PROCEEDINGS

of the
NINETY-SIXTH ANNUAL SESSION

of the
Florida Baptist Association

Held With the
Olive Baptist Church

Near
MONTICELLO, JEFFERSON COUNTY, FLORIDA

FIRST DAY—MORNING SESSION

Thursday, October 13th, 1938, 10:00 O'Clock A. M.

1. The Florida Baptist Association, in its ninety-sixth annual session, met with the Olive Baptist Church, in Jefferson County, near Monticello, Florida, at ten o'clock A. M. on Thursday, October 13th, 1938.
2. The meeting was called to order by the Moderator, Rev. D. P. Lee, and after singing a hymn, prayer was led by C. E. Lamb.
3. Devotions were conducted by Rev. Rufus Higginbotham, of Attapulgus, Ga., who read the fifty-first division of the Psalms.
4. A roll call of the churches was made by the Clerk, D. A. Avant, and it was announced that all churches in the Association were represented by Messengers or Letters, or both, except Corinth, Saint Marks, Salem and Sumatra. A motion by L. R. Christie prevailed that the Messengers present and those who should arrive later compose the Association.
5. The new pastor of the Concord Church, Rev. Rufus Higginbotham, was recognized by the Moderator. Rev. Van Hagen of Nashville, Tenn., was recognized as a visitor.
6. A suggested program, prepared by the program committee, was presented by L. R. Christie, and on motion was adopted as the program for this session.
7. Report of the Executive Committee was read by D. P. Lee and adopted.

Report of the Executive Committee

The Executive Committee met quarterly during the year at Havana, Florida, and in the main transacted the following business: (1) Adopted a program arrangement for this annual session; (2) Requested the Sunday School Association to sponsor an offering of food stuffs for the Children's Home; (3) Rejected the proposal for a paid worker in the Association because of insufficient funds; (4) Approved the Associational Treasurer's report which was overlooked at the Association; (5) Requested L. R. Christie and F. A. Rhodes to visit the Saint Marks Church as a matter of counsel and help in their work, and report on such need; (6) Requested L. R. Christie to investigate the status of the Chaires Church property, and G. T. Hunt to investigate the status of the Booger Bay Church property, and report to the Association.

8. L. R. Christie brought to the attention of the Association the matter of certain church property at Chaires, Florida, which has been abandoned, and discussed the advisability of incorporating the Association in order to properly handle same. A motion prevailed that the matter of incorporation be referred to the Executive Committee, with power to act.

9. A motion prevailed that any proceeds from the sale or disposition of the Chaires property by the Executive Committee be turned over to the Baptist Church at Capitola, Florida.

10. A committee on Finance and Digest of Letter was appointed by the Moderator, as follows: F. A. Rhodes, J. E. Robinson and C. E. Lamb.

11. The introductory sermon was preached by Rev. Waldo E. Wood of Tallahassee. His subject was "The Wonderful Gospel," and he used as a text, Romans 1:16—"For I am not ashamed of the Gospel of Christ; for it is the power of God unto salvation to everyone that believeth; to the Jew first, and also to the Greek."

12. The Moderator announced adjournment for dinner, to reconvene at 1:45 P. M.

FIRST DAY—AFTERNOON SESSION

13. The Association re-convened at 1:45 P. M. on Thursday, October 13th, the Moderator in the chair and Mrs. J. L. Burnett conducting the devotional.

14. Visitors from "Lake View," a Mission of the First Church, Tallahassee, were recognized.

15. Rev. W. B. Richards stated that he believed Pine Grove Church would later make application for membership in our As-

sociation. This matter, on motion, was referred to the Executive Committee with power to act.

16. Report on Church Auxiliaries was read by Waldo E. Wood, spoken to by Mrs. H. J. Davis, Jr., and Mrs. C. E. Lamb and adopted.

REPORT ON CHURCH AUXILIARIES

Waldo E. Wood

To the Florida Baptist Association, October 13, 1938

I. THE WOMAN'S MISSIONARY UNION

Of the approximately 2,900 adults in our Association, presuming that 85% of these are women, there are about 1,900 women, besides girls and boys, for whom the W. M. U. of our Association assumes responsibility for training and enlisting in Missions. Only about 40% of these are actually enrolled in the work. Fully 2,300 young people depend upon the women for such training. Yet only 541, or 23%, are enrolled in Auxiliaries, including non-church members. 14,000 people in our Association should be studying Missions under the W. M. U. Only 9% of these are so studying. With only one Men's Brotherhood in the Association, the W. M. U. is the only organization doing this work in any planned way.

