Proceedings Of The Ninetieth Annual Session Of The Wekiwa Baptist Association

Thursday Morning 9:00 "Our Maximum For Christ In Christian Living"

The meeting opened with the singing of "Breathe On Me," led by Bro. Edwin O. Geurin, Mrs. Shirley Foster, accompanist.

Brother Allen H. Higginbotham of the New England Heights Baptist Church, read from Matthew 7:21 and Colossians 3:17 bringing us our devotional thought. He then led the Invocation.

The Moderator, Brother Spurgeon N. Hinds, called the Ninetieth Annual Session of the Wekiwa Baptist Association to order asking that a motion be made to seat the registered messengers and those who would be registered to hear the reports and tend to the business before us. Brother Edgar R. Cooper of North Park made the motion to this effect, seconded by Bro. J. R. Vasser, and carried.

Brother Edgar Cooper, our Host Pastor, made the motion that we adopt the printed program with its order of business with any necessary changes, seconded and adopted.

Our Host Pastor, Brother Edgar R. Cooper, gave a word of welcome from the North Park Baptist Church, and announcements concerning various accommodations and the Luncheon.

Bro. James S. Haskins read the report of the Committee on Committees, and Bro. A. M. Glisson moved that their nominations be accepted. Seconded and carried.

Bro. Spurgeon N. Hinds called our attention to the consideration of applications for membership in our Association. He then recognized the

new Pastors, Educational Directors, Music Directors, and visitors. George Byland new Pastor at Oak Level. Bill Jones, Associate Pastor and Youth Director at College Park. Forrest Thompson, Music Director, North Park, Bob Murphy, new Pastor, Lockhart, Roger Seidner, Interim Pastor, Oakland. Edgar R. Cooper, new Pastor of North Park. Visitors: Donald Crawford, and James Griffin from Alabama, conducting revival services at Woodhaven.

The Executive Committee Report was read by our Moderator, Bro. Spurgeon N. Hinds, and adopted as on page 1 of the Book of Reports. Bro. Edwin O. Geurin led us in singing "Make Me A Channel Of Blessing."

Bro. John R. Bene of Taft led us in prayer.

Our Clerk, Bro. Robert D. McAllister, made an announcement concerning the need for the churches to get their church letters in.

Bro. Allen H. Higginbotham called our attention to the report on the Florida Baptist Foundation, found in the Book of Reports, and introduced our guest speaker, Bro. James Graves who spoke on the theme of "I Surrender All." Bro. Allen H. Higginbotham made the motion that we adopt the report, seconded and adopted.

Bro. Spurgeon N. Hinds asked for Bro. H. Fred Williams to act as Moderator which he did.

Bro. Maurice R. Barnes, read the report on the Baptist Retirement Center and moved that we adopt the report as recorded in the Book of Reports. It was seconded and so moved.

The report on Hospitals was given by Bro. Henry A. Parker making mention of the fact that Bro. Lawrence Payne, Administrator of the Baptist Memorial Hospital, Jacksonville, spoke to a large group of Baptist Ministers and Laymen at a Luncheon at the First Baptist Church. Sighted the need for our Association to set up a closed Corporation for the purpose of getting something started, perhaps looking into the feasibility of having a Convalescent Nursing Home or Hospital. Bro. Henry A. Parker made the motion that we adopt the Hospital Report as given on page 3; it was seconded and adopted.

BUSINESS AND ELECTION OF OFFICERS

Bro. H. P. recommended that Bro. Spurgeon N. Hinds serve as Moderator the third term. Motion was made that nominations cease, which was seconded and passed by unanimous vote.

Bro. Cecil Mathis made the motion that Bro. H. Fred Williams serve again as Vice Moderator. Bro. James S. Haskins made the motion that nominations cease, and it was seconded and carried.

Bro. V. N. Maggard nominated Bro. W. E. Browning to serve as our Treasurer again. Bro. Paul W. Gloré moved that the nominations cease, seconded and approved.

Bro. Maurice R. Barnes made the motion that we reaffirm the action taken by the Executive Committee in getting an option to purchase the Altamonte Springs Hotel property from the owners, Mr. and Mrs. E. C. Bates. Bro. Spurgeon Hinds spoke on this subject pointing out the fact that the Board of Trustees of the Florida Baptist Retirement Centers, Inc., hasn't officially accepted his site for this purpose with the financial stipulations set by the owners. They are supposed to meet on October 17 and decide on this one way or the other. Our Association will have to pay \$25,000.00 down and then have \$75,000.00 to give to the Florida Baptist

Retirement Centers, Inc., which they will use towards construction of some necessary buildings. If the Association will raise the \$100,000.00, it is believed that the Florida Baptist Convention will then pay the owners \$6,000.00 yearly while they live for ten years or longer, a life payment plan.

BUSINESS

There was much discussion by the following men: J. Elwood Rawls, William M. Smith, Henry A. Parker. We have to exercise this option to purchase this property on or before December 31, 1960. Dr. John Maguire, Secretary of the Florida Baptist Convention, spoke on the terms of the contract and felt that there had to be some changes made before the Trustees would accept this property for the operation of a Retirement Center here. The motion made by Bro. Barnes was seconded and adopted.

Bro. Maurice R. Barnes made the motion that we adopt the second recommendation of this committee: to launch out on a fund raising campaign for \$100,000.00 by individual, private solicitation, seconded and passed.

Hinds introduced the members of the Quartette from the Edgewood Baptist Church where Bro. Hinds is Pastor. They sang the following songs: Name's Written Down," "Let The Lower Lights Be Burning," "Just A Little Talk With Jesus."

Bro. J. Elwood Rawls asked Bro. J. R. Vasser to read the scripture for him, and he read from I Thessalonians the fourth Chapter verses one through twelve and led in prayer. Bro. Rawls then brought a stirring message on SANCTIFICATION.

Brown, who urged our churches to help their Pastors to get into this very helpful program, and made the motion to accept the report in the Book of Reports, seconded. He then introduced our visiting speaker, Bro. John Tucker, who told us that only one half of our churches are in this protection plan, and our goal should be at least 75%. Amos then made an amendment to the motion before us, that we have as our goal, 80% of our churches participating in this program, seconded and carried.

THE EXECUTIVE COMMITTEE

We gratefully acknowledge the splendid cooperation and dedicated Christian service rendered the Lord's work through our Association this past year by all of our Associational leadership.

Our Associational Office, with Mrs. A. W. Jordan as Secretary, has done a most commendable job. This office is now providing invaluable service in coordinating our work on the Associational level.

Regular meetings of the Executive Committee were held during the year on Monday mornings after the second Sunday of each month. The business of the Association has been performed according to the direction of the Association in its last annual meeting and in compliance with our Constitution and By-Laws.

All of the various organizations and committees have done a very earnest job of carrying the work forward with aggressiveness, cooperative spirit and vision. Many important recommendations will come to you in our annual meeting in demonstration of the far-sightedness, planning, and work of those you entrusted with responsibility.

Some of the most far-reaching phases of our work this year are summarized as follows:

1. Through the efforts of the Budget and Finance Committee we have set up a recommended budget that will challenge and demand the best of Wekiwa Baptists.

2. Based upon the present need for a vigorous, expanding program of work, we are urgently requesting that each cooperating Church support

the total work of the Association to the extent of 3% of its regular budget receipts (figured on the same basis as Cooperative Program percentage).

3. Through the diligent effort of our Missions Committee, our local mission work has moved forward: particularly in the fields of local missions established and migrant work. It is to be recommended that our Migrant work be placed on a year round basis.

4. In compliance with the direction of our Association, the Wekiwa Baptist Retirement Center Committee was reactivated. This committee has worked hard and is now ready to report with far-reaching recommendations.

5. Also, in compliance with the direction of our Association, the Wekiwa Baptist Hospital Committee was appointed. This committee has worked hard and is now ready to report with far-reaching recommendations.

6. Through the efforts of our Sunday School Leadership, we will have the privilege of being host to the South-Side Sunday School Clinic during March of 1961.

7. Our Associational Hospital Visitor, Rev. T. W. Page, continues to perform a deeply spiritual and meaningful ministry to the sick in our hospitals; particularly, to out-of-town Baptist people.

