The Indian Springs Baptist Church adopted as its Articles of Faith, the Philadelphia Confession of Faith (1742), which was standard among Baptists and was the official Abstract of Principles of the Ocklockonee Association. There were twelve articles:

1. We believe in the one only true and living GOD, and that there are three persons in the Godhead, the Father, the Son, and Holy Ghost.
2. We believe the Scripture of the Old and New Testaments are the Word of GOD, and the only rule of faith and practice.
3. We believe in the doctrine of eternal and particular election.
4. We believe in the doctrine of original sin.
5. We believe in man's impotency to recover himself from the state he is in, by nature, by his own free will and ability.
