BAPTIST HOSPITAL CHARITY FUND-MOTHER' DAY OFFERING 1960-61

3:55 PM-Thursday, October 20

Our two (2) Southern Baptist Hospitals were "BUILT TO BLESS".

The first Hospital is in New Orleans, and is one of the finest in America. Of special interest to us is the Baptist Memorial Hospital in Jacksonville, which likewise is perhaps the outstanding Hospital in Florida, and in advance of many in the Southeast.

Our Baptist Hospital has a bed capacity of 331, admitted 15,466 patients last year, performed 161,825 laboratory tests, filled 132,702 prescriptions, prepared 270,850 meals, performed 8,182 operations, and brought 2,156 babies into the world!

Of special concern to Christians, the marvelous spiritual program of the hospital provides the finest comfort and aid to suffering humanity. Our Chaplain made 4,752 bedside visits, distributed 20,000 tracts and other religious literature, and assisted all pastors in their visitation.

The Charity features are both in-patient and out-patient, but mainly the latter. The Out-Patient Clinic examined and treated 4,763 patients, and hospitalized (in-patient) 647 of these at a cost of \$166,982.79. Some of these paid all or in part, but the actual "CHARITY" ministry ran to \$104,032.76. This does not include the value of the services of physicians and dentists who gave their time and talent. Baptist Charity work would be valued at nearly a quarter million dollars.

Our State Charity Fund Goal for Mother's Day was \$75,000. Our own association gave \$728.24 in 1959, but went something over the \$1000.00 mark in 1960. We hope to increase this much more next year, and urge all Sunday Schools and Churches to plan to take the MOTHER'S DAY HOSPITAL OFFERING for Charity in May.

Baptists in Florida gave only about \$20,000 for Charity work last year. The Convention gave \$10,000. A few gifts came from other than Baptists. Thus, the Hospital had to pay the balance of about \$65,000 from other needed funds for our Baptist Charity last year.

Surely we can give more to our beloved hospitals which are "built to bless" in the Saviour's Name. Your Hospital Committee urged you to help. The theme last year was "THAT THEY MIGHT HAVE LIFE" (John 10:10).

Harold G. Sanders, Chairman, Heads of All Departments, Moderator

Associational Mission Report. Bro. Claud Sapp. Brother Sapp presented the report and moved its adoption. Which was approved.

ASSOCIATION MISSIONS COMMITTEE REPORT

4:00 P. M. Thursday:

We Need Parent Churches. Baptist and prospective Baptist are moving into this area all of the time. We now have 38 churches and 2 missions in

our association to minister to these people. We thank God for these churches but they are not enough. The circle of population widens in many areas every month as new people arrive.

The Association Missions Committee and Field Secretary appeal to the churches. We have no Mission Program except a church sponsored one.

Right Now there are several places where missions are needed. For instance, Jim Lee Road vicinity, Perry Highway, Jacksonville Highway, West Tharpe Street Extension, Truck Route (West) and Monroe Street at Allen Road. Other areas should be kept under constant observation, while many mission Sunday Schools and institutional missions are urgently needed.

It can readily be shown that a sponsoring church gets more, in terms of Bible teaching and converts for the money spent in sponsoring a mission than it gets for that spent in its own local program. Many times the mission becomes self-supporting within a few months after its beginning. We cannot over emphasize this fact: "The growing edge of Baptist Life is in its new work!" If we fail to reach the masses of the people, then we are faithful to Him who spoke, "Go ye therefore and teach all nations, baptizing them--teaching them, to observe all things--both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth". Matthew 28: 16-20, Acts 1:8.

Your Missions Committee has prepared and presented to the Executive Committee an over all Program of work for 1960-61. We strongly urge its adoption as a guide to help us as we labor together for His Glory.

Respectfully submitted, Claude Sapp, Chairman

Field Secretary Report. Rev. D. O. Alderman gave his report and discussed some of the special parts and announced that BILLY GRAHAM would be in Tallahassee on Saturday February 11, 1961 at 7:30 P. M. The report was adopted.

RADIO AND TELEVISION REPORT

Thursday, October 20th; 4:20 P. M.

"The Baptist Hour has been the heart of the ministry of the Radio and Television Commission for nearly 20 years. There is no way of telling the number of individuals who have accepted Christ as a result of hearing His Good News preached on this program week-in, week-out on hundreds of radio stations."

"Because the broadcast becomes a missionary when it leaves the shores of America, the Commission is ever alert to possibilities of reaching, through this program, lost and hopeless individuals of the world. Only two weeks ago a new 15-minute program of evangelistic preaching (Baptist Hour messages translated into Russian) was approved for production. It is to be beamed into Moscow, Russia, from a Trans World Radio transmitter located in Monte Carlo."

There are three main facets to the work of your Radio-Television Commission: (1) preaching the gospel on radio and television; (2) building an audience for the programs; (3) providing counsel and filling requests which come in response to the programs.

The Commission now produces five weekly radio programs, with a children's program and a counseling program in the planning stages. Distributed weekly are: "The Baptist Hour," "Master Control," "La Hora Bautista," "International Sunday School Lesson," and "The Chapel Upstairs." (See station list for local stations, times).

The new program "Master Control, a Baptist Network program is now being broadcast over WTAL Tallahassee, and numbers of other stations throughout the country. THIS IS THE ANSWER series is still one of the most successful television productions in religious telecasting. The total value of these efforts will never be estimated-but we know that the results far outweigh the cost. The new series of 13 films for use in 1961 is currently being produced, which will bring to 52 the films available to television stations. Other types of programs are currently being planned to serve and represent Southern Baptists on television.

Radio and television programs which have been produced by the churches of the Florida Baptist Association have been successful again this year.

Reports come in regularly from people who express their appreciation for the spiritual uplift gained from them. All churches should be aware of the effectiveness of communication with the public through these media.

