CONSTITUTION OF THE NEW RIVER BAPTIST ASSOCIATION

Article 1. This association shall be known as the New River Missionary Baptist Association and shall be composed of accredited messengers who are members of constituted churches and such others as may be invited to a seat by the consent of the body. An accredited messenger shall be one who has been duly elected by his church as a messenger or alternate. Others eligible to be invited to a seat shall be members of the constituted churches, who may be enrolled to make a number equal to the quota allowed that church. All pastors of the churches in the Association shall be enrolled as messengers but only those holding membership in constituted churches of the Association shall be eligible for office.

Article 2. Each church in this Association shall be entitled to three Messengers and one additional messenger for every twenty-five members in excess of fifty members. Any church wishing to sever its connection with this body may be allowed to do so upon an application duly made to the Association while in session, and a letter granted thereon. All members of standing committees shall be honorary members of this Association.

Article 3. Churches are expected to send with their messengers letters to the Association, containing an account of their state, particularly of the additions and diminutions of the past year, and other statistics of interest, together with full statistics of the Sunday School under their charges. The letter should show what churches are doing for the cause of Christ at home and abroad, and generally whatever relates to their own peace and prosperity; and with them each church should forward money for the printing of the minutes and also their contributions for missions.

Article 4. Baptist churches desiring admission into this body shall petition by letter and messengers, and on giving satisfactory evidence of their being sound in their faith and the Gospel, and correct in practice, may be received by a vote of the Association at the annual meeting and the Moderator be authorized to extend the right hand of fellowship in behalf of the Association.

Article 5. Section 1. The officers of this Association shall be a Moderator, an Associate Moderator, a Clerk-Treasurer, each of whom shall be chosen by separate ballot. These officers shall be elected at the opening session of the annual meeting.

Article 5. Section 2. There shall be an Executive Committee composed of: (a) The officers of the Association, (b) All pastors of churches cooperating with the Association, provided they hold memberships in some church in the Association, (c) Associational Sunday School Superintendent, (d) Associational Training Union Director, (e) Associational W. M. U.

President, (f) Associational Brotherhood President and Music Director, (g) Any church without a pastor who represents them in the board may elect one member to represent them, (h) and all ordained ministers holding membership in a cooperating church in the Association, who shall conduct all business of this Association between annual meetings. A quorum shall be 10 members.

Article 6. We acknowledge the independence of particular churches and that no authority or jurisdiction is to be exercised over them by this Association, and therefore we would disclaim all power of making laws for them under any pretext whatsoever, but deem it our duty to disown any church that we may consider unworthy of our fellowship.

Article 7. This Association will be governed while in session by regular and proper rules and every motion made and seconded shall command attention of the body unless withdrawn by the mover.

Article 8. Every question asked in the letters from the churches must be based on the Scriptures and may relate to faith, practice and church discipline, but the same shall not be taken under consideration except by a majority vote of the body.

Article 9. Churches composing this Association shall be entitled to as many copies of the minutes of its proceedings as the money sent up with the letters call for, but each constituent church shall have at least one copy.

Article 10. When a church shall neglect to make a communication to the Association for at least three years it shall be considered as having withdrawn and shall be dropped by a vote from the minutes, unless two or three members of the Association request its continuance and will engage to inquire into its standing and report at the next meeting of the Association.

Article 11. It shall be the duty of the Association, from time to time, to suggest to the churches what they think most expedient to be done to promote the spread of the Gospel in the world, and to give the best advice possible in case of difficulty, and to inquire into the cause of failure on the part of any church to report itself by letter and messenger at the annual meeting.

Article 12. The Association shall hold its sessions annually at such time and place as the Association may elect. The Executive Committee, however, shall be authorized to make such changes in either time or place of meeting as may be found to be expedient. This Constitution may be amended at any annual meeting by a two-thirds vote, provided that notice of such change shall have been given to the Executive Committee not later than the last Executive Committee meeting previous to the Association meeting and that notice of such change be given to the Association on the first day of such meeting.