Twenty-one churches reported no W. M. S. last year, 26 no Auxiliaries. Only seven are giving training in Missions to some of their youth, while only four are training every age group. Thus 29 Churches fall almost completely in providing Missionary instruction to their young people. What a shadow over our Association! Thus is a full program of Missionary Education and enlistment sorely needed throughout our Association.

The women report much work done, in spite of the above record. Celebrating this year the W. M. U. Golden Jubilee, their motto was Ps. 96:8. The annual Associational meeting was held in River Junction, September 28, with 130 present, the next meeting to be held at Carabelle.

In the State, out of some 42,000 women church members, probably less than 12,000 belong to a W. M. S. Of some 80,000 Church members under 25, only about 10,000 belong to W. M. U. Auxiliaries. Thus the situation is alarming for Missionary training.

II. BAPTIST BROTHERHOOD

Practically 1,000 men and 600 boys, church members, in our Association are without any form of Missionary training except incidentally. Thirty-two Churches have no Brotherhood. The Immanuel Baptist Church in Tallahassee has the only one in the Association. Thus the biggest business for any man is left without business men to do it.

Hugh Latimer, the State Brotherhood Secretary, is ready for promoting this work in any church in the State. Organized for the purpose of promoting the work of the whole Demonstration among the men, the Men's Brotherhood has proven the most effective means of enlisting the men within our churches. The new Southwide Secretary, Lawson H. Cook, with headquarters at Memphis, Tenn., says the Brotherhood work looks forward with great prospects.

III. SUNDAY SCHOOLS

Out of approximately 46,000 white people in the bounds of the Florida Association, more than 35,000 are not enrolled in any Sunday School. Fully 50% of these are Baptist prospects, with their ages as follows: Under 4 years of age, 1,000; age 4-5, 1,100; age 6-8, 1,800; age 9-12, 1,800; age 13-16, 1,700; age 17-24, 3,100; age 25-up, 9,000. This is nearly twice as many adult prospects for Sunday School as we have total church members. To win half these prospects above nine years of age would multiply our church membership three and one half times.

Less than 500 people are working to enlist this great multitude of prospects through the Sunday School, or 10% of our church members. With the meager visiting done by the average Sunday School worker, perhaps less than 500 visits are made a week in our Association. And yet with only 300 visits a week every one of these unenlisted people could be seen and invited to Sunday School in two years time.

It took 27 members of the church last year to win one of the 217 people for baptism. This is five below the southwide average. 148 of these came through the Sunday School. In other words, people not in Sunday School won only 69, which is one baptism to 55 church members not attending Sunday School. Approximately 1,800 church members in the Association are not in Sunday School! For church members attending Sunday School the average is only 13 to win one to baptism. Thus a church member who attends Sunday School wins almost four times more people to Christ.

In contributions to the churches, the Sunday School gave last year \$4,018.41 more than the total cost of literature for S. S., B. T. U., and W. M. S., and gave nearly one-seventh of all church receipts. This is about \$3.00 per capita for Church members in S. S., besides their gifts to the church otherwise. Counting they gave equally to the church, a church member gives 6 times more when he attends S. S. Thus is a definite relation established between Sunday School work and soul winning, between Bible teaching and giving. The soul winner and the giver are in the S. S.

In Florida there are over 1,000,000 people not in any Sunday School, with only about 350,000 enrolled. With only 50% attendance per Sunday, actual Bible study is scarce. With the poor grade of Bible teaching done in the average class, it is no wonder our State so greatly needs Christ!

Over the South the average increase in enrollment for Sunday School has dropped 47,000 for the past five years under the average for the past 16 years. And yet we have increased 356 a year in the number of Sunday Schools! This is not surprising when we find that 2,373,000 church members do not even attend Sunday School. God help Southern Baptists to wake up and put the sleeping giant to work!

Two Associational Sunday School organizations seek to promote the work within our borders, the Gadsden County Associational Sunday School and the Florida Associational Association, the Superintendents being approved by the Annual Association, as indicated in the Associational Minutes. This great work ought to have the regular and loyal support of all the Sunday School workers and pastors in the Association.

IV. BAPTIST TRAINING UNION

Only eleven churches reported a B. T. U. with a director last year.

