REPORT OF THE EXECUTIVE COMMITTEE OF THE WEKIWA BAPTIST FOR YEAR 1945-1946

The executive Committee of the Wekiwa Baptist Association has endeavored to carry on the work of the association for the interim between the annual meeting of the Association last October until this present meeting in the following way:

In the first meeting of the year a committee was appointed to study the present constitution and by laws and revise them for the Association's approval.

During the year the budget committee as appointed by the association last year prepared a budget for the association and presented it to the executive committee for its approval.

The Associational Sunday School Superintendent, brother Jimmie Haddox, found it necessary to turn in his resignation, and through a committee appointed by the Moderator, and by acceptance of the Executive Committee, brother W. L. Evans, Sr. was selected to the position, to which he has worked faithfully.

Dr. Maguire, our state secretary, was present at one of our meetings and gave us an inspiring message. He informed us that the Wekiwa Association gave more to Missions per capita than any other association in the state.

A committee was appointed to clear up the Pine Grove Church on the matter as to whether they were received into fellowship of this association. This committee was instructed to inform them that they were members of the association but due to the fact that they did not have a representation at the meeting last year they could not be given the hand of fellowship but that they were members of the association.

A school of missions was conducted during the year with most of the churches cooperating.

During the year our Moderator and Clerk left the association. The Executive committee declared the vice moderator to be the moderator and proceeded to elect Rev. A. A. Stulck as the vice moderator. Rev. M. C. Swicegood was elected as clerk to fill the unexpired term.

During the year the executive committee voted to ask each church to participate in the special offering for Foreign Relief fostered by the Southern Baptist Convention and request that each church do all they

could to get our association to reach their goal.

A committee was appointed to study the situation that exist in regard to Stetson University but this report is not complete.

The committee appointed by the executive Committee brought to the body a constitution and by laws for their approval that it might be presented to the association for adoption. It was Approved by the executive committee with the view of its being placed in your hands and for your adoption in the form as you have it in your hands. It is left for you as members of this association and as messengers from your churches to adopt as is or to make changes as you choose.

We endeavored to get a written report from 1. Treasurer, 2. Associational Sunday School Superintendent, 3. Associational Training Union Director and 4. Associational W. M. U. President each month, that we might be able to help or advise in any way possible. Sad to say we did not get this report each month.

Respectfully submitted,

Malvin C. Swicegood, Clerk

REPORT ON THE FLORIDA BAPTIST CHILDREN'S HOME ARCADIA, FLORIDA

Florida Baptists have always considered it a joy as well as a great responsibility to help provide a "Home" for those unfortunate Children designated by fate as orphans. The Florida Baptist Children's Home maintained for this purpose at Arcadia, Florida, under the direction and supervision of Mr. and Mrs. T. M. Johns, has had a year of combined success and disappointments. Success in as far as finances and co-operation from our Baptist people are concerned but sad disappointment over not being able to care for a greater number of those in need.

During the year out of 99 cases brought to their attention they were able to help only 39. The need is very acute for adequate and sufficient buildings to take care of the Baptist Children who knock at our door from time to time each year. But due to high prices and the lack of materials, plans for additional buildings have been somewhat retarded. It is tragic but never-the-less true that the needs of children do not wait because of high prices or the scarcity of building materials. Their suffering continues and they are even sometimes lost when proper assistance cannot be given when needed.

There are now in the home 141 Children, of this number 71 are girls and 70 boys. 12 of this number are under six years of age and do not attend school.

It is worthy of mentioning that most of the boys old enough to be in Service have been discharged and are making good adjustments to civilian life. Those who are a little older have resumed their former jobs held prior to going into service.

May we in closing, take this opportunity of suggesting to the Churches comprising this association that great effort be put forth in the coming year to increase the financial support of our Children's Home, in order that they might adequately provide for, and take care of the needy Baptist Children of our State.

REPORT ON COOPERATIVE PROGRAM TO WEKIWA BAPTIST ASSOCIATION

During 1945 all gifts through the Southern Baptist Convention Executive Committee amounted to \$5,736,000. Most of this amount was handed through the Cooperative Program and was divided among

the various boards and agencies on the basis of an accepted table of percentages. 50% went to the Foreign Mission Board, 23 1-3% to Home Mission Board, 4 4/9% to each of three seminaries, 10 1/3% to the Relief and Annuity Board, 1% to the W. M. U. Training School and 2% to the American Baptist Seminary (for Negroes) at Nashville. Counting the special World Relief Offering of this year, \$3,636,157, the total of Southwide gifts will probably amount to \$10,000,000.

Our Southern Baptist Convention in Miami, May 15, adopted the recommendation of the Executive Committee that for 1947 the designated and undesignated Southwide Cooperative Program goal be ten million dollars, including both current operating expenses and capital needs.

The first \$5,000,000 in undesignated Cooperative Program gifts will be divided to southwide agencies as follows:

Foreign Mission Board	46%
Home Mission Board	18%
Southern Seminary	5 1/2
Southwestern Seminary	5%
New Orleans Seminary	5%
W. M. U. Training School	1%
American Seminary	2%
Relief and Annuity Board	15%
Radio Commission	1 9/10%
Baptist Brotherhood	1%
Southern Baptist Hospital	1/10%

Above this \$5,000,000, Cooperative Program amounts will be divided among the agencies according to a table of needs for new building and increase of permanent facilities. The seminaries and the Home Mission Board will benefit most from these gifts beyond the first five million because the Foreign Mission Board had the summer special campaign for relief and rehabilitation.

We, as Southern Baptists, are urged to make the Cooperative Program the main channel of our giving in 1947. We want a million Southern Baptist titheers for Christ.

