REPORT ON 75 MILLION CAMPAIGN.

The Southern Baptist Convention meeting in Atlanta, Ga., in May, with twice as many Messengers in attendance as at any former meeting, determined with unity of purpose and loyalty of spirit to raise 75 million dollars in the next five years for the enlargement of their work in missions, education, and benevolence. The following consid-

eration evidently led them to propose this mammoth movement for Christ:

1. The vastness of the World War and the greatness of America's part in reconstruction, put on Southern Baptists a new and limitless responsibility in the world's spiritual regeneration.

2. Baptist conviction and polity demanding a course of separation from the unionizing and confederating movements about them, made Baptists see that if they are to go straight on in the New Testament-determined course, and carry out Christ's demand on them in the world's spiritual regeneration, they must multiply their efforts to enlarge their work.

3. Their great numbers, with increasing wealth, brought to them a sense of great responsibility, and conscious of the depth of their convictions and unity, and the power of a Southwide co-operation, they saw afresh the vision of a great task.

4. They realized as never before the need of larger equipment for all their churches, schools, orphanages, hospitals, and other agencies, both at home and abroad, and saw the vast opportunity this strengthened program would give them.

5. They saw anew that if democracy is to be made safe for the world, the peoples of the earth must be enlightened and that this democracy must be dominated by the spirit of the gospel of Christ.

6. They saw a larger duty to aged ministers, heroes of the cross who have fought against odds with a sacrifice greater than we are asked to make, and included in this campaign a Southwide movement to establish an adequate fund for their relief.

7. A deeper compassion for lost souls swayed the hearts of our people throughout the South, and compelled them to redouble their efforts to save them.

What Will Success in This Campaign Do With Baptists?

1. It will call us to prayer as never before. If we are to win, we must do it by the way of the Throne, through importunate supplication.

2. It will test our faith, and we will hear Him saying unto us: "Be it unto you according to your faith." We will thus make in modern Baptist history another Eleventh Chapter of Hebrews.

3. It will test our unity and the efficiency of our organization. We will never impair the doctrine of the rights of the individual conscience and the independence of the local churches, but we will magnify to the world the unifying power of a common faith, conviction and purpose, in our effective mobilization of all the spiritual forces in our democracy under the Lordship of our only Master.

4. The success of this campaign will fathom the depths of our sacrificial giving, and tell how we decide between Christ and money.
What Will the Campaign and the Successful Issue of it do for Baptists?

1. It will enable them to greatly multiply and strengthen their missionary agencies at home and abroad.
2. It will almost double the efficiency of our Christian schools.
3. It will enable Baptists to increase their hospital efficiency, for the cure of the sick and the suffering, and enlarge our facilities for the support of hundreds of orphans who cry daily for our care.
4. It will bring to us a spirit of revival quickening. It will call out the called. It will deepen our passion for lost souls, enlist the indifferent and engage us all for larger service.
5. It will provide Baptists a better opportunity to deliver their message and set forth their doctrines of the rights of conscience, separation of church and State, the integrity of the Scriptures, the Lordship of Christ, and the freedom of the local churches under Him, from any lordship of popes, priests, bishops, and all other ecclesiastical autocracies.

The Executive Committee has apportioned the 75 Million to the States. Our State apportionment is \$1,000,000. Our State forces have apportioned to our county \$25,000, and this amount has been divided among our churches. As loyal servants of our Lord, and faithful messengers of His gospel, we are asked to join this movement with the most co-operant spirit and in the most self-sacrificing way.

We, therefore, heartily recommend that this Association accept joyfully its apportionment, and that we pledge ourselves to aid in effecting the best organization possible for the raising of our quota until success crowns our cause and then join in jubilant praise to God for Victory.

REPORT ON MISSIONS.

In praise and thanksgiving let us lift our hearts to God for His boundless blessings upon the work of the year and the broader vision of the work for the coming year.

Though called upon by many and most worthy objects, our people have responded heartily, even to the giving of their sons and daughters to their country's call, yet they have stood nobly and faithfully by the Master's work.