The local Churches and their Pastors are to be commended on the ne spirit of cooperation in our unified egypt to serve our Lord this past year.

Respectfully submitted,
Spurgeon N. Hinds, Moderator

FLORIDA BAPTIST FOUNDATION

The Foundation, Trustees, and Officers express grateful appreciation to the Association for their gracious assignment of time at the Annual gatherings in which to present the services undertaken by the Foundation on behalf of the Baptist people and agencies of the State and Southland.

The business of the Foundation may be broadly described as that of promoting stewardship among our people, stewardship, not only of possessions but likewise of time, life and love. For, be it recalled, that the acceptable stewardship of money is based on the acceptable stewardship of the other three, and may rightly be said to be the logical result thereof.

The pattern for the stewardship of possessions, long ago established, has, through the years been blessed abundantly and has abundantly blessed those who have followed that pattern. The tithe, being the Lord's, becomes the basis of the pattern, but if we do not contemplate the stewardship of substance in the light of the stewardship of life, love and time, we may be in a perpetual and difficult mathematical process trying to work on a way in which we can "make ends meet" as we attempt to tithe. That is apt to be forever the case if we try one part of God's plan without the other constituents thereof, for the stewardship of life, love and time, are as much a part of His plan as that of substance.

You may greatly help our work by giving us information concerning friends in your group or church or association who may have custody of some of God's money they want to use for such purposes. The word of a friend to such a person in more cases than not, is the opening door to the dedication of substance to continuing Kingdom service.

Committees in the Associations to promote this type of service have

not been established for this reason; so much of our work has to do with the making of Wills and Wills are such severely private matters, that it might be thought by some that the information necessary to the Will (or Trust) would become the knowledge of the Committee. NO INFORMATION in these respects goes beyond the MAKER OF THE WILL and the COUNSEL AND SECRETARY of the Foundation.

As we have intimated before the Associations we have an arrangement with the Annuity Board of the Southern Baptist Convention whereby people with smaller estates and who need the income thereof for life, may purchase Gift Annuities paying them a fixed income for life, at rates ranging from 3% at age 35 to 7.4% at age 80 with the privilege granted the annuitant of naming the Agency to which they desire the gift portion to be given. This gift portion is computed at the time the annuity is purchased and is payable to the agency also at the same time.

The Office, the Secretary and Officers of the Foundation are at the command of the churches and will gladly arrange for such meetings or materials as may be of help in this broad field of stewardship.

Respectfully submitted,
Allen H. Higginbotham

Southern Baptist Convention Hospitals New Orleans and Jacksonville

The more than forty thousand patients admitted to our two Southern Baptist Convention hospitals, along with the hundreds who were served in the out-patient clinics, made up a population larger than many of the towns and communities in the area of the Southern Baptist Convention.

These persons came to our hospitals in the course of the experience of pain and sucering. Some came because disease threatened life itself; some came in the normal and abnormal experiences of childbirth; others came seeking relief from the multitudinous cares and burdens and tensions of a complex modern life.

Regardless of the need that caused these suffering people to seek our hospitals, they found what they were seeking. They found the finest facilities that medical science could provide. The best-trained doctors, nurses, and technicians were made available to them. And far more important, these patients were surrounded with Christian concern, compassion, and consideration because of our Christian conviction that illness is a religious experience as well as a physical experience.

Our modern hospitals, fully accredited by the national Joint Commission on accreditation, present four basic programs necessary to sustain the ministry of healing. The program of Routine Patient Care now stands on its feet. Charges to patients are the most reasonable to be found. Pastorial services, rendered by specially trained hospital ministers are considered a part of routine patient care.

The Educational Program includes the Mather School of Nursing in New Orleans, Schools of Medical Technology and of X-Ray Technique, Intern and Resident Medical Training, and Clinical Pastoral Education. Students of these specialties become participants in the life and work of these Christian institutions.

The third program is the "out-reach" of our hospital ministry. Through this program hospital and medical services are provided to the sick, poor

but always in such ways as to preserve dignity and worth. The Cooperative Program designated \$25,000 to the support of charity work. Individual churches and interested persons gave individual gifts making it possible for services to be rendered "in Jesus name" in excess of \$350,000.

The Capital Program embraces not only the buildings of the hospitals, but also their equipment, repair and renovation, and modern facilities necessary to the adequate care of the sick. The administrators of our two hospitals recognize the value of maintaining a high standard of comfort and convenience.

Baptists across the Convention should be aware of the continuing need of our "Instruments of Grace". Our hospitals are mission ventures to a world darkened by suffering, pain, and death. They give voice to the comfort and assurance of a loving Heavenly Father to troubled souls "in the land of the shadow".

Let us encourage our young people to explore the ministry to the sick and needy. The finest hospitals and the best equipment can never adequately substitute for the devoted and dedicated service of these men and women "whose hearts God has touched".

Respectfully submitted,
Richard E. Brown

FLORIDA BAPTIST CHILDREN'S HOME

One of the distinct privileges of every Florida Baptist is the spiritual and material support of our Florida Children's Home. I do not believe there is another service rendered that pays greater dividends than our Children's Home. Missionaries are now on the field, ministers are holding pastorates who have first felt the call for service in one of our Children's Homes. Parents are building Christian homes, business men become successful because of the lessons learned in children's homes supported by Baptists. Their influence grows and the circle ever widens as we at home continue to support that which reaches throughout the ends of the world.

The marvelous thing about all this is the material that these homes have to start with. Orphans, either father or mother or both deceased, come to the home at a tender age. Mother and father divorced, neither caring for the child or children, being brought into a Christian atmosphere to start life anew. Many others coming from broken homes for various reasons, each one with their particular need.

These are the materials that our Florida Baptist Children's Homes are faced with each day as these consecrated workers allow the Lord to use their lives to mold and fashion these precious lives into out-standing Christian characters of tomorrow.

Your assistance is needed so give, through the Thanksgiving Offerings and individually during the year, as the Lord lays it upon your heart to give.

Respectfully submitted,
John R. Bene

BAPTIST BIBLE INSTITUTE

The Baptist Bible Institute, located at Graceville, Florida, owned and operated by the Florida State Convention, is now in its eighteenth year as a school and its fourth year under state ownership.

The Institute was organized in Lakeland, Florida, in 1943, and was moved to Graceville in 1953. On June 25, 1957, it was officially received into the family of Florida Baptist institutions.

The school is a three year theological institution. It requires the same number of semester hours for graduation as in one of our seminaries. The curriculum parallels that in our seminaries for the bachelor of divinity and the graduates receive a diploma which is equivalent to that for the bachelor of divinity degree in one of our seminaries.

The Institute is designed to meet a specific need. It is for men and women who have not had the advantage of college but who have felt a definite need for training in church work. Its primary aim is to prepare men for the gospel ministry but offers courses to prepare for fields in religious education and music also. It is not a short cut to ministerial education but is designed for those who for many reasons are not able to go the long circuitous route but yet need theological training. Each year more and more of these people are applying for entrance to the school. They come from all of our southern states and mid-western states and from as far away as California. Last years enrollment was 138 and this year it is expected to reach 160.

The Institute has become one of the finest of its kind. All of the teachers in the department of theology have earned doctorates except one, who is now completing the work for his. This does not mean that the school is placing undue stress on academic achievement, but it does mean that the school is doing its best to give men and women who are trying to prepare themselves for God's work, the same kind of training as those attending the seminaries.

With the schools growth its needs grow also. One of the greatest needs is that Florida Baptists keep the school in their minds and hearts and before God in prayer. Its physical needs grow each year. It is now in need of an administration building, a library building to house its growing library with over 8,000 volumes, a womans building, a music building and more campus housing for the many single and married students who are coming to the school. As soon as some of these are met another will arise and that is a new cafeteria building. The churches of Florida should respond to the needs of the school as it undertakes to fill this specific need among our Baptist people.

ASSOCIATIONAL MISSIONS

"Do you mean there are people who really care about us, and who are willing to help people like me," These were the words of a migrant mother to our Missionaries after she received clothing for herself and her new born baby. Because a number of the Lord's people cared, the churches of Wekiwa Baptist Association were able to join in several cooperative ministries within this territory.

