1. Brother Lowell Leistner led us in singing of "O How I Love Jesus", accompanied by Brother John Bos at the organ.
2. Brother Clayborn E. Landers of Killarney read from the fifth chapter of I John and from the first chapter of II John and called on Bro. Howard Smith to lead us in prayer.
3. Bro. Lowell Leistner sang "It Took a Miracle" after which Bro. Bos brought an instrumental special on the Hammond Organ.
4. Bro. Harwood Steele, pastor of the Riverside Baptist Church, gave a brief word of welcome and said that his people counted a privilege to be able to entertain our associational meeting.
5. Our Vice-Moderator, Bro. H. Fred Williams, gave words of appreciation on the behalf of the churches of our association and stated that our Moderator, Bro. James Haskins, regretted that he could not attend. He also thanked Bro. Leistner and Bro. Bos for being with us and helping us have such a fine musical program. Both of these men are members of the First Baptist Church and on the evangelistic team of Dr. E. J. Daniels.
6. Bro. Williams called our Fifth Semi-Annual Session to order

and requested a motion to seat the messengers. Bro. Harwood Steele moved that we recognize all registered Messengers, Alternates, and all those who will be registered as members of this Session to care for the business at hand. Seconded and so moved.

REPORT OF MIGRANT MISSIONS COORDINATOR

By Rev. & Mrs. L. E. McRae

We are very happy over the gains this year.

We now have four areas where full time regular services are conducted by churches with volunteer workers. The latest of which was Trinity Baptist Church, Rev. Harold Dann Pastor and his brotherhood have established a mission in North West Apopka, in a rented building and are doing a splended piece of work among the Spanish speaking people of that area.

This has been the best year yet, in our work: We have had 190 conversions, 176 rededications to the Lord's work in Youth Camps, 23 dedications in Schools of Missions and Camps, all among young people.

Distributed 945 Bibles and Testaments and handed out 10,347 Evangelistic Tracts to those who had nothing to read.

We are very grateful to the Woman's Missionary Society of this Association for their loving cooperation and the willingness to answer every call for aid.

The Churches now conducting migrant services are: First Church, Orlando - Deneefe Camp; First Church, Apopka - Plymouth Camp; Pine Hills First Church - Sheeler Mission; and Trinity Baptist Church - North West Apopka.

Respectfully submitted,
Rev. & Mrs. L. E. McRae

ANNUAL BIBLE SOCIETY REPORT 1964

If the people of the world are to know Jesus Christ, who alone can give true freedom to men and nations, they must have the Bible. Each person must have the Bible in his own language because it speaks to his heart as no other language can speak. But, in many countries, people cannot afford even the cost of printing the Scriptures.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave -- and keep on speaking to a person's heart.

In 1963 the American Bible Society carried forward its task of putting the Word into the hands and hearts of men in more than 120 countries and 300 languages.

The American Bible Society, with its twenty-two sister national

Bible Societies, has embarked upon a great new program, "God's Word for a New Age," which will reach its high point in 1966. The program of advance was approved at the Advisory Council in 1963 by the representatives of fifty-five denominations in this country which support the work of the Society. The major target of "God's Word for a New Age" will be the increase of total Scripture distribution around the world, through the United Bible Societies, to 150,000,000 copies annually by 1966. This goal is more than three times present global distribution. The ultimate objectives are:

- A Bible for every Christian home
- At least a New Testament for every Christian
- At least a Portion for all who can read
- An opportunity for every Christian to distribute Scriptures in personal witness.

The American Bible Society has pledged itself to a goal of distributing 75,000,000 copies of Scripture annually by 1966. This is one half of the world goal of the United Bible Societies and is more than 100 per cent increase over the Society's circulation in 1963, the highest in its history.

SOUTHERN BAPTIST CHURCHES CAN LEAD -- IF EVERY CHURCH WILL GIVE. Here are suggestions, based on what many churches are now doing:

EVERY CHURCH can give **AT LEAST** these amounts **EACH YEAR**:

Smaller churches	\$10 to \$60
Larger churches	\$60 to \$300
Great city churches	\$300 to \$600 or more

Send the gifts from your church to the Baptist State Office. Regardless of how we give -- let's give. Mark your gifts, "for the American Bible Society."

REPORT TO THE ASSOCIATIONS OF BAPTIST BIBLE INSTITUTE 1964

Baptist Bible Institute students average age 32, have a wife and two or three children, and usually have been deacons or other Baptist church leaders.

For such mature students we have a highly trained, experienced faculty. These men and women teach classes which parallel those in SBC seminaries, but without Hebrew and Greek. Chapel services, and field guidance classes led by visiting state and SBC denominational leaders, combine with classwork to produce both informed and loyal leaders for the churches.

Students must take 100 semester hours of class work, usually taking three years to graduate. One may choose a special emphasis in either pastoral training, religious education, or sacred music. Certain colleges now allow two years credit for work done at the Institute.

We enrolled 232 last year, and 215 for the first semester of this year. This is 30 more than the first semester of last year. We confidently expect more students this year than ever before when both semesters of non-duplicating students are counted. We entered the new administration building in September, having occupied the new classroom building last March.

Dr. Lewis Curtis (A.B., B.D., Th. D.) has joined the faculty and will teach Biblical Theology. Miss Dorothy Wamble (A.B., M.S.M.) is the new Professor of Piano. Dr. E. W. Ware has resigned as Professor of New Testament; Mrs. Sanders Watford resigned from the music department.

BUDGET. Our budget last year was \$205,546.50. Of this, \$114,104.48 came through the Florida Baptist Cooperative Program. The State Mission Offering to us was \$9,468.06. Designated gifts from churches and individuals came to \$31,923.64. The rest was from rentals, tuition fees, book sales, etc.

