## ARTICLES OF FAITH

**Article I.** We believe in one only true and living God, and that there are three in the Godhead, the Father, the Son and the Holy Ghost.

**Article II.** We believe the Scriptures of the Old and New Testaments are the Word of God, and the only rule of faith and practice.

**Article III.** We believe in the doctrine of original sin.

**Article IV.** We believe in man's impotency to recover himself from the fallen state in which he is by nature, by his own free will and ability.

**Article V.** We believe that we are justified in the sight of God only by the imputed righteousness of Christ; that we rely solely upon the Holy Spirit for guidance.

**Article VI.** We believe that the saints shall persevere in grace and shall never finally fall away.

**Article VIII.** We believe in a general resurrection of the dead, and a general, final judgment.

**Article IX.** We believe that the punishment of the wicked shall be everlasting and the joys of the righteousness will be eternal.

## REPORT OF THE EXECUTIVE COMMITTEE

The 1949-50 executive committee has held regular monthly meetings. A quorum has been present at each appointed time.

The committee has transacted such business as they felt was for the advancement of our Saviour's Kingdom. The committee has sponsored two associational wide events during the year. 1. One-day mission rallies. 2. Simultaneous revivals. The committee that did the ground work for these events was composed of members of the executive committee. All the committee gave their full co-operation and prayers to make these a success.

There have been reports given by the heads of the different departments from time to time, stating the progress of their work.

Plans have been made and a committee has been appointed to co-operate in the great simultaneous revivals East of the Mississippi River March 25-April 8, 1951.

Respectfully submitted

#### REPORT ON SIMULTANEOUS REVIVALS FOR 1949-1950

Dr. C. Y. Dossey directed the Simultaneous Revival effort in Florida Association, March 19 to April 2, 1950, with 27 churches participating. The final report of Rev. James T. Barber, General Chairman of Evangelism, showed 379 additions by baptism, 163 by letter, and 8 by statement, or a total of 550 additions to the churches. 14 surrendered for special service, Sunday Schools enrolled 207 new members, and Training Unions showed a gain of 86. We are grateful for the cooperation of the churches and the blessings of God.

All Baptists east of the Mississippi River are asked to join hearts and hands for a great simultaneous evangelistic crusade, March 25 to April 8, 1951. The success of this effort depends on the leadership of each pastor and the work of each church, under the guidance of the Holy Spirit. Therefore, your Committee on Evangelism makes the following recommendations:

THAT, every church in Florida Association plan now for a revival March 25-April 8, 1951, if at all possible.

THAT, every church send her pastor to the State Evangelistic Conference in Jacksonville, January 9-11, 1951.

THAT, the leaders of our organizations (Sunday School, Training Union, Woman's Missionary Society, Brotherhood), both in the Association and the local churches, so plan their work as to help in preparing for the special days of revival.

THAT, each pastor and church study the suggested plans and dates of meetings, leading up to the revival season, and seek to co-operate as far as possible.

Respectfully submitted,

W. A. ROBINSON, Chairman

12. The Promotional Committee's report was read by H. F. Jarvis and was adopted.

Clerk's note: The Calendar of Activities is printed under Directory of the Association.

13. Special music was rendered by Mrs. W. A. Robinson, singing a solo, "Why Should He Love Me So", accompanied by Mrs. J. E. Robinson at the organ.

14. I. T. Temple preached the Annual sermon, using as a theme, "The Heart of our Program". His scripture was Matthew 17:8. After R. C. Rittenhouse led the congregation in singing, the morning session adjourned with prayer by Mr. Alphonse Pichard.

#### AFTERNOON SESSION, OCTOBER 12, 1:45 P. M.

15. After singing, "Blessed Assurance" led by W. A. Robinson, Rev. Wilton E. Sloan based his devotional on Psalms 33. He led in prayer.

Dear Sir,

The University Heights Baptist Church of Tallahassee, Florida, requests recognition as a member of the Florida Baptist Association.

The church was organized at the request of the First Baptist Church and the group now constituting the University Heights Baptist Church on May 7, 1950.