Last year nine of our churches were instrumental in sponsoring sixteen regular "partial missions" (preaching or teaching points in institutions). Services were held in jails, prisons, rest homes, and cafeterias.

As this report is being prepared, ten of our churches are sponsoring eleven missions. These points and their sponsoring churches are:

Barton Lake Mission	First, Pine Castle
E. Orange Chapel (Bonneville)	Union Park
Forest City Mission	Prairie Lake
Holopaw Mission	First, Kissimmee
North Kissimmee Mission	First, Kissimmee
Palmetto Mission (New Azalea Park)	Azalea Park
Park Avenue Mission (Bethel)	First, Winter Garden
Riverside Mission	Fairview Shores
Southside Mission, Orlando	Delaney Street
Tangelo Park Mission	First, Orlando
E. Colonial Mission	East Side, Winter Park

Two churches have been constituted during the year, namely, Florida Shores and Oak Level.

Our newest ministry, The Migrant Mission Program, authorized by last years Annual Meeting, has been in operation only eight months. Built upon an excellent foundation laid by the W. M. U., this work has progressed rapidly. Rev. and Mrs. L. E. McRae were called to serve as Coordinators of the program. Actually they have been "missionaries" in the best sense of the term.

The program consisted of preaching, teaching and witnessing in the camps. More than 8,000 tracts (English and Spanish), 500 Bibles and New Testaments, and un-numbered pieces of clothing were distributed. Several emergencies among migrants created by bad weather found our churches rallying with food and clothing.

The visible results have been most gratifying among the Spanish people two have accepted Christ. From personal witnessing and preaching in other camps twenty-eight responded. The crowning experience of the year came in two Vacation Bible Schools as fifty boys and girls professed faith in Christ. This program is worthy of your faithful support. Here is one example from this group of eighty who came to Christ.

Our Migrant Missionary had come to the close of his message and asked of a high school age congregation, "Has anyone ever accepted Christ as his Saviour?" A teen age girl said, "Sir, I have wanted to give Him my heart for a long, long time, but I just don't know how." Simply, clearly the way was presented. Then, an opportunity was given for her to respond. With eyes full of tears she came forward saying, "Something really happened to my heart. I accept Him now."

RELIEF AND ANNUITY BOARD

BENEFITS PAID—Over \$31½ million has been paid out by the Relief and Annuity Board during its 42 years of operation. Benefits paid

through the various retirement plans alone totaled more than \$24½ million, while the remainder was paid to beneficiaries on the relief rolls. In 1959, benefits amounting to \$2,267,455.85 were paid to more than 5300 retired or disabled ministers and denominational workers or widows.

NEW MEMBERS—The Southern Baptist Protection Plan, the Annuity Board's basic plan for ministers, enrolled 1,627 new members last year, the largest increase for a single plan.

CHURCHES URGED TO PAY 10 PER CENT—Last year marked the beginning of a concentrated effort by the Annuity Board which encouraged churches to assume the full cost of the Protection Plan for their pastors. The cost is 10 per cent of the pastor's salary up to a maximum of \$4,000.

As a part of the concentrated promotion effort, every state convention has pledged its support to the Annuity Board in trying to reach its goal of a minimum of 75 per cent of Southern Baptist churches and pastors enlisted in the protection program by January 1, 1961. A few states have already reached 75 per cent and are pushing ahead toward 100 per cent participation.

CHURCHES IN PROTECTION PLAN, ACCORDING TO SIZE—There are 23,085 churches in the Southern Baptist Convention reporting memberships under 300. Out of this group, the Annuity Board reports only 5,110 participating in their program. The majority of churches in the Board's retirement plan, 6,008, come from the remaining 8,821 churches. The smaller churches reporting the least number participating are the ones needing the protection most. A salary survey shows pastors of these churches make on the average, only \$2,480 a year.

THE PROTECTION PLAN — 1. Florida pastors need and want the protection offered by our program, however, the pastor is dependent upon local church participation as he cannot enter the program alone. 2. The Protection Plan offers unexcelled benefits in 3-way protection: a. Retirement Annuity, b. Widow Protection, and c. Disability Benefits. 3. The cost is 15% of the Pastor's salary up to the maximum salary basis of \$4,000. The State Convention pays 5% with the other 10% coming from the church.

We have only 49% of our churches in the Wekiwa Baptist Association, and we must work through our committee that is, or will be, appointed by our Associational Brotherhood President to enlist every church in joining our retirement annuity, widows protection, and disability benefits. Our Field Representative, Mr. Phil Maxwell, will be glad to come and show a color film on the work of the Annuity Board.

FOREIGN MISSIONS

There are many places of need in the Missionary field. Appointments totaling 144 during 1959 and 31 from January to May, 1960, bring the number of foreign missionaries in active service to 1,407. The appointment goal for all of 1960 is 150. The Board expects to have 2,000 missionaries under appointment by the close of Baptist Jubilee Advance in 1964.

At the end of 1959, there were 675 urgent requests for new missionar-

ies. The most pressing needs are those for people in field evangelism and church development, theological education, nursing, student work, and religious education. "Although God has blessed remarkably in new missions appointed, we have hardly scratched the surface of critical need in the countries where our missionaries serve—not to mention the vast unentered ones!"

—Elmer S. West, Jr.

Southern Baptists now have missionaries in 44 countries and separate entities. Mission work is carried on through a varying number of institutions on each mission field—churches, schools, hospitals, publication plants, and good will centers. The goal of each is evangelization.

National pastors number 2,193. Most of the churches have Sunday Schools, and many have other church organizations. Educational work not only offers opportunities for evangelism, but also trains a strong national leadership. There are 1,002 Baptist schools which enroll 151,276 students. Among the schools are 32 theological institutions and 4 women's training schools. Other schools range from kindergarten to college.

Expansion plans call for beginning construction of buildings for a small seminary in Arusha, Tanganyika, in the fall of 1960. The seminary in Beirut, Lebanon, will open in temporary quarters in September, 1960, and move to new buildings in 1961.

There is unlimited opportunity for Soul-winning. This ministry is carried on through personal contacts with patients and their families, devotional services, distribution of literature, and follow-up visitation after patients leave the hospital.

Medical mission institutions include 17 hospitals and 80 clinics and dispensaries with a total of 1,060 beds. There are 49 missionaries and 74 national physicians, plus 61 missionary and 226 national nurses. They served 263,379 patients during the year, of whom 29,396 were in-patients.

The largest mission publication centers are the El Paso, Texas, plant, which supplies Baptist literature for Spanish-speaking groups in 41 countries, and the Rio de Janeiro, Brazil, plant, which supplies Baptist literature and Bibles in Portuguese. The major plant for Chinese literature is in Hong Kong. Fourteen publishing centers turned out 14,125,799 pieces of literature during 1959.

Our advance must continue. The total contributions of Southern Baptists for foreign missions amounted to \$15,985,116.39 during 1959. Funds from the 1959 Lottie Moon Christmas Offering totaled \$7,706,847.29. The advance section of the Cooperative Program came to \$1,575,912.51 in 1959.

One hundred and fifteen people work at the Foreign Mission Board's home office located in Richmond, Virginia. The Board's magazine, *The Commission*, reported an average circulation of 107,024 last year.

Don Mott

SEMINARIES

We have six Southern Baptist theological seminaries with enrollment as follows:

Southern	1,288
Southwestern	2,394
New Orleans	1,002
Golden Gate	357
Southeastern	734
Midwestern	296

There is a total of: 6,071

1. Southern — Louisville, Ky. As Southern Seminary celebrated its centennial and began its second century of service this past year, the \$1,750,000 James P. Boyce Centennial Library was completed, occupied and dedicated. The faculty is the largest in the history of the seminary.

2. Southwestern — Fort Worth, Texas. More than 400 students are volunteers for mission service. Faculty members are directing a new experimental center for marriage and family counseling. This was established jointly by the seminary and the Home Education Department of the Sunday School Board. It will serve students and residents of Fort Worth.