The recent building and endowment campaign brought cash and pledges amounting to \$175,000.00

CURRENT NEEDS. We still need a library building, cafeteria, and student housing to include both dormitory and apartments. These are needs which we cannot put off very long.

STUDENT LOAN FUND. The student loan fund now has about \$27,000 available for students who show need.

CONCLUSION. Baptist Bible Institute is constantly working at its job, that of specializing in a field of Christian education which other Southern Baptist schools scarcely touch. We are making steady progress toward realizing the dreams of the founders. Because of the excellency of our faculty and the depth of our curriculum, students more and more seek us out. Upon graduation these men usually have pastorates; nearly every one is in demand immediately. We have no problem placing graduates.

OUR THANKS: We thank you for your love and support. As far as we are able we promise to merit your continuing cooperation. We are working with you as fellow-laborers for the King.

REPORT OF THE CAMP JOY COMMITTEE

The physical facilities at Camp Joy continue to improve. A new water system in the campus area has been installed and we now have good drinking water. Muck, in the swimming area of the river, has been cleaned out and sand poured in assuring a good swimming area in the future.

Our caretaker, Mr. Nabors, is to be commended for his many hours of work in keeping the entire area in usable condition.

Several of the pastors, after using the camp this year, have indicated they plan to make more use of the camp each year. We hope all churches will do this. Please get your reservations in as early as possible.

We call your attention to the Camp Joy display which gives some idea of the possibilities of the camp.

Respectfully submitted,

4. That we urge every registered voter in our Association to prayerfully and carefully express their citizenship by voting in the forthcoming election for city, county, state and national candidates. That we pray as we vote and vote as we pray.

5. That we urge every pastor and church in our Association to get behind the UNITED CHRISTIAN ACTION ORGANIZATION with our prayers and our money. We recommend Dr. Edgar R. Cooper for his leadership of this State-wide UNITED CHRISTIAN ACTION, Inc., organization and pledge to him and to the work of this organization our increased interest and concern.

6. That we thank Robert L. New for his efficient and faithful discharge of the arduous duties as Treasurer of our Association and to Robert D. McAllister for his willing and ever ready spirit of cooperation as Clerk of the Association.

7. That we thank God for every achievement made and every advance recorded this past year and especially for the vision of new fields of endeavour presented to this annual meeting of our Association. RETIREMENT COMMITTEE REPORT PROGRESS REPORT

From: Board of Trustees
 Angebilt Baptist Homes, Inc.
 Wekiwa Baptist Association
 Orlando, Florida

The Board of Trustees of this newly formed non-profit corporation is pleased to report that a very attractive purchase price and terms

have been negotiated on the acquisition of the Angebilt Hotel on October 6 and 7. However, months of detailed study and analysis for such a project were given by the authorized committee of the association. In this study the counsel of the professional organization, Retirement Home Planners of California, was sought and whose services are to be engaged as soon as the acquisition of the hotel is completed and association endorsement obtained.

The attached sheets are for your information so that this proposed operation may be better understood. The details of this project will be filled in within the framework that is contained in them.

As rapidly as more detailed literature can be prepared, it will be made available.

A SUMMARY OF OVER-ALL OBJECTIVES FOR THIS PROGRAM

THE PHILOSOPHY

"To add life to years, not merely years to life" is the theme around which revolves the Purpose and Objectives for this Older Adult Living Program.

THE PURPOSE

To provide a quality type of accommodations at nominal cost and with services that offer a maximum of freedom and security with a minimum of burdensome cares.

THE OBJECTIVES

1. To offer a non-institutional, non-regimented environment where Christian fellowship and standards of living prevail.
2. To provide security at a cost which is only possible through a non-profit organization with an operation of maximum efficiency.
3. To generate or to continue the incentive for active, creative living through:
 - a. Association with persons of similar ages, interests, needs and of varied backgrounds and experiences.
 - b. Participation in the total life of the development - its social,

cultural and religious activities.

c. Services to others - in the development, the community, and wherever a service opportunity presents itself.

4. To meet the basic needs of older persons insofar as possible and irrespective of social or financial circumstances.

"Age is the top of a mountain high,
 Rarer the air and blue;
 A long, hard climb, a bit of fatigue,
 But oh! What a wonderful view!"

Questions and Answers
 Regarding
 ANGEBILT MANOR
 Orlando, Florida

1. HOW DID THE INITIAL PLANNING BEGIN?

A group of dedicated Baptist ministers and laymen were concerned about providing a well-conceived living experience for senior men and women that would provide good living accommodations and services in a pleasant environment and among Christian friends. The opportunity for such a facility has been accentuated by the attractive possibilities of the Angebilt Hotel, both in location, and feasibility.

2. IS THERE A NEED FOR SUCH HOMES?

Yes. There are many indications apparent: (1) Government interest in the retirement home field; (2) Private enterprise has shown a growing interest; (3) Increasing life expectancy has made our present population consist of approximately 11% over 65 years old, or 33,000 in Orange County; (4) Those homes built to meet this need are rapidly filled and have waiting lists; (5) These homes are designed to meet the needs of the aging.

3. IS THERE A NEED FOR BAPTISTS TO PROVIDE SUCH A HOME?

Yes. Again there are many apparent reasons: (1) The need and the opportunity present to Baptists a responsibility; (2) Christ said in Matthew 25 that when we see a need we are to meet it as unto Him, in Mark 16 He said to go to all the world and preach the gospel to every creature; these two verses bind us to the responsibility of going outside our churches and by all means reach all people; (3) Other denominations have been in this field a long time; (4) Government and private enterprise cannot provide the Christian witness or love that is a basic requirement of all men.