28 reported no B. A. U., 15 no Senior Union, 22 no Intermediate Union, and 22 no Junior Union. Only three reported Story Hours. Thirteen Churches no Training Union work of any kind. The average church membership in churches with Unions is 237, while the average B. T. U. enrollment is only 48, including non-church members. Thus nearly 200 church members in each church, even those that have Unions, get no Church Membership Training. Nearly 5,000 in the Association!

The churches having Training Unions reported within \$300.00 of the total Mission gifts, or \$2.80 per capita, while the per capita gift of churches without Training Unions was only 14c. In churches having Training Unions there was one baptism to every 22 members, while otherwise only one to 59 members. Thus again, we see the relationship between Training Union work and giving, as well as soul winning.

This same kind of situation is found over the South.

In the Association, as in the case of Sunday Schools, two Associational Training Union Federations seek to promote the work.

In the study of Church Auxiliaries, it is clear that every phase of such organizations should be actively promoted in every church in the Association.

17. Report on Benevolences was read by R. B. Mayfield, spoken to by T. M. Johns of the Baptist Children's Home, Arcadia, and Dr. John B. Franklin of the John D. Archibald Hospital, Thomasville, Georgia, and adopted.

Report on Benevolences

Children's Home

The children admitted to our Home are taught to work, to accept responsibility, and to do their part toward their own support. Eleven vocations are taught on the campus, and to these are added Agriculture, Typing, Shorthand, Bookkeeping, Domestic Science and other subjects in the local High School. The farm, grove and dairy pay dividends. All repairs to the buildings, except those requiring skilled labor, are done by the boys, while the girls do cooking, sewing, laundry and house work.

The religious and educational training of the children is not overlooked. They attend the local public schools, which give them outside contacts. The Scripture is read daily in the dining room, and every Friday night Chapel is held. They attend preaching, Sunday School and B. T. U. services at the First Baptist Church, and more than 90% of the children over nine years of age are members of the church.

Those who have gone out from the Home have proved successful as Teachers, Nurses, Printers, Secretaries, Beauticians, etc., but we are thinking of the hundred or more who have applied for help, deserving cases, whom we cannot help, because of insufficient funds. Only 19% of our Bible Schools make an offering each month, and only 32% of the others send an offering once a year. Thus it is seen that 49% of our schools send nothing. Let us lend our support to this worthy cause, remembering the Master said: "Whosoever shall receive one of such children in my name receiveth me."

Ministerial Relief and Annuity

The Relief and Annuity Board has just completed its twentieth

year of service. The benefits paid in this time amount to \$3,325,150.42. The Board continues to ask the churches to take a Fellowship Offering in connection with the observance of the Lord's Supper, and send it for Ministerial Relief.

The new plan is for the Minister to pay 3% of his salary, his church to pay 3% and the State Mission Board to pay 3%. These contributions combined will produce worthy retirement annuities for the ministers who participate. Our pastors and churches ought to give this plan earnest consideration.

Southern Baptist Hospital

During the year our hospital, located at New Orleans, cared for 11,755 patients, giving them 65,809 days of service. We gave 481 persons free service at a cost of \$52,564.00.

Our only desire is to serve, knowing neither creed nor class, untouched by social bickerings or religious strife, uninfluenced by political pull or financial power. This hospital stands as a symbol of sympathy and mercy. Its philosophy is to give, its ambition to serve. The only motive is to heal the sick as a Christian ministry, in the name of our great Physician, the healer of humanity.

During the year we paid all operating expenses, all maturing bonds, called and cancelled \$30,000.00 bonds of 1942 maturity; built, equipped and paid for a new dormitory for nurses which cost more than \$42,000.00; bought a \$21,000.00 X-Ray machine; and closed the year with a substantial balance in the bank.

18. The Clerk was instructed to send a telegram of sympathy to Brother Alphose Pichard, ill at this time in a Thomasville hospital.

19. A motion prevailed to adjourn until 9:30 A. M. next day, and prayer was led by T. M. Johns.

SECOND DAY—MORNING SESSION

20. The Association re-convened at 9:30 o'clock A. M. Friday, October 14th, the Moderator presiding and L. E. Goodgame leading the devotions.

21. Report on Social Service was read by W. M. Vines and adopted.

Report on Social Service

It may be stated that this report is in harmony with the custom of the Southern Baptist Convention, our State Conventions and Associations for many years to make deliverances on this subject.