With millions of hearts bleeding and millions of homes broken, a waiting world has watched the collapse of a soulless civilization. The words of our Master: "Go ye therefore, and make disciples of all nations, baptizing them into the name of the Father and of the Son

and of the Holy Spirit; teaching them to observe all things whatsoever I have commanded you; and lo I am with you always, even unto the end of the world," come to us with a deeper meaning.

A world, made sick by the unprecedented horrors and crimes of war, needs the Gospel.

Every department of our work has under unusual difficulties tried to measure up to its various opportunities.

The work of the State Board has been difficult on account of the territory being so large and the people so scattered, that in times of unrest it is difficult to reach them so as to inform and encourage them.

From many parts of the field young men have been called into service, some have gone to centers of government works, practically closing churches. High cost of living has forced some poorly paid pastors to seek other work. Quite a number of pastors have entered the army service in various capacities.

Our missionaries have endured hardships and been embarrassed for lack of sufficient support, but few have been forced to surrender their fields.

Some ground we once held, to a degree, is being yielded to others and many points needing attention and demanding our help are unoccupied.

Practically three months work was prevented on account of the influenza.

The Home Mission Board is the link that connects all our interests and emphasizes that which we so much need; namely, inter-dependence of our churches, Associations, and State Conventions. In addition to the regular line of work, the Convention has laid upon the Home Mission Board some new activities which require Florida Baptists to give more liberally this year.

Out of a feeling to show our gratitude and a keen sense of our responsibility in carrying out the command of the "man of Galilee," the great 75 Million Campaign was launched at the Southern Baptist Convention in Atlanta last May.

To carry this to a successful culmination every Baptist in the South must be enlisted.

We have "attempted great things for God and expect great things from God."

As you make your gifts to this great campaign may you be conscious of the Saviour's saying: "I gave, I gave my life for thee, What hast thou given for me?"

REPORT ON SUNDAY SCHOOLS.

We, as a committee on Sunday School Work, want to ask every church in our Association to put more emphasis on our Sunday Schools, to enlist everyone, not only the children, but all the church members to take advantage of the opportunity of studying the Word of God and in this great work of preparing for the service of our God. There is a place in our Sunday Schools for all from the Cradle Roll to the Home Department. If there is a church in our Association without a Sunday School, we beg of you to organize, then don't be willing to give it up, but stand by it and go forward in this great work.

We would urge the importance of our officers and teachers making every effort to prepare themselves to be the best and most efficient teachers possible. It is a great privilege every teacher has to be a co-worker with God in training the young people.

We want to suggest that through our Sunday Schools all the children be enlisted in our great Baptist 75 Million Campaign, that they may feel they have a part in this great work. We didn't fail to let them have a part in the war work. It is upon the young people that the future will be dependent, if this mighty work is carried forward.

We recommend the use of the best literature possible, and suggest very Sunday School having one of the new catalogues of the Baptist Sunday School Board, Nashville, Tenn. Again we beg you to enlist all in our great Sunday School work.

MISS JENNIE CAMP,
J. W. MILLIGAN,
Committee.

REPORT ON WOMAN'S WORK.

For a number of years our W. M. U. has worked side by side with the Mission Boards in sending the glad tidings from our own communities into the uttermost parts of the earth. We thank our dear brothers for their helpfulness and wise counsel, and if the seed we have sown yields any harvest we gladly acknowledge their part.

Readjustments of old things to meet the new conditions are constantly taking place in the entire world and in this new day of construction we find women equal to men in almost any undertaking.

Our women realize that we are living in unusual times; times of great possibilities and opportunities. When our country called us, we gave of what we had for the cause; doctors gave their skill, manufacturers gave their goods, women gave their touch and the soldiers their lives—so with money, munitions, men, and mercy we won the war to break the shackles from the burdened people of the old world. To give them the light of Christianity. Now comes the call from

our Lord and Savior to give these people the help of the Gospel. Let us come as nobly in response as we did to our country's call. The Methodists, Presbyterians and others of our evangelical churches have already answered this call with millions for the Master, and the Baptists of the Southland have too, organized their forces for the greatest task ever undertaken by any Christian church.

