REPORT ON MISSIONS.

The Mission work is peculiarly and essentially the leading work of the Baptists. It is the work that has given prominence to the Baptists in history, and the continued growth of the Baptist churches is conditioned upon our continued devotion to this interest.

The meritorious claims of the State, Home, and Foreign Mission Boards to our support should be prayerfully considered by the membership of all our churches, and a contribution from each member of all our churches should be made to these great interests of the denomination. We commend the local work of this Association, and recommend its hearty support by the churches.

DIGEST OF LETTERS.

Your committee finds that some of the letters are silent on the condition of the church, which we construe to be favorable. One letter makes a little exception, and we are unable to say to what extent the exception may go. We recommend that the church apply the words of the Savior in Matt., 5th chapter and 23rd and 24th verses. One letter states that they are out of harmony. We are persuaded that unless churches adhere closely to the law as given by Christ, and the apostles, their members cannot walk in love one with another. Some of the letters use the word delegates. We recommend that messengers be used instead.

Respectfully submitted,

F. R. Moodie,

J. B. Jones,

T. McClamma,

Committee.

Remarks were made by F. R. Moodie and J. C. Porter, and the report adopted.

G. C. Burgess read the

Your committee on our fraternal dead have to chronicle the demise of Deacon H. C. Strawn, of the First Church of Jacksonville.

BAPTIST ASSOCIATION.

While we mourn the loss of our co-laborer here, we rejoice that those who die in the Lord are blessed, and that they who use the office of a Deacon well, purchase to themselves a good degree, and great boldness in the faith. We find that during the year the following brethren and sisters have been called to their rewards: Sisters S. E. Robinson, Bertha LeBourveou' and Susan E. Fallett, of Jacksonville church; Bro. Lewis Moates and Sister Martha Fouraker, of Brandy Branch church; Sister Mary Higginbottom, of Live Oak church, and Sister Amanda Braddock, of Mt. Olive church. One of these, Sister S. E. Roberson was burned to death in the great fire of Jacksonville, May 3rd, 1901.

Respectfully submitted,

P. T. L. Queen read the

REPORT ON WOMAN'S WORK.

Year by year there is a marked growth in the missionary societies throughout the state. There are now about 140 women's missionary societies in our state, and 43 children's bands, and these contributed last year \$1,419.95.

It is desired that every church should have a missionary society. At present only one in four have them. We commend to the sisters of our churches these societies as affording a great opportunity for Christian service.

R. T. L. Queen.
For th Committee.

After a few remarks by J. C. Porter the report was adopted. Adjourned till 9 o'clock a. m. tomorrow.

THURSDAY'S SESSION.

The usual morning prayer meeting was held at 8:30 a. m., conducted by E. H. Rennolds, Sr. At 9 o'clock a. m. the Moderator read the 8th Psalm.

Prayer was offered by D. C. Andress.
L. W. Kickliter read the

REPORT ON MINISTERIAL EDUCATION.

We are glad to see that our Association is doing something in this noble work, and we would urge upon the brethren the importance of doing still more hereafter, as the demand of the churches calls for a higher education of the ministry.

We are glad to report that our Brother D. J. Blocker is succeeding finely at Jno. B. Stetson University, and that the money subscribed at our last session has ben collected and forwarded to him.

O. R. Sanders,
L. W. Kickliter,
J. B. Jones,
Committee.

Pending a motion to adopt, the report was discussed by L. W. Kickliter, E. H. Rennolds, Sr., and D. C. Andress, and the motion prevailed.

E. H. Rennolds, Sr., read the report on

MINISTER'S ASSURANCE ASSOCIATION.

While some good has been accomplished in caring for the widows and orphans of our deceased ministers, much more can and ought to be done. Those of our ministers who have borne the heat and burden of the day, and have laid deep and broad the foundations upon which we are building, not only deserve our gratitude, but our material assistance to their loved ones left often without means to educate the children or maybe without the bare necessities of life.

Many of our brethren could easily spare the pittance of a dollar upon the death of God's poor, wornout servants, and no more worthy objects of our gifts to Him, "who though he was rich, yet for our sakes became poor," can be found. Let us remember the Savior's words, "it is more blessed to give than to receive."

Respectfully submitted,

E. H. Rennolds, Sr.,
J. B. Jones,
Thos. McClamma,
Committee.

After a few remarks by the chairman of the committee, it was adopted.

R. T. L. Queen read the

REPORT ON SUNDAY SCHOOLS.

It is no longer a disputed ueqstion that the Sunday School cause is one of vital interest to the churches. It has grown in power and affection, and the influence of its presence is being felt in the diffusion of a better knowledge of th scriptures, and the great scheme of human hope and recovery. No church can long maintain its organized force without the helpful influence of the Sunday School. It is the antecedent of the grandest consequent of the ages. And that body of Christians that gives the closest attention to this work must largely control the future church. Your committee regrets that some of the churches of this Association report

no Sunday School. This should not be. We recommend that the entire membership of our churches form themselves into a Bible School for the study of the word.

Respectfully submitted,

T. Patton,
P. T. L. Queen,
C. A. Sauls,

Committee.

After remarks by P. T. L. Queen the report was adopted.