Sincerely,

W. FRED SLIGER

The pastor and messengers of the newly organized church, University Heights, Tallahassee, was welcomed into the Association.

17. Report of Memorials was read by H. F. Jarvis and adopted. Homer Duggar led in prayer.

#### MEMORIALS

The following members of our many churches during the past year have gone from this earthly life to the far better heavenly life, to inherit the reward set aside by the master and to live in His mansions prepared for them.

Let us stand in deep respect to those who have joined that "Great Cloud of Witnesses", who have preceded us to the Heavenly Father. And stand in loving sympathy to those loved ones who remain among us, as we read the names of those God has gathered from among us.

H. F. JARVIS

18. The report on Associational Missions was read by W. A. Robinson and adopted.

#### REPORT ON ASSOCIATIONAL MISSIONS

Dr. W. O. Carver says that "Missions is the proclamation of the Good News of the kingdom where it is *news*." By that description, many hearts and homes and communities near to us become mission fields. In light of this truth, every advance reported by our churches can be counted Associational Missions, and each item in our Associational budget shares in the promotion of missions. However, let us note a few specific items:

University Heights, formerly a mission of First Church, Tallahassee, was organized on May 7th into a church, with 65 members, and has been duly admitted to this Association. Fred Sliger is pastor.

Joe F. Alewine is pastor of the Thomasville Road Branch of Tallahassee First Church. Their Sunday School enrolment is 155, and Training Union 72. Last year there were 28 additions to the membership of this mission.

Santa Clara, a growing mission work of First Church, Quincy, is being served by Jack Luttrell as pastor. With about 75 church members, their Sunday School enrolment is 102, Training Union 98. Twenty-eight have been added to the church by baptism and nine by letter.

Increased facilities for telling the Good News have come to many of our churches, in recent building programs. The First Church, Monticello, erected a Sunday School building, two stories, built of brick, which will take care of their needs, at an approximate cost of \$10,500 equipped. Tallahassee First has entered a modern educational unit, which cost approximately \$250,000. Gretna Church has added six rooms to their building, and Havana has completed the \$125,000 building in which this Association is meeting. Southside in Tallahassee is erecting a complete new building, costing \$15,000. Hosford Church has remodeled their building and added rooms. Flat Creek Church has an addition of six rooms, and Lake Ellen has been engaged in building. Ground was broken recently for educational

additions at Quincy First Church and Bristol Church. We deem these efforts as advancements in Associational Missions.

Respectfully submitted

W. A. ROBINSON, Chairman

19. Mr. D. S. Parkman gave the Gadsden County Sunday School Association report and was adopted.

#### GADSDEN COUNTY SUNDAY SCHOOL REPORT

I beg to submit the following report of the Gadsden County Sunday School Association for the year 1949-1950.

At the beginning of the 1949-1950 Sunday School year the Gadsden County Sunday School Association recognized the fact that one of the most important factors in forwarding the Sunday School Board's program of work was to get the Sunday Schools acquainted with just what we were striving to do. The teams visited in most of the churches but our officers realized that contact must be kept throughout the year. So a calendar was drawn up whereby our monthly meetings would be held in alphabetical order, thus giving us an opportunity to visit in every church and become familiar with their own peculiar situation and they in turn become familiar with our program of work. By so doing we have this year held meetings in twelve of the sixteen churches, some of which had never had a Sunday School Associational meeting before. We will continue with this calendar until every church has had an associational meeting. In this way the smaller churches have been helped by the Association and they in turn have been an inspiration to the association.

We had nine workers who attended the Vacation Bible School Clinic held in Ocala in February. These workers came back and a few weeks later conducted a similar clinic with Greensboro as the most gracious host church. We had ten churches represented at this clinic, with representatives of three churches from the east section of the Florida Association.

In 1949 with a paid Vacation Bible School worker sent to us by the State Sunday School Board and Home Mission Board we had twelve Vacation Bible Schools in our association. This year 1950, with no outside help we had eleven Vacation Bible Schools. These schools were conducted by the pastors and local workers, and all reported that interest was keener than ever before. In many of the churches there were professions of faith and rededications although we do not have the exact number.