4. WHAT WILL BE PROVIDED IN THE UNITS?

An applicant will have a selection from different types of units and each unit, when reserved, will be remodeled according to the model units in the building. A unit will have its own air-conditioner, wall-to-wall carpeting, drapes, remodeled bath and dressing area.

5. WHAT WOULD BE THE COST TO WEKIWA ASSOCIATION?

There would more than likely be an initial cost for down payment and transition expenses, however, this has not been finalized; and if proposed, would require associational approval. It is not thought that continuing finances would be needed.

6. WHAT WILL BE THE COSTS TO THE INDIVIDUAL?

Two fees are paid by a resident as contributions to assist in the financing of the total program: an Accommodation or Entrance Fee beginning at \$2,995 for one or two residents. This provides residency for the lifetime of the occupant. The Monthly Care and Service Fee provides for three meals, seven days a week menu style with optional seating and at least one hour in which to enter the dining hall, all utilities, property taxes, basic room and building maintenance, 24 hour communication with management, and for emergency medical care, virtually all of the major medical expenses through an insured group program. This fee will be from approximately \$159, or if two in one unit, \$149 per person. Rates compare very favorably with other such institutions.

7. WHO IS ELIGIBLE FOR RESIDENCY?

Any older adult, who desires this unique Christian living and service program, and files a Preliminary Application. Applicants are then screened by a personal interview and references. With a limited number of units available, time is of the essence and reservations are on a first come, first served basis.

SUGGESTED INFORMATION FOR USE IN MAKING ASSOCIATIONAL SUNDAY SCHOOL ANNUAL REPORT TO ANNUAL MEETING OF YOUR ASSOCIATION IN OCTOBER

"OUTREACH FOR THE UNREACHED ... SPEARHEAD FOR EVANGELISM" was the theme of the past year. It is our hope and prayer that as a result of Our Witnessing Campaigns in January and the follow-up on them in our churches ... that this past year has changed the downward trends in enrolment and evangelism in our state.

Records of accomplishment available through our State Sunday School Secretary, C. F. Barry, Jacksonville, reveal that the churches of our association participated as follows:

Total Church Study Course Awards through 8/31/64 - 4594; in Sunday School Principles and Methods Category 17 - 1166; No. churches earning awards in Church Study Course - 45; Standard Departments - 25; Standard Classes and Groups - 59; Total Standard Units - 88; Vacation Bible Schools - 38; Mission V.B.S. - 2; Number of Sunday Schools - 58; Number of Mission Sunday Schools - 12; Total Sunday School Enrolment - 25,309; Mission S.S. Enrolment -; Your 1963 Sunday School Enrolment - 24,928; Gain 406. (For information on your Sunday School enrolment, etc., refer to your church letters.) Standard S.S.4

COOPERATIVE PROGRAM AND STEWARDSHIP

Missions depend on the reaction of the individual Christian to the responsibility he has been given in the Bible. God made some pronouncements in the Old Testament; and Jesus built on these in the New Testament. One of the fundamental pronouncements of the Old Testament had to do with possessions. The tithe, or one-tenth of all a man had, was required of him. It is the same today. God has made it very clear that everyone is expected to tithe.

For a good many years now, we have been using the slogan, "Every Baptist a Tither", but this is somewhat general. Even though every Baptist tithing is our goal, we are not moving too rapidly toward its accomplishment. In Florida, according to best reports, we have 16.3% of our Baptists church members tithing. This adds up to 89,538 people. This is a very small number when we think of the 543,676 church members in our state.

At the May 8 meeting of the State Board of Missions, a goal was approved to seek to add 50,000 new tithers to this number during the period April 1, 1965 to March 31, 1966. This will be in cooperation with Southern Baptist efforts to add 2,000,000 new tithers during this same period. This represents a 10% increase in tithers for Florida Baptists.

The increasing demands of a waiting world make our attention to these matters urgent. There are lost people everywhere and they must be ministered to. The response of churches in the WEKIWA Association to this tithing campaign is important. We are suggesting a goal of 10% based on the church membership listed in the 1963 Florida Baptist Annual. This would be 2,911 for the association.

We urge YOU . . . "BEGIN TO TITHE IN '65!" The Cooperative Program depends on your stewardship.

SUNDAY SCHOOL

While many of us stand up and cry that the work is not going as it should and the Bible is not being preached to as many people as it should be, yet we are very thankful that the Gospel is just as powerful as ever. The same Lord is over all and the work is yet to be done.

There are more people, with more talent, ready to do more work, than there has ever been and the same Lord says today as in the long ago, "Go ye and I am with you alway, even to the end. . ."

In our association, there are yet those who pray, plan, prepare and are doing the work of evangelists in our midst. The records show that we have 1102 awards in Category 17 through July, with a total number of awards being 3662. Plans are under way for group schools to be held in North Park Baptist, Delaney Street Baptist, and First Baptist of Winter Garden. All of our churches are urged to send their workers to the school that is closest. Paul Glore, Frank Delrose and Lorain Williams will be leading the schools.

The work of our Associational Sunday School department is in very good hands with the departmental officers who have accepted the work for the new year but there is a need for a number of other workers. Please pray for a superintendent to lead in this work.

