CONSTITUTION and BYLAWS

SECTION ONE

Article 1. This body shall be known as the Beulah Baptist Association.

Article 2. In expressing its conception of Bible doctrine this body shall be guided by the New Hampshire Confession of Faith as revised and adopted by the Southern Baptist Convention in 1925.

Article 3. This Association shall be composed of messengers selected by churches affiliated with this Association and in harmony with its basic statement of faith and practice.

Article 4. The purpose of this Association shall be to promote unity and brotherly love among the churches, and to help the churches through appropriate organizations: to develop their members in the christian faith; to promote the full propagation of the gospel; and to extend their own faith to the ends of the earth through world missions. This Association shall not lord it over God's heritage, nor infringe upon any of the internal rights of churches, but shall act only as an advisory body.

Article 5. The Association shall meet annually at such time and place as shall be agreed upon by the body. A called meeting may be held upon a majority vote of any regular meeting of the Executive Committee, provided that notice shall be given to the churches in writing thirty days prior to the date of any such called meeting stating the purpose of such meeting.

Article 6. The officers of the Association shall be a Moderator a Vice Moderator, a Clerk and a Treasurer. The Clerk and the Treasurer may request the Moderator to appoint an assistant to aid them in connection with the annual session. The officers shall be elected by nomination from the floor on the second day of the annual session of the Association, shall take office upon the close of the annual session, and shall continue until the close of the next annual session.

Article 7. The Executive Committee of the Association shall be composed of the active pastors of the affiliated churches, one layman from each of such churches who shall be elected by his church, and the presiding officer of each respective department of the Association, namely the Sunday School, the Training Union, the Brotherhood, the Woman's Missionary Union, the Music Ministry, and any departments which shall be hereafter added, together with the Moderator, the Vice Moderator, the Clerk and the Treasurer. The Field Secretary resident within the district and serving under the Baptist State Convention shall be ex-officio member.

Article 8. Any church which shall be proven to be out of harmony with the basic principles of faith and practice of the Association which shall persist in failure to respond to efforts at reconciliation shall by three-fourths majority vote be excluded from further affiliation with the Association. It shall not later be returned to affiliation except upon unanimous approval of the Association.

Article 9. This Constitution and By Laws may be amended by two-thirds majority vote at any annual session, provided: 1. that the desired change shall be presented in writing on the first day and decided during the second day of the annual meeting; and 2. that basic changes shall be presented to the Executive Committee at least thirty days prior to the annual session.

SECTION TWO: BY LAWS

Article 1. Churches desiring affiliation with this body and qualified under Article III of the Constitution shall send messengers and a petitionary letter to an annual session. Upon a majority vote of the body they shall become applicant members during the then current annual session. They shall become affiliate members upon unanimous vote at the next succeeding annual session.

Article 2. The Moderator shall preside at the annual and called sessions of the Association, shall preserve order and shall appoint all committees not otherwise provided. The Vice Moderator shall assist the Moderator, shall preside over the Association in the absence of, or at the request of the Moderator. The Clerk shall keep the records of the Association and supervise the printing and the distribution of the minutes. The Treasurer shall receive and disburse all associational funds as directed by the Association, and shall make a full report of all transactions to the annual Association.

Article 3. The Executive Committee shall be responsible for filling vacancies until the time for the next election, except that in case of a vacancy in the office of Moderator the Vice Moderator shall automatically take office and a new Vice Moderator shall then be elected.

Article 4. The Executive Committee shall meet at least once each quarter for the following purposes: 1. to carry out the will of the Association as expressed in its annual or called sessions; 2. to transact all business of the Association ad interim; and, 3. to correlate and coordinate all the associational activities. The Moderator of the Association shall be ex-officio chairman of the Executive Committee and the associational Clerk shall serve as its secretary.

SECTION THREE: RULES OF DECORUM

Article 5. A member wishing to speak on any subject shall rise and address the Moderator. Upon being recognized he shall confine himself to the subject. He shall not be allowed to make an unkind allusion to any member while speaking.

Article 6. No motion shall be debated until seconded and stated by the Moderator or read by the Clerk.

Article 7. When a motion is under consideration no other motion shall be entertained except to adjourn, to lay on the table, to amend, to postpone indefinitely, or to call for the previous motion.

Article 8. A matter may be reconsidered only upon motion made by a member having voted with the majority thereto.

Article 9. Visiting brethren may speak on any subject upon recognition by the Moderator.

Article 10. No member shall speak more than twice on a subject without the consent of the Moderator, or upon appeal to the body.

Article 11. These Rules of Decorum may be altered or amended at any regular session of the Association by a majority vote of the members present.