REPORT ON MISSIONS WEKIWA BAPTIST ASSOCIATION 76th ANNUAL SESSION

In compliance with the command of our Saviour "Go ye into all the world" our Southern Baptist Convention has made provision for the missionary enterprise in foreign lands, in the home land, and within the borders of the various states comprising the Southern Baptist Convention. In this report we will seek to show how well we have fulfilled our obligations during the past year and some of the needs that still must be met.

I. IN REGARD TO FOREIGN MISSIONS

The Foreign Mission Board of the Southern Baptist Convention entered a second century of service May 8, 1945. During the first 100 years of its existence the Foreign Mission Board appointed 1,347 missionaries to foreign fields. At the close of the century five and a half million Baptists were represented by five and a half hundred missionaries.

As we enter this century we face open doors and many adversaries. Some of the favorable conditions are accelerated transportation; a more compact world; a more intimate acquaintance with the whole world; the appeal from various nations for more preachers, teachers, medical missionaries, and others who can help rebuild wrecked countries; growing literacy; opportunities for giving relief; and the failure

of human philosophies and religions.

Some of the adversaries are our own indifference, Roman Catholicism, Communism, Mohammedanism, inconsistent living of Christians in this and other lands, racial and religious tensions, national and international conflicts.

What do we have to meet these opportunities and to overcome these adversaries? Briefly our assets are as follows: 2,000,000,000 people in the world; 605,000,000 Christians; 13,000,000 Baptists; 537 foreign missionaries of the S.B.C.; 22 missions in 19 countries, 2,922 churches and chapels in 19 countries; 267 primary schools; 25 secondary schools; 3 colleges; 12 academies; 34 theological and Bible training schools; 9 hospitals; 1 orphanage; 5 publishing houses and societies; 6 good will centers and clinics; and monetarily speaking: \$2,500,000 annual budget; \$1,000,000 for emergency; \$1,300,000 for rehabilitation; and \$50,000 for forward movement.

What do we yet need? 213 more missionaries; \$500,000 budget increase; \$1,000,000 more for emergency; \$700,000 more for rehabilitation; and \$2,950,000 more for forward movement.

At the last Southern B. C. meeting in Miami it was voted upon recommendation of the Executive Committee to raise \$3,500,000 for relief and rehabilitation. While at the present writing the goal has not been reached we have every reason to believe that the movement was ordained of God and shall yet be successful in reaching the goal. We are proud of Florida in being the first to reach and surpass her apportionment.

II. IN REGARD TO HOME MISSIONS.

The purpose of the Home Mission Board is to evangelize the homeland and help maintain a strong base for world missions.

After a rather unpretentious beginning the Home Mission Board came into its own at the turn of this century and the results to date are 44,895 missionaries appointed; 9,245 churches organized; 830,637 converts baptized; and \$28,850,000 contributed by Southern Baptists to the work of the board.

But the need today is great. 206 more workers are urgently needed; \$2,616,000 is needed to provide more and better missions buildings. At present we have 587 churches and missions and we need 326 more.

May we as Southern Baptists realize as never before the imperative need of maintaining a strong Christian homeland, a strong base for our world mission program.

III. IN REGARD TO STATE MISSIONS

Florida presents the greatest mission challenge of any state in our Convention. Transients, migrants, foreigners all march in a never ending line through our state. Our State Mission Board thru its Good Will Center work, work among Indians and negroes, and its program for helping pastors who are working with needy churches seeks to meet the challenge of Florida as a mission field. To date—during the first eight months we have received for the cooperative program \$336,000; for Stetson University \$86,000; and for all designated objects, which includes our Relief and Rehabilitation program, \$388,000.

CONCLUSION: We believe as Baptists that the name of Christ is the only name given under heaven among men whereby we must be saved. Our message for the whole world is Redemption, Repentance, Regeneration, and Resurrection power in living and serving. This gospel is not only to be proclaimed everywhere, but it is to be confirmed by Godly lives and compassionate hearts. The only way to meet the futile and fatuous faiths of a sinning, suffering world is not by compromising and diluting the Word committed to us, but by preaching, teaching, and exemplifying the gospel of our holy and loving God.

Open doors constitute our obligation to obey the command of our Lord and Saviour and, as speedily as possible, make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to observe all things whatsoever the Lord has commanded us.

"CHRISTIAN EDUCATION"

Today, to greater extent than ever before, young men and young women as well as older ones are seeking opportunity for higher education. High Schools, Colleges and Universities are crowded to capacity, and many applicants are being denied because of over crowded conditions. This quest for knowledge and training is the result of a better understanding of the increased need for such preparation, to meet the exacting demands of all branches of business.

While this is now pretty generally understood, is it not a pity that we are not equally concerned over the, more important, need for Spiritual training and development?

"And Jesus increased in wisdom and stature, and in favor with God and man."

In these words we have the pattern of growth as God intended.

Christian Education properly begins in the home. "Train up a child in the way he should go!" "These words which I command thee—thou shalt teach them diligently unto thy children."

Fortunate indeed is the child, today, whose earliest training is from a godly mother and father. Such teaching will place the emphasis upon the purpose of life and fit the training of the child to strive for that high ideal.

"I must be about my Fathers business". These words of Jesus clearly declared a nobility of purpose. The duty of the Christian parent is to lead their children to see that the making of a living is secondary to the making of a noble life, that will honour our heavenly Father.

Jesus continued to find favour with God because He held steadfast to His purpose and found complete satisfaction in same—"My meat (that which satisfies Me) is to do the will of him that sent Me, and to finish his work".