I have had the pleasure of serving as superintendent for the past year and feel honored that you have trusted me with this so important work. However, now that our work is ended in the "City Beautiful" and we have accepted a call to the First Baptist Church of Bushnell, Florida, we leave you with a prayer that you may find someone soon to lead in this wonderful work. Those who have worked with you this past year and have accepted the work for the new year are: Cradle Roll, Mrs. Mary Linington; Nursery, Mrs. T. D. Dillard; Beginner, Mrs. Frances Jenson; Primary, Mrs. Montene Lawrence; Junior, Mrs. Lorain Johns; Intermediate, ; Young People, Mr. Ralph Huford; and Adults, Mr. J. C. Hockett, Jr. These have worked hard and faithfully and I feel that our association owes them a debt of thanks for the work they have done. I shall ever be thankful for their help and their prayers while I worked with them. They were patient, prayerful, and kind -- as well as faithful to the task.

May God bless our Sunday School Associational work with more workers like these.

BAPTIST LITERATURE

In this day when the average citizen seems in danger of drowning in a sea of propaganda under waves of misinformation, it becomes more important than ever that Baptists have information which is correct from sources which are trustworthy. To be uninformed is bad; to be misinformed is worse. The work of the churches is often greatly handicapped both by lack of information and by misinformation among the membership. Today's average Baptist is provided with some kind

of information all right, but too many times the information comes from sources which are critical of and frequently openly opposed to our Baptist work. Too often it comes from sources which are not trustworthy.

The circulation of Southern Baptists publications continues to grow. For example, the reports show that during the past year the Sunday School Board produced and sent to users in 50 states and numerous foreign countries 86,126,772 copies of its periodicals; 1,697,954 copies of new books; 3,800,863 reprints of old books; 67,149,640 church bulletins and more than 13,000,000 free tracts. All other boards, agencies and auxiliaries of the Southern Baptist Convention have their own specialized publications of which the distribution is also increasing.

The Baptist state papers, of which there are 28, reported to the Southern Baptist Convention in Atlantic City this year a total circulation per issue of 1,521,958 copies as of January 1, 1964. While this is still an increase over the previous year, the rate of increase has slowed down perceptibly. Our own state paper, the FLORIDA BAPTIST WITNESS, has also experienced this slowdown in the rate of growth. As of August 1, 1964, the paper is going to 65,643 subscribers each week. The Church Budget Plan is being used by 758 churches for at least a part of their membership, while 135 churches have clubs of subscribers. The number of churches sending the paper to every resident family is slowly but surely increasing, although there are still 460 churches affiliated with the Florida Baptist Convention which are making no effort to keep their members informed through the use of their very own Baptist state paper. Full use of the BAPTIST WITNESS will result in a better informed, more interested, better enlisted, more generous, better cooperating, more missionary membership in any Florida Baptist church.

W. M. U.

Today's world is a small world made smaller by space age travel - a turbulent world, where two mighty forces, communism and Christianity, contend for the minds of the millions. In today's world there is more widespread and deliberate lostness than ever before. Recognizing the needs through prayerful concern, today's woman channels her interests, her talents, her concern through Woman's Missionary Union.

Committed church women met on November 4, at First Church Chapel, to unite into one unflinching bond their hearts and voices in prayer. "Into all the world" was the theme carried out by Mrs. P. K. Weaver, prayer director. She has urged that the Weeks of Prayer for missions be church-centered, with the whole church participating in prayer and giving.

Community Missions is seeing a need spiritually, morally, materially, and doing something about it. Concern for the needs of people is the greatness of Christianity. Each quarter Mrs. A. G. Hause sends

out a Community Missions work sheet listing "some needs you can help meet." Under the capable direction of Mrs. Hause, the Annual Intermediate Advance on Alcoholic-Narcotic Education was held at Camp Joy, April 10-11 with Jack Epps, Executive Secretary of United Christian Action, Inc., leading the sessions. About 150 attended. We are looking forward to a Literary Workshop early next year.

Stewardship director, Mrs. Lewis Dockery, has emphasized stewardship of time, teaching and practicing giving of the tithe, and the individual responsibility to God for the wise use of the nine-tenths of time, talent, and money.

Rededications and commitments were made by many of our youth at Camp Joy during July 20-August 1. Mrs. Victor Cova directed the first week with Rev. William Guess, Sanford, directing the second week. A total of 136 attended.

The Young Woman's Auxiliary saw missions in action as they helped plan, pray for, and watch their director, Mrs. William Jones, with her family, prepare for the Indonesian mission field.

On September 24-25, 212 women of W. M. U. met at Delaney Street to prepare themselves for the mission task as set before them for the following year. These tasks will be to teach missions, lead members to participate in missions, provide organization and leadership for special mission projects of the church, and to interpret information regarding the work of the church and denomination.

Working together is essential to singleness of purpose as we sing with the Psalmist, "I will praise thee, O Lord, among the people I will sing unto thee among the nations." Psalm 59:9.

Mrs. J. L. McKinney

FLORIDA BAPTIST FOUNDATION

The Florida Baptist Foundation, an agency of the Florida Baptist Convention, concerned with the support of all causes supported by the Convention, has had another good year of service. Again, every agency and institution supported by the Convention has been named in wills prepared by the Foundation, and again this total amount goes over a million dollars.

The Foundation is concerned with assisting in the preparation of wills favoring Baptist causes, setting up trusts, and establishing endowments. We work in two fields. First, we seek to acquaint our Baptist people with the advantages of wills, trusts, and direct gifts. Second, we invest the funds coming to us with regard to safety and return on investment.

The audit of September 30, 1963, shows \$863,825.68 held by the Foundation in various funds. The Foundation owns none of this money, but holds it in trust for the various institutions favored in wills or by gifts. All of this money must be handled as specified in the will or agreement.

The trust department in one of Florida's largest banks is custodian of a large part of our investments, and makes recommendations

concerning investments to our Investment Committee of the Trustees. The Investment Committee reviews the recommendations in the light of other information and makes the final decision on investments.