The raising of 75 Million dollars for this cause must needs have the support and prayers of every Baptist. The women have gladly accepted their share, or \$15,000,000. Columbia county has been apportioned \$29,477.60, of which the women are to give \$5,895.54. Our women have always done nobly, but we are going to have to give more, pray more, and do more than ever before. The women of Beulah Association have given the closing year \$662.48 for all purposes.

Trust is one of the greatest forces in the world, it is so woven in life there is no perceptible beginning or ending. Our earliest instincts lead us to trust. "The earth is the Lord's and the fulness thereof, the world and they that dwell therein," for He hath given it into our hands that we might "Honor the Lord with our substance," and be good stewards of his bounty, to hold in trust for His service. Every living soul is God's steward for more or less. How are you keeping your trust? Has God given into your hands cattle and lands and do you render to Him usury? Has he given you a mind quick to learn, to understand, and are you giving this service to Him? Do you use your voice to sing his praises? All of these talents, accomplishments and possessions are to be used for his glory, that His will may be done and His Kingdom come on earth as it is in Heaven.

The members of this committee earnestly desire that every woman in Beulah Association be enlisted in this great campaign and that we constantly implore the Divine helper for guidance.

MRS. T. H. OWENS, Chmn.,
MISS JULIA CROUCH,
MRS. C. J. BRUNER,
Committee.

REPORT ON ORPHANAGE.

The Florida Baptist Orphanage at Arcadia, Fla., was established about fifteen years ago. Since that time children from every part of the State have enjoyed its blessed protection, and from its doors young men and women are going forth into the world prepared to do their part nobly and intelligently in carrying on the great things of our country. Not only are they capable of making the best citizens, but they will mean much to the advancement of God's Kingdom. No

doubt had it not been for this institution they would have meant but little to the world or to themselves.

We are not to think of the institution simply as one that brings relief to the orphan and helpless child, but it is an institution that prepares them for the different vocations of life and they will mean much in promoting the common interests of the Baptist denomination.

The home has at present one hundred and eight children. It costs approximately \$15.00 per month for each child for clothing, food and schooling, which is a very small amount, when we take into consideration that the cost of living has advanced 144 per cent in the last four years. May God help us to realize the importance of supporting this home with our prayers and our money so that the home may be enabled to receive every orphan child that knocks at its door.

The way to bring these things to pass is for us to carry the 75 Million Campaign over the top; for if the Campaign is a success it means much more for the orphanage and let us remember that no deed done for a little child in the name of the Master will lose its reward.

Respectfully submitted.

JOHN DICKS,
W. H. JONES,
Committee.

Rev. E. M. Henderson of Jacksonville, took the floor and discussed all of the preceding reports as relating to the 75 Million Campaign, followed by Mrs. H. W. Markman, Rev. John Dicks, Miss Jennie Camp, Mrs. T. H. Owens, and Rev. J. R. Eubanks.

The report on Temperance was read and a warm discussion followed. The present day crime of making and selling intoxicants in defiance of law was condemned in no uncertain terms, and the speakers also condemned our officials for non-enforcement of our prohibition laws. Discussed by Brethren Hudson, Dicks, Bennett, Ray, Cone, and others.

Rev. C. J. Bruner was selected to preach at the 12 o'clock hour in place of Dr. S. B. Rogers, who did not arrive.

After preaching service, adjourned for dinner.

3:00 P. M.—Devotional service was led by Miss Eva Milton.

3:20.—Association was called to order.

The report on Publications was read and adopted, after discussion by Dr. A. M. Bennett, Rev. C. J. Bruner and others.

REPORT ON PUBLICATIONS.

We, your committee on Publications, realize that, our Baptist people are not as particular as they should be in the selection of the literature they read. Particularly is this noticeable in providing reading matter for our young people.

We urge that our churches take this matter in hand, and see that our young people are provided with the proper publications.

First, we urge the reading of the Bible, which we believe to be the Word of God, and which reveals to men and women the plan of salvation. (Search the Scriptures for in them ye think ye have eternal life).

Second, we urge our people to read the Florida Baptist Witness, our State denominational paper, particularly at this time as never before. Our State paper should be in every Baptist home, to inform our people of the plans and progress of the 75 Million drive, an undertaking that is perhaps the greatest Baptist hosts have ever attempted to put over. With God's help we must succeed.