However, the responsibility of the parent does not cease with the home training and the completion of the public-school education. If higher education is to be sought, then the choice of the proper institution is a responsibility which we dare not neglect. Christian Education requires more than to attend a college bearing a religious label, or one where much is made of carefully guarded social life. Christian Education requires that the entire faculty be so submissive to the Holy Spirit that their lives and their teaching will be in harmony with God's word.

As Baptists we declare our faith is based upon the Bible as the Word of God and accept it as our guide-book in faith and practice. Throughout the Southland we have colleges and seminaries to which we give our endorsement and financial support. These institutions were intended to be the source from which would flow the streams of higher Christian education, preparing succeeding generations to "contend for the faith once delivered unto the saints".

This being the case we must be most careful lest we lend our endorsement and support to an institution that permits the placing of question marks after a statement in the Word of God through the injection of modernistic so called higher criticism. Proper fortification

in the home training will help our children to withstand such criticism should they encounter it.

Another important contribution to Christian Education is the putting into the hands of our people the splendid literature which our denomination makes available, such as our Baptist Witness, The Commission, Home Missions and the many publications of the Sunday School Board.

REPORT ON SUNDAY SCHOOL WORK

This is a good report. We could say that it is a glowing report for it reflects growth. Nine per cent increase in enrollment and ten per cent in attendance. But, considered in the light of our responsibilities, our possibilities and our opportunities we humbly acknowledge that any glow is the work of the Holy Spirit and we can claim no part of it.

We come to these conventions from year to year and give the reports of our achievements with much elation, we like to think of ourselves as a peculiar people, great people doing a great work but an examination of the records reveal that these are just average results.

Let us think for just a moment of our responsibilities. An examination of the reports from the various churches making up our association reveals that the church membership increases in direct proportion to Sunday School enrollment. This, then, confirms the Sunday School as the evangelistic agency of the church. This is as it should be. Our commission, given by our Lord himself, in the 19th verse of the 28th Chapter of Matthew is unmistakably clear. "Go ye therefore and teach all nations." This, then, is our responsibility, to teach—to teach all peoples. If the church of our Lord is to increase and prosper, it will be because we have fulfilled this commission.

Now look at our possibilities. It is estimated that 35% of our church membership is not enrolled in any Sunday School. If this estimate is correct, we have 2,940 within the membership of our own churches—an average of 147 for each church in the association. For each church member not enrolled, there is another that is a prospect. Here then is

2,940 unenrolled church members and 2,940 non-Christian prospects, a total of 5,880. This is more than our present enrollment.

Some time ago, someone made a survey of the public schools in Orange County and came forth with this startling information; 50% of the pupils enrolled did not attend a Sunday School anywhere nor did they express any church preference. Is it any wonder that juvenile delinquency is on the increase? Aren't the fields truly white unto harvest? No age nor generation has had greater possibilities nor have they had greater opportunities. We, the Sunday School teachers, have the greatest opportunity to serve our Lord and through him our cities, states and nation—yea, the world—more than any group of people on the face of the globe. Let us not fail. Here in the Wekiwa Association we are 432 strong but are we prepared for the task? Last year there were only 244 study course awards. One hundred and eighty-eight of us did not "study to show ourselves approved unto God," and only nine churches showed any interest in our associational activities.

Just now we referred to our commission, "Go ye therefore and teach all nations". As if reading the question in the minds of the disciples, we find our Lord, in the 20th verse, telling them what to teach—listen—"Teaching them to observe all things whatsoever I have commanded you". How can we teach that which we do not know? Do we not need to study? Study the word, methods of teaching it and ways to enlist, for how can we teach people if we do not know how? Will a person be saved if he does not know he is lost? Remember the words of the Eunuch—"How can I understand lest someone show me?" Under the leadership of the Holy Spirit all of the knowledge required can be obtained and through the grace of God, wisdom is promised those who will seek it and the Lord has promised that if we do these things that he will be with us always. Then, why are we waiting? If we wait, brethren, we are lost. Listen to this; the U. S. Government census bureau tells us in 1870 40.6% of our population were adults above the age of 25. In 1930 there were 52.4%. In 1940 it was 56.7%, and this same source estimates that in 1950 it will be 61.0% and in 1960, 64.8%. If this is true, we now have in 1946 59.1% of our population over 25 years of age and 75% of these have no church affiliation or make any pretense of a knowledge of God. What a situation! If these percentages hold true, within another 30 years we will have a population so top heavy with adult worldlings that their closing of our churches and Sunday Schools is not beyond the realm of possibility. God help us to recognize our opportunities now.

The preponderance of unchurched juveniles is not altogether a juvenile problem. It is more adult than otherwise, yet it is a problem. There are all kinds of agencies at work on the problem, but they are man-made and can not succeed,—the approach is wrong. Any change must take place in their hearts. They must be born again and where will they learn this except through the teaching that we give? These people that we are to teach are in the work shops with us, in our society, in many instances in our homes, and a great number of these juvenile delinquents are the class mates and campus companions of our children. We have to do a lot of living as well as teaching, in precept and principal, to and before those we love and cherish to offset the influence of the world. What hope have we to win others lest we place ourselves wholly without any reserve whatsoever, upon the altar of service.

Before this convention closes, you will have chosen your leaders for the ensuing year.. May God guide your choice. Among those chosen will be an Associational Superintendent and B. T. U. Director. One to supervise teaching and one to supervise training. Please, for the sake of the work, consider prayerfully these two. So much depends upon them. And after electing them support them. A leader can do nothing without followers. And do not forget, no one lives unto himself. If

there is a problem that confronts or a danger that threatens the cause of Christ anywhere within this association, it can be a problem of yours or a danger to you where you work. Let us fuse together in this association the interests of Christ into a solid that will withstand any and all threats from any source whatsoever, to the Glory of God and the salvation of men.