13. Acting Moderator Brittain announced the results of the Association-sponsored revival conducted by the E. J. Daniels Evangelistic Party September 15 -October 9 in Lake City. The revival, conducted in a large tabernacle type tent by the Rev. E. J. Daniels, preacher, Rev. Lowell Leistner, singer, Rev. Joe Webb, singer and director of personal work, Mrs. Joe Webb, organist and signer, resulted in 436 decisions for dedication or conversion, 945 pledges to tithe and 117 youth pledges to personal purity. There were 241 professions involving forty different churches of several denominations as preference. Expenses of the Revival were heartily paid in the amount totalling slightly over \$6,000.00. Attendance averaged between 2,000 and 2,500 daily, with 3,000 attending on Sunday night. The closing night was the largest in every way and resulted in some ninety professions. Neither football games nor storms kept the crowds away, necessitating the use of many police and patrol officers to direct the traffic. Several denominations cooperated with the Baptist sponsored revival, receiving many additions along with the Baptist churches. It was said by many to be the greatest event of any kind that had ever come to Columbia County.

John Dicks, Fritz Fountain and Wilbur H. Bates were appointed as said committee on constitutional change.

42. The report on American Bible Society was presented by Robert Turner and adopted.

43. Pastor Pat R. Wimberly, Jr. led the Association in the service on Memorials. REPORTS

AMERICAN BIBLE SOCIETY REPORT 1960

The Bible is the Book for everyone. This is the deep conviction of the American Bible Society and of all who recognize their stewardship of the Word of God. If the people of the world are to know our Saviour, they must have this Book of Books in their own language, for it speaks to their hearts as no other language can. Sadly, in most countries, they cannot afford the cost of printing the Scriptures, much less the cost of translating them.

The Bible is the essential tool of missions and evangelism. It is itself a missionary, for it can go where the missionary cannot go, and it can stay after he must leave, to continue to speak to the hearts of men. As a partner of Southern Baptists, the American Bible Society serves every form of our mission work, helping translate, publish and distribute the Scriptures.

In the last year, the Society donated more than one million Scripture volumes for distribution to the armed services and to patients in Veteran's hospitals. 1960 marked the approach of the 125th anniversary of Society distribution of Scriptures in various forms for use by the blind. Presently, through the efforts of the American Bible Society, some part of the Bible is available in 1,151 languages, the entire Bible is available in 219 languages. Through the Society, Scriptures were distributed in strategic areas bordering the Iron Curtain, and in Africa, Latin America, Japan, Korea, India, and to many Chinese who now live outside Red China.

During 1959, 17 1/2 million Scripture volumes were distributed by the American Bible Society. In cooperation with other Bible Societies, 27 million volumes were distributed. Even at this rate, our distribution is falling behind the number of people without the Bible who learn to read every year. You can help to speed up the work of the Society in reaching untold millions of lost persons the world over by making the American Bible Society a part of your church budget for the coming year.

BROTHERHOOD REPORT

Like the W.M.U. serves the women and girls of the churches for purposes of missionary education and soul winning enlistment, so the Brotherhood serves the men and boys. It is a plan for enlisting more men and boys in the total work of the churches, with the end in mind of better promoting and supporting the work of evangelism at home and throughout the nations.

Brotherhoods in the churches are assisted by Associational Brotherhood organization in much the same manner as Associational Sunday School and Training Union organizations function. By participating in a larger fellowship local Brotherhoods are encouraged, inspired and led into a stronger work. In many instances the Associational organization works to start Brotherhood work in churches which do not have it. The Associational organization can often point out worthy projects for cooperative participation by the church Brotherhoods which would otherwise be overlooked.

The State and Southern Conventions provide leadership for promoting the Brotherhood work over larger areas and for furnishing materials, literature and leadership, as well as for coordinating the work in attaining some standard of efficiency. State and Convention-wide conferences, clinics and assemblies provide larger inspiration and incentive.

Brotherhood work, though much younger than W. M. U., has developed to become one of the major agencies of Christian culture and enlistment in many of our churches and in our denomination.

Our Associational organization has held regular meetings during the year, but there is much to be done to bring it up to the attainment for which our good church men are capable within this Association.

REPORT OF THE FLORIDA BAPTIST CHILDREN'S HOME, YEAR ENDING JUNE 30, 1960

This report is for a nine months period. It was necessary to change the date of the fiscal year to accommodate the auditors who check the books of our Home and other agencies of the Convention. The fiscal year will close on June 30 hereafter and the audit and reports will be for a period of 12 months.

Applications for admission to the Home has been unusually heavy during the past year. This was due in part to the growth of the State and also to the inability of some state agencies to help in the care of children who were not eligible for state assistance. These turned to the Children's Home for aid, which was given in every possible case. If the children could not be admitted, they were referred to other agencies which seemed best equipped to meet their needs. Every application was given careful attention.

A third cottage was opened at the South Florida Branch of the Florida Baptist Children's Home in December 1959. We now have three attractive buildings on the Miami campus and approximately seven and one-half acres of land.