In our associational planning meeting held in Quincy in October we set as our goal for training awards, 500. We more than reached this goal as we received 556 awards. Credit for this goes to Brother Charlie Darsey our associational Superintendent of Training, also to the local pastors, superintendents, teachers, and officers for their untiring efforts and loyalty to the cause of Christ.

About 75% of the churches had the week of Bible study in January 8, 1950 of the churches cooperated in the simultaneous revival meetings in March.

Gretna has built a new very modern educational plant, Chatta-hoochee has completely renovated their educational building, Quincy has started on their new plant, and Bristol has broken ground for a new church building including auditorium and educational plant.

We feel most grateful to the Lord for so blessing us in our efforts and with His help we plan this year to go forward ever keeping in mind that all goals set and attained, all vacation Bible schools, study courses, etc., are but means to an end, that is to win souls for Christ and lives for His service.

Respectfully submitted,

D. S. PARKMAN, Superintendent  
Gadsden County S. S. Association

20. W. Fred Sliger led the congregation in singing, "Have Thine Own Way".
21. Rev. R. C. Van Royen, Field Representative of Indian Work and Visual Education, of the Home Mission Board, used as a theme, "Romance of Mission". He used as a Scripture, Acts 1:6-9. Adjourned with prayer by G. T. Hunt.

#### EVENING SESSION, THURSDAY, OCTOBER 12, 7:30 P. M.

22. The Thursday evening session was opened with Rev. Earl Sapp leading the congregation in singing, "Heavenly Sunlight". Also, he read Matthew 5:1-20, and led in prayer. Rev. Nat H. Brittain was acting as moderator.
23. Rev. Nat H. Brittain read the report on Assemblies and was adopted.

#### REPORT ON ASSEMBLIES

Florida Baptist's have two state assemblies, operated by the Florida Baptist Convention. These offer well-rounded complete church functional courses of study with each church organization represented with a corresponding book taught under the direction of the various departments of the Convention. These assemblies provide study, inspiration, fellowship and recreation for limited age groups (13 years and up) and are primarily leadership centered.

The Florida Baptist Assembly held in DeLand annually, completed, during the season, June 8-16, 1950, another highly successful week. Over 200 applicants were turned down and including the registrations from local people there were over 900 in attendance. On consecration night 230 young people came forward dedicating their lives for definite Christian service. The dates for this assembly for the 1951 session are June 7-15.

At the West Florida Baptist Assembly at Panama City on the grounds, now debt free and owned by the Florida Baptist Convention, there were, during the week of July 13-21, over 193 registered, a capacity crowd. Some fifty young people made special dedications.

There are other local assemblies held either by individual churches or by associations throughout the state.

Our own Association's Silver Lake Assembly met with disappointment in the season just past. Your committee worked to promote the assembly up until a month prior to the opening date. Advertising material had gone out, faculty almost completed and some reservations had been received. By incident, at this late hour, it was discovered that the new management of the Silver Lake property did not intend to permit exclusive use of the grounds by any particular group, contrary to the understanding of the committee when the date was first made. After several unsuccessful conferences with the authorities of the camp, hoping still to obtain the camp exclusively, the committee recommended to the Executive Committee of the Association that the assembly be postponed for reasons herein stated. The recommendation was adopted and the necessary steps were taken to undo what had already been done in the promotion of the camp. Efforts were made to secure another location immediately but without success.

The financial expense incurred through the advertising and postage involved in the work mentioned above amounted to \$81.01 which was paid from the assembly funds.

#### RECOMMENDATION

1. That the present committee be continued and instructed to find, if possible, a suitable location and promote a summer assembly in 1951.

NAT H. BRITTAIN

24. Members of various youth choirs sang, "Breathe On Me". They were led by W. Fred Sliger.
25. Report on Baptist Training Union was given by Miss Roumelle Bowen. The report was adopted.