The report on Social Service is based on the assumption that Christianity embraces the idea of the salvation of the soul and the salvation of society. Jesus came to bring the Kingdom of God upon the earth and to destroy the works of the devil.

Only very brief reference can be made concerning some of the

problems comprehended in the scope of our report.

DICTATORSHIPS. The major problem in our report at this time is the conflict between democracy and dictatorship. Our denomination is vitally and tremendously concerned in this conflict. Baptists have always stood for a "free church in a free state." For this principle they have fought and bled and died. The agreement of four of the great powers of Europe at Munich was the sacrifice of Czechoslovakia, a democratic government. It was the surrender of honor upon the part of England and France as they were honor bound to protect this strategic government. It was the triumph of dictatorship over democracy. For the first time in many years democracy takes second place and dictatorial governments are dominant in Europe. This situation presents an alarming menace in civilization and a challenge to the Baptists throughout the world.

LIQUOR. The money spent on liquor in the U. S. jumped from \$350,000,000 in 1933 to \$5,000,000,000 in 1936. Today in America there are 1,350,000 young women engaged in dispensing liquor as bar-maids, waitresses and hostesses, three times as many as are attending our colleges. Liquor interests are spending \$25,000,000 in an advertising campaign to make drunkards of our boys and girls.

NARCOTICS. More than \$1,500,000 illicit narcotics are sold daily by organized gangs in the United States. A dope ring was broken up in Chicago and its books showed 22,000 customers involving yearly payments of \$3,000,000.

MOTION PICTURES. The themes of the motion picture screen, while many things are worthy of commendation and are of great educational value, prominence is given to vice, prostitution, murder, adultery, seduction, lust, divorce and every conceivable form of criminality. Drinking is exploited and virtue and sacred things and holy principles are ridiculed. The predominating appeal is frequently sensual. Something suggestive, salacious or obscene appears often. The committee on Child Welfare of the League of Nations analyzed 250 American films and found in them 97 murders, 51 cases of adultery, 19 seductions, and 45 suicides. Of the characters in these films there were 176 thieves, 25 prostitutes and 25 drunkards.

GAMBLING. The outlawing of slot machines in Florida was a great triumph for righteousness. To the ministers and churches is due the largest credit for this victory. However, the gambling craze is perennial. The habit of gambling and the subtle and dangerous efforts to legalize this evil in the state and the nation must be guarded and fought with eternal vigilance.

REALISM IN LITERATURE. Modern works of fiction and stories in our current magazines reek with sex appeal. A large part of modern fiction creates an atmosphere and an imagination immoral and destructive to virtue and righteousness.

CRIME. In the past thirty years crime has increased in the United States 500%. Over 4,300,000 criminals are actively operating in this country. The annual cost of crime in the United States is \$16,000,000,000. We have a great unnumbered army of highwaymen, burglars, dangerous narcotic addicts, habitues of the underworld. It is estimated that 700,000 young people in the United States are living criminal lives. There are more murderers roaming at large in the U. S. than there are preachers of the gospel, and more unpunished murderers than police-

men. The U. S. murder rate is the highest of any civilized country in the world.

DESECRATION OF THE LORD'S DAY. The Christian Sabbath is more and more being destroyed by commercialized amusements such as Sunday movies and Sunday baseball and football.

DIVORCE. The number of divorces to marriages was in 1870, one in twenty-three; in 1900, one in twelve; in 1928, one in 6; in 1935, one in 5.

This alarming marshalling of facts and statistics present a situation which should arouse our interest and create a sentiment for deep and genuine revival of religion in every sphere of human conduct. The following recommendations are offered:

1. That we as Christians abstain from fleshly lusts.
2. That as Christian citizens we manifest more zeal in law enforcement.
3. That our preachers preach more sermons designed to counteract immoral conditions.
4. That our churches practice more church discipline.
5. That we create through our churches a vigorous protest against immoral conditions prevailing in our communities and in our country.

21. Report on Christian Education was read by S. R. Doyle, spoken to very ably by Dr. Edward Conradi of Tallahassee, and adopted.