Respectfully submitted, William T. Ligon

AMERICAN BIBLE SOCIETY

Rev. Ellis Turner-Chairman

4:35 PM Thursday

During 1959 the 'American Bible Society--

1. Donated more than a million Scripture volumes for distribution by the Chaplains to our Armed Forces and to patients in Veterans' Hospitals, providing a vital link between the home churches and the men and women in service.

2. Approached its 125th anniversary of supplying Scriptures for the Blind, far below cost, in Braille and other raised-letter systems and on Talking Book records.

3. Rejoiced that some part of the Bible has been published in 1151 languages: the full Bible in 219, a Testament in 271 more and a Gospel or other complete book in 661 more.

4. Continued to supply Scriptures in such strategic areas as West Germany and other lands along the Iron Curtain, Africa, Latin America, Japan, Korea and India--and to many Chinese now living in other countries outside the communist-controlled China mainland.

5. Distributed a total of more than 17 1/2 million Scripture volumes. This was an increase over the 15 million volumes averaged in recent years, but still short of urgent needs.

Southern Baptists Support the Work

Because the Bible Society serves mission work--and Southern Baptist missionaries depend on the Society for Scriptures they need for their people --Southern Baptist Churches believe in the missionary importance of giving to the American Bible Society.

One year, 1958, Southern Baptist churches led all denominations in gifts to the American Bible Society. But in 1959 Southern Baptist gifts of \$144,200 stood second. Methodists led with gifts of \$156,244. Gifts from all churches in the U. S. A. totaled \$955,135.

The help of every Southern Baptist church is needed each year. Has your church given to your American Bible Society this year? Here are suggestions, based on what many churches are now doing:

Every church can give at least these amounts each year:

Country and village churches	\$ 10	to	\$ 25
Churches in small cities	\$ 25	to	\$100
Larger churches	\$100	to	\$200
Great City churches	\$200	to	\$500 or more

Please send gifts to your Baptist state office marked "for the American Bible Society".

Permanent Headquarters & Part time Secretary--Bro. C. H. Darsey and Rev. Warren Rush presented the report and explained the plan that had been presented the Clerk of our Association. After the report had been discussed by several and fully explained the recommendation for a PART TIME SECRETARY and to establish a permanent headquarters was approved.

That a paid worker of the Association shall be called Secretary to the Clerk until such time as the Constitution can be changed to provide for the selection of a clerk by a way other than being presented by nomination from the floor by the association.

That a part time secretary-clerk be hired at \$20.00 per week.

That the Central Office be in a local Church and be the depository for all free material and all past records.

That the Secretary be under the supervision of the Moderator and the Pastor in whose Church the Central Office is located, In event that such Pastor is the Moderator then the Vice Moderator shall be second in supervisory position.

The above recommendations were adopted.

Children's Home. The Clerk, W. M. Scruggs Sr. announced when the truck from the home would be in the Association to collect food and supplies for the home.

Florida Baptist Witness-Rev. C. A. Alexander presented the report and introduced Rev. E. J. Babb, pastor of the Macedonia Baptist Church, Jacksonville who spoke on the report, using as his subject-"PUBLISH glad TIDINGS". The report was adopted.

FLORIDA BAPTIST WITNESS

4:50 PM Thursday

The Florida Baptist Witness has a message for Florida Baptists. This message is effective in our Baptist program in proportion to the circulation of the paper among our people.

The Witness carries a message of vital importance into the homes of our Baptist people from week to week. The doctrines which have been held through the ages by Baptists, and by which they maintain their identity and on the basis of which they have promoted their work to the glory of God, find frequent expression in our State Baptist Paper.

In addition to the doctrinal emphasis, the Witness carries devotional features which are inspiration and helpful to many of us.

Florida Baptists are a Bible-centered people, and the message of the Bible is the very heart of the Witness.

Since Florida Baptists are a denominational people, the Witness is filled with denominational messages. The Witness seeks to inform our Baptist constituency concerning our state, Convention-wide, and World-wide causes. It is an axiomatic fact that our Baptist people cannot be adequately and rightly informed about our entire denominational life if they do not read the State Baptist paper. The Baptist Witness is the only publication among Florida Baptists committed to the complete coverage of our denominational program.

It therefore becomes apparent, it would seem, that the Baptist Witness constitutes the major unifying force and influence among Florida Baptists. It is sincerely hoped that all Baptist Churches will include the Witness in their yearly Budgets. The profits exceed the cost-by far.

Why not pray about it? Why not talk in your next budget meeting, business meeting, about putting the sending of the Witness to each family in your church? It will cost but 10¢ a month per family, \$1.20 per year. Your church can be billed by the month. Try it now! Your people will be better informed, better Baptists, better Christians.

Write to Dr. W. G. Stracener, Editor, Florida Baptist Witness, Florida Baptist Building, Jacksonville, Florida and tell him you want your church to read it!

ANNUITY BOARD REPORT

7:10 PM Thursday

My outline is built around these three points:

1. The Three areas of needs are: Retirement income for the pastor and/or staff, Disability income for the pastor and/or staff, Widow's benefits. These provided by the church.

2. In Florida Association, what is the situation? Only 45% of the churches participate in the Annuity Board plans for their pastors and/or staff members.

What does the future hold for the young people entering full-time Christian service? We build schools and seminaries to train them; we follow their leadership during their active ministry. What do we do with them in old age? Or what security do we offer them and the loved ones of these faithful men of God? Where are the old preachers who have served your church? Did you do anything to help provide for them in old age?

What about the other 55% of the churches in Florida Baptist Association? Will you start an Annuity Plan for or with your pastor this year?

3. The Protective Plan fills these three needs-retirement income, disability income, and widow's benefits.

Your church can enter. Your church must enter if the pastor is to participate.

The cost is based upon the pastor's salary, with \$4000 being the maximum on which payments are made. The church pays 10% and the Florida Baptist Convention will pay 5%-thus 15% is deposited with the Annuity Board for these purposes in connection with your pastor (and/or staff).

