44. The committee of Calander of Activities presented the calander for the coming year, which was adopted.

45. Brother Glisson moved that the Moderator appoint a committee to meet with the representative of the Extension Department of the Seminary to see about the advisability of starting an extension of the Seminaries in our Association. The Moderator appointed the following, Brethren Maggard, Amos, and Hansen.

46. Brother Amos presented two amendments to the Constitution.

47. Brother Fayette L. Hall moved that we discuss the advisability of changing the name of our Association. The motion was made to table the above motion. Carried.

48. The names of those who had passed on during the year was read by Brother Vassar.

49. The meeting was adjourned to meet on Thursday morning, October 11, 1956.

REPORT ON BAPTIST LITERATURE BY THE MILLER MEMORIAL BAPTIST CHURCH OCTOBER 13, 1955

Since the year 1890, Southern Baptist have been in the publishing business. Through our Sunday School Board, the following publications are produced: Sunday School Quarterlies, Training Union Quarterlies, On the Wing With The Word, Visitors Lesson Leaflet, Open Windows, Home Life, The Teacher, Sunday School Builder, Training Union Magazines, The Church Musician, The Baptist Student. Also weekly story papers: Upward, The Sentinel and Storytime. They also publish Church Bulletins. The grand total circulation of all publications for 1954, was 59, 644, 633. They also published over 3,000,000 volumes of books. The Home Mission Board had an average circulation of 122,375 copies of their monthly magazine, Home Missions.

The Foreign Mission Board had an average monthly circulation of 93, 580 copies of The Commission.

Besides this each state has its own Baptist Paper, either monthly or weekly. In Florida, we have The Florida Baptist Witness, a weekly paper of inspiration and information, showing the work of the churches in our state and around the world. Every Church should try to have this fine Baptist paper in its Church Budget, and have it sent to every Baptist family.

Most of our Baptist Literature is published for the purpose of promoting more personal Bible study by every individual Baptist for spiritual growth, knowledge, and missions, so we may strive to keep the Bible as our main text book in the Sunday School Class, Training Union and the home. "Whatever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things." Philippians 4:8.

REPORT OF THE BAPTIST BIBLE INSTITUTE

Baptist Bible Institute of Graceville and Lakeland, Florida, opened the 1955 session with indications of its best year. Plans have been made to continue the Lakeland division just as originally announced. The 1955 enrollment was up. Extensions are operating in Miami and Live Oak. Other extensions will be started.

Property at Graceville consists of 160 acre campus, 11 buildings, two endowment building projects—namely, Hatchery and a Poultry Research project. Total Baptist Bible Institute assets now exceed \$200,000.00.

Sincere appreciation is expressed to those churches that make possible this vital ministry by supporting the Institute through designated gifts.

Baptist Bible Institute is dedicated to preparing men for the ministry who cannot attend college or seminary.

WEKIWA ASSOCIATION ON BROTHERHOOD REPORT 1954-1955

We are happy to report that we have made a gain of 13 new Brotherhoods, and an increase of about 500 members in our Association this past year. We have held four regular, one special, and four executive meetings. We had an average attendance of 261 at our regular meetings. We now have Brotherhoods in 31 Churches and Missions with a total enrollment of around 1000 members.

The Brotherhoods were active in Cottage Prayer Meetings prior to our 1955 Evangelistic meetings. We are enlisting men to be leaders of our R.A.s so we will know how to lead them when the time comes for us to take over the R.A.s in 1957.

We had over 400 men and boys at our last quarterly meeting at Camp Joy, the place was just bursting at the seams.

The Brotherhood work in Wekiwa continues to grow as well as the work in Florida.

As of August 1, 1955, there were 620 churches in Florida reporting active Brotherhoods, according to the records in the State Brotherhood office. This is 75 new Brotherhoods in Florida this year.

Thirty-six of the 41 associations have active organizations, this is an increase of 4 over last year.

The Brotherhood meeting on the eve of the Centennial Celebration of the Florida Baptist Convention at Daytona Beach, last year, was well attended. We are looking forward to a much larger attendance this year at Lakeland, on November 8.

Goals for 1956. In Florida.

A Brotherhood Clinic for our officers will be held on November 15, at Holden Heights Baptist Church, at 7:00 p.m. An invitation to the Seminole Association to join with us was extended to their officers.

30 Brotherhood sponsored revivals.

5000 Brotherhood Journals per quarter.

100 men from Florida to attend the Brotherhood Conferences at Ridgecrest in 1956.