Assistance was given to 384 children from 160 families for the period beginning October 1, 1959 and ending June 30, 1960. 183 were in the Children's Homes at Miami and Lakeland, 2 were in foster home care, 26 on Mother's Aid, and 12 were assisted in the homes of relatives for a total of 223 under supervision. 161 applicants were given help through counseling and referral to other agencies.

We wish to point out the need for your participation in the special Thanksgiving offerings for the Home. It shares in the cooperative program but it does not get enough from this source to meet expenses. It is important that each church have a special part in our work with dependent children. We earnestly desire your cooperation in the Thanksgiving offering for our Home.

CHRISTIAN EDUCATION

As a nation we are coming more and more to realize the importance of higher education and our government is vitally concerned relative to the schools, colleges and universities of our land. We would not for a moment under-value the importance of this training for the tremendous responsibility to our nation.

All this is important, but to the child of God, a Christian education is indispensable. Paul is writing to Timothy said "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the Word of Truth", 2 Tim. 2:15. The foundation of Christian education is the study of the Word of God, and no Christian can grow spiritually and become a well rounded Christian that does not know God's Word. As pastors we have a tremendous responsibility not only of leading the lost to Christ, but to also teach them the Word of God so that they may grow in the grace and knowledge of Jesus Christ. Many have been led away into false cults because they did not know what the Bible teaches. It is important that our people should know the great doctrines of the Bible. Many great and gifted Bible teachers have been raised up by the Lord for the purpose of edifying the saints so that they may become more useful Christians. All may not have the privilege of hearing these men, but they have written many books that are a great aid to Bible study. Our Baptist Book Store in Jacksonville carries a fine line of such books. The Southern Baptist Convention has a large number of institutions of higher learning. Here in Florida there is Stetson University at DeLand. Then for those that are called into the ministry later in life that cannot spend many years in training there is the Baptist Bible Institute at Graceville that has an excellent Bible course to prepare men for the ministry.

Let us as Christians seek to teach and build up in the faith those that are under our care, not only pastors but Sunday School teachers. Teachers in the Training Union and every department of the church relying on the Holy Spirit, the great teacher and author of God's Word, gives us the wisdom and understanding to teach others these precious truths that are so essential for our spiritual growth.

REPORT ON BAPTIST BIBLE INSTITUTE

The Baptist Bible Institute of Graceville, owned and operated by the Florida Baptist Convention is a school planned particularly to meet the need of God-called leaders who cannot qualify for Seminary degrees. Even without a high school diploma students who

are properly recommended may enroll. Thus any person who can study may better prepare himself for partial or full time service in the work of Christ.

The Institute provides a full three-year study of curriculum similar to work done on the non-language degree of Bachelor of Divinity.

Enrollment in September 1960 was 159, of which 76 were first year students. Students come from several states and countries.

The faculty ranks along with our seminaries in qualifications and degrees. It is the feeling of the administration that the greater need of the students the greater should the faculty be prepared to meet that need.

The Bible Institute is a vital part of the Southern Baptist life. It is supported through the Cooperative Program, through special gifts from churches and individuals and in a minor way through student fees. The need for church and special contributions is real and great, since only one-third of the cost comes through the Cooperative Program. Since the school worthily fits into the world mission plan of Baptist work, it is imperative that the school shall have more buildings, equipment and faculty in order that it may minister to a larger student body.

Prepared by the Clerk from a report by President James E. Southerland.

REPORT ON DENOMINATIONAL PRESS OR BAPTIST LITERATURE

The various printing and publishing agencies of our Convention are established as a means of providing convenient access to the best sources of study and information and for distribution of important findings throughout our Baptist world regarding all phases of life and service. Being the best that can be provided, such agencies are worthy of utmost confidence. With the Bible as the main publication, our literature is the best to be found. All of it leads to the fullest possible reading and study of the Bible.

Last year our Sunday School Board alone published over 97 million copies of periodicals, over 4 million books, over 63 million bulletins and 16 million tracts. They issue quarterly, monthly and weekly periodicals for every need in the churches and in the denomination.

In addition to the Sunday School Board, other agencies publish various periodicals. Both mission boards and the W.M.U. issue appropriate mission periodicals to keep Baptists abreast of the spread of the Gospel. Twenty eight State papers issued on a weekly basis sent out over 72 million copies. The Florida Baptist Witness, with 57,442 subscriptions, is in the budget of 779 churches. Yet 449 churches are yet to enter the budget plan of subscriptions, thus failing to take advantage of the great aid of the Witness in their growth and service.

The Church Budget Plan of subscription to the Witness calls for only 10¢ per month per church family, or \$1.20 per year--less than the cost of a daily news paper a month. The Witness is vitally important to the continued growth, solidarity and cooperative work of our people and to a people desiring to be properly informed.

EXECUTIVE COMMITTEE REPORT

The Executive Committee of the Beulah Baptist Association met quarterly for part of the year, then returned to monthly meetings.