If the Church feels that it cannot pay the 10%, it can pay 5% and let the pastor pay 5%. We recommend that the church pay the full amount.

If the church feels that it cannot pay the 10% on his full salary, it can pay 10% on part of his salary-for example, if his salary is \$3000, the church could pay on only \$2000 of his salary.

WHY NOT START THIS YEAR? How to do it? Write to Rev. Phil Maxwell, 1105 Sarasota Drive, Tallahassee, Florida, for he is our State Representative of the Annuity Board. Or, you may write Dr. John Maguire, Florida Baptist Building, Jacksonville, Florida, for particulars.

Your church-large or small-needs this protection for its staff members. The pastor wants this protection-but he cannot get it unless the Church acts. Lead the way, dear church.

UNITED CHRISTIAN ACTION, INC.

7:20 PM Thursday

In this day of compromise, too often by church members, Florida's frightening moral slump is clearly evident. In Leon County we saw the results of compromise, brainwashing, and poor relations between the races in the WET VICTORY recorded July 12-Leon County went wet for the first time since 1904. It will take two years before we can call an election to return the county to a dry status.

WHY? Is the Divine Lord's description of the Laodicean Church a fit parallel to our churches today? "So then because thou art lukewarm, and neither cold nor hot, I will spew thee out of my mouth. I would that thou wert either cold or hot." (Revelations 3:16f).

Remember the words of Frances E. Willard? "The Liquor traffic would destroy the churches if it could; and the Church could destroy the liquor traffic if it would!" This time, we "would not". God grant that Leon County will come back to God and reverse this law in two years, and that Jefferson County, likewise, will remove the dog race track from its fair county.

STATEWIDE, "Count the youthful murderers, rapists, thieves, liars, common drunks and prostitutes among Florida teenagers today... then ask why?... then find the answer in the weak example, moral cowardice, self-centered search for ease and pleasure by FAR TO MANY ADULTS in places of leadership... in some churches, many clubs, business and social organizations, industry and government, and professional groups. Attend convention gatherings of doctors, teachers, lawyers, public officials, Chambers of Commerce, Elks, VFW, American Legion... on and on the list grows... and look with utter amazement at the widescale and open approval and participation in drinking and drunkenness on the part of the 'mighty'." Thus Rev. Jack Eppes, former Tallahasseean, Executive Secretary of United Christian Action, Inc., sizes up the SIN OF EXAMPLE which weakens youth and undermines leadership.

FINANCIAL NEEDS. We are grateful for the fact that nine denominations are now represented on the Board of Directors and Advisory Councils for United Christian Action, Inc., and our educational auxiliary organizations, known as Alcohol-Narcotics Education, Inc. In 1959 we received financial support from the following sources-Baptists 66%, Methodists 25%, all other sources, 9%. Florida Baptists contributed \$7,500 through the Annual State Missions Offering, \$1,118.12 through the Florida Baptist

Convention meeting in Tallahassee after Dr. Sanders appeal, and \$15,784.33 received as designated budget gifts or special offerings from 152 individual Baptist Churches throughout the state.

WHAT CAN WE DO IN 1960-61? Pray, pay, and work

- (1) Pray for Jack Eppes, and the officers of the United Christian Action, Inc., and Alcohol-Narcotics Education, Inc.
- (2) Plan for "Abstinence Commitment Day" on Sunday, December 4th.
- (3) Have a church-wide graded Study Course on alcohol education.
- (4) Put United Christian Action, Inc., in your church Budget for at least \$5 per month, and remember to push the Special State Missions Offering each Sept. Send all gifts through Dr. Maguire, Florida Baptist Convention, for us.
- (5) Work with "Leon Dry Crusade" or its successor to plan for winning the next election, thus returning this county to a Dry and Decent status.
- (6) Pray for Jefferson County citizens that they may soon remove the dog tracks from their county.

NOTE: Annual Convention Lakeland, December 13. Come!

Training Union Report-Rev. Walter E. Bailey, Director gave the report which was adopted.

TRAINING UNION REPORT

8:00 PM Thursday

The Training Union of the Association is a service organization. Its purpose is bringing the churches together in a Christian fellowship that they might share one with the other. The stronger churches can help the weaker ones. On the other hand, weak churches can go to the associational Training Union for assistance. Any church can call upon the Associational Training Union to help with study course work, to help strengthen and enlarge its Training Union, to confer with leaders about methods and materials, and to aid it in other ways. Every church in the association weak or strong, small or large, will be strengthened and developed by being a vital part of an associational program of work.

During the past year the Training Union has not experienced the full co-operation of all the churches, however, we have had a good year in many respects. We had one major activity this year, the Tri-State Enlargement Clinic and Workshop in January. This was a cooperative effort of the Training Union Department in Nashville, the State Training Union Department and the Association. We failed to take full advantage of this opportunity, however, there was a total enrolment of 819, many of these coming from other associations and in the state and some from Georgia and Alabama.

"M" Night was commendable this year with an attendance of 488. Brother W. Hal Hunter of Crestview, our Convention President brought the message. We feel the total Program was a success.

Youth night in our Association this year was really outstanding. It seemed to have taken on new life. There were 375 in attendance. The meeting place was at the Fair Grounds with a Fish Fry perceding the program which probably accounted for the good attendance.

For the next year we recommend that our meetings in the future will be in line with the State and Southwide Program, with our meetings being held each month instead of quarterly as last year. That our "M" Night

goal be set at 1212, our Youth Night goal 400, start at least one new Training Union, and every church receiving Study Course Awards this year.

The officers are looking forward for a great year in Training Union work. They stand ready to help in any way possible. Please call upon us.

