

Ocean City Minister Expects Spiritual Revival In Crusade

Editor's Note: This is the second in a series of letters by area ministers describing why they support the Ford Philpot Crusade, and why their congregations are supporting it.

City Church are already participating in the planning and in the weekly Spiritual Preparation Rallies and in Neighborhood Prayer Circles. We expect to furnish many voices for the

huge Crusade Choir as well as a number of counselors and ushers and nursery workers. We are looking forward to great things. We wouldn't miss

By the **REV. J. M. QUIGLEY,**
Pastor, Ocean City Baptist
Church.

I am wholeheartedly joining in the Northwest Florida Ford Philpot Crusade because I believe the greatest need of America is revival and I believe that God is using Evangelist Ford Philpot for revival. I also believe that if every Christian in this area would enter into this Crusade in humility and prayer and seeking God's face and turning from lesser things, that we would see a mighty work of the Holy Spirit.

I cannot speak for other Christians but I can speak for myself and I find, under God, that I must be a part of this revival and evangelistic effort. Hundreds of souls can, and I believe will, be brought to Jesus Christ through this Crusade. I count it a privilege to have a part.

History

Ocean City Church was founded by Pastor James M. Quigley as a mission church from the First Baptist Church in Holt, Florida. It was constituted as the First Baptist Church of Ocean City in June, 1954. In those early days, the Ocean City/Wright area was only just beginning to be developed. The church began to grow immediately, touching the hearts and lives of multitudes through the anointed preaching of the Gospel and teaching of God's Word. Pastor Quigley continued to lead this flock of committed followers of Jesus until the Lord saw fit to call him home in June of 1982.
