

Michael Rodriguez was saved and liberated by the power of the Gospel from drug addiction in New York City. He was called by God in 1986 to come to Miami and plant a local church. In 2002, by God's providence, the Lord provided the campus of Gladeview Baptist Church.

Pastor Michael's vision is to preach the Gospel, see souls regenerated by the transforming power of the Good News, and to be an influence to our community for the Kingdom of God as we worship, disciple, fellowship, and evangelize, driven by the person and work of Jesus Christ.

The passion of Gladeview remains the same as it has been for almost 40 years: to reach our community, city, and the world for Christ with the transforming power of the Word of God.

Pastor Michael and his wife, Lisa, have three children and five grandchildren.
