- 4:10 - Report - Florida Baptist Foundation - Earl Tharp

In Scripture much stress is laid upon faithfulness - faithfulness in work, worship, witness - faithfulness in personal devotion and, particularly, faithfulness in the stewardship of the manifold goodness of God.

It is scarcely a debatable matter when one affirms that the only true freedom man ever enjoys touches vitally the freedom of mind to think, the freedom of heart to espouse and the freedom of love to nurture and support. All of these are inherent in the purposes of Christ and His gospel and are a part of the Christian witness.

The business of any Agency such as the Florida Baptist Foundation is to constantly emphasize these truths and seek to strengthen and support the forces leading to an ever wider acceptance thereof.

The Foundation is therefore, primarily an Agency seeking to strengthen all the causes of our faith all around the world, by encouraging our people to commit their substance to these causes by the

Scriptural tithing during lifetime and by Will or Bequest or Trust to serve when the earthly stewardship has passed.

Since the above is true it is only a matter of elementary prudence for a faithful steward to "plan" his estate well. Some people, after they have worked hard and conserved diligently to accumulate property, give far too little thought to plans for protecting and disposing of their property after death. Such failure is often due to one or a combination of circumstances; namely, misunderstanding, lack of knowledge or pressure from a multitude of daily details or merely a disposition to "put it off". That may easily become fatal to the best use of the fruits of a life's activities.

In the planning of an Estate the importance of an experienced Attorney cannot be over estimated. By its very nature the creation of an Estate Plan involves many important legal questions requiring the knowledge of competent Counsel. The effectiveness of a Trust Agreement may depend largely upon the provisions that are made. And in the field of taxation the knowledge of experienced Counsel is of utmost importance that these accumulations of a lifetime of labor may accomplish their greatest good.

During the year 11 Wills have been advised upon and while their value to the Convention Agencies may not be listed, they have been considerable. Information concerning 4 other Wills have come to us from several law offices in the State. One Gift Annuity has been applied for and details are being arranged for a second such Contract. The gift portions of these Annuities go to State Convention Agencies.

The Foundation continues to handle endowment for Baptist Bible Institute, Florida Normal and Industrial Memorial College and Setson University and commends these interest to the generosity of our people.

4:30 - Song, "To The Work"

The Moderator read the following change to be added to the Constitution: "That the Nominations Committee select the Brotherhood President, the Music Director, the T.U. Director, the W.M.U. President, and Sunday School Superintendent and other officers in June each year.... so they can have their leaders selected by the Annual Association meeting."

A motion was made that this change be accepted. Seconded and carried.

4:35 - Report - Woman's Missionary Union, Mrs. W.B. Mundy, 9 Missionary Societies with 243 members, 11 completing Leadership Course, and 420 Members reading approved Mission books. 137 Royal Service subscribers, 201 giving to Cooperative Program, 154 Tithers, \$1710.41 Total Mission Offering. - Youth Organization - 146 Sunbeams - 118 G. A. 's and 29 Y.W.A.'s

4:40 - Report - Baptist Bible Institute - J.C. Fleming

The current Southern Baptist Convention policy on limiting enrollment of non-college graduates in our seminaries has created dangers. God-called men need a loyal, dedicated atmosphere where they can prepare for their ministry.

Baptist Bible Institute at Graceville, Florida, provided by the Florida Baptist State Convention, meets this need. Properly recommended applicants may enroll, without even so much as a high school diploma.

Curriculum - To graduate, a student must complete a three-year course (100 semester hours) that parallels work done on the Bachelor

of Divinity degree, but without languages.

Enrollment - Enrollment is highest in the school's history. Total enrollment last year (1960-61) was 189. September 1961 was 200, with more expected in the spring semester and the summer school that follows. The enrollment figure will reach at least 225, perhaps more, for this year.

Faculty - The faculty ranks with that of any Southern Baptist seminary or college in earned degrees. A new man coming into the theological or religious education faculty must have his earned doctorate, or be working toward it.

Finances - The Cooperative Program provided \$72,627 through the Florida Baptist State Convention budget.

The Institute budget is set at \$155,055.00 for 1961-62, an increase with rising cost and an increased student body in mind. This means that more churches should put the school in their local budgets (this is officially agreed upon in the State Convention). We must raise \$20,000 in this way. Endowment, now quite small, must be substantially increased.

Current and Future Needs - More students mean more problems. We have too few apartments, and too few classrooms. We could fill a woman's building, if we had one, and also fill 25 new apartments. We need a music building and an educational building now.

The Institute will soon launch a building fund and endowment campaign. The purpose is to raise \$100,000 for building a new administration building, and \$100,000 for endowment. It is hoped the people of Florida will give this whole-hearted support.

Place In World Missions - Our successes, the growing student body, an effective teaching program, and the work of our graduates and alumni, have brought favorable attention from Southern Baptist leaders, and students came this year from 16 states and Canada. The Southern Baptist Convention Program Committee recently considered the matter of Bible schools for the Convention, and were favorably impressed.