REPORT OF THE TRAINING UNION October 23, 1946

Train up a child in the way he should go; and when he is old, he will not depart from it, might well be paraphrased "Train up a Christian in the way he should go; and when he is old, he will not depart from it." Our association has achieved the goal of a "Training Union In Every Church." We cannot, however, rest there. Your associational officers have but one aim, now that the first goal has been reached, to help make those individuals who comprise the 84 Unions in our 20 churches, the best trained Baptists anywhere. In so doing, we know that in taking care of the spiritual side, the numerical gain will take care of itself. Well informed and well trained Baptists are shining lights who, by their influence, gather eager disciples for training in the work of our risen Lord.

19 Adult Unions, 15 Young Peoples Unions, 20 Intermediate Unions, 17 Junior Unions, and 13 Story Hours, are a satisfactory increase over the year 1945, but they present a challenge to the leaders for the year just beginning. 476 Study Course awards requested by 14 churches, are a gain also, but the challenge is still there. Where were the other 6 churches, and the more than 500 Baptists in the 20 churches of the association, who did not receive an award?

However, it is not so much what we have done in the past year that counts, but what we will do in the future. May God help us all to go forward in our Training Union program for the honor and glory of Jesus Christ.

We are indebted to the First Baptist Church, Orlando; First Baptist Church, Winter Park; and North Park Baptist Church, for opening their doors to the associational meetings during the year just ended. We also extend grateful thanks to those who had a part on the programs and to those who were so faithful in attendance at the meetings.

In conclusion, let us "Study to shew ourselves approved under God, workmen that needeth not to be ashamed, rightly dividing the word of truth."

Respectfully submitted,

REPORT ON THE RELIEF AND ANNUITY BOARD OF THE SOUTHERN BAPTIST CONVENTION 1946

I. Relief

The amazing growth of the Ministers Retirement Plan, promising a new day for multiplied thousands of our Southern Baptist preachers, has not led the Board to the conclusion that there is no longer a need for our relief department. Such a conclusion would be not only erroneous, but greatly disastrous, for there are other thousands who are today, or will become in after years dependent on the relief grants of this Board for even a modicum of comfort and ease.

There is now, and there shall continue to be, need for a strong relief department for many, many years. Indeed, the challenge of this hour is the need for greatly increased grants for our approximately

1300 beneficiaries now on the relief rolls of the several states.

Though we now have a relief budget of approximately \$180,000, a figure that will be increased as the income warrants increase, we might ask with Andrew, "What are they among so many?" The pitiful average of \$8 per month for widows and \$12 for aged ministers calls for a speedy revision upward in our grants.

Our funds for this needful work come to the Board from three main sources: (1) Earned income of relief reserves; (2) Cooperative Program receipts; (3) Fellowship offerings from the churches, together with sources: (1) Earned income of relief reserves; (2) Cooperative Program special gifts and legacies. For some years now in the Southern Baptist Convention Calendar of Activities, provision has been made for a consideration by all the churches of the work and needs of the Relief and Annuity Board, and provision has been made for special offerings in all churches during the month of April for ministerial relief. Also many churches take a special offering for our aged ministers at least once each year in connection with the Lord's Supper.

II. Annuities

In the several annuity plans of the Relief and Annuity Board there are now enrolled some 13,000 ministers and other persons employed in denominational service. There were reported 1742 monthly beneficiaries of these plans at the close of 1945. All pastors and employed lay workers of our churches may and should avail themselves of the benefits of these contributory retirement plans. The Widows Supplemental Annuity Plan, in operation in South Carolina since July 1, 1945, has already been, or will soon be, started in all the states. Let our preachers and other male employed workers ask their state executive secretary for informing literature concerning this plan.

REPORT OF WOMAN'S MISSIONARY UNION OF WEKIWA ASSOCIATION 1945 - 1946

"Look unto Me and be ye saved, all the ends of the earth, for I am God and there is none else."
Isaiah 45:22

Woman's Missionary Union of the Wekiwa Association has during this past year of 1946, made much progress in their endeavor to carry out the Aims of Woman's Missionary Union, Auxiliary to the Southern Baptist Convention:

PRAYER: In 1945 the Intercessory Prayer Leagues were formed in this Association with Mrs. Gordon Willox as Chairman. The first report was an excellent one showing how very worthwhile this work is. This year it is equally as good:

- 49 Cottage Prayer Meetings
- 70 enlisted in definite prayer
- 26 requests for prayer for the lost
- 17 won to Christ
- 12 rededicated lives
- 1 called to the ministry
- 2 called into special Christian work

Mrs. Willox states: "It is impossible to give an accurate report on prayer, as the power of prayer is too far reaching for human minds to analyze"

We are commanded to "Pray without ceasing."

STUDY: "Study to show thyself approved of God, a workman that needeth not to be ashamed, rightly dividing the Word of Truth." Woman's Missionary Union has endeavored to follow this command through Bible study and Mission study. In the Associational Library there are now enough new books to complete Courses I and II. This year, under the competent leadership of Mrs. J. W. Jones, Associational Mission Study Chairman, there were nine to graduate in Courses I and II, with Mrs. W. H. Bixby as the honor student with 57 Seals to her credit. I recommend these books to the Brotherhood and Pastors. Through the study of these books, one becomes informed of the work of Southern Baptist on the fields of the world. An informed Christian is a praying and giving Christian.

COMMUNITY MISSIONS: Community Missions is seeking to help those in your own community. Winning souls, manifesting Christian fellowship, maintaining moral standards in the community. Visiting the jails, hospitals, sick and shut-ins; giving aid to the needy, helping the fallen, comforting those in sorrow. "Inasmuch as you have done it to the least of these—you have done it unto Me.