Evangelism Report-Rev. John Martin, Chairman. The report was presented and adopted. The report was spoke to by Dr. Paul Meigs. Subject "BAPTIST JUBILEE ADVANCE:

EVANGELISM REPORT

8:05 PM Thursday

The blessings of God rest upon Southern Baptists. Wherever we have allowed ourselves to be used as His witness to this Atomic Age, He has blessed and we have prospered. However, with every blessing we find related responsibilities. When Billy Graham told the Southern Baptist Convention this summer, that "America is the World's Greatest field" he was but emphasizing our responsibility.

During this past year the churches of our Association Report 626 and 1283 additions by transfer of letter. This compares with last year when we reported 816 Baptisms and 1408 by transfer of Letter. Out of 38 churches and 2 missions in our association, last year's report shows that 4 of our churches reported no baptisms while this year's report shows 5 churches reporting no Baptisms.

In the light of the foregoing the following recommendations are made:

1. That we strive to reach the "Evangelism Standard of Excellence" for our association annually.
2. That we have an Evangelistic Clinic in our association. Tuesday January 24, 1961.
3. That our association participate in the Baptist Jubilee Revival, and that we set dates through 1964 as follows: (The First or Early Date for each year)
4. That our association shall recognize the Associational Officers to serve as the Baptist Revival Committee.
5. That we urge every church to utilize the Church Council in promoting a Perennial program of Evangelism within the local church.
6. That we urge every church to co-operate with the Baptist Jubilee Revival, and that they have at least one other revival during 1961, with emphasis in both revivals being placed upon every member doing personal soul-winning, and that all follow the Revival Plan Book, Step-by-step.
7. That every church be urged to cooperate with the Training Union Program in promoting the spiritual growth program.
8. That we begin planning now to attend the State Evangelistic Conference January 10-12, 1961, First Baptist Church, Jacksonville. (Let Every Church provide necessary funds for the Pastor to attend)
9. That we urge our people to attend the Billy Graham Rally, February 11, 1961, which will be held in Tallahassee.

Respectfully submitted, John R. Martin, Chairman of Evangelism

CHRISTIAN EDUCATION REPORT

8:50 PM Thursday

Dr. Frank S. Mead, in his thrilling little book, THE BAPTISTS, says this of the Baptist attitude toward education, "With many in their ranks suspicious of education, they (the Baptists) have presented us with scores of colleges (Bates, Bucknell, Colby, Denison, Franklin, Vassar, Wake Forest), universities (Baylor, Brown, Colgate, Richmond, Stetson), eighteen seminaries, and numerous secondary schools." In this year, 1961, several others are in the planning stage in various parts of the Southland.

The total number of schools, colleges, and seminaries operated by Southern Baptists is 71. In 1960-61 these enrolled approximately 62,000 regular students and approximately 9,000 special and extension students. There were over 10,000 graduates from these Baptist institutions last year. In proportion to their numbers these graduates will make tremendous contributions to the life and progress of the Southern states.

Two of the Southern Baptist institutions are in Florida. The best known is Stetson University, at DeLand, the oldest institution of higher learning in our state. Under the able leadership of President J. Ollie Edmunds, Stetson has achieved an enviable reputation as an educational center, dedicated to high scholastic standards and strong Christian emphasis. It has a strong Christian faculty dedicated to the education and guidance of young people. Its student body of approximately 1700 is drawn from some 37 states and 15 foreign countries. Over one-third of the students are Baptists and numbered among these are many ministerial students as well as numerous students of church music and religious education.

The Baptist Bible Institute of Graceville has just begun its 19th year. President James E. Southerland is giving able leadership in the development of this institution which is dedicated to the training of those called to church related vocations, but who do not find it possible or practicable to attend college. This institution is meeting the Christian educational needs of a student body, many of whom are not high school graduates. President Southerland has brought together a dedicated and scholarly faculty, and is ably developing the facilities of the campus at Graceville.

These two institutions deserve the most loyal and liberal support of Florida Baptists. Both receive contributions from the Cooperative Program funds, but in the light of the services being rendered by these institutions, and the opportunities of both to do much greater service in the Baptist cause, the Cooperative Program contributions are distressingly small. Our churches must continue to assist in meeting the financial needs of these institution by making direct gifts to them.

The Duke of Wellington once said, "Educate men without religion and you make of them but clever devils." George Washington said, "Reason and experience both forbid us to expect that national morality can prevail in exclusion of religious principles."

It is the Christian educational institutions which provide much of the stabilizing influence in our society. From them we will get our future Christian leadership. They deserve our enthusiastic support.

SUNDAY SCHOOL REPORT

One year ago the enrollment of our 40 churches and missions was 12,370, and today it is 12,609, or a net gain of 239, whereas the year before we had a net gain of 437. During the past five years we have had a net gain of 1,754, an average of 351.

Records of sixteen Sunday Schools for the last twelve months reveal a total net loss of 267. Enrollment of our two missions is included in the above figures, but I hasten to point out that each one had a net increase, Crawfordville Road 64 with present enrollment 263, and Haywood Cates 39 with present enrollment of 107.

During the year we earned 476 training awards in category 17 and reported 18 Vacation Bible Schools.

Our goals for the new year: In every church and mission, January Bible Study Week, a Vacation Bible School, a study course in category 17 in addition to any Central or Group school, a net increase in enrollment, of 15% the use of the Standard as a guide, the observance of Preparation Week in September, a minimum of 125 new classes, 25 new departments, ten churches observing Operation Home Folks, 12 Standard schools and a Standard Association.

The Association is well organized, 27 of our best qualified leaders dedicated to the task of helping you. Please attend the Associational monthly meetings, call on us when we can help in your local church, and pray for us.

MISSIONARY EDUCATION COMMITTEE REPORT

GENERAL INFORMATION

Jesus commands and expects willful witnessing world-wide. Southern Baptists need, desire, and deserve every stimulus from the Holy-Spirit God's Word and the knowledge of world needs.

The effectiveness and popularity of the Schools of Missions program can be attributed to its basic plan. Presenting Biblical inspiration, knowledge of world need, and all stages of mission endeavor, it challenges the whole church and each member in particular to complete commitment in carrying our Christ's Great Commission.

