REPORT ON CHRISTIAN LITERATURE

There seems in this age in which we live, to be no end to the making of books. More books are made and sold today than ever before.

Many of these books are good; very many are corrupt. Our people need to acquaint themselves with the books and know how to choose the best.

We have in our denomination, books and literature for every need for the human mind. Only a few are called to your attention for consideration.

The first book to read is the Bible. Then come the denominational periodicals: Sunday School, Training Union, Brotherhood and Women's Missionary Union. There is the fine magazine, Home Life, which every Baptist family should have in the home.

Without fail every family should read our State paper, "The Baptist Witness," "The Commission," and "The Home Mission." These magazines give us the information we need about home and foreign missions.

Our Baptist Book Store will help you to select any book you need and will be pleased to serve you.

Respectfully submitted,
G. L. BROWN, Pastor

REPORT ON CHRISTIAN EDUCATION

Education in our times is a necessity. The importance of education does not have to be argued anywhere. It is the chief defense of our country. If Democracy is to survive in our time, it must be through the continued and ever enlarging program of Christian Education.

The Church, the home, and the Christian College must provide an ever enlarging flow of leaders who have been trained in Christian

education. Baptists are striving with energy and much powerful effort to provide for this need.

In DeLand we have our own beloved Stetson University. Last year Stetson University had 2,615 students enrolled, out of this number 118 were ministerial students, and an equal number were preparing for full time Christian Service. The Spirit of Christ is being felt more and more upon the campus of Stetson. We now have on hand \$100,000.00 for a Religious Center to be erected on Stetson's campus. This Building will meet a great need, and is a project that every Pastor and every Church ought to support fully.

Aside from its own curriculum Stetson University carried on the work of Christian Education with Special Rallies and many conferences. Preaching and teaching and counseling and assisting in working out Church problems have been at the center of this good work.

A recent survey of the ministers of our State reveals how much this work is needed. Sixty per cent of our ministers have not had Seminary training. Of those who answered the Questionnaire, forty per cent have not even had high school training. This picture presents a great challenge, and Stetson University is seeking to meet it.

In our State we also have for the purpose of training our Ministers and Christian Workers, the Baptist Bible Institute at Lakeland, Florida. This Institution continues to amaze us with its phenomenal growth in buildings and equipment, in Student Body, and consecrated Christian Spirit. We urge your prayers and support for this growing Institution.

The total enrollment in all Southern Baptist Institutions—Seminaries, Training Schools, Senior Colleges and Universities, Junior Colleges, and Academies—is 54,979. We must continue our support to all our Institutions.

The World is thronged with trained technicians with uneducated hearts, who have no awareness of the World's need and no passion for the World's people. The World is aflame with revolt, yet these dynamic changes can never be given a moral direction by men who have no Christian convictions—by technicians who have never known Christ.

The challenge of our times lies before us. By the Grace of God, let us rise up as one man to meet it with power, conviction, and support.

Respectfully submitted,
FAYETTE L. HALL, College Park Baptist Church

REPORT: SOCIAL SERVICE AND TEMPERANCE

By John R. Chiles

The first means that we as Christians want to register our opposition to immorality, gambling, obscene literature and pictures, waste and wickedness of all kinds.

The most effective way to prevent destructive streams of evil is to dry them up at their sources. We can think of the causes and then we can think of the cure. Known to all are the places, institutions and in general the people who stand for and propagate the above mentioned evils. A remedy is: "Prove all things; hold fast that which is good. Abstain from all appearance of evil" (I Thess. 5:21, 22).

By temperance we mean total abstinence from alcoholic drinks for beverage purposes. Hear the Scriptures: "Wine is a mocker, strong drink is raging and whosoever is deceived thereby is not wise" (Prov. 20:1); "nor drunkards . . . shall inherit the kingdom of God" (I Cor. 6:10).

