CONSTITUTION OF THE NEW RIVER BAPTIST ASSOCIATION

Article 1. This Association shall be known as the New River Missionary Baptist Association, and shall be composed of accredited messengers who are members of constituted churches, and of such others as may be invited to a seat by the consent of the body.

Article 2. Each church in this Association shall be entitled to three messengers and one additional messenger for every twenty-five members in excess of fifty members. Any church wishing to sever its connection with this body may be allowed to do so upon an application duly made to the Association while in session, and a letter granted thereon. All members of standing committees shall be honorary members of this Association.

Article 3. Churches are expected to send with their messengers letters to the Association, containing an account of their state, particularly of the additions and diminutions of the past year, and other statistics of interest, together with full statistics of the Sunday Schools under their charges. The letters should show what churches are doing for the cause of Christ at home and abroad, and generally whatever relates to their own peace and prosperity; and with them each church should forward money for the printing of the minutes, and also their contributions for missions.

Article 4. Baptist churches desiring admission into this body shall petition by letter and messengers, and on giving satisfactory evidence of their being sound in their faith of the Gospel, and correct in practice, may be received by a vote of the Association; and the Moderator, in behalf of fellowship.

Article 5. The officers of this Association shall be a Moderator, a Clerk, and a Treasurer, who shall be chosen by separate ballots; and shall continue in office until others are chosen and discharge the duties usually incumbent upon such officers.

Section 2. There shall be an Executive Committee, which shall be composed of seven members; the Moderator, Clerk and Treasurer of the Association being members and officers ex-officio, the other five members to be elected by the Association.

Article 6. We acknowledge the independence of particular churches, and that no authority or jurisdiction is to be exercised over them by this Association, and therefore we would disclaim all power of making laws for them under any pretext whatever, but deem it our duty to disown any church that we may consider unworthy of our fellowship.

Article 7. This Association will be governed while in session by regular and proper rules and every motion made and seconded shall command attention to the body unless withdrawn by the mover.

Article 8. Every question asked in the letters from the churches must be based on Scriptures, and may relate to faith, practice and church discipline, but the same shall not be taken under consideration except by a majority vote of the body.

Article 9. Churches composing this Association shall be entitled to as many copies of the minutes of its proceedings as the money sent up with the letters calls for, but each constituent church shall have at least one copy.

Article 10. When a church shall neglect to make a communication to the Association for at least three years it shall be considered as having withdrawn and shall be dropped by a vote from the minutes, unless two or three members of the Association request its continuance and will engage to inquire into its standing and report at the next meeting of the Association.

Article 11. It shall be the duty of the Association, from time to time, to suggest to the churches what they think most expedient to be done to promote the spread of the Gospel in the world, and to give the best advice possible in cases of difficulty, and to inquire into the cause of failure on the part of any church to report itself by letter and messenger at the annual meeting.

Article 12. This Association, when convenient, shall appoint the time and place of next annual meeting—taking into account the convenience of the churches and the interest of the cause. This Constitution may be altered from time to time as experience may suggest, by two-thirds vote of those present.

REPORTS

TEMPERANCE REPORT

We your committee on Temperance beg to present the following report:

We, as a body of Christians, should believe in living up to the teachings of God's Holy Word. In more than one place we are warned against the evil of strong drink. Paul in the 6th Chapter of 1st Cor. tells us that no drunkard shall inherit the Kingdom of God. In our Church Covenant we solemnly promise to abstain from the sale and use of intoxicating drink as a beverage. Time and space will not permit us to go into detail relative to the evils of strong drink. We know that alcoholic drinks wreck and maim the bodies and minds of mankind. It, in all probability brings more sorrow and suffering to humanity than any other known evil. Its vile and evil effects even passes from parent to progeny.

We have been exhorted, warned and taught relative to the evils of strong drink. It is even being taught in our public schools. We as Christians should more and more strive to put these teachings to practical use. We should set a good example to the world by living a life of temperance and sobriety. We should be true to God and our Church Covenant. If every man, woman and child who claims to be a Christian would walk orderly and soberly and abstain from the sale and use of intoxicating liquors as a beverage, we would have a better world in which to live and our influence for good would be increased.

By Brooker Baptist Church.

REPORT ON AGED MINISTERS

Two of God's servants who were dear to us in God's Kingdom here on this earth have been called from this life to live with God.

Rev. Berryan Dyal who was a member of Graham Church, departed this life November 25, 1934. Several of the churches had been helping him by sending monthly contributions.

Rev. J. J. Bullen departed this life since we last met in an Associational meeting. He was a member of the Lawtey Church.