STEWARDSHIP: "You are not your own, you have been bought with a PRICE." All that you are and ever hope to be; all that you have and ever hope to gain comes from God. He made us and then He bought us with the precious Blood of Jesus Christ, His dear Son, because He loved us so. He has commanded His children to bring all the tithes into the Storehouse—with a reward promised, that none of us can dare do without. "Prove Me now, if I will not open the windows of Heaven and pour out a blessing that there shall not be room enough to receive it." Are the windows of Heaven shut to you today? They are closed to some of the members of this W. M. U. Out of the membership of 542, and that should be doubled, there are only 274 tithers, a slight increase over last year. WAKE UP SOUTHERN BAPTIST! before it is too late.

EDUCATION OF OUR YOUNG PEOPLE: "Train up a child in the way it should go and when it is old, it will not depart from it." Through the Auxiliaries Woman's Missionary Union is endeavoring to give to the young people of the South a Mission education. There are three training schools in Southern Baptist Territory, One in Louisville, Ky., Forth Worth, Texas and Baptist Institute in New Orleans, La., with seventeen Florida girls training in Christian Service. Boxes of fruit, food, linens and other supplies, cards, letters and personal gifts have been sent these girls throughout this year valued at \$88.40. The Business Woman's Circle of the W. M. U. of Orlando First are educating a girl, Miss Hazel Hodge in Mars Hill College for definite Christian Service. We need to pray daily for these girls and give thanks to God for their answer to His call for Service. Mrs. W. J. Bixby gave to the Training School, in Louisville a most valuable gift. It was a first edition copy of "Memoirs of Ann Hasseltine Judson" printed in 1829. The book belonged to her grandmother and she prized it very highly. This is a priceless gift and we thank Mrs. Bixby very much.

I can truly say of these, "they have done what they could" to advance the cause of missions to the ends of the earth.

NOVEMBER: The State Leader's Conference was held in Jacksonville in November. I had the pleasure of attending. The theme of the Conference was "Building" and we were given a **BUILDER'S KIT:**

"Measure up to the test of Christ by the **Golden Rule**

Use the **Hammer** to drive conviction into your soul

Check by the right angle **Square**

Chisel off what is unlovely, un-Christian

There is not room for racial prejudice or greed or worldliness;

Cut them out at once by God's Grace, leave only

Your loveliness of Christ-Like Character."

"For we are building day by day
As the moments pass away
A temple which the world cannot see."

Miss Mary Christian, Southwide W. M. U. Representative was the main speaker and with this Scripture, she impressed us with the importance of service for the Master:

"Except a grain of wheat fall in the ground and die,
It abideth alone, but if it die, it bringeth forth much
fruit". John 12:24

Down through the ages, from every walk of life those who have attained lasting success, have been those who have lived lives of service. "For me to live is Christ and to die is gain."

"O grant us freedom; Lord, within Thy law,
To toil or worship, live or die for Thee
In Thy Name building that which shall endure
Beyond the little while we have to live."

This information and the plans formulated at this conference were brought to the members of the Executive Board in mimeographed sheets and through the year have been carried out.

JANUARY: It was my pleasure to represent the women of this association at the State Convention in January. Mrs. George Martin, our newly elected Southwide W. M. U. president who filled the unexpired term of our beloved president, Mrs. F. W. Armstrong, whom God had called home, was introduced to the women of Florida. A good speaker and a most gracious presiding officer. There were so many good speakers, missionaries and workers, and the messages they brought inspired us to determine to do more for our Lord.

During the war years because of rationing of gas and tires, all the associational meetings were held in the First Church in Orlando but this past year we have had the joy of meeting out in the other churches and have been able to reach more women. In January we met in the Apopka Baptist Church with Mrs. I. E. Bible, District Supt. of No. 1 Presiding over Program. Mrs. Roy Lassiter, State Stewardship Chairman, brought the inspirational message, making all who heard her more conscious of God's ownership of all we possess.

FEBRUARY: The Schools of Missions highlighted this month as well as the entire year's work. There were thirteen churches participating. Never have there been more than nine to have the Schools of Missions, this in itself, is a great step forward. Thirteen missionaries from all parts of the globe; Europe, Yugoslavia, China, Russia, Brazil, Rumania from foreign fields and those from the home fields with Dr. John Maguire and Miss Elizabeth Provence, making a great group of speakers whose hearts were full of love and concern for their adopted lands. The Schools were opened with a Missionary Banquet, where amid tropical decorations these speakers were introduced to the leadership of our churches. The Schools were closed with a fellowship meeting when the pastors, their wives and the missionaries came together to discuss the schools and bring in their reports. There were 13 classes held in the different churches for all ages, 637 enrolled. 1 conversion and 30 dedications. The total attendance for the entire week, 7,288. It is time to begin to plan now for your Schools and this year I do hope we can enlist every church because they are Church Schools of Missions which benefit the entire membership.

MARCH: Under the leadership of our Mission Study Chairman, Mrs. J. W. Jones, a Mission Institute was held at the First Church, Orlando with Miss Elizabeth Provence teaching. This Institute was held to teach us how to teach the mission books. It was well attended and much benefit was derived from a day of intensive study.

APRIL: The Quarterly Meeting was held in Pine Castle Baptist Church with Mrs. A. C. Chapman, Supt. of District 3 presiding over the program. Rev. A. J. Turner, pastor of the Kissimmee Baptist Church, gave us much to think about in his message, "Loveth thou Me more than these?" It was at this meeting that we had the Mission Study Graduating Class.