Our nation is becoming more and more a nation of drunkards. For 1948 the amount spent for wine, beer and whiskey was \$9,640,000.-000. Converted into silver dollars, and laid flat, edge to edge, this amount would make a line 228,000 miles, more than nine times around the globe. Average consumed per person, upon an estimated population of 144 million people, was over 20 gallons at a cost of over \$66.00 per person (Chamber of Commerce U. S. A. reports given by Fred T. Barnett).

Mr. J. E. Webb, whose mammoth drug store at St. Petersburg is known as Webb City, says as of July 31, 1948: "Although I made \$100,000 profits on the sale of liquor the past year, I have quit the business of selling it, because I followed the bottles home, observing how much misery and poverty and crime they were responsible for."

Judge Joseph Zotolli of the Municipal Court of Boston told the U. S. Senate committee in the hearing on the Capper Bill: "For every dollar collected in taxes from liquor, the state expends at least five times as much to salvage the breakage caused to the social fabric."

What we see before our eyes and what we ought to try to do.

1. Beverage alcohol is an evil and only evil in any form; refrain from it as from a deadly habit forming drug.

2. Do not vote for people who vote for it, no difference how high or how low the office may be. Only thus can we relieve ourselves of the awful responsibility of making drunkards. "Woe unto him that giveth his neighbor drink" Hab. 2:15.

3. Some of the drug stores are selling whiskey; we are thankful that medicines can be bought and prescriptions can be filled at some that are drug stores only.

4. There are many, very many grocery stores, where you cannot send your child to buy a loaf of bread or a bar of candy without being confronted with stacks of cans of beer, as if this the largest seller in the old time saloon, and a tracer for hard liquor, had become an innocent and reputable food for the housewife to carry home with her. There are stores that do not sell it, at least one large chain store that does not. If the church members in Orange County would do their duty right at this point, it would count for a good deal. Make inquiry, and act.

5. Most night clubs are harmful to the virtue and sobriety of our people and especially the young, whose interests we are to guard sacredly as far as we can. The stores that sell us food and clothing close before dark. These are open past midnight and on into the morning toward the coming of the day, taking away the rest and peace at least in some instances, even of those who live a right considerable distance away. The county commissioners control this. The wants of the people ought to be made known to them, and when the time for elections come, inquiry ought to be made and the rights of suffrage exercised. "For they that sleep sleep in the night and they that be drunken are drunken in the night" (1 Thess. 5:7).

6. Also we ought to deplore wars as prolific sources of lust, license, lewdness, adultery and drunkenness.

"Pray for the peace of Jerusalem;
They shall prosper that love thee.

Peace be within thy walls,
And prosperity within thy palaces.

For my brethren and companions' sakes,
I will now say, Peace be within thee.

For the sake of the house of Jehovah our God
I will seek thy good." (Ps. 122; 6-9 R.V.)

REPORT OF SERVICES RENDERED AT FLORIDA STATE TUBERCULAR SANATORIUM, OCT. 1, 1948 TO SEPT. 30, 1949

By John R. Chiles

Dear Brethren and Sisters in Christ: I thank the Lord and the members of the Churches of Wekiwa Association for the privilege of engaging in this work in this great state institution during this past two and a half years.

The nature of the work is of a distinctly spiritual character: prayer, words from the Scriptures, quoted and read, passages in the Bible explained when called upon to do so by any and all patients, special effort to lead the unsaved to Christ, spiritual help to all Christians as far as they have gone in faith and obedience, and encouragement to go on farther, kind words about Christ and for Christ to all who seem willing to hear them, but nothing pushed on anybody. It is a state institution and the rights of all are due to be respected. The chaplain also reserves the right, within himself and for himself, to hold full standards of truth and not to lower them in any way by commending or partaking of what he considers to be errors of faith or unfaith. Firmness and kindness here promotes both confidence and respect.

All who go to surgery are prayed with before they go, when it is known and wanted, as it usually is by Jew and Gentile, Catholic, Protestant or Baptist, all alike that they may be spiritually and physically prepared for it, and that the hand of the surgeon may be directed by the hand of God.