Then we commend the Home and Foreign Fields, a monthly illustrated magazine, the organ of our Home and Foreign Mission Boards,

which is full of information about our Mission work at home and in heathen lands, and Royal Service, the organ of the Woman's Missionary Union.

Third, we urge our Churches and Sunday Schools to secure their supplies from our Sunday School Board. Our Sunday School Board carries in stock everything that is needed by our churches and Sunday Schools, and if Baptist people want Baptist publications, they should be secured from Baptist institutions, and edited by Baptist people.

Show us the people that read the Word of God, their denominational papers, and keep themselves informed about the work of their denomination, and we will show you a people that can be depended upon to do their full duty at all times.

The report on Christian Education was read and adopted.

REPORT ON CHRISTIAN EDUCATION.

"Education is conscious evolution,—thus briefly a great Baptist educator has defined education.

The youth of our land and churches are the hope of our country—yea, the hope of the church and indeed the churches of Jesus Christ are the only hope of our society and country.

Since educating a child is acting not passively, but actively upon an animate object, a human being with mind and conscience—with powers of perception. Therefore as we train our youths we do so under great responsibility.

The Good Book teaches that "as a man purposes in his heart, so is he." Mind and heart go hand in hand. So our children will be what we teach them, intelligently and spiritually. Recognizing these great facts, Baptists of America have toiled and sacrificed for years to conduct schools and colleges which indeed are guided by faculties of teachers who are as competent as any to really teach and also by life and teaching teach Christ and Christianity.

Education and Christianity are indeed twins; forces working together for one cause, the safe development of our children. Education given by unholy and irreverent teachers produces infidels and atheists, but no warm-hearted sound active church worker. Therefore we must see the imperative demand upon us as Baptists, who teach, as we do, the Bible as a whole, its very doctrines teach freedom and

independent thinking. So we must as never before maintain sound and great schools if we are to hold down German critics and others who seek to dethrone Christ and our Bible.

Therefore the Southern Baptist Convention engages in a great forward movement to endow our schools. Twenty per cent of the funds to be raised in our great \$75,000,000 drive goes to Christian Education. This is to be distributed by a wise educational board with assured authority. To train 5,000 new additions to our ministry or church workers and missionaries, makes it imperative that our churches must send their children to our real Baptist schools and give our money to maintain them.

The report of the Executive Committee was read and adopted.

REPORT OF EXECUTIVE COMMITTEE.

Your committee met as soon as possible after the meeting of the Association at Philippi and organized for the year.

Rev. J. R. Eubanks was chosen as Missionary at Olustee Station on the Seaboard Railroad for one-fourth time and also was continued at Guilford on the G. S. & F Railroad, where a neat house of worship was dedicated free of debt.

The attention of your committee was called to the destitution in the northern portion of the county, near Blount's Ferry, and Bro. Eubanks was secured for the rest of the year at a salary of \$25.00 per month to take up this work. Success has attended his efforts and a new church will no doubt be constituted this year.

The Budget of Appeal was sent to all the churches to be placed on the wall, and many of the churches followed the systematic giving as laid down in the Budget. Some churches still persist in following the same old methods of 50 years ago and do little or nothing for the different objects fostered by the denomination.

Your committee could not have done the work of the year without the co-operation of the Board of Missions. We have a great field and larger things should be attempted this coming year.

Respectfully submitted.

A. M. BENNETT, Chairman.

REPORT OF LAYMAN'S COMMITTEE.

A Layman's Committee, composed of one member from each church in Beulah Association, was selected at the 1917 meeting of this body at Lake City, but a report was not submitted at our 1918 session, which met with Philippi Church, but made no report.

At the Association last year the personnel of this committee was revised and members retained or substituted with the purpose of increased efficiency. This new committee was organized at the first Union Meeting after adjournment of the Association, some 8 or 10 members being present, by the election of C. M. Ray, Chairman, and C. A. Barrow, Secretary. Another meeting was held at Mt. Beulah

later, and it was the purpose to have still another meeting at the time of the Union Meeting at Shiloh in August, but on account of rainy weather it failed. The main thought and purpose of these committee meetings has been to give impetus to the special work of each member in his own church which is to keep the claims and aims of the budget before his church, and see that the offerings for missions and benevolence do not fall under the amounts accepted, and he is expected in the main to relieve the pastor of this work and responsibility.