Our plans for the future include the following.

1. In cooperation with the Florida Baptist Convention ten-year plan. 1000 Brotherhood organizations. This means 56 new Brotherhoods per year net increase. We are running much ahead of this increase.
2. Every Association fully organized for Brotherhood work.
3. Thirty thousand men enrolled in Brotherhoods, or an increase of 2 per-cent of the enrollment each year.
4. Every Brotherhood member tithing through the church.

In order that Florida men may serve our Lord more effectively, we further recommend that a Brotherhood organization be in every church.

That the men of Florida make plans to attend the Brotherhood conference at Ridgecrest, North Carolina, August 16-22, or the Florida Baptist Assembly at DeLand, June 7-14 where Brotherhood work will be offered nightly.

CHRISTIAN EDUCATION

Education is one of the greatest potential powers in the world today. Education is a unique process because its great potential power is two-fold in that it can be power to do evil, or power to do good. Power that is selfish, cruel, greedy, materialistic, or power that is unselfish, beneficent, humanitarian-power to dominate, exploit, and ensnare, or power to break the chains of bondage, of ignorance, of vice.

The determining factor as to the nature of the power it produces is the character of the education. That is why Christian Education is so important. It is education infused with and motivated by Christian aims and ideals. It seeks to develop vital Christian character and to promote and maintain a dynamic and efficient Christian order in the world. The contribution that Christian Education has made in the past, and is making today to the welfare of America, and its hope for the future is immeasurable.

Southern Baptist are convinced of the essential importance of Christian Education in the world. Prompted by this ever-growing what other denominations are doing in their support of Christian

mission fields. What they are doing now compares favorably with conviction they have greatly increased their support of their seminaries and other educational institutions in this country and on Education.

Great strides in advancing the cause of Christian Education are as well as Alabama are among those states. Advances, not so striking being made in some of our southern states. North and South Carolina perhaps, are being made in other states in the South.

Florida Baptists in recent years have greatly increased their support of Christian Education, but they still lag far behind all other southern states in this respect. There is critical need at Stetson University for new buildings, a new, fireproof library building, a new Fine Arts building, a new science building, a new auditorium and chapel, new classrooms and new equipment. There are other vital needs which must be met if the University is to maintain its high standing among educational institutions.

Denominational colleges and universities must meet required educational standards if they expect to survive. Failure in this matter is a way of committing institutional suicide with all denominational loss involved. Considering the vital importance of Christian Education in the kind of world in which we live, and the needs of our Baptist colleges and Stetson University, the future depends to a large extent on what the churches do now for these institutions.

Respectfully submitted,
Pastor.

REPORT OF CO-OPERATIVE MISSIONS

The State Board of Missions has assigned to the Co-operative Missions Department four parts of our work.

The promotion of Evangelism. Each year the Evangelistic Conference is held in Jacksonville at the First Baptist Church. Our next conference is scheduled for January 10-12, 1956. The out of state speakers are Dr. H. Leo Eddlemen, Dr. Fred F. Brown, and Dr. E.Y. Dossey.

The promotion and direction of a Program of City Missions. There are four areas, in which, we maintain a program of City Missions directed by the City Mission Superintendent.

Promote the Rural Mission Program. There are eleven such Districts with a missionary living in that area carrying on the work needed to project the full work of Florida Baptist.

The promotion of a sane program of Stewardship. This is done through the distribution of Tracts, Associational and Church Stewardship Revivals. We seek to keep our Stewardship Church centered and Bible centered.

Promote a program of Missionary Education. Emphasis is put on Mission Studies and reading our Missionary Journals, The Florida Baptist Witness, Home Mission Magazine, and the Commission. The churches are encouraged to put these Journals in their budgets.

During the past year the sixteen workers in this department reported 25 churches organized and 134 Missions now in operation. Twenty of these are in Eighth District, Eleven are in Wekiwa, 6 in the Seminole, and 6 in the Lake County.

We would like to suggest that our churches began thinking in terms of putting the item of associational mission in their local church budgets for at least 2 per cent of all undesignated receipts.

Let us increase our gifts to missions by starting that new unit of work.

Respectfully submitted,
B. D. LOCKE

COOPERATIVE PROGRAM

For thirty years the Cooperative Program had been our major Southern Baptist channel of supporting all our missionary, educational, and benevolence work. The Cooperative Program was adopted by the Baptist Convention in Memphis, Tennessee, May 13, 1925.