A Church School of Missions is a program in which the whole church, led by the Pastor and his co-workers, studies missions in age-graded classes during the five nights of one week and hears a missionary message at Sunday worship services and at a general assembly of all classes each week-night.

PARTICIPATION

The Florida Association was privileged to be one of the many Associations in the South participating in a School of Missions in 1960. The week of the Florida Associational School of Missions was April 24-29. Of the 38 churches in the Association, 32 participated in the program. Twenty of these participated in the entire program, including the classes, and 12 additional churches participated using only the missionary speakers.

ATTENDANCE

The grand total attendance was 13,135 and the average daily attendance 2,627.

MISSIONARIES

The number of visting missionaries: State 5, Home 11, Foreign 12, Stewardship 2, and 1 visual.

RESULTS

It is impossible to measure the results of such a far reaching spiritual program as a School of Missions, however we can list the tangible results.

Number of Conversions -----	10
Number of volunteers for Mission Service -----	21
Subscriptions for our Mission magazines -----	12
Total offering received -----	\$1,280.00
Total expenses -----	\$1,213.88

RECOMMENDATION

It is recommended by your Missionary Education Committee, that the excess of \$66.12 be used by the Missions Committee to further Mission work in the Florida Association.

Respectfully submitted, Thomas E. Cuttino, Chairman

Memorial Services-Rev. Joe W. Hough, Chairman. Report adopted.

MEMORIAL COMMITTEE REPORT

The Psalmist said, "Precious in the sight of the Lord is the death of His Saints."

We come to the hour in which the messengers of our association pays it tribute of love and esteem, and expresses its gratitude for lives and labor of those members of our churches, who have been called to their reward this past associational year.

A short time ago they were with us, among their loved ones and friends, and serving in their churches. Their influence will continue until all the records of God are in, for God says "Blessed are the dead that die in the Lord from henceforth, yea, saith the spirit, that they may rest from their labor, and their works do follow them."

They have heard the Lord's "Well done," and today we honor their memory.

We also offer our heartfelt sympathy to their families and churches, and we commend them to God from whom all comfort comes.

We recommend that the necessary space be set aside in our minutes for recording all names of our departed friends.

Respectfully submitted, Joe W. Hough, Chairman

SOCIAL SERVICE COMMITTEE REPORT

The social service committee reports with sorrow that one of the Counties within our Association (LEON) voted to legalize the sale of alcoholic beverages during the past Associational year. With this election still fresh in mind your committee chairman wishes to make the following recommendations in order to prevent possible future option votes in other counties.

1. An increased emphasis by each Church on the need for complete and total abstinence from all alcoholic beverages by all Baptist.
2. A vigilant and alert Church on the watch for illicit sales within each County. Insist that all law enforcement agencies function as they are required to by law is a never ending battle to end the illegal sale and manufacture of alcohol beverages. We as Christians are in an almost indefensible position when we ignore our Christian and Civic responsibilities in this field.
3. An intensive educational effort by all Churches to acquaint their membership and home communities with the evils of alcohol. To also offset the often repeated but mistaken claim by the Liquor industry that alcohol benefits a community through taxes.
4. Support prayerfully and financially the efforts of the "United Christian Action" group in their battle against Liquor and other immoral activities.

Fifth Sunday Report-No report turned in to the Clerk.

Children's Home Report-W. M. Scruggs Sr., Chairman. The report was adopted.

FLORIDA BAPTIST CHILDREN'S HOME REPORT YEAR ENDING JUNE 30, 1960

This report is for a nine months period. It was necessary to change the date of the fiscal year to accommodate the auditors who check the books of our Home and other agencies of the Convention. Heretofore, it has been almost impossible for them to finish their work and have the reports in time for the meeting of our State Convention each November. The fiscal year will close on June 30 hereafter and the audit and reports will be for a period of 12 months.

Applications for admission to the Home have been unusually heavy during the past year. This was due in part to the growth of the state and also to the inability of some state agencies to help in the care of children who were not eligible for state assistance. These turned to the Children's Home for aid, which was given in every possible case. If the children could not be admitted, they were referred to other agencies which seemed best equipped to meet their needs. Every application was given careful attention.

A third cottage was opened at the South Florida Branch of the Florida Baptist Children's Home in December 1959. We now have three attractive buildings on the Miami campus and approximately seven and one-half acres of land.

Assistance was given to 384 children from 160 families for the period beginning October 1, 1959 and ending June 30, 1960. There were 183 in the Children's Homes at Miami and Lakeland, 2 were in foster home care, 26 on Mother's Aid, and 12 were assisted in the homes of relatives for a total of 223 under supervision. A total of 161 applicants were given help through counseling and referral to other agencies.

We wish to point out the need for your participation in the special Thanksgiving offering for the Home. It shares in the cooperative program but it does not get enough from this source to meet expenses. Each church throughout the state will receive a poster which we urge you to place on your bulletin board. You will also receive a postal asking you to fill in the number of envelopes you will need for the offering. These will be sent to you upon request, without charge. It is important that each church have a special part in our work with dependent children. We earnestly desire your cooperation in the Thanksgiving offering for our Home.

Respectfully submitted, Wm. Scruggs Sr. Comm. on Children's Home

Clerk's Report-The annual clerks report was read and approved.

CLERK'S REPORT

2. That a part-time Secretary be hired, so that all letters and papers from the Clerk, the Moderator and the five department heads could be mailed out from one clearing house.

We hope that these recommendations will be approved at the Annual Associational meeting.

STATE MISSIONS REPORT

5:10 PM Friday

The time for the Annual Associational meeting has arrived. This meeting has been firmly established in the thinking of our people. The District Association is the second unit of Baptist life. No meeting, except that of the local Baptist Church, looms so large and is so important as the Annual Meeting.