Report on Christian Education

In thinking of Christian Education let us first lay down the thesis that education should be an intellectual, social and spiritual experience. Christian Education formed the patterns for the national life of America. To keep step with the early traditional leadership of America, one must think in harmony with the ideals of Christian Education. The concept of our national economy was Christian, and undoubtedly was born in the minds of those educated in our early Christian Colleges. When the founders of our nation's government sat around the council table to draft the Declaration of Independence they searched for the fundamentals in human liberty as their governmental ideals. When it seemed that these framers of American liberty could not agree on the ideals and principles of government, and that their cause was hopeless, one of their number arose and with all humility stated that if this Government was to be a government of a free people it must be founded under the direction of Almighty God. After thorough study with divine insight and heaven-born intuition they wrote a new philosophy of government and a new declaration of the rights of men. With this background before us let us consider some of the institutions contributing to Christian Education in our Southland.

JOHN B. STETSON UNIVERSITY, at DeLand, our own denominational Christian College, is doing a magnificent work in training young men and women in this three-fold education—the intellectual, the social and the spiritual. As a result of this superior type of education, the enrollment has increased in the last four years from 376 to 523, 40 of which are ministerial students. Many of our fine leading ministers, lawyers, and business men proudly class themselves among Stetson's alumni. Stetson holds full membership in the Southern Association of

Schools and Colleges which gives it A-1 rating throughout the nation.

THE SOUTHERN BAPTIST THEOLOGICAL SEMINARY, in Louisville, is the oldest of our seminaries, and under the powerful leadership of Dr. John R. Sampey is doing a wonderful work in the training of young men as preachers, missionaries and Christian lawmen, and aids in a great way the training of the young women at the W. M. U. Training School. Four hundred and eight ministerial students seeking thorough theological training have matriculated for this season. The debt on the Seminary is now only \$459,000.00 with an interest rate of 4%. Since the organization of the Hundred Thousand Club this debt is being reduced by substantial sums each year.

SOUTHWESTERN BAPTIST THEOLOGICAL SEMINARY, at Fort Worth, organized thirty-one years ago, has grown to an institution with an enrollment of more than 500, of which the great majority are ministerial students, and with a plant and endowment valued at more than \$2,500,000.00. Under the sound leadership of Dr. L. R. Scarborough the Seminary is doing a magnificent work in our great program of Christian Education.

THE BAPTIST BIBLE INSTITUTE, the youngest of our seminaries, was founded in 1917 and is beautifully located in the heart of cosmopolitan New Orleans, the gateway to the world. This great city, with its large population of French, Italian, Spanish and Negroes, presents a real challenge to Christian Education, and under the leadership of Dr. B. H. DeMont and Dr. W. W. Hamilton, our Institute has accepted this challenge. Enrolled in this Institution are 215 men and women who have dedicated their lives to God and to the service of humanity and are doing real missionary work among these foreign people in our Southland.

THE WOMAN'S MISSIONARY UNION TRAINING SCHOOL, in Louisville, dedicated to the training of young women for religious work along all lines, was organized some thirty-one years ago. More than 2,000 students have studied in the classes of the Training School, of which approximately 1,000 completed the two-year course. These trained women have entered every door of denominational service open to them in the homeland, and have gone into eighteen foreign countries. The present enrollment is 121. What a power for good has emanated during these years from "House Beautiful," which every student looks upon as a most sacred higher institution for training. We should be thankful that God has called a number of our finest Florida girls to be trained in this splendid Institution.

THE BAPTIST STUDENT UNION organizations on the campuses of practically all of our Southern Colleges and Universities is a comparatively new movement for the religious training and spiritual development of our boys and girls while in College. Stetson University has on its campus a very strong B. S. U. organization. Likewise, two of the outstanding B. S. U. organizations are found on the campus of the State University, at Gainesville, under the direction of Mr. J. Roy Robinson, and at Florida State College for Women, at Tallahassee, under the leadership of Miss Billie Ruth Currin. Once every four years, in each student generation, Baptist students of the South come together for a colossal program of spiritual values and of world-wide proportions at the hands of America's greatest Christian leaders of today. Such a meeting will be held this year, October 27-30, at Memphis Tennessee.

THE BAPTIST WITNESS is the official organ of the Florida Baptist Convention and should have the hearty support of the brethren throughout the State. A recent study made by Dr. F. M. McConnell shows that the Baptist Witness ranks fourth among the denominational papers of the South in circulation in proportion to the number of Baptists of the State, one member out of every twenty being a subscriber. There is a movement on this fall to increase the subscription list to 10,000. Every Baptist church should consider the possibility of placing our Baptist paper in the church budget.