MAY: This month brought a wonderful surprise. I had the unexpected joy of attending the Woman's Missionary Union, Auxiliary to Southern Baptist Convention, meeting in Miami. I had my first air plane ride and arrived in time to represent this association at the opening session. This was indeed an honor. Such speakers as Mrs. W. J. Cox, Dr. Carver, Dr. Lrunk Lauback, Miss Gladys Keith, Dr. B. J. Cauthen, Dr. Alfred Carpenter and many others. We were more convinced than ever before that Jesus Christ is the only cure for a sin sick world. The theme was "To Serve This Present Age." and the Hymn "A Charge to Keep I have" was carried out through the entire meetings. You and I have a charge to keep and that is to see that this lost sin sick world finds the cure before it is too late.

"A charge to keep I have
A God to glorify,
Who gave His Son my soul to save,
And fit it for the sky.
Arm me with jealous care,
As in thy sight to live,
And O thy servant, Lord, prepare
A strict account to give.

It was at the Southern Baptist Convention in Miami that the decision was made to give 3½ million dollars for world emergency relief and rehabilitation. Our State was given the amount of \$155,400.00. The State W. M. U. took a third of this amount, or \$51,800. Wekiwa's Apportionment was \$3,677.00. This amount was apportioned to the 15 societies of this association with the instruction to send it through the treasury of the association, that we might get the credit for it. This is the policy of the association and has been for several years. It is regrettable that some sent their gifts straight to Jacksonville and although we will get the credit from the State if it was marked from the W. M. U. but there will always be a deficit on our books of \$500.00 short of our goal.

This giving to such an emergency need was a glorious opportunity to show our love for the Master. It really was a race with death, for while we were living in plenty, our neighbors across the water were starving to death. We sent our fine men and women as missionaries with the glorious Gospel message but how could they give them the message of God's love while there was no food for their bodies. Did you do your part?

JUNE: During the war the Stamps Fund was given to world emergency relief, keeping a small nest egg in the saving account for such a time that this work could be reopened. Last year at this meeting I reported that Dr. Stamps was on his way back to China and that Mrs. Stamps would soon follow. She did leave the States in February and on June 4th wrote us a letter stating that the Chinese were most anxious to have the kindergarten opened but that all their equipment was either destroyed or stolen and things were so high that she wasn't sure it could be opened but she was hoping that by September of this year they would be able to continue this work and to have the money ready so that when she called for it we could send it. We have in the savings account the amount of \$430.70. She wrote "I have never seen a time when it seemed so easy for the Chinese to believe the Gospel, pray for us." Won't you join us in praying for them and the reopening of the kindergarten?

JULY: Was another red letter month for this was camp time. in spite

of the Polyo scare we had a good three day camp. With Mrs. Garnett as camp manager; Rev. M. C. Swicegood, camp pastor; Mrs. L. L. Taylor, secretary and treasurer; Miss Nanette Zittrouer, song leader; Miss Elsie Reeves; Training School Girl; Rev. Creighton Oliver, State R. A. Worker; Rev. Miles Patterson, Bible Teacher and a corps of Mission Study teachers, and the 90 boys and girls really had a good time. There were 18 conversions and many reconsecrated their lives to the Master. There is a balance of \$258.16 in the Camp Fund, drawing interest and ready to be used to open the camp next summer.

In July the quarterly meeting was held in North Park Church with our own Margaret Fund Student, Miss Ruth Moore of Chili, bringing the inspirational message to our young people.

OCTOBER: The Annual Meeting was held in Winter Garden with Miss Elizabeth Lee of Palestine bringing the message about the little country that the whole world is interested in today. Miss Elizabeth Provence, newly elected State Young People's Leader brought information about Florida W. M. U. and the Great Commission. For some time we have planned to have a yearly book of reports and this year at the annual meeting they were given out. They are not perfect but it is a beginning and something we shall be proud of as the years come and go. Perhaps some of you would like to see this book and I have brought one with me today. It will be used for a reference book and every society should have one. This year the association bought a mimeograph and some equipment, we have mimeographed our programs, sheets of information for our associational books, camps books and bulletins, etc. and have found it a great help in our work.

For years we have talked reports, trying to get the members to see the importance of sending in their reports and on time. This year we have reached the goal. Every society reported each quarter with the exception of one society on April, they failed to get their report in due to serious illness. This is the best record this Association has ever been able to report. North Park W. M. U. is A-1.

(The financial report this year is the best ever:)

"We are laborers together with God" — "Go Ye — and make disciples of all nations" is the watchword for 1947. The Hymn—"Hark, the voice of Jesus Calling" May we hear His voice calling us to service and be ready with the answer—"Here am I, Lord, send me," as we go forward this year under the leadership of our new president, Mrs. W. G. Garnette.

As I come to the close of this six years of service as the president of this Woman's Missionary Union of Wekiwa Association, may I take this opportunity to say a great big "thank you". Thank you pastors for your fine cooperation, thank you members for your loyal support and faithful service and I thank this people for your patience in listening to the report. These have been years of joy and blessings and they shall linger in my heart and life to bless and sweeten it forever.

Respectfully submitted,
Mrs. C. T. O'Rork
Retiring President.
MOVE THE ADOPTION.

REPORT OF YOUNG PEOPLE'S LEADER

In spite of a change of Young People's Leader and the confusion and remapping of plans that follow such a change, in the beginning of the second quarter, our Young People have not only held their ground but have made some appreciable progress.

Of the 24 Auxiliaries reporting with a membership of 256 — We have a 16% of tithers, 20% subscribing to World Comrades and Window of Y. W. A. and 50% engaged in Community Missions activities; with

22% holding Mission Study Classes. They contributed to World Emergency Relief and Rehabilitation \$75.90.