The Trustees of the Foundation are elected by the Convention. At present we have thirteen outstanding business men and two pastors. The Trustees meet annually to receive reports from committees, and determine general policies, or can be called at any time as necessary. The Executive Committee, which is the Investment Committee, serves in operational matters, and meets quite regularly. The Trustees serve without compensation and pay their own expenses in connection with all meetings.

At present, the Foundation has been assigned the job of raising \$1,500,000 for Stetson University and \$500,000 for Baptist Bible Institute. The Stetson money will be matched by Ford Foundation and again by the Trustees of Stetson, making a total of \$4,500,000 for Stetson. Good progress has been shown.

Serving with the Executive Secretary of the Foundation are Dr. James A. Sawyer, pastor of First Baptist Church of Cocoa, chairman of the Church Committee, and Cecil B. Carroll of Jacksonville, chairman of the Laymen's Committee. Regional chairmen have been selected by these chairmen.

If the Foundation can be of service in any of the ways listed above, feel free to call on us.

STATE, HOME AND FOREIGN MISSIONS

If Florida Baptists are to fulfill their task in this needy mission field, we must constantly strengthen our present witness as well as add new missions, new churches and new ministries. The ministry to our youth is being expanded through the development of Lake Yale Assembly. The plans now are for these facilities to be available by the summer of 1965. To meet the ever increasing need for additional college facilities will call for more prayer and faithful stewardship practices by our people. In the midst of the many things we are doing we must never lose sight of our first responsibility to win the lost to Christ. Our first duty is to win the lost to Jesus! All our work moves along in proportion to our faithfulness in keeping Jesus' command, "Go Ye".

Dr. Arthur B. Rutledge will assume the duties of Executive Secretary of the Home Mission Board, January 1, 1965. Home Missions are carried on by its personnel of 2,299 missionaries, 645 student summer missionaries, and 750 Baptist chaplains. These dedicated workers led 46,226 to accept Christ as Saviour and reported 355,325 Baptisms. There are fourteen programs of work through which the Board seeks to fulfill its task. They are church extension, associational administration services, pioneer missions, language missions, church loans, chaplaincy, metropolitan missions, urban-rural missions, Jewish work, mission center work, National Baptists, evangelism,

survey and special studies, and special mission ministries.

The Foreign Mission Board has 1850 missionaries under appointment serving in 54 nations. Working with these are 2,822 national pastors. Much of the mission work is done through the educational and medical programs, and of course, the printed page is of prime importance. Eighteen publishing centers produced 12,965,885 copies of literature.

We urge all of our people to subscribe for and read the three mission periodicals: FLORIDA BAPTIST WITNESS, HOME MISSION MAGAZINE, and THE COMMISSION.

FLORIDA BAPTIST CHILDREN'S HOME

The break-up of homes and the desertion of children has become altogether too common in our society. The sense of responsibility which should be felt by parents towards their children has fled, and hundreds of children are deserted by one or both parents who feel little if any remorse for what they have done to their children. The increased number of applications to our Children's home during the spring and summer of this year is indicative of things becoming worse rather than better as far as family relationships is concerned.

The Children's Home has four caseworkers, each of whom has graduated from an accredited school of social work. It is their responsibility to counsel with children and parents who come to our homes for help, and in every case where good family life can be maintained, these workers urge the families to stay together. These caseworkers have been very successful, proven by the fact that 94 applications were withdrawn and 55 children were returned to their families or near-relatives through the efforts of these workers. Seventy-five children were admitted to the homes in Lakeland and Miami for a total of 188 in residential care. And, 64 were assisted through the Mother's Aid program.

It is the responsibility of every parent to care for his child to the best of his ability. When children are admitted to the Home, parents are asked to contribute toward the support of the child if it is at all possible. When parents are unable to care for their children financially, it becomes our privilege at the Children's Home to help these children. Let us remember that the needs are very great at our Children's Homes and if the members of our Baptist churches would give two cents per week each for child care, we could double the number of children we are now assisting. Let us remember them in our prayers and most of all in our giving.

EVANGELISM'

Evangelism is the heart of Baptist work. Every church and every organization of every church has as it's basic purpose and function

the matter of reaching souls for the Master. We fail in our reason for existence if we fail in evangelism. Should Baptists fail in this Christ-Commissioned task, God will raise up some other group to carry the flaming torch of evangelism. Baptists have been leaders in this field for centuries. Let us not falter in enthusiasm or in effort, but rather surge forward with new zeal to reach more men, women, and young people for the Lord.

During this year there has been an associational effort to reach more souls through the Sunday School Witnessing Campaign and also through encouragement to each church to have at least one revival during the year.

It is our sincere hope and prayer that every cooperating church will move forward for Christ evangelistically.

ANNUITY BOARD

New "Life Benefit Plan" is offered to Church and Denominational Employees. Every pastor, church, and denominational employee is eligible for the plan. The board hopes to have the plan in operation by October 1 of this year.

COST IS LOW! The cost is only 1% of annual salary basis, with a minimum set at \$4,000.00 base and a maximum at \$12,000.00 base. All participation is on an even thousand basis.

BENEFITS ARE LARGE! The widow of a member will receive 2-1/4 times his salary basis in the event of his death, (under age 45). Accidental death would pay twice as much.

Applications and forms for Life Benefit Plan may be obtained from Annuity Board, 511 North Akard, Dallas, Texas, 75201, or from your state Secretary whose address is given below.

MEMBERSHIP IN RETIREMENT PLANS: As of May 1, 1964, there were 16,251 or 50% of the total churches in the Southern Baptist Convention participating in the Annuity Board's retirement program with their pastors. Out of 174 institutions of S.B.C., 118 are enrolled in the Annuity Board plan with their employees. Total membership in the Board's retirement plans is approximately 25,000.