Through the Cooperative Program, Southern Baptists have contributed in these thirty years \$266,000,000. Our giving through this program has made it possible for hundreds of missionaries to go into all the world, has built hundreds of new church buildings and mission stations, has erected hospitals for the sick and schools to train our young people. Many other mighty and noble things have the Baptists done through the Cooperative Program.

Southern Baptists are growing in their support of the Cooperative Program. For the last several years in Florida, almost 100 per-cent of our churches have been enlisted in giving something to world missions through the Cooperative Program. What can be done to increase our support of the local church programs and of world missions?

Your committee recommends:

1. That every church plan to observe Church and Denomination Night on a convenient night this fall.
2. That every church plan a stewardship revival October 30-November 6, or nearest convenient week.
3. That every church plan a budget.
4. That every church conduct an every member canvas.
5. That every church include gifts to missions through the Cooperative Program in its budget for a certain percentage of the total budget, rather than a certain number of dollars.
6. That every church prayerfully consider increasing the percentage going to missions through the Cooperative Program.

Respectfully submitted,
CLYDE GEREN, Pastor
New England Heights Baptist Church

EXECUTIVE COMMITTEE

Your Executive Committee is charged with the responsibility of conducting all business of the Wekiwa Association between annual meetings and this has been a year of almost unparalleled activity for your Executive Committee.

We have had twelve monthly meetings with a splendid spirit of cooperation being manifest throughout the year.

Accomplishments of note were:

1. Completing plans for the Central Florida Evangelistic Crusade led by Howard Butt.
2. Planning for the Statewide Sunday School Clinic in Orlando, October 24-28, 1955.

The observance of Simultaneous Revivals in March by 16 of our churches and several missions with many good reports from the meetings.

Other items of interest are here noted: Two Missions, Azalea Park and Pine Hills were organized into churches and received under watchcare pending Associational action at the annual meeting.

All of the various committees of the Executive Committee have functioned efficiently and well. Special commendation is due the Evangelistic Committee, Fayette Hall Chairman, and all those who worked untiringly in preparation for the Howard Butt meeting, and the simultaneous revivals last March.

Our Associational Sunday School, Baptist Training Union, Woman's Missionary Union, and Brotherhood work have all made substantial progress this year, and have made reports to the Executive Committee monthly.

As Moderator of the Wekiwa Association, and Chairman of your Executive Committee, I would like to publicly thank all of you who have so loyally and faithfully worked to make this past year such a success to the glory of God, and who have by your cooperative spirit made it a pleasure for me to serve you.

REPORT ON THE FLORIDA BAPTIST CHILDREN'S HOME

The addition of two cottages in 1954 made it possible for Florida Baptists to increase the enrollment of the Home for the past Associational year. The report for 1953-54 stated that the total enrollment for the twelve month period was 168. The report for 1954-55 shows an increase of 24 children cared for on the campus of the Children's Home over the report of the previous year. The total number cared for this year in the Institution was 192. Twenty-two children received assistance through Mother's Aid, and one was taken care of in a boarding home. This gives a total of 215 under the supervision of the Home last year.

It has always been the policy of the administration of the Home to produce as much food as possible. They have an excellent dairy, which provides all the milk the Home needs. The beef herd supplies the meat, and the farm a high percent of the vegetables. They have caged hens which supply the eggs and the orange grove produces all the fruit needed.

The increase in enrollment at the Home focuses attention on the necessity of an increase in income. The Home for 1954-55, received approximately 40 per-cent of its income from the Cooperative Program. This shows that 60 per-cent of the income must be gotten from other sources. These sources are Sunday Schools, church budgets, W.M.U., and non-church groups.

Income from wills, gifts from individuals, etc., are uncertain. They cannot be depended upon in the preparation of budgets or the admission of children. This makes it necessary that we emphasize the Thanksgiving Offering in every church. Our Children's Home must have a liberal offering at Thanksgiving if it is to keep the cottages filled to capacity and give assistance to the many children that need it.

We sincerely ask that you give prayerful consideration to helping the Home through your Sunday Schools, church budgets, birthday offerings, and the special offering at Thanksgiving. We must increase our income if we are to keep the buildings filled.

The above information is vital to the relationship of the Baptists of Florida to the Children's home in Lakeland, Florida.