Those who are Baptists: an effort is made to indoctrinate them by use of catechisms, tracts, explanation of truths we hold, and the two ordinances we practice. There have gone home this year nine convalescents who said they were prepared for church membership. Two men and two women died during the year who had hoped to be able to go home, and three of them at least to join Baptist churches. There are ten there now who have made professions of faith and expect to join when they go home. There are also three colored men who have proven themselves ready for baptism and church membership.

All these who have been counted as converts have first shown an interest in their salvation. I have read the Scriptures to them, or as in most instances have had them read aloud to me such passages as John 3:1-16 and especially Rom. 10: 6-13. I have prayed for them, joined sometimes by other patients in their room, they "have called upon the name of the Lord" themselves for forgiveness and salvation on the terms of repentance and faith, followed by oral confession and a week of waiting for "the Spirit to bear witness" of full assurance. "The trial of your faith being much more precious than of gold" (1 Peter 1:7) this chaplain has seen over there.

The number of personal contacts during the year are listed at 1995. Some of these have been very brief, and some of them with as many as six in a room at one time, a few words to each one and a prayer for all.

In the wing of the building occupied by colored people, I sometimes ask each one in a room to tell what the Lord has done for them; again what they hope to do for Him when they are able to go back home; and at another time where all are Christians to have a circle of prayer.

Have to keep records so as to know when the rounds have been made. An effort is made to see each one once per month, and in case of special need once per week. Pray for this important work, "for without Me ye can do nothing." (John 15:5).

MUSIC REPORT TO WEKIWA ASSOCIATION 1949

Music is used as a proper setting for many situations. Music is universally used to prepare the heart and body for various desired reactions. The most evil heart can be moved under the proper setting of music. The greatest sin can be forgotten for a time with the right type music with words of a gospel background. Words condemning to the act of sin, soothed with the love of God revealing His mercy. Many great sermons are sung from the voice and heart of a Christian soul. Music reaches more deeply into the human heart than any other method of presentation of the Gospel of our Lord Jesus Christ. Then, in the light of these heart-searching statements, with recognition of the soul-lifting power of music, both to the Christian heart and the sinner's heart, we present to you the desire of the Musical Program of our Convention.

The music program of Florida Baptists, and of the Southern Baptists, is aiding scores of churches in having God-honoring and Soul-lifting music. The Music Training Course has been broadened. Many new tracts and pamphlets on music have been published, and are available, free of charge, from our State Music Brotherhood Department. Many schools of music have been conducted by workers from this department in every section of the state.

One of the principal objectives of our state department this coming year is to establish in each association a music committee to promote good music in every church. Our association is asked to elect each year an Associational Music Director through whom our state men might work. This annual meeting of the Association is the time to do this. Together with the one this Association chooses, the state director will plan a meeting of representatives of each church to discuss plans for reaching every church with help for its music program.

REPORT OF THE BROTHERHOOD

The Baptist Brotherhood is a fast growing organization in our Baptist life. According to Mr. Porter Routh, our statistician for the Southern Baptist Convention, Brotherhood work has more than doubled, and the number of men enrolled is up about 125%.

The work in Florida has kept pace. In the last twelve months nearly one hundred Brotherhoods have been set up with total enrollment expected to increase by about 50%.

Mr. George E. Linney has been added to the staff as an assistant to Mr. C. A. Holcomb, our State Secretary of Music and Brotherhood work. Mr. Linney devotes most of his time to the Brotherhood work, while Mr. Holcomb gives himself to music and the supervision of the brotherhood work.

Plans are laid for a great motorcade from all parts of the state to meet at Daytona Beach and assemble in the parking lot across from the First Baptist Church of Daytona Beach for the grand opening of the state Brotherhood meeting.

At the present we have 282 men enrolled in twelve Brotherhoods of the Wekiwa Baptist Association.

REV. LeROY CURRY

REPORT ON HOSPITALS

Much of the work done in our Baptist Hospitals is work along the line of Moral and Spiritual development. Therefore, to give a list of cold figures does not give us a true picture of the work being done in our Baptist Hospitals. We as Baptists do not do very much for the support of these hospitals in comparison with what they do for suffering humanity.