BENEFITS PAID: More than 43-1/4 million have been paid in relief and annuity benefits since its beginning in 1918. Last year these benefits were \$3-1/4 million.

ANNUITY SECRETARY: Phil Maxwell is the Annuity Secretary for Florida. He conducts a program of promotion and education regarding all phases of the Board's protection ministry. He seeks first to enlist those pastors not in the plan. Secondly, he helps those who are in the plans to know more about the financial provisions they are entitled to, and advises them in seeking additional protection through the Board's supplemental plans.

Brother Maxwell's address is: 1105 Sarasota Dr., Tallahassee, Fla.

STETSON EXTENSION CENTERS

This being our seventh year of operation, we are fortunate to have four churches where Stetson Extension courses are being conducted. They are (with number enrolled following each):

First, Apopka	12
First, Orlando	27
First, Winter Garden	14
First, Winter Park	30

The total enrollment to date is 83.

As Dean of this work in our area, I traveled 450 miles, using some 80 hours of time and making 22 visits to churches, schools and conferences in order to get the above schools organized.

EXECUTIVE COMMITTEE

Your Executive Committee again has sought to fulfill its role between the annual sessions of the Wekiwa Association of Baptist Churches. We are grateful for the excellent cooperation of the pastors and the laymen who comprise the Committee and for the service rendered the Association by its officers and staff.

In addition to the administration of existing programs, your Committee dealt with several new matters:

1. An associational Personnel Committee was appointed and its sphere of activity defined.
2. The Budget and Finance Committee was set up on a rotating basis as directed by the Associational meeting.
3. Rules governing the use of Camp Joy were formulated together with a schedule of fees.
4. The Metropolitan Mission Plan was adopted as a goal for future planning. As a step toward this goal it was agreed we should move toward the securing of a full-time Juvenile Rehabilitation Director who might also implement a Jewish Work. A step was taken in this direction in the September meeting when Rev. Boheler presented the Pastor's Day in Court program. The plan was accepted here and pastors were to begin taking their place in the Juvenile Court beginning October 1st.
5. According to a request made at the last Annual Associational Meeting, a special committee was appointed to study our Constitution and Articles of Incorporation. Brother Harold Epperson was to lead the committee in bringing both documents into agreement, and in clarifying statements felt to be inadequate. After diligent work by the special committee and thorough discussion in the Executive Committee, proposed changes are to be brought before the 1964 Annual Meeting.
6. Interest was revived in establishing a local Retirement Center

with a fresh approach to the problem. Dr. Decker of the Temple Foundation of Kansas City, Mo., and Dr. Gruber, President of Retirement Home Planners, visited our Executive Committee meeting. After a presentation of the growing need for such a ministry, the Committee was advised that ideal downtown facilities were available for purchase should our Association choose. After preliminary investigation a Corporation was formed to explore the feasibility of such a project to scrutinize suggested plans of operation, and to negotiate possible terms of purchase. All actions were, of course, to be subject to the will of the Association in session.

7. The Executive Committee voted to have a Director-led Enlargement Campaign in March, 1965.

8. The requests for admission into the Association by the following churches were discussed and approved for recommendation to the Annual Meeting:

Friendship
New Hope
Laurel Hill
Lake Whippoorwill (formerly Barton Lake Mission)
Dover Shores (formerly Forrest Park Baptist)

Several items of general interest to be found in this last year's record:

1. Rev. Bill Jones resigned his pastorate of the Powers Drive Baptist Church to enter Foreign Mission Service.
2. This Association began a regular radio ministry under the direction of Brother Forrest Thompson.
3. Brother B. D. Locke was guest of honor at a banquet held at the Delaney Street Baptist Church in recognition of his 20th Anniversary of missionary service. Most of this time was spent in our district.
4. Wekiwa Association ranked second in the entire Convention in the number of libraries established.
5. The Forrest Park Baptist Church sold its property and buildings to the city of Orlando and disbanded. A group of the members relocated in Dover Shores and organized the Dover Shores Baptist Church.

SOUTHERN BAPTIST HOSPITALS

The Christian impulse to befriend and help the sick and the troubled has flowered in church-related hospitals, of which Southern Baptists now have 51. Within the year covered by this report more than a half-million individuals have been cared for in these hospitals. Many of these could pay only a portion of the cost of their care yet they have been ministered to with competence, skill and dignity. The cost of their care has been borne only fractionally by support from the denomination; the remainder was provided from other sources, chiefly operating income.

Because the Southern Baptist convention operates two hospitals directly, every Southern Baptist participates in some measure in the life and work of these institutions. Twenty-five thousand Cooperative Program dollars were channeled through the Southern Baptist Convention and through the Convention's two hospitals; in New Orleans, Louisiana, and in Jacksonville, Florida, to the service of caring for those who otherwise could not be cared for. Care for 1148 was received through the two institutions, and without charge by staff physicians, costing \$463,478 for the year.

The expansion program in New Orleans, including a parking facility-laundry-power plant and a new ten-story apartment building for house staff was initiated (completed and put to use early in 1964). Under pressure for more medical and surgical beds in Jacksonville, a crash program created nearly 90 new such beds in a temporary structure attached to the present hospital. Long range plans for the Jacksonville institution are about complete and the first phase of actual construction should begin before the next report is made to the Associations.

The Southern Baptist Convention elects the 40-member Board of Directors of Southern Baptist Hospitals, the Convention agency. A word of commendation and gratitude to these elected directors is in order. Without their unstinting and unselfish service the progress of the institutions would have been impossible; with their continued interest, Southern Baptists can well be proud of the two service institutions through which they extend a compassionate hand and heart in the care of the sick and troubled. The hospital personnel along with the responsible Board of Directors solicits the continued and earnest prayers of Southern Baptists everywhere.