Although the finance involved each year in the operation of the Home is small, it is second to none among the projects or objects of our affections.

The same Bible that teaches us to make believers of all nations also tell us to provide for the Fatherless as a gesture of pure religion and undefiled, James 1:27.

Our aim is to give these children all that is needed to grow them up physically into fine men and women with the best standards of moral and Christian training.

We urge the Thanksgiving offering, which will be made on November 20, 1955 to be more generous than ever before. \$100,000.00 from a thousand Churches would be fine.

We also urge the messengers to the Florida Baptists Convention meeting in Lakeland, November 8-10 to visit the Home and see our fine family of Children.

Since February 1904, almost 52 years of service in this field of building Humanity.

Respectfully submitted,
L. A. MUSIC

THE MOTHERS' DAY HOSPITAL FUND

Baptist Hospitals of Florida

Mothers' Day throughout the area of the Southern Baptist Convention has been proclaimed as Hospital Charity Day. For the first time the Baptist Hospitals of Florida Co-operated in a Mothers' Day charity Fund. The Mothers' Day Hospital Fund Committee was organized in Jacksonville on March 26, 1955. The Churches of Florida were asked to aid charity with their offering.

One hundred thirty-three Churches participated in the offering with a total of \$3,963.68. The estimate need for charity service, with the opening of the Baptist Memorial Hospital in Jacksonville, was \$75,000 per year.

The Mothers' Day Offering reported by thirty-eight Baptist Hospitals operating was \$562,375.69. The amount of charity service rendered by the same Hospitals amounted to \$2,258,162.80.

Baptist Hospitals are your instruments to administer the Lord's Command in the parable of the "Good Samaritan." Honor Mother by giving to this Charity Offering on Mothers' Day, May, 1956.

RELIEF AND ANNUITY BOARD 1954

Associational Report

As the year 1954 began with a tragedy for the Relief and Annuity Board in the death of Orville Groner, treasurer of the Board for over years, so it closed with another great loss in the passing of the executive secretary, Dr. Walter R. Alexander, on December 31. (He was succeeded by Dr. R. Alton Reed on March 9, 1955.)

Even so, it was a year of change and expansion in all departments of our work. Dr. R.S. Jones, associate secretary, was elected Supervisor of Investments; Mr. Owen Henley was elected Assistant Supervisor of Investments, and Mr. Fred W. Noe was elected Treasurer during the year.

The Ministers Retirement Plan was closed to new members and the Ministers Security Plan inaugurated in all states except North Carolina, as of July 1. The new Southern Baptist Protection Plan was inaugurated in all states except North Carolina, and the Baptist Boards Security Plan was promoted.

Assets increased \$4,888,919.88, to \$35,091,515.37. With such tremendous changes taking place, all departments experienced the effects of this growth. During the year, 15,554 certificates were issued.

The Relief Department, for the fourth consecutive year, failed to receive enough from the states to meet expenditures. If more money is not received in the future, the Board will be forced to curtail relief payments in those states where the relief offering was not sufficient to care for the needs.

Probably the most important news to the younger preachers of the Convention was the inauguration of the Southern Baptist Protection Plan. The benefits of this Plan are similar to the Ministers Security Plan, and the cost is the same. However, there is no ceiling on the annuity the pastor may earn, or on the annuity his widow may draw, whether his death occurs before or after retirement. The annuity is based on a one and one-half per-cent credit for each year of participation, and the widow annuity is a percentage of this. The Plan also has a lump sum death benefit, which is twice the amount of the annuity. The member may pay on a reduced salary basis should unforeseen difficulties arise. By "reduced salary", we mean that the member may pay dues on a much smaller salary than he actually receives.

There are at present some 29,000 churches in the Southern Baptist

Convention and over 26,000 active preachers. To many, the Relief and Annuity Board seems like a wealthy agency, but when we think of it in relation to the size of our Convention, the number of persons involved in the finances, the money invested in other boards, and the annuity funds of other denominations, we realize that the opportunities to grow are so vast that it is yet a day of small beginnings.

It is the goal of the Relief and Annuity Board to enlist new members and enroll all Southern Baptist Churches, to fund its retirement plans, to keep its present membership active, to enlist understanding among the seminary students, and to lead the preacher to an awareness of the importance of his denominational retirement program. It should be the goal of every association to strive to enlist every church and every pastor as a member of the retirement program.