3. New Orleans — New Orleans, La. One out of every nine full degree graduates has served or is now serving under some Foreign Mission Board. In the field mission work required of all students, an average of 190 decisions per week was reported.

4. Golden Gate — Mill Valley, California. It is completing its first year on the new campus at Strawberry Point in Mill Valley. Secular employment for students is at a high level of availability.

5. Southeastern — Wake Forest, N. C. To the campus of what was formerly Wake Forest College another building has been added, a child care building. It will be used to meet the needs of students' children and for instruction of seminary students in elementary education.

6. Midwestern — Kansas City, Mo. It has been on the new campus since September, 1959, and has the use of four new buildings. Others will be added. The first commencement exercises will be conducted in the spring of 1961.

NOTE: The seminaries sponsor jointly an Extension Department with headquarters in Jackson, Mississippi, for helping students unable to attend a seminary or others desiring help.

EVANGELISM

Southern Baptists have been blessed by God as no other Evangelical group in all Christian history. However, along with these blessings there are inescapable responsibilities. We are Christians and we must share with those who are not Christians. In his message before the Southern Baptist Convention meeting in Miami Beach, Florida, Billy Graham said, "America is the world's greatest mission field." We as Southern Baptists are the leading Evangelical denomination in America; therefore, we must match this hour with total dedication to Evangelism.

Florida is growing as few states are growing. We face challenges in the area of Evangelism that we have never faced, and we feel the burden of reaching people for Christ as we have never felt.

During the past year our association had a total of 1,588 baptisms with a total of 2,666 additions received by transfer of letter. This compares with last year when we reported 1,802 baptisms and 2,820 transfer of letters. Out of 45 churches in our association All reported baptisms.

In the light of need and tremendous challenge we recommend:

1. That we strive to reach the "Evangelism Standard of Excellence" for our association annually.
2. That our association participate in the Baptist Jubilee Revival beginning at least by 1962, and that we set annual Baptist Jubilee Revival dates through 1964.
3. That our association shall recognize the associational officers to serve as the Baptist Jubilee Revival Committee.
4. That every church shall utilize the church council in promoting a perennial program of evangelism within the local church.
5. That every church have at least two revivals during 1961, with emphasis in both revivals being placed upon every member doing personal soul-winning.
6. That each church follow the *Revival Plan Book* step-by-step, so as to reach the maximum number of lost souls during the Baptist Jubilee Advance Revival.
7. That every church co-operate fully with the Training Union in promoting the spiritual growth program, which will help to anchor and mature every member coming into the fellowship of the church.
8. That we begin planning now to attend our state-wide Evangelistic Conference at the First Baptist Church, January 10-12, in Jacksonville, with Dr. Charles Howard, Dr. H. H. Hobbs, Dr. Vance Havner, Dr. Vernon Yearby, and others as speakers.
9. That we do all possible to encourage our people to attend the Billy Graham evangelistic rally to be held in Orlando on Saturday and Sunday, January 21-22, 1961.

Respectfully submitted,
Hugh Robert Horne

THE COOPERATIVE PROGRAM

FOR THIRTY - FIVE YEARS SOUTHERN BAPTISTS HAVE SHARED THE GOSPEL TO THE WORLD THROUGH THE COOPERATIVE PROGRAM. The Convention meeting in Memphis, Tennessee, on May 13, 1925, created the Cooperative Program of Southern Baptists for the cooperation in the soliciting, the securing, and the dividing of funds. Since that time it has been helping us to share Christ with the whole world through missionary, educational, and benevolent work.

Again this year the messengers to the Convention re-emphasized its importance to the life of our Convention by adopting the following resolution: "It is our conviction that the Cooperative Program of Southern Baptists is the fundamental, effective, and indispensable channel of providing for the needs of all our work; and that we urge all Baptists to join in giving the Cooperative Program their loyal and undivided support".

Since the inception of the Cooperative Program in 1925, Southern Baptists have given a total of approximately \$483,354,000 through this primary channel. The total Cooperative Program receipts reported by all our states in the year of 1959 amounted to approximately \$47 million. Of this amount \$17 million was given to SBC causes, such as home and foreign missions, our six seminaries, etc., and nearly \$30,000,000 was given for state causes in all the states.

THE FORWARD PROGRAM AND ITS THREE APPLICATIONS.
Now in its fourth year of use, this program continues to render wide service to churches in planning, promoting, and pledging their annual budgets.

Recognizing that many churches need elementary help in budget planning and pledging before attempting the entire Forward Program, steps are underway to provide various applications for varying needs. This emphasis, known as Application A, B, and C of the Forward Program will be available in 1961.

RECOMMENDATIONS:

1. That every church in the association include the Cooperative Program in its budget on a percentage basis.
2. That each church give careful study to the advantages of the 2 Plus plan, and vote to increase the percentage of total budget given to world missions through the Cooperative Program by at least 2% each year.
3. That in planning its budget each church undertake to set the percentage of its budget to be given through the Cooperative Program before the other items in the budget are determined, thus implementing the conviction that missions is first rather than last in the responsibility of a Baptist church.
4. That primary attention be given in our association in 1961 to lead our smaller churches to study and utilize one of the three applications of the Forward Program.

Respectfully submitted,
William L. Smith

WOMEN'S MISSIONARY UNION

The organization has this year achieved her Christian purpose of enlisting and educating for missions through a program of work in the various churches and missions where women and young people have studied, prayed, and given of self and money in the support of the Southern Baptist Missionary program. These we have tried to accomplish, "Not by might, nor by power, but by My Spirit, saith the Lord of Hosts". Let us pray that even more may be done next year.

Camp Joy has been a real joy to many adults, as well as young people this year. Under the capable leadership of Mrs. W. J. Garnett, we have progressed. The R. A.'s have had their convlave, the G. A.'s their council, the Brotherhood, Sunday School classes, and Circles have met there. The Camp is used almost every weekend during the winter. Camps for G. A.'s, R. A.'s, and Sunbeams are conducted for most of the summer. One hundred sixty-seven campers attended three weeks of GA Camp with Rev. and Mrs. J. S. Haskins, Rev. and Mrs. Robert McAllister, Rev. and Mrs. W. L. Smith acting as directors. Many dedicated their lives to Christian service. Others were converted. Won't each of you see that more of your young people have the privilege of camp next summer.

Mrs. Edward Kelsey ably promoted the work of community missions. An excellent plan workbook for the year was given at the beginning of the year to each chairman, and the ones for 1960-61 will be distributed at the October 19, meeting. One of the best Teen-age Retreats this Association has ever had was held at Camp Joy with 132 campers, plus 28 adults representing 17 churches. Work was begun on combating the problem of obscene literature in our local area. Physical and Spiritual needs have been met for persons in our local institutions.

"Through the Years," second edition of the History of the WMU of the Wekiwa Association, was very interestingly and factually compiled by Mrs. W. G. Talton. These are now being sold for \$1.50.

This year the Associational Girls Auxiliary, under the splendid leadership of Mrs. Robert McAllister, had their quarterly meeting in November with the Beulah Baptist Church; February, First Baptist Church of Orlando; the May meeting at Fairview Shores; and the August meeting at Camp Joy with a Christmas in August party. Over 220 girls attended and gifts were taken to Rev. and Mrs. Crenshaw, to be distributed among the Florida Indians. According to plan, the majority of the churches had their own Coronation Services.

Our faithful and efficient Mission Study Director, Mrs. A. C. Rowe, held an institute at Killarney Baptist Church with Jane Hickman as Missionary. Five study classes were conducted. Twenty-seven churches reported 1,397 books read by 463 women. There are ten Round Tables.

Truly migrant work has progressed in our Association as never before. A co-ordinator and his wife, Rev. and Mrs. L. E. McRae, came in answer to prayer and through cooperation of many. Our dedicated Migrant Chairman, Mrs. G. R. Caldwell, has led this work in a magnanimous way. Four Christmas parties were held. Two Vacation Bible Schools, with 156 attending, were conducted, during which 50 boys and girls accepted Christ as Saviour. One hundred forty-four New Testaments, 74 Bibles, 285 John's Gospels, 1,234 tracts, and 743 used church literature were distributed, as well as 10,111 pieces of clothing, medical supplies, First Aid kits, etc., plus offerings of \$243.97.