The first fact to be reported to our people is this-in county after county the population is decreasing simply because people are moving to other areas. This creates a real problem for the people who remain, for it so weakens their churches that they are scarcely able to carry on-many will have to merge, relocate or close. Now the other extreme is that in more than half of the state the population is increasing so fast that it can hardly be computed. In these areas the problem is where and how many new churches are to be established and who is to sponsor them? These churches must be established, or we surrender the field to other bodies and then arrive years later, wondering why we made the mistake of allowing the choice locations to be secured by someone else. We must act now.

Another fact to which we call your attention is the need for more training and using of the new converts who are coming into our churches each year. Thousands of these converts are "babes in Christ", and they need to be trained, enlisted, and utilized; for unless they are utilized, they become liabilities rather than assets to God's kingdom.

Still a third fact we need to point out is that every one of our churches needs to be encouraged to set a definite percentage of their total undesignated budgets for world missions through the COOPERATIVE PROGRAM, and then, advance that percentage year by year, until we give as the Master would have us give for the spread of the Gospel to the ends of the earth. Florida is now giving less than 10% to world missions through the Cooperative Program. Our need is to increase this by at least 2% in every local Baptist Church of our State each year.

The fourth fact I wish to point out is that the future of Florida is as bright as the unclaimed promises of God, and is as sure as our faith and our ability to claim these promises from God. The harvest in Florida was never more plentiful, and the laborers are still few. Let us continue to move together as one great band for Christ, as we have been moving in the past years, and as surely as we claim God's promises and allow Him to lead us, we will take the state of Florida.

State Missions cannot be minimized.
State Missions cannot be neglected.
State Missions is our mission.
Florida is our state mission field.

Respectfully submitted, Earl Lambert, Ass'nal Member of the State Mission Board, Thos. E. Cuttins

Remember the Special State Missions Offering in September.

Home Mission Report-was given by Mrs. J. M. Pichard-Report was adopted.

HOME MISSIONS REPORT

5:15 PM Friday

Baptist work under the Home Mission Board stretches all the way from Cuba, the largest island of the West Indies to Alaska, sometimes called The Last Frontier.

We see a familiar scene when we look at home missions. It is the family next door which goes fishing when you go to church. It is the

beautiful resort town of your vacation filled with amusement but almost barren of worship. It is as familiar as the Chinese who feeds you his exotic food and charms you with his oriental grace, but who hungers as does every soul for fulfillment. It is your son away from home, now a man preparing to defend his country. It is the Jew who owns the clothing store on Main Street and still seeks to buy his salvation by an obedience to the law. It is the sprawling, fascinating city where you live, or it is the verdant, productive farm, the rolling country side---or the midst covered mountains, the arid desert. It is Man; confused and ignorant, hungry and sick, wealthy and busy, destitute and lonely, and it is man lost. Above all it is man without God.

Home Missions is the seeking, and the finding, of the lost. It is the taking of, not the waiting with, the gospel and the church to man wherever he is and in whatever condition he is. It is man's daring, Militant attempt to completely fulfill the Great Commission.

How grateful we are to God for the knowledge that the number of home missionaries now reaches 1,017. If we are to reach the millions who are lost within our Home Mission Board territory every Christian must consider herself or himself a missionary and make a sincere effort to win a soul to Christ. We must realize that we do not have to cross the ocean to become a missionary but we must take a long look at the "crucial mission field in our backyard".

Wherever there is human life there is need. This year the "Annie Armstrong Offering" goal was \$2,350,000. Of this amount \$574,250.00 was allotted for Language Missions. There are 80,000 Chinese, 7,000,000 French speaking Indians, 365,000 other Indians, 125,000 Japanese, 4,000,000 Spanish, others in Cuba, Panama, and smaller groups, such as Italians, Koreans, Russians, the deaf, and the migrant who need to draw from the well of life. (Every church will want to make a worthy offering for this work.)

The Home Mission Board is making progress in most phases of Home Mission work. Much has been done in the provision of buildings in the vast pioneer areas of the Western and Northern sections of our country. Of the 2000 churches established in relatively new areas, over 400 of them were assisted by Home Mission Board church loans.

Why do we have pioneer work in Colorado, Illinois, Indiana, Maryland, Michigan, New York, and Pennsylvania, pioneer work in a country founded on it's faith in God? Maybe the question and the answer can be found in II Chronicles 7:14. "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from Heaven, and will forgive their sin, and will heal their land."

Foreign Mission Report-By Rev. Ray C. Tindall. The report was adopted.

FOREIGN MISSIONS REPORT

5:20 PM Friday

Certain characters or symbols are taken by the Chinese to form words. The word "crisis" is a combination of two characters. One means danger and the other means opportunity. The word "Crisis" describes very vividly our present day. As Christians and Baptists we realize the dangers of facing our nation and the world. We also realize our opportunity to give the Gospel of Christ to all mankind.

Dr. Baker J. Cauthen, Executive Secretary of our Foreign Mission Board, says, "Southern Baptists must measure our mission undertaking by our potential-not by what we or others have done. When we put what we are doing alongside the reality of human need and the reality of open doors

in the world, we recognize that we have hardly begun. We must measure what we are doing by the crisis of our day. This is the day of destiny."

The number of missionaries in active service is 1,407. The year 1959 ended with the urgent need of 675 new missionaries but only 144 new appointments were made. Our missionaries now serve in 44 countries. Work began in six of these in 1959.

Evangelism is the ultimate goal and regardless of the institution, all missionaries participate in the work of the churches in their stations. The 3,269 churches and 6,332 chapels and mission points reported a Sunday School enrolment of 340,346. There were 28,828 baptisms during 1959. Church membership reached the 427,204 mark.

There is an enrolment of 151,276 students in the 1,002 Baptist Schools served by 4,781 national and 304 missionary teachers. Theological institutions number 32 with 1,359 students. There are 4 Women's Training Schools.

During the year 263,379 patients were served in the 17 hospitals and 80 clinics.