REPORT ON SEMINARIES

Like all other phases and organizations of our Southern Baptist Convention, our five theological seminaries are steadily growing with a total enrollment during the 1954-55 session of 5,619. This enrollment is divided as follows:

Southern	1,626
Southwestern	2,375
New Orleans	947
Golden Gate	277
Southeastern	394
	<hr/>
	5,619

This is an increase of 295 over the previous year. The great problem in all five of our seminaries is to provide enough buildings, equipment, and competent faculty members to meet the needs of the rapidly increasing student bodies.

SOUTHERN- LOUISVILLE, KENTUCKY

Immediate building needs include an office wing on the administration building to accommodate a growing faculty, and adequate library, and a women's dormitory (made necessary by the recent admission of women to the Seminary's Schools of Religious Education and Church Music.) The Seminary has established forty mission Sunday schools and churches during the past two years through its Mission Work Grant Fund. Four new faculty members were added to the staff during the past year. Sixty-three students were registered from Florida last year, forty-two of whom were graduates of Stetson University.

SOUTHWESTERN- FORT WORTH, TEXAS

Southwestern, the largest of our seminaries, is expanding with a \$5,000,000 building program and a renewed emphasis on an endowment program calling for \$5,000,000 by 1958. Library space has already been doubled. More classrooms and offices will soon be provided. Eight new faculty members were added to the staff during the year. Mission volunteers numbered 402.

The acute needs of Southwestern are additions to the faculty, enlargement of teaching facilities, addition of the student union and a small clinic for first aid nursing care to students and their building, erection of a nursery for the care of children of students, children.

NEW ORLEANS - NEW ORLEANS, LOUISIANA

This Seminary has completed its second session on its new seventy-five-acre campus, with the blessings of God on its training of His ministers. The School of Religious Education has recently entered a new building and now offers the finest training possibilities in this field. New Orleans Seminary ranks with the best in faculty, building, maintained for those wishing to take refresher work, or for Seminary credit. An extension department is maintained for those who cannot go to a seminary, and courses may be taken through extension classes or through correspondence.

GOLDEN GATE- BERKELEY, CALIFORNIA

Four students were appointed by the Foreign Mission Board and one appointed by the Home Mission Board during the spring months, bringing the total to twelve graduates under appointment by the Foreign Mission Board and sixteen by the Home Mission Board. Under the Practical Activities program, six missions were started, 17 new churches were organized, and 378 rescue mission and street services, were held. Plans and specifications for the grading of the new campus site have been completed. Actual construction plans of buildings will begin in 1957, and the Seminary plans to occupy the new campus by 1959. The Seminary now has seventeen faculty members.

SOUTHEASTERN- WAKE FOREST, NORTH CAROLINA

This Seminary has completed its fourth year of operation. Religious Education courses sufficient for the degrees of Bachelor of Divinity and Master of Theology are now offered. Southeastern Seminary will have full use of the complete campus after June, 1956, when the remaining part of Wake Forest College will be removed. A program of renovation and remodeling will then be started. Apartments and a cafeteria must be built and equipped. By September, 1956, it is hoped that all qualified students who apply may be accepted. Twenty students from Florida were enrolled during the past term.

The seminaries continue to be grateful for the confidence of fellow Baptists, expressed by their prayers and financial support through the Coperative Program.

REPORT ON TEMPERANCE

Are we at war with the liquor traffic? In 1954 more than 50 million gallons of beer, 5 million gallons of legal whiskey, and 2 million gallons of wine were drunk, or an amount equal to 21 gallons of Aloholic Beverages for every man, woman, and child in the state of Florida.

This has cost wage earners over 206 million dollars. Think of this amount of money being passed over the counters of bars, liquor stores, grocery stores, and many other, respectable stores, selling beer, going into the greedy hands of the liquor crowd.

From this 29 million dollars were collected for taxes, and some of it used to care for indigent people, as well as some of the aged folks, is the claim of the liquor crowd. This amount of taxes pays only about one-fifth of the mounting institutional and welfare cost in Florida, not counting the broken homes, in body and spirit, damaged lives and damned souls of its victims.

We Baptists gave \$6500.00 or an average of less than 2 pennies per member for the support of this work during 1954. While we were working and giving with all our strength for the various causes such as, Red Cross, Red Feather, Polio, Heart Fund, Cancer, however important these may be liquor has been responsible for more deaths

directly and indirectly, than all the others combined. Yet, we go down to the polls and vote to unloose hell upon our children, by licensing the liquor traffic. Are we at war?