CHRISTIAN EDUCATION

Southern Baptists have invested \$416,207,080 of which \$102,091,461 is for endowment in 73 schools; 6 seminaries, 37 senior colleges, 17 junior colleges, 7 academies and 5 Bible schools.

The enrollment in these schools is 83,589. In our 6 theological seminaries are 5,192 students - Southern 1,114; Southwestern 2,031; New Orleans, 857; Golden Gate 314; South eastern 669; and Midwestern 207.

State conventions and the Southern Baptist Convention increased gifts to the schools from \$15,514,770 to \$16,863,416 during the past year.

THE FLORIDA BAPTIST EDUCATIONAL INSTITUTIONS are (1) STETSON UNIVERSITY, the oldest university in Florida with 1,820 students enrolled last year. Five hundred and twenty-six of these were Baptists. Students committed to some church-related vocations were 129 but there were only 43 Ministerial students, 16 Missions volunteers, 42 studying to be Ministers of Education and 28 to be Ministers of Music. At last year's State Convention, Florida Baptists

voted to attempt to raise \$1,500,000 for Stetson and \$500,000 for our second (2) institution, the BAPTIST BIBLE INSTITUTE. The trustees of Stetson will raise \$1,500,000 which will give us the \$3,000,000 for Stetson to match the gift of the Ford Foundation to Stetson. The gift from the Ford Foundation of \$1,500,000 was awarded, provided we raise \$3,000,000. All Florida Baptist Churches are urged to give \$2.00 per resident member each year for three years.

THE BAPTIST BIBLE INSTITUTE at Graceville offers special training for students in church-related vocations who do not qualify for college training. The total enrollment for the 1963-'64 session was 232, with 169 of these students for the Ministry.

Notice that there were only 43 Ministerial students in Stetson while there were 169 at the Bible Institute.

Baptists believe in CHRISTIAN EDUCATION, but we should insist that it be Christian.

At the meeting of the State Convention last year in Jacksonville, the convention voted second approval on the establishing of a Junior College in Florida. The Education Commission was instructed to seek offers of land and money, and to present to the Convention a recommendation as to location.

We have said that Baptists believe in Christian Education - but we should insist that it be genuinely Christian and Baptist. Why should we endeavor to send our young people to our Baptist schools, paying more to do so than in state supported schools, if our young people do not return to us strengthened in their faith and more Baptist in their convictions? In far too many of our Baptist schools our young people do not find any more of a Spiritual atmosphere than in the State related schools. The text books are the same, many of the teachers are the same and yet we must pay much more to send our young people to our own Baptist schools. Perhaps that is the reason why we have only 83,589 students in all of our Baptist schools and 219,034 Baptist students in Non-Baptist schools, most of them in state controlled schools.

UNITED CHRISTIAN ACTION

United Christian Action is a State-Wide inter-church service organization, since 1945 serving the churches of 12 evangelical denominations in Florida, directed by a Board of Directors and Advisory Councils composed of 250 pastors and lay leaders, for the purpose of providing service and information to assist sponsoring churches in offering Christian solutions to the critical urgent problems being produced by alcoholic beverages, gambling and indecency in Florida.

The program is threefold - Education, Legislation and Rehabilitation. Through carefully researched and documented leaflets, books, films, and a monthly eight page publication "Alert," information and training is provided all interested teachers, students, pastors, and laymen without charge. In addition UCA seeks to aid churches, schools

and communities in the endless fight against moral corruption and sin. Understanding and help for those already addicted, round out the program of service.

United Christian Action is supported entirely from the gifts of concerned churches and individuals. Florida Baptists have consistently provided strong support and encouragement to the program. Every local church which shares in the annual State Missions Offering is helping provide life-line support to this organization. The work of UCA is carried on very economically but the needs are great. The financial support must be increased if UCA survives and continues to spearhead an adequate program. The forces of evil are gigantic and they grow bigger every day. There are 18,600 legalized liquor outlets selling annually 80 million gallons of beer, wine and whiskey for over \$500 million dollars per year. Our state has already licensed 16 Dog Tracks, 6 Horse Tracks and 6 Jai-Alai Frontons which takes from the pocket of the people \$400 million dollars a year. Florida today is a mecca for those who traffic in pornographic literature which in turn breeds filthy minds and violent crimes. Also suicide, illegitimacy, and delinquency on the part of our young folks is fast turning favored Florida into a Sodom and Gomorrah. So what we do we had better do quickly for we are losing ground rapidly. We must let the people know where we stand and where our churches stand on these critical moral issues.

Jack Eppes, Executive Secretary of United Christian Action, is one of the most gifted men in this field in the United States. Do not hesitate to seek his help when needed. Likewise, do not hesitate to support him in the work we have asked him to do. Use your influence to further the work of United Christian Action.

RADIO AND TELEVISION

"Growth" is the key word in any conversation concerning Southern Baptists' Radio and Television Communion. Annual expansion in all areas of endeavor is now accepted as a characteristic of this agency.

Thus, breaking ground for a new and functional headquarters building in Fort Worth in June proved a highlight of 1964 for the Commission and for all Southern Baptists. The structure will be dedicated during the 1965 Convention to be held in Dallas, with completion expected the following October.

The high quality of radio and television programming carried on by the Commission has resulted in increased acceptance of Southern Baptist programs, with a net gain of 73 stations for the first six months of 1964. The agency now services with its programs an all-time high of 1450 radio and television stations each week.