This service rendered by our hospitals is worthy of our Prayers, sympathy and as much assistance as we can possibly afford. We could not begin to give you a complete list of figures as to the amount of free services rendered by these institutions. Apart from the free services rendered there is much Christian training imparted to the nurses who take up work with them. In this state there are in process of development three great Baptist Hospitals. One at Pensacola, one at Tallahassee, and the one closest to this association at Plant City.

Our Lord went about preaching, teaching and healing, therefore setting for us an example. Dare we do less in proclaiming the full ministry that is His? Our Baptist Hospitals have been the means of bringing many into the Kingdom through the years. A denominational hospital that is distinctly Christian can serve its patients in a way which is not and can not be true in any other type of hospital.

I know of no other way in which we can enhance the glory of God than by carrying out His great commission in each of the three ways in which He went about doing good. Much misspent money could be well spent to the glory of God by investing it in one of our great Baptist Hospitals and making Christ radiant in the lives of the patients unto whom it ministers.

MALVIN C. SWICEGOOD

WEKIWA SUNDAY SCHOOL REPORT—YEAR 1948-1949

As the year 1948-49 ends for our Sunday School Associational work we find that it has proved to be by far the most successful from the standpoint of accomplishments of any in the history of the Wekiwa Association.

Never before have our people rallied in such a coordinated effort to better their Sunday School work through participation in their Sunday School Association. We are very quick to attribute all of the great successes of the past year to the will of our Father in Heaven who has been with us through every endeavor.

We have been most fortunate in having during the past year outstanding Departmental Leadership. Mrs. Lloyd King, the Associate Superintendent in charge of Enlistment and Enlargement has helped us maintain a complete organization of workers. In addition to this we feel sure that when all the Sunday School reports are tabulated there will be a considerably increased enrollment in every Sunday School within this Association, thus resulting in a great increase for the Association at large.

Miss Blanche Schopke our Daily Vacation Bible School Superintendent has done a very excellent job in this phase of the work. Every Church in the Association has had a Vacation Bible School this year. There was one Negro and one Mission School conducted. We believe this to be the first time in its history that our Association has participated 100% in Vacation Bible School work. We heartily congratulate Miss Schopke on this outstanding achievement.

Our Sunday School Training program during the past year has advanced in a marvelous way under the very capable leadership of Mr. Frank A. Taylor, our Associate Superintendent in charge of Training. Every month during the past year your Association was among the highest in Sunday School Awards for the State of Flor-

ida. This Association became the first in the history of Florida Baptists to conduct a simultaneous Sunday School Training program in 100% of the Churches within the Association. Church Planning meetings were also conducted in all of the Churches at this same time thus allowing much to be accomplished in this field. There were 1585 Awards for Sunday School Training presented during the year. This is by far the greatest number ever attained by this Sunday School organization. We congratulate Brother Frank A. Taylor on the outstanding results in this great field of Training.

During the year the Standard of Excellence was promoted continually with the ultimate objective of becoming a Standard Sunday School Association. This great desire was accomplished at the meeting in September, at which time with 8 of the 21 Churches Standard we applied for the Associational Sunday School Standard of Excellence which has been approved by the Sunday School Board of the Southern Baptist Convention, thus becoming the first Standard Sunday School Association in the history of the Wekiwa Association. Those Churches achieving the Standard of Excellence are as follows: Delaney Street Baptist Church, First Baptist Church of Kissimmee, Conway Baptist Church, Plymouth Baptist Church, Pine Castle Baptist Church, First Baptist Church of Winter Park, Holden Heights Baptist Church, and Fort Christmas Baptist Church.

May we in closing this report of outstanding accomplishments express our sincere gratitude to all of you who have been so very cooperative in making the year's work so profitable. May God bless every one of you, and may you in turn continue to lend your support to this Sunday School Association during the coming year as you have so well done during the past.