One of the obligations of the Committee is to receive reports from various Association organizations. This has been done regularly as the heads have presented them.

The Committee considered the importance of the offering to the Charity Fund of the Baptist Memorial Hospital and appointed a committee to promote it.

We elected a Chairman of Evangelism and set up a committee to work with him.

We set up plans to carry out the instructions of the Association regarding an area-wide revival. Dr. E. J. Daniels of Orlando and his party were invited to hold a two weeks meeting in a tabernacle tent September 25 through October 9. Other denominations were invited to cooperate.

Field Secretary and other denominational leaders were heard from time to time, and their suggestions considered in better promotion of our work.

A committee was appointed to nominate the heads of organizations for report to the Association.

We voted to memorialize the State Convention to the effect of encouraging the selection of State Board members by nomination from the Association.

Committees were appointed as necessary to prepare for the annual session of the Association.

Upon suggestion of the State Secretary of Evangelism and the Home Mission Board, the plan of using heads of Association organizations to assist the Chairman of Evangelism was adopted.

The request of the Pine Grove Church for a loan from the State Board for \$7,500.00 was approved.

The associational Missions Committee was asked to meet with other such committees in the District and to make such suggestions as they may find helpful to the better promotion of our local and denominational work.

Rev. Carson Brittain was selected to serve as acting Moderator at the annual session since Moderator Nixon would leave the Association prior to the annual session.

REPORT ON EVANGELISM

Nothing short of a total enlistment of all people as listeners to the Gospel and of all Christians as dispensers of the Gospel can satisfy the command of Christ to evangelize the world.

Yet only about five of every hundred Christians are known to do the work of soul-winning. Our biggest job first is the enlistment, training and equipping of our church members for winning the lost. With such an army it will not be impossible for the whole world to be given the opportunity of hearing the Gospel in one or two generations.

In the Beulah Association last year 189 people were won and baptized, a ratio of one baptism to every fourteen resident members. The simultaneous effort the year before brought a larger number, showing the truth of Paul's statement, "We are laborers together with God".

Two years ago the Association passed a motion which resulted in bringing Evangelist E. J. Daniels and his party to Lake City in what has been said to be the greatest single undertaking ever accomplished in Columbia County in the field of evangelism. Though the meeting ran over into the new fiscal year, we have the results of that meeting, results which affected 40 churches of several denominations which worked along with our Baptist churches in the revival. There were 36 decisions, of which 241 were professions. In addition 117 youth pledged personal purity of life and 945 pledged to tithes.

Several of our churches attained unusually high ratios of baptisms: Phillippi and Mt. Carmel, 1 to 7; Pine Grove, 1 to 6; while Wellborn had one baptism to each five resident members. We regret that only 17 of our churches recorded baptisms.

We urge that we make 1961 a year of simultaneous effort, and that we request the Executive Committee to arrange for a simultaneous campaign.

Waldo E. Wood, Evangelism Chairman

ANNUAL REPORT OF PAUL McCOLLERS, FIELD SECRETARY, FLORIDA BAPTIST CONVENTION

Missions are founded in the heart of God. From the call of Abraham to the present we see manifestations of the missionary spirit. Paul said 2nd Cor. 5:19 "God was in Christ, reconciling the world unto himself not reckoning their transgressions unto them and having committed unto us the message of the reconciliation".

This mission program was revealed through Christ; Matthew 28: 18-20. If we are true to our Lord we will have to propagate, tell, give out this message from our respective congregations. If we do our best here many will accept our message and join the WORLD MISSION CRUSADE BY GIVING AND LIVING WORLD MISSIONS. Jesus said, "Everyone to whom much is given, of his will much be required; and of him to whom men commit much they will demand the more". David Livingstone wrote on his 59th birthday, "My Jesus, My King, My Life, My All; I again dedicate my whole self to Thee. Accept me, and grant, O gracious Father, that ere this year is gone I may finish my task. In Jesus' I ask it, Amen".

Day: spent on field 366, Miles traveled 32,008, churches and missions visited 480, Pastors' conferences 32, Associational meetings 63, State and southside meetings 16, Committee meetings, personal contacts 1314, Prayer meetings 27, Classes taught 19, Revivals, stewardship 4, Baptisms 6, letter 2, tithers 65, Volunteers for special service 1, Rededications 346, Tracts given out 2,000, Letters mailed 729, Sermons addresses 194, Ground breaking services 2, Church budgets adopted 2, Pastor contacts arranged 194, Other services attended 157, Home visits 350, Ordination services 3, Schools of Missions 3, Fields surveyed 3, Dedication services 2, Special weeks and Ridgecrest 6.

We must survey the field, enlist the people, teach them. Every church must have a teaching program, a financial program and a mission program. Every church should have the opportunity to give to WORLD MISSIONS THROUGH THE COOPERATIVE PROGRAM AT LEAST FOUR TIMES A YEAR.