There are over 90 thousand Aloholics in the State of Florida now. If we knew that we had this number of T. B. patients, would we try to do any thing about it? We are doing everything possible to stamp out these dreadful things, but nothing is being done about the liquor as we ought to do.

"Wine is a mocker, strong drink is raging and whosoever is deceived thereby is not wise." Proverbs 20: 1.

SUNDAY SCHOOL REPORT FOR YEAR 1954-55

Again it is our pleasure to report a year of progress in our associational Sunday School work. A year in which all phases of the program have been ardently supported.

The desire, aim, and hope of your leadership has been to crystalize in the thinking of pastors, and churches, a gripping knowledge of the fact that the Sunday School presents an unparalleled opportunity for reaching greater numbers of people for Bible study, for the successful promotion of every phase of Church activity, and for the effective utilization of every member of the Church and congregation in useful service without detracting from the effectiveness or interfering with any other Church agency.

We have experienced a good year. Our Sunday School training awards number 1690, which places this association amongst the high five in the state of Florida for associations having more than thirty churches.

Our Vacation Bible School Clinic held at the College Park Baptist Church, was most effective. Some three hundred or more of our people were in attendance and much information about this very vital part of our Sunday School work was learned. Our faculty this year was furnished by the State Sunday School Department at Jacksonville.

Now, while our past year has been blessed in many ways, we are already looking forward to even greater things for the year 1955-56. We believe earnestly, that the program as outlined by our Sunday School board for the coming year to be one of the most challenging, one of the most practical, and one of the most workable ever presented.

We are first reminded that all we can see is ours, if our faith is strong enough and our planning definite enough to encompass our vision. Secondly, all that we plan is possible if our planning is based on the needs, and our desire is deep enough, and then finally all that we desire can be realized if our desire is in harmony with God's will, and if we are willing to pay the price.

At the time of this report, we are again engaged in the final preparations for a State wide Sunday School Clinic, to be held at the First Baptist Church of Orlando, beginning October 24 and running through October 28th. An outstanding faculty has been secured, headed by the eminent Dr. J. N. Barnette, Secretary of the Sunday School Board, at Nashville. The Clinic will specialize on Better Bible Teaching.

Much work has been expended in planning for the Clinic and we want to express our special appreciation to the First Baptist Church of Orlando and the following committee members from over the association:

Rev. Leo Roberts, Committee on Home Securement
Rev. Maggard, Committee on Finances
Mr. Frank A. Taylor, Assistant Committeeman on Finances
Mrs. Leona Swain, Committee on Meal Preparation

Rev. Mark Dobbs, Committee on Dining Room Assistance
 Rev. Miles Patterson, Committee on Entertainment of Workers
 Rev. Robert McAllister, Committee on Transportation
 Rev. Curry, Committee on nursery
 Rev. F. L. Hall, Committee on publicity

We have had excellent departmental leadership during the past year. Surely any progress made in our associational Sunday School effort is directly attributable to them. Our special appreciation to the following:

Mr. W. L. Evans, Adult leader.
 Mrs. Leona Lambert, Young Peoples Leader
 Mr. Joe Williams, Intermediate leader
 Mrs. Forna Adams, Junior leader
 Mrs. Henry Lawrence, Primary leader
 Mrs. Porter Bergert, Beginner leader
 Mr. Fred Dunn, Associate Superintendent
 Mrs. Philip Earnest, Secretary

In closing this report may we express our sincere appreciation to every Pastor, Superintendent, and Worker for their splendid cooperation during the past year. We trust that every one of you will continue to support the work of your Sunday School Association with your prayers and attendance during the coming year.

Respectfully submitted,
 R. PHILIP EARNEST, Superintendent

BAPTIST CHAPLAIN

At

Central Florida State Tuberculosis Hospital.

During the past year there has been a continuous visitation on Tuesday and Thursday afternoons of each week. If hindered on these days, then on some other visiting afternoons instead. Number of contacts put down is 2034.

Church members need pastoral visitation, and the unsaved an effort for their conversion. There have been 15 professions of faith this year, and three others in doubt came to assurance.

Patients there need spiritual help when they enter, when they are listed for surgery, when they come out from surgery, and when they are about to go home. Those who may become worse need comfort. Many of them have loved ones for whom they desire prayer, especially young mothers for their children. For nearly all of them a monthly visit to answer problems, and lead in a prayer is acceptable.