Respectfully submitted,
R. PHILIP EARNEST, Superintendent

REPORT ON MINISTERIAL RETIREMENT

We are grateful that our denomination is slowly but surely moving into a mighty program of making provision for ministers who break in health or wear themselves out in their work of love. Voices of thousands of our faithful preachers are crying today as with the Psalmist, "Cast me not off in the time of old age; forsake me not when my strength faileth" (Psalm 71:9). The material and financial needs of these aged, God-called servants of the Churches are being met by the Relief and Annuity Board of our Southern Baptist Convention. The amazing growth of the Minister's Retirement Plan promises a new day for multiplied thousands of our Southern Baptist preachers.

Both the congregations and the pastors of our Churches should have the security which the Retirement Plan provides. Should a pastor lose his health there is no occasion for the church to carry the responsibility of his support as in the cases of many throughout the years. On the basis of the number of years of service, their salaries, and their own participation, they receive an income for the inactive years. This program of protection is sound, practical and Christian. It is the gracious thing to do.

While approximately \$190,000 is received through the Cooperative Program by the Relief Department of our Board, we should remember that this amount is far too low in meeting the needs of those ministers who have not taken advantage of the Retirement Plan. Our Churches are given the opportunity in April of each year to contribute to the needs of our preachers. Every Church in our Association should have a part in this worthy and needy program. Many Churches set aside one or two Lord's Supper services during the year and direct the offerings taken into the channel of Relief for Aged ministers.

Respectfully submitted,
C. CLEVELAND KISER, JR.

AMERICAN BIBLE SOCIETY

By H. O. Reynolds

The American Bible Society is the sole American national and international society organized with the single and simple purpose to encourage the wider circulation of the Holy Scriptures without note and comment. It is a non-profit organization and is supported by gifts. It makes the Bible available to a person in his own language, at a price he can afford, or free if he cannot pay. It supplies the Scriptures to the blind in Braille, other raised-letter systems, and records. Working in cooperation with the churches and the denominational mission boards, the Society serves every form of Southern Baptist work at home and abroad.

Many in darkness are receiving the Bible. During 1948, the American Bible Society distributed at home and abroad 846,319 Bibles, 1,388,441 Testaments, and 7,481,491 Portions, a total of 9,716,251 volumes.

Yet, the Society is still receiving emergency requests from many countries of the world. Millions of volumes must still be supplied. The worldwide shortage is estimated to be a minimum of 20 million Bibles and 40 million New Testaments. In 1949 the Society needs \$4,035,925 to carry on its work. The American Bible Society is the only agency equipped to supply the needed Scriptures on a world-wide scale. The Christian people of America are the only ones who can supply the needed money.

Southern Baptists recognize the American Bible Society as an essential part of our own program of world-wide missions. In 1948, the Southern Baptist churches gave \$106,739 to the American Bible Society. Our continued support is needed. Send contributions from individuals or your church to Florida Baptist Convention, 218 W. Church St., Jacksonville 2, Fla., marked for "The American Bible Society."

ANNUAL REPORT OF THE WOMAN'S MISSIONARY UNION

Woman's Missionary Union during the year 1949 had for its watchword the 12th verse of the 145th Psalm—"To make known to the sons of men, His mighty acts and the glory of the majesty of His Kingdom." This is called David's Psalm of praise and thanksgiving which has been preserved for us from this great writer of Psalms. In this Psalm we read, "Every day will I bless Thee and I will praise Thy name forever and ever. Great is the Lord—and greatly to be praised."

As I make my third and last report as president of the Wekiwa Woman's Missionary Union, I am grateful to report that the women in this Association have increased in all phases of the work. Our aim is to make a ten per cent increase each year, so as we increase in members we can increase in attendance, mission study and giving. There are 22 Missionary Societies in the Association with 762 members. During the year three new Societies have been organized, including Forest Park, Conway, and Fairview Shores, making a total of seven new Societies in the past three years.