Phillip 4:13 "I can do anything through Him who gives me strength".

REPORT ON BAPTIST FOUNDATION

There are two foundations open to use by any Southern Baptist, or any other person desiring to contribute to the permanent work of Southern Baptists. They are the Baptist Foundation of the Florida Baptist Convention, and the Southern Baptist Foundation.

These foundations are for the purpose of providing a medium through which any person may will or contribute to the causes promoted through these two conventions, and therefore to the work of winning the world to Christ.

As a rule contributions to the Foundation come by means of a will. A person desiring to continue his support to the Baptist cause after his death may contact either of the foundations for assistance in making his will, or in providing for immediate contributions. It is important to contact the Foundation first, in order that the will may be so written as to provide for adjustments, in case any particular cause named in the will should cease to exist as an object needing financial support or should become extinct.

A person's will may be made simply to the Foundation, to be used for the general welfare of the Denomination, or through the main budget arrangement. Or it may be made to a particular cause, or to several named causes--provided that the will shall be so worded as to give the Foundation opportunity to turn it to other causes in case such causes should no longer in the future exist.

The Baptist Foundation is bound to use contributions of cash or wills in the exact manner and for the exact purpose stated by the donor. They may be designated to be expended in whole, or they may be designated to be put to interest for the use of interest only.

Putting one's resources through the Baptist Foundation is the surest and most permanent way of guaranteeing support for Baptist work for an unlimited time ahead--for generations to come. No finer way of showing one's concern in the work of Christ in a lasting manner can be found.

Prepared by the Clerk.

REPORT ON SOUTHERN BAPTIST HOSPITALS

Southern Baptist Hospitals have a two-fold objective. The first is to provide the very best hospital care for those who need the services of the hospital. The second is to provide this care with Christian concern and compassion for the individual who is sick. This second objective means that the hospital seeks to provide help as well as medical or surgical care. The individual that comes to the hospital sick in body and in soul receives care for the body and care for his or her spiritual need. The hospital seeks to discharge the patient enriched in spirit.

Our hospitals proceed along four lines of endeavor in their total program. The first is routine hospital care. Our Baptist hospitals seek to provide the very best of regular hospital care at a reasonable cost. In comparison with others we seem to be succeeding.

The second endeavor is education. Our Hospitals conduct the Mather School of Nursing at New Orleans, schools of Medical Technology and X-Ray Technique, Intern and Resident Medical Training, and Clinical Pastoral Education.

The third endeavor is providing hospital care for those who are unable to pay for such care. This is done through the Out-Patient Clinic. Last year 4,763 patients were examined and treated in the Out-Patient Clinic. 647 of these were hospitalized at a cost of \$166,982.79. Each of us has an opportunity to help by giving to the Mothers' Day Hospital Offering taken in our churches each year.

The fourth effort is the capital program. This is a continuing program of building, repairing, equipping and keeping the hospital and equipment up to date in the field of hospitals and care for the sick. Each of us can have a small part here. Last year the Southern Baptist Convention made available to the Hospital Commission \$50,000.00 for this purpose. Each of us who gave through the Cooperative Program had a part.

E. L. Nixon.

MUSIC REPORT

The Associational year 1959-60, began with a fully organized Music Department. The music officers met on November 3, at Parkview Baptist Church, in a music planning conference.

On February 14, an Associational Church Music Festival, was held at First Church in Lake City. Three churches participated, with eight entries. Seven choirs with 116 members and one instrumental ensemble, making a total of 117 participants and 74 visitors, a grand total of 191. The music officers plan to have a Festival in 1961.

Four hymn sings were held in the Association this year. Many of the music lovers met at these hymn sings and enjoyed singing gospel songs and hymns. Mr. W. H. Mikell attended one of these sings and gave a talk on, "September, Church Music Month".

Each year two Music Camps are held at the West Florida Baptist Assembly Ground in Panama City, Harmony Bay, as these camps are called, offer to Intermediates and Young People a great opportunity in Church Music. We urge the churches to take advantage of these opportunities by sending some of your musical talent to these camps. During 1961 these camps will be held August 7-13 for Intermediates, and August 14-20 for Young People and Intermediates.

All the Associational Music Officers have been selected for the new year. We stand ready at all times to help the churches with their music needs.

Pasco Weeks.

RADIO AND TELEVISION COMMISSION ANNUAL REPORT TO BEULAH ASSOCIATION

The Radio and Television Commission is a missionary service organization of the Southern Baptist Convention. It preaches the Good News of Christ almost daily somewhere reaching individuals who might otherwise never hear the message of Christ. Mission work by radio and television is the only means of witnessing to these areas of the world which are closed to our present mission methods.