It is a sad fact, however, that some pastors and some committeemen are too easily discouraged or lack interest in our budget. These we hope will get a larger vision and be able to inspire every member with the duty of helping. The Layman's Committee has had a measure of success as will be seen by offerings at least by some of our churches, and we hope for better results during the coming year when we can materially help with the 75 Million Campaign and in the collection of the amounts to be pledged by our several churches. The Layman's Committee was a happy thought, and should help materially in advancing the Kingdom of our Lord. It is worthy to live and each member we hope will realize the very important service he can render and good results will follow.

MINUTES OF THE WOMAN'S MISSIONARY UNION.

The Woman's Missionary Union of Beulah Association met in annual session October 18th, 1919, at Mt. Zion Baptist Church at the time of the Associational meeting.

The Associational Superintendent, Mrs. T. H. Owens, presided.

After Scripture quotations by a number of ladies, Mrs. A. M. Bennett offered prayer.

Mrs. Owens talked interestingly about the 75 Million Campaign, after which the secretary was asked to read reports from Societies. The Superintendent then called for talks by some lady from each Society, and gave a talk on personal service.

These talks should be helpful to all who heard them.

Miss Jennie Camp was requested to talk on the Young People's work. She spoke of the importance of training in the Sunday School. That children may often be reached when the parents are not interested. She spoke also of the B. Y. P. U. and of the Sunbeam work; telling something of the organization of the Sunbeams. She spoke of teaching the children to get their pleasures from these societies.

The election of officers for the ensuing year resulted in the re-election of Mrs. T. H. Owens, superintendent, and Mrs. C. M. Ray, secretary.

MRS. C. M. RAY, Secretary.

CONSTITUTION.

Section 1. This Association shall be known as the Beulah Baptist Association.

Sec. 2. This Association shall be composed of Messengers selected by the several churches connected with the Association. Each church shall be entitled to one Messenger at large and one for every twenty-five members or majority fraction thereof.

Sec. 3. Any regularly organized Baptist Church of the same faith may become a member of this Association upon application by petitionary letter and Messenger as above provided.

Sec. 4. This Association shall at their regular meeting elect from their members, by ballot, a Moderator, Clerk and Treasurer, who shall serve for one year.

Sec. 5. The object of the Association shall be: First, to promote unity and brotherly love among the Churches; second, to promote Gospel discipline; to encourage the universal spread of the Gospel and practical religion throughout our bounds and elsewhere.

Sec. 6. The Moderator shall appoint at each annual session of the Association an Executive Committee composed of six members, whose appointment shall be approved by the body. Their duties shall be: First, to inquire into the destitution within our bounds; second, to make contracts with the Ministers of the Gospel of this Association, or other associations in correspondence with us, to supply such destitution with the Gospel; third, to draw from the treasury such funds as are available for missionary purposes to meet their contracts, and to exercise general supervision in the promotion of unity and brotherly love among the Churches and the universal spread of the Gospel throughout our bounds. They shall report the result of their labors at each annual session of the Association.

Sec. 7. The Moderator shall invite correspondents and visiting ministers and brethren to seats with the body when in session. They shall be entitled to the privilege of aiding the Association with their counsel.

Sec. 8. This Association shall have the right to withdraw from any Church that may be in disorder when the same cannot be restored by Gospel discipline to the unity of faith in the bonds of peace.

Sec. 9. The annual meetings of this Association shall be held at such time and place as may be designated by the

body; and by appointment there shall be an introductory sermon preached the first day of the session at 11 o'clock, and on the Sabbath; or last day of the session, a collection taken up for missionary purposes.

Sec. 10. This Association shall not lord it over God's heritage nor infringe upon any of the internal rights of the churches, but shall act only as an advisory body.

Sec. 11. This Constitution may be amended at any regular session of the Association by a two-thirds vote of all the Messengers. Any amendment offered shall be in writing.