#### BAPTIST TRAINING UNION REPORT

We have 28 Training Unions in Florida Association reporting 45 Adult Unions, 44 Young People's Unions, 49 Intermediate Unions, 54 Junior Unions and 49 Story Hours.

"M" Night Associational Training Union Mass Meeting held in Florida Association at the Leon High School Auditorium, Tallahassee, Florida, on December 5th, was the largest Mass meeting our Training Union Department has ever sponsored and Dr. W. A. Criswell of Dallas, Texas, challenged the Training Union Department to do great things for Christ.

Miss Lois Ray of the First Baptist Church, Tallahassee, was the Associational winner in the Better Speakers' Tournament and Miss Lois Edwards of Quincy, was the Sword Drill Tournament winner, and they represented Florida Association in the District Conference. Lois Edwards did an excellent drill and handled the Bible in a most inspiring and reverent way. Miss Ray inspired the audience with her wonderful talk.

The Associational Officers this year have all cooperated and helped conduct Study Courses in the Association and put on programs and I wish to thank each one for their cooperation and loyalty to the program.

Our aim is to have a Graded Training Union in every Church in Florida Association, making a place for little children in the Story Hour, for Juniors, for Intermediates, for Young People and for Adults to set the "light aglow and make each one a living, vital, vocal witness for Christ."

26. The Baptist Student Union report was given by Miss Mary Elizabeth Ainsworth and was adopted.

#### BAPTIST STUDENT UNION REPORT

Florida Baptists concern for the religious welfare of its student life is evidenced by her consistent development of the Baptist Student Union department of our Florida Baptist Convention in personnel and equipment.

The department personnel now includes a full-time state secretary, Rev. Ray Koonce, and four full-time local student directors. They are Mr. William McCammon, Stetson University, DeLand; Miss Mary Elizabeth Ainsworth, Florida State University, Tallahassee; Mr. Dan Bates, University of Florida, Gainesville, and Mrs. Lloyd Rees (appointed temporarily) University of Miami, Miami.

The State Mission Board has elected a local committee for each local student director. This committee is to advise with the director on matters which the director will seek counsel. These committees are directly responsible to the State Mission Board and will report to the chairman of the committee on Student Work each quarter.

The local committee members for Florida State University are Mrs. J. Lewis Hall, Dr. Harold G. Sanders, Mr. D. S. Barineau, Mrs. Ira L. Gatlin, Mrs. Doak S. Campbell.

Three new fully equipped Baptist Student Centers have been provided at University of Florida, University of Miami and Stetson University within the past two years. The center at Florida State University built in 1937 (one of the first in the South) has acquired some necessary repairs.

The Baptist Student Union represents, includes, and unifies all the Baptist Student religious activity of a single campus. It is the connecting link between the college and the local churches in the college center. It seeks to popularize and keep vital in the life of a student the various organizations within the church as well as the church as a whole. It is promoted through an executive council elected annually. Membership comes when an individual voluntarily becomes a member of a Baptist church in the local college center and/or joins one or more of the unit organizations. It affords positions of executive leadership for the ablest students of the campus. It thereby furnishes valuable training in developing leaders for kingdom advancement both during and after college days.

Week-day activities are designed for spiritual growth and enlistment. They include vespers, morning watch, retreats, various phases of extension work, and special weeks of evangelistic, vocational, and mission emphasis.

Local Baptist Student Union members are also members of a statewide BSU organization which promotes three statewide meetings each year. They are the Baptist Student Union State Convention meeting in Lakeland October 20-22, Baptist Student Retreat, Ridgecrest, North Carolina, and spring retreat at Camp O'Lena.

Wherever and whenever a Baptist or a Baptist preference student is away from his home, and home church, or is living at his home and attends college he is an objective of the BSU.

This program needs your prayers, sincere cooperation, and earnest support through the cooperative program.

