**HISTORY OF THE FIRST BAPTIST CHURCH OF SOPCHOPPY**

This Church became the Mt. Beasor Missionary Baptist Church in 1873 when 80 members withdrew from the Mt. Beasor Primitive Church which was constituted in 1853. The first church building was erected on a site in West Sopchoppy in 1873 and remained there until 1906 when Mr. John C. Hodge gave a lot in the present City of Sopchoppy and a second church building was constructed. The site was moved to the present City of Sopchoppy because of a shift in the community growth. The building erected in 1906 remained until the present building was constructed in 1967. The church went by the name of Mt. Beasor Baptist Church until 1942 when it was changed to the First Baptist Church of Sopchoppy. In 1964, the first gifts were made to a building fund for the present church building on this third site. In 1965, the church voted to build, and on December 17, 1967, the first service were held in the new building. However, Sunday School and Church Training were not held in the new building until February 11, 1968, when every part of the building was completed. The present building was dedicated on February 25, 1968. The new educational wing was completed the first part of 1982 and was dedicated on March 21, 1982.