Our Baptist members there, need to be instructed in our doctrines, strengthened in their faith, and prepared for better service when they may be permitted to go back to their churches. New converts need to be shown the first steps of duty according to the Scriptures.

An effort has been made to carry out this type of program for the past eight and one half years. It has not been, altogether easy, but a most delightful service. I have had wonderful co-operation both here and out there.

Respectfully submitted,
 JOHN R. CHILES

ANNUAL TRAINING UNION REPORT FOR 1955

This year, has been a very profitable one in Training Union achievements. Inasmuch as we were able to have the successful training clinic, with some of the outstanding leadership of our Southern Baptist Convention here with us. I can see the effects from the clinic.

Our State Secretary, Mr. Radford, called a very profitable meeting in June for the Associational Training Union directors throughout the state, which your director was privileged to attend.

I want to express my appreciation to the loyal cooperation for

all our associational leaders and churches for making it possible for the work we have done this year.

We had a very successful "M" Night program, December 5, 1954, with Rev. Beryl Roberts bringing the message, with the Boone High School Glee Club furnishing us with some very fine music. The attendance for that meeting was 627.

Plans and meeting places have been made for the following year. We would solicit your prayers and cooperation for our future work in our training program.

Respectfully submitted,
 E. J. CONNELL

A RESOLUTION TO AMEND THE CONSTITUTION OF THE WEKIWA ASSOCIATION

Whereas Baptists are increasing rapidly, with many missions being organized into churches;

And whereas a church desiring to join the Association, can do so only at the annual meeting;

And whereas there are some advantages in bringing a church into fellowship with the Association, as soon as possible after organization;

And whereas it is believed that this can be facilitated by allowing the pastor of such a church to become a member of the Executive Committee;

Therefore, be it resolved that Article V of the Constitution of the Association be amended as follows:

To Article V add the following words:

"These petitions along with information as to their doctrinal views and practices may be presented to the Executive Committee at any regular meeting between annual meetings of the association. After a petition is presented, the pastor of the petitioning church may be made a member of the Executive Committee by a majority vote of the Committee, until the petition can be acted upon at the annual meeting of the Association. At the request of the petitioning church the Committee shall give assistance to the church in putting its petition and credentials in order for presentation to the Association."

A RESOLUTION TO AMEND ARTICLE VI OF THE CONSTITUTION OF THE WEKIWA ASSOCIATION

Whereas it is the intent of the Association that the heads of the various departments of our work shall be members of the Executive Committee;

And whereas the Brotherhood President is not listed as a member of the Executive Committee with the Sunday School Superintendent, the Training Union Director and the W. M. U. President in Article VI of the Constitution.

Therefore, be it resolved that Article VI be amended by inserting the following:

"(F) Brotherhood President"

And by changing the present (F) to (G).

WEKIWA W. M. U. REPORT FOR 1955

It is my happy privilege as Associational W. M. U. president to bring together the facts and figures relating to all phases of our work and thus present a comprehensive report of the Women's Missionary Union. Each fact and figure tells a story of the thirty-five missionary societies in Wekiwa Association consisting of 1494 women and 1031 young people, totaling 2525 members.

It has been said, "Missions wait upon stewardship" - if the gospel of Jesus Christ is to reach to the uttermost part of the earth, christian people must be faithful stewards. Our records show 677 women and 316 young people tithed this year, a gain of 254 tithers over last year. Also, there were 1644 contributing to the cooperative program. Reports on special offerings reveal a total of \$5,103.84 was given to Lottie Moon Christmas offering, \$2,404.81 to Annie Armstrong offering and \$512.48 to state mission offering.

Jesus told his followers to "Go home to thy friends and tell them how great things the Lord hath done for thee" - is not this the command to community missions? 981 of our members took part in directed community missions and 330 family altars were established.

The keen interest in missions, and the sincere desire to know the needs around the world, is shown by the fact that 1293 women were enrolled in mission study classes during the year. 1229 reported as having read at least one mission book. There were 117 mission classes held for our young people and 415 of them read a mission book.

Cash gifts of \$185.00 and 93,356 redeemable coupons have been sent to the Children's Home in Lakeland.

The Florida girls attending our training schools have been remembered with fruit and cards.