Our inspiring Stewardship Director, Mrs. L. W. Dockery, reported that 1,537 members gave to the Cooperative Program, 995 are tithers. She and Mrs. Fred Walsh, and Mrs. E. R. Gertner attended the Baptist World Alliance in Rio.

Mrs. J. E. Spencer, Prayer Director, stated that 28 societies reported the use of the Calendar of Prayer, with 12 Intercessory Prayer Leagues. Twenty-one observed all 5 days of Foreign Mission Week, and 20 Home Mission Week.

Mrs. E. M. Walling, Social Director, has most capably handled the luncheons, following each quarterly meeting. The social highlight of the year was the reception honoring Rev. and Mrs. W. A. Hickman, Jr., North Park Church.

Our Treasurer, Mrs. J. M. Pipkin, has done an excellent job. Her report, in its entirety, will appear in the Associational Minutes.

White Cross work has surpassed all previous records. Mrs. E. L. Newel has labored tirelessly and efficiently. Ten drums and 7 boxes of dressings were shipped, including 41,400 gauze sponge dressings and 3,471 rolled bandages.

Thank you for the honor and privilege of serving you as President. To you the consecrated members goes the credit for being "Laborers Together with God." As we go forward with our new watchword, "For the Love of Christ Constrains us," may we do this with renewed dedication.

Respectfully submitted,
Mrs. Elmer E. Jones

BROTHERHOOD

We got off to a good start with our Brotherhood-Royal Ambassador Leadership Clinic at Delaney Street. Three of our associational officers and one pastor advisor went to Tampa for an Associational Officers Workshop. We have held four regular supper meetings at Camp Joy and four Executive Committee meetings this year.

We have been of assistance to quite a few churches in organizational work and other Brotherhood and Royal Ambassador work.

We have a real program in the new organization of Brotherhood and feel that with this new organization the four fields of activities of 1961 are:

1. Royal Ambassadors — Introducing enlarged program.
2. Christians Witness — Developing soul winners.
3. Personal Stewardship — Dedicating life's assets.
4. World Missions — Making missionary advance.

These activities should receive our whole hearted support and prayers.

ROYAL AMBASSADORS

We had Royal Ambassador Junior Camp at Camp Joy in June with fifty-seven boys attending. There were three decisions for Christ.

The work of organizing and helping in the work of Royal Ambassadors is led by Ivor D. Groves, Jr., whose address is 514 Baxter Street, Orlando.

The high light of the Royal Ambassadors in our association was when we were asked to furnish two Royal Ambassadors to act as Pages at the Southern Baptist Convention held at Miami Beach. Donnie Myers from Delaney Street Church and Russell Harper of Orlando First Church were the two selected.

We are very proud of our Royal Ambassadors and their counselors and the Brotherhoods that are sponsoring them. We know that when we teach Christ to the Royal Ambassador and teach them while they are young in the ways of Christ, that when they are old they will not depart from this teaching.

We need to challenge our men to come out and see what great things God can do with these boys. Pray that God will touch all of our hearts and open our eyes to the need and opportunity that lies ahead.

TRAINING UNION REPORT

Our Associational Training Union work for the past year included a One-night Church Officers Clinic; "M" Night with 1504 attending, Youth Night with 286 young people and older intermediates present, and our District Convention held at Leesburg. The Speakers Tournament and for 1959-60- (through August) are 4,134. Six Group Schools were held throughout the association, teaching our Methods Books, and were very successful. Forty-four out of Forty-six churches (not including Missions) have Training Unions.

The Program Theme for 1961 is BE THOU FAITHFUL, as found in the scripture, Rev. 2:10, "Be thou faithful unto death, and I will give thee a crown of life."

"M" Night for 1960, will again be held in the City Auditorium, Mon-

day, December 5, 7:30 p.m., with Dr. Junius E. Foster, Jr., pastor of the First Baptist Church of Miami, as guest speaker. Our goal is 2000.

SUNDAY SCHOOL REPORT

In the Bible we read, "Gather the people together, men, women, and children, and the stranger that is within thy gates, that they may hear, and that they may learn and fear the Lord your God, and observe to do all the words of this law." (Deut. 31:12)

The Sunday Schools have proven to be great Bible teaching, evangelistic, enlistment, and financial agencies of our churches. Through continued guidance and in the setting of a worthy program our Sunday Schools will continue to lead out in these important areas of our work.

This past year has been a year of enrichment in the lives of many of the members of a number of churches in our association. The records as compiled in our State office indicate growth. The total Church Study Course Awards for the year was 4200 plus. This was an increase over the past year. All but four of our churches reported some kind of training during the year. There were six Standard Sunday Schools, 119 Standard departments and classes. Reports received from churches having Vacation Bible Schools totaled 36 plus 5 mission schools. This was not a good record since 10 of our churches reported no Vacation Bible School.

Our average attendance for this year in our monthly meeting which is held on the third Sunday of each month was 150. In addition to these meetings the Sunday School associational officers held a monthly meeting at noon on the Tuesday prior to the third Sunday. A very successful Vacation Bible School Clinic was held at the First Church of Orlando, and the State Sunday School Convention was held here the last of February.

Our department leadership has been excellent this past year. It is the feeling of your Association Sunday School Superintendent that we have the finest leadership of any association. Those serving this past year were: Fred Dunn, Supt. of Enlargement; Rev. J. Elwood Rawls, Supt. of Training; Dewey Stone, Supt. of Visual Aids; Miss Laversa Hallman, Supt. of Vacation Bible School work; Ike Henderson, Supt. of Standards; Mrs. Frances Jensen, Secretary; Owen Peardon and Lee McWhitty, Group Supts.; and the Department Supts.—Mrs. J. Elwood Rawls, Cradle Roll; Miss Betty Parmelee, Extension; Mrs. Buddy Dillard, Nursery; Miss Marie Hermann, Beginner; Mrs. H. L. Lawrence, Primary; Mrs. W. A. Lockler, Junior; Joe Williams, Intermediate; Cliff Evans, Young People; and Louie Wilkinson, Adult; We thank these for their faithfulness to a great cause.

We are looking forward to a very fruitful year. We pledge our departments support in doing all we can to make our association Sunday School work one that truly promotes an aggressive type program to reach out and teach more people.

Florida Baptist Retirement Centers, Inc.

Our Southern Baptist Handboog, 1960, gives the following facts based on information supplied by the Bureau of the Census: In the last twenty years, our population, 65 years or older has grown from 9,500,000 (approximately) to an estimated 16,000,000. The next twenty years tells us that we should expect about 24,000,000 people over 65 years of age. This group will then comprise about 9% of our total population. These statistics have been noted by the digerent agencies of our government, by the politician who desires this large block of votes, and by all means should be recognized by the Christian churches, and our own Baptist people in particular.

Weviwa Association has authorized in previous annual sessions, and in Executive Committee meetings, a group to study the needs of our immediate area in this respect. They are Lloyd Bowden, Chairman, Rev. Allen Higginbotham, Rev. W. A. Lockler, E. G. Rich, Dr. F. F. Thompson, Don Mott, Mrs. Elmer Jones, and Rev. Maurice R. Barnes.

Your committee has visited many property sites, held numerous conferences and feel that God leads us in continued progress. On the authority of the Executive Committee, an adoption to purchase the Altamonte Springs Hotel property is in negotiation, and all plans and negotiations are being made in very close cooperation with Florida Baptist Retirement Centers, Inc., J. Perry Carter, Executive Director.

To fully carry out the proposed Central Florida center, \$100,000 will have to be raised locally, and the property will then be deeded to Florida Baptist Retiement Centers, Inc., and be administered under the guidance and supervision of the Florida Baptist Convention.

The need is evident, and prayer and cooperation of all Wekiwa Baptists is sought by your committee.