Respectfully submitted,

MARY ELIZABETH AINSWORTH

27. W. Fred Sliger led the congregation in singing, "He Keeps Me Singing", "I am Thine O Lord", and "I Surrender All". He directed the special Youth Choir in singing, "He Brought Me Out" and "Dear Lord, Father of Mankind".
28. R. C. Van Royen brought the inspirational address using as a theme, "Millions Now Living are Already Dead". His Scripture was Romans 5:12. Adjourned until 10 A. M. Friday. Dr. J. Harrison Griffin led in prayer.

#### FRIDAY MORNING, OCTOBER 13, 1950, 10:00 A. M.

29. The Friday morning session was opened with singing, "Rescue The Perishing", under the direction of W. Fred Sliger. The

devotional was conducted by U. W. Rollins, pastor of the First Baptist Church, Woodville. He read Acts 1:8 and Rev. Charlie Harrison led in prayer.

30. A digest of letters was given by James T. Barber.
31. Rev. J. Ivey Edwards read the report on Christian Education and was adopted. He introduced J. Harrison Griffin, who spoke to the report.

#### REPORT ON CHRISTIAN EDUCATION

This term in its broadest and most general connotation designates any type of mental development influenced ever so slightly by the teachings and spirit of Christ. Included in his conception are the church school, home, church, religious assembly, extension course, and various other activities.

Let us concentrate on our Baptist schools. About one hundred years ago Horace Mann, one of the leading American educationalists, said that if we were to educate the people we would eliminate crime. A century later we find education greatly increased and crime in its multiplication keeping pace with, or outstripping, education. Wherein did Mr. Mann miss his prediction? In his day most of our institutions of higher learning were church schools and most of the enrollment was in these schools. Elementary text books, including those of the state schools, were permeated with moral and Christian maxims and principles. Almost all the teachers in all the institutions were earnest Christians. In most of our state schools today education is practically completely divorced from religion, and in altogether too many cases antagonistic to it. Christian Education is for the purpose of imbuing with and strengthening character, and training for Christian leadership. Unless we counteract much that is being done in secular education we are headed for a great decline in morals and Christian principles.

A brief glance at our schools reveals some interesting figures and trends. Last year in the Baptist seminaries and Training School, colleges and universities, junior colleges and academies, we had an enrollment of 61,615—of these 6,446 being ministerial students plus 2,253 volunteers for Foreign Missions and other types of church work. The best available records estimate the total enrollment since our colleges were founded to be 509,422. The faculties totaled 3,956 last year. The endowment totals were \$41,825,698.85 and property value \$83,422,137.90. Both funds total \$125,247,836.75, a gain of approximately twenty million over last year. Today we have more money, more scholarship, and more students in our 64 schools than when we had 132. The necessity and advisability of fewer and stronger schools has been proven in view of the increasing amount spent on state schools.

But, we in Florida cannot boast about our advancement. From reliable sources it is ascertained that we have given less for capital needs of our college and are giving less for Christian Education than any state in the Southern Baptist Convention. At Stetson we have a great need for buildings—a Chapel and Auditorium in order that students may attend every day instead of one-half attending

one day and one-half the next, a Music Building, dormitories, and a Law School Building. Perhaps most of all Stetson needs our prayerful and sympathetic understanding of the varied problems it faces and is struggling to meet. In all events we should withhold our destructive criticism. It can do only damage to our greatest source of service—THE DENOMINATIONAL SCHOOL.

Signed,

J. IVEY EDWARDS

32. The Florida Baptist Children's Home Report was read by Mr. J. E. Robinson. He introduced Mr. T. M. Johns, who spoke to the report. The report was adopted.

#### REPORT ON THE FLORIDA BAPTIST CHILDREN'S HOME LAKELAND, FLORIDA

Since relocating the Institution we have completed five cottages for children, a dairy barn, a house for the farmer, a laundry, the Gaines Vocational Building, the Administration Building and the Chapel. This completes our building program except for two cottages, one for little boys and one for little girls. We have been granted permission to ask for a special offering this Christmas. The funds received from this offering will be used to erect one of these cottages. We believe the other can be built by income from private sources.

