

EVANGELIST IS HOLDING MEETING

SPECIAL TO THE JOURNAL.

Caryville, March 3.—Rev. A. V.

Reese, an evangelist sent out by the Missionary Baptist church, has been conducting a series of meetings at Caryville during the past week. These meetings have been well attended and much interest manifested. This being a large-saw mill town, wherein all denominations occupy their sphere, it is to be hoped that a church building will soon be erected by the Henderson-

Waits Lumber Company to accommodate all Protestant believers.

REVIVAL SERVICES BEGIN AT VENICE

The revival at Venice being conducted in the Community hall by Dr. T. O. Reese, pastor of the First Baptist church, Sarasota, and his brother, the Rev. A. V. Reese, of Hendersonville, N. C., opened Thursday night.