Five radio programs are now being produced of which the "Baptist Hour" and the "International Sunday School Lesson" are most familiar. Preparation of "The Answer" series for television continues to be a highly successful method of reaching the unchurched and frequently uninterested viewer. A new series of 13 films for use in 1961 is currently being produced, which brings to 52 the films available to television stations.

Southern Baptist pastors can now obtain "The Beam", monthly magazine of the Commission, upon request without cost, and a budget plan of 50¢ a year is available to churches which have 25 or more subscribers.

Churches are urged to remind their members to hear and view the programs which are on radio and television in their area.

Written by Jas. Shillings, read by the Clerk.

REPORT OF RELIEF AND ANNUITY BOARD

The Relief and Annuity Board was organized under the authority of the Southern Baptist Convention May 16, 1913 meeting in Hot Springs, Ark. It has grown to be one of the greatest agencies of the Southern Baptist Convention. All pastors are eligible to participate, if the church or churches they serve will pay an amount equal to 10% of the pastor's salary, or if the pastor and church pay 5% each. The plan provides for the widow of the deceased pastor to be the beneficiary, if she is left.

Other plans of the Annuity Board provide for denominational workers, such as Seminary professors, field workers, etc., to participate, as well as full time employees of the churches and of denominational agencies.

There are fourteen workers employed by the Annuity Board serving in 17 States to promote this work, thus urging the churches to assume payments necessary for their pastors to participate.

Members of the various annuity plans as of January 1, 1960 were 20,749, a 10% increase over 1959. There were 12,166 churches cooperating, an increase of 996. In 1959 the Board paid out \$2,267,458.85 to annuity members who had come to the age of retirement or were disabled. Relief payments were made in the amount of \$310,303.21. These were servants of the Lord for which no annuity had been provided by their churches, each receiving about \$60.00 per quarter. Relief funds come only from special contributions made by the churches for that purpose, and therefore depends entirely on the amounts received. All churches are urged to make at least one offering each year for this purpose, to make it possible for these old worthy but dependent servants of the Lord to receive some small amount, that they may know Baptists have not forgotten their services through better years gone by.

REPORT ON RESOLUTIONS

Realizing that we are indebted to those who made this splendid Christian fellowship possible, therefore:

BE IT RESOLVED: That we extend to the host churches, Mt. Carmel and Olustee, our sincere appreciation for their every evidence of Christian hospitality during this our Beulah Associational Meeting. Further,

BE IT RESOLVED: That our Beulah Association sponsor a program to promote principles of Christian temperance and morals, and to use every available means to stress the case of spiritual and moral purity among our Baptist fellowship. Further,

BE IT RESOLVED: That our Baptist fellowship practice Christian citizenship, giving prayerful, earnest attention to the coming national election, upholding the foundation principles of our country; namely total freedom of religion and the absolute separation of church and state. Further,

BE IT RESOLVED: That we pledge ourselves anew to be steadfast, unmovable, abundantly overflowing in our work for the Lord, knowing that our labor for God is not in vain.

REPORT ON FLORIDA BAPTIST RETIREMENT CENTERS

Florida Baptist Retirement Centers is the newest department of the far reaching program of missions and evangelism among Florida Baptists. The first unit of this new work is being established at Vero Beach, Florida on a beautiful twenty-three acre piece of land adjoining the municipal country club. It was the homestead property of Mr. and Mrs. Walter S. Buckingham of that city and members of the First Baptist Church and includes the beautiful two-story house which has been their home.

The contract for the building program has been let and the work was begun in September. The first building consists of rooms for single residents, a lounge, a dining room, kitchen and offices. All rooms are spacious and equipped with private bath and ample closet space. Duplex cottages and cottages of other designs also are being erected for couples such as man and wife, two women or two men. It is expected that we will be ready for "open house" and to accept residents about the first of the year.

The question is often asked, "Who is eligible for residency?" And sometimes there is the impression that the Centers are only for retired ministers and their wives. But we are seeking to provide for retired missionaries, retired ministers and their wives and retired lay-workers in the churches. They will be recommended by their churches and pastors in relation to their victorious living, their interests in the Lord's work and their ability to help maintain a warm spiritual atmosphere in the Center fellowship.

The building program presents a number of memorial opportunities such as the construction cost of a single room, \$3,500.00; furnishing a room or an office, \$500.00. Other projects are: the construction cost of the lounge and dining room, kitchen and dining room furniture, lounge furniture and the heating plant though we do not know, right now, what the cost of these projects will be. We will know soon, however. Those who are interested in helping to build the plant may get in touch with J. Perry Carter, Director, 715 Palermo Avenue, Coral Gables, Florida.

Prepared by J. Perry Carter.

REPORT TO BEULAH ASSOCIATION ON STATE, HOME AND FOREIGN MISSIONS

Truly we Southern Baptists can be proud of the fact that we are known as a Missionary people. According to Dr. Courts Redford, Executive Secretary of the Home Mission Board, we are supporting 2,192 missionaries and through their work a total of 44,649 professed faith in Christ in 1959. The Annie Armstrong offering and the Co-operative Program provided around \$4,151,389.58 for home mission work. Of this amount the Beulah Association gave \$11,591.00 through the Co-operative Program.

