rate long. I might add that my associations with him were pleasant and profitable.—R. Gordon Bennett, Pastor.

We began a meeting with Pastor Alban Goodman at San Pedro Church, four miles east of Perry, in the Middle Florida Association. The meeting began August 2, continuing through August 11.

The interest and attendance were good from the beginning to the closing. The result of these meetings was the church received 13 professions of faith and three letters.

This is the church where we attended services and Sunday School from our youth manhood. We were saved, surrendered the ministry, licensed to preach and passed the church for four years.

This was one of the most inspiring meetings we ever held, because our old playmates and friends cooperated so well in making the meetings such a great success. O Lord continue to bless this old church and community for what it means the cause of Christ.

Pastor Goodman is a true yokefellow in ministry. It was a joy and a pleasure to work with him.

We take pleasure in recommending him to our fellow pastors and to the churches as a man filled with the Spirit and a pastor for the lost. May the blessings of God be upon the pastor and the people for their kindness to the visiting preacher.—W. Parker.

FACTS

ASTOR E. H. S. BEALL of Campbellton says that this old historic church is planning to build a new house of worship. It is the oldest church in the State and celebrated its centennial twelve years ago.

Surely the church will meet that challenge. We will watch this effort with prayerful interest. May the Lord bless pastor and people.

WE ARE GLAD to see the interest in the proposed evangelistic meeting to take place early in the new year. Let's put our heads together and discuss the time and place features. If we don't have it just before the Convention, could we hope to get the preachers together for another great central meeting, say around the middle of February? What do you suggest?

CRESCENT CITY CELEBRATES

The Baptists of Crescent City staged a beautiful anniversary program Sunday, the 22nd. Their church was organized just 30 years ago. Pastor Cannady and his people had prepared a fine program. We were glad to take part in it by delivering an appropriate message. A bountiful repast was served on the church grounds, after which Brother Cartledge read a history of the church that was very informing. Addresses were brought by three former pastors, Brethren J. W. Renterfitt, I. S. Murphy and E. A. Shepherd. Mrs. Brittain spoke of women's work.

Dr. E. W. Ford, with a blackboard, marked off into small squares, appealed for subscriptions to pay off their indebtedness which amounts to a thousand dollars. Each square on the blackboard represented five dollars. There were several checks and subscriptions amounting to \$100.00 each. Smaller gifts came in until practically every square was taken. It was a happy occasion. We congratulate pastor and people.

instead of to the church, as they should have been. The name of the church was inadvertently omitted. We apologize to the church and pastor, and express a hope that our office will not make any more such mistakes. Berea is a young church and is making rapid progress under the leadership of Pastor C. D. Cole. They have contributed liberally to missions while paying for their new building and meeting other current obligations.

COST OF HANDLING FUNDS

Our Brother Clarkson has handed the Secretary a communication in which he shows that it cost Florida Baptists just 2½ per cent to handle all their funds during the six months' period reported in the Witness recently. That is to say that only 2½ cents out of each dollar went for overhead expenses. This means that 97½ cents

This statement ought to greatly please our people everywhere.
