budget needs. Passed.

Committee Members: Rev. Darrel Murray, Chmn.,  
Rcv. C. E. Rentz, Rev. Joe W. Hough, Rev. R. B. Keyes, Rev. William T. Crosby