The Home Mission work is active in all states and is divided into seven programs as outlined by Dr. Courts Redford as (Quote) "Evangelism, church loans, chaplaincy, pioneer and associational missions, city missions, national Baptists, and language group missions." At the end of 1959, 74 City Mission Programs were in operation. Gradually the larger cities are coming into the program and Seattle, Washington is now the fourth major city to join the Southern Baptist "BIG CITIES" program and contributed \$100,000 for Church Sites. These programs cover juvenile rehabilitation, Jewish work and 45 mission center programs.

Southern Baptists joined six other North American Baptist bodies in 1959, making it a year of evangelism. Especially emphasized was personal soul-winning, and Christian growth.

Home Missionaries are among the following language groups and the deaf. Migrants in the United States were especially served. Other Home Mission labors are carried on in Cuba, Panama, Canal Zone, and among the San Blas Islands.

The work of the chaplaincy is also growing. During 1959 the Chaplains Commission endorsed 171 military chaplains. There are 419 Southern Baptist Chaplains on active duty in the Armed Services and 660 in the Reserve. This ministry reports 13,193 baptisms. The Home Mission program depends on personnel, but God is providing consecrated men and women as the need comes.

Foreign Missions. The total number of Foreign Missionaries is 1407 and the appointment goal for 1960 is 150. A total of 2,000 missionaries are expected to be under appointment by the close of the Baptist Jubilee Advance in the year 1964.

The present missionaries serve in 44 countries and world evangelization is the ultimate goal. Mission work is being carried on through churches, schools, hospitals, publication plants, Good Will Centers. National pastors number 2,193. There are 3,269 churches and 6,332 chapels and mission points. All these report Sunday School enrollment of 340,346. There were 28,228 baptisms in 1959. Church members number 427,204. This includes China.

The Lottie Moon offering for 1959 contributed \$7,706,847.29 to Foreign Missions. The Cooperative Program contributed \$1,575,912.51 in 1959. Total for 1959, \$9,282,759.80. G. Elmer Noble.

REPORT ON STEWARDSHIP AND THE COOPERATIVE PROGRAM

As a plan for handling the funds of Southern Baptists the Cooperative Program is now thirty five years old. In that length of time Southern Baptists have poured a total of \$483,354,000.00 into the cooperative activities of State and Convention wide agencies. In 1959 gifts of \$47,000,000.00 were divided proportionately between State and Southern Convention causes.

The newly established Stewardship Commission of the Southern Baptist Convention has committed itself to the Cooperative Program as our best means of cooperative and voluntary support of world-mission activities--evangelism at home and abroad. It is the purpose of the Stewardship Commission to seek to develop a scriptural attitude and response to the Bible plan of financing Kingdom work, to assist denominational agencies in raising funds and to assist in providing endowment and capital needs. One means of such purposes will be the vigorous promotion of the Forward Program of Church Finance. Thus we anticipate phenomenal growth in all our Baptist work and in our spirit of a world mission task.

We rejoice that every church in Beulah Association reports gifts to the Cooperative Program during the past fiscal year, with a total of \$11,591.31 reported in the church letters.

We recommend: 1. That every church use the budget plan of church finances, regardless of the amount involved. Churches are stewards of money received from their members and are obligated to use sound business methods in handling it, just as are their members responsible under God for the use of their own means. 2. That the churches include the Cooperative Program in their budget on a percentage basis, increasing % each year. 3. That the Cooperative Program be a preferred item, paying it first. 4. That the Cooperative Program be carefully studied for its best support.

SUNDAY SCHOOL REPORT

In the Bible we read, "Gather the people together, men, and women and children, and the stranger that is within thy gates, that they may hear, and that they may learn and fear your God, and observe to do all the words of this law." (Deut. 31:12)

Our Sunday Schools have proven to be great Bible teaching, evangelistic, enlistment and financial agencies of our churches. Through continued guidance in a worthy program they will continue to help our churches in these areas. total Church Study Course awards through Aug. 31, 1960 were 769; in Category 17, 60; churches earning awards in Church Study Course 10; in Category 17, 3. Standard Sunday Schools 1; Standard Classes and Departments 1, a total of 2. Vacation Bible Schools 8.

Secretary C. P. Barry reports continued improvement of all phases of the Sunday School program throughout the state. Although all reports are not in, he estimates the following: approximately 1400 Sunday Schools; an enrolment gain of about 20,000; bringing our total enrolment to 408,000; Church Study Course Awards 100,000; Sunday School Category 17 Awards 21,000; Vacation Bible Schools 1,050; Standard Sunday Schools 125; Standard Classes and Departments 1,550; Total Standard Units 1,700; Alachua, Seminole, and Shiloh Associations attained recognition as Standard Associations.