THE BAPTIST BOOK STORE, in Jacksonville, is a veritable storehouse of information which should be freely used by all Baptists within our borders. In addition to Bibles, teachers' helps, and books on religious themes, any book in print may be secured from the Book Store. When we buy a book of any kind we should consider the Baptist Book Store since every cent of profit from the sale goes to the Sunday School Board for Missions.

THE SUNDAY SCHOOL BOARD, in Nashville, is the very fountain source of religious literature. In addition to our denominational publications, many of the best and finest religious books may be had. The Board also puts out the literature for the Baptist Sunday Schools and Baptist Training Unions of the South.

In closing this report may I request and urge every Christian man and woman to support with their prayers and money these great institutions which are training our young people of today to be the Christian leaders in the nations of tomorrow.

22. Motion prevailed requesting Dr. Conradi to reduce his address to writing and send it to the "Witness" for publication.

23. The Moderator announced adjournment for the noon hour to re-convene at 1:45 P. M. Prayer led by R. B. Mayfield.

SECOND DAY—AFTERNOON SESSION

24. The Association re-convened at 1:45 P. M. on Friday, October 14th, with the Moderator in the chair and Mrs. J. J. Shuman conducting the devotional.

25. The Moderator announced that the time had arrived for the election of officers. The committee previously appointed nominated the following as members of the Executive Committee, and they were unanimously elected: R. B. Mayfield, A. Pichard, S. R. Doyle, W. H. Rugely, L. R. Christie, P. W. Shaffer, W. M. Vines, D. A. Avant, O. N. Revell, C. E. Lamb, F. A. Rhodes, G. T. Hunt, C. T. Timmons, W. G. Durrance, O. S. Bowen, P. S. Maige, and L. E. Goodgame, with Moderator and Vice-Moderator as ex-officio members.

26. Upon nomination from the floor the following officers were unanimously elected: Moderator, D. P. Lee; Vice-Moderator,

Waldo E. Wood; Clerk, D. A. Avant; Treasurer, F. A. Rhodes.

27. Report on Missions was read by C. E. Lamb, ably spoken to by Dr. C. M. Brittain and adopted.

Report on Missions

I. FOREIGN MISSIONS

Our Foreign Mission Board is located at Richmond, Virginia. Dr. Chas. E. Maddy is the Executive Secretary. In its annual report to the Southern Baptist Convention it was stated that there are now 413 Missionaries working on 13 foreign fields. "There is war and rumors of war in many parts of the world. Truly the nations are in commotion, and we know not what a day may bring forth." In spite of these alarming conditions many glorious victories have been won for the Master. The churches on these foreign fields report a total of 18,969 additions to the churches last year. More than 14,000 of these were by baptism.

The income of the Foreign Mission Board for last year showed a gain of \$37,421.77 over the preceding year. The Board's debt is steadily being reduced. In 1933 this debt was well over a million dollars. This has been reduced to \$316,000.00. Let us pray and work and give until this load is entirely lifted.

II. HOME MISSIONS

The Home Mission Board is located in Atlanta, Ga. Dr. J. B. Lawrence is the Executive Secretary. Dr. Lawrence has said, "The Home Mission Board has tasted the joy of going on during the past year." The Lord has richly blessed our efforts on every field. We now have 332 Missionaries working in 886 fields and stations carrying the Gospel to those who because of race, color, language or location are cut off from the ordinary means of hearing the message. These groups include Indians, Negroes, Italians, French, Jews, Mexicans, Chinese and others that must be ministered to by special workers.

The Board reports that slowly but surely the debt is being paid. The figures for the last year indicate that the debt has been reduced in the year about 10%.

III. STATE MISSIONS

Our State Mission Board has headquarters in Jacksonville, Fla. Dr. C. M. Brittain is the Executive Secretary. Some one has well said that "The heart of all missions is state missions." Every mission cause looks to our State Mission organization to present its appeal to the churches and people; to receive and distribute the funds; and in general to promote and maintain interest in missions.

Encouraging reports come to us from our workers in this field, showing progress in every department of our work. We have now three full time Evangelists on the field and a large number of Missionary pastors.

Because of the large number of tourists coming into our state each year we can do a far reaching work by maintaining a vigorous State Mission program.

IV. ASSOCIATIONAL MISSIONS

Our association does not maintain a paid associational worker. We should not conclude that there is no opportunity for us to do any associational mission work. We can by earnestly supporting our

various associational organizations strengthen and encourage them and give them a much wider and stronger influence.