We still have with us our dear Brother F. M. Taylor. Although

his health is poor, he is still rendering service for his Lord. He craves visits from the brethren.

There are others in our rank who have preached some stirring sermons. They are worthy of our love and support. We close this report by asking God's choicest blessing on all his saints.

Respectfully submitted,

Kingsley Lake Baptist Church.

FOREIGN MISSION REPORT

Foreign Missions are very near to the heart of Southern Baptists and since the organization of the Foreign Mission Board on August 4, 1845 our people have labored to bring the message of Christ to all parts of the earth. During these ninety years of Kingdom service the Board has always been faithful to its task and its plans and policies have been constructive. In recent years, because of economic conditions, a policy of retrenchment has been followed, but the past year shows that our people are ready to go forward once more in this great work.

It is not the purpose of this report to present a maze of statistics, which in many instances, are worthless, but to give just those figures which will measure the strength and growth of the work which is so close to our heart.

The following is taken from the report of the Foreign Mission Board given at the Southern Baptist Convention in Memphis, Tenn., May 1935, and cover the calendar year of 1934:

We have on the Foreign Field (13 countries):

377 Missionaries and 836 ordained native workers.

There are 2,728 churches with a membership of 204,894.

2,386 Bible schools caring for 106,734 pupils.

During the year of 1934 there were 17,784 baptisms.

We maintain 266 schools, of which 5 are colleges, accommodating 20,856 pupils. There are also 12 theological schools.

Following the Great Commission our people maintain 23 hospital buildings (590 beds) and for the year of 1934 cared for 117,412 pa-

tients. 232,501 Testaments were distributed in the hospitals during the year.

As we ponder over these figures we can thank God that we have had a small part in this great enterprise.

In closing we wish to report that the debt on the board has been greatly reduced during the year. The Lottie Moon Offering, the goal of which was \$150,000, far surpassed these figures to reach a total of \$213,576.33.

Such response on the part of our people give us every reason to believe that God will continue to bless the work of Southern Baptists.

Respectfully submitted,

C. B. PRICE, Chairman.

OUR HONORED DEAD

We your committee on "Our Honored Dead" beg to make the following report. It hath pleased our Almighty God to visit fifteen of our churches and summon from our midst twenty-seven of our beloved brethren. Their names will be found on a special page dedicated to their memory. It is with bowed heads of submission to the will of God that we present this report.

Respectfully submitted,

J. T. HARRIS,

MRS. J. T. QUIGLEY,

MRS. L. L. CONNER.

SUNDAY SCHOOL REPORT

We, your committee on Sunday Schools, beg to report that we find ten of our churches reporting Sunday Schools at the present time. We recommend, beg and insist that each church not having one may organize and maintain a live Sunday School in the near future. We believe that a Sunday School maintained in a church means that individual church at work in its community.

Respectfully submitted,

E. C. Johns, J. T. Harris, Arch Prevatt.

STATE MISSION REPORT FOR 1935

For more than fifty years our State Mission Board has labored to bring all material interests of our Beloved state into subjection to Christ. Christ said with the coming of the Holy Spirit at Pentecost, and in His Power, that we should be his Witnesses "both in Jerusalem and in all Judea and in Samaria, and unto the uttermost part of the earth." Thus we have scriptural authority for every phase of our Mission Work.

We now have listed in Florida 820 White Missionary Baptist Churches. During the past year 562 of these churches made contributions to the work of our denomination, leaving 258 churches which did not contribute through the Cooperative Program.

The State Mission Board depends for its income on three resources, namely; the 32% allocated to the State Work through the Cooperative Program; the special appropriation made to Florida by the Sunday School Board; and the special gifts made to State Missions during October by the women in their week of Prayer, and the Sunday Schools on the last day of the month. The Board received from these three sources last year \$53,166.00, for carrying on its work within the state.

This year our State Board is assisting in the support of 67 Missionary Pastors, one full time missionary, five other special workers, a state evangelist, and several pastors in special revival meetings. These pastors and workers have preached to ninety small and weak churches.

Florida Baptists gave last convention year to all causes \$145,391.64.

Respectfully submitted,

REV. G. E. CUTSHAW, of Lawtey Church,
Chairman of the Committee.

TO THE NEW RIVER BAPTIST ASSOCIATION FROM THE W. M. U. OF THE NEW RIVER BAPTIST ASSOCIATION.

Realizing the appalling need of Missionary inspiration and information in this Association, and realizing too, that pastors, S. S. workers

and B. Y. P. U.'s can not meet this need as fully as a Missionary Union which reaches every member of the family, the four W. M. U.'s of this Association recently re-organized themselves into an Associational W. M. U. for the purpose of helping to put Missions in all of our Missionary Baptist Churches.