RECOMMENDATIONS: 1. We urge our association to consider amending our By-Laws so as to permit the Associational Executive Committee, or the Associational Superintendent, or Nominating Committee, to set in motion the selection and enlistment of our Associational Sunday School Officers in June of each year so as to have a complete set of workers by Sept. 1st. This would permit these workers to attend their Associational Officers Training and Planning Meeting the first part of September each year, thus permitting them to be prepared to start off in October, the first of the new Sunday school year. 2. That our churches consider an enrolment increase of 15%; Vacation Bible school in every church and mission; the observance of Bible Study week in January and preparation Week in September; a Standard Sunday School in every church. 3. That our Sunday schools cooperate with all the Special Days as promoted by the Florida Baptist Convention. C. L. Mimbs.

REPORT ON TEMPERANCE AND MORALS

Florida's "High Cost" of "Low Living" is reflected in the report of the Interdenominational organization, United Christian Action. Their report shows that Florida drank 80 million gallons of alcoholic beverage last year, or 42 gallons per drinker. This cost \$135.00 per drinker, or \$66.00 per Florida citizen. Liquor claims 1,400,000 drinkers in our state, of whom 110,000 are alcoholics and 400,000 problem drinkers.

Gambling and indecent literature add greatly to the crippling of minds and souls of our citizens. There are twenty six legalized race tracks or gaming places, unnumerable outlets of filthy publications and great numbers of hidden moonshine stills. On these sources of corruption nearly one billion dollars is spent annually, six times as much as is spent on all religious and welfare activities, thus leaving way for multitudes of lost souls to go down under a debauchery that staggers the imagination.

What can be done? We must fight. Fight to win wet counties, to reduce zoning privileges favoring liquor, to reduce drunk driving. We must study. Study courses and abundant printed materials are available to supplement Bible study to educate our people against fleshly evils. United Christian Action and denominational and other agencies are ready to help with materials for study. Much has been done by United Christian Action in furnishing technical assistance, educational opportunities and personal leadership in the right for a sane and sober citizenship. We must give. Our agencies must have our support.

In this day of wholesale compromise, loosening of church discipline, absence of home discipline and training and a general letting down of moral standards, there is much to be deplored in the way of drunkenness, murder, rape, thieving, robbery, lying, prostitution and corruption.

In the face of God's wrath which must finally be displayed against sin it is already late for Baptists to use their combined influence through the preaching of consecrated pastors, vigorous church activities and denominational agencies to bring up a generation in the fear and admonition of the Lord.

ASSOCIATIONAL TRAINING UNION REPORT

We have had a good beginning for Training Union in Beulah Association. A complete corps of officers have been secured, and their willingness to serve has brightened the outlook for our work in this year 1959-1960.

We have had two regular Associational Training Union Meetings this year. The first was held in the Music Director's office of the First Baptist Church. Nine of our Associational officers were present for this Executive Committee meeting. We had a good session. Your Director attended the Associational officers clinic at the First Baptist Church in Gainesville on October 27. Our Association Director attended the evening session with his wife. The second meeting, the Officers and Leaders Conference was held in the Southside Church November 10. There was good response considering the conflict with the meeting of the Florida Baptist Convention which began on this date. Ten churches were represented with a total attendance of 38. Six pastors were present and 8 Training Union Directors. Conference for the various departments were held. The closing period consisted of setting up goals and plans for the coming year, and a very instructive talk by Bob Turner on our new program of training.

REPORT ON WOMAN'S MISSIONARY UNION

Severe illness among several of our associational WMU officers has somewhat retarded the work this year, but through the cooperation of the women in the churches much has been accomplished.

Among the highlights of the year was the Leadership Conference held in October with several instructors from the state office and from Jacksonville Association leading the various groups of officers. As a result several women completed the new Leadership Course. A Mission Study Institute was held setting the pace for increased activity in mission study. The Association was represented at the state WMU Convention in Daytona Beach, at WMU Week at Ridgecrest and at Deland for the Leadership Conference.

For the first time one of our auxiliaries has been recognized as an advanced G.A.--the Parkview Intermediate G.A. A coronation service was held in August and we now have more Queens than at any time in our history. Several Juniors and Intermediates attended G.A. Camps this summer.

No new societies were organized during the year, although there were efforts made, so there are yet 16 churches without WMU work. Three societies are to be organized as Advanced Societies: First, Parkview and Southside.

Offerings for missions have increased as follows:

Lottie Moon Offering	\$1,221.95	(25% increase)
Annie Armstrong Offering	511.71	(14.5% increase)
State Mission Offering	276.20	

247 letters were reported. We plan to emphasize enlistment and stewardship this year in keeping with the Jubilee Goals.

Mrs. L. M. Lloyd, President.