V. THE BAPTIST HUNDRED THOUSAND CLUB

The Baptist Hundred Thousand Club was launched by the Southern Baptist Convention at its meeting in Washington, D. C. in 1932. At that time many of our boards and agencies were loaded down with almost unbearable debts. The plan is to secure 100,000 Baptists who will agree to give \$1.00 each month over and above all other contributions to go to pay the principal of these debts.

The goal of this movement has never been reached and yet it has accomplished wonderful things. The movement has made our people debt-conscious, and at the same time pointed out our ability to pay these debts. The movement has also stimulated giving through the regular channels of support for our various Mission and Benevolent causes. Through this movement up to May of this year \$843,051.17 had been paid on the principle of these various debts. Where a few years there was debt, doubt and despair there is now hope, courage, and a looking forward to the time when all of these debts shall be completely liquidated.

VI. THE CO-OPERATIVE PROGRAM

Our Co-operative Program is an agency that undergirds all of our work. I like the name Co-operative Program; it suggests strength, power and stability.

This year Florida Baptists are striving to raise a total of \$115,000.00 through our Co-operative Program. This is a nominal increase over last year. At this time we are a little behind on our schedule for the year, but if every church will put forth a concerted effort the remainder of the year we can catch up and come to the end of the year victorious.

28. A motion prevailed that the Executive Committee make a survey showing the need of Evangelism in our Association and report their findings to the State Convention.

29. A motion prevailed that we confirm the election of the Presidents of the two Sunday School Associations and the two B. T. U. Federations in our Association, as follows: The Gadsden County Sunday School Association, G. T. Hunt, President; The Florida Sunday School Association, W. H. Cates, President; The Gadsden County B. T. U. Federation, A. J. Phillips, President; The Florida B. T. U. Federation, J. W. Smith, President.

30. Upon being nominated from the floor, W. G. Durrance was elected President and P. S. Maige, Secretary of the Fifth Sunday meetings.

31. Report of Fifth Sunday meetings was read by P. S. Maige and adopted, as follows:

We met four times during the year with the following churches: Crawfordville, Ebenezer L, Ebenezer J, and Mt. Zion.

We received contributions from the churches.....	\$33.94	
Offerings received at the meetings.....	29.12	\$63.06

Disbursements

Contributed to Crawfordville Church.....	\$11.81	
Contributed to two needy widows.....	8.40	
Sent to the Co-operative Program.....	14.85	
Local expenses.....	38.00	\$63.06

32. Motion by W. E. Wood prevailed giving the Clerk authority to discontinue printing in the Minutes the Rules of Decorum and Articles of Faith, to edit all material, if necessary, that goes in the minutes, and that we henceforth abide by Roberts Rules of Parliamentary Law.

33. A verbal report of the Finance Committee was made by F. A. Rhodes in which he stated there had been sent up in cash and pledges approximately \$160.00 for printing of minutes and Clerk's fee; that this amount would be enough for this year's needs, but would not liquidate the deficit of last year.

34. Report of Committee on Time, Place and Preacher was read by Mrs. C. E. Lamb, and adopted, as follows:

TIME: October 12th and 13th, 1939.
PLACE: Flat Creek Church, in Gadsden County.
PREACHER: W. M. Vines.
ALTERNATE: R. B. Mayfield.

35. Report of committee on Resolutions was read by R. B. Mayfield and adopted.

Report on Resolutions

Resolved, that we as a body take advantage of this opportunity to express our sincere appreciation for the true southern hospitality manifested by the Olive Baptist Church toward us during this annual meeting of the Association.

We wish also to thank Dr. L. R. Christie for the new type of unified program, and we suggest a similar program for next year. We are indebted to Dr. Christie also for the printed programs, and for the large chart used by the Committee on Digest of Letters. We appreciate the effort put forward by every individual who had a part in making this program a success. Especially do we thank our outside speakers, Dr. John B. Franklin, Dr. Edward Conrad, Dr. C. M. Brittain, and Bro. T. M. Johns.

36. The Moderator recognized Rev. Lloyd W. Teague, Chaplain Co. 4430 C.C.C., Tallahassee, as a visitor.

37. After singing "Praise God From Whom All Blessings

Flow," and prayer led by Dr. C. M. Brittain, the Moderator announced adjournment until 10:00 o'clock A. M. Thursday, October 12th, 1939, at Flat Creek Baptist Church, near Greensboro, in Gadsden County, Florida.

D. P. LEE, Moderator

D. A. AVANT, Clerk.