The number of subscriptions to our Missionary Magazine has greatly increased this year, there are 885 subscriptions to the following magazines: Royal Service, The Commission, Southern Baptist Home Mission Magazine, and the Florida Baptist Witness.

To be an A-1 Missionary Society there must be two Mission study classes each year, and every woman is urged to read our mission study book, for as we study and learn of those in darkness so will we increase our giving to missions. During this year 29 Mission classes have been held, with 285 women completing the book.

The women of the Missionary Union are always interested in the School of Missions and help each year to carry out the plans for the school.

Community Missions is a great part of our work that helps to make known His Mighty Acts to the people in our own community, for by manifesting Christian fellowship through efforts to win the lost and indifferent to church membership, by ministering to the needy, and the sick by trying to uplift the fallen and those in prisons. Emphasizing those moral standards that pertain to community life and accepting our responsibility as Christian citizens, to stand for and promote family worship, Christian observance of the Lord's Day and promote wholesome recreation for our Young People. Fourteen Missionary Societies with many of their members participating have held services in the jails, had cottage prayer meetings, visited in the T. B. Sanatorium and County Home. They also helped in relief work and placed our own religious literature in public places.

Woman's Missionary Union stresses Stewardship, for as we are faithful stewards of our time, money, and talents so we are able to make known the mighty acts of our Lord. Southern Baptists are urged to become tithers. 331 women are reported as tithers, which is more than a 10% increase over last year.

Our object for which Woman's Missionary Union was organized was to enlist and train the young people in our churches in Missionary education for they will be the leaders of tomorrow. Our Young People's leaders have increased the efficiency of our auxiliaries so much that they have been awarded the State Efficiency Banner for the past two years. We are grateful for these leaders and for what they have accomplished in the Young People's work. The outstanding object for our Young People is our camp which has been held for the past eleven years, where Young People, Counselors and Missionaries spend several days studying together. We feel that the camp has made it possible for our Young People to receive this banner which we should be very proud to hold and strive to reach this goal again.

We are happy to report that ten acres have been given for a camp site and in the near future, we hope to start a camp which will be available for camp or retreat to be used by all organizations in our churches.

The women of the Missionary Societies are always interested in the Children's Home in Lakeland. During this year they have given \$146.00 to help furnish one of the new buildings. They also send large numbers of coupons that they use to supply the home with refrigerators, blankets and other furnishings.

The Key West Mission which is in need of furnishings for a new building, has been given \$307.00 by the women of Wekiwa. Boxes of crayons, scissors and other supplies for the kindergarten have been sent by many of the local societies.

Our women continue to send boxes of clothing and hope boxes of food to the people of the war torn countries who are in such great need of material and spiritual help. Many letters of appreciation have been received for these packages that our Missionaries have given to these people.

At each quarterly meeting outstanding speakers have brought inspirational messages. Miss Josephine Jones conducted a clinic at the January meeting. Mrs. Roy Lassiter, State W. M. U. president spoke in the St. Cloud Church at the April meeting. Dr. and Mrs. Stamp were present at the Young People's Rally in July giving information on recent conditions in China.

We are grateful to our Heavenly Father for what has been accomplished by the Wekiwa Women's Missionary Union this year, and we pray that each year we may grow in Grace and in the knowledge of His Mighty Acts.

Our watchword for the coming year is Luke 1:79. "To give light to them that sit in darkness and in the shadow of death, to guide our feet in the way of peace."

Respectfully submitted,

MRS. OLA B. GARNETT, President of the Wekiwa W. M. U.

REPORT OF THE WEKIWA W. M. U. ASSOCIATIONAL YOUNG PEOPLE'S LEADER

1948-1949

For this year we have had as our watchword, "Laborers together with God—to make known to the sons of men His mighty acts and the glory of the majesty of His kingdom." It has truly been a privilege to have a small part in leading our young people to a greater realization of the greatness and the glory and the majesty of His kingdom. Surely through our Auxiliary work we have an outstanding opportunity to teach and train. The year has been busy but as we look back we see many things left undone entirely or partly finished.