We find that our Young People are eager and in some cases begging for Sunbeams, Girls Auxiliaries, Royal Ambassadors, and Young Women's Auxiliaries — but our greatest need is for Adult Christians who are willing to accept the great privilege of leading—Who are ready to answer "Here am I, Lord, use me." (For the bloom indeed is heavy, but if the bloom fall away ere the fruit is set, what d'oth it profit?)

Our prayer is that our Men and Women will, too, find that "It is hard to kick against the pricks" and share in this blessed privilege of leading our Young People—and earn that most coveted blessing, "Well done good and faithful servant."

Respectfully submitted,
Mrs. O. E. McGuire,
Young People Leader

REPORT ON HOSPITALS

Figures are cold things and only give half the story of the work done by our hospitals. Much of the service is moral and spiritual. However, it is interesting to note that most of the Southern Hospitals are operating at a profit, and are not a burden on the churches or State Conventions. Some help has been given for building projects and charitable work, but, aside from those objects, the appeals have been negligible.

The service rendered by our hospitals is worthy of our study, our sympathy and our prayers and assistance. Your committee would advise a careful, sympathetic investigation of the possibilities and needs of the two Florida Hospitals at Pensacola and Plant City.

Our Southern Baptist Hospital in New Orleans gives an annual report which is interesting and gratifying. 25,269 patients were admitted during the year and 849 persons were given free service at a cost to the Hospital of \$58,058.98. Operating income was \$1,317,478.84 with gifts amounting to \$14,423.55. \$108,372.92 was spent for building, improvements and equipment and \$118,260.29 was added to the surplus for the year. Forty-two young women were graduated from the school of nursing and seventeen doctors completed their fifth year of medical training. Fifty-four young women from the Baptist Emergency Home were given free service, and free service was also given to the missionaries of the Home and Foreign Boards. A gift of \$25,000 was also made to the Foreign Mission Board to establish a hospital in the African field in Nigeria.

Such a ministry of healing, love and encouragement should command our sympathy, gifts and prayers.

Respectfully submitted,
First Baptist Church of Winter Park,
R. P. Ingersol, Pastor.

REPORT TO WEKIWA BAPTIST ASSOCIATION ON SOUTH FLORIDA BAPTIST HOSPITAL

Building of the South Florida Baptist Hospital is no one man's job, neither is it a job of a few, but the responsibility of all, for all will be benefited regardless of creed or color.

We, as most of you know, have been waging a campaign to raise \$600,000.00 to build this hospital. To date we have in hand better than \$300,000.00 in cash and pledges, the latter being payable in one, two, and three years.

We have some 300 Baptist churches within a radius of 100 miles of Plant City, the proposed site. Should each of these churches give

only \$100.00 we would readily reach the goal.

Now is the time for Baptists to really do something for themselves, and their various communities. Seventeen other states of the South have from one to five hospitals and are building more. Surely they are not wrong. No, they are just three jumps ahead of Florida Baptists.

We have been preaching and teaching, which is all well and good. Wish we were doing more, but the time has arrived for us to complete the program left us by Jesus. It is preaching, teaching, and healing, which go hand in hand. Let us awake to the task.

Christian Service knows no season, that is your hospital will be open summer and winter, day and night, even while you are asleep, rendering Christian Service.

Don Walden
Gen. Chairman.

REPORT ON BAPTIST LITERATURE

Historians have long paid tribute to the power of the pen. They have laid to the power of the printed page such events as Revolutions, Reformation, and changes in the course of human history. Many great things have been created, moulded and achieved by those who have had a worthy vision and at their command a printing press.

In this day when the world is filled with so much religious propaganda, we must recognize and admit the effects of these religious pamphlets, papers, and advertisements of all types upon our people. We must also prepare our people with truth and knowledge that we might intelligently combat these heresies to the faith. An informed membership is a strong membership, therefore we should take advantage of the various publications of our Southern Baptist and State Conventions as well as the preached word to keep our people strong.

We as Baptist must earnestly seek the use of the Sunday School literature in our Sunday Schools; the resources of Training Union Materials in our B. T. U.; The Commission and the Home Mission magazines with their programs in our W. M. U., making of these organizations truly missionary enterprises of the church. And last; but not least, our state paper and religious books in the home. These things we ought not to leave undone while going about the many other tasks necessary to the functions of the church, else it will be said of us as pastors and members, "While your servant was busy here and there he was gone" (I Kings 20:40).

Gone will be our converts unless we stabilize until they are established in the faith.

Respectfully submitted,
George A. Downs

REPORT ON SOCIAL SERVICE AND TEMPERANCE

As we look around us today we can see that times are more perilous than a year ago: The sales of intoxicating beverages soar higher. License issued up to date of Oct. 19th, 1945 were 472, and during the same period of 1946 there were 66 more licenses issued.

Mr. Tidwell gives information that 1307 were arrested from Jan. 1st. to Oct. 21st, 1945, and during the same period of 1946 there were 1359 arrests. It seems that our churches are not accomplishing as much now as they were a year ago.

The devil is strengthening his forces rapidly, and we Baptist are satisfied to move in a mediocre way. The Morning Sentinel states that on the night of Oct. 21st., 1946, "The Agriculture Department announced that the Nation's distilling industry will be granted about 16

per cent more grain for making whiskey and distilled spirits in October and other subsequent months until further notice". This is going on while thousands of people are starving. In the light of this one fact alone, can we call our Nation Christian?

The Churches today seem to be making fair progress, which seems to be very gratifying to most pastors and leaders. But, we have miserably failed to meet the needs of our social order. We should quicken our pace and strive to keep up with the swift movements of our day. We are in the race, but the devil is far out in the lead. He spends millions of dollars each year advertising and making attractive in a most charming and deceitful way all the so called innocent worldly pleasures, while we content ourselves with the fact that we are making some progress.