When these two cottages are finished we shall cease building until a definite need arises and funds are available for the maintenance of additional buildings. We think housing for 150 children will, with good case work, meet the needs of our children for some time.

The finances are in good condition. We have received sufficient funds to meet all expenses. We have been remembered in three Wills; Mrs. Annie Lively of Lakeland and Mrs. Scholze of Coral Gables made the Institution a beneficiary of their estates. The estate of Mrs. Lively has not been closed. Mrs. Scholze gave two Thousand dollars; Mrs. Minnie Norwood of Arcadia, \$653.09.

We have cared for 157 children during the year. Intake and discharge have been greatly accelerated in recent years. This is due to more temporary care and the employment of a case worker, who works with individual children and their families. A close contact is kept with the relatives of many of our children and as soon as they are able to resume responsibility for their care they are returned to them.

The program at the Home is planned to meet the great and pressing need of giving security to children and rehabilitating families whenever possible. Boys and girls who are admitted to our Institution are given good physical care and every opportunity of developing into Christian men and women.

Looking back over the past three years we can see the many blessings that God has granted in our program of child caring. We look to the future with great confidence for a continued and enlarged service to the dependent children of our state. We trust that every church in this Association will have a part in the Christmas offer-

ing, that we may build another cottage, remembering that the Master said, "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

Respectfully submitted,

J. E. ROBINSON,  
Committee on Children's Home.

33. Dr. W. H. Williams read the report on Baptist Papers. Dr. W. G. Stracener was introduced and spoke to the report. Report adopted.

#### REPORT ON BAPTIST PAPERS

We look to our Baptist papers, The Florida Baptist Witness with its fine staff of able writers and the other Baptist publications, to tell us and keep us informed of what is happening in our Churches here in our State and on the Mission Field where our Missionaries from the Southern Baptist Convention are working in the Missions, Hospitals, Churches, Schools, and Colleges here at home and on the foreign field.

The Truth, as revealed in Jesus Our Lord and given to us by the Bible and our many fine Baptist papers and magazines, becomes Real to us when discussed and written about by so many able leaders.

Our minds so filled with things of the world, things of the moment and the past, can be stimulated to a great desire for Truth and Righteousness by the fine editorials and articles appearing in the Florida Baptist Witness and other papers of our Denomination. We do well to take time out from a busy life to read and ponder these things because moral and spiritual strength is to be expected from them.

DR. W. H. WILLIAMS

34. Report on Temperance and Social Service was read by J. F. Alewine and adopted.

#### REPORT ON TEMPERANCE

Alcoholism, which is America's health problem number four, now numbers among its victims approximately 4,000,000 men and women. Would any single one among them have ever become an alcoholic without alcohol itself? It has been well said "the dram drinker of today is the drunkard and alcoholic of tomorrow".

No alcoholic on record was ever tied hand and foot and forced to take the first drink. The first drink many times leads to a disease, but this "disease" is far different from what the liquor interests would have you believe. It is the outcome of his choice, not a disease like cancer.

Let us look at some Facts—

1. About 75 per cent of the adult men and 56 per cent of the adult women in America drink alcoholic beverages. When this is translated in terms of people who drink from the age of fifteen up,

the figure is between sixty million (60,000,000) and sixty-five million (65,000,000). In this vast segment of our population four million are compulsive drinkers.

2. The estimated annual loss to American industry caused by the four million alcoholics has been put at the minimum figure of one billion dollars. This is the loss to our total industry and does not include the amount of income that these millions of alcoholics and their dependents lost.

3. Other liabilities of the alcoholic include the fact that the life span of the alcoholic is reduced by 12 years. The accident rate of the alcoholics is 321 per 100,000 or twice that of ordinary workers.

4. A study in Massachusetts in 1943 revealed that the liabilities created by alcohol amounted to \$107,474,953. During the same year the total revenue from the sale of liquor amounted to \$13,139,266.79. In short, the people payed out eight dollars to get the "Benefit" of one dollar of liquor tax.

5. In 1947, according to the records of the National Safety Council, one out of every four drivers in fatal accidents had been drinking.