Statistical reports of the individual W. M. U.'s will be recorded in the minutes from the church letters, we urge each church to take notice that the church without a W. M. U. is, with few exceptions, the church which gives little or nothing to Missions, but a church with a W. M. U. always gives to Missions.

We earnestly seek the cooperation of the pastors and women of the different churches in organizing W. M. U.'s in every church for the cause of Missions for "without a vision my people perish."

Respectfully submitted,

MRS. W. K. JENKINS, President.

Raiford, Fla.

MRS. J. H. PITTS, Secretary.

Starke, Fla.

FLORIDA BAPTIST CHILDREN'S HOME

At the beginning of the Associational year of 1935, we had 141 children in our Institution. The average for 1934-35 was 143. We have received in the Home 10 children and discharged 11. The applications of children, especially from half orphans is more than doubled this summer as compared with last. We have had many very sad cases of half orphans brought to our attention but the funds that we receive makes it impossible to assist them. It is our hope that we will be able to do a better part by our distressed children who have a parent living than we have done. The need for work in this field is very urgent. The children we have placed have gone to relatives or to school. Some have secured a job. It has been very hard for the last three years to place our older children because of the scarcity of positions. We have kept in constant touch with business in this state and every time it was possible for us to do so, we have placed one or more of our children. We have requests all along that necessitate our making a place for the younger children of the State and increase the

turn over. This keeps us ever on the alert for places where our children can earn their living.

We have five children in Institutions of higher learning and one in training in a hospital. Four of the five in college are in Stetson in DeLand. This was made possible by Dr. Allen who has cooperated with the Home to the fullest extent in the education of its children. The Home is not paying one penny for college training of its children. This is done by friends over the State. It is impossible for us to assist a child after he finishes high school. All money sent to the Home is used for the Home and the children in the Home. If any money is sent for the higher education of any children in our Home, it must be designated.

The buildings have been improved. All dormitories, except one, have been painted. The paint was paid for by the W. M. U.'s of Florida and the boys in the Home did the work. They also repaired the buildings and as soon as the Nursery is finished and two of the dormitories are reroofed, our buildings will be in good condition.

This has been a very difficult year in our Home. The first of July—we had accumulated a deficit of \$1,642.03. "Our receipts for the first six months of this year as compared with the first six months of 1934 were \$2,337.66 less. Had our income been equal to that of 1934, we would have had a balance of approximately \$700.00. We believe this condition is attributed to the freeze in middle and south Florida as this is the source from which most of our income is received. It is unfortunate that our Institution receives its income from certain localities rather than state wide. If the cooperation of our Churches in Florida could be secured, there would never be any trouble about expenses.

The Sunday Schools give approximately half of our income. The Cooperative Program furnishes us with about 20% and the other is divided between individuals, W. M. U.'s and Churches.

The farm and dairy continue to play an important part in the cooperation of our Institution. Each showed a balance at the close of the year. It pays to operate each of them. They have a nice canning plant on their campus from which they received 19,680 cans this spring at a cost of less than one cent per can to the Home. They are

enlarging their farm this year expecting to can the vegetables they will receive next summer from the spring crop.

The school continues very satisfactorily under the supervision of the State and County. The teachers are paid by the State and the children above the third grade go to school in town while those through the first three grades go to school on our campus. The management of the Home is striving to improve the education of the children. They are taking advantage of every opportunity to see that our children are given an equal opportunity with others.

The support of the Home should be more general than it is. The cooperation should be closer. The responsibility of the Institution should fall on every Baptist in Florida. The power to continue the Home lies in the Baptist Churches in this State and it is very important that each Church do something from time to time to protect its holdings and its children. Our Institution can never enlarge under the present support that it is now receiving. At times it is impossible to protect the investment that Baptists have made in our Home because of the lack of funds. This is an unwise procedure. If the cooperation of one half of the Churches and Sunday Schools can be secured, our Home can be filled to capacity and every item of expense could be paid monthly. With the calls of children coming to us as they now are, we believe that it is incumbent upon all to do something to aid our distressed children.

The Home is deeply grateful for the support given it—for the money and donations of farm produce that were so liberally given from the farming sections last year; they are profoundly grateful. It is the desire of those in charge of the Home to do more for the needy childhood of our denomination and to give them a Christian home and Christian training and to see that they have every opportunity possible in life. Let us remember them with our gifts and our prayers, and may always be mindful of the value and importance of rearing children.

We, your Committee, wish to recommend that the Home be given more consideration in this Association and that we take more interest in our boys and girls whom we have accepted as our very own.

Respectfully submitted,
C. W. WILKS.