ARTICLES OF FAITH.

1. We believe in one only true and living God, the Father, Son and Holy Spirit, and that these are one. See Matthew 28:19.

2. We believe that the Old and New Testament Scriptures are the inspired Word of God and the only rules of faith and practice. 2 Timothy 3-16.

3. We believe in election according to the fore-knowledge of God, through sanctification of the Spirit and belief of the truth. 2nd. Thes. 2:13-14.

4. We believe that the grace of God that bringeth salvation hath appeared unto all men, and that nothing prevents the salvation of the vilest sinner but his own voluntary rejection of that grace. Isa. 55:1; Rev. 22:17; Act 17:30.

5. We believe in the depravity of the human heart, and that the natural state of man is such that he cannot prepare himself for divine favor without the assisting grace of God, enabling him to act according to the good pleasure of His Divine Will. Eph. 2:5; Matt. 18:11; John 4:10; First Cor. 3:5-7.

6. We believe in justification by faith, which gives peace with God, through our Lord Jesus Christ. Rom. 5:1-2.

7. We believe that the Gospel of Christ is a means of grace to bring sinners to repentance and faith in Jesus Christ, and therefore should be preached to all the world. John 3:16.

8. We believe that all those who are regenerated by the Spirit of God are made heirs of God and joint heirs with our Lord Jesus Christ, and that they are kept by the power of God through faith unto eternal salvation. 1. Peter 1:5; Rom. 8:28; Phi. 1:6.

9. We believe that baptism is the immersion of the whole body in water; that the only proper subjects are described in the preceding section, and the only proper administrators are those who have been regularly ordained by a Church of Christ, by the imposition of hands of a presbytery. Acts 8:36; Rom. 6:4; Read Timothy and Titus.

10. We believe that the Lord's Supper was instituted by Jesus Christ to be commemorated by His followers and that none but baptised believers have a Scriptural right to partake thereof. Luke 22:18, 19, 20; 1. Cor. 14:26-28.

11. We believe in the resurrection of the righteous and the wicked, and that the wicked shall go away into everlasting punishment, but the righteous into life eternal. Acts 24:15.

RULES FOR DECORUM.

Article 1. At the first meeting of each annual session of the Association, the Moderator of the previous session shall call the Messengers to order. In case of the absence of the Moderator, the Clerk shall call to order, when the Messengers present may elect a Moderator pro tem, who shall preside until the letters from the churches are read, including the petitionary letters for membership, and the names of the Messengers are enrolled.

Art. 2. When the letters from the churches shall have been read and the names of Messengers enrolled, they shall elect from the body, by ballot, a Moderator, a Clerk and a Treasurer, who shall serve for one year and until their successors shall be duly elected.

Art. 3. Each day's session of the Association shall be opened with prayer.

Art. 4. The Moderator shall preserve order and decide all questions in debate, subject to an appeal to the body; and when he shall speak on any subject in discussion, he shall call some member to the chair, and in case of a tie, shall give the deciding vote.

Art. 5. The Moderator shall appoint all committees, subject to approval by the body.

Art. 6. The Clerk shall keep a careful record of the proceedings of each meeting, and in the absence of the Moderator shall call the body together and preside until a Moderator pro tem. shall be elected.

Art. 7. All members wishing to speak on any subject shall arise and address the Moderator as "brother," and shall confine themselves strictly to the subject, and shall

not be allowed to make any unkind allusion to a brother while speaking.

Art. 8. No motion shall be debated until seconded and stated by the Moderator or read by the Clerk.

Art. 9. When a motion is under consideration no other motion shall be entertained except to adjourn, lay on the table, to amend, indefinitely postpone, refer to a committee, or call for the previous question.

Art. 10. Any member voting with the majority on any question in debate may move a reconsideration at any time during the session.

Art. 11. Visiting brethren and correspondents from other associations of the same faith shall have a right to speak on any and all subjects under consideration, but shall not be entitled to vote.

Art. 12. No brother shall speak more than twice on a subject in debate without the consent of the Association.

Art. 13. These rules of Decorum may be altered or amended at any regular session of the Association by a majority vote of the members of the body.