The commercial value of air time given Southern Baptists by U.S. Stations expected to reach close to an estimated \$4 million this year.

And this doesn't include 121 overseas stations which broadcast the denomination's programs.

This year sees an increase of more than 60 per cent in the time allocation made to the Commission and hence to Southern Baptists by the three major networks, NBC, CBS and ABC.

Of the 13 programs produced and distributed by the Commission, "The Baptist Hour" is the oldest and is on the largest number of stations - 522. "Master-Control," a variety program of interviews, music and gospel, is on 299. "The Answer" on television is aired by an average of 103 throughout the year.

Other programs and the number of stations are: "Patterns" - 170; "International Sunday School Lesson" - 89; "La Hora Bautista" - 63; "Moments of Meditation" - 30; "Momentos de Meditacion" - "Control Central" - 41; "Music To Remember" - 46 monaural, 39 stereo; "Voice of Hope" (Chinese) - 15; "Voice of Peace" (Russian) - 4; "The Living Water" (Navajo) - 4.

New television programs to begin this year are: "Jot," a children's program; "Journey To Adventure," 15 minute Bible land films; "The Secret Place," a children's program; "A.D.," variety format; and a series of one-minute gospel capsules on film.

MUSIC

The year 1965 is the year that we are going to promote WORSHIP. The associational music ministry is the key to the promotion of this program. We hope that every association will work to promote the training of people in the churches to read, sing, play and teach music for the glory of God. To this end many things are planned in which each church may participate such as music festivals, hymn sings, school of training, music work shops, carol sings and general promotion of better music.

The past year the associational music ministry organization showed 42 out of 47 associations held Associational Festivals - 260 churches participated in the festivals with 617 choral groups, totaling 12,865 choir members - 159 hymn players -- 36 song leaders -- 6 instrumental ensembles with a total of 39 participants. (Our Associational Festival was held at Winter Park First in January. We are planning to have a festival during January 1965.)

Florida was fourth in the Southern Baptist Convention in reporting through the Church Letter to the Association in 1963. There were 945 churches out of 1510 reporting music ministries with an enrolment of 55,963. This is an increase over 1962 of 43 churches reporting and a difference in the enrolment of 2834. Every church is urged to realize that if it has adults and children, which uses music in its worship services and in the organizations and which elects a music director and has regular rehearsals it has a Music Ministry.

The associational music organization and the State Music Department wish to thank each church and its music leaders for a very fine

year and wish for you another good year for "more and better music by more and better musicians, singing with grace in their hearts to the Lord."

Forrest Thompson

BROTHERHOOD

The 1963-64 Brotherhood program opened with a two night Brotherhood University at College Park Baptist Church in October of 1963. Brotherhood demonstrations were presented by the College Park and Delaney Street Brotherhoods. The program of the second night of the University included a message by Rev. J. E. Taylor, missionary to migrants with headquarters in Clewiston, Florida. Buddy Dillard, Mission Leader, was in charge of the mission part of the program. Included in the faculty for the University were Bob Galbraith, State Associate Brotherhood Secretary, Herald Hughes, Rev. Bill Jones, Ed Thomas, Ivor Groves, Victor Crust, Bob Murdock, Dick Newton, Buddy Dillard and Buddy Mattox.

Our quarterly meeting in January presented the film, "Souls in Your Hands", under the direction of Bob Murdock, Christian Witness Leader, assisted by Dewey Stone. The April meeting emphasized Royal Ambassadors and was under the direction of Victor Crust, Royal Ambassador Leader, and Rev. A. R. Fagan of Delaney Street discussed the importance of the Royal Ambassador program. Our Stewardship program was presented in July under the direction of Dick Bogart, Stewardship Leader. Hardy Hayes of WXIV was our guest speaker.

While our University was held at College Park, the January and April meetings were at Camp Joy and the July meeting was at Delaney Street. The meetings were well attended with from 175 to a little over 200. Tangelo won the attendance award in October of '63 and January and April of '64. College Park won in July of '64.

It was the wonderful-cooperation of the officers which enabled all the programs to be presented in an outstanding manner. The musical program under Wendell Freeman has been a very interesting part of each meeting.

Royal Ambassador Conclaves were held in February and May at Camp Joy. Over 200 attended the one night program in February and well over 100 were on hand for the overnight camp in May. The two week camps for Royal Ambassadors in July were attended by almost 100 boys. There were 14 staff workers with Rev. Edward Leeder, missionary to the Indians, serving as Camp missionary the first week, Rev. Harold Dann of Trinity in Apopka was Camp Director and Rev. William Lynes, Lt. Col. (Ret.) Chaplain in the Air Force was Camp Pastor during the opening week. During the second week, Rev. William Hickman, missionary to Paraguay, was Camp Missionary; Rev. Leonard Jones of Prairie Lake was Camp Director, and Rev. Harwood Steele of Riverside was Camp Pastor. Forty decisions were made by the boys at the camps with four accepting Christ as their saviour, six stated that they felt the call to become

missionaries, two made decisions in regard to preaching. Twenty-eight rededicated their lives, stating that they wanted to be better Christians. Victor Crust has done a wonderful job in directing the Royal Ambassadors during the past year.

The officers for the coming year in Brotherhood Associational work are: President - J. G. Boyles, Vice President - K. K. Stokes, Secretaries - Ivor D. Groves and S. H. Lingle, Royal Ambassador Leader - Victor Crust, Christian Witness Leader - Robert Murdock, Personal Stewardship Leader - Richard Bogart, World Missions Leader - Buddy Dillard, Song Leader - Wendell Freeman, Pianist - Dewey Stone and Pastor Advisor - Girod H. Cole, Jr.