More colleges are accepting our credits now, than in previous years, which gives evidence of the growing respect for our work. We face an ever brighter future.

Pray For Us. Put us in your budgets. Use us when you can. We -- the entire Institute family -- feel ourselves to be fellow-workers with God and with you.

Rev. Stedham reported on the Campsite on Black Creek. A motion was made that we express our appreciation to Mr. & Mrs. Samuel Saunders for offering the 10 acre camp-site on Black Creek, but since the site is not suitable for our purposes that we regretfully reject their kind offer. Seconded and carried.

The Association agreed that we are still interested in a camp-site if and when a suitable one is available.

5:30 - Report - Baptist Children's Home - T.M. Johns.

The Children's Home is increasing its casework and counseling services. Two caseworkers have been added in recent months, bringing the number in this area of service to four. The Caseworkers investigate the applications for admission to the Home, discuss the family problems with parents and children and make recommendations as to the type of help the child needs. It is also their duty to counsel with the housestaff and the child that he may get the greatest possible assistance from his stay in the Home. They work with parents and children around his return to his community and home and offer help after the child leaves the institution if it should be needed by the family. A few years ago the Children's Home began placing families of children in the same cottage. They share the same living room, dining room, playground, study hall and in many ways live as they would were they at home. The purpose of the change is to rear brothers and sisters of the same family together that they might learn to depend on, and to help each other. The program is working out fine. It is hoped that by doing this, family solidarity will be established and the children will have more security by helping each other.

The Home received 430 applications for admission from July 1, 1960 to June 30, 1961. Seventy eight were accepted in the Home at Lakeland and Miami. Those who needed assistance that could not be provided by the Florida Baptist Children's Home were referred to other agencies. The total number cared for during the year was 224.

There is a need for more financial assistance from our churches, especially those who do not have the Home in their budget. Individuals, classes, W.M.U. and others may help too. They can assist by providing clothing, giving a small amount of spending money, providing school lunches, and sending presents to some child on his birthday and at Christmas.

The Thanksgiving offering should not be ignored by those who do not have the Home in the budget of their church. This matter should be called to the attention of the congregation, that those who wish to give may do so. It takes only a few cents from every church member each month to meet the needs of our children. If every church would give five cents per month for each member enrolled, it would be sufficient for all operating expenses of our Children's Home.

5:30 - Adjourn For Supper

MONDAY, OCTOBER 9, 1961 - EVENING SESSION

- 7:00 - Song, "Praise Him, Praise Him."
Devotion, Rev. James Temple, Luke 4
7:10 - Report - Annuity Board - Tom Tobey

The Relief and Annuity Board no longer exists - name-wise that is. The official name is now Annuity Board of the Southern Baptist Convention. Deletion of the words "Relief And" from the title was approved at the 1960 Southern Baptist Convention in Miami, and made official in March of this year, when trustees of the Board voted to change the Board's charter, incorporating the new name. Baptist over the Convention are urged to use the Board's new name.

Benefits amounting to \$2,745,613.60 were paid to more than 5,200 retired and disabled ministers and denominational workers or widows during 1960. A little more than 4,200 of these were beneficiaries of one of the Board's retirement plans, and the rest were on the relief rolls. Four hundred forty six were new annuitants, added in 1960. Since the Board's beginning in 1918, it has paid out benefits totaling, \$34,425,100.55.

Total new members in all the Annuity Board's plans in 1960 increased by nine per cent over 1959, with the largest increase, 2,053, being in the Southern Baptist Protection Plan. Total membership stood at 22,578 on January 1, 1961. More than 4,000 of the churches participating in the protection program are paying the full 10 per cent dues. This is an increase of 17 per cent over the previous year.

Fifteen field representatives now serve 22 states in the Convention. The continued increase in new members in the Board's protection program in recent years can definitely be attributed to the work of education and promotion being carried out by these men within the local churches and associations.

Rev. Phil Maxwell, field representative for Florida, has his offices at 1105 Sarasota Drive, Tallahassee. He will be glad to try and arrange a time when he can come to your various church or associational meetings to talk about the Annuity Board's ministry. Rev. Maxwell is available also for personal conferences with pastors or or church leaders. Write him for arrangements.

Administrative officers of the Board are: R. Alton Reed, executive secretary; Floyd B. Chaffin and L.T. Daniel, associate secretaries; Fred W. Noe, treasurer and investment director; Owen Henley, assistant director of investments and Mable H. McCartney, registrar.

7:30 - Song, "Redeemed"

7:35 - Doctrinal Sermon, Ephesians 1, Rev. Tommy Howe

8:10 - Report - Brotherhood E. M. Norton

The Associational Planning Committee met 3 times. The Regular Meetings were held at New River with 30 men representing 9 churches; Starke First with 24 men representing 7 churches; Beulah with 29 men representing 10 churches.