U., (d) Associational President of Brotherhood and Music, (e) a person to present a written report at the next meeting on each of the various objects fostered by the Association.

Article III. The Clerk shall keep records of the proceedings; print and distribute Minutes; keep file of Minutes; which shall be turned over to the successor.

Article IV. The officers of the Association shall be the officers of the Executive Committee. The Executive Committee shall meet monthly, except when it feels there is no need for the meeting, at which time written reports from the different officers and committees shall be presented. The Executive Committee shall appoint the following standing committees on: Sunday School, Training Union, Evangelism, Woman's Missionary Union, Brotherhoods, Music and such other committees as it needs to carry out its work. The Executive Committee shall appoint a Committee to prepare a budget, including all expenditures of all departments of the work and submit same to the Association at its annual meeting for approval.

Article V. The Program Committee shall be the Moderator, Clerk, and Pastor of the host Church.

Article VI. These By-Laws may be altered or amended in the same manner as the Constitution.

Article VII. The Moderator and Associate Moderator cannot succeed themselves.

REPORT OF COMMITTEE ON RESOLUTIONS

Whereas: The New River Baptist Association assembled in its 82nd annual session has been made cognizant of the unmerited blessings of God in providing through the leading of the Holy Spirit a wholesome fellowship and spirit of harmony in our association during the year that is just past, and

Whereas: We have been made increasingly conscious of the responsibilities resting upon us as pastors and churches in this association we shall endeavor to meet the challenge of the year just ahead, therefore:

(1) Be it resolved that we, the members of the New River Baptist Association, in expressing our appreciation for the warm fellowship and informative counsel given us by the representatives of our State Association, urge all of our pastors and churches to fully cooperate with our Florida Baptist Convention and the Southern Baptist Convention during the coming year.

(2) Be it resolved that we express our sincere appreciation for the untiring efforts of our Missionary, Rev. Marvin V. Stedham, in his splendid work in the sixth district and especially as it is related to our own New River Association and pledge our continued support to him and to the members of the Missionary Committee who constitute his faithful counselors.

(3) Be it resolved that, since our Moderator and Vice Moderator are not now eligible to succeed themselves in office, and since our Constitution provides for the election of their successors at the opening session of the Associational meeting in 1955 we, therefore, relieve this difficult situation by request-

ing the retiring Moderator and Vice Miderator to continue service until their successors have been duly installed in office during the closing session of the annual meeting in 1955.

(4) Be it resolved that we discontinue the present schedule of associational meetings with the exception of the WMU and promote the interests represented in each association at a joint associational meeting to be held on Tuesday evening following the third Sunday of each month, with the major emphasis upon each of the separate interests once each quarter in the following order, Sunday School, Training Union and Brotherhood. The place of meeting to be determined by following the alphabetical order of the churches.

(5) Be it further resolved that the Moderator or Vice Moderator preside at each of these meetings, and that the Moderator, Vice Moderator, Clerk and the President or Director of each of the auxiliary associations represented constitute the program committee to function under the direction of the executive committee.

(6) Be it resolved that the Executive Committee meet regularly each month in connection with the Pastor's Conference.

(7) Be it resolved that we, the Pastors and Messengers of the New River Association, assembled in regular annual session express our sincere appreciation to both of our host pastors and churches, at Hampton and Brooker, for their fine spirit of hospitality and for the splendid refreshments provided at the noon time each day.
This report was adopted.

2:30 — Report — Obituary Committee — Rev. S. E. Sparks.

Twenty of our number have been taken from our midst during the past year. Until we ourselves shall be called away, we humbly bow to the will and wise providence of God, and remember those now departed with love and appreciation for their consecrated lives, sweet fellowship, inspiring testimony, and good works. We recommend a page in our minutes be dedicated to them and this Association stand in silent prayer in their memory of these Our Honored Dead.
This report was adopted.

2:40 — Song — "Bless Be The Tie."