Maurice R. Barnes

MUSIC DEPARTMENT REPORT

During the year of 1961, our churches face a great challenge in the emphasis for the year: Forward through Stewardship and Enlistment. In order that every church might be reached, large or small, our associational organization—because of their proximity to the churches in their area and because of their knowledge of the churches in their area—stand as a key to whether or not all of these churches will have the benefits of participation in the year of "Forward through Stewardship and Enlistment." These smaller churches have definite needs in all phases of the work. Our associational music organization has capable leaders and musicians who are ready to help when given the opportunity.

Throughout our state in 1959 and 1960, there were some 350 churches training out of the 1263 churches in our state. This year we hope that many more of our own churches and those of the state will participate in a program of training in musicianship that will help promote music that is worthwhile and that will have a worthy effect on our people. This past year only one church music department in our association was reported to the association music office to have reached the Standard of Excellence.

Many of our churches this past year participated in our associational Music Festival, which was held in Kissimmee First Baptist Church in January. There were well over 600 people taking part in this Festival and many of these churches also sang and played in the State Festival held in Orlando at the Delaney Street Baptist Church. The suggested date for our 1961 Associational Music Festival is January 26th and 27th. The State Festival for our Association is February 17th and 18th at Leesburg, Florida.

This department of your associational organization would like to ask our churches to seriously consider sending as many of its people to the music conferences at Ridgecrest and Glorietta and to make a great effort in sending our intermediates and young people to the Harmony Bay Music Camp at Panama City, Florida.

HOSPITAL VISITATION

In the Gospel of John (10:10) Jesus said, "I am come that they might have Life;" In His sermon at Nazareth, Jesus said that He was sent "To Heal the Brokenhearted!"

Doctors tell us that kind words of encouragement and spiritual uplift help patients to get well. Some of these patients are far away from their homes and friends, and a friendly visit in the name of Christ and our church program, warms their hearts and lets them know that we are interested in them.

Visits and contacts made the past year—2,886 and Professions of Faith—14.

We are glad to serve God, our fellowman, and our association in this fine way.

Thank you! And continue to pray for this work.

Respectfully submitted,
Thomas W. Page

BAPTIST LITERATURE

In this day of manifold demands upon our time, it is beyond the ability of any individual to do the personal research to secure all the information needed for choices he must make. Therefore, we must all depend on trustworthy sources of information, etc., in which confidence can be placed. This is true in every realm.

For guidance in daily living and into eternal life, we commend the Bible above all others and urge its daily and devoted use.

For guidance in Bible study and in the most effective procedures for Kingdom service, we would urge that our Southern Baptist literature be used in every indicated area, as we feel it is one of the most trustworthy to be found.

The Sunday School Board last year printed and mailed out, 97,424,000 copies of its different periodicals, 4,188,046 books, some 63,700,000 pre-printed church bulletins, and more than 16,000,000 tracts. The periodical circulation is the total of the Board's 41 quarterly, eight monthly, and three weekly publications.

Other agencies and auxiliaries of the Southern Baptist Convention have growing subscriber lists for their publications which include THE COMMISSION, HOME MISSION MAGAZINE, BROTHERHOOD JOURNAL, AMBASSADOR LIFE, and all the WMU publications.

Baptist state papers now number 28 with a combined circulation of 1,413,454 copies each issue, according to the 1960 report made to the Southern Baptist Convention. Thus, more than 72,500,000 copies of these papers were distributed last year.

As of August 15, 1960, our own state paper, the FLORIDA BAPTIST WITNESS had on its subscriber lists 57,442 homes in 779 different churches, with 673 of these churches using the Budget Plan. Other churches are sending the WITNESS to every resident family. Small clubs of subscriptions are going to 106 churches. Yet, there are still 449 churches affiliated with the Florida Baptist Convention who are failing to take advantage of this medium of information for their members.

Every church should take steps to provide its membership with the WITNESS, to include every resident family.

To have the type of membership every church desires, the church should use the economical help of the FLORIDA BAPTIST WITNESS. The Church Budget Plan for the small cost of \$1.20 per year, paid in installments of only 10c per month for each family on the subscription list, is designed to meet the needs of the church conveniently.

UNITED CHRISTIAN ACTION, INC

"Wine is a mocker, strong drink is raging; and whosoever is deceived thereby is not wise." (Proverbs 20:1)

In this day of wholesale compromise, too often even by church members, Florida's frightening moral slump is clearly evident. Not so clear to many is the admonition from scripture, Revelation 3:16, "So then because thou art lukewarm, and neither cold nor hot, I will spew them out of my mouth." Could this possibly refer to some Baptists? Certainly Baptists have a history and heritage of courage and judgment in the face of social evils and corrupting pressures. Yet we must honestly face the facts of mass compromise among our membership today. The unbelievable complacency on the part of some pastors and many lay leaders to the stranglehold being secured by the greedy promoters of legalized sin is a perfect imitation of many past civilizations which have disintegrated through drunkenness, idleness, and immorality.

Count the youthful murderers, rapist, thieves, liars, common drunks, and prostitutes from among Florida teenagers today . . . then ask why? . . . then find the answer in the weak example, moral cowardice, self-centered search for ease and "pleasure" by FAR TOO MANY ADULTS in places of leadership . . . in some churches, many clubs, business and social organizations, industry and government, and professional groups. Attend convention gatherings of doctors, teachers, lawyers, public officials, Chambers of Commerce, Elks, VFW, American Legion . . . on and on the list grows . . . and look with utter amazement at the widescale and open approval and participation in drinking and drunkenness on the part of the "mighty."

God will not be patient with Florida forever. The liquor, gambling, indecent literature traffic in Florida can exist only as long as churches who ought to know and do better remain complacent and indifferent. What about YOUR church?

FORTUNATELY AND THRILLINGLY, more and more good pastors and people in Florida are standing forth to fill the gap in needed leadership and concern. It is no exaggeration to point with pride to the pastors and lay workers whose courage, dedication, fearlessness, and wisdom give promise of a new day of straightforward, aggressive CHRISTIAN ACTION against the SIN TIDE in our midst.

FACTS — FLORIDA'S HIGH COST OF LIVING — 1960

ALCOHOLIC BEVERAGES: Legalized beer, wine, and whiskey outlets—16,200; annual consumption—80,000,000 gallons; per capita—18 gallons; per drinker—42 gallons. Total spent on liquor annually—\$300,000,000; per capita—\$66.00; per drinker—\$135. Approximate number of alcoholics—110,000; serious problem drinkers—400,000; "social drinkers"—900,000 for a grand total of 1,400,000 drinkers (candidates for Hell) out of a total population of 4,500,000. (Please note how many do NOT drink). Percentage of older adults who are total abstainers is rising each year, accompanied by an alarming and tragic increase in drinking by 12 to 25 year age group. The 1960 Gallup Roll reveals heavy increase in drinking by women, early teens; 5 to 10 Junior-Senior High students and 7 to 10 college students now drinking. One person in every 9 in Florida is a pitifully addicted alcoholic or serious problem drinker.

GAMBLING: 17 dog tracks, 4 horse tracks, 1 trotting race track, 4 Jai alai frontons, all legalized gambling outlets, to which 6,200,000 paid admission last year and gambled away over \$320,000,000. Results: warped, shackled minds and souls; dissipated energies and resources; A-1 breeding place for crime—for proof, look at our astronomical crime bill.

INDECENT LITERATURE: A veritable flood of FILTH to engulf youth—through newstands, movies, direct mail, etc.; encouraging increase in local groups and enforcement officials acting to reverse obscenity trend. MUCH MORE concern and action needed in every locality.

TO SUMMARIZE: \$500,000,000 spent for legal and moonshine liquor and related tavern sales. \$400,000,000 spent for legal and illegal gambling. Total is 6 times as much as was spent on all church, religious, and welfare activities combined. PLEASE—translate these figures into the staggering parade of lost souls they represent and then ask WHY IS SO LITTLE BEING DONE?

WHAT CAN BE DONE IN THE COMING YEAR?

1. FIGHT BACK against the legal liquor invasion which seeks to turn our entire state into a wet and wide-open sea of debauchery and filth. God's people could WIN MANY wet counties into the dry column, IF we were willing to try. On zoning, hours of sale, sales to minors, drunk driving—many other fronts, we should and MUST STRIKE BACK.
2. CHURCH WIDE STUDY COURSE should be conducted in every church to teach the facts and logic of abstinence and action.
3. LEGISLATIVE ACTION must be started NOW to defeat liquor intentions and PASS BETTER PROTECTIVE legislation against liquor and her allies.