6. In 1948 the amount of money spent for legal beverage alcohol amounted to \$8,800,000,000. Contrast this amount with the total expenditures during the same period in the United States for all public and private schools, all colleges and universities, schools for delinquents, blind, deaf, mentally deficient, Indians and for school libraries. The total came to \$5,200,000,000. The cost of liquor during 1948 every 27 seconds would have paid for a house and lot costing \$7,500.

7. The liquor industry spends annually about \$150,000,000 for advertisements. Anyone who read the newspapers and magazines of today is aware of this deceptive advertising.

#### Some Suggestions for Action

The question comes "what shall we do?"

1. I would like to suggest that this topic be changed from "Temperance" to Alcohol Problems. Surely we have seen that alcohol is harmful in any amount, as Christians we are to abstain and teach others to do likewise.

2. Check on the enforcement of laws governing sale of beverage alcohol.

3. Urge enactment of laws which prescribe instruction in public schools on the effects of alcohol.

4. Urge candidates for public office to commit themselves on issues involving beverage alcohol.

5. Give your support to those merchants and caterers who do not sell alcoholic beverages. Tell them why you buy from them, and tell the others why you don't buy from them.

6. Urge your state and national representatives and senators to

support such legislation as will regulate control and ultimately eliminate the liquor traffic.

7. Register your convictions with local newspaper editors, the managers of radio stations, any others who determine the policies of advertising beverage alcohol.

8. Abstain yourself. Demonstrate that it is not only smarter not to drink; it is the Christian's moral obligation to abstain.

Respectfully,

JOS. F. ALEWINE

### SOCIAL SERVICE REPORT

What is the Social Service Commission? and what is its purpose? It was formed as successor to the Committee on Temperance in order that its work might be extended to include, in addition to alcoholism and the social evils involved in the liquor business, other vices and social practices that are hostile to the social order and human well-being. The Commission has freedom to bring to the attention of Southern Baptist those practices which in its judgment should receive their consideration, to the end that the Convention might be of service in arousing Christians to relate themselves in a Christian way to our common social life.

In carrying out this objective the Commission has accepted through the years the responsibility not only of presenting facts, but of voicing its own moral judgment in the interpretation of social practices as they are related to Christian ideals and standards. The Commission desires to renew in the mind of each of us as Baptists the importance of Christian citizenship and the responsibility which is ours in leading our people to see where the lines of Christian morality and social practices meet.

We should keep three basic convictions before us:

(1) It is necessary for us to believe firmly that the base line of all our social judgments and proposals is Christian moral teachings. The Christian spirit must speak one language, and that the language of the Spirit of Christ. Our desires, motives, convictions, ideals must be constantly renewed at the fount of His revelation of truth and goodness.

(2) We must realize that the social function of this Convention is not to promote social action as a substitute for evangelism and education, but rather to combine and coordinate in one harmonious whole the three elements of its task—evangelism, education and action.

The First emphasis must be put upon people, rather than on institutions and approach the problems of social righteousness first through the churches and their moral challenge to men and women in every walk of life. Here the pastor has a wonderful opportunity to teach his people their moral duties as Christian citizens who bear the responsibility of government and social custom. If the pastor is awake to the fact that a Christian is no less a citizen for being a Christian and that as Christians the men and women of his church participate positively or negatively in the social, economic and

political life of the nation, responsible in their measure for the character of social custom, the nature of our laws, the policies of our governments, he will see that his is a great responsibility.

(3) There will be problems and difficulties, but don't let that stop you. Problems should constitute a special challenge to Christians to give of their best to the situation involved. Pioneering for social justice must not be left alone to the secular or political interests. Too often religious leaders and the church have been silent concerning the evils on the door-step that press most heavily and call most insistently for Christian initiative.

With this understanding of its purpose and the guiding convictions concerning its procedure the Social Service Commission will endeavor to carry on, welcoming the counsel of all those who are interested in making it in these fast moving times a worthwhile service to the churches and to the nation.

Respectfully submitted,

JOS. F. ALEWINE, Chairman.