It is needless to remind you that we are losing our hold on our young people and also adults. At least 75% of our young people lose most all interest in Church and Sunday School by the time they reach the age of fifteen, and many of the adults who were once loyal to the Church have fallen away. This certainly is proof that something is wrong with our Churches of today.

We prayerfully seek a remedy for these ills, and we desire to make a few recommendations:

1. That we make our own peace calling and election sure with God; that we be sure of a personal experimental knowledge of Jesus Christ as Saviour.
2. That we come out from among the world and be a separate people. (2nd Tim. 2:21): "If a man therefore purge himself from these, he shall be a vessel unto honour, sanctified, and meet for the Master's use, and prepared unto every good work."
3. That we give to our churches more efficient leaders. This can be done through a carefully planned program in every Church for consecration, Bible study, and soul winning.
4. That we make our Churches and Sunday School Class Rooms and Departments as attractive and as well equipped as humanly possible.
5. That we provide a more wholesome Christian recreation for all age groups. That we might have a social program that will take care of our adults as well as our young people.
6. We further recommend that the Executive Committee appoint a committee to secure, if at all possible, an early morning devotional period over one of our local stations, and that these devotional services be given and supported by the Churches of this association. And that the Executive Committee order the programs as it sees fit.
7. We also urge that all pastors and leaders give their voice and vote against all social activity and laws that are enacted to tear down and destroy the influence of the Church of the Living God.
8. That the Preachers, Deacons, Teachers, Officers, and Laymen, go out into the highways and hedges and compel men to come to the Lamb of God that taketh away the sins of the world; and that the Pastors and Teachers be more careful to present the uncompromising, and unadulterated Gospel of our Lord Jesus Christ.

Respectfully submitted,
Paul Hendley
Pastor of Pine Castle Baptist Church

ANNUAL MEETING OF WEKIWA W. M. U.

Oct. 18, 1946

The Annual meeting of Wekiwa W. M. U. was held in Winter Garden, October 18, 1946, with an attendance of 132.

The President, Mrs. C. T. O'Rork called the meeting to order at 10:30 A. M. After repeating our watchword, "Go Ye, and make Disciples of all Nations" and singing the hymn for the year, "Hark, the Voice of Jesus Calling", Mrs. John Boyland led in prayer.

The devotional, "Prayer and Missions", by Mrs. E. G. Rich and Mrs. A. E. Meadows, was based on several New Testament passages: Luke 24:49, Acts 1:8, Matthew 9:37-38, Matthew 18:19.

Mrs. A. A. Stulck presided over the Memorial Meditation honoring the six members taken from us during the year; Mrs. Elizabeth Spurlock, Mrs. G. A. Bryant, Mrs. Alice B. Newton, Mrs. Fred M. Treat, Mrs. Wallace Wood, and Mrs. Lorene R. Loppacher.

The business session was opened with the reading and accepting of the minutes of the July meeting. The Executive Board minutes were read for information.

Mrs. Allen, Chairman of the nominating committee, presented the names of Mrs. W. G. Talton as Training School Chairman and Mrs. Leona Swain as Prayer Chairman. They were unanimously elected.

Announcement was made that the following churches were eligible for the Efficiency Banner: Apopka, Beulah, Orlando First, North Park and Holden Heights. It was decided to award the banner alphabetically, Apopka received the banner.

Mrs. Rowe then presented the Book of Reports which was accepted.

Mrs. O'Rork thanked Mrs. Rowe and Mrs. Golden for their work on the report.

Reports from associational officers were given at this time. At the close of this business session, Mrs. O'Rork thanked the association for its loyal support and cooperation during the six years of service together.

Miss Elizabeth Provence then sang, "More Holiness Give Me", after which she introduced the missionary speaker, Miss Elizabeth Lee, of Palestine.

Miss Lee gave us a vivid picture of Palestine, its physical setting—its people and their needs. Since she is a medical worker, she told us many interesting facts concerning the hospitals and the opportunity for service in this field. She told us of the Geo. W. Truett Baby Orphanage in Nazareth which is under the supervision of Mrs. Hagood and Kate Ellen Gruver, and the wonderful service they are rendering the people there.

At the close of Miss Lee's message the offering was taken, after which Mrs. Bixby presented Mrs. O'Rork with a gift from the association, expressing in a small way their love for her and their appreciation

of her most capable and loyal service through the years. Mrs. Allen also presented Mrs. O'Rork with a lovely bouquet of flowers.

Following Mrs. O'Rork's response, Mrs. Bixby dismissed with prayer and thanks for the lunch to follow.

Afternoon Session

The afternoon session was called to order at 1 P. M. After singing, "Come Women Wide Proclaim," Mrs. O. E. McGuire led in prayer.

The officers of the association were then installed, Rev. M. C. Swicegood giving the charge. He chose as his scripture Second Timothy: 1 The theme of his message being the wise use of time. He referred to Time as "The Fundamental Commodity of Life," and urged that much time be spent in good reading, prayer and soul-winning with prayer.

At the close of the installation service, Mrs. O'Rork surrendered the gavel to Mrs. Garnett, the incoming president.

Following the singing of, "In the Hour of Trial", by Miss Provence, she gave us a clear vision of the work of Florida W. M. U. and its relationship to the Great Commission. She urged that we take personally the Great Commission, putting Kingdom work first, and going in the power of God. Much stress was placed on the importance of Community Missions.

The Young Matron's Circle of Orlando First Church then presented a stewardship playlet entitled, "Lord, Lead Me." It was well presented and full of truth.

Announcement was made that the January meeting would be held in Winter Park.

Miss Elizabeth Provence dismissed us by singing one verse of, "Open my Eyes, That I May See".