4. **COMMITMENT SUNDAY** should be observed in every church, suggested as the first Sunday in December. Give our youth a guide of abstinence to go by.

WHAT CAN BE DONE?

We need more total abstainers—a solid block of people who will develop a 100 per cent sales resistance to every glamorous alcoholic appeal of the billboard, radio, TV, newspaper, and magazine advertiser. How to get them? Join the forces of righteousness throughout Florida, who, through their cooperative efforts in supporting the work of **UNITED CHRISTIAN ACTION, INC.**, have led to the dawning of new interest and success in dealing with these critical moral and social problems.

The financial support of Florida Baptists through the **ANNUAL STATE MISSION OFFERING**, plus the 152 local Baptist churches who have placed UCA in their local church budgets, in common soldieryship with Florida Methodists, and other denominations in lesser degree, have made it possible for UCA to offer leadership in the following areas:

CHURCH RELATIONS—Speakers bureau offers trained speakers who bring messages of information and inspiration in church services throughout the state.

LOCAL OPTION—Zoning and other local combat with the alcohol menace in which UCA furnishes leadership, prints and distributes materials, etc. 1960 brought open warfare by the greedy legal liquor traffic in Florida's 22 DRY counties. As this is written, God's faithful, courageous, sturdy pastors and lay workers had won victories in Polk and Hernando counties, lost in Leon and Union counties, still fighting in Santa Rosa, Jackson, and others. Nearly the entire year spent on the defensive. Why have we not been on the attack in 45 West counties

YOUTH EDUCATION—UCA furnishes scientific information about alcohol and other narcotics, gambling, and indecent literature to teachers, parents, pastors, social workers, and "teen agers" through interesting program presented in public schools, youth camps, church schools, civic clubs, and other church and public meetings.

PUBLICATIONS—UCA press is continually filling orders for pamphlets, posters, etc., to counteract liquor propaganda with truthful facts fearlessly told. Our Newsletter **ALERT** sent each month to over 9,000. Available free to all leaders of Florida Baptist churches.

LEGISLATIVE INFORMATION AND LEADERSHIP—Gathering and distributing information on legislation affecting the moral welfare of Florida.

CHRISTIAN EDUCATION

It has been said that "knowledge is power" and believing this as Southern Baptists, we have dedicated ourselves to this promise and the kind of teaching and institutions that will empower our people for Christian living. I believe that you shall see with me that God has richly blessed us in this endeavor.

Looking at our program of Christian Education in its broader prospective, we see that Southern Baptists are operating seventy-one seminaries, colleges, and schools. Enrollments of regular students have reached a record high for 1959-60 of 61,194 students compared to 61,086 in 1958-59. In addition there are 8,221 special and extension students, making a total of 69,415. The total assets of Southern Baptist educational institutions continue to grow. Property value is listed at \$231,655,841 and endowments at \$79,686,028 or a total of \$311,341,896.

Taking a closer look at home we see that two of our Southern Baptist Schools are in Florida—Stetson University, at DeLand, and Baptist Bible Institute, at Graceville. Both of them are Florida Baptist institutions and Florida Baptist opportunities.

Stetson, being the oldest university in Florida, has just passed her 75th year of Christian education. Last year Stetson had a fall enrollment of 1,627 young people, coming from 37 states and 15 foreign countries. Over a third of these were Baptists, 78 were listed as ministerial students, and 25 as church music majors, and two as religious education majors.

We rejoice in every effort being made by President J. Ollie Edmunds to make our university a stronger Baptist Christian university, with a dedicated Christian faculty. That this may be achieved, we urge Florida Baptists, individuals and churches alike, to contribute liberally toward the six million dollar goal for much needed building and faculty salary increases.

Baptist Bible Institute, began her 18th annual session this September. Under the able leadership of President James E. Southerland there has been progressive development of facilities on the 150 acre campus at Graceville. He has helped in the organizing of a fine dedicated and scholarly faculty. This school is designed to train those called to church-related vocations, but who do not find it possible or advisable to attend college. Last year there were 138 enrolled, studying for the ministry of preaching, education, and music. Over half of these students were not high school graduates.

As our state continues to grow, Florida Baptists are increasingly seeing the need for other Baptist institutions for Christian education. Let us work to that end. Let us urge our Baptist youth to attend a Baptist school. Let us pray and give that these institutions may fulfill God's purpose for them in the earth.

Jesus once said, "Ye shall know the truth and the truth shall make you free." Believing this, may we as Baptists always be champions of Christian education.

STATE MISSIONS

The tasks that we have to perform in our own churches and the responsibilities that we face in our local areas tend to dim our vision to the urgent need of others throughout our state. This report contains a few facts that should open our eyes and our hearts to fill that need.

The first fact may seem strange in a state that is growing so rapidly, but the truth is that in a great section of our state, county after county is losing its population, simply because the people are moving to other areas. This creates a real problem for our people who remain, for it so weakens many of our churches that they are scarcely able to carry on,

and these same churches are going to have to voluntarily merge, relocate, or close. The other extreme in our state is that there is more than half of the state where the population is simply growing so rapidly it cannot be computed. In these areas, the problem is where and how many new churches are to be established and who is to sponsor them. These churches *must* be established, or we surrender the field to other bodies and then arrive years later, wondering why we made the mistake of allowing the choice locations to be secured by someone else. We must act now.

Another fact to which we call your attention is the need for the training and utilizing of these thousands of new converts who are coming into our churches year by year. These new converts are babes in Christ, and they need to be trained, enlisted and utilized, for unless they are utilized, they become liabilities rather than assets to God's Kingdom.

Still another fact that we need to point out is that every one of our churches needs to be encouraged to set a definite percentage of their undesignated budget for world missions through the Cooperative Program, and then advance that percentage year by year until we give as the Master would have us give for the spread of the gospel to the ends of the earth.

The last fact I wish to bring out is that the future of Florida is as bright as the unclaimed promises of God and is as sure as our faith and our ability to claim these promises from God. The harvest in Florida was never more plenteous and the laborers are still few. Let us continue to move together as one great band for Christ and as surely as we claim God's promises and allow Him to lead us, we will take the state of Florida for Him. State Missions cannot be minimized and they must not be neglected.

Cliff Evans

HOME MISSIONS

WHAT IS IT? It is the opportunity of your church to carry the Gospel to the area within reach of your individual church.

A little research on your part will surprise you what the possibilities are.

WHERE IS IT. It is at your very front door.

A group of dedicated men of the church (the Brotherhood, if you have one) could be enlisted to take a canvass, and it might surprise you what it will reveal.

WHO DOES IT CONCERN? It ought to concern every member of the church, and if he is dedicated he will be concerned.

I'm sorry to say that for too many years my church, the First Baptist of Orlando, was not too much concerned about Local Missions, but I am glad to say that a group of our men got on fire for Local Missions and Pine Hills Baptist Church came into being in June of 1953. They began in a very modest and humble way and today they have a fine, growing church with a membership of 694 and a Sunday School enrollment of 1,048.

Then on August 25, 1957, Como Chapel, a mission of First Church, was begun and today is Walnut Street Baptist Church, with a membership of 176, Sunday School enrollment of 216, two buildings completed and a third one underway, or anticipated in the very near future.

Then on December 6, 1959, a mission was established at Tangelo Park, which now has a membership of 98, Sunday School enrollment of 214, and is on the verge of a building program. A grant from the State Board has already been approved, and they are acquiring 2½ acres as a building site.

Prospects for the establishment of other works in other areas are encouraging, and we hope to have other Missions developed in the next several months.

WHO DOES IT CONCERN? I am proud to be a member of a church that is mission minded. The Missions Program, both Foreign and Home, has had major emphasis in the Unified Budget of our church, and you will be interested to know that our church led the State last year in all gifts to Missions.

Yes, the Program of Missions is a responsibility of *yours* and mine. And may I say that a church that is not mission minded is a *Dead* church.