Fourteen publishing centers turned out 13,125,799 pieces of literature during the year. On the publication staffs 54 missionaries and 360 national served.

The gifts of Southern Baptists for foreign missions amounted to \$15,985,116.39. Lottie Moon Christmas Offering totaled \$7,706,847.29.

In our day of danger and opportunity, may God lead Florida Association to accept a greater share of the responsibility of world evangelization.

ASSEMBLIES REPORT

7:15 PM Friday, October 21

Our Southern Baptist Constituency have come to accept the principal that trained leadership builds better churches. Therefore throughout our denomination assemblies have arisen to meet this challenge. Our two southwide assemblies, Ridgecrest and Glorieta, have contributed much to this leadership development. In addition there are State assemblies, Associational assemblies, Church assemblies, and Department assemblies all making their contribution.

Certainly the admonition of Solomon, "Train up a child in the way he should go: and when he is old, he will not depart from it" is one of the motives behind our Assembly program. This was one of the contributing factors which brought into existence our Silver Lake Assembly. Although our Assembly this year was one of the smallest we had probably our best assembly. There were a number of things which contributed to this decision,

namely, the general attitudes toward one another as we lived as one big family for the week; punctuality in class attendance; practically perfect attendance upon the classes; no homesickness; no epidemic of sickness such as we experienced last year; and last, cooperation by all in all of the assembly activities. The leadership of the assembly were high in praise about the assembly.

This year our assembly offered the following number of courses for those attending: Junior 14, Intermediate 6, Young People and Adult 2. There were 253 awards earned by the members of our Assembly.

There were 75 Juniors and 34 Intermediates in attendance this year. The churches and number from each church attending were: Antioch 1; Carrabelle 17; Concord 1; Crawford Road Mission 11; East Hill 8; Ebenezer J. 1; Ebenezer L. 2; Fellowship 1; First Quincy 2; First Tallahassee 2; Havana 1; Immanuel 5; Lakeview 13; Monticello First 23; Santa Clara 4; Seminole 13; University Heights 17; Woodville 1.

One of the felt needs this year was more adult leadership in our program. Our thanks to everyone of our staff and teachers for their splendid dedication to their task and for the fine piece of work each did with his or her group.

We respectfully urge all of our churches to promote the attendance of Silver Lake Assembly well in advance of the assembly date to assure better planning of a program. Difficulty arises in planning adequately when we do not know approximately the number attending. If registrations could close one month ahead of the date this would help a lot.

We also urge the churches to furnish adult leadership for places of responsibility. PLEASE TAKE NOTE Our Assembly date for 1961 will be as follows: June 26 to July 1, 1961.

Respectfully submitted, H. C. Meador, Director

Baptist Student Union-Dr. Sam Lastinger gave the report as Dr. Moyle was attending another meeting; the report was adopted.

BAPTIST STUDENT UNION REPORT

Last year, as in the past four years, the Baptist Student Union at FSU achieved the distinction of First Magnitude, the largest State University in the Southern Baptist Convention and the only school in Florida to have this honor.

Last year saw the resignation of Miss Anne Embry, the Associate BSU Director who married Charles Rhinehart in June. The new Associate Director is Miss Bitsy White who began her duties in July.

Last summer there were two students from FSU who served the State of Florida BSU in Alaska and Miss Pat Loveland represented the State of Florida BSU in Nigeria. Approximately \$930 was raised by the students at FSU by baby-sitting, car-washing, and selling cakes for the summer mission program.

Three students worked on one of the state BSU Revival teams. They were Jack Yelvington, Preacher; Ernest Stoutamire, Minister of Music; and Sara Barnes, Seminar-Recreation Director.

Three students also worked for the Home Mission Board during the summer as well as some also worked at Ridgecrest on the staff. The Director was honored on his 5th Anniversary by the students' presenting him a plaque commemorating his leadership and a surprise reception.

Your continued prayers and support are requested.

Respectfully submitted, William R. Moyle, Dir.

Baptist Foundation-Stewardship-Rev. Ed Paeryman Chairman. The report was presented and adopted.

FLORIDA BAPTIST FOUNDATION REPORT

The business of the Foundation may be broadly described as that of promoting stewardship among our people, stewardship, not only of possessions but likewise of time, life and love.

The pattern for the stewardship of possessions has through the years been blessed abundantly and has abundantly blessed those who have followed that pattern. The tithe becomes the basis of the pattern, but if we do not contemplate the stewardship of substance in the light of the stewardship of life, love and time, we may be in a perpetual and difficult mathematical process trying to work out a way in which we can "make ends meet" as we attempt to tithe.

Many of our people ask: "How may I help the work of the Foundation in my Church? Since the work of the Foundation is largely in the field of making Wills, the creation of Trusts or Endowments for the support of our various Agencies, State or Southwide, you may greatly help our work by giving us information concerning friends in your Church who may have custody of some of God's money they want to use for such purposes.

We have not advocated the establishment of standing Committee in the Associations to promote this type of service for this reason; so much of our work has to do with the making of Wills and Wills are such severely private matters, that with a committee at work in the field, it might be thought by some that the information necessary to the Will (or Trust) would become the knowledge of the Committee and perhaps to the wider group under which the Committee serves. Let this be said-that NO INFORMATION in these respects goes beyond the MAKER OF THE WILL and the COUNSEL AND SECRETARY of the Foundation and is thus treated in strict and absolute confidence.

As we have intimated before to the Associations, we have an arrangement with the Annuity Board of the Southern Baptist Convention whereby people with smaller estates and who need the income thereof for life, may purchase Gift Annuities paying them a fixed income for life, at rates ranging from 3% at age 35 to 7.4% at age 80 with the privilege granted the annuitant of naming the Agency to which they desire the gift portion to be given. This gift portion is computed at the time the annuity is purchased and is payable to the agency also at the same time.