43. Report of Brotherhood was read by J. Ivey Edwards and adopted.

#### BROTHERHOOD

The Florida Association is reporting nine Brotherhoods. There have been three new Brotherhoods: East Hill, Tallahassee; University Heights, Tallahassee, and Havana. The Association still recognizes the value and advance of the Brotherhood and they have appropriated \$75.00 per year for this expansion.

The desire of the Brotherhood is to undergird the whole program of the churches and the Association.

Within the past year we have held four quarterly meetings: Lakeview, Tallahassee; Quincy, First; Chattahoochee, First; and Tallahassee, First. The average attendance at these meetings was 150, and at each one of these meetings we had a great inspirational speaker who dealt with the function of the Brotherhood.

At our last meeting held at Quincy new officers were elected: Mr. Tim Spence of Southside, Tallahassee, President; Mr. H. M. Dean of First Church, Tallahassee, Vice-President; Mr. L. C. Lawhon of Southside, Tallahassee, Secretary; and Mr. Claude Sapp of Lakeview, Tallahassee, Program Committee Chairman. Our new President encourages all churches that have not been represented at these meetings to have representatives at the next meeting.

Respectfully submitted,

JAMES WATTS

44. Report of the Woman's Missionary Union was not read. A motion was made that the report be recorded in the minutes. Carried. See page 34.

45. Report of Missions was read by H. C. Meador and adopted.

#### MISSIONS REPORT

To be a witness for our Lord and Saviour is a "Must" for every true Christian. It is enjoined upon us to grow strong and spiritual churches at home in order that we may produce spiritual and missionary minded associations so that our spiritual influence may be felt throughout the homeland and to the ends of the world. His words say "be witnesses unto me," beginning at Jerusalem, and again "Go ye into all the world and preach the gospel."

#### STATE MISSIONS

State Missions among Florida Baptist have an important place in our Baptist life. The work in Florida consists of preaching the Gospel through these means:

1. Thirty-eight full time missionaries teach, preach, conduct Bible institutes, direct Vacation Bible schools, and participate in assemblies.
2. Help educate over two thousand students among whom are more than one hundred ministerial students and assist two hundred others who are preparing for full time service and mission fields.
3. Care for the many homeless and destitute children.
4. Preach the Gospel by starting new missions and organizing new churches. Last year we aided 14 such places. We need 50 new stations now.

Every church is urged to observe state mission day October 22, 1950.

#### HOME MISSIONS

Last year the Home Mission Board reported their best year. During the year they participated in the Evangelistic Crusade west of the Mississippi River. This next year they propose to assist in the Crusade East of the river. The home missionaries, during 1949 reported 35,913 conversions, 165 new churches constructed, 577 new missions opened, 50 new buildings were either completed or under construction. 54 pieces of Home Mission property were improved. The Home Missionary personnel includes 779 regular missionaries, and 251 summer student workers who gave 10 weeks of mission service—Making a grand total of 1030 workers.

The rural series of graded home missions studies prepared in 1949 has met the best response of any mission series.

#### FOREIGN MISSIONS

The foreign mission board appointed 67 new missionaries during 1949. 50 have been appointed during the first 4 months of 1950. A total of 753 missionaries are stationed in 24 countries and others are being added.

The new areas have been opened in Venezuela, Costa Rica, Bangkok, Thailand, Baguio, and The Philippine Islands, and in Ecuador.

Our new institutions reported are: First International Theological

Seminary at Zurich in Switzerland, First Baptist Church in Formosa with 30 charter members, a Hospital in Southern Arabia and Theological institutions in Latin American area.

Respectfully submitted,

R. C. RITTENHOUSE

47. The Inspirational address was given by Dr. John Maguire, using as a theme, "Let us chase one rabbit at a time".
48. Moderator Duggar expressed thanks for the cooperation manifested in the Association. He passed the gavel to the new moderator, James T. Barber. Adjourned with prayer by C. W. McDonald.

Respectfully submitted,

HOMER DUGGAR, Moderator