The Southern Baptist Convention has made available \$4,000,000 to the State Boards for loans for pioneer areas. I understand loans up to \$10,000 can be secured.

The 30,000 Movement for the establishment of new churches is progressing toward its 1964 Goal. I understand over 10,000 new churches and missions had been started by May, 1960. As you can see, we are way ahead of schedule.

This certainly ought to spur every church in our association to get behind and sponsor the greatest Soul Saving Agency at our disposal today. If we are awakened to our God-given responsibility at *home* the Program of Foreign Missions will take its rightful place.

Alex E. Young

SOUTHERN BAPTIST RADIO-TELEVISION COMMISSION

Worldwide radio and television are now realities. In the light of present day tensions and world conditions, mission work by way of radio and television *may* be the only means of witnessing to large areas of our world which are now, or soon may be, closed to our present mission methods.

The Radio and Television Commission is a missionary service organization for the Southern Baptist Convention. It preaches the Good News of Christ almost daily somewhere, reaching individuals who might otherwise never hear the message of life. God is blessing Southern Baptists' efforts to use radio and television as evangelistic tools. But we have barely started in our job. The history of Christianity is irrevocably tied to the history and the instruments of communication. This must remain true as Southern Baptists seek to communicate the gospel to the world.

There are three main facets to the work of your Radio-Television; 1) preaching the gospel on radio and television; 2) building an audience for the programs; 3) providing counsel and filling requests which come in response to the programs.

The Commission now produces five weekly radio programs, with a children's program and a counseling program in the planning stages. Distributed weekly are: "The Baptist Hour," "Master Control," "La Hora Bautista," "International Sunday School Lesson," and "The Chapel Upstairs." (See station list for local stations, times).

Preparation of "The Answer" series for television continues to be a highly successful method of reaching the unchurched and frequently uninterested viewer. At the same time, "Telegangelism" as a project through which to relate church visitation and evangelism to the television program continues to be used effectively—this year and by more than 6000 churches and participated in by over 75,000 individuals.

Southern Baptist pastors can now obtain *The Beam*, monthly magazine of the Commission, upon request without cost, and a budget plan of \$.50 a year is available to churches which have 25 or more subscribers.

A WEKIWA BAPTIST HOUR? Attempts have been made this past year to put an associational broadcast on the air. The commission was able to secure time on two different stations at ideal times but was unable to secure financial sponsorship to put the program on the air. It will be possible this year to have such a program if willing sponsors can be found. An associational radio broadcast could effectively serve as a coordinator of our efforts in associational work. A quarter-hour broadcast would cost approximately \$25.00 per week on a station that would reach all of central Florida. We need Southern Baptist programs on our Orlando stations.

THE AMERICAN BIBLE SOCIETY

WHAT IT IS: The American Bible Society has as its single, simple purpose to encourage the wider circulation of the Holy Scriptures without note and comment and without purpose of profit to every man on earth in whatever language he may require.

It is the sole American national and international society organized for this purpose. Founded in 1816, it is one of the oldest missionary societies in America.

Throughout its long years of service members of many Christian churches have united in its activities. More than 50 denominations are represented on its Advisory Council. Its work in the United States and abroad serves hundreds of missionary societies and national church bodies.

Its President, Vice-President, and the principal part of its Board of Managers are lay men and women.

WHAT IT DOES: The American Bible Society's supreme concern is to get the Bible into the hands of those who do not have it and to do so in a manner to secure serious interest and a receptive mind. Its principal processes are four:

1. Translation: It constantly aids translators by counsel, supervision and contributions toward expenses. Translators by counsel, supervision and contributions toward expenses. Translation projects are going on almost continuously on every continent and the islands of the seas.

2. Publication: Long experience together with skillful and constant supervision results in the publication of readable, durable Scriptures at low cost. In a recent year printing orders reached 14,000,000 volumes of

Gospels, Testaments, Bibles. Centers of publication include Cario, Bangkok, the British Isles, the Near East and the Far East as well as the United States.

3. Distribution: Supervised by its offices and agencies the Society's own staff of colporteurs distribute hundreds of thousands of Scriptures. Many more go out through Christian workers missionaries, pastors, and evangelists. Such work is made possible for many of these by small allowances from the Society toward expenses. There are thousands of volunteer helpers.

4. Promotion of Bible Use: Because an unused Bible is of no value the Society considers as its fourth main purpose, the encouragement of the use of the Scriptures. It seeks to accomplish this purpose through: the annual Worldwide Bible Reading program, from Thanksgiving to Christmas, including the observance of Universal Bible Sunday; the preparation and distribution of leaflets, reading schedules and other materials; the cultivation of Bible Committees in denominational local churches; and contacts with theological seminaries.

WHERE IT WORKS: Throughout the United States offices are maintained. Representatives abroad are located in Havana, Port-au-Prince, Mexico City, Cristobal, Lima, Santiago, Buenos Aires, and other South American cities. Offices are located in Istanbul, Cairo, Monrovia, Bangkok, Manila, Hongkong, Tokyo, beside many sub-agencies located in various countries.

Service through Missionary Agencies: Kenya Inhambane, Belgian Congo, Liberia, the Caroline, Marshall, and other Pacific Islands.

Special Services: Aid to foreign Bible Societies in Japan, Korea, Brazil, Belgium, Germany, France, India, and Indonesia.

WHY IT MUST EXPAND: Because the one hope of our fear-wrecked, sin-ridden world is the gospel of Jesus Christ; because the Gospel is known, and experienced only as men have in their hands the one primary source for knowledge of it and for contact with Him; because the great masses of people in the world do not have the Bible, do not even know of it; because over vast areas of the world the Scriptures cannot be secured except from an agent of the Bible Societies or a Christian missionary supplied by a Bible Society; because the distribution today is hardly keeping pace with the annual increase in the literate population of the world; because there is now among great populations and over great areas an open readiness of people to hear about the Scriptures and to buy them far beyond the present resources of the Society to meet; because the distribution of Scriptures reaches hundreds of thousands of persons whom no other Christian effort will reach; because at points the growth of membership in the Christian churches is requiring Scriptures faster than the Society can supply, it is calamitous if new Christians cannot have them; because, in the present world conditions, the American Bible Society must provide hundreds and hundreds of thousands of Bibles and Testaments needed by churches and people in the under-privileged areas of Europe and Asia; because American Christians are better able to bear the costs of the needed expansion than any other people in the world.

HOW CAN IT EXPAND: By increasing support through gifts from churches, individuals, and auxiliary Societies.

In 1955, 29.1 pct. of American Bible Society's total income came from churches; 1956, 28.2 pct; 1957, 25.4 pct; 1958, 24.6 pct.; 1959, 24.7 pct. How much will the churches help this year? This is a question we all need to face and answer.

Last year Southern Baptists gave an estimated 160,000 dollars to the American Bible Society. We must give generously in 1960 in support of this work. Only 1960-61 will tell whether Southern Baptists will lead in contributions to the Bible Society. Do we believe in the transforming power of God's Word? If so please send gifts to our denominational offices, and mark gifts for the American Bible Society.

Clifford Gresham

REPORT OF RESOLUTIONS COMMITTEE

Be It Resolved:

1. That we thank the North Park Church and its pastor for their gracious hospitality, and for the privilege of holding the Ninetieth Annual Session of the Wekiwa Baptist Association with them.
2. That we commend the program committee for a program well planned, and all the officers and speakers for a program well executed.
3. That we continually impress upon our people the importance of carrying out Christ's great Commission by praying more, paying more, and saying more, in behalf of the Gospel of Grace.
4. That we extend to our churches our heartfelt sympathy in the loss of loved ones by death during the past year.
5. That we urge the leaders of all our churches continually to emphasize the truths contained in our Church Covenant, particularly as it pertains to abstinence from the sale and use of intoxicating drinks as a beverage.
6. That we be reminded once again of our religious liberties, so dearly bought, and that we be much in prayer relative to the future, as it pertains to all our freedoms.
7. That in this year of unrest, uncertainty, and turmoil we remember those we are Whom we serve, and let us "press toward the mark for the prize, of the high calling of God in Christ Jesus."

Respectfully submitted,