During the past year, one of our faithful friends has contributed a substantial "paid-up" insurance policy, establishing a fund, for Missionary Service. Another "Trust Fund" is in process of formation, having as beneficiaries two of the fine Churches in our State. An Educational Trust announced last year is now complete and moneys being added thereto.

THE MUSIC MINISTRY

Music is the common language to all. It knows no bounds. The voice is the only instrument not made by the hands of man but is made by our Divine God. Down through the ages the voice has been used to praise God in song. The Angels ushered in The Christ with song. The Gospel sang its way to Victory during the reformation. Today the Gospel has gone forth on Wings of Song. Many centuries ago Bach said--"One of the Noblest objects of music is the spread of religion and the elevation of the human Soul." It has been said--Music is a shower bath of the Soul, washing away all that is impure." However, much of our so-called music of today is cheap and the sentiment cheaper; but singing in the heart makes a new day and a new life.

Music is God's best gift to man, the only art of heaven given to earth, the only art of earth that we take to Heaven. Therefore, it behooves us as

Children of God to unfold and develop this art to the best of our abilities for the Glory of God.

Music is a worship experience and it is the responsibility and privilege of the church musicians to lead the congregation to a deeper and fuller worshipful attitude and reverence toward God. Music uses its content to help an individual find himself and through the use of sacred Music the individual not only responds emotionally but mentally and spiritually. So music is not just a part of worship but it is one of the most important stimuli for arousing man to a need for, and desire to, worship.

Therefore good music is one of the most powerful forces in the church for it develops spiritual growth, provides simultaneous, individual, and collective participation in worship and is of great psychological and emotional benefit. It leads the lost to Christ, builds Christian character and provides doctrinal teaching. It builds individual interest in the services. It utilizes the talents of young and old. It trains music leadership and develops appreciation. A good music ministry makes a musical church which is a singing, happy, prosperous church with increased attendance, interest, and income. God music has an evangelistic appeal and will attract the outsider who loves music but does not know the Lord.

In conclusion, it should be emphasized that the worship leaders are not to call attention to themselves but will be godly artists using every skill to make the worship experience real and vital. Let us help the people worship God. Let us train them in the wonderful art of worship. Nearly half of the worship service is musical. We have given it its rightful time. Now let us give it its rightful place, in budget, equipment, personnel, rehearsals, and preparation. Psalm 96:1-3: Colossians 3:16-17.

Color Sound Film-Jubilee Advance & Youth was shown and over 200 people were present to see the pictures.

Song-Leader W. L. Huguen with Miss Ellen Frazee pianist.

Special Music-East Hill Choir-Director, Ramon Meyer, Pianist, Ollie Dale Meyer, Violinist, Mrs. Ray Tindall.

The Baptist Retirement Centers Inc. Dr. Harold Sanders gave the report and gave a short report of the activities of the committee. He also thanked all who helped to make the program a success.

RETIREMENT CENTERS REPORT

8:10 PM Friday

Florida Baptist Retirement Centers is the newest department of missions and evangelism among Florida Baptists. Interest in the program is growing throughout the state.

Reports indicate that there are over 14,000,000 people in the U. S. who are sixty-five years of age or older, this number to reach 20,000,000 by 1970. Some 418,000 of them live in Florida of whom at least 50,000 are Baptists.

Work was begun on the building of the first unit of the Center at Vero Beach during the early part of September. It is located on the beautiful homestead property of Mr. and Mrs. Walter S. Buckingham which they gave to Florida Baptists for this purpose. Their generosity has made it possible for us to begin this new work much earlier than we could have gotten started otherwise. Groundbreaking Ceremonies were October 17.

The building now being constructed will consist of rooms for single residents, the lounge, the dining room, the kitchen and offices. Duplex cottages and cottages of other designs will be erected as requested and provided for. All single rooms will be provided with private bath and ample closet space. It is expected that this portion of the building program will be ready for occupancy in January of next year.

Those who are eligible for residency are retired missionaries, retired ministers and their wives and retired lay workers in the churches. They will be received upon recommendation of their pastors and their churches.

Beginning as we are it is not possible for us to accept responsibility for "life care". Contracts for "life tenancy" will, however, be issued upon residents fulfilling certain agreements in relation to the construction cost of the accommodations they will occupy. The charges to be made will only be such as will cover actual expenses though not including the expenses of the general office.

The building program presents a number of memorial opportunities such as the construction cost of a room which is \$3,500.00 (though the rooms will cost about \$4,000.00); the cost of furnishing a room-\$500.00, the construction cost of the lounge and that of the kitchen. Also furniture for the lounge and dining room must be provided. We will place a plaque on the door of each room provided for as a gift or a memorial with such lettering on it as may be desired by the contributors.

Those who are interested in helping to finance the building program may get in touch with the General Director, Rev. J. Perry Carter, 715 Palermo Avenue, Coarl Gables, Florida. Your help is needed now while the workmen are on the job and have their equipment there.

Address-My All For Christ-Dr. Paul Meigs, State Office Jacksonville. Invitation for young people to offer themselves to God's Call and for others to dedicate themselves to the Lord's Work. Eleven young people presented themselves while more than 30 others dedicated their lives anew.

Prayer for these volunteers was given by Dr. Harold Sanders. All new officers were presented to the association. New Moderator, Rev. John Hunt made a few remarks and called on Rev. C. A. Alexander the Vice moderator to close the 118th annual meeting with prayer.

The Association was organized at Ebenezer Church, Jefferson County, Florida, October 16, 1843.

Counties not otherwise designated are in Florida.

*Appointed the year before to preach the sermon, though it is not definitely known that he preached.

† Indicated the place of meeting decided upon the previous year; therefore, presumably the meeting place.

**Variously spelled in old Minutes "Friar," "Frier", and "Fryer."

The Association now embraces only Jefferson, Leon, Gadsden, Liberty, Wakulla, and part of Franklin County, all in Florida.

Record of 1866 meeting lacking.

Note: Spelling has been corrected to read "Ocholchnee".