In November we were privileged to attend the State Leaders' Conference in Miami. Here we learned the changes in the work for the new year and benefited greatly in the discussion of problems and how they had been met. In March we represented the Association at the State W. M. U. Convention at Daytona Beach. Here we attended

all of the programs and conferences. Young People's Night of the convention we had the State Coronation Service at which time Patsy Hickman, North Park and Dianne Ratterree, Kissimmee, received their sceptre for their queen with scepter step, and Lancine Zittrouer, North Park, and Joyce Robertson, Kissimmee, were crowned queens. On this night we were again awarded the State Efficiency Banner for the past year.

During the year one of our outstanding accomplishments has been an Associational wide observance of the focus weeks at which time the eyes and attention of the local Church is focused on one of the Auxiliaries. A full week full of activity for the members of that Auxiliary. These Associational events were in charge of the Associational Counselors for that Auxiliary. In November, Mrs. W. S. Singletary held an R. A. Conclave at First Church, Orlando, with Mr. Cecil Rathel, State R. A. Secretary, as inspirational speaker. In February, Mrs. M. F. McSwain conducted a G. A. Rally at North Park, having several speakers of different nationalities and collecting a basket of fruit to send to New Orleans. In May Mrs. O. E. McGuire had a Sunbeam picnic at Rock Springs where the Sunbeams enjoyed a playlet, mission study, a picnic, and did a community mission project. In August, Mrs. E. M. Walling had a Y. W. A. picnic at Lake Lorna Doone with our beloved Mrs. C. T. O'Rork inspirational speaker. The G. A. also enjoyed a visit to the Jewish Synagogue during the feast of the Tabernacle, and a trip to the Singing Tower and Children's Home at Lakeland as extras on their Associational program.

The Young People's Rally of the Association was held in July at which time we greatly enjoyed an address from both Dr. and Mrs. D. F. Stamps of China. We also had a Young People's recognition service with all Auxiliary members present on the platform, each Auxiliary having a special part on the program.

We are glad to report that eight Y. W. A. girls attended Y. W. A. Week at Ridgecrest, and one Y. W. A. girl attended DeLand Assembly.

As camp time came in August, we were gratified to have 79 Intermediate and Junior girls and Junior boys in a five-day camp. Brother and Mrs. Stamps were our missionaries in Camp. A mission book and the manuals were taught. The camp was highly successful with 13 dedications of life and those who came to camp lost, went away saved boys and girls. Rev. and Mrs. Loys Frink of Apopka were Camp Pastor and Director. In State Camp in Lakeland we had eight Auxiliary members.

As to our weeks of prayer, which were observed by a special program, besides our regular programs and a special offering over and above any budget, we find:

Lottie Moon (foreign missions)	28	Auxiliaries observed
Annie Armstrong (home missions)	30	Auxiliaries observed
State Missions	25	Auxiliaries observed

The Efficiency Banners were awarded as follows: Sunbeams: First Quarter, Apopka, Plymouth; Second Quarter, Apopka, Plymouth, North Park, Holden Heights, Winter Park, Winter Garden; Third Quarter, Apopka; Fourth Quarter, Apopka, North Park, Winter Park, Winter Garden.

Y. W. A.: First Quarter, North Park; same for remaining quarters.

G. A. (Intermediate): First Quarter, North Park; Second Quarter, Apopka; Third Quarter, Apopka; Fourth Quarter, North Park, Winter Park.

Our goals this year are higher. Most of all we need the prayers of the whole Association that our plans may be in accordance with our Master's wishes. Next we need Counselors with a strong backing from consecrated W. M. S. organizations. Again we need strong fostering by individual circles so that when a Counselor is hindered from meeting with an Auxiliary the Circle will go on with the work and the Auxiliary will not suffer.

We are very anxious at this time for our own camp site and pray that the whole Association will be ready to cooperate with us.

Respectfully submitted,

MRS. J. AVENT