The camp committee feel fortunate in securing Rev. and Mrs. C. K. Byerley to take over the management of the physical properties of Camp Joy. A cottage has been renovated for them and a phone installed so that all reservations for use of the camp may be made directly to them. Many improvements have been made to the buildings and grounds, namely: Rest rooms and showers with hot and cold water, \$2,900.00 Retaining wall around the swimming pool, \$600.00 New kitchen equipment, \$400.00 Screened porch and jalousy windows to cottage for new camp superintendent, \$600.00. Trees and grass planted.

Let us keep the welfare of the camp on our hearts, for in so doing we are providing wholesome recreation and spiritual training of our youth.

There is increasing interest in the White Cross work which provides surgical supplies and medicines to the Baptist hospitals in Eku and Shaki, Nigeria, and most recently to Asuncion, Paraguay. An estimated \$700.00 worth of supplies have been shipped since last October.

The challenge of those immortal words, "Go ye into all the world and tell the story of Jesus' love, rings loud today amidst the clamor of confusion and unrest! May we be alerted to our responsibilities and determined to march on for the glory of God!

Respectfully submitted,
MRS. E. E. RICH
Associational W.M.U. President

REPORT OF THE WEKIWA ASSOCIATIONAL W. M. U. YOUTH LEADER. 1954-1955

As we stand on the threshold of a new year working with Young People, and looking back over the past year truly we can say with the Master, "The harvest is white but the laborers are few, pray ye the Lord of the harvest that He will send forth laborers into His harvest."

We are gratified by the work done by those who have been faithful to His calling and urge each and everyone to continue in the work this year.

Not only do we need workers but also we need for them to stay in the work until the Lord shows them He needs them elsewhere. With Counselors and Directors changing each year we are continually in the beginning state. I sincerely believe when a Director or Counselor is doing good work, they should be asked to continue building on the foundation laid previously.

During the year we have had 83 reporting auxiliaries, with a total membership of 1031. Of this number, 64 are Sunbeam babies. We have had 19 auxiliaries to follow the Stewardship plans as laid out in their auxiliary magazines for the full year. The average number present when these plans were studied was 402 per quarter. We had 316 tithers for the year and 664 giving to the Co-operative Program.

In Community Missions 15 auxiliaries carried out the directed work for the full year with an average number of 339 participating each quarter.

By 22 Auxiliaries were observed all the three Seasons of Prayer. There were 117 Mission Study classes and 415 mission books read.

The summer Associational Camp program was extended to four weeks, one each for Junior girls and boys and Intermediate girls and boys. There was a total of 185 attending these weeks with twelve conversions and 57 dedications or re-dedications. Junior and Intermediate books on Baptist beliefs were taught. Our missionaries were; Dr. and Mrs. D. F. Stamps, Miss Bonnie Jean Ray, Rev. B. D. Locke and Rev. and Mrs. W. A. Hickman. The mission offering was \$70.00, which went to Rev. Hickman's work in Paraguay.

In the Association there are 16 churches having a Sunbeam and one other auxiliary. There are 4 W. M. U.s with at least one each auxiliary. These are Kissimmee, North Park, Killarney and Orlando, First.

In girls Auxiliary we have, 84 Maidens, 40 Ladies-in-waiting, 16 Princesses, 13 Queens and 1 Honor Queen.

In Royal Ambassadors we have, 45 Pages, 23 Squires, 20 Knights, 14 Ambassadors, 1 Honor Ambassador, 2 Ambassador Extra-Ordinary and 1 Ambassador Plenipotentiary.

During the year we have had, 4 R. A. Conclave meetings, 3 R. A. Advisory meetings, 1 G. A. & R. A. "Hi Rankers" dinner, 1 Sunbeam day camp with 134 present, 1 Associational R. A. Recognition Service with 13 recognized, 1 Young People's Rally with Marshall KU as speaker, 4 quarterly reports to W. M. U., 4 Counselor's Conferences, 4 weeks of Associational camps and a ten hour Leadership Course.

I attended State Leadership Conference at Daytona Beach in October, and W. M. U. State Convention, in Lakeland in April.

To the Pastors, W. M. U. Presidents and Directors of Youth, I urge you to look unto the white harvest fields and remember that each of you have a definite responsibility to see that the Young People in our churches receive the missionary education offered them by W. M. U.

You are the ones responsible for the leaders and according to the type of leaders you provide and encourage, so shall your advance in missionary spirit, knowledge and gifts be recorded in the reports I receive in the New Year ahead.

Respectfully submitted,
MRS. J. H. AVENT