The interest in the State Prison Brotherhood, W.H. Williams, Leader, has grown. We now have 153 men with 6 men accepting the Lord. The literature has been contributed by Starke First Church, Northside, Church, and G.W. Schroeder, Executive Secretary of the Brotherhood Commission.

The Brotherhood participated in the campaign against the sale of liquor in Bradford County.

We hope to - (1) - Train Brotherhood workers, - (2) - Promote Associational Library, - (3) - Establish more Brotherhoods.

At present we have 7 Brotherhood Organizations reported this year with an enrollment of 128 men and 8 Royal Ambassador Chapters with 84 boys.

Several churches were represented at the Brotherhood Encampment at Deland and at the Royal Ambassador Congress in Jacksonville. This report was adopted.

8:15 - Song, "All Hail the Power of Jesus Name."

8:20 - Cooperative Program - Dr. John Maguire

The Cooperative Program represents all the work that Southern Baptist are cooperatively undertaking for Christ. It is our conviction that the whole of our Cooperative Program is more important than any one, or any combination of its parts. No single cause stands alone. Each is dependent on the others.

We believe that the whole of our Cooperative Program will have greater appeal to the Baptist of New River association than any one of its parts when it is clearly understood. Since information is the only intelligent basis for cooperation, we recommend that the leaders of our association make every effort to explain the Cooperative Program to the people during the coming year, and give this program loyal and prayerful support.

The Forward Program of Church Finance is now in its fifth year of use and is rendering service to churches in planning, promoting, and pledging annual budgets.

Recognizing that some churches need help in budget planning and pledging before attempting the entire Forward Program, stages have been provided for churches with little previous experience in this area.

Known as the Beginner and Intermediate Stages, these helps are now available in the 1961 Guidebook.

RECOMMENDATIONS

We recommend;

1. That every church in New River association include the Cooperative Program in its budget on a percentage basis.
2. That churches consider the 2 Plus plan. This plan means increasing by at least two the percentage of the total budget going to missions through the Cooperative Program each year.

3:40 - Report - Evangelism - Rev. W. P. McElroy

"He that winneth souls is wise" Proverbs 11:30b. These are tremendous days in which we live. While billions are being spent getting men into outer space, less and less is spent winning men to God. Multitudes sit in darkness in the deepest of despair, having no hope, because they have no Christ. We do not need to go to the Far East nor to the Far West to find those who need our help, but we walk with them, work with them, live beside them, and many times sit beside them in our own church pews. This is the time for TOTAL dedication to winning the multitudes to Christ. We had 4 Mass Meetings of our Association with an average of about 130 present. WHY?

During the past year New River Association baptized 154, gained

201 by letter, lost 553 by transfer, death and erasure - - thus it took 44 2/3 members to win one person to Christ. WHY?

We recommend:

- (1) That we make Evangelism foremost in our Association and in our churches.
- (2) That every church take an active part in the Associational Revival meeting July 16-22, 1962 in a central location with Dr. Charles Howard as Evangelist.
- (3) That the churches bear the expenses of the Revival by giving 1/4 of 1% of their income to lessen the number of offerings during the Soul Winning Crusade.
- (4) That the Association have an Evangelism Clinic using the help of our State Secretary of Evangelism Department.
- (5) That we commit ourselves completely to the task of winning more souls to Christ this coming year.

This Report was adopted.

Total Sunday School Enrollment 2,221

RECOMMENDATIONS:

- (1) We urge our association to consider amending our By-laws so as to permit the Associational Executive Committee, or the Associational Superintendent, or Nominating Committee, to set in motion the selection and enlistment of our Associational Sunday School Officers in June of each year so as to have a complete set of workers by September 1st. This would permit these workers to attend their Associational Officers Planning Meeting the first part of September each year, thus permitting them to be prepared to start off in October, the first of the new Sunday school year.
- (2) That our churches consider an enrolment increase of 10%; a Vacation Bible School in every church and mission; the observance of Bible Study Week in January and Preparation Week in in September; a Standard Sunday School in every church.
- (3) That our Sunday schools cooperate with all the Special Days as promoted by the Florida Baptist Convention.

Rev. Marvin brought out the needs of the Vacation Bible Schools in our Association, and asked, that all churches consider having Vacation Bible Schools next year.

This report was adopted as amended.

GOALS FOR 1961-62; There are many places where new mission work should be established. We should not "jump" at this sort of thing, but it should be accomplished through the regularly elected Missions Committee of the Association, after they have made a care-

ful study, working with their Field Secretary and surveying the area to make certain a New Work should be undertaken. This is the only way to assure a strong, permanent work. THIS is what our Organization is for. Your Field Secretary has therefore, pledged himself to attempt to so organize EIGHT NEW MISSIONS in 1961-62. Your help and prayers are the sole solution. God's work is not a "One Man Job", nor is it a place for a "One Man Show". Your Field Secretary is well aware of this truth. THEREFORE, we humbly solicit your hearty and prayerful support in such an endeavor. This is no time for some individual to go off at some sort of tangent, seeking to start a new work.
